3. PREMISES; AS-IS CONDITION.

3.1. *Premises.*

(a) Subject to the provisions of this Lease, Port hereby leases to Tenant, and Tenant hereby leases from Port, the Premises in the Facility identified in the Basic Lease Information. The Premises has the address and contains the square footage specified in the Basic Lease Information. The location and dimensions of the Premises are depicted on ***Exhibit A*** attached hereto and incorporated herein by reference. Port and Tenant agree and acknowledge that any statement of rentable or usable (if applicable) square footage set forth in this Lease is an approximation which Port and Tenant agree is reasonable and that the usable square footage of the Premises may be less than the rentable square footage of the Premises. Port and Tenant further agree and acknowledge that the rentable square footage of the Premises shall be used at all times to calculate the Base Rent due and payable by Tenant under this Lease and neither the Base Rent nor any other economic term based on rentable square footage shall be subject to revision whether or not the actual rentable or usable square footage is more or less.

(b) Subject to Tenant obtaining all required approvals or permits, including any required permits from BCDC, Tenant will have a non-exclusive license to use the area located outside the Premises shown on ***Exhibit A*** (the “**Outdoor Seating Area**”) for the Permitted Use solely in connection with Tenant’s business at the Premises. Other than Tenant’s right to use the Outdoor Seating Area being subject to a non-exclusive license, all other terms and conditions of this Lease shall apply to the Outdoor Seating Area such that the use of the term “**Premises**” in this Lease will include the Outdoor Seating Area. By way of example, revenues generated from the Outdoor Seating Area will be included in the calculation of Percentage Rent.

(c) Tenant shall have the non-exclusive right to use, together with other tenants, the Common Areas. All of the Common Areas shall at all times be subject to the exclusive control, regulation, and management of Port. Port shall have the right to construct, maintain, and operate lighting facilities on all Common Areas; to patrol all Common Areas; to temporarily close any Common Areas for maintenance, repairs or alterations; from time to time to change the area, level, location and arrangement of Common Area facilities; to use the Common Areas and restrict access and use of the same during the maintenance, repair, construction or reconstruction of buildings, additions or improvements; to erect buildings, additions and improvements on the Common Areas from time to time; and to restrict parking by tenants, their Agents and Invitees. Port may operate and maintain the Common Areas and perform such other acts and make such other changes at any time and from time to time in the size, shape, location, number and extent of the Common Areas or any of them as Port in its sole discretion shall determine; provided, however, that no exercise by Port of its rights hereunder shall materially restrict access to or Tenant’s use of the Premises.

3.2. *Accessibility Inspection Disclosure.*

California law requires commercial landlords to disclose to tenants whether the property being leased has undergone inspection by a Certified Access Specialist (“**CASp**”) to determine whether the property meets all applicable construction-related accessibility requirements. The law does not require landlords to have the inspections performed. Tenant is hereby advised that the Premises has not been inspected by a CASp and Port shall have no liability or responsibility to make any repairs or modifications to the Premises in order to comply with accessibility standards. The following disclosure is required by law:

“A Certified Access Specialist (CASp) can inspect the subject premises and determine whether the subject premises comply with all of the applicable construction-related accessibility standards under state law. Although state law does not require a CASp inspection of the subject premises, the commercial property owner or lessor may not prohibit the lessee or tenant from obtaining a CASp inspection of the subject premises for the occupancy or potential occupancy of the lessee or tenant, if requested by the lessee or tenant. The parties shall mutually agree on the

arrangements for the time and manner of the CASp inspection, the payment of the fee for the CASp inspection, and the cost of making any repairs necessary to correct violations of construction-related accessibility standards within the premises.”

3.3. San Francisco Disability Access Disclosures. Tenant is hereby advised that the Premises may not currently meet all applicable construction-related accessibility standards, including standards for public restrooms and ground floor entrances and exits. Tenant understands and agrees that Tenant may be subject to legal and financial liabilities if the Premises does not comply with applicable federal and state disability access Laws. As further set forth in Section 9 (Compliance with Laws), Tenant further understands and agrees that it is Tenant’s obligation, at no cost to Port, to cause the Premises and Tenant’s use thereof to be conducted in compliance with the ADA and any other federal or state disability access Laws. Tenant shall notify Port if it is making any Alterations or Improvements to the Premises that might impact accessibility standards required under federal and state disability access Laws.

3.4. No Right to Encroach.

(a) If Tenant (including, its Agents, Invitees, successors and assigns) uses or occupies space outside the Premises without the prior written consent of Port excluding (x) ingress and egress across the Facility to and from the Premises, and/or (y) as otherwise may be permitted in this Lease (the “**Encroachment Area**”), then upon written notice from Port (“**Notice to Vacate**”), Tenant shall immediately vacate such Encroachment Area and pay as Additional Rent for each day Tenant used, occupied, uses or occupies such Encroachment Area, an amount equal to the rentable square footage of the Encroachment Area, multiplied by the higher of the (i) highest rental rate then approved by the San Francisco Port Commission for the Premises or the Facility, or (ii) then current fair market rent for such Encroachment Area, as reasonably determined by Port (the “**Encroachment Area Charge**”). If Tenant uses or occupies such Encroachment Area for a fractional month, then the Encroachment Area Charge for such period shall be prorated based on a thirty (30) day month. In no event shall acceptance by Port of the Encroachment Area Charge be deemed a consent by Port to the use or occupancy of the Encroachment Area by Tenant, its Agents, Invitees, successors or assigns, or a waiver (or be deemed as a waiver) by Port of any and all other rights and remedies of Port under this Lease (including Tenant’s obligation to Indemnify Port as set forth in Section 3.4(c), at law or in equity.

(b) In addition to the Encroachment Area Charge, Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of the initial Notice to Vacate plus the actual cost associated with a survey of the Encroachment Area. In the event Port determines during subsequent inspection(s) that Tenant has failed to vacate the Encroachment Area, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Vacate, if applicable, delivered by Port to Tenant following each inspection. The parties agree that the charges associated with each inspection of the Encroachment Area, delivery of each Notice to Vacate and survey of the Encroachment Area represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port’s inspection of the Premises, issuance of each Notice to Vacate and survey of the Encroachment Area. Tenant’s failure to comply with the applicable Notice to Vacate and Port’s right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity.

(c) In addition to Port’s rights and remedies under this Section, the terms and conditions of the indemnity and exculpation provision set forth in Section 20 below (Indemnity and Exculpation) shall also apply to Tenant’s (including, its Agents, Invitees, successors and assigns) use and occupancy of the Encroachment Area as if the Premises originally included the Encroachment Area, and Tenant shall additionally Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in surrendering the

Encroachment Area including, without limitation, any loss or liability resulting from any Claims against Port made by any tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Encroachment Area to any such tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

(d) All amounts set forth in this Section shall be due within three (3) business days following the applicable Notice to Vacate and/or separate invoice relating to the actual cost associated with a survey of the Encroachment Area. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

3.5. Proximity of Development Project. Tenant acknowledges that during the Term, a Port program or project and/or the Development Project(s) described in the Basic Lease Information, if any, is scheduled to be, or may be, constructed on the Premises or on property in the vicinity of the Premises. Tenant is aware that the construction of such project(s) and the activities associated with such construction will generate certain adverse impacts which may result in some inconvenience to or disturbance of Tenant. Impacts may include, but are not limited to, increased vehicle and truck traffic, traffic delays and re-routing, loss of street and public parking, dust, dirt, construction noise and visual obstructions. In connection with any Development Project(s) led by the Port, Port shall use commercially reasonable efforts to provide Tenant with updates on the applicable Development Project and if feasible, use commercially reasonable efforts to schedule such work in a manner to minimize material interference with Tenant's ingress and egress to and from the Premises. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of such inconvenience or disturbance.

3.6. No Light, Air or View Easement. This Lease does not include an air, light, or view easement. Any diminution or shutting off of light, air or view by any structure which may be erected on lands near or adjacent to the Facility or by any vessels berthed near the Facility shall in no way affect this Lease or impose any liability on Port, entitle Tenant to any reduction of Base Rent or Additional Rent, or affect this Lease in any way or Tenant's obligations hereunder.

3.7. Unique Nature of Premises. Tenant acknowledges that: (a) (i) the Facility is located along the waterfront in a building on a pier and/or wharf, supported by a partially-submerged substructure in a marine environment, which was originally built approximately 100 years ago; and/or (ii) the Facility is located near the waterfront and the Seawall that is in need of repair and presents increased risk of damage to property and injury or death to persons from seismic events, as further described in Section 3.8; (b) Port's regular maintenance may involve activities, such as pile driving, that create noise and other effects not normally encountered in locations elsewhere in San Francisco due to the unique nature of the Premises; (c) there is a risk that all or a portion of the Premises will be inundated with water due to floods or sea level rise; (d) there is a risk that sea level rise will increase the cost of substructure repairs and/or prevent or limit the ability to make repairs to the substructure; and/or (e) Port cannot guarantee that piers, decks, wharves, and aprons will be suitable for leased occupancy during the entire Term of this Lease.

3.8. Seawall. The City is engaged in an effort to prepare for a major earthquake and to create more resilient City infrastructure. As part of this effort, the Port is developing a plan to strengthen the Northern Waterfront Seawall which stretches from Fisherman's Wharf to Mission Creek ("Seawall") to maintain viability of Port's operations, increase protection of Port and City assets, and enhance life safety in the face of degradation, flooding, earthquakes, climate change, and security hazards. The Seawall was constructed over 100 years ago within the Bay and supports reclaimed land, or fill, and as a result is more vulnerable to seismic risk. Earthquake performance of reclaimed land is an issue for coastal communities worldwide. The *Seawall Earthquake Vulnerability Study of the Northern Waterfront Seawall, San Francisco, California July 2016* and information about Port and City's resiliency goals and plans and improvements

can be found on the Port's website at: <https://www.sfportresilience.com>. Tenant agrees that its waiver of Claims set forth in Section 20 (Indemnity and Exculpation) is given with full knowledge of the direct or indirect, known or unknown, and foreseeable or unforeseeable losses and claims (including the potential additional risks of injury or death to persons or damage to property) due to the Seawall's condition or the proximity of the Premises to the Bay and the Seawall.

3.9. As-Is Condition. Tenant acknowledges and agrees that Tenant is familiar with the Premises, the Premises is being leased and accepted in their "as-is" condition, without any improvements or alterations by Port, without representation or warranty of any kind, and subject to all applicable Laws governing their use, occupancy and possession. Tenant represents and warrants to Port that Tenant has received and reviewed the disclosures regarding the Seawall in Section 3.8 including *The Seawall Earthquake Vulnerability Study of the Northern Waterfront Seawall, San Francisco, California July 2016* and information on the Port's website; the FEMA disclosure notice attached as **Schedule 3** and a copy of the report(s), if any, relating to the substructure and/or structure of the Facility, as further described in **Schedule 2** attached hereto. Tenant further represents and warrants to Port that Tenant has investigated and inspected, either independently or through agents of Tenant's own choosing, the condition of the Premises and the suitability of the Premises for Tenant's business and intended use. Tenant acknowledges and agrees that neither Port nor any of its agents have made, and Port hereby disclaims, any representations or warranties, express or implied, concerning the rentable area of the Premises, the physical or environmental condition of the Premises or the Facility (including, but not limited to the substructure and/or the Seawall), the present or future suitability of the Premises for Tenant's business, or any other matter whatsoever relating to the Premises, including, without limitation, any implied warranties of merchantability or fitness for a particular purpose.

3.10. Reserved Rights Regarding Seawall. Port has the right to use the Premises on an extended basis without charge, and Tenant shall cooperate by providing access and other reasonably requested assistance at no cost to Port and permit Port and its Agents to enter the Premises upon reasonable prior notice (except in the event of an emergency which poses an imminent danger to public health or safety as determined by Port in its sole discretion) for the purpose of inspecting, repairing and rebuilding the Seawall as Port reasonably deems necessary. Nothing herein shall imply any duty upon the part of Port to perform any work which under any provision of this Lease Tenant may be required to perform or place upon Port any obligation, or liability, for the care, supervision or repair of the Premises or Seawall. If Port elects to perform work on the Seawall within the Premises pursuant to this Section, Port shall not be liable for inconvenience, disturbance, loss of business, nuisance or other damage to Tenant by reason of the performance of such work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, provided Port uses commercially reasonable efforts to conduct the activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to the activities of Tenant, its Subtenants (if any), and their respective Invitees. In no event will inconvenience or disturbance caused by Port's activities under this Section constitute an actual or constructive eviction of Tenant, and except as set forth in this Lease, entitle Tenant to any abatement or diminution of Rent, or otherwise relieve Tenant from any of its obligations under this Lease. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of any inconvenience or disturbance occasioned by Port's activities under this Section, except to the extent caused by Port's gross negligence or willful misconduct. If use of the Premises is required by Port or its Agents under this Section, then the Parties will coordinate their use of the Premises and use their good faith efforts to minimize adverse impacts to each of their respective needs. Port will have the absolute right to use the Premises without charge in the event of an emergency involving the Seawall.

3.11. Release and Waiver. As part of its agreement to accept the Premises in their "As Is With All Faults" condition, Tenant, on behalf of itself and its successors and assigns, will be

deemed to waive any right to recover from, and forever release, acquit and discharge, Port and the other Indemnified Parties of and from any and all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, that Tenant may now have or that may arise on account of or in any way be connected with (i) the physical, geotechnical or environmental condition in, on, under, above, or about the Facility and the Seawall, including any Hazardous Materials in, on, under, above or about the Facility (including soil and groundwater conditions), (ii) the suitability of the Facility and/or the Premises for the development of the Improvements, the Permitted Uses, (iii) any Laws applicable thereto, including Environmental Laws, (iv) damages by death of or injury to any Person, or to property of any kind whatsoever and to whomever belonging, and (v) goodwill, or business opportunities arising at any time and from any cause in, on, around, under, and pertaining to the Facility and/or the Premises, including all claims arising from the joint, concurrent, active or passive negligence of any of Indemnified Parties, but in each case excluding any Claims arising directly from Port's gross negligence or willful misconduct.

3.12. Port's Rights Regarding Premises. Port shall have the full right and authority to make, revoke, impose, and amend any Rules and Regulations pertaining to and reasonably necessary for the proper use, operation and maintenance of the Facility. If no Rules and Regulations currently exist for the Facility, Tenant agrees to be bound by any Rules and Regulations Port later imposes on the Facility. Tenant acknowledges receipt of a copy of the Rules and Regulations currently in force for the restaurants on Port property attached hereto as **Exhibit D** and agrees to abide by them. Tenant also acknowledges that Port's exercise of any of its rights regarding the Premises, Facility and other Port property in the vicinity of the Premises will not entitle Tenant to any abatement or diminution of Rent.

4. TERM OF LEASE; TERMINATION BY PORT; EXTENSION TERM.

4.1. Term. The term of this Lease (the "Term") shall be for the period of months specified in the Basic Lease Information commencing on the Commencement Date and expiring on the Expiration Date. If the actual dates differ from the dates set forth in the Basic Lease Information, then the Parties will execute the Commencement Date and Expiration Date Memorandum substantially in the form attached hereto as **Exhibit B**, subject to the provisions of **Section 4.3**. Port shall deliver possession of the Premises to Tenant on the Commencement Date.

4.2. Termination Rights.

Prior to the Expiration Date, Port has the right to terminate this Lease in the following circumstances:

(a) Port has the right to terminate this Lease under this Section 4.2(a) during an Extension Term only, when the Premises is needed in connection with a Port program or project. Port may exercise this right without liability or expense, except as specifically set forth in this Section, upon no later than twelve (12) months' prior written notice. Tenant agrees and shall be required to surrender possession of the Premises by the termination date set forth in such notice from Port, which termination date will be no less than twelve (12) months' from the date such notice is delivered to Tenant.

(i) If Port determines, in its sole and absolute discretion, that the condition of the Facility's structures, substructure or utilities has deteriorated to a condition that would create a foreseeable risk of hazard to health or safety. Port may exercise this right without liability or expense, except as specifically set forth in this Section. Port will attempt to provide Tenant with no less than ninety (90) days' prior written notice of termination under this Subsection, but reserves the right to terminate this Lease upon any shorter notice that the Port in its sole and absolute discretion determines is justified given the risk of hazard. Tenant agrees and shall be required to surrender possession of the Premises by the end of the notice period, except as provided in this Section.

For a period ending fifteen (15) calendar days after receipt of Port's notice of termination, Tenant may request Port's consent, in Port's sole and absolute discretion, to allow Tenant to make the repairs required by Port in accordance with this Lease and any additional conditions reasonably imposed by Port, in consideration of Concessions from Port. If Port consents in writing, Port's notice of termination will be deemed rescinded and of no further effect.

(b) Within sixty (60) days after Tenant's surrender under this Section, Port agrees to pay Tenant a portion of those expenses which are documented by Tenant as having been incurred by Tenant prior to the delivery of Port's termination notice in making alterations, additions and improvements to the Premises which were approved in advance and in writing by Port and which were not previously reimbursed to Tenant through the TI Allowance, rent credits, rent abatement or other form of compensation ("**Improvement Costs**"). Such Improvement Costs shall be determined by the value attributable to any alterations, additions and improvements in any Port building permits for such work obtained by Tenant and which are approved in advance in writing by a Port Property Manager to the extent supported by reasonable evidence of such expenditures provided by Tenant. If no building permits are required for such work, value shall only be attributed to such alterations, additions or improvements if the value is approved in writing by a Port Property Manager prior to the commencement of the work and if the cost is supported by reasonable evidence of such expenditures provided by Tenant. The portion of the Improvement Costs paid by Port shall be a fraction, of which the numerator shall be the number of months remaining in the initial term of the Lease after Tenant surrenders the Premises, and the denominator shall be the number of months in the initial Term of this Lease, or for work undertaken following the Commencement Date, the number of months beginning at the second month following the Port's approval of the improvements and ending at the Expiration Date of the initial Term of this Lease. In no event shall Port be responsible for paying any moving or relocation expense or other expense incurred by Tenant due to any termination under this Section.

4.3. Extension Term.

(a) Option to Extend Term. Provided all the terms and conditions of the Basic Lease Information and this **Section 4.3** are satisfied by Tenant, Port grants to Tenant two (2) consecutive options (each, an "**Extension Option**") as to the entire Premises only for an additional five (5) years each (each, an "**Extension Term**") commencing upon the first day after the Expiration Date or the first Extension Term, as applicable. Tenant may exercise an Extension Option by giving Port no less than nine (9) months' and no more than twelve (12) months' prior written notice prior to the Expiration Date of the Term or the first Extension Term, as applicable, its intent to exercise an Extension Option, along with evidence of satisfaction of the conditions to exercise as described in the Basic Lease Information, if applicable. Any such notice by Tenant shall be irrevocable by Tenant. If (i) any Event of Default by Tenant has occurred or is outstanding hereunder either at the time of Tenant's exercise of an Extension Option or at any time prior to the first day of an Extension Term (or if any event shall have occurred which with the giving of notice or the passage of time or both would constitute such a default), or (ii) a Port program or project is anticipated to occur during the applicable Extension Term, then Port may elect by written notice to Tenant to reject Tenant's exercise of the Extension Option, whereupon the Extension Option shall be null and void and the Term shall expire on the day the Term would have expired had Tenant never exercised the Extension Option. Tenant's failure to exercise or Port's rejection of the first Extension Option shall render the second Extension Option null and void.

(b) Base Rent; Percentage Rent; and Other Terms. If Tenant elects to exercise an Extension Option, then the lease for the Extension Term shall cover the entire Premises and shall be upon all of the terms, covenants and conditions of this Lease, except that the Expiration Date shall mean the last day of the applicable Extension Term, and the Base Rent

for any Extension Term will be the greater of the Prevailing Rate for Comparable Space or 103% of the Base Rent during the prior Lease Year and Base Rent will increase by three percent (3%) every Anniversary Date thereafter during the Extension Term. Percentage Rent during the Extension Term shall be determined as set forth in the Basic Lease Information. “**Market Rate**” means the rate per rentable square foot being charged by landlords in San Francisco for any uses similar to the Permitted Use for space that is comparable in size, location, and quality to the Premises and leased for a term comparable to the applicable Extension Term.

(c) Determining Market Rate. For purposes of determining the Market Rate, the following procedure shall apply:

(i) If Tenant has timely given the applicable notice of the exercise of its Extension Option, Port shall within thirty (30) days thereafter deliver to Tenant a written notice of Port’s determination of what the Market Rate would be during the Extension Term (“**Port’s Extension Rent Notice**”). Within ten (10) business days after Tenant’s receipt of Port’s Extension Rent Notice, Tenant shall give Port a written notice (“**Tenant’s Extension Response Notice**”) electing either (1) to accept the Market Rate set forth in Port’s Extension Rent Notice, in which case the Market Rate shall be the Market Rate set forth in Port’s Extension Rent Notice, or (2) to not accept Port’s determination of the Market Rate, in which case Port and Tenant shall endeavor to agree upon the Market Rate on or before the date that is fifteen (15)-business days after Port’s receipt of Tenant’s Extension Response Notice (the “**Outside Agreement Date**”). If Tenant fails to deliver Tenant’s Extension Response Notice within the ten (10) business day period following its receipt of Port’s Extension Rent Notice, Tenant shall conclusively be deemed to have accepted Port’s determination of the Market Rate as set forth in Port’s Extension Rent Notice. If Port and Tenant are unable to agree upon the Market Rate by the Outside Agreement Date, then the Market Rate shall be determined pursuant to provisions below.

(ii) If Port and Tenant fail to agree upon the Market Rate by the Outside Agreement Date, then, within ten (10) days thereafter, Tenant shall submit to Port Tenant’s determination of the Market Rate and if the higher of Landlord’s and Tenant’s Market Rate proposals is not more than one hundred twenty percent (120%) of the lower, then the Market Rate shall be the average of the two. If Tenant fails to submit its determination of the Market Rate within such ten (10)-day period, then Port’s determination of the Market Rate as set forth in Port’s Extension Rent Notice will be the Market Rate for the applicable Extension Term. If the parties are unable to determine the Market Rate in accordance with this section, then the Market Rate shall be determined in accordance with the following:

(1) Port and Tenant shall each appoint one real estate broker with at least ten (10) years of experience in leasing retail space in San Francisco for uses similar to the Permitted Uses (“**Qualified Broker**”) and notify the other party of its selection of the Qualified Broker within fifteen (15) days after the Outside Agreement Date. If Tenant fails to appoint a Qualified Broker within such fifteen (15) day period, then Port’s determination of the Market Rate as set forth in Port’s Extension Rent Notice will be the Market Rate for the applicable Extension Term.

(2) The two Qualified Brokers selected by the parties shall within ten (10) days of the date of the appointment of the last appointed Qualified Broker agree upon and appoint a third Qualified Broker who shall not have been employed or engaged by Port or Tenant during the immediately preceding two (2) year period (the “**Final Broker**”). The Final Broker will determine the Market Rate by choosing whichever of the proposals submitted by Port and Tenant the Final Broker judges to be more accurate. The Final Broker will notify Landlord and Tenant of its decision, which shall be final and binding.

(3) Each party will solely responsible for the cost of the Qualified Broker selected by each and the cost of the Final Broker will be paid by Port and Tenant equally.

4.4. Waiver of Relocation Benefits. To the extent allowed by applicable Law, Tenant hereby waives any and all rights, benefits or privileges of the California Relocation Assistance Law, California Government Code §§ 7260 et seq., or under any similar law, statute or ordinance now or hereafter in effect, except as specifically provided in this Lease.

5. RENT.

Tenant shall pay to Port, in the manner herein described, the following Rent:

5.1. Base Rent. From and after the Rent Commencement Date, Tenant shall pay the monthly Base Rent, in advance, on or before the first day of each calendar month throughout the Term. If the Rent Commencement Date is other than the first day of the month, or the Expiration Date is other than the last day of the month, the Base Rent for those months shall be based on a 30-day month. Under no circumstances shall the Rent Commencement Date be delayed due to failure to complete the Initial Tenant Work or other reasons; provided, however, Tenant will be entitled to a day-for-day extension of the Rent Commencement Date (but in no event totaling more than three (3) months) if Tenant is unable to perform the Initial Tenant Work due solely and directly by Force Majeure events or Development Projects led by Port.

5.2. Percentage Rent.

(a) Tenant agrees to pay to Port, in addition to the monthly Base Rent payable by Tenant pursuant to Section 5.1 above, a quarterly Percentage Rent as set forth in the Basic Lease Information.

(b) Percentage Rent shall be determined and paid by Tenant for each calendar quarter by the twentieth day of the immediately following calendar month, except that in the event this Lease expires or terminates on a day other than the last day of a calendar month, Percentage Rent for such calendar month shall be determined and paid within twenty (20) days after such expiration or termination date. At the time of paying the Percentage Rent, Tenant shall furnish a complete statement (the “Quarterly Percentage Rent Statement”) in the form attached hereto as *Exhibit F*. Each Quarterly Percentage Rent Statement shall set forth in reasonable detail Gross Revenues for such immediately preceding calendar quarter, including an itemized list of any and all deductions or exclusions from Gross Revenues that Tenant may claim and which are expressly permitted under this Lease, and a computation of the Percentage Rent for the immediately preceding calendar quarter.

(c) Each Quarterly Percentage Rent Statement shall be certified as accurate, complete and current by a financial officer or other accountant employed by Tenant who is authorized and competent to make such statement. At Port’s option, overpayments may be refunded to Tenant, applied to any other amount then due under the Lease and unpaid, or applied to Rent due at the first opportunity following Tenant’s delivery of any Annual Statement showing an overpayment.

If Tenant fails to (i) pay the Percentage Rent on the date due as provided above; or (ii) submit the Quarterly Percentage Rent Statement therewith (even if the statement indicates that Percentage Rent is not due), such failure in each instance shall be subject to a Late Charge. Tenant shall also pay any costs including attorneys’ fees incurred by Port by reason of such failure. Additionally, if Tenant fails to deliver any Quarterly Percentage Rent Statement within the time period set forth in this Section 5.2 (irrespective of whether any Percentage Rent is actually paid or due to Port) and such failure continues for five (5) business days after the date Tenant receives (or refuses receipt of) written notice of such failure from Port, Port shall have the right, among its other remedies under this Lease, to employ a CPA to make such examination of Tenant’s Books and Records (and the Books and Records of any other occupant of the Premises) as may be necessary to certify the amount of Tenant’s Gross Revenues for the period in question and the certification so made shall be binding upon Tenant and Tenant shall promptly pay to Port the total reasonable cost of the examination, together with the full amount of

Percentage Rent due and payable for the period in question, including any Late Charge. Tenant acknowledges that late submittal of the Quarterly Percentage Rent Statements and late payment of Percentage Rent will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. The Parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of Tenant's lateness.

(d) Acceptance by Port of any monies paid to Port by Tenant as Percentage Rent as shown by any Quarterly Percentage Rent Statement, shall not be an admission of the accuracy of said Quarterly Percentage Rent Statement or the amount of such Percentage Rent payment.

5.3. Books and Records. Tenant agrees that the business of Tenant upon the Premises shall be operated with a point of sale system reasonably acceptable to Port shall be issued with each sale, whether for cash, credit or exchange. Furthermore, Tenant shall keep (and shall cause its Subtenants and assignees to keep) at the Premises or other principal place of business in the San Francisco Bay Area at all times during the Term complete and accurate Books and Records that contain all information required to permit Port to verify Gross Revenues and deductions and exclusions therefrom that are in accordance with this Lease and with generally accepted accounting practices consistently applied with respect to all operations of the business to be conducted in or from the Premises and shall retain such Books and Records until the later of (i) four (4) years after the end of each Lease Year to which such Books and Records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties hereto regarding the Percentage Rent payable hereunder, until such audit or controversy is concluded even if such audit period extends beyond the expiration or earlier termination of the Lease (the "**Audit Period**"). Port agrees to maintain the confidentiality of any Books and Records of Tenant provided to Port pursuant to this Lease except (i) as may be required by Law and (ii) to Port's Agents as may be reasonably necessary in connection with this Lease.

5.4. No Joint Venture. Port's receipt of a portion of Tenant's Gross Revenues as Percentage Rent shall be deemed strictly as rental and nothing herein shall be construed to create the legal relation of a partnership or joint venture between Port and Tenant.

