Subrecipients agree to adhere to the following and ensure these assurances are passed down to Second-Tier Subrecipients.

1. Required Audits and Financial Statements (SRH Section 14.005)

Subrecipients expending \$750,000 or more in federal funds annually must comply with the single audit requirement established by the Federal Office of Management and Budget (OMB) Uniform Guidance 2 CFR Part 200, Subpart F and arrange for a single audit by an independent Certified Public Accountant (CPA) firm annually. Audits conducted under this section will be performed using the guidelines established by the American Institute of Certified Public Accountants (AICPA) for such audits.

Subrecipient expends \$750,000 or more in federal funds annually.

Subrecipient does not expend \$750,000 or more in federal funds annually.

2. Requirements of the Award; Remedies for Non-compliance or for Materially False Statements

The conditions of this award are material requirements of the award. Compliance with any assurances or certifications submitted by or on behalf of the Subrecipient that relate to conduct during the period of performance also is a material requirement of this award.

By signing and accepting this award on behalf of the Subrecipient, the authorized Subrecipient official accepts all material requirements of the award, and specifically adopts, as if personally executed by the authorized Subrecipient official, all assurances or certifications submitted by or on behalf of the Subrecipient that relate to conduct during the period of performance.

Failure to comply with any one or more of these award requirements -- whether a condition set out in full below, a condition incorporated by reference below, or an assurance or certification related to conduct during the award period -- may result in the Office on Violence Against Women (OVW) taking appropriate action with respect to the recipient and the award. Among other things, OVW may withhold award funds, disallow costs, or suspend or terminate the award. DOJ, including OVW, also may take other legal action as appropriate.

Any materially false, fictitious, or fraudulent statement to the federal government related to this award (or concealment or omission of a material fact) may be the subject of criminal prosecution (including under 18 U.S.C. 1001 and/or 1621, and/or 34 U.S.C. 10271-10273), and also may lead to imposition of civil penalties and administrative remedies for false claims or otherwise (including under 31 U.S.C. 3729-3730 and 3801-3812).

Should any provision of a requirement of this award be held to be invalid or unenforceable by its terms, that provision shall first be applied with a limited construction so as to give it the maximum effect permitted by law. Should it be held, instead, that the provision is utterly invalid or -unenforceable, such provision shall be deemed severable from this award.

3. Applicability of Part 200 Uniform Requirements and DOJ Grants Financial Guide

The Uniform Administrative Requirements, Cost Principles, and Audit Requirements in 2 C.F.R. Part 200, as adopted and supplemented by the DOJ in 2 C.F.R. Part 2800 (together, the "Part 200 Uniform Requirements") and the current edition of the DOJ Grants Financial Guide as posted on the OVW website, including any updated version that may be posted during the period of performance apply to this Grant Subaward.

The Subrecipient also agrees that all financial records pertinent to this award, including the general accounting ledger and all supporting documents, are subject to Cal OES's review throughout the life of the award, during the close-out process, and for three years after submission of the final Federal Financial Report (SF-425) or as long as the records are retained, whichever is longer, pursuant to 2 C.F.R. 200.334, 200.337.

For more information and resources on the Part 200 Uniform Requirements as they relate, see the OJP website at <https://ojp.gov/funding/Part200UniformRequirements.htm>.

4. Requirements Related to System for Award Management and Unique Entity Identifier

Subrecipients (and any Second-Tier Subrecipients) must comply with applicable requirements regarding the System for Award Management (SAM), currently accessible at <https://www.sam.gov/>. This includes applicable requirements

regarding registration with SAM, as well as maintaining the currency of information in SAM.

Subrecipients also must comply with applicable restrictions for Second-Tier Subawards, including restrictions on Grant Subawards to entities that do not acquire and provide (to Subrecipients) the unique entity identifier required for SAM registration.

The details of the Subrecipients' obligations related to SAM and to unique entity identifiers are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Requirements related to System for Award Management (SAM) and unique entity identifiers), and are incorporated by reference here.

