1. Terms and Conditions

AWARD INFORMATION

Incorporation: In addition to the federal laws, regulations, policies, and CDC General Terms and Conditions for Non-research awards at <https://www.cdc.gov/grants/federalregulationspolicies/index.html>, the Centers for Disease Control and Prevention (CDC) hereby incorporates Notice of Funding Opportunity (NOFO) number CDC-RFA-EH21-2101, entitled “Building Resilience Against Climate Effects: Implementing and Evaluating Adaptation Strategies that Protect and Promote Human Health – 2021”, and application dated June 18, 2021, as may be amended, which are hereby made a part of this Non-research award, hereinafter referred to as the Notice of Award (NoA).

Approved Funding: Funding in the amount of \$300,000 is approved for the **Core Component** for the Year 01 budget period, which is September 1, 2021 through August 31, 2022. All future year funding will be based on satisfactory programmatic progress and the availability of funds.

The federal award amount is subject to adjustment based on total allowable costs incurred and/or the value of any third party in-kind contribution when applicable.

Note: Refer to the Payment Information section for Payment Management System (PMS) subaccount information.

Financial Assistance Mechanism: Cooperative Agreement

Substantial Involvement by CDC: This is a cooperative agreement and CDC will have substantial programmatic involvement after the award is made. Substantial involvement is in addition to all post-award monitoring, technical assistance, and performance reviews undertaken in the normal course of stewardship of federal funds.

CDC program staff will assist, coordinate, or participate in carrying out effort under the award, and recipients agree to the responsibilities therein, as detailed in the NOFO. The CDC program will work in partnership with recipients to ensure the success of the cooperative agreement by:

- Supporting recipients to implement cooperative agreement requirements and advance program activities to meet outcomes.
- Providing expertise and resources related to scientific subject matter.
- Providing advice on the development, publication, and dissemination of reports, fact sheets, or other data products.
- Collaborating with recipients to develop and implement evaluation plans and use evaluation findings.
- Providing resources and assistance in building evaluation capacity.
- Establishing and facilitating learning opportunities to increase information sharing among recipients.
- Providing professional development and training opportunities, either in person or through virtual web-based training formats, for the purpose of sharing best practices and the latest science.
- Convening meetings that provide recipients with opportunities to exchange resources, share lessons learned, and address common issues.
- Participating in meetings, committees, conference calls, and working groups relevant to achieving the goals of the NOFO.
- Coordinating with other agencies and national organizations working build climate

- resilience.
- Disseminating lessons learned by recipients to build a stronger practice base for climate adaptation strategies.

Expanded Authority: The recipient is permitted the following expanded authority in the administration of the award.

- Carryover of unobligated balances from one budget period to a subsequent budget period. Unobligated funds may be used for purposes within the scope of the project as originally approved. Recipients will report use, or intended use, of unobligated funds in Section 12 “Remarks” of the annual Federal Financial Report. If the GMO determines that some or all of the unobligated funds are not necessary to complete the project, the GMO may restrict the recipient’s authority to automatically carry over unobligated balances in the future, use the balance to reduce or offset CDC funding for a subsequent budget period, or use a combination of these actions.

Program Income: Any program income generated under this grant or cooperative agreement will be used in accordance with the Addition alternative.

Addition alternative: Under this alternative, program income is added to the funds committed to the project/program and is used to further eligible project/program objectives.

Note: The disposition of program income must have written prior approval from the GMO.

FUNDING RESTRICTIONS AND LIMITATIONS

Indirect Costs: Indirect costs are approved based on the negotiated indirect cost rate agreement dated March 3, 2021, which calculates indirect costs as follows, a Predetermined is approved at a rate of 25% of the base, which includes, \$207,043 in salaries and fringe benefits. The effective dates of this indirect cost rate are from March 3, 2021 to March 2, 2022.

REPORTING REQUIREMENTS

Performance Progress and Monitoring: Performance information collection initiated under this grant/cooperative agreement has been approved by the Office of Management and Budget under OMB Number 0920-1132, “Performance Progress and Monitoring Report”, Expiration Date 10/31/2022.