5.5. Audit.

(a) Tenant agrees to make its relevant Books and Records available to Port, or to any City auditor, or to any auditor or representative designated by Port or City (hereinafter collectively referred to as "**Port Representative**"), upon no less than fifteen (15) business days prior written notice to Tenant, for the purpose of examining said Books and Records to the extent reasonably necessary to determine the accuracy of Tenant's reporting of Percentage Rent for a period not to exceed the Audit Period after a Percentage Statement is delivered to the Port. Tenant shall cooperate with the Port Representative during the course of any audit, provided however, such audit shall occur at Tenant's business office during regular business hours, or at such other location in the San Francisco Bay Area where the Books and Records are kept, and no books or records may be removed by Port Representative without the prior express written consent of Tenant (provided, however, copies may be made by the Port Representative on site), and once commenced, with Tenant's cooperation, such audit shall be diligently pursued to completion by Port within a reasonable time of its commencement, provided that Tenant makes available to the Port Representative all the relevant Books and Records in a timely manner. If an audit is made of Tenant's Books and Records and Port claims that errors or omissions have occurred, the Books and Records shall be retained by Tenant and made available to the Port Representative until those matters are expeditiously resolved with Tenant's cooperation. If Tenant operates the Premises through one or more Subtenants or Agents, Tenant shall require each such Subtenant or Agent to provide the Port with the foregoing audit right with respect to its Books and Records. Upon completion of the audit, Port shall deliver a copy of the audit report to Tenant.

(b) If an audit reveals that Tenant has understated its Gross Revenues for said audit period, Tenant shall pay Port, within thirty (30) days of such reveal, the difference between the amount Tenant has paid and the amount it should have paid to Port, plus interest at the Interest Rate from the date of the error in the payment. If an audit reveals that Tenant has overstated its Gross Revenues for said audit period, Tenant shall be entitled to a credit against rent for either Base Rent or Percentage Rent next owed equal to the difference between the amount Tenant has paid and the amount it should have paid to Port. If Tenant understates its Gross Revenues for any audit period by three percent (3%) or more, Tenant shall pay the cost of the audit; otherwise, the cost of the audit shall be borne by Port. A second understatement within any three (3) Lease Year period of the first such understatement shall be considered an Event of Default.

5.6. Default Interest. Any Rent, if not paid within five (5) days following the due date and any other payment due under this Lease not paid by the applicable due date, shall bear interest from the due date until paid at the Interest Rate. However, interest shall not be payable on Late Charges incurred by Tenant nor on other amounts to the extent this interest would cause the total interest to be in excess of that which an individual is lawfully permitted to charge. Payment of interest shall not excuse or cure any default by Tenant. Tenant shall also pay any costs, including reasonable attorneys' fees incurred by Port by reason of Tenant's failure to pay Rent or other amounts when due under this Lease.

5.7. Late Charges/Habitual Late Payer. Tenant acknowledges that late payment by Tenant to Port of Rent or other sums due under this Lease will cause Port increased costs not contemplated by this Lease, the exact amount of which will be extremely difficult to ascertain. Accordingly, if Tenant fails to pay Rent within five (5) business days of the date due, such failure shall be subject to a Late Charge at Port's discretion. Tenant shall also pay any costs including attorneys' fees incurred by Port by reason of Tenant's failure to timely pay Rent. Additionally, in the event Tenant is notified by Port that Tenant is considered to be a Habitual Late Payer, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) upon written notification from Port of Tenant's Habitual Late Payer status. The parties agree that the charges set forth in this Section represent a fair and reasonable estimate of the cost that Port will incur by reason of any late payment. Such charges may be assessed without notice and cure periods and regardless of whether such late payment results in an Event of Default. Payment of the amounts under this Section shall not excuse or cure any default by Tenant.

5.8. Returned Checks. If any check for a payment for any Lease obligation is returned without payment for any reason, Tenant shall pay, as Additional Rent, an amount equal to Fifty Dollars (\$50.00) (as such amount may be adjusted from time to time by the Port Commission) and the outstanding payment shall be subject to a Late Charge as well as interest at the Interest Rate.

5.9. Net Lease. It is the purpose of this Lease and intent of Port and Tenant that all Rent shall be absolutely net to Port, so that this Lease shall yield to Port the full amount of the Rent at all times during the Term, without deduction, abatement or offset. Except as otherwise expressly set forth in this Lease, under no circumstances, whether now existing or hereafter arising, and whether or not beyond the present contemplation of the Parties shall Port be expected or required to incur any expense or make any payment of any kind with respect to this Lease or Tenant's use or occupancy of the Premises, including any Improvements. Without limiting the foregoing, but except as expressly provided to the contrary in this Lease, Tenant shall be solely responsible for paying each item of cost or expense of every kind and nature whatsoever, the payment of which Port would otherwise be or become liable by reason of Port's estate or interests in the Premises and any Improvements, any rights or interests of Port in or under this Lease, or the ownership, leasing, operation, management, maintenance, repair, rebuilding, remodeling, renovation, use or occupancy of the Premises, any Improvements, or any

portion thereof. No occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant from its liability to pay all of the sums required by any of the provisions of this Lease, or shall otherwise relieve Tenant from any of its obligations under this Lease, or shall give Tenant any right to terminate this Lease in whole or in part, except as otherwise expressly provided in this Lease. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease or to receive any abatement, diminution, reduction or suspension of payment of such sums, on account of any such occurrence or situation, provided that such waiver shall not affect or impair any right or remedy expressly provided Tenant under this Lease.

5.10. Additional Charges. Without limiting Port's other rights and remedies set forth in this Lease, at law or in equity, in the event Tenant fails to submit to the appropriate party, on a timely basis, the items identified in Sections: 12.1 (Utilities), 16.3 (Tenant's Environmental Condition Notification Requirements), 16.8 (Storm Water Pollution Prevention), 29.1(d) (CMD Form), and 34 (Estoppel Certificate) or to provide evidence of the required insurance coverage described in Section 17 below, then upon written notice from Port of such failure, Tenant shall pay, as Additional Rent, an amount equaling One Hundred Dollars (\$100.00). In the event Tenant fails to provide the necessary document within the time period set forth in the initial notice and Port delivers to Tenant additional written notice requesting such document, then Tenant shall pay to Port, as Additional Rent, an amount equaling One Hundred Fifty Dollars (\$150.00) for each additional written notice Port delivers to Tenant requesting such document. The parties agree that the charges set forth in this Section 5.10 represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Tenant's failure to provide the documents identified in this Section 5.10 and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section 5.10 and the reasonableness of the amount of the charges described in this Section 5.10.

6. TAXES AND ASSESSMENTS.

6.1. Payment of Taxes. During the Term, Tenant agrees to pay, when due, to the proper authority any and all real and personal property taxes, general and special assessments, real property transfer taxes, license fees, permit fees and all other governmental charges of any kind or nature whatsoever, including without limitation all penalties and interest thereon, levied or assessed on the Premises, on Tenant's Property, the leasehold or subleasehold estate or Tenant's use of the Premises, or any transfer of a leasehold interest or subleasehold interest in the Premises (including but not limited to the transfer of the leasehold interest in the Premises pursuant to the Lease) whether in effect at the time this Lease is entered into or which become effective thereafter, and all taxes levied or assessed on the possession, use or occupancy, as distinguished from the ownership, of the Premises. Tenant further recognizes and agrees that its leasehold interest may be subject to the payment of special taxes, including without limitation a levy of special taxes to finance energy efficiency, water conservation, water pollution control and similar improvements under the Special Tax Financing Law in Chapter 43 Article X of the Administrative Code. Tenant shall not permit any of the above taxes, assessments or other charges to become a defaulted lien on the Premises or the Improvements thereon; provided, however, that in the event any such tax, assessment or similar charge is payable in installments, Tenant may make, or cause to be made, payment in installments; and provided, further, that Tenant may, through such proceeding as Tenant considers necessary or appropriate, contest the legal validity or the amount of any tax, assessment or similar charge so long as such assessment or charge does not become a defaulted lien. In the event of any such dispute, Tenant shall Indemnify Port, City, and their Agents from and against all Claims resulting therefrom.

6.2. Possessory Interest Tax. Tenant recognizes and understands that this Lease may create a possessory interest subject to property taxation and that Tenant may be subject to the

payment of property taxes levied on such interest. Tenant further recognizes and understands that any sublease or assignment permitted under this Lease and any exercise of any option to renew or other extension of this Lease may constitute a change in ownership for purposes of property taxation and therefore may result in a revaluation of any possessory interest created hereunder. Tenant agrees to pay taxes of any kind, including, but not limited to, possessory interest taxes, that may be lawfully assessed on the leasehold interest hereby created and to pay all other taxes, excises, licenses, permit charges and assessments based on Tenant's usage of the Premises that may be imposed upon Tenant by Law, all of which shall be paid when the same become due and payable and before delinquency. Tenant agrees not to allow or suffer a lien for any such taxes to be imposed upon the Premises or upon any equipment or property located thereon without promptly discharging the same, provided that Tenant, if so desiring, may have reasonable opportunity to contest the validity of the same. San Francisco Administrative Code Sections 23.38 and 23.39 (or any successor statute) require that certain information relating to the creation, renewal, extension, assignment, sublease, or other transfer of this Lease be reported to the County Assessor within sixty (60) days after any such transaction. Accordingly, Tenant must provide a copy of this Lease to the County Assessor not later than sixty (60) days after the Commencement Date, and any failure of Tenant to timely provide a copy of this Lease to the County Assessor will be a default under this Lease. Tenant will also timely provide any information that Port or City may request to ensure compliance with this or any other reporting requirement.

7. SECURITY DEPOSIT.

Tenant shall pay to Port upon execution of this Lease, in addition to the advance payment of the first month's Base Rent, the Security Deposit, in cash, in the sum specified in the Basic Lease Information, as security for the faithful performance by Tenant of all terms, covenants and conditions of this Lease. If Base Rent is increased beyond the amount set forth in the Basic Lease Information for the last year of the Term, then from and after such increase, Tenant shall increase the amount of the Security Deposit to maintain the same ratio of the Security Deposit to Base Rent as existed on the date immediately prior to such Base Rent increase. Any increase in the Security Deposit shall be delivered to Port on the same date that such increase in Base Rent is first due.

Tenant agrees that Port may (but shall not be required to) apply the Security Deposit in whole or in part to (a) pay any sum due to Port under this Lease; (b) compensate Port for any expense incurred or damage caused by Tenant, its Agents or Invitees; (c) cure any Event of Default by Tenant; or (d) cure, or attempt to cure, any failure of Tenant to perform any other covenant, term or condition contained herein. Tenant shall immediately upon demand pay Port a sum equal to the portion of the Security Deposit expended or applied by Port. Port shall not be required to keep the Security Deposit separate from its general funds, and Tenant shall not be entitled to any interest on the Security Deposit. Nothing contained in this Section shall in any way diminish or be construed as waiving any of Port's other remedies set forth in this Lease or provided by law or equity.

Tenant hereby waives the provisions of California Civil Code Section 1950.7 and/or any successor statute, it being expressly agreed that Port may apply all or any portion of the Security Deposit in payment of any and all sums reasonably necessary to compensate Port for any other loss or damage, foreseeable or unforeseeable, caused by the act or omission of Tenant or any Agent or Invitee of Tenant, and that following an Event of Default by Tenant, all or any portion of the Security Deposit may be retained by Port following a termination of this Lease and applied to future damages, including damages for future Rent, pending determination of the same.

8. USE OF THE PREMISES; OPERATING COVENANTS; PROHIBITED USES.

8.1. Permitted Use. The Premises shall be used and occupied only for the Permitted Use specified in the Basic Lease Information and for no other purpose.

8.2. *Tenant's Operating Covenants.*

(a) Covenants. Subject to closures due to Force Majeure, Tenant shall maintain and operate the Premises, or cause the Premises to be maintained and operated, in a manner consistent with standards for the maintenance and operation of restaurants located on Port property. Tenant shall be exclusively responsible, at no cost to Port, for the management and operation of the Improvements in addition to all other aspects of the Premises. In connection with managing and operating the Premises, Tenant shall provide (or require others to provide) services as necessary and appropriate to the uses to which the Premises are put, including, but not limited to, (a) repair and maintenance of the Improvements, as more fully described in **Section 11**, (b) utility and telecommunications services, (c) cleaning, janitorial, extermination, and trash removal, and (d) security services for the Premises.

(b) Continuous Operations. Subject to closures due to Force Majeure, Tenant shall use commercially reasonable efforts to ensure that all of the Premises are used continuously during the Term for the Permitted Use and shall not allow any portion of the Premises to remain unoccupied or unused without the prior written consent of Port, which consent may be withheld in Port's sole and absolute discretion. Notwithstanding the foregoing, the Port shall not unreasonably withhold its consent to any cessation of operations for any reasonably necessary time period due to the following causes or in the following circumstances: (a) if the Premises become reasonably untenable due to fire or other casualty, (b) as may be necessary in connection with performing repairs to the Premises, (c) while conducting periodic inventory of Tenant's goods and merchandise, or (d) up to three (3) months in the event of Force Majeure. In addition, once during the Initial Term, and once during the first Extension Term, Tenant shall have the right to close for up to three (3) months each to refresh, renovate, and/or reposition its operations at the Premises. Any such closure will have no impact on Tenant's continuing obligation to pay Base Rent during such period of closure.

8.3. *Prohibited Use.* Tenant agrees that the following activities, by way of example only and without limitation, and any other use that is not a Permitted Use (in each instance, a "**Prohibited Use**" and collectively, "**Prohibited Uses**"), are inconsistent with this Lease, are strictly prohibited and are considered Prohibited Uses:

(a) any activity, or the maintaining of any object, which is not within the Permitted Use;

(b) any activity, or the maintaining of any object, which will in any way cause a cancellation of any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(c) any activity (other than the Permitted Use), or the maintaining of any object, which will in any way increase the existing rate of or affect any fire or other insurance policy covering the Premises, any part thereof or any of its contents;

(d) any activity or object which will exceed load restrictions, if any, or cause damage to the Premises;

(e) any activity which constitutes waste or nuisance, including, but not limited to, the preparation, manufacture or mixing of anything that might emit any objectionable odors, noises or lights onto adjacent properties, or the use of loudspeakers or sound or light apparatus which can be heard or seen outside the Premises;

(f) any activity which will in any way injure, obstruct or interfere with the rights of other tenants in the Facility or of owners or occupants of adjacent properties, including, but not limited to, rights of ingress and egress;

(g) use of the Premises for residential, sleeping or personal living quarters and/or "Live/Work" space;

- (h) any auction, distress, fire, bankruptcy or going out of business sale on the Premises without the prior written consent of Port, which consent may be granted, conditioned, or withheld in the sole and absolute discretion of Port;
- (i) the operation, use, or berthing of any vessels, watercraft or floating barges owned or operated by Tenant;
- (j) Tenant's employment of any maritime workers within the Premises for loading, unloading, building, repairing, dismantling, or longshoring of any vessel;
- (k) any vehicle and equipment maintenance, including but not limited to, fueling, changing oil, transmission or other automotive fluids;
- (l) the storage of any and all excavated materials, including but not limited to, dirt, concrete, sand, asphalt, and pipes;
- (m) the storage of any and all aggregate material, or bulk storage, such as wood (other than wood used in a permitted wood-burning oven in the ordinary course of business of the Restaurant); or of other loose materials reasonably related to the operating of the Restaurant as a restaurant business;
- (n) the washing of any vehicles or equipment; or
- (o) other Prohibited Uses identified in the Basic Lease Information, if any.

8.4. Notice of Prohibited Use Charge. In the event Port determines after inspection that Prohibited Uses are occurring, then Tenant shall immediately cease the Prohibited Use and shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00) upon delivery of written notice to Tenant to cease the Prohibited Use ("**Notice to Cease Prohibited Use**"). In the event Port determines in subsequent inspection(s) that Tenant has not ceased the Prohibited Use, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300.00) for each additional Notice to Cease Prohibited Use delivered to Tenant. The parties agree that the charges associated with each inspection and delivery of the Notice to Cease Prohibited Use, if applicable, represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection and Tenant's failure to comply with the applicable Notice to Cease Prohibited Use and that Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights under this Lease, at law or in equity. By signing this Lease, each party specifically confirms the accuracy of the statements made in this Section and the reasonableness of the amount of the charges described in this Section.

9. COMPLIANCE WITH LAWS AND REGULATIONS.

Tenant, at Tenant's sole cost and expense, promptly shall comply with all Laws relating to or affecting the condition, use or occupancy of the Premises and shall comply with all Laws relating to Tenant's specific use of the Facility and all Rules and Regulations, if any, in effect either at the time of execution of this Lease or which may hereafter be in effect at any time during the Term, whether or not the same are now contemplated by the parties. Tenant further understands and agrees that it is Tenant's obligation, at Tenant's sole cost and expense, to cause the Premises and Tenant's activities and operations conducted thereon, to be in compliance with the ADA. Tenant shall be solely responsible for conducting its own independent investigation of this matter and for ensuring that the design of all Alterations and Improvements strictly complies with all requirements of the ADA. If Tenant's use or occupancy of the Premises triggers a requirement to remove barriers or perform other work to any part of the Facility outside of the Premises to comply with the ADA, then, at Port's sole election, Port or Tenant will perform the work at Tenant's sole cost and expense.

The parties acknowledge and agree that Tenant's obligation to comply with all Laws as provided herein is a material part of the bargained for consideration under this Lease. Tenant's obligation under this Section 9 shall include, without limitation, the responsibility of Tenant to make substantial or structural repairs and Alterations to the Premises, regardless of, among other factors, the relationship of the cost of curative action to the Rent under this Lease, the length of the then remaining Term hereof, the relative benefit of the repairs to Tenant or Port, the degree to which the curative action may interfere with Tenant's use or enjoyment of the Premises, the likelihood that the parties contemplated the particular Laws involved, and whether the Laws involved are related to Tenant's particular use of the Premises. Any Alteration or Improvements made by or on behalf of Tenant pursuant to the provisions of this Section 9 shall comply with the provisions of Section 13 below. Except as otherwise expressly set forth in this Lease, no occurrence or situation arising during the Term, nor any present or future Law, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations hereunder, nor give Tenant any right to terminate this Lease in whole or in part or to seek redress against Port, except to the extent Tenant may have remedies against Port pursuant to this Lease or applicable Law. Tenant waives any rights now or hereafter conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws, on account of any such occurrence or situation.

10. PORT ACTING AS OWNER OF PROPERTY; REGULATORY APPROVALS; COMPLIANCE WITH CITY'S RISK MANAGER'S REQUIREMENTS.

10.1. *Port Acting as Owner of Property.* Tenant understands and agrees that Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers. By entering into this Lease, Port is in no way modifying or limiting the obligation of Tenant to obtain any required Regulatory Approvals from Regulatory Agencies, and to cause the Premises to be used and occupied in accordance with all Laws and required Regulatory Approvals. Examples of Port actions as a Regulatory Agency include Port issuance of building, encroachment and other construction-related permits, and the Chief Harbor Engineer's actions to protect public health and safety.

10.2. *Regulatory Approvals.* Tenant understands that Tenant's operations on the Premises, changes in use, or Improvements or Alterations to the Premises (individually and collectively, "**Changes**") may require Regulatory Approvals, including Regulatory Approvals issued by Port in its capacity as a Regulatory Agency.

Tenant shall be solely responsible for obtaining any Regulatory Approvals, and Tenant shall not seek any Regulatory Approval without first obtaining the prior written approval of Port. All costs associated with applying for and obtaining any necessary Regulatory Approval shall be borne solely and exclusively by Tenant. Tenant shall be solely responsible for complying with any and all conditions imposed by Regulatory Agencies as part of a Regulatory Approval; provided, however, Tenant shall not agree to the imposition of conditions or restrictions in connection with its efforts to obtain a permit or other entitlement from any Regulatory Agency (other than Port), if the Port is required to be a co-permittee under such permit or other entitlement, or if the conditions or restrictions it would impose on the project could affect use or occupancy of the Facility or Port's interest therein or would create obligations on the part of Port (whether on or off of the Premises) to perform or observe, unless in each instance Port has previously approved such conditions in writing, in Port's sole and absolute discretion.

Any fines or penalties imposed as a result of the failure of Tenant to comply with the terms and conditions of any Regulatory Approval shall be promptly paid and discharged by Tenant, and Port shall have no liability, monetary or otherwise, for any fines and penalties. To the fullest extent permitted by Law, Tenant agrees to Indemnify City, Port and their Agents from

and against any Claim which City or Port may incur as a result of Tenant's failure to obtain or comply with the terms and conditions of any Regulatory Approval.

Without limiting the terms and conditions of Sections 10.1 and 10.2, by signing this Lease, Tenant agrees and acknowledges that (i) Port has made no representation or warranty that Regulatory Approvals to allow for the Changes, if any, can be obtained, (ii) although Port is an agency of the City, Port has no authority or influence over any Regulatory Agency responsible for the issuance of such required Regulatory Approvals, (iii) Port is entering into this Lease in its capacity as a landowner with a proprietary interest in the Facility and not as a Regulatory Agency of the City with certain police powers, and (iv) Tenant is solely responsible for obtaining any and all required Regulatory Approvals in connection with any Changes. Accordingly, Tenant understands that there is no guarantee, nor a presumption, that any required Regulatory Approvals will be issued by the appropriate Regulatory Agency and Port's status as an agency of the City shall in no way limit the obligation of Tenant to obtain approvals from any Regulatory Agencies (including Port) that have jurisdiction over the Facility. Tenant hereby releases and discharges Port from any liability relating to the failure of any Regulatory Agency (including Port) from issuing any required Regulatory Approval.

10.3. *Compliance with City's Risk Manager's Requirements.* Tenant shall faithfully observe, at no cost to Port, any and all requirements of City's Risk Manager with respect to Tenant's use and occupancy of the Premises, so long as such requirements do not unreasonably interfere with Tenant's use of the Premises or are otherwise consistent with standard prudent commercial practices of other landlords.

11. MAINTENANCE AND REPAIRS.

11.1. *Tenant Maintenance and Repair Obligations.* Unless otherwise set forth in the Basic Lease Information, Tenant shall at all times during the Term, starting on the Commencement Date, including any period of early entry under this Lease, or occupancy or use of the Premises by Tenant under another lease or license with Port for the same Premises, and at its sole cost and expense, maintain, repair and replace in good and working order, condition and repair the Premises and all Improvements and Alterations thereon, including, but not limited to, glazing. Port shall not be obligated to make any repairs, replacement or renewals of any kind, nature or description whatsoever to the Premises nor to any Improvements or Alterations now or hereafter located thereon. Tenant hereby waives all rights to make repairs at Port's expense under Sections 1932(1), 1941 and 1942 of the California Civil Code or under any similar Law now or hereafter in effect. Notwithstanding any maintenance obligations of Port that may be set forth in the Basic Lease Information, in the event that Tenant, its Agents or Invitees cause any damage to the Premises or any other property within Port's jurisdiction, Tenant shall be responsible for repair and Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefor.

Tenant shall not make, nor cause or suffer to be made, any repairs or other work for which a permit is required by any applicable building code, standard or regulation, including, without limitation, the Port Building Code or of any rule or regulation of Port without first obtaining Port's prior written consent and a permit therefor.

In the event that damage or deterioration to the Premises or any portion thereof which is Tenant's obligation to maintain results in the same not meeting the standard of maintenance required by Port for such uses as Tenant is making of the Premises, then Tenant shall have the independent responsibility for, and shall promptly undertake, maintenance or repair of the Premises and complete the same with due diligence.

11.2. *Port's Right to Inspect.* Without limiting **Section 25 below**, Port may make periodic inspections of the Premises upon providing Tenant at least twenty-four (24) hours' prior notice (and no prior notice in the event of an emergency) and may advise Tenant when maintenance or repair of the Premises is required, but such right of inspection shall not relieve

Tenant of its independent responsibility to maintain such Premises and Improvements in a condition as good as, or better than, their condition at the Commencement Date, excepting ordinary wear and tear.

11.3. Port's Right to Repair. In the event Tenant fails to maintain the Premises in accordance with this Lease or Tenant fails to promptly repair any damage to the Facility or the Facility Systems caused by Tenant or its Agents, Port may repair the same at Tenant's sole cost and expense and Tenant shall immediately reimburse Port therefore. If the cost (including, but not limited to, salaries of Port staff and attorneys' fees) of any such repairs or replacements made at Tenant's expense is in excess of Two Thousand Dollars (\$2,000), then Tenant shall pay to Port an administrative fee equal to ten percent (10%) of the total "**Hard costs**" of the work. "**Hard costs**" shall include the cost of materials and installation, but shall exclude any costs associated with design, such as architectural fees. With respect to any work where the total hard costs of such work are less than Two Thousand Dollars (\$2,000), Tenant shall pay to Port, as Additional Rent, an amount equaling Two Hundred Dollars (\$200).

In addition, upon delivery of the initial notice relating to Tenant's failure to maintain the Premises in accordance with Section 11 ("**Maintenance Notice**"), Tenant shall pay, as Additional Rent, an amount equaling Two Hundred Dollars (\$200.00). In the event Port determines during subsequent inspection(s) that Tenant has failed to maintain the Premises in accordance with Section 11, then Tenant shall pay to Port, as Additional Rent, an amount equaling Three Hundred Dollars (\$300) for each additional Maintenance Notice, if applicable, delivered by Port to Tenant following each inspection. By signing this Lease, each party specifically agrees that the charges associated with each inspection of the Premises and delivery of each Maintenance Notice represent a fair and reasonable estimate of the administrative cost and expense which Port will incur by reason of Port's inspection of the Premises and issuance of each Maintenance Notice. Tenant's failure to comply with the applicable Maintenance Notice and Port's right to impose the foregoing charges shall be in addition to and not in lieu of any and all other rights and remedies of Port under this Lease, at law or in equity. The amounts set forth in this Section shall be due within three (3) business days following delivery of the applicable Maintenance Notice.

For purposes of this Lease, the term "**ordinary wear and tear**" shall not include any deterioration in the condition or diminution of the value of any portion of the Premises and/or the Facility in any manner whatsoever related directly or indirectly to Tenant's failure to comply with the terms and conditions of this Lease.

11.4. Acts of Nature. Nothing contained herein shall require Port to repair or replace the Premises or the Improvements thereon as a result of damage caused by acts of war, earthquake, tidal wave or other acts of nature, except that this provision shall not affect any obligation to make repairs to the Premises pursuant to Section 18 in the event of any damage or destruction of the Premises.

12. UTILITIES AND SERVICES.

12.1. Utilities. Except as may be otherwise provided in the Basic Lease Information, Tenant shall make arrangements and shall pay all charges for all Utilities to be furnished on, in or to the Premises or to be used by Tenant. Tenant shall procure all electricity for the Premises from the San Francisco Public Utilities Commission at rates to be determined by the SF Public Utilities Commission. If the SF Public Utilities Commission determines that it cannot feasibly provide service to Tenant, Tenant may seek another provider.

Tenant shall be obligated, at its sole cost and expense, to repair and maintain in good operating condition all utilities serving the Premises (whether within or outside the Premises and regardless of who installed same). The obligation to repair and maintain includes the obligation to routinely inspect and assess such Utilities using qualified licensed professionals and to report the results of such inspections to Port. Tenant shall coordinate with Port and impacted Port

tenants, if necessary, with respect to maintenance and repair of any off-Premises utility infrastructure, including providing advance notice of maintenance and repair requirements.

Tenant shall not, without the written consent of Port, which consent may be granted or withheld in Port's sole and absolute discretion, use any apparatus or device in the Premises using current in excess of 220 volts or which will in any way increase the amount of electricity usually furnished or supplied for use of the Premises, including without limitation, electronic data processing machines. If Tenant requires electric current in excess of that usually furnished or supplied for the Premises, Tenant shall first procure the written consent of Port, which Port may refuse, in its sole and absolute discretion, to the use thereof, and Port may cause an electric current meter to be installed in the Premises so as to measure the amount of electric current consumed for any such other use. The cost of any such meter and of installation, maintenance, and repair thereof shall be paid for solely by Tenant and Tenant agrees to pay to Port promptly upon demand therefor by Port for all such electric current consumed, as shown by the meter, at the rates charged for such service by the San Francisco Public Utilities Commission or the local public utility, as the case may be, furnishing the same, plus any additional expense incurred in keeping account of the electric current so consumed.

The parties agree that any and all utility improvements (not including telephone wiring and equipment) shall become part of the realty and are not trade fixtures or Tenant's Property. Port makes no representation or warranty that utility services, including telecommunications services, will not be interrupted. Port shall not be liable in damages or otherwise for any failure or interruption of any utility services, including telecommunications services, furnished to the Premises. No such failure or interruption shall constitute a basis for constructive eviction, nor entitle Tenant to terminate this Lease or abate Rent. Tenant hereby waives the provisions of California Civil Code Section 1932(1), 1941, and 1942, or any other applicable existing or future Laws permitting the termination of this Lease due to such interruption, failure or inability.

In the event any Law imposes mandatory or voluntary controls on Port, the Facility, or the property or any part thereof, relating to the use or conservation of energy, water, gas, light or electricity or the reduction of automobile or other emissions, or the provision of any other utility or service provided with respect to this Lease, or in the event Port is required or elects to make alterations to any part of the Facility in order to comply with such mandatory or voluntary controls or guidelines, such compliance and the making of such alterations shall in no event entitle Tenant to any damages, relieve Tenant of the obligation to pay the full Base Rent and Additional Rent reserved hereunder or to perform each of its other covenants hereunder or constitute or be construed as a constructive or other eviction of Tenant. Port shall have the right at any time to install a water meter in the Premises or otherwise to measure the amount of water consumed on the Premises, and the cost of such meter or other corrective measures and the installation and maintenance thereof shall be paid for by Tenant.

