RE: Resolution Authorizing Application to California Debt Limit Allocation Committee for Multifamily Housing Revenue Bonds for Alice Griffith Phase 4: 2800 Arelious Walker Drive.

With this memo, I am submitting to you for introduction at the Board of Supervisors meeting on Tuesday, October 4, 2016, a resolution regarding qualified mortgage revenue bonds for 2800 Arelious Walker Drive or Phase 4 of the revitalization of the Alice Griffith Public Housing Development (the "Project"). McCormack Baron Salazar ("MBS") through their affiliate Double Rock ventures LLC is sponsoring this Project. Phase 4 totals 31 units (12 one-bedroom, six two-bedroom, ten four-bedroom, and three five-bedroom units). Phase 4 will be comprised of 42% (or 13 units) public housing replacement units and 58% (or 18 units) new affordable units.

The resolution would authorize Olson Lee, as Director of this office to submit an application to the California Debt Limit Allocation Committee for permission to issue such bonds in an amount not to exceed \$16,000,000. These resolutions would only authorize the Mayor's Office of Housing and Community Development ("MOHCD") to apply for the allocations of bond issuing authority. Should we receive authority, we will need to return to the Board for permission to actually issue the bonds. Funds generated from the issuance and sale of the bonds would be used to finance construction of the Projects.

The proposed Project is the fourth phase of a larger affordable housing development, the revitalization of the Alice Griffith public housing development, which is an enforceable obligation of the Office of Community Investment and Infrastructure, Successor Agency to the Redevelopment Agency ("OCII"). Alice Griffith Phases 1 through 3 are currently under

construction. When the redevelopment is complete all 256 currently existing public housing units at Alice Griffith will be replaced and 248 new affordable units, 367 market rate units, 42 inclusionary units and 237 workforce units (serving households between 121% and 160% AMI) will be added. OCII will also be providing loans to all affordable phases of the redevelopment.

MOHCD has previously issued bonds for both rental housing and for first time homeownership. These financings are conduit financings, which do not require the City to pledge repayment of the bonds. Rather, the bondholders' only recourse for payment is the project revenues themselves and the credit enhancement provided by lenders.

Introduction on October 4, 2016 ensures that we have enough time to continue gathering the materials for the application which is due on January 13, 2017.

The attached resolution has been approved as-to-form by Deputy City Attorney Heidi Gewertz. I am enclosing a brief description of the Project for your review.

If you have any questions about the resolution or the project, please contact Elizabeth Colomello at the Office of Community Investment and Infrastructure at 701-5518.

Elizabeth Colomello, Senior Development Specialist for the Office of Community Investment and Infrastructure, Successor Agency to the San Francisco Redevelopment Agency also representing the Mayor's Office of Housing and Community Development for 2800 Arelious Walker Drive, was available for questions for the remainder of the day, but none were submitted.

ALICE GRIFFITH PHASE 4 Project Description

Alice Griffith Phase 4 (the "Project") is the fourth phase of the redevelopment of the 256-unit Alice Griffith Public Housing site as a mixed-income, service-enriched community, developed according to the principles of HOPE SF. When the redevelopment is complete all 256 public housing units will be replaced along with 248 new affordable units, 367 market rate units, 42 inclusionary units and 237 workforce units (serving households between 120% and 160% AMI). AG Phases 1 and 2 began construction in March 2015 and are expected to be complete in December 2016. AG Phase 3A and Phase 3B began construction in February 2016 and is expected to be complete in November 2017. Once these three phases are complete, 306 units will be complete: 207 of those units will be public housing replacement units and 97 will be new affordable units. Phase 4 totals 31 units, 13 public housing replacement units and 18 new affordable units.

Double Rock Ventures LLC, ("DRV") the development entity for the redevelopment of Alice Griffith Public Housing is an affiliate of McCormack Baron Salazar ("MBS"). CP Development Co, LP is a partnership including the Lennar Corporation, now Five Point ("CP DEV CO" or "Lennar") created for the purpose of redeveloping Hunters Point Shipyard Phase 2 and Candlestick Point. On June 3, 2010, the former San Francisco Redevelopment Agency (the "Former Agency" now the Office of Community Investment and Infrastructure or "OCII") executed a Development and Disposition Agreement ("DDA") with CP DEV CO that includes a Below Market-Rate Housing Plan ("Housing Plan"). The Housing Plan defines the roles and responsibilities of the Former Agency and CP DEV CO regarding the development of up to 10,500 housing units, an important part of which is the revitalization of the Alice Griffith public housing development as a mixed-income, service-enriched community, developed according to the principles of HOPE SF ("AG"). Based on the requirements of the DDA, MBS was selected by CP DEV CO to be the Alice Griffith Developer based upon their extensive experience revitalizing public housing across the country. Additional development team members include the San Francisco Housing Authority "SFHA" or "Housing Authority" and Urban Strategies, Inc., which will be implementing the social services program at AG.

CP DEV CO concluded a years-long public planning process on August 3, 2010; when the Board of Supervisors approved tax, land exchange, entitlement, and redevelopment plan amendment documents that together enable the implementation of the Candlestick Point-Hunters Point Shipyard Phase 2 mixed-use project ("CP-HPS2"). These approvals were in addition to the Former Agency's approval of the DDA and Housing Plan described above. CP DEV CO is required per the terms of the DDA to provide a minimum of \$90,000 per public housing replacement unit and \$70,000 per new affordable unit.

In August 2011, the development team was awarded a U.S. Department of Housing and Urban Development ("HUD") Choice Neighborhoods Initiative Implementation ("CNI") Grant in the amount of \$30,500,000, of which \$21,500,000 is to be used for housing development at AG. The CNI program is designed to catalyze critical improvements in neighborhood assets, including vacant property, housing, services and schools. The CNI funding comes with a variety of deadlines and deliverables, the most important of which is a statutory obligation that grant

funds be expended and units delivered by September 2016 for the portion of the funds associated with Phases 1 and 2 and September 2017 for the portion of the funds to be used for Phase 3. Therefore, CNI funds and associated funding deadlines will apply to the first 3 phases of AG. Several loans for AG have been approved by the Former Agency Commission and the Commission on Community Investment and Infrastructure (“CCCI”). The Mayor’s Office of Housing and Community Development (“MOHCD”) will issue the tax exempt bonds for the Project. OCII and CPDEV CO will provide gap financing for each phase of the development. Phases 1 - 3 are currently under construction and on schedule to meet the CNI deadlines.

Scope of Work:

The Project provides handsome townhomes and one-story flats for thirty-one families and related private and common open spaces, car and bicycle parking and a children’s play area in a secure central area. The unit mix includes twelve 1-bedroom units, six 2-bedroom units, ten 4-bedroom units and three 5-bedroom units in a mix of flats and two and three-story townhomes.

Ownership:

MBS, through DRV, has formed a limited partnership to own the improvements, Alice Griffith Phase 4, L.P. (“the Partnership”). SFHA will own the land that the improvements will be built on. SFHA will enter into a long term Ground Lease with the Partnership.

Financing:

The Partnership will apply for a tax-exempt bond allocation and 4% low-income housing tax credits for the units:

- o Total Est. Development Cost \$26 mil
- o Total Hard Cost \$19.3 mil
- o Acquisition Cost \$0
- o Soft Costs \$6.6 mil

Funding sources include an OCII Loan, Tax Exempt Bonds, and 4% Low Income Housing Tax Credits.