5. Requirement to Report Actual or Imminent Breach of Personally Identifiable Information

Subrecipients (and any Second-Tier Subrecipients) must have written procedures in place to respond in the event of an actual or imminent "breach" (OMB M-17-12) if they:

- Create, collect, use, process, store, maintain, disseminate, disclose, or dispose of "Personally Identifiable Information (PII)" (2 CFR 200.1) within the scope of an OVW grant-funded program or activity, or
- Use or operate a "Federal information system" (OMB Circular A-130).

Subrecipients (and any Second-Tier Subrecipients) must have breach procedures that must include a requirement to report actual or imminent breach of PII to Cal OES no later than 24 hours after an occurrence of an actual breach, or the detection of an imminent breach.

6. Requirements Pertaining to Prohibited Conduct Related to Trafficking in Persons (including reporting requirements and OVW Authority to Terminate Grant Subaward)

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements (including requirements to report allegations) pertaining to prohibited conduct related to the trafficking of persons, whether on the part of Subrecipients (and any Second-Tier Subrecipients), or individuals defined (for purposes of this condition) as "employees" of Subrecipients (and any Second-Tier Subrecipients).

The details of the Subrecipients' obligations related to prohibited conduct related to trafficking in persons are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award Condition: Prohibited conduct by Subrecipients related to trafficking in persons (including reporting

requirements and OVW authority to terminate award)), and are incorporated by reference here.

7. Determination of Suitability to Interact with Participating Minors

This condition applies to the Grant Subaward (if it is indicated) when some or all of the activities to be carried out under the Grant Subaward (whether by Subrecipients, or Second-Tier Subrecipients) is to benefit a set of individuals under 18 years of age.

Subrecipients (and any Second-Tier Subrecipients) must make determinations of suitability before certain individuals may interact with participating minors. This requirement applies regardless of an individual's employment status.

The details of this requirement are posted on the OVW website at <https://www.justice.gov/ovw/award-conditions> (Award condition: Determination of suitability required, in advance, for certain individuals who may interact with participating minors), and are incorporated by reference here.

8. Compliance with Applicable Rules Regarding Approval, Planning, and Reporting of Conferences, Meetings, Trainings, and Other Events

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable laws, regulations, policies, and official DOJ guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences (as that term is defined by DOJ), including the provision of food and/or beverages at such conferences, and costs of attendance at such conferences.

Information on the pertinent DOJ definition of conferences and the rules applicable to this Grant Subaward appears on the OVW website at <https://www.justice.gov/ovw/conference-planning>.

9. OVW Training Guiding Principles

Subrecipients (and any Second-Tier Subrecipients) agree that they will adhere to the OVW Training Guiding Principle for Grantee and Subgrantees (available at <https://www.justice.gov/ovw/resources-and-faqs-grantees#Discretionary>) for all training or training materials developed or delivered with these funds.

10. Potential Imposition of Additional Requirements

Subrecipients (and any Second-Tier Subrecipients) agree to comply with any additional requirements that may be imposed by the DOJ awarding agency (OJP or OVW, as appropriate) during the period of performance for this Grant Subaward, if Subrecipients are designated as "high-risk" for purposes of the DOJ high-risk grantee list.

11. Compliance with DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 42

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements of 28 C.F.R. Part 42, specifically including any applicable requirements in Subpart E of 28 C.F.R. Part 42 that relate to an equal employment opportunity program.

12. Compliance with DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 38

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements of 28 C.F.R. Part 38.

Currently, among other things, 28 C.F.R. Part 38 includes rules that prohibit specific forms of discrimination on the basis of religion, a religious belief, a refusal to hold a religious belief, or refusal to attend or participate in a religious practice. Part 38, currently, also sets out rules and requirements that pertain to Subrecipient organizations (and any Second-Tier Subrecipient organizations) that engage in or conduct explicitly religious activities, as well as rules and requirements that pertain to Subrecipients (and any Second-Tier Subrecipients) that are faith-based or religious organizations.

13. Compliance with DOJ Regulations Pertaining to Civil Rights and Nondiscrimination - 28 C.F.R. Part 54

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable requirements of 28 C.F.R. Part 54, that relate to nondiscrimination on the basis of sex in certain "educational programs."