Without Port's prior written consent, which Port may give or refuse in its sole and absolute discretion, Tenant shall not place or install in the Premises any equipment that weighs in excess of the normal load-bearing capacity of the floors of the Facility or the pier, as applicable, and as may be further described in the Basic Lease Information. If Port consents to the placement or installation of any such machine or equipment in the Premises, Tenant, at no cost to Port, shall reinforce the floor of the Premises, pursuant to plans and specifications approved by Port and otherwise in compliance with Section 13 below, to the extent necessary to assure that no damage to the Premises or the Facility or weakening of any structural or substructural supports, as the case may be, will be occasioned thereby.

12.2. Services. Except as may be otherwise provided in the Basic Lease Information, Tenant shall make arrangements and shall pay all charges for all services to be furnished on, in or to the Premises or to be used by Tenant, including, without limitation, garbage and trash collection, janitorial service and extermination service.

12.3. On-Site Renewable Energy. At any time during the Term, Port shall have the right, at its sole and absolute discretion to install, or cause another party to install, a renewable energy system, using sources such as solar (photovoltaic or solar thermal power), wind, tidal or biofuel power (“**Renewable Energy System**”) on the roof of the Facility or otherwise on or near the Premises for the purpose of supplying power to the Facility or other locations. Notwithstanding Section 12.1, unless the cost per kilowatt of power to Tenant from such Renewable Energy System is greater than the cost per kilowatt Tenant would otherwise pay for power, Tenant shall purchase all or a portion of its power needs from the operator of the Renewable Energy System.

12.4. Energy Consumption Disclosure. Tenant consents to Tenant’s utility service providers disclosing energy use data for the Premises to City for use under California Public Resources Code Section 25402.10, as implemented under California Code of Regulations Sections 1680–1685, and San Francisco Environment Code Chapter 20, as each may be amended from time to time (“**Energy Consumption Reporting Laws**”), and for such data to be publicly disclosed under the Energy Consumption Reporting Laws.

13. IMPROVEMENTS AND ALTERATIONS.

13.1. Port Consent Required.

(a) Tenant shall not make nor cause or suffer to be made, any Alterations or Improvements to the Premises (i) without the prior written consent of Port, which consent shall not be unreasonably withheld; provided, however, that Port shall have the right in its sole and absolute discretion to consent or to withhold its consent to any Alterations or Improvements which affect the structural portions of the Premises, the Facility or the Facility Systems, and (ii) until Tenant shall have procured and paid for all Port and other Regulatory Approvals of the various Regulatory Agencies having jurisdiction over the Premises, including, but not limited to, any building or similar permits required by Port or its Chief Harbor Engineer in the exercise of its jurisdiction with respect to the Premises.

(b) As a condition to giving consent, Port may require Tenant to provide Port, at Tenant’s sole cost and expense, one or more financial guarantees, each in a form and issued by a bank or surety acceptable to Port, such as: (i) a standby letter of credit or bond; and/or (ii) a payment and performance bond from Tenant’s Contractors naming Port as co-obligee, each in a principal amount up to one hundred fifty percent (150%) but not less than one hundred percent (100%) of the estimated costs of the Alteration or Improvement, to ensure Port against any liability for mechanics’ and materialmen’s liens, stop notices and to ensure completion of work.

(c) At least thirty (30) days before commencing any Alterations or Improvements to the Premises, Tenant shall notify Port. Tenant’s notice shall be accompanied by Final Construction Documents for the Alterations or Improvements, if applicable. Port shall have the right to object to any of the Alterations or Improvements within sixty (60) days after receipt of notice from Tenant. Port’s failure to notify Tenant of Port’s consent within the 60 day period shall be deemed Port’s disapproval of the Alterations.

(d) None of the following will constitute Alterations or Improvements requiring Port’s consent, unless the installation will affect Facility Systems or the structure of the building: (i) installation of furnishings, trade fixtures, equipment, or decorative improvements; (ii) painting the interior of the Premises; and (iii) carpeting the Premises.

13.2. Tenant’s Obligation to Perform the Initial Tenant Work. Tenant shall perform the Initial Tenant Work in accordance with, and subject to all the terms, covenants, conditions and restrictions in the Work Letter. Any Subsequent Alteration shall be performed in accordance with this Section.

13.3. Construction Requirements. All Subsequent Alteration to the Premises made by or on behalf of Tenant shall be subject to the following conditions, which Tenant covenants faithfully to perform:

(a) All Alterations and Improvements shall be performed in a good and workmanlike manner in accordance with plans and specifications previously approved by Port in writing and in compliance with the applicable building, zoning and other applicable Laws, including, but not limited to, compliance with the ADA, and in compliance with the terms of and conditions imposed in any Regulatory Approval or any permit or authorization for the Premises.

(b) All Alterations and Improvements shall be performed at the sole cost and expense of Tenant, with reasonable dispatch and prosecuted to completion, and only by duly licensed and bonded contractors or mechanics approved by Port, and subject to any conditions that Port may reasonably impose.

(c) Tenant, while performing any subsequent construction or maintenance or repair of the Improvements (for purposes of this Section only, “Work”), shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining portions of the Premises and Improvements and the surrounding property, or the risk of injury to members of the public, caused by or resulting from the performance of its Work. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by the Work and make adequate provision for the safety and convenience of all persons affected by the Work. Dust, noise and other effects of the Work shall be controlled using commercially-accepted methods customarily used to control deleterious effects associated with construction projects in populated or developed urban areas. Tenant shall erect appropriate construction barricades substantially enclosing the area of such construction and maintain them until the Work has been substantially completed, to the extent reasonably necessary to minimize the risk of hazardous construction conditions.

(d) At the completion of any Work described in this Section, Tenant shall furnish to Port one reproducible “as built” drawing of all Alterations and Improvements made in the Premises. If Tenant fails to provide such as-built drawings to Port within sixty (60) days after completion of the Improvements, Port, after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port’s choice of “as-built” drawings, at Tenant’s sole cost, to be paid by Tenant to Port within thirty (30) days after Port’s written request therefor.

(e) Tenant expressly acknowledges that interior and exterior Alterations (including but not limited to, any repair, alteration, improvement, or construction to the interior or exterior of the Facility) are subject to review by Port for consistency with the design policies and criteria set forth in the Waterfront Land Use Plan, Design and Access Element

(f) Without limiting Section 16 below (Hazardous Materials), in the event that asbestos-containing materials (“ACM”) are determined to exist in or about the Premises, Tenant shall ensure that all Alterations and Improvements and any asbestos related work, as further defined in California Health & Safety Code Section 25914.1(b), is performed in compliance with all Laws relating to asbestos, including but not limited to, Cal-OSHA regulations found in Title 8 of the California Code of Regulations, Sections 1502 and 1529. Additionally, Tenant shall distribute notifications to all employees and contractors as required pursuant to California Health & Safety Code Sections 25915 et seq. informing them of the existence of ACM and that moving, drilling, boring, or otherwise disturbing ACM may present a health risk and should not be attempted by an unqualified employee. No Alterations or

Improvements affecting ACM-containing areas or any asbestos related work shall be performed without Port's prior written consent in each instance.

(g) Tenant, on behalf of itself and its Agents or Invitees, shall comply with all requirements of the Port Building Code, Section 3424, and all other Laws, including, without limitation, the California and United States Occupational Health and Safety Acts and their implementing regulations, when the work of Alterations or Improvements disturbs or removes lead-based or presumed lead-based paint (as described below). Tenant and its Agents or Invitees shall give to Port three (3) business days prior written notice of any disturbance or removal of lead-based or presumed lead-based paint. Further, Tenant and its Agents or Invitees, when disturbing or removing lead-based or presumed lead-based paint, shall not use or cause to be used any of the following methods: (a) acetylene or propane burning and torching; (b) scraping, sanding or grinding without containment barriers or a High Efficiency Particulate Air filter ("HEPA") local vacuum exhaust tool; (c) hydroblasting or high-pressure wash without containment barriers, without Port's prior written consent; (d) abrasive blasting or sandblasting without containment barriers or a HEPA vacuum exhaust tool, without Port's prior written consent; and (e) heat guns operating above 1,100 degrees Fahrenheit. Paint on the interior and exterior of buildings built before December 31, 1978, is presumed to be lead-based paint unless lead-based paint testing, as defined in Section 3424 of the Port Building Code, demonstrates an absence of lead-based paint on the surfaces of such buildings. Under this Section 13.3(g), lead-based paint is "**disturbed or removed**" if the work of Alterations or Improvements involves any action that creates friction, pressure, heat or a chemical reaction upon any lead-based or presumed lead-based paint on an interior or exterior surface so as to abrade, loosen, penetrate, cut through or eliminate paint from that surface.

13.4. Improvements Part of Realty. Except as set forth in Section 13.6 below, all Alterations and Improvements constructed on or affixed to the Premises by or on behalf of Tenant shall immediately upon construction or installation become part of the realty owned by Port and shall, at the end of the Term hereof, remain on the Premises without compensation to Tenant. Tenant may not remove any such property at any time during or after the Term unless Port so requires as further provided in Section 26 (Surrender).

13.5. All-Gender Toilet Facilities. If applicable, Tenant shall comply with San Francisco Administrative Code Section 4.1-3 requiring at least one all-gender toilet facility on each floor of any new building on City-owned land and within existing buildings leased by the City, including the Premises, where extensive renovations are made. An "**all-gender toilet facility**" means a toilet that is not restricted to use by persons of a specific sex or gender identity by means of signage, design, or the installation of fixtures, and "**extensive renovations**" means any renovation where the construction cost exceeds 50% of the cost of providing the toilet facilities required by this section. If Tenant has any question about applicability or compliance, Tenant should contact the Port's Property Manager for guidance.

13.6. Removal of Improvements. Prior to the Expiration Date or earlier termination of this Lease, Port may give written notice to Tenant (herein "**Notice of Removal**") specifying the Alterations or Improvements that are designated as Tenant's Property as defined in this Lease or as may be specifically provided in the relevant permits or plans approved by Port, which Tenant shall be required to remove and relocate or demolish and remove from the Premises in accordance with Section 26. Any such removal is subject to the requirements of this Section, including the requirement to obtain a Port building or similar permit. If termination of this Lease is the result of loss or destruction of the Premises or any Improvements thereon, Port shall deliver the Notice of Removal to Tenant within a reasonable time after the loss or destruction. Tenant shall be obligated at its own expense to remove all Alterations or Improvements specified in the Notice of Removal, including without limitation all telephone wiring and equipment installed by Tenant. Tenant shall promptly repair, at its own expense, in good and workmanlike fashion any damage occasioned thereby. If Tenant fails to complete any required demolition or

removal on or before the termination of this Lease, Port may perform such removal or demolition at Tenant's expense, and Tenant shall reimburse Port within five (5) business days after demand therefor.

13.7. Removal of Non-Permitted Improvements. If Tenant constructs any Alterations or Improvements without Port's prior written consent or without complying with Section 13.2 above, then, in addition to any other remedy available to Port, Port may require Tenant to remove, at Tenant's expense, any or all such Alterations or Improvements and to promptly repair, at Tenant's expense and in good workmanlike fashion, any damage occasioned thereby. Tenant shall pay to Port all special inspection fees as set forth in any applicable building code, standard or regulation, including, without limitation, the Port Building Code, for inspection of work performed without required permits. The foregoing obligation of Tenant to reimburse Port for all cost and expenses incurred by Port in connection with Tenant's failure to comply with the provisions of Section 13 shall survive the expiration or earlier termination of this Lease.

13.8. Signs. Tenant shall not install business signage, awnings or other exterior decoration or notices on the Premises without Port's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed. Any sign that Tenant is permitted to place, construct or maintain on the Premises shall comply with all Laws relating thereto, including but not limited to, Port's Sign Guidelines, as revised by Port from time to time, and building permit requirements, and Tenant shall obtain all Regulatory Approvals required by such Laws. Port makes no representation with respect to Tenant's ability to obtain such Regulatory Approval. Tenant, at its sole cost and expense, shall remove all signs placed by it on the Premises at the expiration or earlier termination of this Lease.

13.9. Improvements on Roof. Tenant shall not install any equipment on the roof or any other part of the Facility outside of the Premises without Port's prior written consent, which consent shall not be unreasonably withheld, conditioned, or delayed for installation of equipment required for the Permitted Uses. If Port consents, then Tenant shall have a non-exclusive revocable license on and over the roof and/or other areas of the Facility necessary to install, maintain and repair the equipment in a location mutually agreeable to Port and Tenant, subject to and consistent with all necessary Regulatory Approvals, including a building or encroachment permit issued by Port. Port makes no representation with respect to Tenant's ability to obtain such Regulatory Approvals. Tenant's use of any licensed areas granted in accordance with this **Section 13.9** shall be subject to all the terms and conditions of this Lease and Tenant shall have the obligations and liabilities as if such licensed areas are included in the Premises. The license granted to Tenant hereunder is for the sole purpose of constructing, maintaining, restoring, replacing and operating Tenant's approved equipment, including any necessary conduits, only in connection with Tenant's Permitted Uses under this Lease and Tenant shall not have the right to install any other equipment outside of the Premises, including without limitation a telecommunications (cell) site or any other equipment that can be used for any commercial purpose. The license granted hereby includes the right of ingress and egress through the Facility during non-business hours for access to or from the Premises and Tenant's equipment, provided that Tenant must notify the Port's Property Manager at least 24 hours in advance of any access and shall comply with all reasonable requirements of such designated person with respect to Tenant's requested access. In the event of an emergency, Tenant shall have the right to enter the licensed areas provided it makes good faith efforts to notify Port in advance of such entry.

13.10. Port's Alterations. Port reserves the right at any time to make Alterations, additions, repairs, deletions or improvements to the Common Areas or any other part of the Facility or the Facility Systems (in each such case, outside the Premises, excluding the License Area), or adjacent Port property ("**Port Work**"). Port shall use commercially reasonable efforts to conduct any of the foregoing activities in a manner that, to the extent reasonably practicable, will minimize inconvenience or disturbance to Tenant; Port will have no obligation to minimize inconvenience or disturbance to Tenant for Port Work when the Port Work is necessary, in Port's

sole and absolute discretion, to maintain Port property in safe, hazard-free condition. In no event will inconvenience or disturbance caused by Port Work constitute an actual or constructive eviction of Tenant, entitle Tenant to any abatement or diminution of Rent, or otherwise relieve Tenant from any of its obligations under this Lease. Tenant hereby waives any and all Claims against Port, City and their Agents arising out of any inconvenience or disturbance occasioned by Port Work.

14. FLOOD RISK AND SEA LEVEL RISE.

14.1. Sea Level Rise. On September 22, 2014, acting through its Capital Planning Committee, the City and County of San Francisco adopted “Guidance for Incorporating Sea Level Rise Into Capital Planning in San Francisco: Assessing Vulnerability and Risk to Support Adaptation” (the “SLR Guidance”), a copy of which can be accessed at <http://onesanfrancisco.org/staff-resources/sea-level-rise-guidance/>. The SLR Guidance quotes the findings of the 2012 National Research Council Report, Sea-Level Rise for the Coasts of California, Oregon and Washington: Past Present and Future, which projects sea level rise estimates for San Francisco Bay relative to the year 2000 of 11 inches (+/- 4 inches) by 2050 and 36 inches (+/- 10 inches) by 2100 as the most likely scenarios for sea level rise (the report quotes 66 inches of sea level rise by 2100 as a worst case scenario).

14.2. Flood Protection Measures. In addition to Tenant’s obligations to comply with Laws under **Section 9** (Compliance with Laws) and to repair and maintain the Premises (including, but not limited to the structure and substructure under **Section 11** (Maintenance and Repairs)), if, at any time during the Term of this Lease, and subject to compliance with the California Environmental Quality Act (“CEQA”), the Chief Harbor Engineer determines in his or her regulatory capacity in accordance with applicable Laws that there is a need for temporary public access closures, sandbagging or similar temporary measures to minimize the risks associated with flooding (“**Flood Protection Measures**”) at the Premises or proximate to the Premises to protect the Premises from a significant risk of flooding or other damage resulting from climate change or sea level rise, in order to protect public health and safety (“**CHE Determination**”), Tenant shall be responsible at no cost to Port for permitting, constructing and implementing any such Flood Protection Measures in the manner described in this Section. Tenant understands and agrees that it will not receive or seek rent credits or other compensation or consideration for any Flood Protection Measures and agrees that it will not seek additional term for the purpose of amortizing the cost of any Flood Protection Measures. Port and Tenant agree that a CHE Determination under this **Section 14** shall not be a Condemnation for purposes of this Lease.

If Tenant fails to implement any required Pier Flood Protection Measures within the time required in the CHE Determination, Port shall provide Tenant with thirty (30) days written notice and the right to cure such failure. If Tenant fails to cure within the 30-day period, Port shall have the right but not the obligation to implement the measure(s) on Tenant’s behalf following an additional thirty (30) days’ written notice of Port’s intent to do so (unless Tenant’s failure to cure gives rise to an emergency which creates an imminent danger to public health or safety as determined by the CHE) and Tenant shall reimburse Port for its actual costs as Additional Rent.

14.3. Termination. If, at any time during the Term, the CHE determines conditions at the Premises pose an ongoing threat to public health and safety due to flood risk and sea level rise conditions (even despite construction of the Pier Flood Protection Measures) (“**Threat Determination**”), this Lease will terminate within ninety (90) days of the CHE’s written notice to Tenant of the Threat Determination (“**Threat Determination Notice**”), or the termination date set forth in the Threat Determination Notice, whichever is earlier, without cost or liability to Port.

14.4. Required Flood Protection Improvements for Other Port Property. If the CHE determines that there is a need to install flood protection measures within the Premises to protect other Port property, Tenant shall cooperate by providing access and other reasonably requested

assistance at no cost to Port. Nothing in this **Section 14** shall imply any duty upon the part of Port to perform any work that under this Lease Tenant may be required to perform, nor to place upon Port any obligation, or liability, for the care, supervision or repair of Port property outside the Premises.

14.5. Limitations; Waiver.

(a) No occurrence or situation arising during the Term, nor any present or future Law or circumstance, whether foreseen or unforeseen, and however extraordinary, shall relieve Tenant of its obligations under this **Section 14**, nor give Tenant any right to terminate this Lease in whole or in part or to otherwise seek redress against Port except with respect to Tenant's right to terminate under the terms and conditions specified in **Section 18** (Damage and Destruction) or **Section 19** (Eminent Domain). Without waiving the right to terminate as provided in **Section 18** (Damage and Destruction) or **Section 19** (Eminent Domain), Tenant waives any rights now or later conferred upon it by any existing or future Law to terminate this Lease, to receive any abatement, diminution, reduction or suspension of payment of Rent, or to compel Port to make any repairs to comply with any such Laws or on account of any such occurrence or situation.

(b) If the CHE determines that there is a need for Pier Flood Protection Measures or makes a Threat Determination as described in this Section, the rights and obligations of the Parties shall be as set forth in this **Section 14**. Accordingly, Port and Tenant each waive the provisions of Sections 1932(2) and 1933(4) of the California Civil Code and Sections 1265.110, 1265.120, 1265.130, and 1265.140 of the California Code of Civil Procedure as such sections may from time to time be amended, replaced, or restated. Notwithstanding the prior sentence, Port and Tenant do not intend to waive their rights under **Section 18** (Damage and Destruction) or **Section 19** (Eminent Domain).

14.6. Additional Improvements to Address Sea Level Rise. At any time during the Term, Port or Tenant may propose optional additional improvements to be performed by Tenant, at its option and at its cost that (i) are beyond the scope of the potential Flood Protection Measures contemplated in this Section; and (ii) are not otherwise Tenant's obligation under this Lease (including under **Section 9** (Compliance with Laws) and **Section 11** (Maintenance and Repairs)). Tenant acknowledges that additional Regulatory Approvals will be required for such improvements.

15. LIENS.

Tenant shall keep the Premises free from any liens arising out of any work performed, materials furnished or obligations incurred by Tenant or its Agents. In the event that Tenant shall not, within twenty (20) days following the imposition of any such lien, cause the same to be released of record, Port shall have, in addition to all other remedies provided by this Lease or by Law, the right but not the obligation to cause the same to be released by such means as it shall deem proper, including without limitation, payment of the claim giving rise to such lien. All sums paid by Port for such purpose, plus interest at the Interest Rate, and all reasonable expenses incurred by Port in connection therewith (including, without limitation, reasonable attorneys' fees) shall be payable to Port by Tenant upon demand. Port shall have the right to post on the Premises any notices that Port may deem proper for the protection of Port, the Premises, and the Facility, from mechanics' and materialmen's liens. Tenant shall give to Port at least fifteen (15) days' prior written notice of commencement of any Alteration, repair or construction on the Premises. Tenant agrees to Indemnify Port, City and their respective Agents from and against any Claims for mechanic's, materialmen's or other liens in connection with any Alterations, repairs or construction on the Premises, or materials furnished or obligations incurred by or for Tenant.

Without limiting the foregoing, Tenant shall not create, permit or suffer any liens or encumbrances affecting any portion of the Premises, the Facility or Port's interest therein or under this Lease.

16. HAZARDOUS MATERIALS.

16.1. *Requirements for Handling.* Neither Tenant nor its Agents or Invitees may Handle or permit any other person to Handle any Hazardous Material in, on, under or about the Premises, any other part of the Facility, or other Port property, subject only to the following exceptions, provided that Handling is at all times in full compliance with all Environmental Laws: janitorial and office supplies in limited amounts customarily used for general office and restaurant purposes.

16.2. *Tenant Responsibility.* Tenant agrees to protect its Agents and Invitees in its operations on the Premises from hazards associated with Hazardous Materials in accordance with all Environmental Laws and also agrees, for itself and on behalf of its Agents and Invitees, that during its use and occupancy of the Premises, each of them:

(a) will not permit any Hazardous Materials to be present in, on, under or about the Premises, any other part of the Facility, or other Port property except as permitted under Section 16.1;

(b) will not cause or permit any Hazardous Material Condition; and

(c) will comply with all Environmental Laws relating to the Premises and any Hazardous Material Condition, and will not engage in or permit any activity at the Premises, any other part of the Facility, other Port property, or in the operation of any vehicles or vessels used in connection with the Premises in violation of any Environmental Laws.

16.3. *Tenant's Environmental Condition Notification Requirements.*

(a) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, of and when Tenant learns or has reason to believe Hazardous Materials were Released or, except as allowed under Section 16.1, Handled, in, on, or about the Premises, the Facility, other Port property, or the environment, or from any vehicles or vessels that Tenant or its Agents or Invitees use during Tenant's occupancy of the Premises, whether or not the Release or Handling is in quantities that would be required under Environmental Laws to be reported to an Environmental Regulatory Agency.

(b) Tenant must notify Port immediately, orally or by other means that will transmit the earliest possible notice to Port staff, followed within twenty-four (24) hours by written notice, and contemporaneously provide Port with an electronic copy, of:

(i) Any notice of the Release or Handling of Hazardous Materials, in, on, or about the Premises, the Facility, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises that Tenant or its Agents or Invitees provides to an Environmental Regulatory Agency;

(ii) Any notice of a violation, or a potential or alleged violation, of any Environmental Law that Tenant or its Agents or Invitees receives from any Environmental Regulatory Agency;

(iii) Any other Environmental Regulatory Action that is instituted or threatened by any Environmental Regulatory Agency against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the Premises, the Facility, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises;

(iv) Any Hazardous Material Claim that is instituted or threatened by any third party against Tenant or its Agents or Invitees and that relates to the Release or Handling of Hazardous Materials, in, on, or about the Premises, the Facility, other Port property, or the environment, or from any vehicles or vessels Tenant, or its Agents and Invitees uses during Tenant's occupancy of the Premises; and

(v) Any notice of the termination, expiration, or substantial amendment of any Environmental Regulatory Approval needed by Tenant or its Agents or Invitees for their operations at the Premises.

(c) Tenant must notify Port of any meeting, whether conducted face-to-face or telephonically, between Tenant and any Environmental Regulatory Agency regarding an Environmental Regulatory Action relating to the Premises or Tenant's operations at the Premises. Port will be entitled to participate in any such meetings at its sole election.

(d) Tenant must notify Port of any Environmental Regulatory Agency's issuance of an Environmental Regulatory Approval. Tenant's notice to Port must state the issuing entity, the Environmental Regulatory Approval identification number, and the date of issuance and expiration of the Environmental Regulatory Approval. In addition, Tenant must provide Port with a list of any plan or procedure required to be prepared and/or filed with any Environmental Regulatory Agency for operations on the Premises, including a "Spill Prevention Control and Countermeasure Plan." Tenant must provide Port with copies of any of the documents within the scope of this section upon Port's request.

(e) Tenant must provide Port with copies of all communications with Environmental Regulatory Agencies and all non-privileged communications with other persons regarding potential or actual Hazardous Material Claims arising from Tenant's or its Agents' or Invitees' operations at the Premises. Upon Port's request, Tenant must provide Port with a log of all communications withheld under a claim of privilege that specifies the parties to and subject of each withheld communication.

(f) Port may from time to time request, and Tenant will be obligated to provide, information reasonably adequate for Port to determine that any and all Hazardous Materials are being Handled in a manner that complies with all Environmental Laws.

16.4. Requirement to Remediate.

(a) Tenant's Remediation obligations under this subsection are subject to subsection (b).

(i) After notifying Port in accordance with Section 16.3(a), Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease, any Hazardous Material Condition occurring during the Term or while Tenant or its Agents or Invitees otherwise occupy any part of the Premises. Tenant must obtain Port's approval of a Remediation work plan, whether or not required under Environmental Laws, then begin Remediation actions immediately following Port's approval of the work plan and continue diligently until Remediation is complete, as determined by Port, in its sole discretion.

(ii) In addition to its obligations under clause (i), before this Lease terminates for any reason, Tenant must Remediate at its sole cost in compliance with all Environmental Laws and this Lease: (A) any Hazardous Material Condition caused by Tenant's or its Agents' or Invitees' Handling Hazardous Materials during the Term; and (B) any Hazardous Material Condition discovered during Tenant's occupancy that any Regulatory Agency requires to be Remediated if Remediation would not have been required but for Tenant's use of or Changes to the Premises.

(iii) If Environmental Laws governing Remediation require a remedial action plan, Tenant must provide a draft of its plan to Port for comment and approval before

submittal to the appropriate Environmental Regulatory Agency, and a copy of the final plan as submitted.

(iv) In all situations relating to Handling or Remediating Hazardous Materials, Tenant must take all actions that are reasonably necessary in Port's sole judgment to protect the value of the Premises or the Facility, such as obtaining Environmental Regulatory Approvals related to Hazardous Materials and taking measures to remedy any deterioration in the condition or diminution of the value of any portion of the Premises or the Facility in any manner related directly or indirectly to Hazardous Materials.

(b) Unless Tenant or its Agents or Invitees Exacerbate the Hazardous Material Condition, Tenant will not be obligated to Remediate any Hazardous Material Condition: (i) caused solely by City, Port, or their Agents during Tenant's occupancy of the Premises; or (ii) arising before the Commencement Date or the date of Tenant's first use of the Premises, whichever is earlier.

16.5. Port's Right to Audit. Port will have the right, but not the obligation, to inspect and audit the Premises for any Hazardous Materials, including the right to Investigate, at reasonable times under Section 25 (Port's Entry on Premises). Port's failure to inspect or obtain samples or to detect conditions attributable to Tenant's operations if an inspection is conducted may not be deemed to be a release of any liability for any Hazardous Materials subsequently determined to be Tenant's responsibility under this Lease.

16.6. Notification of Asbestos. Port hereby notifies Tenant, in accordance with the OSHA Asbestos Rule (1995), 59 Fed. Reg. 40964, 29 CFR §§ 1910.1001, 1926.1101 (as amended, clarified and corrected) (OSHA Asbestos Rule); California Health and Safety Code §§ 25915-259.7 and Cal-OSHA General Industry Safety Order for Asbestos, 8 CCR § 5208, of the presence of asbestos-containing materials ("ACMs") and/or presumed asbestos-containing materials ("PACMs") (as such terms are defined in Cal-OSHA General Industry Safety Order for Asbestos), in the locations identified in the summary/table, if any, set forth in **Schedule 1** attached hereto.

This notification by Port is made pursuant to a building inspection survey(s), if any, performed by Port or its contractors qualified to perform an asbestos building survey identified in the summary/table, if any, set forth in **Schedule 1** attached hereto. Such survey(s), monitoring data and other information are kept at Port of San Francisco, Pier 1, San Francisco, California, 94111 and are available for inspection upon request.

