This AGREEMENT, executed on and effective from _____, is between the State of California, acting through its Department of Transportation, referred to as CALTRANS, and:

CITY OF SAN FRANCISCO, a body politic and municipal corporation or chartered city of the State of California, referred to hereinafter as CITY.

An individual signatory agency in this AGREEMENT is referred to as a PARTY. Collectively, the signatory agencies in this AGREEMENT are referred to as PARTIES.

RECITALS

1. PARTIES are authorized to enter into a cooperative agreement for improvements to the State Highway System per the California Streets and Highways Code, Sections 114 and 130.
2. For the purpose of this AGREEMENT, *this project proposes to convert a highly visible blighted parcel at the 5th St/SR-80 interchange to an active tree nursery and education center, in cooperation with the City of San Francisco Bureau of Urban Forestry and their non-profit partners. Caltrans would work with the City to build out the necessary infrastructure, install public art, and enter into an airspace lease agreement, which would allow the City to operate the facility as a combination nursery, corporation yard, and educational space. Funded improvements would include ornamental security fence and gates, public art pieces, driveways and vehicle access, ground surface prep, and electrical and water service. The space would be utilized for growing and storing container plant material and hosting educational efforts. This project would achieve community and Caltrans goals for beautifying this lot, improving perceived safety and aesthetics, and highlighting urban forestry efforts towards resiliency and sustainability.* will be referred to hereinafter as PROJECT. The PROJECT scope of work is defined in the project initiation and approval documents (e.g. ~~Project Study Report, Design Engineering Evaluation Report, or Project Report~~); Clean CA Enhancement Proposal and Clean Streamlined Delivery Report).

This AGREEMENT is separate from and does not modify or replace any other cooperative agreement or memorandum of understanding between the PARTIES regarding the PROJECT.

PARTIES intend this AGREEMENT to be their final expression that supersedes any oral understanding or writings pertaining to the WORK. The requirements of this AGREEMENT will preside over any conflicting requirements in any documents that are made an express part of this AGREEMENT.

If any provisions in this AGREEMENT are found by a court of competent jurisdiction to be, or are in fact, illegal, inoperative, or unenforceable, those provisions do not render any or all other AGREEMENT provisions invalid, inoperative, or unenforceable, and those provisions will be automatically severed from this AGREEMENT.

Except as otherwise provided in the AGREEMENT, PARTIES will execute a written amendment if there are any changes to the terms of this AGREEMENT.

PARTIES agree to sign a CLOSURE STATEMENT to terminate this AGREEMENT. Funding

1. If there are insufficient funds available in this AGREEMENT to place the PROJECT right-of-way in a safe and operable condition, the appropriate IMPLEMENTING AGENCY will fund these activities until such time as PARTIES amend this AGREEMENT.

That IMPLEMENTING AGENCY may request reimbursement for these costs during the amendment process.

2. If there are insufficient funds in this AGREEMENT to implement the obligations and responsibilities of this AGREEMENT, including the applicable commitments and conditions included in the PROJECT environmental documentation, permits, agreements, and/or approvals that are in effect at a time that WORK stops, each PARTY accepts responsibility to fund their respective WORK until such time as PARTIES amend this AGREEMENT.

Each PARTY may request reimbursement for these costs during the amendment process.

ICRP Rate

3. The cost of any engineering support performed by CALTRANS includes all direct and applicable indirect costs. CALTRANS calculates indirect costs based solely on the type of funds used to pay support costs. State and federal funds administered by CALTRANS are subject to the current Program Functional Rate. All other funds are subject to the current Program Functional Rate and the current Administration Rate. The Program Functional Rate and Administration Rate are adjusted periodically.

In accordance with California Senate Bill 848, the Administration Rate is capped at 10 percent until January 1, 2023, for Self-Help Counties with a countywide sales tax measure dedicated to transportation improvements.

4. If the WORK is funded with state or federal funds, any PARTY seeking CALTRANS reimbursement of indirect costs must submit an indirect cost rate proposal and central service cost allocation plan (if any) in accordance with Local Assistance Procedures Manual, 2 CFR, Part 200 and Chapter 5. These documents are to be submitted annually to CALTRANS' Audits and Investigations for review and acceptance prior to CALTRANS' reimbursement of indirect costs.

5. Travel, per diem, and third-party contract reimbursements for WORK are to be paid from the funds in this AGREEMENT only after the contractor performs the work and incurs said costs.

Payments for travel and per diem will not exceed the rates paid rank and file state employees under current California Department of Human Resources (CalHR) rules current at the effective date of this AGREEMENT.

If CITY invoices for rates in excess of CalHR rates, CITY will fund the cost difference and reimburse CALTRANS for any overpayment.

6. Notwithstanding the terms of this AGREEMENT, PARTIES agree to abide by the STIP guidelines that require the PARTIES to apportion the project cost increases and savings in the same proportion as the current programmed ratio of funds that are not strictly a one-time only grant. In the alternate, PARTIES may be able to apportion cost increases and savings according to a cost sharing arrangement between the PARTIES that is approved by the CTC.

Invoicing and Payment

7. PARTIES will invoice for funds where the SPENDING SUMMARY shows that one PARTY provides funds for use by another PARTY. PARTIES will pay invoices within forty-five (45) calendar days of receipt of invoice when not paying with Electronic Funds Transfer (EFT). When paying with EFT, CITY will pay invoices within five (5) calendar days of receipt of invoice.
8. If CITY has received EFT certification from CALTRANS then CITY will use the EFT mechanism and follow all EFT procedures to pay all invoices issued from CALTRANS.
9. When a PARTY is reimbursed for actual cost, invoices will be submitted each month for the prior month's expenditures. After all PROJECT COMPONENT WORK is complete, PARTIES will submit a final accounting of all PROJECT COMPONENT costs. Based on the final accounting, PARTIES will invoice or refund as necessary to satisfy the financial commitments of this AGREEMENT.
10. If an executed Program Supplement Agreement (PSA) or STIP Planning, Programming, and Monitoring Program Fund Transfer Agreement (PPM) exists for this PROJECT then CITY will abide by the billing and payment conditions detailed for the fund types identified in the PSA or PPM.

11. If CALTRANS reimburses CITY for any costs later determined to be unallowable, CITY will reimburse those funds.