14. Restrictions on "lobbying" and Policy Development

In general, as a matter of federal law, federal funds awarded by OVW may not be used by Subrecipients (and any Second-Tier Subrecipients), either directly or indirectly, to support the enactment, repeal, modification, or adoption of any law, regulation, or policy, at any level of government, in order to avoid violation of 18 U.S.C. 1913. Subrecipients (or any Second-Tier Subrecipients) may, however, use federal funds to collaborate with and provide information to federal, state, local, tribal and territorial public officials and agencies to develop and implement policies and develop and promote state, local, or tribal legislation or model codes designed to reduce or eliminate domestic violence, dating violence, sexual assault, and stalking (as those terms are defined in 34 U.S.C. 12291 (a)) when such collaboration and provision of information is consistent with the activities otherwise authorized under this grant program.

Another federal law generally prohibits federal funds awarded by OVW from being used by Subrecipients (and any Second-Tier Subrecipients), to pay any person to influence (or attempt to influence) a federal agency, a Member of Congress, or Congress (or an official or employee of any of them) with respect to the awarding of a federal grant or cooperative agreement, subgrant, contract, subcontract, or loan, or with respect to actions such as renewing, extending, or modifying any such award. See 31 U.S.C. 1352. Certain exceptions to this law apply, including an exception that applies to Indian tribes and tribal organizations.

Should any question arise as to whether a particular use of federal funds by a Subrecipient (or any Second-Tier Subrecipient) would or might fall within the scope of these prohibitions, the Subrecipient is to contact Cal OES for guidance, and may not proceed without the express prior written approval of Cal OES.

15. Compliance with General Appropriations-law Restrictions on the use of Federal Funds

Subrecipients (and any Second-Tier Subrecipients) must comply with all applicable restrictions on the use of federal funds set out in federal appropriations statutes. Pertinent restrictions, for each fiscal year, are set out at <https://www.justice.gov/ovw/award-conditions> (Award Condition: General appropriations-law restrictions on use of federal award funds), and are incorporated by reference here.

Should a question arise as to whether a particular use of federal funds by Subrecipients (and any Second-Tier Subrecipients) would or might fall within the scope of an appropriations or law restriction, Subrecipients are to contact Cal OES for guidance, and may not proceed without the express prior written approval of Cal OES.

16. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Subrecipients (and any Second-Tier Subrecipients) must promptly refer to Cal OES any credible evidence that a principal, employee, agent, Subrecipient, contractor, subcontractor, or other person has, in connection with funds under this Grant Subaward-- (1) submitted a claim that violates the False Claims Act; or (2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct.

Potential fraud, waste, abuse, or misconduct involving or relating to funds under this Grant Subaward should must also be reported to Cal OES. Additional information is available from the DOJ OIG website at <https://oig.justice.gov/hotline>.

17. Restrictions and Certifications Regarding Non-disclosure Agreements and Related Matters

No Subrecipients (and any Second-Tier Subrecipients) under this Grant Subaward, or entity that receives a procurement contract or subcontract with any funds under this Grant Subaward, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

The foregoing is not intended, and shall not be understood by the agency making this Grant Subaward, to contravene requirements applicable to Standard Form 312 (which relates to classified information), Form 4414 (which relates to sensitive compartmented information), or any other form issued by a federal department or agency governing the nondisclosure of classified information.

- a. In accepting this Grant Subaward, Subrecipients (and any Second-Tier Subrecipients):
 - 1) Represent that they neither require, nor have required, internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - 2) Certify that, if they learn, or are notified, that they have, or have been, requiring their employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, they will immediately stop any further obligations of Grant Subaward funds, will provide prompt written notification to Cal OES, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Cal OES.
- b. If Subrecipients are authorized under this award to make Second-Tier Subawards, procurement contracts, or both:
 - 1) Subrecipients represent that:
 - a) No other entity (whether through a Second-Tier Subaward ("subgrant"), procurement contract, or subcontract under a procurement contract) that they pass funds to either requires or has required internal confidentiality agreements or statements from employees or contractors that currently prohibit or otherwise currently restrict (or purport to prohibit or restrict) employees or contractors from reporting waste, fraud, or abuse as described above; and
 - b) Appropriate inquiry has been made, or otherwise Subrecipients have an adequate factual basis, to support this representation; and