Tenant hereby acknowledges receipt of the notification specified in the first paragraph of Section 16.6 hereof and the notice or report attached as **Schedule 1** hereto and understands, after having consulted its legal counsel, that it must make its employees and contractors aware of the presence of ACMs and/or PACMs in or about the Premises in order to avoid or minimize any damage to or disturbance of such ACMs and/or PACMs. Tenant further acknowledges its obligations under Cal-OSHA General Industry Safety Order for Asbestos to provide information to its employees and contractors regarding the presence of ACMs and PACMs at the Premises and to provide a training program for its employees that conforms with 8 CCR § 5208(j)(7)(C).

Tenant agrees that its waiver of Claims set forth in Section 20 below (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of asbestos in or about the Premises and/or the Facility and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of asbestos in or about the Premises may limit Tenant's ability to construct Alterations to the Premises without Tenant first performing abatement of such asbestos. The presence of asbestos in the Premises and/or the Facility and the removal or non-removal by Port of all or a portion of the asbestos in the Facility, whether in the Premises or elsewhere in the Facility, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant.

Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for Tenant's acts or omissions that result in (1) asbestos-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA General Industry Safety Order for Asbestos and/or exposures to asbestos.

16.7. Notification of Lead. Port hereby notifies Tenant of the potential presence of lead-containing and presumed lead-containing materials in the Premises or Facility. Disturbance or removal of lead is regulated by, among other Laws, 29 CFR §§ 1910.1025, 1926.62; California Health & Safety Code §§ 105185-105197 and 105250-105257; Cal-OSHA Construction Safety Order for Lead, Title 8 CCR § 1532.1; Title 17 CCR Chapter 8; and Port Building Code § 3424.

Tenant agrees that its waiver of Claims set forth in Section 20 below (Indemnity and Exculpation) is given with full knowledge of the presence, or possibility, of lead in or about the Premises and/or the Facility and the potential consequences of such fact. Tenant is aware that the presence, or possibility, of lead in or about the Premises may limit Tenant's ability to perform any Improvements or Alterations to the Premises without Tenant first performing abatement of such lead. The presence of lead in the Premises and/or the Facility and the removal or non-removal by Port of all or a portion of the lead, whether in the Premises or elsewhere in the Facility, shall not, however, (i) entitle Tenant to any Claim, (ii) relieve Tenant of any of its obligations hereunder, including without limitation the obligation to pay Rent, or (iii) constitute or be construed as a constructive or other eviction of Tenant. Notwithstanding any other provisions of this Lease, Tenant agrees to Indemnify Port for its acts or omissions that result in (1) lead-related enforcement actions, including both administrative or judicial proceedings, and (2) any Claims arising from an alleged violation of Cal-OSHA Construction Safety Order for Lead and/or exposures to lead.

16.8. Storm Water Pollution Prevention.

(a) Tenant must comply with the applicable provisions of the Statewide General Permit for Discharge of Industrial Storm Water issued by the State Water Resources Control Board, including filing a Notice of Intent to be covered, developing and implementing a site-specific Storm Water Pollution Prevention Plan ("SWPPP"), and conducting storm water monitoring and reporting. Tenant's SWPPP and a copy of a Notice of Intent for Tenant's Premises must be submitted to Port's Real Estate Division before beginning operations on the Premises.

(b) Post-Construction Requirements. In addition to requiring compliance with the permit requirements under Subsection (a), Tenant shall comply with the post-construction stormwater control provisions of the Statewide General Permit for Discharge of Stormwater from Small Municipalities and the San Francisco Stormwater Management Requirements and Design Guidelines, subject to review and permitting by Port.

16.9. Presence of Hazardous Materials. California Law requires landlords to disclose to tenants the presence or potential presence of certain Hazardous Materials. Accordingly, Tenant is hereby advised that Hazardous Materials (as herein defined) may be present on or near the Premises, including, but not limited to, vehicle fluids, janitorial products, tobacco smoke, and building materials containing chemicals, such as asbestos, naturally-occurring radionuclides, lead and formaldehyde. Further, the following known Hazardous Materials are present on the property: asbestos in building, if any, as described in **Schedule 1** attached hereto, naturally occurring asbestos, contamination commonly found in fill, petroleum contamination, lead-based paint, etc. and the Hazardous Materials described in the reports listed in **Schedule 4**, copies of which have been delivered to or made available to Tenant. By execution of this Lease, Tenant acknowledges that the notice set forth in this section satisfies the requirements of California Health and Safety Code Section 25359.7 and related Laws. Tenant must disclose the information contained in this Section 16.9 to any subtenant, licensee, transferee, or assignee of Tenant's

interest in this Lease. Tenant also acknowledges its own obligations pursuant to California Health and Safety Code Section 25359.7 as well as the penalties that apply for failure to meet such obligations.

16.10. *Survival.* Tenant's obligations under Section 16 shall survive the expiration or earlier termination of this Lease.

In addition to the foregoing, Port may, in its sole discretion, insure any personal property leased to Tenant by Port pursuant to this Lease in such amounts as Port deems reasonably appropriate and Tenant shall have no interest in the proceeds of such personal property insurance. (ii) In addition, Tenant shall carry "**Builder's All Risk**" insurance on a form reasonably approved by Port, in the amount of one hundred percent (100%) of the completed value of all new construction, insuring all new construction, including all materials and equipment incorporated in, on or about the Premises, and in transit or storage off-site, that are or will be part of the permanent Improvements, against "**all risk**" and "**special form**" hazards.

(iii) Tenant shall require all providers of professional services, including architectural, design, engineering, geotechnical, and environmental professionals under contract with Tenant for any Improvements or any Alterations to maintain professional liability (errors or omissions) insurance, with limits not less than One Million Dollars (\$1,000,000.00) each claim and aggregate, with respect to all professional services provided to Tenant therefor.

(h) Boiler and Machinery Insurance. Unless same is not included within Tenant's property insurance, Tenant shall maintain boiler and machinery insurance covering damage to or loss or destruction of machinery and equipment located on the Premises or in the Improvements that is used by Tenant for heating, ventilating, air-conditioning, power generation and similar purposes, in an amount not less than one hundred percent (100%) of the actual replacement value of such machinery and equipment.

(i) Business Interruption Insurance. Tenant shall maintain business interruption insurance for loss caused by any of the perils or hazards set forth in and required to be insured pursuant to **Sections 17.1(d), 17.1(e) and 17.1(f) above**, with a limit of not less than the annual Rent applicable immediately prior to the hazard causing the loss.

(j) Professional Liability. Tenant shall require all providers of professional services, including architectural, design, engineering, geotechnical, and environmental professionals under contract with Tenant for the Initial Tenant Improvements or any Subsequent Alteration to maintain professional liability (errors or omissions) insurance, with limits not less than One Million Dollars (\$1,000,000.00) each claim and aggregate, with respect to all professional services provided to Tenant therefor.

(l) Other Coverage. Not more often than every year and upon not less than sixty (60) days prior written notice, Port may require Tenant to increase the insurance limits set forth above or to provide other coverage and/or different coverage amounts as may be required by Law, the City's Risk Manager or as is generally required by commercial owners of buildings similar in size, character, age and location as the Facility with respect to risks comparable to those associated with the use of the Premises.

17.2. Claims-Made Policies. If any of the insurance required in **Section 17.1 above** is provided under a claims-made form of policy, Tenant shall maintain such coverage continuously throughout the Term and without lapse for a period of three (3) years beyond the termination of this Lease, to the effect that should occurrences during the Term give rise to claims made after termination of this Lease, such claims shall be covered by such claims-made policies.

17.3. Annual Aggregate Limits. If any of the insurance required in **Section 17.1 above** is provided under a form of coverage which includes an annual aggregate limit or provides that claims investigation or legal defense costs be included in such annual aggregate limit, such annual aggregate limit shall be double the occurrence limits specified herein.

17.4. Payment of Premiums. Tenant shall pay the premiums for maintaining all required insurance.

17.5. Waiver of Subrogation Rights. Notwithstanding anything to the contrary contained in this Lease, Port and Tenant (each a "**Waiving Party**") each hereby waives any right of recovery against the other party for any loss or damage sustained by such other party with respect to the Facility or the Premises or any portion thereof or the contents of the same or any operation therein, whether or not such loss is caused by the fault or negligence of such other party, to the extent such loss or damage is covered by insurance which is required to be purchased by the Waiving Party under this Lease or is actually covered by insurance obtained by the Waiving Party. Each Waiving Party agrees to cause its insurers to issue appropriate waiver of subrogation rights endorsements to all policies relating to the Facility or the Premises; provided, the failure to obtain any such endorsement shall not affect the above waiver.

17.6. General Insurance Matters.

(a) All liability insurance policies required to be maintained by Tenant hereunder shall contain a cross-liability clause, shall name as additional insureds by written endorsement the "**CITY AND COUNTY OF SAN FRANCISCO AND THE SAN FRANCISCO PORT COMMISSION AND THEIR OFFICERS, DIRECTORS, COMMISSIONERS, EMPLOYEES AND AGENTS,**" shall be primary and non-contributory to any other insurance available to the additional insureds with respect to claims arising under this Lease, and shall provide that such insurance applies separately to each insured against whom complaint is made or suit is brought except with respect to the limits of the company's liability.

(b) As to earthquake insurance only, such insurance shall be in an amount at least equal to One Hundred percent (100%) of the maximum probable loss that would be sustained by the Premises as a result of an earthquake measuring 8.0 on the Richter Scale, as determined not less frequently than every 5 years by the City's Risk Manager, but only at rates that are commercially reasonable for owners or operators of comparable restaurants located in the City and County of San Francisco.

(c) As to flood insurance only, such insurance shall be in an amount at least equal to the amount available at rates that are commercially reasonable for owners or operators of comparable restaurants located in the City and County of San Francisco, from recognized insurance carriers, but only at rates that are commercially reasonable for owners or operators of comparable restaurants located in the City and County of San Francisco.

(d) All insurance policies required to be maintained by Tenant hereunder shall be issued by an insurance company or companies reasonably acceptable to Port with an AM Best rating of not less than A-VIII and authorized to do business in the State of California. Tenant's compliance with this Section shall in no way relieve or decrease Tenant's liability under this Lease.

(e) All insurance policies required to be maintained by Tenant hereunder shall be endorsed to provide for thirty (30) days prior written notice of cancellation for any reason, intended non-renewal, or reduction in coverage to Tenant and Port.

(f) Tenant shall deliver to Port certificates of insurance, additional insured policy endorsements and waiver of subrogation endorsements in a form satisfactory to and at the direction of Port, such as hard copy documentation or use of an internet-based insurance compliance tracking systems such as EXIGIS, evidencing the coverages required herein, together with evidence of payment of premiums, on or before the Commencement Date, and upon renewal of each policy not less than thirty (30) days before expiration of the term of the policy. If Port is using an internet-based insurance compliance tracking system, Tenant's broker shall complete the insurance questionnaire and submit all required documentation. Tenant shall, upon Port's request, promptly furnish Port with a complete copy of any insurance policy required hereunder.

18. DAMAGE AND DESTRUCTION.

18.1. *Damage and Destruction.* If the Premises or the Facility is damaged by fire or other casualty, then Port shall repair the same provided that funds for such repairs are appropriated by Port, in its sole discretion, for such purpose and that such repairs can be made within the Repair Period. In the event such conditions are satisfied, this Lease shall remain in full force and effect except that so long as such damage or casualty is not attributable to Tenant, its Agents or Invitees, Tenant shall be entitled to a proportionate reduction of Base Rent during the Repair Period based upon the extent to which such damage and the making of such repairs materially interferes with Tenant's use or occupancy of the Premises less any insurance proceeds Tenant receives, or would have received if Tenant complied with the requirements set forth in Section 17 above, which proceeds are to be applied against the payment of Rent during any Repair Period.

Port shall use its commercially reasonable efforts to notify Tenant within ninety (90) days after the date of such damage whether or not such repairs can be made within the Repair Period, and Port's determination thereof shall be binding on Tenant. If such repairs cannot be made within the Repair Period, Port shall have the option to notify Tenant of: (a) Port's intention to repair such damage and diligently prosecute such repairs to completion within a reasonable period after the Repair Period, subject to appropriation of funds, in which event, subject to Tenant's rights hereunder, this Lease shall continue in full force and effect and the monthly Base Rent shall be reduced as provided herein; or (b) Port's election to terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty

(60) days after notice is given by Port. If the damage or destruction occurs during the last two (2) years of the Term and such repairs cannot be made within the Repair Period and Port has not elected to terminate this Lease, then Tenant shall have the option to notify Port of Tenant's election to terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by Tenant. In case of termination, the monthly Base Rent shall be reduced as provided above, and Tenant shall pay such reduced monthly Base Rent up to the date of termination.

If Port elects not to appropriate funds for such repair, Port shall give written notice to Tenant within sixty (60) days after the date Port elects not to appropriate funds of its election to terminate this Lease as of the date specified in such notice, which date shall be not less than thirty (30) nor more than sixty (60) days after notice is given by Port. In case of termination, the monthly Base Rent shall be reduced as provided above, and Tenant shall pay such reduced monthly Base Rent up to the date of termination.

If at any time during the last six (6) months of the Term, the Premises or the Facility is damaged or destroyed, then either Port or Tenant may terminate this Lease by giving written notice to the other party of its election to do so within thirty (30) days after the date of the occurrence of such damage; provided, however, Tenant may terminate only if such damage or destruction substantially impairs its use or occupancy of the Premises for the Permitted Use. The effective date of termination shall be specified in the notice of termination, which date shall not be more than thirty (30) days from the date of the notice.

Notwithstanding anything to the contrary in this Lease, (i) Port shall have no obligation to repair the Premises or the Facility, (ii) Tenant shall not be entitled to any abatement of Rent, and (iii) Tenant shall not be entitled to terminate this Lease, in the event the damage or destruction is attributable to any act or omission of Tenant, its Agents, or Invitees. In no event shall Port be required to repair any damage to Tenant's Property or any paneling, decorations, railings, floor coverings, or any Improvements or other Alterations installed or made on the Premises by or at the expense of Tenant. Notwithstanding any other provision of this Lease, in the event the Premises or the Facility is substantially damaged or destroyed and Port intends to rebuild for a Port program or project that is inconsistent with this Lease, Port may terminate this Lease upon written notice to Tenant.

18.2. Waiver. Port and Tenant intend that the provisions of Section 18 govern fully in the event of any damage or destruction and accordingly, Port and Tenant each hereby waives the provisions of Section 1932, subdivision 2, Section 1933, subdivision 4, Sections 1941 and 1942 of the Civil Code of California or under any similar Law now or hereafter in effect.

19. EMINENT DOMAIN.

19.1. General. If all or part of the Premises shall be taken by any public or quasi-public authority under the power of eminent domain or conveyance in lieu thereof, this Lease shall terminate as to any portion of the Premises so taken or conveyed on the Date of Taking. If there occurs a Taking of a portion of the Premises such that the remainder of the Premises shall not, in Tenant's reasonable opinion, be adequate and suitable for the conduct of Tenant's business, then Tenant may, at its option, terminate this Lease.

19.2. Partial Takings. If (a) a part of the Premises shall be taken by any public or quasi-public authority under the power of eminent domain or conveyance in lieu thereof, and (b) Tenant, in Tenant's reasonable opinion, is reasonably able to continue the operation of Tenant's business in that portion of the Premises remaining, and (c) Port elects to restore the Premises to an architectural whole, then this Lease shall remain in effect as to the portion of the Premises remaining, and the Base Rent payable from the Date of Taking shall be reduced by an amount that is in the same ratio to the Base Rent as the value of the area so taken bears to the total value of the Premises immediately before the Date of Taking. If, after a partial taking, Tenant is not reasonably able to continue the operation of its business in the Premises or Port elects not to

restore the Premises to an architectural whole, this Lease may be terminated by either Port or Tenant by giving written notice to the other party no earlier than thirty (30) days prior to the Date of Taking and no later than thirty (30) days after the Date of Taking. Such notice shall specify the date of termination, which shall be not less than thirty (30) nor more than sixty (60) days after the date of notice.

19.3. Taking of the Facility. If any substantial portion of the Facility is taken under the power of eminent domain or conveyance in lieu thereof, whether any portion of the Premises is taken or not, without limiting Tenant's right to terminate this Lease in accordance with **Section 19.1**, Port shall have the right to terminate this Lease by written notice to Tenant within thirty (30) days of the Date of Taking.

19.4. Temporary Takings. Notwithstanding anything to the contrary contained in Section 19, if a taking occurs with respect to all or any part of the Premises for a limited period of time, this Lease shall remain unaffected thereby and Tenant shall continue to pay Rent and to perform all of the terms, conditions and covenants of this Lease. Tenant shall be entitled to receive that portion of any award representing compensation for the use or occupancy of the Premises during the Term up to the total Rent owing by Tenant for the period of the taking, and Port shall be entitled to receive the balance of any award.

19.5. Award; Waiver; Termination of Lease; Rent. Upon termination of this Lease in its entirety pursuant to Section 19.3, or pursuant to an election under Sections 19.1 or 19.2, then: (i) Tenant's obligation to pay Rent shall continue up until the date of termination and thereafter shall cease, and (ii) Port shall be entitled to the entire Award in connection therewith (including, but not limited to, any portion of the Award made for the value of the leasehold estate created by this Lease and any Improvements Pertaining to the Realty), and Tenant shall have no claim against Port for the value of any unexpired term of this Lease, provided that Tenant may make a separate claim for compensation, and Tenant shall receive any Award made specifically to Tenant, for Tenant's relocation expenses or the interruption of or damage to Tenant's business or damage to Tenant's Property. Port and Tenant intend that the provisions of Section 19 shall govern fully in the event of condemnation and accordingly, Port and Tenant each hereby waive any right to terminate this Lease in whole or in part under Sections 1265.110, 1265.120, 1265.130, and 1265.140 of the California Code of Civil Procedure or under any similar law now or hereafter in effect.

20. INDEMNITY AND EXCULPATION.

20.1. General Indemnity. Tenant shall Indemnify Port, City, including, but not limited to, all of their respective boards, commissions, departments, agencies, and other subdivisions, and their respective Agents (collectively, "**Indemnified Parties**") from, and shall defend them, without cost to the Indemnified Parties, against any and all Claims arising directly or indirectly out of: (a) any accident, injury to or death of any person, including any Agents and/or Invitees of Tenant, or loss or damage to or destruction of any property occurring in, on or about the Premises, the Facility or any other Port property, from any cause whatsoever, or (b) any default by Tenant in the observance or performance of any of the terms, covenants or conditions of this Lease, including the provisions of Section 21, or (c) the use, occupancy, manner of use or occupancy, or condition of the Premises or the activities therein by Tenant, its Agents, or Invitees, or (d) any construction or other work undertaken by Tenant on the Premises whether before or during the Term, or (e) any acts, omissions or negligence of Tenant, its Agents or Invitees, in, on or about the Premises, the Facility or any other Port property.

20.2. Hazardous Materials Indemnity.

(a) In addition to its obligations under Section 20.1, Tenant, for itself and on behalf of its Agents and Invitees, agrees to Indemnify the Indemnified Parties from any and all Claims and Hazardous Material Claims that arise as a result of: (i) any Hazardous Material Condition, and (ii) Tenant's Exacerbation of any Hazardous Material Condition.

(b) Tenant's obligation to Indemnify the Indemnified Parties includes: (i) costs incurred in connection with any Investigation or Remediation requested by Port or required by any Environmental Regulatory Agency and to restore the affected area to its condition before the Release; (ii) damages for diminution in the value of the Premises or the Facility; (iii) damages for the loss or restriction on use of rentable or usable space or of any amenity of the Premises or the Facility; (iv) damages arising from any adverse impact on marketing the space; (v) sums paid in settlement of Claims, Hazardous Material Claims, Environmental Regulatory Actions, including fines and penalties; (vi) natural resource damages; and (vii) attorneys' fees, consultant fees, expert fees, court costs, and all other litigation, administrative or other judicial or quasi-judicial proceeding expenses. If Port pays any costs within the scope of this section, Tenant must reimburse Port for Port's costs, plus interest at the Interest Rate from the date Port incurs each cost until paid, within three (3) business days after Port's payment demand. Tenant's obligations hereunder shall survive the expiration or earlier termination of this Lease.

20.3. Scope of Indemnities. The Indemnification obligations of Tenant set forth in this Lease shall be enforceable regardless of the joint or concurrent, active or passive negligence of the Indemnified Parties, and regardless of whether liability without fault is imposed or sought to be imposed on the Indemnified Parties. The Indemnification obligations of Tenant set forth in this Lease shall be enforceable except to the extent that such Indemnity is void or otherwise unenforceable under applicable Law in effect on, or validly retroactive to, the date of this Lease. Except as specifically provided otherwise, the Indemnification obligations of Tenant set forth in this Lease shall exclude Claims resulting solely from the willful misconduct or gross negligence of the Indemnified Parties.

In addition to Tenant's obligation to Indemnify the Indemnified Parties, Tenant specifically acknowledges and agrees that it has an immediate and independent obligation to defend the Indemnified Parties from any Claim which actually or potentially falls within the Indemnification obligations of Tenant set forth in this Lease, even if the allegations are or may be groundless, false or fraudulent. This Indemnification by Tenant shall begin from the first notice that any claim or demand is or may be made and shall continue at all times thereafter.

20.4. Exculpation and Waiver. To the fullest extent permitted by law, Tenant, as a material part of the consideration to be rendered to Port, hereby waives any and all Claims, including without limitation all Claims arising from the joint or concurrent, active or passive, negligence of the Indemnified Parties, but excluding any Claims caused solely by the Indemnified Parties' willful misconduct or gross negligence. The Indemnified Parties shall not be responsible for or liable to Tenant, and Tenant hereby assumes the risk of, and waives and releases the Indemnified Parties from all Claims, whether direct or indirect, known or unknown, foreseen or unforeseen, for any injury, loss or damage to any person or property in or about the Premises by or from any cause whatsoever including, without limitation, (i) any act or omission of persons occupying adjoining premises or any part of the Facility adjacent to or connected with the Premises, (ii) theft, (iii) explosion, fire, steam, oil, electricity, water, gas or rain, pollution or contamination, (iv) stopped, leaking or defective Facility Systems, (v) Facility defects, (vi) damages to goods, wares, goodwill, merchandise, equipment or business opportunities, (vii) Claims by persons in, upon or about the Premises, the Facility or any other Port property for any cause arising at any time, (viii) alleged facts or circumstances of the process or negotiations leading to this Lease prior to the Commencement Date, (ix) inability to use all or any portion of the Premises due to sea level rise, and (x) any other acts, omissions or causes to the fullest extent permitted by law.

Tenant understands and expressly accepts and assumes the risk that any facts concerning the Claims released in this Lease might be found later to be other than or different from the facts now believed to be true, and agrees that the releases in this Lease shall remain effective.

Therefore, with respect to the Claims released in this Lease, Tenant waives any rights or benefits provided by Section 1542 of the Civil Code, which reads as follows:

A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS THAT THE CREDITOR OR RELEASING PARTY DOES NOT KNOW OR SUSPECT TO EXIST IN HIS OR HER FAVOR AT THE TIME OF EXECUTING THE RELEASE AND THAT, IF KNOWN BY HIM OR HER, WOULD HAVE MATERIALLY AFFECTED HIS OR HER SETTLEMENT WITH THE DEBTOR OR RELEASED PARTY.

 Tenant *Tenant*

Tenant specifically acknowledges and confirms the validity of the release made above and the fact that Tenant was represented by counsel who explained the consequences of the release at the time this Lease was made, or that Tenant had the opportunity to consult with counsel, but declined to do so.

20.5. *Waiver of Consequential Damages.* Notwithstanding any other provisions hereof to the contrary, in no event shall either party be liable to the other for consequential damages.

20.6. *Survival.* The provisions of Section 20 shall survive the expiration or earlier termination of this Lease.

21. ASSIGNMENT AND SUBLETTING.

21.1. *Transfer to Affiliate.*

(a) Provided Tenant complies with all of the conditions set forth in this Section 21.1(a), Tenant may make a Transfer without obtaining Port's consent to (i) an Affiliate or (ii) any corporation, limited partnership, limited liability partnership, limited liability company or other business entity in which or with which Tenant, an Affiliate of Tenant, or their respective corporate successors or assigns, is merged or consolidated, in accordance with applicable statutory provisions governing merger and consolidation of business entities. The conditions that must be satisfied for Tenant to make any of the foregoing Transfers without obtaining Port's consent are as follows:

(i) at the time Tenant provides Port with notice, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured;

(ii) if the proposed Transferee is a successor to Tenant by purchase, such proposed Transferee shall acquire all or substantially all of the stock or assets of Tenant's business or, if such proposed Transferee is a successor to Tenant by merger, consolidation or reorganization, the continuing or surviving corporation shall own all or substantially all of the assets of Tenant;

(iii) such proposed Transferee must have a net worth which is at least equal to the lesser of Tenant's net worth as of the Commencement Date or Tenant's net worth as of the day prior to the proposed purchase, merger, consolidation or reorganization as evidenced to Port's reasonable satisfaction;

(iv) such proposed Transferee operates the business in the Premises for the Permitted Use and no other purpose; and

(v) Tenant gives Port written notice at least thirty (30) days prior to the effective date of the proposed Transfer and provides copies of all documentation evidencing Tenant's relationship with the Affiliate and the Transfer Agreement within five (5) days after the

actual Transfer Date. A Transfer to an Affiliate that does not meet the criteria specified in this Section 21.1(a) shall be subject to Port's prior written consent under Section 21.2.

(b) Port will have the right to: (i) request additional documentation and information relating to Tenant's relationship with the Transferee for three (3) months after Tenant has delivered all documents required under Subsection (a); and (ii) object to the Transfer on the grounds that the Transferee is not an Affiliate as defined in this Lease, if written notice is delivered to Tenant within three (3) months after Port's receipt of all required and requested information.

(c) Any Transfer that does not comply with this Section fully will constitute an incurable Event of Default and will be void as to Port and this Lease.

21.2. *Transfer to Non-Affiliate.*

(a) Except for a Transfer meeting the requirements of Section 21.1, Tenant must obtain Port's prior written consent to any Transfer, which Port will not withhold unreasonably.

(i) Tenant agrees that any of the following will be a reasonable basis for Port to withhold its consent: (1) at the time Tenant requests Port's consent, an Event of Default, or an event that with notice or the passage of time or both would constitute an Event of Default if not cured, has occurred and remains uncured; (2) the Transfer is an Assignment or a Sublease by a Transferee of Tenant; (3) the Transferee's financial condition is or may become insufficient to support all of the financial and other obligations of this Lease; (4) the Transferee's intended use of the Premises is inconsistent with this Lease or otherwise will affect any City or Port interest materially and adversely; (5) the nature of the Transferee's use of the Premises would involve an increased risk of the Handling or Release of Hazardous Materials or of fire or other casualty; (6) the business reputation or character of the Transferee or any of its Affiliates is not reasonably acceptable to Port; or (7) the Transferee is not likely to conduct a business in the Premises of a quality substantially equal to Tenant's or otherwise reasonably acceptable to Port.

(ii) Tenant also agrees that Port will have the right to impose reasonable conditions to a requested consent to a Transfer, which may include: (1) requiring the Transferee to assume all of Tenant's obligations under this Lease; and (2) giving Port the right to terminate without notice all of Tenant's then-existing Subleases if this Lease is terminated before the existing Subleases expire.

(b) At least sixty (60) days before any Transfer not meeting the requirements of Section 21.1(a), Tenant must give Port a Transfer Notice and the following: (i) Financial Statements for the three (3) years before the Transfer Date (or each year of the proposed Transferee's existence, if shorter) for the Transferee and for any other Person who will be liable for Tenant's obligations under this Lease; (ii) Tenant's current Financial Statements; (iii) a copy of the proposed Transfer Agreement; and (iii) the Transferee's completed pre-screening and leasing application. In addition, Tenant must provide: (1) any other information, documentation, or evidence that Port requests to enable Port to evaluate the Transfer and the Transferee; and (2) if any of the Transfer Terms are modified before the Transfer Date, a new Transfer Notice and all relevant documentation for any modified Transfer Terms. Tenant's Transfer Notice will not be complete until Tenant has provided Port with all information required under this Subsection.

(c) If Port consents to the Transfer, Tenant must close the Transfer on the Transfer Terms stated in the Transfer Notice within ninety (90) days after Port notifies Tenant of Port's consent. If the Transfer Agreement does not close within the 90-day period, then Port's consent will expire, unless Tenant gives Port a new Transfer Notice, in which case Port again will be entitled to exercise any of the options under this Section.

(d) Any Transfer that does not comply with this Section fully will constitute an incurable Event of Default and will be void as to Port and this Lease. Port's consent to one Transfer will have no effect with respect to any other Transfer.

