MUNICIPAL TRANSPORTATION AGENCY**

DIVISION: Finance and Information Technology

BRIEF DESCRIPTION:

Authorizing the San Francisco Municipal Transportation Agency (SFMTA), through its Director of Transportation (or his designee), to accept and expend up to \$440,861 in FY 2014/15 Transportation Development Act, Article 3 (TDA) funds for bicycle facility projects.

SUMMARY:

- SFMTA requests authority to accept and expend up to \$440,861 in FY 2014/15 TDA grant funds for bicycle facility projects.
- The choice of funded projects is based on input SFMTA received from various community groups, such as the San Francisco Bicycle Coalition and the Board of Supervisors' Bicycle Advisory Committee, as well as the SFMTA Capital Improvement Program (CIP).
- The acceptance and expenditure of these grant funds also requires approval from the Board of Supervisors because these projects are combined with projects from DPW to be presented to the Metropolitan Transportation Commission (MTC) as a countywide program of projects using these TDA funds.
- MTC requires that the SFMTA Board Resolution describe how the SFMTA will comply with the MTC's policies governing project delivery.

PURPOSE

Authorizing the SFMTA to accept and expend up to \$440,861 in FY 2014/15 TDA funds for bicycle facility projects.

GOAL

This request supports the following SFMTA Strategic Plan Goal:

Goal 2: Make transit, walking, bicycling, taxi, ridesharing and carsharing the preferred means of travel.

Objective 2.3 – Increase use of all non-private auto modes.

Goal 3: Improve the environment and quality of life in San Francisco.

Objective 3.1 – Reduce the Agency's and the transportation system's resource consumption, emissions, waste, and noise.

Objective 3.3 - Allocate capital resources effectively.

Objective 3.5 – Reduce capital and operating structural deficits.

DESCRIPTION

Article 3 of the TDA authorizes disbursement of funds for bicycle and pedestrian purposes. Within the nine-county Bay Area, the Metropolitan Transportation Commission (MTC) administers TDA funds. Funds are to be evenly split between the Department of Public Works (DPW) for pedestrian facilities and the SFMTA for bicycle projects. As in past years, DPW and the SFMTA are jointly preparing a unified, countywide TDA Article 3 request for funding, consistent with MTC's directions.

The SFMTA proposes to use these funds for the bicycle facility projects detailed on the TDA Article 3 Project Application Form (Bicycle Facility Projects), which include:

1. Regional Bicycle Sharing Pilot
2. Bicycle Parking
3. Bicycle Projects in Coordination with Near Term Repaving Projects
4. Post Construction Evaluation
5. General Bicycle Facility Fund

MTC requires that the SFMTA Board Resolution describe how the SFMTA will comply with the MTC's policies governing project delivery. These requirements include:

1. That the SFMTA will commit adequate staffing resources to complete the Bicycle Facility Projects.
2. A review of Bicycle Facility Projects has resulted in the consideration of all pertinent matters, including those related to environmental review and right-of-way permits attendant to the successful completion of the project(s).

PAGE 3.

3. Issues attendant to securing environmental review and right-of-way permits for the Bicycle Facility Projects have been reviewed or will be reviewed and will be concluded in a manner and on a schedule that will not jeopardize the deadline for the use of the TDA funds being requested.
4. That the Bicycle Facility Projects will comply with the requirements of the California Environmental Quality Act (CEQA, Public Resources Code Sections 21000 et seq.).
5. That as portrayed in the budgetary description(s) of the Bicycle Facility Projects, the sources of funding other than TDA will be either programmed or allocated and adequate for completion of the project(s). All projects will be 100% TDA funded.
6. That the FY 14/15 TDA funds will be used for capital construction and/or design engineering of bicycle facility projects.
7. That the Bicycle Facility Projects have been included in a detailed bicycle circulation element included in an adopted general plan, or included in an adopted comprehensive bikeway plan (such as outlined in Section 2377 of the California Bikeways Act, Streets and Highways Code section 2370, et seq.).
8. That the Bicycle Facility Projects are ready to commence implementation during the fiscal year of the requested allocation.
9. That the SFMTA agrees to maintain, or provide for the maintenance of, the Bicycle Facility Projects for the benefit of and use by the public.

ALTERNATIVES CONSIDERED

The two alternatives are not to pursue the TDA funds, which will leave the SFMTA's capital program in deficit, or to find alternative funds from other capital programs to fund the proposed project.

FUNDING IMPACT

No matching funds are required.

OTHER APPROVALS RECEIVED OR STILL REQUIRED

The bicycle facility projects to be funded by TDA are from a pool of projects identified in the 2009 SFMTA Bicycle Plan, for which the San Francisco Planning Department, on August 14, 2009, issued a Notice of Determination regarding certification of the Environmental Impact Report prepared pursuant to CEQA.

In addition, on May 18, 2012, the Planning Department determined that the proposed extension to October 1, 2014 for implementation of the Regional Bicycle Sharing Pilot project was exempt from environmental review pursuant to Title 14 of the California Code of Regulations Section 15306 as a Class 6 (Information Collection) categorical exemption. The proposed extension will provide the opportunity for the SFMTA to gather information and collect data to study the effects of Regional Bike Sharing and will inform future implementation of the project. A copy of these determinations is on file with the Secretary for the SFMTA Board of Directors. The proposed action is the Approval Action as defined by the S. F. Administrative Code Chapter 31.

PAGE 4.

The acceptance and expenditure of these grant funds require approval from the Board of Supervisors because these projects are combined with projects from DPW to be presented to the MTC as a countywide program of projects using TDA Article 3 funds.

The City Attorney has reviewed this report.

RECOMMENDATION

Staff recommends that the SFMTA Board authorize the SFMTA to accept and expend up to \$440,861 in FY 2014/15 TDA funds for various the bicycle facility projects as set forth in the TDA Article 3 Project Application Form.