- 2) If learned or notified that any Second-Tier Subrecipient, contractor, or subcontractor entity that receives funds under this Grant Subaward is, or has been, requiring its employees or contractors to execute agreements or statements that prohibit or otherwise restrict (or purport to prohibit or restrict), reporting of waste, fraud, or abuse as described above, they will immediately stop any further obligations of Grant Subaward funds to or by that entity, will provide prompt written notification to Cal OES, and will resume (or permit resumption of) such obligations only if expressly authorized to do so by Cal OES.

Subrecipients (and any Second-Tier Subrecipients) must comply with, and are subject to, all applicable provisions of 41 U.S.C. 4712, including all applicable provisions that prohibit, under specified circumstances, discrimination against an employee as reprisal for the employee's disclosure of information related to gross mismanagement of a federal grant, a gross waste of federal funds, an abuse of authority relating to a federal grant, a substantial and specific danger to public health or safety, or a violation of law, rule, or regulation related to a federal grant.

Subrecipients may provide sex-segregated or sex-specific programming if doing so is necessary to the essential operations of the program, so long as the Subrecipient provides comparable services to those who cannot be provided with the sex-segregated or sex-specific programming. The Subrecipient (and any Second-Tier Subrecipient) agrees that it will comply with this provision.

policies that fail to ensure service providers conduct safety planning with victims; project design and budgets that fail to account for the access needs of participants with disabilities and participants who have limited English proficiency or are Deaf or hard of hearing; or any other activities outlined in the solicitation or companion guide under which the application was submitted.

Subrecipient: City and County of San Francisco Adult Probation

How the project's proposed budget supports the objectives and activities.

The proposed budget for the Probation Specialized Unit (PU) Program will be used exclusively for staffing. It will dedicate one full time Deputy Probation Officer (DPO) 0.50 FTE and one full time Probation Assistant (1 FTE). Training and travel related to these positions will be paid for by the grant.

How funds are allocated to minimize administrative costs and support direct services.

The Probation Assistant position will minimize administrative costs and will add value to the Program by supporting the DPO in preparing and distributing educational materials to victims, contact victims monthly during the offender's term of probation, schedule contacts with clients on behalf of the Probation officer, and logging all activities related to the PU.

How shared costs are allocated.

Cost allocations are based on a percentage of the total actual time each employee works on the assigned program.

How program-funded staff duties and time commitments support the proposed objectives and activities.

The SFAPD proposes to develop a caseload of high needs/high risk clients who have been involved in crimes of domestic violence. This caseload will have a

reduced size of 40 active clients, focusing on clients who require a higher level of supervision, services, and oversight through the Domestic Violence Court and through their assigned DPO. The focus of this caseload is to implement evidence-based practices to address the criminogenic needs of clients who reside in the following San Francisco neighborhoods: Potrero Hill in Districts 9 and Bayview, Hunters Point, Dogpatch, Central Waterfront, Sunnyside, Potrero Hill in District 10 the Bayview Hunters' Point District and adjacent areas. The goal is to deliver rehabilitation programs to diminish risk factors and provide effective supervision in the form of case management and case planning, that will ultimately reduce recidivism on SFAPD's clients and enhance victims' safety.

Similarly, the assigned PU team will offer support and resources to victims of domestic violence, when allowed by the victims.

Project Narrative

Problem Statement

This proposal is consistent with the Violence Against Women Act (VAWA) committee's recommendation to enhance specialized units within the California Probation Departments to intensively supervise small caseloads of probationers with a higher emphasis on domestic violence crimes.