(e) Tenant agrees to reimburse Port for all costs, including attorneys' fees, that Port incurs to review, investigate, process, document, disapprove, or approve any Transfer request, not to exceed \$2,000 during the initial Term and \$3,000 during the Extension Term.

21.3. Sublease. In addition to all requirements in Section 21.2, the following provisions apply to any Transfer in the form of a Sublease.

(a) Until the occurrence of an Event of Default, Tenant will have the right to receive and collect rents from the Sublease. The Sublease must require the Transferee to pay the rent and other sums due under the Sublease directly to Port upon receiving Port's written notice that Tenant is in default under this Lease, a copy of which Port will deliver to Tenant. Tenant agrees that it will hold in trust for Port's benefit any Sublease rent or other sums that Tenant collects from the Transferee after Port's notice to the Transferee, and Tenant will be obligated to forward the same to Port immediately upon receipt. Port's collection of rents and other sums under this Section will not constitute Port's acceptance of attornment by the Transferee.

(b) Tenant agrees to pay to Port immediately upon receipt all Excess Sublease Rent, less Subletting Expenses, as Additional Rent. Subletting Expenses will be amortized on a straight-line basis over the term of the Sublease, without interest. For example, if: (i) the term of the Sublease is 5 years; (ii) Sublease rent is \$5,000 per month; (iii) Tenant's concurrent Rent payable for the Sublease premises is \$3,000 per month; (iv) Tenant's Subletting Expenses are \$15,000 in brokerage commissions and \$15,000 for new tenant improvements for the Sublease premises, then the amount of Excess Sublease Rent after deducting Subletting Expenses Tenant must pay to Port in connection with the Sublease is \$1,500 per month, as shown in the calculation below.

Term of Sublease:	5 years x 12 months = 60 months
Subletting Expenses:	\$15,000 + \$15,000 = \$30,000
Amortized Subletting Expenses:	\$30,000/60 months = \$500/month
Excess Sublease Rent:	\$5,000/month - \$3,000/month = \$2,000/month
Additional Rent:	(\$2,000/month - \$500/month) = \$1500/month

21.4. Sale . In addition to all requirements in Section 21.2, the following provisions apply to any Transfer in the form of a Sale.

(a) Tenant must pay to Port 100% of Tenant's Net Sale Proceeds as Port's Sale Participation, concurrently with and as a condition to the Sale Closing.

(b) As soon as available after Port consents to the Sale, Tenant must deliver to Port an estimated closing statement that includes Tenant's best estimate of: (i) Gross Sale Proceeds; (ii) Costs of Sale; (iii) Net Sale Proceeds; and (iv) Port's Sale Participation. The closing statement must be updated and delivered to Port at least ten (10) business day before the Sale Closing. If an escrow account is not established for the Sale, Tenant's chief financial officer or independent accountant must certify to Port under penalty of perjury the accuracy of the final closing statement or provide a detailed accounting of and documentation supporting any variances from the estimated closing statement in form and content reasonably acceptable to

Port. Tenant must submit the amount of any underpayment with the certificate or accounting. Tenant's obligation to pay Port's Sale Participation will survive the Sale Closing and the expiration or termination of this Lease.

(c) Port may reference in any estoppel certificate or other representation that, payment to Port of Port's Sale Participation is a material obligation under this Lease, due and owing upon the closing of any Sale; provided, however, failure to reference such obligation will in no way negate Tenant's obligation to pay, and Port's right to receive, Port's Sale Participation. Tenant's obligation to pay Port's Sale Participation will survive the Sale Closing and the expiration or termination of this Lease.

21.5. Notice to Port In addition to the obligations under **Section 6.2**, within thirty (30) days of entering into any agreement under which Tenant grants any person the right to occupy or use any portion of the Premises for any period of time, including without limitation, any assignment, sublease, license, permit, concession or vendor agreement or other agreement or renewal thereof, Tenant shall provide written notice to Port and Assessor and a copy of such agreement, regardless of whether Port consent is required under this Lease for such agreement. Tenant agrees to provide such further information as may be requested by City or Port to enable compliance with reporting obligations under state Law and San Francisco Administration Code Sections 23.38 and 23.39 (or any successor ordinance).

21.6. Transfer Agreement Requirements. Any Transfer Agreement must include the provisions set forth below.

(a) Transferee's express assumption of, and acknowledgement and agreement that the Transferee will be jointly and severally liable for, all of Tenant's obligations under this Lease;

(b) The Indemnification clause and waiver of claims provisions in **Section 20** (Indemnity and Exculpation);

(c) Insurance provisions requiring that all of the Transferee's liability and other insurance policies name "**The City and County of San Francisco, the San Francisco Port Commission, and their officers, commissioners, agents, employees, and representatives**" as additional insureds and acknowledging Port's right to demand increased coverage to amounts customarily required by other San Francisco landlords for premises where business activities similar to the Transferee's are conducted;

(d) A provision stating that if this Lease is terminated for any reason, the Transferee's right to possession under the Transfer Agreement will terminate;

(e) A provision under which the Transferee expressly waives any and all relocation assistance and benefits in connection with this Lease to the extent permitted by applicable Laws; and

(f) A provision under which the Transferee expressly agrees to report the transfer to the County Assessor in accordance with **Section 6.2** of this Lease.

21.7. Transfer Audit. Tenant agrees to make its Books and Records available to, and cooperate with, any Port representative for the purpose of conducting an audit of the accuracy of Tenant's financial reporting on the Transfer until the later of (i) four (4) years after the end of each Lease Year to which such records apply or, (ii) if an audit is commenced or if a controversy should arise between the parties as to the accuracy of Tenant's financial reporting on the Transfer, until such audit or controversy is concluded. If an audit reveals that Tenant has overstated Subletting Expenses or any other costs in connection with a Transfer, Tenant must pay Port promptly upon demand the difference between the amount Tenant deducted and the amount it should have deducted, plus interest at the Interest Rate from the Transfer Date until paid. As used in this section, Tenant includes Affiliates where applicable.

21.8. Release of Tenant after Transfer Date. If the originally-named Tenant makes a Transfer involving an assignment of Tenant's entire interest in this Lease in compliance with all the terms of this Section 21 relating to a Transfer other than a Sublease, the original Tenant shall be relieved and released from any obligations under this Lease first arising after the effective date of such Transfer (but the original Tenant shall remain liable for any obligations arising prior to the effective date of such Transfer) upon satisfaction of all of the following conditions:

- (a) the transferee assumes all of the original Tenant's obligations under this Lease;
- (b) there is no uncured Event of Default (or any event which with the giving of notice or the passage of time or both would constitute an Event of Default) by the original Tenant; and
- (c) Port is reasonably satisfied that the transferee has the experience and expertise to operate the restaurant at the Premises to the same or better quality as the original Tenant and maintain similar levels of Gross Revenues for the remainder of the Term.

21.9. Payment of Port's Fees for Review. Within fifteen (15) days after Port's written request, Tenant will pay Port, as Additional Rent, Port's reasonable costs, including reasonable attorneys' fees and costs, consultant's costs, and costs for Port staff time, incurred in connection with the review, investigation, processing, documentation, disapproval and/or approval of any proposed Transfer, not to exceed \$2,000 during the initial Term and \$3,000 during the Extension Term. Tenant will pay such costs regardless of whether or not Port consents to such proposal.

21.10. Acknowledgement. Tenant acknowledges and agrees that Port's rights with respect to Transfers are reasonable limitations for purposes of California Civil Code Section 1951.4 and waives any Claims arising from Port's actions under this Section 21.

21.11. Transfer Definitions. For the purpose of this Section, references to this Lease and the Premises mean this Lease and the Premises to the extent Tenant's leasehold interest is affected by a Transfer. Other applicable definitions are in Section 2.

22. DEFAULT BY TENANT.

Any of the following shall constitute an event of default (the "Event of Default") by Tenant hereunder:

(a) failure to pay to Port any Rent or other sum payable hereunder when due, and such default continues for a period of five (5) business days following written notice from Port. Notwithstanding the foregoing, Port shall not be required to provide such notice more than twice during any 12-month period, and any such failure by Tenant after Tenant has received two (2) such notices in such 12-month period shall constitute an Event of Default by Tenant hereunder without any further action by Port or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure; or

(b) failure by Tenant to deliver the Monthly Percentage Rent Statement or Annual Statement when due and such default continues for a period of five (5) business days following written notice from Port. Notwithstanding the foregoing, Port shall not be required to provide such notice more than twice during any twelve (12) month period, and any such failure by Tenant after Tenant has received two (2) such notices in such twelve (12) month period shall, at the option of Port, constitute an Event of Default by Tenant hereunder without any further action by Port (including, but not limited to, notice to Tenant of such failure) or opportunity of Tenant to cure except as may be required by Section 1161 of the California Code of Civil Procedure; or

(c) a second understatement by Tenant of its Gross Revenues for any audit period by five percent (5%) or more within any three (3) Lease Year period of the first such understatement; or

(d) failure to comply with Tenant's covenants set forth in **Section 8.2** (Tenant's Operating Covenants), as determined by Port in its sole and absolute discretion and such failure continues for a period of five (5) business days following written notice from Port; or

(e) abandonment or vacation of the Premises by Tenant, provided, the foregoing does not include any closure to refresh/renovate/reposition the Premises as provided in this Lease; or

(f) failure to pay Port at close of escrow of any Sale, Port's Participation in Net Sale Proceeds and such default continues for a period of three (3) days following written notice from Port.

(g) failure to use the Premises solely for the Permitted Use, as determined by Port in its sole and absolute discretion and such failure continues for a period of twenty-four (24) hours following written notice from Port; provided, however, that notwithstanding the foregoing, failure to use the Premises solely for the Permitted Use shall, at Port's sole and absolute discretion, be deemed an incurable breach of this Lease, allowing Port to immediately terminate this Lease upon written notice without an opportunity to cure; or

(h) failure by Tenant to execute and deliver to Port the estoppel certificate within the time period and in the manner required by **Section 33.3** below, and Tenant's failure to cure the foregoing default within five (5) days following written notice from Port; or

(i) a Transfer, or attempted Transfer, of this Lease or the Premises by Tenant contrary to the provisions of **Section 21 above**; or

(j) failure by Tenant or Tenant's broker as applicable to provide evidence of insurance coverage complying with the provisions of **Section 17 above**, failure to maintain any insurance required to be maintained by Tenant pursuant to this Lease, or if any such insurance shall be canceled or terminated or shall expire or be reduced or materially changed, except as permitted in this Lease, and Tenant's or Tenant's broker's failure to deliver evidence of such coverage or failure to reinstate such coverage, all within three (3) business days following written notice from Port; or

(k) failure by Tenant to comply with the provisions of **Section 16** above and Tenant's failure to cure the foregoing default within twenty-four (24) hours following written notice from Port. If such default cannot reasonably be cured within such twenty-four (24) hour period, Tenant shall not be in default of this Lease if Tenant commences to cure the default within such twenty-four (24) hour period and diligently and in good faith continues to cure the default, provided, however, in no event shall Tenant have more than thirty (30) days to cure such default; or

(l) failure by Tenant to discharge any lien or encumbrance placed on the Facility or any part thereof in violation of this Lease within ten (10) days after the date such lien or encumbrance is filed or recorded against the Facility or any part thereof, or if Tenant has no knowledge of such lien, then Tenant shall discharge such lien or encumbrance within fifteen (15) days following Tenant's knowledge of such lien or encumbrance; or

(m) failure by Tenant to observe, keep or perform any of the other terms, covenants, agreements or conditions contained in this Lease and required to be observed or performed by Tenant and not specifically enumerated in this **Section 22**, and such failure continues for a period of fifteen (15) days after written notice by Port, provided that if such default is not capable of cure within such fifteen (15) day period, Tenant shall have a reasonable period to complete such cure if Tenant promptly undertakes action to cure such default within such fifteen (15) day period and thereafter diligently prosecutes the same to completion within ninety (90) days after the receipt of notice of default from Port. Port shall not be required to

provide such notice more than twice in any twelve (12) month period with respect to any material non-monetary defaults and after the second notice in any calendar year, any subsequent failure by Tenant during such twelve (12) month period shall automatically constitute an Event of Default hereunder; or

(n) Tenant shall become bankrupt or insolvent or make a transfer in fraud of creditors, or make an assignment for the benefit of creditors, or bring or have brought against Tenant any action or proceedings of any kind under any provision of the U.S. Bankruptcy Code or under any other insolvency, bankruptcy or reorganization act and, in the event such proceedings are involuntary, Tenant is not discharged from the same within sixty (60) days thereafter; or

(o) a receiver is appointed for a substantial part of the assets of Tenant and such receiver is not discharged within sixty (60) days; or

(p) this Lease or any estate of Tenant under this Lease shall be levied upon by any attachment or execution and such attachment is not stayed or lifted within sixty (60) days; or

(q) without limiting the provisions of *Sections 22(f) or 22(k) above* or lengthening the cure periods under those subsections, failure by Tenant to comply with Laws and Tenant's failure to cure the foregoing default within forty-eight (48) hours following written notice from Port.

23. PORT'S REMEDIES.

Upon Tenant's Event of Default, Port shall, without further notice or demand of any kind to Tenant or to any other person, have the following remedies:

23.1. *Tenant's Right to Possession Not Terminated.* Port has the remedy described in Section 1951.4 of the California Civil Code (a landlord may continue the lease in effect after a tenant's breach and abandonment and recover rent as it becomes due, if the tenant has the right to sublet and assign subject only to reasonable limitations) under which it may continue this Lease in full force and effect and Port may enforce all of its rights and remedies under this Lease, including the right to collect Rent when due. During the period Tenant is in default, Port may enter the Premises without terminating this Lease and relet them, or any part of them, to third parties for Tenant's account. Tenant shall be liable immediately to Port for all reasonable costs Port incurs in reletting the Premises, including, but not limited to, broker's commissions, expenses of remodeling the Premises required by the reletting and like costs. Reletting can be for a period shorter or longer than the remaining Term, at such rents and on such other terms and conditions as Port deems advisable. Tenant shall pay to Port the Rent due under this Lease on the dates the Rent is due, less the Rent Port receives from any reletting. In the event that Port shall elect to so relet, then rentals received by Port from such reletting shall be applied in the following order: (i) to reasonable attorneys' fees incurred by Port as a result of a default and costs in the event suit is filed by Port to enforce such remedies; (ii) to the payment of any indebtedness other than Rent due hereunder from Tenant to Port; (iii) to the payment of any costs of maintaining, preserving, altering, repairing and preparing the Premises for reletting, the other costs of reletting, including but not limited to brokers' commissions, attorneys' fees and expenses of removal of Tenant's Personal Property, trade fixtures and Alterations; (iv) to the payment of Rent due and unpaid hereunder; (v) to the payment of future Rent and other sums payable by Tenant hereunder as the same may become due and payable hereunder; and (vi) the balance, if any, shall be paid to Tenant upon (but not before) expiration of the Term. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of Rent hereunder, be less than the Rent payable during the month by Tenant hereunder, then Tenant shall pay such deficiency to Port. Such deficiency shall be calculated and paid monthly. No act by Port allowed by this Section 23.1 shall terminate this Lease unless Port notifies Tenant that Port elects to terminate this Lease. After Tenant's default and for as long as

Port does not terminate Tenant's right to possession of the Premises, if Tenant obtains Port's consent Tenant shall have the right to assign or sublet its interest in this Lease, but Tenant shall not be released from liability.

23.2. Termination of Tenant's Right to Possession. Port may terminate Tenant's right to possession of the Premises at any time. No act by Port other than giving notice of termination to Tenant shall terminate this Lease. Acts of maintenance, efforts to relet the Premises, or the appointment of a receiver on Port's initiative to protect Port's interest under this Lease shall not constitute a termination of Tenant's right to possession. If Port elects to terminate this Lease, Port has the rights and remedies provided by California Civil Code Section 1951.2, including the right to recover from Tenant the following.

(a) The worth at the time of award of the unpaid Rent which had been earned at the time of termination; plus

(b) The worth at the time of award of the amount by which the unpaid Rent which would have been earned after termination until the time of award exceeds the amount of such rental loss that Tenant proves could have been reasonably avoided; plus

(c) The worth at the time of award of the amount by which the unpaid Rent for the balance of the Term after the time of award exceeds the amount of the loss of Rent that Tenant proves could be reasonably avoided; plus

(d) Any other amounts necessary to compensate Port for the detriment proximately caused by Tenant's default, or which, in the ordinary course of events, would likely result, including, but not limited to, attorneys' fees and court costs, the costs of carrying the Premises such as repairs, maintenance, taxes and insurance premiums, utilities, security precautions and the reasonable costs and expenses incurred by Port in (i) retaking possession of the Premises; (ii) cleaning and making repairs and alterations necessary to return the Premises to good condition and preparing the Premises for reletting; (iii) removing, transporting and storing any of Tenant's Property left at the Premises (although Port shall have no obligation so to do); and (iv) reletting the Premises, including, without limitation, brokerage commissions, advertising costs and attorneys' fees. Efforts by Port to mitigate the damages caused by Tenant's breach of this Lease do not waive Port's rights to recover damages upon termination.

The "worth at the time of award" of the amounts referred to in Sections 23.2(a) and 23.2(b) above shall be computed by allowing interest at an annual rate equal to the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge. The "worth at the time of award" of the amount referred to in Section 23.2(c) above shall be computed by discounting the amount at the discount rate of the Federal Reserve Bank of San Francisco at the time of award, plus one percent (1%).

23.3. Appointment of Receiver. Port shall have the right to have a receiver appointed to collect Rent and conduct Tenant's business. Neither the filing of a petition for the appointment of a receiver nor the appointment itself shall constitute an election by Port to terminate this Lease.

23.4. Port's Right to Cure Tenant's Default. Port, at any time, may, at Port's sole option, cure the default at Tenant's cost. If Port undertakes any act to cure or attempt to cure such default that requires the payment of any sums, or otherwise incurs any costs, damages, or liabilities (including without limitation, attorneys' fees), all such sums, costs, damages or liabilities paid by Port shall be due immediately from Tenant to Port at the time the sum is paid, and if paid by Tenant at a later date shall bear interest at the lesser of the Interest Rate or the maximum non-usurious rate Port is permitted by Law to charge from the date such sum is paid by Port until Port is reimbursed by Tenant.

23.5. No Accord and Satisfaction. No payment by Tenant or receipt by Port of an amount less than the Rent due under this Lease shall be deemed to be other than "on account" of

the earliest Rent due; nor shall any endorsement or statement on any check or payment, or letter accompanying such check or payment, be deemed an accord and satisfaction. Port may accept any such partial payment or tender without prejudice to its right to recover the balance of any amount due and to pursue any other remedy herein provided at Law or in equity.

23.6. Waiver of Redemption. Tenant hereby waives, for itself and all persons claiming by and under Tenant, redemption or relief from forfeiture under California Code of Civil Procedure Sections 1174 and 1179, or under any other pertinent present or future Law, in the event Tenant is evicted or Port takes possession of the Premises by reason of any default of Tenant hereunder.

23.7. Habitual Late Payer. In the event Tenant is deemed to be a Habitual Late Payer, in addition to any other remedies available to Port, Port may require that Tenant enter into direct electronic payment arrangements and/or Port may require payments of Rent be made in advance on a quarterly basis.

23.8. Remedies Not Exclusive. The remedies set forth in Section 23 are not exclusive; they are cumulative and in addition to any and all other rights or remedies of Port now or later allowed by Law or in equity. Tenant's obligations hereunder shall survive any termination of this Lease.

24. LITIGATION EXPENSES; ATTORNEYS' FEES.

24.1. Litigation Expenses. The Prevailing party in any action or proceeding (including any cross-complaint, counterclaim, or bankruptcy proceeding) against the other party by reason of a claimed default, or otherwise arising out of a party's performance or alleged non-performance under this Lease, shall be entitled to recover from the other party its costs and expenses of suit, including but not limited to reasonable attorneys' fees, which shall be payable whether or not such action is prosecuted to judgment. "**Prevailing party**" within the meaning of this Section shall include, without limitation, a party who substantially obtains or defeats, as the case may be, the relief sought in the action, whether by compromise, settlement, judgment or the abandonment by the other party of its claim or defense.

24.2. Appeals. Attorneys' fees under this Section shall include attorneys' fees and all other reasonable costs and expenses incurred in connection with any appeal.

24.3. City Attorney. For purposes of this Lease, reasonable fees of attorneys of the City's Office of the City Attorney shall be based on the fees regularly charged by private attorneys with an equivalent number of years of professional experience (calculated by reference to earliest year of admission to the Bar of any State) who practice in San Francisco in law firms with approximately the same number of attorneys as employed by the Office of the City Attorney.

25. PORT'S ENTRY ON PREMISES.

25.1. Entry for Inspection. Port and its authorized Agents shall have the right to enter the Premises upon no less than twenty-four (24) hours' prior notice, except no prior notice is required in the event of an emergency, provided that Tenant or Tenant's Agents are present on the Premises (except in the event of an emergency), for the purpose of inspecting the Premises to determine whether the Premises is in good condition and whether Tenant is complying with its obligations under this Lease.

25.2. General Entry. In addition to its rights pursuant to *Section 25.1 above*, Port and its authorized Agents shall have the right to enter the Premises at all reasonable times and upon no less than twenty-four (24) hours' prior notice for any of the following purposes:

(a) To perform any necessary maintenance, repairs or restoration to the Premises, or to perform any services which Port has the right or obligation to perform;

(b) To serve, post, or keep posted any notices required or allowed under the provisions of this Lease;

(c) To post “For Sale” signs at any time during the Term; to post “For Lease” signs during the last six (6) months of the Term or during any period in which there is an uncured Tenant Event of Default;

(d) On an occasional basis, at all reasonable times after giving Tenant reasonable advance written or oral notice, to show the Premises to prospective tenants or other interested parties;

(e) If any excavation or other construction is undertaken or is about to be undertaken on any property or street adjacent to the Premises, to shore the foundations, footings or walls of the Premises and to erect scaffolding and protective barricades around and about the Premises as reasonably necessary in connection with such activities (but not so as to prevent or unreasonably restrict entry to or use of the Premises), and to do any other act or thing necessary for the safety or preservation of the Premises during such excavation or other construction; or

(f) To obtain environmental samples and perform equipment and facility testing.

25.3. Emergency Entry. Port may enter the Premises at any time, without notice, in the event of an emergency. Port shall have the right to use any and all means which Port may deem proper in such an emergency in order to obtain entry to the Premises. Entry to the Premises by any of these means, or otherwise, shall not under any circumstances be construed or deemed to be a forcible or unlawful entry into, or a detainer of, the Premises, or an eviction of Tenant from the Premises or any portion of the Premises.

25.4. No Liability. Port shall not be liable in any manner, and Tenant hereby waives any Claim for damages, for any inconvenience, disturbance, loss of business, nuisance, or other damage, including without limitation any abatement or reduction in Rent, arising out of Port’s entry onto the Premises as provided in **Section 25** or performance of any necessary or required work on the Premises, or on account of bringing necessary materials, supplies and equipment into or through the Premises during the course thereof, except damage resulting solely from the willful misconduct or gross negligence of Port or its authorized representatives.

25.5. Nondisturbance. Port shall use its commercially reasonable efforts to conduct its activities on the Premises as allowed in **Section 25** in a manner which, to the extent reasonably practicable, will minimize annoyance or disturbance to Tenant.

26. SURRENDER AND QUITCLAIM.

26.1. Surrender. Upon expiration or earlier termination of this Lease, Tenant shall surrender to Port the Premises in good order, condition, and repair (except for ordinary wear and tear occurring after the last necessary maintenance made by Tenant and except for destruction or condemnation as described in Sections 18 and 19 hereof). Ordinary wear and tear shall not include any damage or deterioration that would have been prevented by proper maintenance by Tenant, or Tenant otherwise performing all of its obligations under this Lease; provided, however, Tenant has no obligation to further repaint the Premises or patch or replace the wall or floor coverings after performance of the Initial Tenant Work. The Premises shall be surrendered clean, free of debris, waste, and Hazardous Materials, and free and clear of all liens and encumbrances other than liens and encumbrances existing as of the date of this Lease and any other encumbrances created by Port. On or before the expiration or earlier termination of this Lease, Tenant at its sole cost shall remove from the Premises, and repair any damage caused by removal of, Tenant’s Property, including any signage and Alterations and Improvements specified in Port’s Notice of Removal. Except for those designated in Port’s Notice of Removal, Alterations and Improvements shall remain in the Premises as Port property.

If the Premises is not surrendered at the end of the Term or sooner termination of this Lease, and in accordance with the provisions of this **Section 26 and Section 13.5**, Tenant shall continue to be responsible for the payment of Rent (as the same may be increased pursuant to Section 27.2 or 27.3 below as applicable) until the Premises is surrendered in accordance with these Sections, and Tenant shall Indemnify Port from and against any and all loss or liability resulting from delay by Tenant in so surrendering the Premises including, without limitation, any costs of Port to obtain possession of the Premises; any loss or liability resulting from any Claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each instance, reasonable attorneys' fees and costs.

No act or conduct of Port, including, but not limited to, the acceptance of the keys to the Premises, shall constitute an acceptance of the surrender of the Premises by Tenant before the expiration of the Term. Only a written notice from Port to Tenant confirming termination of this Lease and surrender of the Premises by Tenant shall constitute acceptance of the surrender of the Premises and accomplish a termination of this Lease.

26.2. Quitclaim. Upon expiration or earlier termination of this Lease, the Premises shall automatically, and without further act or conveyance on the part of Tenant or Port, become the property of Port, free and clear of all liens and without payment therefore by Port and shall be surrendered to Port upon such date. Upon or at any time after the expiration or earlier termination of this Lease, if requested by Port, Tenant shall promptly deliver to Port, without charge, a quitclaim deed to the Premises and any other instrument reasonably requested by Port to evidence or otherwise effect the termination of Tenant's leasehold estate hereunder and to effect such transfer or vesting of title to the Premises or any portion that Port agrees are to remain part of the Premises.

26.3. Abandoned Property. Any items, including Tenant's Property, not removed by Tenant as required herein shall be deemed abandoned. Port may retain, store, remove, and sell or otherwise dispose of abandoned Tenant's Property, and Tenant waives all Claims against Port for any damages resulting from Port's retention, removal and disposition of such property; provided, however, that Tenant shall be liable to Port for all costs incurred in storing, removing and disposing of abandoned Tenant's Property and repairing any damage to the Premises or the Facility resulting from such removal. Tenant agrees that Port may elect to sell abandoned Tenant's Property and offset against the sales proceeds Port's storage, removal, and disposition costs without notice to Tenant or otherwise according to the procedures set forth in California Civil Code Section 1993 et seq., the benefits of which Tenant waives.

26.4. Survival. Tenant's obligation under this Section 26 shall survive the expiration or earlier termination of this Lease.

27. HOLDING OVER.

27.1. Terms of Holdover Tenancy. Any holding over after the expiration of the Term shall not constitute a renewal of this Lease, but shall be deemed a month-to-month tenancy upon the terms, conditions, and covenants of this Lease, except as provided in this Section. Either party may cancel the month-to-month tenancy upon thirty (30) days written notice to the other party. Tenant shall Indemnify Port from and against any and all loss or liability resulting from Tenant's delay in surrendering the Premises including, without limitation, any loss or liability resulting from any claim against Port made by any succeeding tenant or prospective tenant founded on or resulting from such delay and losses to Port due to lost opportunities to lease any portion of the Premises to any such succeeding tenant or prospective tenant, together with, in each case, actual attorneys' fees and costs.

27.2. With Consent. If Tenant holds over with the prior written consent of Port, monthly Base Rent shall be equal to one hundred twenty-five percent (125%) of the monthly

Base Rent payable in the month immediately preceding the expiration of this Lease; provided that if both Tenant and Port desire to enter into a new lease or extend the existing term of this Lease but have not yet executed such new lease or extension solely due to Port's delay to produce such document, then the monthly Base Rent during such holdover period shall be equal to the higher of: (a) the Base Rent payable in the month immediately preceding the expiration of this Lease, or (b) the then current rate for the Facility approved by the Port Commission, together with any monthly charge of Additional Rent payable under this Lease.

27.3. Without Consent. If Tenant holds over without the prior written consent of Port, monthly Base Rent shall equal one hundred fifty percent (150%) of the monthly Base Rent payable in the month immediately preceding the expiration of this Lease.

