[Interim Zoning Controls - Health Services and Social Services in Upper Market Street NCT 1 and Castro Street NCD] 2 3 Resolution imposing interim zoning controls for an 18-month period for parcels in the Upper Market Street Neighborhood Commercial Transit District (NCT) and the Castro 4 5 Street Neighborhood Commercial District (NCD), by requiring Conditional Use 6 Authorization for a change of use from a Health Services Use or a Social Services Use; 7 affirming the Planning Department's determination under the California Environmental 8 Quality Act; and making findings of consistency with the eight priority policies of 9 Planning Code, Section 101.1. 10 11 WHEREAS, Planning Code, Section 306.7, authorizes the Board of Supervisors to 12 impose interim zoning controls to allow time for the orderly completion of a planning study and 13 for the adoption of appropriate legislation, which are necessary to ensure that the legislative 14 scheme that may be ultimately adopted is not undermined during the planning and legislative 15 process by the approval or issuance of permits authorizing changes of use that could conflict 16 with that scheme; and 17 WHEREAS, The Upper Market Street Neighborhood Commercial Transit District and the Castro Street Neighborhood Commercial District are home to the Castro neighborhood; 18 19 and 20 WHEREAS, the Castro neighborhood has been recognized worldwide for at least half a 21 century as a beacon of Lesbian, Gay, Bisexual, Transgender, and Queer (LGBTQ) liberty and 22 an enclave for LGBTQ people to find safety, acceptance, and chosen family, and is the home 23 to the Castro LGBTQ Cultural District, recognized in Administrative Code Section 107B, which 24 was established to preserve, sustain, and promote LGBTQ history and culture of the 25 neighborhood; highlight the structures and sites important to this history; foster racial, ethnic,

and cultural diversity among its residents and businesses; and create a safe, beautiful, and
 inclusive space for LGBTQ and allied communities, for both residents and visitors; and

WHEREAS, The Castro was one of the first neighborhoods in the world to bear the full
brunt of the AIDS crisis in the 1980s, and one of the first neighborhoods in the world to
organize an effective and sex-positive response to the epidemic; and

6 WHEREAS, The Castro was also one of the first neighborhoods nationwide to identify 7 marijuana as a medicinal treatment for those living with HIV and cancer; the AIDS epidemic 8 inspired activist responses in the Castro in the 1980s and 1990s, led by groups such as 9 Citizens for Medical Justice, the AIDS Action Pledge, and ACT/UP San Francisco; the Castro has been home to numerous pioneering HIV/AIDS healthcare, social services, prevention, 10 education, advocacy, and fundraising organizations that helped establish the world-renowned 11 12 San Francisco model of care that marshaled volunteer, nonprofit, foundation, and City 13 resources to respond to the epidemic; and

14 WHEREAS, Those critical health care and mental health services continue today, and 15 are of particular importance as an increasing number of queer youth nationwide flee 16 homophobia in their hometowns or family situations, and come to San Francisco looking for 17 safety and support; many end up homeless or at-risk of exploitation, with nearly half of San 18 Francisco's homeless youth identifying as members of the LGBTQ community, according to a 19 recent article in The California Sunday Magazine; additionally, as more and more survivors of 20 HIV/AIDS live longer, there is an increased need to address the loneliness, depression, and 21 isolation faced by seniors aging in place, particularly in the aftermath of the COVID-19 22 pandemic; and

WHEREAS, The LGBTQ community has a unique need for affordable, culturally
 competent, and accessible mental, medical, and behavioral health services and faces
 disparities in accessing them within close proximity to the Castro neighborhood and the

Castro LGBTQ Cultural District. Organizations and individuals providing mental and
 behavioral health services, including non-profit mental health services in particular, have been
 faced with the threat of eviction as landlords seek to dramatically raise rents coming out of the
 pandemic; only a handful of queer-focused health facilities are left in the Castro, and those
 that provide care at low to no cost are fewer still; and

6 WHEREAS, The interim controls established by this Resolution will allow time for the 7 orderly completion of a planning study and for the adoption of appropriate legislation that 8 supports the cultural and economic diversity of the Castro neighborhood in general, and 9 health and social services in particular; and

WHEREAS, The Board of Supervisors (Board) has considered the impact on the public
 health, safety, peace, and general welfare if these interim controls are not imposed; and
 WHEREAS, The Board has determined that the public interest will best be served by
 imposition of these interim controls to ensure that the legislative scheme which may be
 ultimately adopted is not undermined during the planning and legislative process for
 permanent controls; and

WHEREAS, The Board finds that these interim controls are consistent with the Priority
Policies set forth in Planning Code, Section 101.1, because by requiring Conditional Use
authorization prior to a change in use or demolition of a Health Service or Social Service use,
these interim controls will preserve and enhance existing neighborhood-serving uses and will
conserve and protect the cultural and economic diversity of the Castro neighborhood; and

21 WHEREAS, The Planning Department has determined that the actions contemplated in 22 this Resolution comply with the California Environmental Quality Act (California Public 23 Resources Code Sections 21000 et seq.); said determination is on file with the Clerk of the 24 Board of Supervisors in File No. 240683 and is incorporated herein by reference; the Board 25 affirms this determination; now, therefore, be it

Supervisor Peskin BOARD OF SUPERVISORS RESOLVED, That, notwithstanding any provision of Article 2 of the Planning Code, a
change in use or demolition of a Health Services use or a Social Services use, as defined in
Planning Code, Section 102, shall require Conditional Use authorization pursuant to
Section 303 of the Planning Code; in acting on any application for Conditional Use
authorization for changes in use or demolition of a Health Services use or a Social Services
use, the Planning Commission shall consider the following criteria in addition to the criteria set
forth in Section 303(c) and (d):

8 (a) Whether comparable Health Services uses, Social Service uses, or other
9 community-based health organizations that are tailored to the queer population and that are
10 equally or more accessible to seniors, people with disabilities, people living with HIV/AIDS,
11 and other residents who need health services, are available at locations in the immediate
12 vicinity; and

(b) Whether the Conditional Use authorization and proposed change of use is
consistent with the health and wellness preservation priorities set forth in the Castro LGTBQ
Cultural District Cultural, History, Housing, and Economic Sustainability Strategy Report; and
(c) Whether the proposed change in use would serve the essential needs of lowerincome residents in need of affordable, accessible, and culturally competent mental,
behavioral, medical, and emotional health services, including sex-positive education and

19 therapy, substance abuse treatment, and STI/STD screenings and treatment; and

(d) Whether the proposed change in use maintains or increases the number of patients
 who have been documented as seeking treatment tailored to the LGTBQ community in the
 Castro neighborhood; and

- (e) Whether the proposed change in use will make it harder for marginalized members
 of the LGBTQ community to seek treatment; and, be it
- 25