Focus on Domestic Violence Cases

The SFAPD prioritizes the supervision of domestic violence clients. There are two Domestic Violence (DV) Units devoted to supervising clients with domestic violence cases. The two DV Units consist of two Supervising Deputy Probation Officers, ten Deputy Probation Officers and one Probation Assistant. One of these DPOs is a Domestic Violence Court Officer, assisting with all matters related to the Domestic Violence Court, which aims to hold individuals accountable to change behavior through effective interventions. A Deputy Probation Officer and a Probation Assistant is assigned to the Domestic Violence Probation Specialized Unit (PU) Program currently funded under this grant. This PU has a reduced caseload dedicated to supervise the most serious domestic violence cases in San Francisco's predetermined geographic area most

Subrecipient: City and County of San Francisco Adult Probation afflicted by domestic violence cases (i.e., Districts 9 and 10). This funding will allow the SFAPD to maintain an enhanced level of supervision provided by this Specialized Probation Unit Program, which includes:

1. Implementing Principles of Evidence Based Practices (EBP): EBP have been implemented by the SFAPD domestic violence probation specialized unit program and DV Units in general to improve services to clients and victims.
2. Risk and Needs Assessment: Individuals awaiting sentencing for whom the Superior Court requests a presentence investigation are assessed using a validated risk and needs assessment tool. In November, 2017 the SFAPD started a pilot project in its DV Units to implement a secondary risk assessment tool for clients convicted of DV offenses. As part of this pilot project, deputy probation officers in the DV Units are administering the Ontario Domestic Assault Risk Assessment (ODARA) tool. The ODARA is a validated domestic violence risk assessment tool designed to assess the risk of future intimate partner assault, as well as the frequency and severity of these assaults. The pilot project, which has now turned into a mandated function, has informed our supervision practices and has provided additional DV-specific risk information to the court and deputy probation officers.

3. Individual Treatment and Rehabilitation Plan (ITRP): DPOs develop an ITRP for each client under their supervision based on the criminogenic needs identified in their risk and needs assessments. The ITRP defines the treatment needs, expectations, successful completion of program elements, as well as the consequences for non-participation.

4. Evidence-Based Response to Conditions Violations: The San Francisco DV Court has adopted an evidence-based progressive sanction and incentive program model. The SF DV Court's response to violations consists of a graduated continuum of both sanctions and services. Our goal is to implement the sanctions swiftly, fairly and consistent with the level of the violation.

5. Develop Multi-Model Strategies: The multi-models approach includes cognitively based batterers intervention programming in combination with substance abuse programs (when needed). This is consistent with EBP of targeting multi-criminogenic factors to improve treatment outcomes.

6. Apply the Principles of Effective Reentry Practices: The SFAPD ensures a seamless continuum of management, supervision and intervention; we identify and collaborate with our community and law enforcement partners to establish a collaborative case management approach.

7. Adopt a Victim-Centered Approach: The SFAPD takes very seriously the safety of victims of domestic violence crimes. In the same way, we strive to honor the wishes of victims with regards to contacts with law enforcement, including deputy probation officers. Upon cases being assigned to domestic violence probation specialized unit program and DV Units in general, DPOs make an initial contact with victims to:

- Notifying them of the case assignment;
- Deliver the SFAPD's victim safety and resource guide and restitution rights information;
- Explain the role of the probation officer;
- Discuss the terms and conditions of the offender supervision;
- Assure them of their rights as victims.

During this initial contact, DPOs offer services to victims should they so desire.

DPOs respectfully request the victim's permission to be contacted on a regular basis by the SFAPD during the supervision term of the offender in order to serve as a conduit for resources and support systems. Only when victims agree to such contacts and level of support does the DPO follow through accordingly. An analysis of the geographic distribution of the department's DV clients, shows that 28% of clients reside in Districts 9 (Mission) and 10 (Bayview Hunters Point);

specifically the following neighborhoods seem to be the most impacted: Potrero

Hill in District 9 and Bayview, Hunters Point, Dogpatch, Central Waterfront and

Sunnydale in District 10. Based on this geographic distribution and the

department's current resources (office space on the border of Districts 9 and

10), the existing DV specific program receives only clients from these two

geographic areas.