28. MINERAL RESERVATION.

The State of California ("State"), pursuant to Section 2 of Chapter 1333 of the Statutes of 1968, as amended, has reserved all subsurface mineral deposits, including oil and gas deposits, on or underlying the Premises and Tenant acknowledges such reserved rights including necessary ingress and egress rights. In no event shall Port be liable to Tenant for any Claims arising from the State's exercise of its rights nor shall such action entitle Tenant to any abatement or diminution of Rent or otherwise relieve Tenant from any of its obligations under this Lease

29. CITY AND PORT REQUIREMENTS.

The San Francisco Municipal Codes (available at www.sfgov.org) and City and Port policies described or referenced in this Lease are incorporated by reference as though fully set forth in this Lease. The descriptions below are not comprehensive but are provided for notice purposes only; Tenant is charged with full knowledge of each such ordinance and policy and any related implementing regulations as they may be amended from time to time. Tenant understands and agrees that its failure to comply with any provision of this Lease relating to any such code provision shall be deemed a material breach of this Lease and may give rise to penalties under the applicable ordinance. Capitalized or highlighted terms used in this Section and not defined in this Lease shall have the meanings ascribed to them in the cited ordinance.

29.1. Nondiscrimination.

(a) Covenant Not to Discriminate. In the performance of this Lease, Tenant covenants and agrees not to discriminate on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), weight, height, association with members of classes protected under Articles 131 or 132 of Division II of the San Francisco Labor and Employment Code (formerly Chapter 12B and 12C of the San Francisco Administrative Code or in retaliation for opposition to any practices forbidden under Articles 131 or 132 of Division II of the Labor and Employment Code against any employee of Tenant, any City and County employee working with Tenant, any applicant for employment with Tenant, or any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations operated by Tenant in the City and County of San Francisco.

(b) Subleases and Other Contracts. Tenant shall include in all subleases and other contracts relating to the Premises a non-discrimination clause applicable to such subtenant or other contractor in substantially the form of Section 29.1(a) above. In addition, Tenant shall incorporate by reference in all subleases and other contracts the provisions of Sections 131.2(a), 131.2(c) – (k), and 132.3 of the Labor and Employment Code (formerly Sections 12B.2 (a), 12B.2(c) - (k) and 12C.3 of the Administrative Code) and shall require all subtenants and other contractors to comply with such provisions.

(c) **Nondiscrimination in Benefits.** Tenant does not as of the date of this Lease and will not during the Term, in any of its operations in San Francisco or where the work is being performed for the City, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits (collectively “**Core Benefits**”) as well as any benefits other than the Core Benefits between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local Law authorizing such registration, subject to the conditions set forth in Section 131.2 of the Labor and Employment Code.

(d) **CMD Form.** On or prior to the Lease Commencement Date, Tenant shall execute and deliver to Port the “Nondiscrimination in Contracts and Benefits” form approved by CMD.

(e) **Penalties.** Tenant understands that pursuant to Section 131.2(h) of the Labor and Employment Code, a penalty of \$50.00 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Lease may be assessed against Tenant and/or deducted from any payments due Tenant.

29.2. Requiring Health Benefits for Covered Employees. Unless exempt, Tenant agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in Labor and Employment Code Division II, Article 121 (formerly Administrative Code Chapter 12Q).

(a) For each Covered Employee Tenant shall provide the appropriate health benefit set forth in Section 121.3 of the HCAO.

(b) Notwithstanding the above, if Tenant meets the requirements of a “small business” by the City pursuant to Section 121.3(e) of the HCAO, it shall have no obligation to comply with Section 29.2(a) above.

(c) If, within 30 days after receiving written notice of a breach of this Lease for violating the HCAO, Tenant fails to cure such breach or, if such breach cannot reasonably be cured within such 30-day period, Tenant fails to commence efforts to cure within such period, or thereafter fails to diligently pursue such cure to completion, the City shall have the remedies set forth in Section 121.5(f). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(d) Any Sublease or Contract regarding services to be performed on the Premises entered into by Tenant shall require the Subtenant or Contractor and Subcontractors, as applicable, to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in Article 121 of Division II of the Labor and Employment Code. Tenant shall notify the Office of Labor Standards Enforcement (“**OLSE**”) when it enters into such a Sublease or Contract and shall certify to OLSE that it has notified the Subtenant or Contractor of the obligations under the HCAO and has imposed the requirements of the HCAO on the Subtenant or Contractor through written agreement with such Subtenant or Contractor. Tenant shall be responsible for ensuring compliance with the HCAO for each Subtenant, Contractor and Subcontractor performing services on the Premises. If any Subtenant, Contractor or Subcontractor fails to comply, the City may pursue the remedies set forth in Section 121.5 of the Labor and Employment Code against Tenant based on the Subtenant’s, Contractor’s, or Subcontractor’s failure to comply, provided that OLSE has first provided Tenant with notice and an opportunity to cure the violation.

(e) Tenant shall not discharge, reprimand, penalize, reduce the compensation of, or otherwise discriminate against, any employee for notifying the City of any issue relating to the HCAO, for opposing any practice proscribed by the HCAO, for participating in any proceedings

related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(f) Tenant represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the requirements of the HCAO.

(g) Tenant shall keep itself informed of the requirements of the HCAO, as they may change from time to time.

(h) Upon request, Tenant shall provide reports to the City in accordance with any reporting standards promulgated by the City under the HCAO, including reports on Subtenants, Contractors, and Subcontractors.

(i) Within ten (10) business days of any request, Tenant shall provide the City with access to pertinent records relating to any Tenant's compliance with the HCAO. In addition, the City and its agents may conduct random audits of Tenant at any time during the Term. Tenant agrees to cooperate with City in connection with any such audit.

(j) If a Contractor or Subcontractor is exempt from the HCAO because the amount payable to such Contractor or Subcontractor under all of its contracts with the City or relating to City-owned property is less than \$25,000.00 (or \$50,000.00 for nonprofits) in that fiscal year, but such Contractor or Subcontractor later enters into one or more agreements with the City or relating to City-owned property that cause the payments to such Contractor or Subcontractor to equal or exceed \$75,000.00 in that fiscal year, then all of the Contractor's or Subcontractor's contracts with the City and relating to City-owned property shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements to equal or exceed \$75,000.00 in the fiscal year.

29.3. First Source Hiring. The City has adopted a First Source Hiring Program (San Francisco Administrative Code Sections 83.1 et seq.) which establishes specific requirements, procedures and monitoring for first source hiring of qualified economically disadvantaged individuals for entry-level positions as those terms are defined by the ordinance. Tenant acknowledges receiving and reviewing the First Source Hiring Program materials and requirements and agrees to comply with all requirements of the ordinance as implemented by Port and/or City, including without limitation, notification of vacancies throughout the Term and entering into a First Source Hiring Agreement, if applicable. Tenant acknowledges and agrees that it may be subject to monetary penalties for failure to comply with the ordinance or a First Source Hiring Agreement and that such non-compliance shall be a default of this Lease.

29.4. Local Business Enterprises. The Port Commission encourages the participation of local business enterprises ("LBEs") in Tenant's operations. Tenant agrees to consult with CMD to determine appropriate methods for promoting participation by LBEs. Architecture, Engineering, Laboratory Services (Materials Testing), Trucking and Hauling, and Security Guard Services are categories of services that may provide opportunities for certified LBE participation. City maintains a list of certified LBEs at: <https://sfgov.org/cmd/LBE-certification-0>.

29.5. Indoor Air Quality. Tenant agrees to comply with Section 711(g) of the Environment Code and any additional regulations adopted by the Director of the Department of the Environment pursuant to Environment Code Section 703(b) relating to construction and maintenance protocols to address indoor air quality.

29.6. Prohibition Against Tobacco Advertising; Prohibition Against Tobacco Product Sales, Manufacture, and Distribution. Tenant acknowledges and agrees that no advertising of cigarettes or tobacco products is allowed on the Premises. This advertising prohibition includes the placement of the name of a company producing cigarettes or tobacco products or the name of any cigarette or tobacco product in any promotion of any event or product. In addition, Tenant acknowledges and agrees that no Sales, Manufacture, or Distribution of Tobacco Products (as

such capitalized terms are defined in Health Code Section 19K.1) is allowed on the Premises and such prohibition must be included in all subleases or other agreements allowing use of the Premises. The prohibition against Sales, Manufacture, or Distribution of Tobacco Products does not apply to persons who are affiliated with an accredited academic institution where the Sale, Manufacture, and/or Distribution of Tobacco Products is conducted as part of academic research.

29.7. Graffiti Removal. Tenant agrees to remove all graffiti from the Premises, including from the exterior of the Facility if included within the Premises, within forty-eight (48) hours of the earlier of Tenant's: (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a tenant to breach any lease or other agreement that it may have concerning its use of the real property. "Graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and that is visible from the public right-of-way, but does not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of this Lease or the Port Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (Calif. Civil Code §§ 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

29.8. Restrictions on the Use of Pesticides. Chapter 3 of the San Francisco Environment Code (the Integrated Pest Management Program Ordinance or "IPM Ordinance") describes an integrated pest management ("IPM") policy to be implemented by all City departments. Tenant shall not use or apply or allow the use or application of any pesticides on the Premises, and shall not contract with any party to provide pest abatement or control services to the Premises, without first receiving City's written approval of an integrated pest management plan that (i) lists, to the extent reasonably possible, the types and estimated quantities of pesticides that Tenant may need to apply to the Premises during the term of this Lease, (ii) describes the steps Tenant will take to meet the City's IPM Policy described in Section 300 of the IPM Ordinance and (iii) identifies, by name, title, address and telephone number, an individual to act as the Tenant's primary IPM contact person with the City. Tenant shall comply, and shall require all of Tenant's contractors to comply, with the IPM plan approved by the City and shall comply with the requirements of Sections 300(d), 302, 304, 305(f), 305(g), and 306 of the IPM Ordinance, as if Tenant were a City department. Among other matters, such provisions of the IPM Ordinance: (a) provide for the use of pesticides only as a last resort, (b) prohibit the use or application of pesticides on property owned by the City, except for pesticides granted an exemption under Section 303 of the IPM Ordinance (including pesticides included on the most current Reduced Risk Pesticide List compiled by City's Department of the Environment), (c) impose certain notice requirements, and (d) require Tenant to keep certain records and to report to City all pesticide use by Tenant's staff or contractors. If Tenant or Tenant's contractor will apply pesticides to outdoor areas, Tenant must first obtain a written recommendation from a person holding a valid Agricultural Pest Control Advisor license issued by the California Department of Pesticide Regulation and any such pesticide application shall be made only by or under the supervision of a person holding a valid Qualified Applicator certificate or Qualified Applicator license under state law. City's current Reduced Risk Pesticide List and additional details about pest management on City property can be found at the San Francisco Department of the Environment website, <http://sfenvironment.org/ipm>.

29.9. MacBride Principles Northern Ireland. Port and the City urge companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. Port and the City urge San Francisco companies to do business with corporations that abide by the MacBride Principles.

29.10. Tropical Hardwood and Virgin Redwood Ban. Port and the City urge Tenant not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood product. Except as expressly permitted by the application of Sections 802(b) and 803(b) of the Environment Code, Tenant shall not provide any items to the construction of Alterations, or otherwise in the performance of this Lease which are tropical hardwoods, tropical hardwood wood products, virgin redwood, or virgin redwood wood products. In the event Tenant fails to comply in good faith with any of the provisions of Chapter 8 of the Environment Code, Tenant shall be liable for liquidated damages for each violation in any amount equal to the contractor's net profit on the contract, or five percent (5%) of the total amount of the contract dollars, whichever is greater.

29.11. Preservative-Treated Wood Containing Arsenic. Tenant may not purchase preservative-treated wood products containing arsenic in the performance of this Lease unless an exemption from the requirements of Environment Code Chapter 13 is obtained from the Department of Environment under Section 1304 of the Environment Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniac copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Tenant may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of Environment. This provision does not preclude Tenant from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "**saltwater immersion**" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

29.12. Notification of Limitations on Contributions. If this Lease is subject to the approval by City's Board of Supervisors, Mayor, or other elected official, the provisions of this Section 29.12 shall apply. Through its execution of this Lease, Tenant acknowledges its obligations under Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the selling or leasing of any land or building to or from the City whenever such transaction would require approval by a City elective officer or the board on which that City elective officer serves, from making any campaign contribution to (a) the City elective officer, (b) a candidate for the office held by such individual, or (c) a committee controlled by such individual or candidate, at any time from the submission of a proposal for the contract until the later of either the termination of negotiations for such contract or twelve (12) months after the date the contract is approved. Tenant acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of one hundred thousand dollars (\$100,000) or more. Tenant further acknowledges that, if applicable, (i) the prohibition on contributions applies to each Tenant; each member of Tenant's board of directors, and Tenant's principal officers, including its chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than ten (10%) percent in Tenant; and any subcontractor listed in the Tenant's bid or contract; and (ii) within thirty (30) days of the submission of a proposal for the contract, the Port is obligated to submit to the Ethics Commission the parties to the Lease and any subtenant(s). Additionally, Tenant certifies that if this Section 29.12 applies, Tenant has informed each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126 by the time it submitted a proposal for the contract and has provided to City the names of the persons required to be informed.

29.13. Sunshine Ordinance. In accordance with Section 67.24(e) of the Administrative Code, contracts, contractors' bids, leases, agreements, responses to Requests for Proposals, and all other records of communications between Port and persons or firms seeking contracts will be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person's or organization's net worth or other proprietary

financial data submitted for qualification for a contract, lease, agreement or other benefit until and unless that person or organization is awarded the contract, lease, agreement or benefit. Information provided which is covered by this Section will be made available to the public upon request.

29.14. Conflicts of Interest. Through its execution of this Lease, Tenant acknowledges that it is familiar with the provisions of Article III, Chapter 2 of Campaign and Governmental Conduct Code, and Sections 87100 et seq. and Sections 1090 et seq. of the California Government Code, and certifies that it does not know of any facts which would constitute a violation of these provisions, and agrees that if Tenant becomes aware of any such fact during the Term, Tenant shall immediately notify the Port.

29.15. Drug-Free Workplace. Tenant acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1988 (41 U.S.C. §§ 8101 et seq.), the unlawful manufacture, distribution, possession or use of a controlled substance is prohibited on City or Port premises.

29.16. Prevailing Wages and Working Conditions. Tenant shall comply with all applicable prevailing wage requirements, including but not limited to any such requirements in the California Labor Code, the City and County of San Francisco Charter or the City and County of San Francisco Municipal Code. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Tenant shall require its contractors and subcontractors performing (i) labor in connection with a “public work” as defined under California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling work if paid for in whole or part out of public funds) or (ii) Covered Construction to: (A) pay workers performing such work not less than the highest prevailing rate of wages, (B) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (C) employ apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, “**Prevailing Wage Requirements**”). Tenant agrees to cooperate with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Prevailing Wage Requirements.

Tenant shall include and shall require its subtenants, and contractors and subcontractors (regardless of tier), to include the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any contractor or subcontractor in accordance with San Francisco Administrative Code Section 23.61. Tenant’s failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor’s or subcontractor’s failure to comply with this Section will enable the City to seek any remedy provided by Law, including those specified in San Francisco Administrative Code Section 23.61 against the breaching party.

Tenant shall also pay, and shall require its subtenants, and contractors and subcontractors (regardless of tier) to pay, the Prevailing Rate of Wage for the following activities on the Premises as set forth in and to the extent required by San Francisco Labor and Employment Code Division II, Article 102 (formerly Administrative Code Chapter 21C): a Public Off-Street Parking Lot, Garage or Automobile Storage Facility (as defined in Section 102.3), a Show (as defined in Section 102.4), a Special Event (as defined in Section 102.8), Broadcast Services (as defined in Section 102.9), Commercial Vehicles, Loading and Unloading for Shows and Special Events (as defined in Section 102.10), and Security Guard Services for Events (as defined in Section 102.11).

29.17. Public Transit Information. Tenant shall establish and carry on during the Term a program to encourage maximum use of public transportation by personnel of Tenant employed on the Premises, including, without limitation, the distribution to such employees of written materials explaining the convenience and availability of public transportation facilities adjacent or proximate to the Facility and encouraging use of such facilities, all at Tenant's sole expense.

29.18. Food Service and Packaging Waste Reduction Ordinance. Tenant agrees to comply fully with and be bound by all of the provisions of the Food Service and Packaging Waste Reduction Ordinance, as set forth in Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. By entering into this Lease, Tenant agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Tenant agrees that the sum of one hundred dollars (\$100.00) liquidated damages for the first breach, two hundred dollars (\$200.00) liquidated damages for the second breach in the same year, and five hundred dollars (\$500.00) liquidated damages for subsequent breaches in the same year is a reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Lease was made. Such amounts shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Tenant's failure to comply with this provision.

29.19. Consideration Of Criminal History In Hiring And Employment Decisions

(a) Tenant agrees to comply with and be bound by all of the provisions of San Francisco Administrative Code Chapter 12T (Criminal History in Hiring and Employment Decisions; "**Chapter 12T**"), which are hereby incorporated, including the remedies and implementing regulations as may be amended from time to time, with respect to applicants and employees of Tenant who would be or are performing work at the Premises.

(b) Tenant shall incorporate by reference the provisions of Chapter 12T in all subleases of some or all of the Premises, and shall require all subtenants to comply with such provisions. Tenant's failure to comply with the obligations in this subsection shall constitute a material breach of this Lease.

(c) Tenant and subtenants shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant's or potential applicant for employment, or employee's: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(d) Tenant and subtenants shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection (c) above. Tenant and subtenants shall not require such disclosure or make such inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(e) Tenant and subtenants shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment with Tenant or subtenant at the Premises, that the Tenant or subtenant will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Article 142.

(f) Tenant and subtenants shall post the notice prepared by OLSE, available on OLSE's website, in a conspicuous place at the Premises and at other workplaces within San

Francisco where interviews for job opportunities at the Premises occur. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the Premises or other workplace at which it is posted.

(g) Tenant and subtenants understand and agree that upon any failure to comply with the requirements of Article 142, the City shall have the right to pursue any rights or remedies available under Article 142 or this Lease, including but not limited to a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Lease.

(h) If Tenant has any questions about the applicability of Article 142, it may contact Port for additional information. Port may consult with the Director of the City's Office of Contract Administration who may also grant a waiver, as set forth in Section 142.8.

29.20. Local Hire. Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.62 (the "**Local Hiring Requirements**"). Tenant Improvements and Alterations under this Lease are subject to the Local Hiring Requirements unless the cost for such work is (i) estimated to be less than \$750,000 per building permit; (ii) is in connection with the set-up, execution and strike of special events of three (3) or fewer days costing in excess of the Threshold Amount; or (iii) meets any of the other exemptions in the Local Hiring Requirements. Tenant agrees that it will comply with the Local Hiring Requirements to the extent applicable. Before starting any Tenant Improvements or Alterations, Tenant shall contact City's Office of Economic Workforce and Development ("**OEWD**") to determine whether the work is a Covered Project subject to the Local Hiring Requirements.

Tenant shall include, and shall require its subtenants to include, a requirement to comply with the Local Hiring Requirements in any contract for a Covered Project with specific reference to San Francisco Administrative Code Section 23.62. Each such contract shall name the City and County of San Francisco as a third party beneficiary for the limited purpose of enforcing the Local Hiring Requirements, including the right to file charges and seek penalties. Tenant shall cooperate, and require its subtenants to cooperate, with the City in any action or proceeding against a contractor or subcontractor that fails to comply with the Local Hiring Requirements when required. Tenant's failure to comply with its obligations under this Section shall constitute a material breach of this Lease. A contractor's or subcontractor's failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.62 against the breaching party.

29.21. San Francisco Bottled Water Ordinance. Tenant is subject to all applicable provisions of Environment Code Chapter 24 (which are hereby incorporated) prohibiting the sale or distribution of drinking water specified containers at City-permitted events held on the Premises with attendance of more than 100 people, except as otherwise set forth in Environmental Code Chapter 24.

29.22. Vending Machines; Nutritional Standards and Calorie Labeling Requirements; Offerings. Tenant shall not install or permit any vending machine on the Premises without the prior written consent of Port. Any permitted vending machine must comply with the food and beverage nutritional standards and calorie labeling requirements set forth in San Francisco Administrative Code section 4.9- 1(c), as may be amended from time to time (the "**Nutritional Standards Requirements**"). Tenant agrees to incorporate the Nutritional Standards Requirements into any contract for the installation of a vending machine on the Premises or for the supply of food and beverages to that vending machine. Failure to comply with the Nutritional Standards Requirements or to otherwise comply with this Section shall be deemed a material breach of this Lease. Without limiting Port's other rights and remedies under this Lease, Port shall have the right to require the immediate removal of any vending machine on the Premises that is not

permitted or that violates the Nutritional Standards Requirements. In addition, any Restaurant including any employee eating establishment located on the Premises is encouraged to ensure that at least twenty-five percent (25%) of Meals (as capitalized terms are defined in San Francisco Administrative Code section 4.9-1) offered on the menu meet the nutritional standards set forth in San Francisco Administrative Code section 4.9-1(e), as may be amended.

29.23. Employee Signature Authorization Ordinance. The City has adopted an Employee Signature Authorization Ordinance (S.F. Admin Code Sections 23.50-23.56). That ordinance requires employers of employees in hotel or restaurant projects on public property with fifty (50) or more employees (whether full-time or part-time) to enter into a “card check” agreement with a labor union regarding the preference of employees to be represented by a labor union to act as their exclusive bargaining representative. Tenant shall comply with the requirements of such ordinance, if applicable, including, without limitation, any requirements in the ordinance with respect to its Subtenants or operators.

29.24. Tenant’s Compliance with City Business and Tax Regulations Code. Tenant acknowledges that under Section 6.10-2 of the San Francisco Business and Tax Regulations Code, the City Treasurer and Tax Collector may require the withholding of payments to any vendor that is delinquent in the payment of any amounts that the vendor is required to pay the City under the San Francisco Business and Tax Regulations Code. If, under that authority, any payment Port is required to make to Tenant under this Lease is withheld, then Port will not be in breach or default under this Lease, and the Treasurer and Tax Collector will authorize release of any payments withheld under this Section 29.24 to Tenant, without interest, late fees, penalties, or other charges, upon Tenant coming back into compliance with its San Francisco Business and Tax Regulations Code obligations.

29.25. Consideration of Salary History. Tenant shall comply with San Francisco Labor and Employment Code Division II, Article 141 (formerly Administrative Code Chapter 12K), the Consideration of Salary History Ordinance or “Pay Parity Act.” For each employment application to Tenant for work that relates to this Lease or for work to be performed in the City or on City property, Tenant is prohibited from considering current or past salary of an applicant in determining whether to hire the applicant or what salary to offer the applicant. Tenant shall not (1) ask such applicants about their current or past salary or (2) disclose a current or former employee’s salary history without that employee’s authorization unless the salary history is publicly available. Tenant is subject to the enforcement and penalty provisions in Article 141. Information about Article 141 is available on the web at <https://sfgov.org/olse/consideration-salary-history>.

30. NOTICES.

Except as otherwise expressly provided in this Lease or by Law, all notices (including notice of consent or non-consent) required or permitted by this Lease or by Law must be in writing and be delivered by: (a) hand delivery; (b) first class United States mail, postage prepaid; or (c) overnight delivery by a nationally recognized courier or the United State Postal Service, delivery charges prepaid. Notices to a party must be delivered to that party’s mailing address in the Basic Lease Information, unless superseded by a notice of a change in that party’s mailing address for notices, given to the other party in the manner provided above, or by information provided by Tenant in Tenant’s written response to Port’s written request for such information.

All notices under this Lease shall be deemed to be duly delivered: (a) on the date personal delivery actually occurs; (b) if mailed, on the business day following the business day deposited in the United States mail or, if mailed return receipt requested, on the date of delivery or on which delivery is refused as shown on the return receipt; or (c) the business day after the business day deposited for overnight delivery.

Notices may not be given by facsimile or electronic mail, but either party may deliver a courtesy copy of a notice by facsimile or electronic mail.

31. REPRESENTATIONS AND WARRANTIES OF TENANT

Tenant represents, warrants and covenants to Port as follows, as of the date hereof and as of the Commencement Date:

(a) Valid Existence, Good Standing. Tenant is a limited liability company duly formed and validly existing under the laws of the State of California. Tenant has the requisite power and authority to own its property and conduct its business as presently conducted. Tenant is in good standing in the State of California.

(b) Authority. Tenant has the requisite power and authority to execute and deliver this Lease and the agreements contemplated hereby and to carry out and perform all of the terms and covenants of this Lease and the agreements contemplated hereby to be performed by Tenant.

(c) No Limitation on Ability to Perform. To the actual knowledge of Tenant, no applicable Law prohibits Tenant's entry into this Lease or its performance hereunder. No consent, authorization or approval of, and no notice to or filing with, any governmental authority, regulatory body or other person is required for the due execution and delivery of this Lease by Tenant and Tenant's performance hereunder, except for consents, authorizations and approvals which have already been obtained, notices which have already been given and filings which have already been made. There are no undischarged judgments pending against Tenant, and Tenant has not received notice of the filing of any pending suit or proceedings against Tenant before any court, governmental agency, or arbitrator, which might materially adversely affect the enforceability of this Lease or the business, operations, assets or condition of Tenant.

(d) Valid Execution. The execution and delivery of this Lease and the performance by Tenant hereunder have been duly and validly authorized. When executed and delivered by Port and Tenant, this Lease will be a legal, valid and binding obligation of Tenant.

(e) Defaults. The execution, delivery and performance of this Lease (i) do not and will not violate or result in a violation of, contravene or conflict with, or constitute a default by Tenant under (A) any agreement, document or instrument to which Tenant is a party or by which Tenant is bound, (B) any Law applicable to Tenant or its business, or (C) the articles of organization or the operating agreement of Tenant, and (ii) do not result in the creation or imposition of any lien or other encumbrance upon the assets of Tenant, except as contemplated hereby.

(f) Financial Matters. Except to the extent disclosed to Port in writing, (i) Tenant is not in default under, and has not received written notice asserting that it is in default under, any agreement for borrowed money, (ii) Tenant has not filed a petition for relief under any chapter of the U.S. Bankruptcy Code, (iii) to Tenant's knowledge, no involuntary petition naming Tenant as debtor has been filed under any chapter of the U.S. Bankruptcy Code, and (iv) Tenant has not suffered any material adverse change to its financial condition that could reasonably effect its ability to perform its obligations under this Lease.

The representations and warranties herein shall survive any termination of this Lease.

32. MISCELLANEOUS PROVISIONS.

32.1. California Law; Venue. This Lease is governed by, and shall be construed and interpreted in accordance with, the Laws of the State of California and City's Charter. Any legal suit, action, or proceeding arising out of or relating to this Lease shall be instituted in the Superior Court for the City and County of San Francisco, and each party agrees to the exclusive jurisdiction of such court in any such suit, action, or proceeding (excluding bankruptcy matters). The parties irrevocably and unconditionally waive any objection to the laying of venue of any suit, action, or proceeding in such court and irrevocably waive and agree not to plead or claim that any suit, action, or proceeding brought in San Francisco Superior Court relating to this Lease

has been brought in an inconvenient forum. The parties also unconditionally and irrevocably waive any right to remove any such suit, action, or proceeding to Federal Court.

32.2. Entire Agreement. This Lease contains all of the representations and the entire agreement between the parties with respect to the subject matter of this Lease. Any prior correspondence, memoranda, agreements, warranties, or representations, whether written or oral, relating to such subject matter are superseded in total by this Lease. No prior drafts of this Lease or changes from those drafts to the executed version of this Lease shall be introduced as evidence in any litigation or other dispute resolution proceeding by any party or other person, and no court or other body should consider those drafts in interpreting this Lease.

32.3. Amendments. No amendment of this Lease or any part thereof shall be valid unless it is in writing and signed by all of the parties hereto.

32.4. Severability. If any provision of this Lease or the application thereof to any person, entity or circumstance shall, to any extent, be invalid or unenforceable, the remainder of this Lease, or the application of such provision to persons, entities or circumstances other than those as to which is invalid or unenforceable, shall not be affected thereby, and each other provision of this Lease shall be valid and be enforceable to the fullest extent permitted by law.

32.5. Interpretation of Lease.

(a) References in this Lease to Tenant's acts or omissions will mean acts or omissions by Tenant and its Agents and Invitees unless the context requires or specifically stated otherwise.

(b) Whenever an exhibit or schedule is referenced, it means an attachment to this Lease unless otherwise specifically identified. All exhibits and schedules are incorporated in this Lease by reference.

(c) Whenever a section, article or paragraph is referenced, it refers to this Lease unless otherwise specifically provided. The captions preceding the articles and sections of this Lease and in the table of contents have been inserted for convenience of reference only and must be disregarded in the construction and interpretation of this Lease. Wherever reference is made to any provision, term, or matter "in this Lease," "herein" or "hereof" or words of similar import, the reference will be deemed to refer to any reasonably related provisions of this Lease in the context of the reference, unless the reference refers solely to a specific numbered or lettered article, section, subdivision, or paragraph of this Lease.

(d) References to all Laws, including specific statutes, relating to the rights and obligations of either party mean the Laws in effect on the effective date of this Lease and as they are amended, replaced, supplemented, clarified, corrected, or superseded at any time during the Term or while any obligations under this Lease are outstanding, whether or not foreseen or contemplated by the parties. References to specific code sections mean San Francisco ordinances unless otherwise specified.

