RE: Budget and Finance Committee February 7, 2024 Agenda Item #3 [Issuance of Revenue Bonds - St Ignatius College Preparatory - Renovations and Improvements - Not to Exceed \$150,000,000] File #240062

Position: Urging continuance

Although the Office of Public Finance has fulfilled all of its legal requirements, the TEFRA process is largely opaque to members of the public.

I'm requesting a continuance in order to allow for the community to review supporting documents and submit comments to the Budget and Finance Committee.