DPO Qualification/Training for Probation Specialized Unit (PU) Program Caseload

The minimum qualification for the PU DPO is at least two years' experience

supervising high risk cases. The DPO assigned to this caseload is required to

attend 40 hours of annual training, which includes 12 hours of specific DV

training. The SFAPD's Training Manager maintains all training records and ensures

the DPO completes these hours. The DV Units receive training in preparing

assessment tools, how to develop an ITRP, re-assessment processes, use of

sanctions and incentives/rewards and motivational interviewing. In addition,

every year the DPO assigned to the PU attends at least one educational

conference on subjects related to the effective supervision of domestic violence

offenders and supporting victims of such crimes. Every effort is always made to

have the DPO attend these conferences in state.

Protocol for Case Assignment to the PU Program Caseload and Determination of Serious Violent Crimes

All new cases are screened and reviewed by the Community Services Division and Specialized Services Division Directors for assignment. The DV Unit supervisors then assign cases to the PU caseload on the following priority order:

- 1) DV probationers from the Bayview Hunters Point and Mission Districts;
- 2) violent felony crimes;
- 3) violent misdemeanors (reduced from felonies) and
- 4) misdemeanors with an established DV pattern.

The SFAPD considers all domestic violence convictions as serious. All serious violent crimes are listed under sections 1192.7 and 667.5 of the California Penal. Although domestic violence is not listed as a serious or violent felony, intimidation of a witness, criminal threats, inflicting great bodily injury, assault with a deadly weapon are listed and our clients may have these charges or convictions related to domestic violence cases. The risks assessments completed can also identify the most serious and violent crimes (DV Crimes against person and spousal violence) and probationers that have the highest propensity for dangerousness and lethal behavior. By focusing on these two districts and using these targeted approaches, the SFAPD can ensure that the program's caseload is limited to a small and manageable number of clients.

Projected Statistics during the Performing Period

Grant Subaward Programmatic Narrative

Subrecipient: City and County of San Francisco Adult Probation

The SFAPD projects that the DPO assigned to the DV PU caseload will complete the following:

a) Number of Supervised Cases: During the grant period, the SFAPD will provide intensive probation services to a caseload of no more than 40 clients convicted of domestic violence crimes that are ordered to complete 52 weeks of Batterers Intervention Program treatment. The probation specialized unit program will allow the SFAPD to continue to deliver intensive services to the 40 highest priority active clients. No more than 20% of the clients will be inactive according to the grant's definition for inactive cases (the client is in custody or warrant status for longer than 30 days and remains assigned to the unit). At a minimum, the DPO will document all attempts to complete 40 field visits, 80 office visits, 40 telephone contacts and 40 substance abuse tests on a monthly basis on the specialized caseload. The DPO will document all contacts and attempted contacts with clients and/or collateral contacts (e.g., attorneys, the court, family members, and service providers –including batterers' intervention programs, among others). The first face-to-face contact with the client will be made by the DPO within 7 working days from the date the case is assigned. Within 14 days from the date the case is assigned, the DPO will make a face-to-face contact at the client's residence. All office contacts will include an

electronic review of police records and tests for substance use (at least once per month). The DPO will conduct field visits during normal business hours, nights and/or weekends. When a case is reassessed to less intensive supervision, the supervisor will transfer the case to a general DV caseload. The DPO will continue to conduct periodic court reviews of active clients and their files.

b) Number of Contacts Made with Victims: During the grant period, the DV PU Program will make an initial contact with all victims of clients assigned to the caseload. If granted permission from the victim the DV PU deputy probation officer will contact victims on a regular basis (weekly or monthly) as requested by the victim and using each victim's preferred mode of contact (in-person: house, community, office, or by telephone, email or mail). Either way, the PU DPO or Probation Assistant will maintain a thorough victim contacts log clearly indicating whether the victim desires to be contacted or not, and the victim's name and contact information, date, time, and method of contact or attempt to contact, a brief description of successful contacts, and any assistance provided to the victim. Based on completed and reported total contacts to victims on in previous years, the SFAPD projects that at least 104 total contacts will be made to victims.