(e) The terms "include," "included," "including" and "such as" or words of similar import when following any general term, statement, or matter may not be construed to limit the term, statement, or matter to the specific items or matters, whether or not language of non-limitation is used, but will be deemed to refer to all other items or matters that could reasonably fall within the broadest possible scope of the term, statement, or matter, and will be deemed to be followed by the phrase "without limitation" or "but not limited to."

(f) This Lease has been negotiated at arm's length between persons sophisticated and knowledgeable in the matters addressed. In addition, each party has been represented by experienced and knowledgeable legal counsel, or has had the opportunity to consult with counsel. Accordingly, the provisions of this Lease must be construed as a whole according to their common meaning in order to achieve the intents and purposes of the parties,

without any presumption (including a presumption under California Civil Code § 1654) against the party responsible for drafting any part of this Lease.

(g) The party on which any obligation is imposed in this Lease will be solely responsible for paying all costs and expenses incurred in performing the obligation, unless the provision imposing the obligation specifically provides otherwise.

(h) Whenever required by the context, the singular includes the plural and vice versa, the masculine gender includes the feminine or neuter genders and vice versa, and defined terms encompass all correlating forms of the terms (e.g., the definition of “waive” applies to “waiver,” “waivers,” “waived,” “waiving,” etc.).

(i) References to days mean calendar days unless otherwise specified, provided that if the last day on which a party must give notice, respond to a notice, or take any other action under this Lease occurs on a day that is not a business day, the date by which the act must be performed will be extended to the next business day.

32.6. Successors. The terms, covenants, agreements and conditions set forth in this Lease shall bind and inure to the benefit of Port and Tenant and, except as otherwise provided herein, their personal representatives and successors and assigns.

32.7. Real Estate Broker's Fees. The Parties represent and warrant to the other that neither had any conversations or negotiations with any finder or broker concerning this Lease other than Maven Commercial, Inc. (“**Maven**”). Port will not pay, nor will Port be liable or responsible for, any finder's or broker's fee in connection with this Lease, except those payable to Maven. Port shall pay any commission with respect to this Lease due to Maven. Each Party agrees to Indemnify the other Party from any Claims, including attorneys' fees, of any person(s), finder(s), or broker(s) to a commission in connection with this Lease, other than by Maven.

32.8. Counterparts. For convenience, the signatures of the parties to this Lease may be executed and acknowledged on separate pages which, when attached to this Lease, shall constitute one complete Lease. This Lease may be executed in any number of counterparts each of which shall be deemed to be an original and all of which shall constitute one and the same Lease.

32.9. Authority. Tenant hereby covenants and warrants that (A) each of the persons executing this Lease on behalf of Tenant is duly authorized to execute this Lease and (B) Tenant is at the time of execution and at all times while this Lease is in effect will continue to be: (1) a duly authorized and existing entity, (2) qualified to do business in California; and that Tenant has full right and authority to enter into this Lease. Upon Port's request, Tenant shall provide Port with evidence reasonably satisfactory to Port confirming the foregoing representations and warranties, and covenants.

32.10. No Implied Waiver. No failure by either Party to insist upon the strict performance of any obligation of the other Party under this Lease or to exercise any right, power or remedy arising out of a breach thereof, irrespective of the length of time for which such failure continues, and no acceptance of full or partial Rent during the continuance of any such breach shall constitute a waiver of such breach or of such Party's rights to demand strict compliance with such term, covenant or condition. Either Party's consent to or approval of any act by the other Party requiring consent or approval shall not be deemed to waive or render unnecessary consent to or approval of any subsequent act. Any waiver by either Party of any default must be in writing and shall not be a waiver of any other default (including any future default) concerning the same or any other provision of this Lease.

32.11. Time is of Essence. Time is of the essence with respect to all provisions of this Lease in which a definite time for performance is specified.

32.12. Cumulative Remedies. All rights and remedies of either party hereto set forth in this Lease shall be cumulative, except as may otherwise be provided herein.

32.13. Survival of Indemnities. Termination or expiration of this Lease shall not affect the right of either party to enforce any and all indemnities and representations and warranties given or made to the other party under this Lease, the ability to collect any sums due, nor shall it affect any provision of this Lease that expressly states it shall survive termination or expiration hereof.

32.14. Relationship of the Parties. Port is not, and none of the provisions in this Lease shall be deemed to render Port, a partner in Tenant's business, or joint venturer or member in any joint enterprise with Tenant. Neither party shall act as the agent of the other party in any respect hereunder. This Lease is not intended nor shall it be construed to create any third party beneficiary rights in any third party, unless otherwise expressly provided.

32.15. No Recording. Tenant shall not record this Lease or any memorandum hereof in the Official Records.

32.16. Additional Written Agreement Required. Tenant expressly agrees and acknowledges that no officer, director, or employee of Port or City is authorized to offer or promise, nor is Port or the City required to honor, any offered or promised rent credit, concession, abatement, or any other form of monetary consideration (individually and collectively, "Concession") without a written agreement executed by the Executive Director of Port or his or her designee authorizing such Concession and, if applicable, certification of the Concession from the City's Controller.

33. LIMITATION ON DAMAGES.

33.1. No Recourse Beyond Value of Premises. Notwithstanding anything to the contrary contained in this Lease, Tenant agrees that Tenant will have no recourse with respect to, and Port shall not be liable for, any obligation of Port under this Lease, or for any claim based upon this Lease, except to the extent of the fair market value of Port's fee interest in the Premises (as encumbered by this Lease). Tenant shall look solely to the fair market value of Port's fee interest in the Premises for the recovery of any judgment or award. By Tenant's execution and delivery hereof and as part of the consideration for Port's obligations hereunder, Tenant expressly waives all other liability. Before filing suit for an alleged default by Port, Tenant shall give Port notice and reasonable time to cure the alleged default.

33.2. Non-Liability of City Officials, Employees and Agents. No elective or appointive board, commission, member, officer, employee or other Agent of City and/or Port shall be personally liable to Tenant, its successors and assigns, in the event of any default or breach by City and/or Port or for any amount which may become due to Tenant, its successors and assigns, or for any obligation of City and/or Port under this Lease. Under no circumstances shall Port, City, or their respective Agents be liable under any circumstances for any consequential, incidental or punitive damages.

33.3. Limitation on Port's Liability Upon Transfer. In the event of any transfer of Port's interest in and to the Facility, Port (and in case of any subsequent transfers, the then transferor), subject to the provisions hereof, will be automatically relieved from and after the date of such transfer of all liability with regard to the performance of any covenants or obligations contained in this Lease thereafter to be performed on the part of Port to the extent assumed by the transferee, but not from liability incurred by Port (or such transferor, as the case may be) on account of covenants or obligations to be performed by Port (or such transferor, as the case may be) hereunder before the date of such transfer.

34. TENANT ESTOPPEL CERTIFICATES.

Tenant, at any time and from time to time upon not less than ten (10) days' prior notice from Port, shall execute and deliver to Port or to any party designated by Port a certificate in substantially the same form as that attached to this Lease as ***Exhibit J***. If Tenant shall fail to provide such certificate within fifteen (15) days of receipt by Tenant of a written request by Port as herein provided, such failure shall, at Port's election, constitute a default under this Lease, and Tenant shall be deemed to have admitted the accuracy of any information supplied by Port to a prospective purchaser or mortgagee.

35. APPROVAL OF BOARD OF SUPERVISORS.

NOTWITHSTANDING ANYTHING TO THE CONTRARY CONTAINED IN THIS LEASE, TENANT ACKNOWLEDGES AND AGREES THAT NO OFFICER OR EMPLOYEE OF CITY HAS AUTHORITY TO COMMIT CITY TO THIS LEASE UNLESS AND UNTIL CITY'S BOARD OF SUPERVISORS SHALL HAVE DULY ADOPTED A RESOLUTION APPROVING THIS LEASE AND AUTHORIZING THE TRANSACTIONS CONTEMPLATED HEREBY. THEREFORE, ANY OBLIGATIONS OR LIABILITIES OF CITY HEREUNDER ARE CONTINGENT UPON ADOPTION OF SUCH A RESOLUTION, AND THIS LEASE SHALL BE NULL AND VOID IF CITY'S MAYOR AND THE BOARD OF SUPERVISORS DO NOT APPROVE THIS LEASE, IN THEIR RESPECTIVE SOLE DISCRETION. APPROVAL OF THIS LEASE BY ANY DEPARTMENT, COMMISSION OR AGENCY OF CITY SHALL NOT BE DEEMED TO IMPLY THAT SUCH RESOLUTION WILL BE ENACTED, NOR WILL ANY SUCH APPROVAL CREATE ANY BINDING OBLIGATIONS ON CITY.

WORK LETTER

This Work Letter sets forth Tenant's obligation to perform the Initial Tenant Work and shall be deemed part of the Lease. The "**Initial Tenant Work**" is described in the Basic Lease Information, the Scope of Work attached to this Work Letter, and associated Port Building Permits and any amendments thereto, if any. Port's obligations in this Work Letter is in its capacity as a landowner with a proprietary interest in the Premises and not as a Regulatory Agency of the City with certain police powers. Port is in no way modifying or limiting the Port's Chief Harbor Engineer's regulatory authority or obligations.

1. GENERAL TERMS

1.1. Definitions. Initially capitalized terms used in this Work Letter have the meanings given them when first defined. Any initially capitalized words or acronyms used but not defined in this Work Letter shall have the same meanings as in the Lease.

1.2. Relationship between Work Letter and the Lease. This Work Letter governs Tenant's obligations to perform the Initial Tenant Work within the time frame set forth herein. Before the termination of this Work Letter, this Work Letter shall control in the event of any inconsistency between this Work Letter and the Lease. Upon expiry of this Work Letter, the Lease alone will govern the rights and obligations of the parties with respect to use and occupancy of the Premises.

1.3. Term. This Work Letter shall commence and become effective as of the Lease Commencement Date and shall expire on the Completion Date as defined below.

1.4. Lease Provisions. The provisions of the Lease, except where clearly inconsistent or inapplicable to this Work Letter, are incorporated into this Work Letter.

1.5. Extensions by Port. Upon the request of Tenant, Port's Executive Director may, by written instrument, extend the time for Tenant's performance of any term, covenant or condition of this Work Letter or permit the curing of any default of this Work Letter upon such terms and conditions as she or he determines appropriate, including but not limited to the time within which Tenant must perform such terms and/or conditions, provided, however, that any such extension or permissive curing of any particular default will not operate to relieve Tenant of its obligations to pay Rent or release any of Tenant's obligations nor constitute a waiver of Port's rights with respect to any other term, covenant or condition of this Work Letter or the Lease or any other default in, or breach of, the Work Letter or the Lease or otherwise effect the time with respect to the extended date or other dates for performance hereunder. Notwithstanding the foregoing, the Port's Executive Director, in her sole discretion, may waive any defaults or breaches of this Work Letter or the Lease otherwise resulting from the extension of time for performance under this Work Letter.

2. PERFORMANCE OF THE INITIAL TENANT WORK

2.1. Tenant's Obligations.

(a) Project Requirements. Tenant hereby agrees for itself, successors, and assignees, to use commercially reasonable efforts to Complete performance of the Initial Tenant Work within two hundred seventy (270) days of the Lease Commencement Date ("**Outside Completion Date**"). Tenant shall Complete said work free of claims, demands, actions and liens for labor, materials or equipment furnished for the construction, and shall be performed in accordance with applicable requirements of (i) all Laws; (ii) this Work Letter, including the Scope of Work and if applicable, the Schematic Drawings; (iii) the Port Building Code as applicable; (iv) required Regulatory Approvals; (v) the Waterfront Land Use Plan; (vi) the design approved by the Port and, if required, the Planning Commission, pursuant to Section 240

of the Planning Code; and (vii) the Lease including without limitation Section 17 thereof. All such requirements are sometimes referred to collectively as the “**Project Requirements.**”

(b) **Scope of Work; Schedule of Performance.** Tenant shall use commercially reasonable efforts to Complete or cause to be Completed the Initial Tenant Work on the Premises within the times and in the manner set forth in this Work Letter and the Scope of Work comprised of the Schedule of Performance and the preliminary plans and narrative description of the work (collectively, the “**Scope of Development**”) attached hereto as ***Attachment 1***. All the Initial Tenant Work shall be accomplished expeditiously, diligently and in accordance with good construction and engineering practices and applicable Laws. Tenant shall undertake commercially reasonable measures to minimize damage, disruption or inconvenience caused by such work and make adequate provision for the safety and convenience of all persons affected by such work. Tenant, while performing any of the Initial Tenant Work, shall undertake commercially reasonable measures in accordance with good construction practices to minimize the risk of injury or damage to adjoining tenants, properties and improvements, or the risk of injury to members of the public, caused by or resulting from the performance of such construction.

(c) **Costs; Private Development.** Tenant shall bear all of the cost of performing all the Initial Tenant Work, subject to reimbursement up to the TI Allowance for Eligible Allowance Items. Without limiting the foregoing, Tenant shall be responsible for performing all Premises preparation work necessary for performance of the Initial Tenant Work. Such preparation of the Premises shall include, among other things, asbestos and lead abatement investigation required for use of the Premises for the Permitted Use, and if required in this Lease, all structure and substructure work, disabled access improvements and public access improvements and tenant improvements.

2.2. Utilities. Tenant, at its sole expense, shall arrange for the provision and construction of all on-Premises utilities necessary to use the Premises for the Permitted Use. Tenant and Port shall coordinate, if necessary, with respect to installation of any off-Premises utility infrastructure and design of Initial Tenant Work, including providing advance notice of trenching requirements, and coordinate any modification of utilities to any adjacent Port tenants or uses.

2.3. Submittals after Completion. If applicable, Tenant shall furnish Port both design/permit drawings in their finalized form and “**As-Built**” Drawings, specifications and surveys with respect to the Premises (core and shell, and tenant improvements) within sixty (60) days after Completion of the Initial Tenant Work. If Tenant fails to provide such surveys and as-built plans and specifications to Port within such period of time, Port after giving notice to Tenant shall have the right, but not the obligation, to cause the preparation by an architect of Port’s choice of final surveys and as-built plans and specifications, at Tenant’s sole cost, to be paid by Tenant to Port within thirty (30) days after Port’s written request therefor.

2.4. Insurance. At all times during the performance of the Initial Tenant Work, in addition to the insurance required to be maintained by Tenant under the Lease, Tenant shall require Tenant’s contractor to maintain (a) commercial general liability insurance with limits of not less than One Million Dollars (\$1,000,000) combined single limit for bodily injury and property damage (including personal injury and death), and contractor’s protective liability; and products and completed operations coverage in an amount not less than Five Hundred Thousand Dollars (\$500,000) per incident, One Million Dollars (\$1,000,000) in the aggregate; (b) comprehensive automobile liability insurance with a policy limit of not less than One Million Dollars (\$1,000,000) each accident for bodily injury and property damage, providing coverage at least as broad as the Insurance Services Office (ISO) Business Auto Coverage form covering Automobile Liability, “**any auto**”, and insuring against all loss in connection with the ownership, maintenance and operation of automotive equipment that is owned, hired or non-owned; (c) workers’ compensation with statutory limits and employer’s liability insurance with limits of not

less than One Hundred Thousand Dollars (\$100,000) per accident, Five Hundred Thousand Dollars (\$500,000) aggregate disease coverage and One Hundred Thousand Dollars (\$100,000) disease coverage per employee. Tenant shall cause Tenant's Agents (other than Tenant's contractor) to carry such insurance as shall be reasonably approved by Port taking into account the nature and scope of the work and industry custom and practice. In addition, Tenant shall carry "**Builder's All Risk**" insurance covering performance of the Initial Tenant Work as set forth in the Lease. The liability insurance shall be written on an "**occurrence**" basis and shall name Port as additional insureds (by endorsement reasonably acceptable to Port). All of the insurance required to be carried by Tenant or Tenant's Agents hereunder shall provide that it is primary insurance, and not excess over or contributory with any other valid, existing, and applicable insurance in force for or on behalf of Port, shall provide that Port shall receive thirty (30) days' written notice from the insurer prior to any cancellation or change of coverage, and shall be placed with companies which are rated A-VIII or better by Best's Insurance Guide and licensed to business in the State of California. All deductibles and self-insured retentions under Tenant's policies are subject to Port's reasonable approval, and all insurance, except workers' compensation, maintained by Tenant's Agents shall preclude subrogation claims by the insurer against anyone insured thereunder. Tenant's compliance with the provisions of this Section 2.4 shall in no way limit Tenant's liability under any of the other provisions of this Work Letter or the Lease.

2.5. Performance Bond. At least five (5) business days prior the start of construction, Tenant shall provide Port, at Tenant's sole cost and expense, (i) a corporate surety payment bond and a performance bond substantially in the form attached hereto as **Attachment 2** obtained by each of Tenant's contractors performing on the Initial Tenant Work or, (ii) a financial guarantee, in a form approved by Port in its sole discretion, from a third party with liquid assets in an amount of no less than One Hundred (100%) of the cost of the Initial Tenant Work, net of the TI Allowance. Each bond shall be in an amount equal to one hundred percent (100%) of the estimated costs of the Initial Tenant Work, net of the TI Allowance. Each performance bond shall guarantee the contractor's faithful performance of its contract(s) with Tenant. Each payment bond shall guarantee the Contractor's payment of labor, materials, supplies and equipment used in the performance of its contract(s) with Tenant. The bonds are intended to help protect the Port against any liability for mechanics' and materialmen's liens, stop notices and to ensure completion of the work. Corporate sureties issuing these bonds shall be legally authorized to engage in the business of furnishing surety bonds in the State of California. All sureties shall have a current A.M. Best Rating not less than A-, VIII. Each corporate surety bond shall obligate the surety to Tenant and the City and County of San Francisco as co-obligees.

2.6. Compliance with Laws. At its sole cost and expense, Tenant shall comply (taking into account any variances or other deviations properly approved) with: (i) all Laws; (ii) all Regulatory Approvals required for the Initial Tenant Work; (iii) all requirements of all policies of insurance which may be applicable to the Premises as to the Initial Tenant Work or Tenant's Personal Property; and (iv) all other applicable Project Requirements. It is expressly understood and agreed that the performance required of Tenant by the preceding sentence shall include the obligation to make, at Tenant's sole cost and expense, all additions to, modifications of, and installations on the Premises which may be required by any Laws regulating the Premises or any insurance policies covering the Premises as to the Initial Tenant Work or Tenant's Personal Property. Tenant shall, promptly upon request, provide Port with reasonable evidence of compliance with Tenant's obligations under this Section.

2.7. Port and Other Governmental Permits. Tenant has the sole responsibility, at its sole cost and expense, for obtaining all necessary permits for the Initial Tenant Work and shall make application for such permits directly to the applicable Regulatory Agency; provided, however, that where Port is required to act as a co-permittee for any permit Tenant shall apply for such permit in accordance with **Section 10.2** of the Lease.

2.8. Port Rights of Access. Port will provide Tenant promptly upon request with a copy of any written reports prepared by Port or its Agents with respect to the Initial Tenant Work under any such inspection, subject to withholding documents otherwise privileged or confidential. Port disclaims any warranties, representations and statements made in any such reports, will have no liability or responsibility with respect to any such warranties, representations and statements, and will not be estopped from taking any action (including, but not limited to, later claiming that the Initial Tenant Work is defective, unauthorized or incomplete) nor be required to take any action as a result of any such inspection.

Each of the Construction Document stages is intended to constitute a further development and refinement from the previous stage. The elements of the Preliminary Construction Documents requiring Port’s approval shall be in substantial conformance with the Schematic Drawings and the Scope of Development, and shall incorporate conditions, modifications and changes specified by Port or required as a condition of Regulatory Approvals as approved by Port. 3.3. Construction Document Review Procedures.

(a) Method of Port Action/Prior Approvals. Port shall approve, disapprove or approve conditionally the Construction Documents, in writing, in accordance with the Schedule of Performance, but, in any event, within thirty (30) days after submittal, so long as the applicable Construction Documents are properly submitted in accordance with the Schedule of Performance. If Port fails to either approve or disapprove within five (5) business days after Tenant’s second written request made to Port after such thirty (30) day period, the applicable Construction Documents shall be deemed disapproved.

(b) Timing of Port Disapproval/ Conditional Approval and Tenant Resubmission. If Port disapproves of the Construction Documents in whole or in part, Port in the written disapproval shall state the reason or reasons and may recommend changes and make other recommendations. If Port conditionally approves the Construction Documents in whole or in part, the conditions shall be stated in writing and a time shall be stated for satisfying the conditions. Tenant shall make a resubmittal as expeditiously as possible. Tenant may continue making resubmissions until the approval of the submissions or the time specified in any conditional approval.

3.4. *Changes in Construction Documents.*

(a) Approval of Changes in Construction Documents. Tenant shall not make or cause to be made any material changes in any Port-approved Construction Documents without Port's express written approval in its reasonable discretion as provided in Section 3.4(b) below. Prior to making any changes that Tenant considers to be non-material to any Port-approved Construction Documents, including, without limitation, substituting materials which are the architectural equivalent as to aesthetic appearance, quality, color, design and texture, Tenant shall notify Port in writing. If Port in its reasonable discretion determines that such noticed changes are material, then such changes shall be subject to Port's approval under Section 3.4(b). Port's determination of whether such changes are material will be conclusive. Without otherwise limiting the requirements of this Section 3.4(a), any changes that cost Five Thousand Dollars (\$5,000.00) or less in the aggregate and that would not otherwise affect the structural elements of the Initial Tenant Work shall be presumed to be non-material changes.

(b) Response. Tenant shall request in writing Port's approval in connection with all material changes to the Construction Documents. Port shall respond to Tenant in writing within thirty (30) days after receipt of Tenant's request. If Port fails to respond within five (5) business days after Tenant's second written request made to Port after the thirty (30) day period, such changes will be deemed disapproved.

Port staff and Tenant (and its applicable consultants) agree to communicate and consult informally as frequently as is reasonably necessary to assure that the formal submittal of any Construction Documents to Port can receive prompt and speedy consideration.

4. NO DELAY EXCEPT FORCE MAJEURE

4.1. *Completion.* Tenant shall use commercially reasonable efforts to commence, prosecute and Complete the Initial Tenant Work by the dates set forth in the Schedule of Performance. During performance of the Initial Tenant Work, Tenant shall submit written progress reports to City upon Port's request, in form and detail as may be required reasonably by Port.

4.2. *Force Majeure.* Tenant's obligation to Complete the Initial Tenant Work as set forth in **Section 4.1** above shall be subject to Force Majeure, but shall be otherwise final and absolute, and shall not be subject to Port delays, Regulatory Approval delays or any other delays.

4.3. *Port's Remedy for Tenant's Failure to Timely Complete.* At Port's election, in its sole discretion, in the event Tenant fails to Complete the Initial Tenant Work in a manner sufficient to cause Port to determine the Initial Tenant Work to be Completed within one (1) year of the Commencement Date, Tenant shall pay to Port an amount equaling Three Hundred Dollars (\$300.00) per day commencing on the date immediately following the one (1) year anniversary of the Commencement Date and shall continue at such rate until the Completion Date in addition to the Rent that would otherwise be payable for such period. Under no circumstances shall these deadlines be extended due to Force Majeure, Port delays or other reasons.

THE PARTIES HAVE AGREED THAT PORT'S ACTUAL DAMAGES IN THE EVENT OF TENANT'S FAILURE TO COMPLETE CONSTRUCTION OF THE INITIAL TENANT IMPROVEMENTS BY THE OUTSIDE COMPLETION DATE WOULD BE EXTREMELY DIFFICULT OR IMPRACTICABLE TO DETERMINE. THEREFORE, BY PLACING THEIR INITIALS BELOW, THE PARTIES ACKNOWLEDGE THAT THEY HAVE AGREED UPON THE SUM SPECIFIED ABOVE, AFTER NEGOTIATION, AS THEIR REASONABLE ESTIMATE OF PORT'S DAMAGES IN SUCH EVENT.

5. COMPLETION

5.1. *Completion.*

(a) *Issuance Process.*

(i) Before the Completion Date, Tenant may not occupy the Premises except for construction purposes under this Work Letter or the Lease.

(ii) After the Completion Date, Tenant may request a determination of Completion for the Initial Tenant Work in writing. Port shall act on Tenant's request within sixty (60) days of receipt.

(iii) Port's determination that the Initial Tenant Work has been Completed does not relieve Tenant or any other Person from any obligations to secure or comply with any Regulatory Approval of any agency (including Port) that may be required for the occupancy or operation of the Initial Tenant Work.

(b) *Condition to Approval.* If there remain uncompleted (i) finishing details, minor omissions, decorations and mechanical adjustments of the type normally found on an architectural "punch list", (ii) landscaping, (iii) exterior finishes (to the extent Tenant can demonstrate to Port's reasonable satisfaction that such exterior finishes would be damaged during the course of later construction of Interior Improvements), or (iv) any other item that Port approves in writing in its sole and absolute discretion (collectively "Deferred Items"), Port may reasonably condition approval upon provision of security or other assurances in form, substance and amount satisfactory to Port that all the Deferred Items will be completed in a timely fashion. Such security may include a letter of credit (in a form and issued by an institution acceptable to Port) in the amount of one hundred ten percent (110%) of the cost of completion of the Deferred Items as reasonably determined by Port. The obligations set forth in this subsection shall survive a termination of the Lease.

(c) *Definition of Completed.* For purposes of this Work, "Completed" means completion by Tenant of all aspects of the Initial Tenant Work as the case may be in accordance with the Project Requirements, and in compliance with all Regulatory Approvals needed for the occupancy and use of the Premises for the Permitted Use or provision of security satisfactory to Port for Deferred Items under Section 5.1(b), and Port's sign off on the Job Card or other customary documentation of completion by the Port's Chief Harbor Engineer or his or her designee; provided, however, for portions of the Initial Tenant Work where sign off on the Job Card is not applicable (i.e. no building permit is required for such work), written approval from Port, in its proprietary capacity, that such portion of the Initial Tenant Work has been satisfactorily completed in Port's reasonable discretion. The "Completion Date" shall mean the date of Port's sign off on the Job Card or the date of the Port's Chief Harbor Engineer's or designee's written approval of completion of the Initial Tenant Work; provided, however, for portions of the Initial Tenant Work where sign off on the Job Card is not applicable (i.e. no building permit is required for such work), written approval from Port, in its proprietary capacity, that such portion of the Initial Tenant Work has been satisfactorily completed in Port's reasonable discretion.

6. TERMINATION OF LEASE

6.1. Plans and Data. If the Lease terminates as a result of an Event of Default by Tenant before Completion of the Initial Tenant Work, Tenant shall assign and deliver to Port (without cost to Port) any and all copies of reports in its possession regarding the Premises and all Construction Documents in the possession of or prepared for Tenant, for the contracting of the Initial Tenant Work within thirty (30) days after written demand from Port. Port may use said reports and Construction Documents for any purpose whatsoever relating to the Premises; provided, however, Port shall release Tenant and Tenant's contractor, architect, engineer, agents, employees and other consultants from any Losses arising out of Port's use of such reports and Construction Documents except to the extent such contractor, architect, engineer, agent, employee or other consultant is retained by Port to complete the Initial Tenant Work. Tenant shall include in all contracts and authorizations for services pertaining to the planning and design, if any, of the Initial Tenant Work an express agreement by the Person performing such services that Port may use such reports or Construction Documents as provided in this Section 6.1 without compensation or payment from Port in the event such reports or Construction Documents are used.

Documents are delivered to Port under the provisions of this Section 6.1, provided that Port agrees (i) not to remove the name of the preparer of such reports or Construction Documents without the preparer's written permission or (ii) to remove it at their written request.

6.2. Return of Premises. If the Lease terminates as a result of an Event of Default by Tenant before Completion of the Initial Tenant Work, Tenant shall, at its sole expense and as promptly as practicable, return the Premises to Port in a safe condition, and unless otherwise requested by Port, shall promptly remove all Improvements, loose building materials and debris present at the Premises resulting from Tenant's construction activities. Tenant shall obtain those permits customary and necessary to enter upon the Premises in order to complete such work and shall otherwise comply with applicable Law. In such event, Port shall cooperate with Tenant in Tenant's efforts to obtain such permits, provided that Port will not be required to expend any money or undertake any obligations in connection therewith. The provisions of this Section shall survive any termination of the Lease.

7. TENANT IMPROVEMENT ALLOWANCE

7.1. TI Allowance. Upon satisfaction of conditions for disbursement as set forth in this Tenant Work Letter, Tenant shall be entitled to a TI Allowance in the amount set forth in the Basic Lease Information for the costs relating to performance of the Scope of Work (the "Initial Tenant Work"). In no event shall Port be obligated to make disbursements in a total amount which exceeds the TI Allowance. Any unused portion of the TI Allowance remaining as of the date that is six (6) months following the Rent Commencement Date shall revert to Port and Tenant shall have no further right thereto.