The SFAPD PU team also provides packets of educational information to victims of the clients assigned to the PU caseload. The DPO or Probation Assistant will log the dates the materials were distributed for tracking purposes. The SFAPD has developed a safety guide that includes resources for victims. The guide contains information about the San Francisco District's Attorney's Victim Services, Victims' Bill of Rights, DV resources, a Safety Plan questionnaire, stay away orders information, victim restitution rights, and a victim satisfaction survey. This guide and SFAPD's restitution brochure is sent to each victim of a client on the PU caseload.

Approach to Compliance with Firearms Prohibition

The San Francisco Adult Probation Department Proposition 63 Unit provides a defendant with the Prohibited Persons Relinquishment Form (PPRF), and along with the form, informs the defendant about his or her obligation to comply with the law. The Prop 63 Unit investigates if the defendant owns firearms and if those firearms have been relinquished. The Prop 63 Unit accesses various automated systems that include the Department of Justice (DOJ) Automated Firearm System (AFS) to determine if the defendant has complied with the law. Also, the Prop 63 Deputy Probation Officers collect the PPRF form from the defendant and any records showing the relinquishment of firearms. The Prop 63 Unit informs

the Court if the defendant owns, has surrendered firearms to law enforcement, sold to a licensed firearms dealer, transferred to a firearms dealer, or if the defendant has complied with the law. Further, the PPRF form informs the defendant pursuant to Penal Code Section 25135 that cohabitants must store all firearms in accordance with the law. Before a final disposition or sentencing in the case, the Court must make findings concerning whether the probation officer's report indicates that the defendant relinquished all firearms as required, and whether the Court received the completed California Department of Justice documents, along with accompanying receipts, if appropriate.

The PU DPO will also conduct records checks of in the AFS on all 40 clients on in the DV probation specialized unit caseload, each quarter, after the person is sentenced and placed on probation to determine if a client is in possession of a firearm. An AFS log will be maintained to track queries in the AFS. In the event that a records check of the Automated Firearms Systems (AFS) determines a client is in possession of a firearm, the matter will be referred to the San Francisco Police Department to recover the firearm.

The SFAPD routinely works with the District Attorney's Office' Victims Services Unit and the San Francisco Police Department to distribute materials on regarding the firearm prohibition and confiscations laws regarding persons convicted of

domestic violence charges. The DPO or Probation Assistant will keep a log of
location and dates of materials distributed for tracking purposes.

Capabilities

Administrative and Physical Infrastructures

The SFAPD has the administrative infrastructure necessary to track multiple grants to ensure that the funds are used appropriately and that the goals and objectives for the respective grant programs are monitored to achieve desired outcomes. In addition, facilities infrastructure is also present; the SFAPD opened a satellite probation office in the Bayview District (right in the border of Districts 9 and 10) to engage clients and victims targeted by the PU in their community.

The current DV Units operations and staffing protocols have been revised to reflect Evidence Based Practices and to establish DPO contact specifications for clients and victims.

Collaboration with Other Law Enforcement Partner and Victim Services

The SFAPD will continue to collaborate with the San Francisco Police Department (SFPD) the San Francisco Sheriff's Department (SFSD), the San Francisco District Attorney's Office (SFDA,) and the San Francisco Public

Defender's Office on a number of grants. Deputy Probation Court Officers and Sheriff's and other Criminal Justice Partners' Liaison Officers provide support to five Collaborative Courts, including the Domestic Violence Court.

The SFAPD collaborates with the SFDA Victims Services Unit, the SFSD Victim Restoration Project, the Domestic Violence Consortium, La Casa Shelter, SF's Family Violence Council, Department of Public Health, Child Protective Services, the San Francisco Department of Children, Youth and their Families, the San Francisco Department on the Status of Women, Bay Area Legal Aid, and other agencies to aid in the development of domestic violence protocols and to address system-wide issues and concerns.

The SFAPD respectfully requested that this grant funding be sustained in order for the department to continue to strengthen the services available to clients and victims and to fully measure the impact of this program of public and family safety as well as the wellbeing of victims of domestic violence in the targeted areas.