7.2. Disbursement of TI Allowance.

(a) TI Allowance Items. The TI Allowance shall be disbursed by Port only for the items and costs described in the Scope of Work (collectively the "TI Allowance Items").

(b) Disbursement of TI Allowance. Tenant may request Port disburse the TI Allowance for cost of the Initial Tenant Work paid by Tenant, but in no event, more than once every calendar month. Port will authorize the release of funds from the TI Allowance for the benefit of Tenant as follows:

(i) Tenant shall have complied with all of the City Controller's requirements for Tenant to be deemed a City vendor, supplier, or other classification determined by the City Controller to enable Controller to issue Tenant a check for the applicable approved amount or disburse funds to Tenant electronically through systems used by Controller in Controller's discretion;

(ii) Tenant will comply with any other requirements or conditions imposed by the Controller related to disbursement of the TI Allowance to Tenant;

(iii) If any portion of the TI Allowance is funded through federal or other government sources, Tenant will comply with all conditions and restrictions, if any, on uses of such funds;

(iv) There is no uncured Tenant Event of Default; and

(v) Tenant shall deliver to Port: (i) a request for payment to Tenant, in a form to be provided by Port, detailing the work completed; (ii) invoices from all of Tenant's Agents (other than Tenant's contractor) for labor rendered and materials delivered to the Premises; (iii) properly executed mechanic's lien releases in compliance with both California Civil Code Section 8134 and either Section 8136 or Section 8138; (iv) if applicable and with respect to the final disbursement only, Tenant's architect delivers to Port a certificate, in a form reasonably acceptable to Port, certifying that the construction of the Initial Tenant Work in the Premises has been substantially completed in accordance with the Final Construction Drawings; (v) if applicable and with respect to the final disbursement only, Tenant delivers to Port a "close-out package" in both paper and electronic forms (including, as-built drawings, and final record CADD files for the associated plans, warranties and guarantees from all contractors, subcontractors and material suppliers, and an independent air balance report); (vi) if applicable and with respect to the final disbursement only, Tenant delivers to Port a certificate of occupancy for the Premises; (vii) all other information reasonably requested by Port; (viii) with respect to the final disbursement only, Tenant has opened for business in the Premises.

Without imposing any duty or obligation to do so, at Port's sole option, Port may inspect to determine if there is substandard work that would adversely affect the mechanical, electrical, plumbing, heating, ventilating and air conditioning, life-safety or other systems of the Premises, the structure or exterior appearance of the Premises, or any other tenant's use of such other tenant's leased premises located in proximity to the Premises. Tenant's request for payment shall be deemed Tenant's acceptance and approval of the work furnished and/or the materials supplied as set forth in Tenant's payment request. Provided that Port does not dispute the request for payment based on non-compliance of any work with the Final Construction Documents as that term is defined in **Section 3.1** of this Work Letter, or due to any substandard work, or for any other reason, Port shall deliver a check to Tenant made payable to Tenant in payment of the lesser of: (A) the amounts so requested by Tenant, less a ten percent (10%) retention (the aggregate amount of such retentions to be known as the "Final Retention") and (B) the balance of any remaining available portion of the TI Allowance (not including the Final Retention). Port's payment of such amounts shall not be deemed Port's approval or acceptance of the work furnished or materials supplied as set forth in Tenant's payment request. For avoidance of doubt, Tenant shall be solely responsible for further disbursing the TI Allowance funds and/or otherwise paying all invoices and sums owed to Tenant's Agents directly to such Tenant's Agents.

(vi) Other Terms. Port shall only be obligated to make disbursements from the TI Allowance to the extent funds are available and costs are incurred by Tenant for TI Allowance Items. All TI Allowance Items for which the TI Allowance has been made available shall be deemed Port's property under the terms of this Lease.

FEMA-National Flood Insurance Program Disclosure Notice

As part of the National Flood Insurance Program (“NFIP”), Federal Emergency Management Agency (“FEMA”) issued the final flood insurance rate maps (“FIRMs”) for City and County of San Francisco on September 23rd, 2020, concluding a process that had been going on for more than a decade. This is the first time FEMA mapped flood risks for the City and County of San Francisco. FIRMs were later adopted by the Board of Supervisors through Ordinance 226-20 (“Floodplain Management Program Ordinance”) and became effective on March 23, 2021.

Based on detailed studies of coastal flood hazards associated with San Francisco Bay and the Pacific Ocean, the final FIRMs designate portions of the City and County of San Francisco (“City”), including portions of the waterfront, Mission Bay, Islais Creek, Bayview Hunters Point, Hunters Point Shipyard, Candlestick Point, Treasure Island, San Francisco International Airport, and Ocean Beach, in coastal flood hazard areas. Referred to as “Special Flood Hazard Areas” (“SFHAs”), these areas are subject to inundation during a flood having a 1 percent chance of occurrence in any given year. They are shown as zones beginning with the letter “A” or “V” on the FIRMs. Port’s structures over water, including piers and wharfs, are designated as Zone D (area of undetermined flood hazard). Zone D areas are not subject to Building Code and NFIP regulation. Historic structures are also exempted from compliance under the NFIP.

Additionally, the San Francisco Public Utilities Commission (“SFPUC”) has prepared the 100-Year Storm Flood Risk Map to show areas where flooding is highly likely to occur on City streets during a 100-year rain storm. More information about this map, including a searchable web map, is available at <https://www.sfwater.org/floodmaps>. The SFPUC 100-Year Storm Flood Risk Map only shows flood risk from storm runoff and, floodproofing measures are not required at this time.

The SFPUC map does not consider flood risk in San Francisco from other causes, such as inundation from the San Francisco Bay or the Pacific Ocean, which are shown on the FIRMs that FEMA has prepared for San Francisco. Conversely, the FIRMs do not show flooding from storm runoff in San Francisco, because our historical creeks and other inland waterbodies have been built over and are no longer open waterways. In most areas, the flood hazards identified by SFPUC and FEMA are separate. There are a few areas, however, near the shoreline where SFPUC’s Flood Risk Zones overlap with the FEMA-designated floodplains.

The FIRM provides flood risk information for flood insurance and floodplain management purposes under the NFIP. The SFHAs, shown on the FIRM, may impact flood insurance requirements and rates, permitting, and building requirements for tenants and permit holders for property in designated SFHAs on the FIRM. Flood insurance is available through the NFIP and the private market. Flood insurance for Zone D areas is not available through NFIP. Pre-FIRM buildings of any type are not required to buy flood insurance. For more information on purchasing flood insurance, please contact your insurance agent.

City’s Floodplain Management Program ordinance is based on NFIP requirements. Under the ordinance, the Port and the City must regulate new construction and substantial improvements or repairs to structures in SFHAs to reduce the risk of flood damage. The requirements may include elevation or floodproofing of structures and attendant utilities.

MEMORANDUM

April 18, 2025

TO: MEMBERS, PORT COMMISSION
Hon. Kimberly Brandon, President
Hon. Gail Gilman, Vice President
Hon. Willie Adams
Hon. Stephen Engblom
Hon. Steven Lee

FROM: Elaine Forbes
Executive Director

SUBJECT: Request approval of a proposed new lease ("Lease No. L-17181" or "Lease") with 340 Jefferson Street Partners, LLC, a California limited liability company ("340 Jefferson Street Partners"), for approximately 3,750 square feet of a single-story restaurant space located at 340 Jefferson Street for a term of 10 years with two five-year options to renew.

DIRECTOR'S RECOMMENDATION: Approve the Attached Resolution No. 25-24

EXECUTIVE SUMMARY

On July 12, 2022, the Port Commission adopted Resolution No. 22-37 approving the Interim Broker Policy ("Policy") allowing Port staff to select a commercial retail broker to support the marketing and leasing of critical retail locations that were vacated during the pandemic. Following the process outlined in the Policy, staff selected Maven Commercial ("Maven") as the broker.

On June 13, 2023, the Port Commission adopted Resolution No. 23-29, authorizing Port staff to pursue new tenants for certain retail vacancies, including 340 Jefferson Street ("340 Jefferson"), in accordance with the Policy and setting forth formal selection criteria. Following the process outlined in the Policy, Maven marketed the vacant 340

Jefferson restaurant space on behalf of the Port¹. Maven undertook an extensive marketing campaign for 340 Jefferson and after assessing interest and qualifications, Maven identified two viable proposals for 340 Jefferson to advance to a selection panel. One proposal was from the key individuals behind 340 Jefferson Street Partners (the “340 Jefferson Team”) with Rao’s, an owner/operator of several high-end Italian restaurants in the country. The other proposal was for a pizza restaurant with an experienced operator.

Port staff convened a selection panel to review and rank the proposals. The panel unanimously selected the 340 Jefferson Team as the winning prospect with Rao’s as the proposed operator.

Rao’s subsequently elected to pursue another opportunity.

The 340 Jefferson Team is now proposing to pivot to a new concept for the space, Chasca Rio, based on El Salvadorian cuisine. Port staff believe that the proposal offered by the 340 Jefferson Team, even without Rao’s, continues to be the best proposal as the members of the 340 Jefferson Team and 340 Jefferson Street Partners remain the same, along with their proposed financial structure for the lease of 340 Jefferson. Additionally, the proposed operator of the Chasca Rio concept has experience with high-end restaurant operations, including Foreign Cinema and restaurants operated by the Vine Hospitality Group.

Port staff believe 340 Jefferson Street Partners, with the team behind Chasca Rio, remains an excellent addition to Port’s restaurant community in terms of a new concept with a seasoned operator. The lease will generate an average of \$151,000 per year in base rent (estimated to be \$1.51 million over the initial 10-year term), not including percentage rent.

STRATEGIC PLAN ALIGNMENT

A new restaurant at 340 Jefferson will support Port’s following Strategic Objectives:

Economic Recovery:

The 340 Jefferson restaurant space has been vacant for approximately five years. Successful activation of this space by an experienced operator will generate new, stable income for the Port.

Economic Growth:

Port investment in tenant improvements at 340 Jefferson will improve the value of the property, increase the likelihood of success for the new operator, and catalyze increased investment in nearby Port property.

¹ Agreements for Broker Services for 490 Jefferson Street (vacant office), 2829 Taylor Street (former Alioto’s), and 300 Jefferson Street (former Pompeii’s) were also authorized. Marketing for all four properties commenced at the same time.

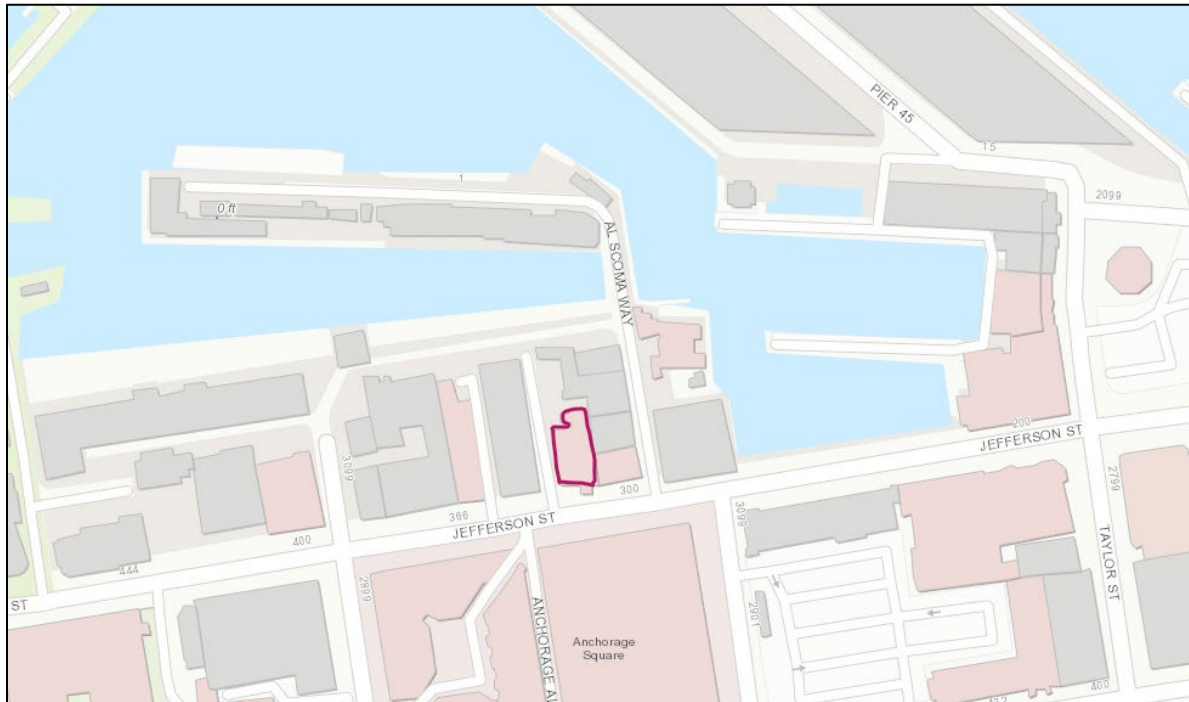

Engagement and Public Awareness:

With Everett & Jones BBQ next door and the reopening of 340 Jefferson with Chasca Rio, Jefferson Street will be reinvigorated with two new restaurants.

BACKGROUND

The 3,750 square-foot restaurant space at 340 Jefferson was in operation for many years, most recently as “Pompeii’s Grotto”, but has been vacant since the restaurant ceased operations in March 2020 after the onset of the COVID pandemic.

This site fronts Jefferson Street, the major pedestrian thoroughfare between Pier 39 and Ghirardelli Square, near Al Scoma Way. This location is close to hotels, tourist attractions, various local businesses, and residential neighborhoods. See the vicinity map below with the premises outlined in red.

Representative photo of 340 Jefferson Street in 2024.

Maven's leasing efforts for 340 Jefferson included:

- Listing the property on CoStar, Crexi (an online listing site), and others, along with the Maven website, including an Instagram advertisement for social media exposure.
- Contacting approximately 2,000 people through emails, flyers, phone calls, and network outreach.
- Direct calls to more than 100 people in the restaurant industry including owners, chefs, and brokers representing tenants.
- Contacting multiple local chambers and various parties who had previously indicated an interest in Port restaurant locations.
- Posting marketing flyers on the Maven and Port websites. An advertisement was also posted on Instagram, exposing the property on social media.
- Maven and Port public relations teams successfully launched a news story in the San Francisco Chronicle about this and other Fisherman's Wharf restaurants coming to market.

Maven recommended two proposals for consideration by Port's selection panel.

SELECTION PROCESS

The two proposals were presented to a selection panel consisting of two Port staff not involved in the leasing process and one outside consultant. The panel reviewed the proposals, conducted virtual interviews with the two candidates, and ranked them accordingly. The proposals were scored on the 100-point scale described in Port Commission Resolution No. 23-29.

Both proposers submitted letters of intent on a standardized form allowing side-by-side comparisons of each proposal. The selection panel found the information provided by each proposer sufficient to evaluate each proposal.

OUTCOME

Based on the formal criteria approved by the Port Commission in Resolution No. 23-29, the highest scoring proposal was submitted by the 340 Jefferson Team and Rao's with 79 points². The other proposal received 71 points.

Several months after the 340 Jefferson Team and Rao's were selected, Port staff were informed that Rao's decided to pursue another opportunity and was unwilling to work on a lease at 340 Jefferson Street for at least 12 months. Port staff felt there was a good chance that Rao's may not return and was unwilling to hold 340 Jefferson Street off the market on the chance Rao's would return. The 340 Jefferson Team then proposed Chasca Rio with a focus on El Salvadorian traditional soups, stews, pupusas, whole fish preparations, and other regionally inspired food items. Since the individuals of the 340 Jefferson Team did not change, the proposed financial terms for the lease remained the same, and the team behind Chasca Rio has successfully operated high-end restaurants in the Bay Area, Port staff believed the pivot to the Chasca Rio concept for the restaurant space was an acceptable change.

Port staff believe the other path available to Port now that Rao's is no longer a part of the 340 Jefferson Team proposal, is to terminate discussions with the 340 Jefferson Team and re-market the space, which staff does not believe is in the best interest of the Port or the economic success of Fisherman's Wharf. The 340 Jefferson Team remains the same, the lease terms have not changed from what they originally proposed and the team behind Chasca Rio are experienced restaurateurs. Therefore, Port staff believe the best course of action is to remain with the 340 Jefferson Team with the Chasca Rio concept at 340 Jefferson.

² Based on the average of three panelists scores.

340 JEFFERSON STREET PARTNERS AND CHASCA RIO BACKGROUND

340 Jefferson Street Partners LLC

The members of 340 Jefferson Street Partners, LLC are Lou Giraudo, Chris McGarry, and Seth Hamalian, the same members of the 340 Jefferson Team. They are well known by the Port and are active in Fisherman's Wharf including the Fisherman's Wharf Revitalized development proposal, operate Guardino's on behalf of the Guardino family, and are working to revive Castagnola's. The team presented a financial statement to Port's development staff showing good financial capacity to perform for the FW Revitalized project and now 340 Jefferson Street. Note the actual tenant is an LLC, not linked to the team's financial capacity.

Chasca Rio

Chasca Rio is a Central American seafood-forward concept that will feature authentic El Salvadoran cuisine, a new concept for Fisherman's Wharf. The menu will spotlight traditional soups, stews, pupusas, whole fish preparations, and other food items inspired by El Salvadorian and Honduran cuisines.

Chasca Rio is led by a team with strong roots in Central American culture, and who together have more than 75 years of experience in some of San Francisco's most recognizable restaurants including Foreign Cinema and the Vine Hospitality Group³. The Chasca Rio team remains active in the San Francisco market.

The 340 Jefferson Street Partners team with Chasca Rio affirms its commitment to investing in the near-term reactivation of Fisherman's Wharf sorely in need of such investment.

 - Final disbursement requires Tenant's Architect to provide a certificate that all work has been completed.

A copy of the proposed Lease No. L-17181 is on file with the Port Commission Secretary.

Under SF Administrative Code Chapter 31, Port staff has determined the proposed Port action is not a project under the California Environmental Quality Act, CA Public Resources Code Sections 21000 et seq.

RECOMMENDATION

Port staff recommend that the Port Commission determine 340 Jefferson Street Partners, LLC as the successful proposer for 340 Jefferson and approve the attached resolution authorizing the Executive Director to forward the Lease to the Board of Supervisors for approval and upon the effectiveness of such approval, authorize the Executive Director or her designee to execute the Lease.

SUBJECT: Request approval of strategies to address food & beverage and retail vacancies including adopting new broker policy, adopting criteria for competitive leasing or licensing for new food and beverage and retail/attraction vacancies, and adopting participation rates and rent abatement terms for short-term activations of such sites while the competitive leasing process is underway.

DIRECTOR'S RECOMMENDATION: Approve the Attached Resolution Nos. 23-28 and 23-29

On May 9, 2023, Port staff presented this staff report as an informational item. Substantive changes to that staff report are formatted underline or ~~strike-through~~ for ease of review.

EXECUTIVE SUMMARY

Vacant and shuttered businesses in Fisherman's Wharf are of concern to the Port, nearby Port tenants, adjacent businesses, and local and out-of-town visitors. Port staff prepared this staff report to describe activities currently underway and recommended actions to address these concerns.

As background, Port staff have taken several actions since the end of the COVID pandemic to assist operating tenants and to work with tenants who have not reopened to reopen or end their tenancy with the Port. While developing a deliberate visitor experience and business attraction action plan, Port staff have also focused on how to successfully and efficiently tenant three vacant properties in the Wharf. The Port typically issues Request for Proposals for long-term tenancies but has limited success in re-tenanting vacant property which has led to delays in restarting the solicitation process resulting in ongoing vandalism and maintenance costs for untenanted properties. In addition, a particularly challenging market for food and beverage (F&B) and retail/attraction uses suggests the need for a responsive and flexible solicitation process.

This staff report (a) summarizes ongoing Port work on F&B and retail/attractions tenanting (supervising two broker-managed solicitations and working with a consultant team on a Fisherman's Wharf Retail Strategy) and (b) proposes a solicitation strategy for four existing vacancies in Fisherman's Wharf and upcoming opportunities that reduces barriers for new businesses, is open-ended and opportunistic, and relies on the assistance of retail/attraction and F&B specialists.

Port staff recommend the Port Commission approve the attached resolutions which:

- Adopts a broker policy that allows payment of broker commissions for F&B and retail/attraction leases;
- Adopts criteria for consideration of proposals to lease F&B and retail/attraction vacancies;
- Authorizes Port staff to issue a request for proposals for short-term activations up to 2 years for vacant F&B and retail/attraction sites; and
- Authorizes Port staff to enter into form licenses (or leases) for short terms so long as the license or lease provides not less than 6% participation in sales, less abatement for "significant start-up costs" for sites that have been vacant for more than three years.

STRATEGIC OBJECTIVE

This staff report supports the Productivity (attract and retain tenants) and Evolution (evolve waterfront for changing needs) objectives of the Port's Strategic Plan.

BACKGROUND

The COVID-19 pandemic has had a significant impact on F&B and retailer/attraction businesses in San Francisco. According to a report by the Golden Gate Restaurant Association, nearly half of San Francisco's restaurants permanently closed their doors due to the pandemic. The surviving restaurant and retailer/attraction businesses have had to adapt by offering "to go" options, investing in technology to improve their online ordering systems, and implementing creative marketing strategies to attract customers.

Figure 1 illustrates gross sales for restaurants and retailers fiscal year to date at the Port between 2019 and 2023. It shows a trending rebound in sales in parts of the waterfront,

with sales at Fisherman's Wharf standing out in terms of experiencing a slower recovery back to pre-pandemic sales.

Figure 2 illustrates the locations of vacant (i.e., no tenant in place), shuttered locations (i.e., a tenant in place but operations are closed), and upcoming opportunities. As shown, the Port currently controls four sites (two are being marketed, two are being assessed); three more sites are expected to come to the Port this year; and three businesses are tenanted but have been closed since 2020.

STRATEGIES AND ACTIONS TO DATE

The Port has implemented several strategies over the last three years to manage retail/attraction and restaurant tenancies and position vacant properties for leasing.

1. **Base rent relief.** Offered base rent relief between March 2020 and April 2021 to tenants who opened for business.
2. **Tenant workouts.** Port staff in constant communication with tenants, asking for plans to reopen and negotiating mutual termination agreements (four since 2021).
3. **Legal notifications and action.** As required, Port staff have sent notices of default and 3-day notices when necessary and are pursuing possession of the property and rent through court action.
4. **Two broker-managed solicitations** underway began marketing in January 2023.
 - a. Pier 33 ½: Broker developed and sent marketing materials to a variety of industry organizations¹ and nearly 1,000 restaurant operators and has conducted 9 tours of the site.
 - b. Ferry Plaza East Building: Broker developed and sent marketing materials to 1,030 recipients including San Francisco brokers, restaurants, and restaurant/hospitality groups, has taken 6 groups on tours of the site, and will host an open house on site in June.

Port staff meet with the broker team bi-weekly to monitor interest, identify any concerns that prospective tenants raise that Port staff may be able to address to reduce barriers to a tenancy, and determine when a site has sufficient interest to issue a request for proposals for long-term tenancies. After receipt of competitive proposals, the Port staff and broker team will score respondents against the adopted criteria and bring successful proposals to the Port Commission for consideration.

5. **Tenant improvement budget.** As part of federal stimulus funds, the Port has approximately \$8 million in funds that must be spent on tenant improvements for an economic return to the Port by 2026. The Port may also seek to draw upon other economic recovery funds currently on budget reserve.
6. **Clarity on exemption on Chapter 6 public contracting rules for tenant-led projects.** This exemption for tenant-led projects approved by the Port Commission in February 2023 was approved by the full Board of Supervisors on May 2, 2023.

CHALLENGE AHEAD

¹ San Francisco Chamber of Commerce, Chinese Real Estate Association of America, African American Regional Educational Alliances, San Francisco African American Chamber of Commerce, Hispanic Chambers of Commerce, San Francisco Filipino American Chamber of Commerce, and San Francisco Black Wallstreet.

The Port has possession of three vacant restaurant properties and one other building with frontage on Jefferson Street (former office space). Two are in marketing (Pier 33 ½ and Ferry Plaza East) and Port staff are analyzing the others (Alioto's and 490 Jefferson Street) for near and mid-term activations and leases. If approved by the Board of Supervisors, the Port will also gain possession of two other restaurants (Pompeii's Grotto and Lou's Blues) in the coming months. In addition, the Port will control an F&B pad upon acceptance of Bayfront Park late in 2023. This means the Port will be conducting up to seven competitive solicitations for properties that have been vacant for three to 10 years, in a very unfavorable economy for F&B and retailer/attraction businesses.

APPROACH

The competitive landscape for F&B and retail/attraction leasing is challenging. The City has approximately 3.1 million square feet of F&B and retail/attraction space available² and private landlords are offering substantial leasing incentives (turnkey spaces, free rental periods, generous tenant allowance budgets, and percentage rent-only periods, among others). Port staff is taking strategic steps to position Port sites and be nimble to market dynamics. Specifically, the staff is supervising the two broker-managed solicitations and developing a Fisherman's Wharf Retail Strategy with a consultant team. The solicitation strategy, described below, reduces barriers to new businesses for these vacancies, is open-ended and opportunistic, and relies on the assistance of retail and F&B specialists.

Port Staff Ongoing Work

Learn from Ongoing Broker-Managed Solicitation Process

In January 2023, Port staff entered a contract with Cushman & Wakefield, after a competitive process among three brokerage firms for the work. After developing marketing materials and facility assessments and conducting tours, Port staff has learned that F&B and retail/attraction businesses:

- *Are risk averse.* Unrenovated facilities that require capital upgrades, as well as tenant improvement costs, are too expensive for many potential tenants and present time-to-open risks that most operators cannot or are not willing to manage.
- *Prefer longer-term leases.* 10 years or more, depending on the capital investment needed.
- *Have many options for the property and can be selective.*
- *Recognize* that the Port has premier waterside locations along the waterfront.

Port staff anticipates receiving broker-managed proposals for at least one site in the coming months and bringing ranked and qualified responses to the Port Commission for consideration.

Enhance Understanding of the Context & Market at Fisherman's Wharf

Specific to Fisherman's Wharf, Port staff are taking the time to make strategic moves, with an appropriate level of urgency as several spaces have been shuttered since the pandemic. Port staff began work in May with a consultant team on an intensive, two-month scope to enhance our understanding of the visitor experience (attractions, activities, public realm) and business attraction opportunities for the Wharf. The strategies will consider the current offering for visitors and recommend complementary offerings and new experiences. The work will include interviews, case studies, and property analysis and will result in near-, mid-, and long-term strategies for the Wharf. Port staff will connect this work to the proposed near-term investment in activation and clean and safe work described in the Fisherman's Wharf Community Benefit District grant staff report.

Solicitation Strategy for Multiple Vacant Locations

Based upon the work to date, the state of the market for F&B and retail/attraction leasing, and the Port's previous experiences with traditional Requests for Proposals, Port staff recommend the following solicitation strategy for multiple vacant locations:

1. ***Seek short-term activations.*** Port staff will market vacant sites for short-term licenses or leases to attempt to reactivate shuttered sites while marketing the sites for new tenants. Adoption of the attached resolution will allow Port staff to seek proposals for activations by issuing a request for proposals for short-term activations up to 2 years including indoor areas of vacant F&B and retail/attraction locations. Pursuant to the resolution, Port staff will offer proposers with minimum qualifications (duly organized entities, with experience successfully managing an activation like the one proposed) a short-term license (or lease) on Port's form document. The resolution provides for rental rates equal to no less than 6% participation in gross sales, with abatement periods allowed that are equal to significant start-up costs. "Significant start-up costs" include building system repairs (i.e., plumbing, lighting, HVAC, etc.), infrastructure improvements, life safety improvements, and improvements needed to obtain a certificate of occupancy. Bidders will be encouraged to include in their proposals a plan to meet Port's LBE and Diversity, Equity, and Inclusion goals. Possible examples are through the ownership structure, a commitment to LBE vendors, or with a program or menu which caters to local communities.
2. ***Reduce barriers for businesses to open at the Port.*** Provide clear and informative marketing materials so businesses are aware of the benefits of the Port's property (e.g., foot traffic & vibrancy, views, and access to low-cost and streamlined ABC permits); market broadly and deliberately reach out to associations representing local and small businesses; revamp the RFP process with specialized consultants or brokers that businesses are accustomed to relying upon; and offer tenant improvement allowances from stimulus source, so long as there is an acceptable return on the investment. Port staff anticipates these marketing efforts will provide opportunities to bring minority businesses to the Waterfront, advancing the Port's Diversity, Equity, and Inclusion goals.

3. ***Use specialized, professional support including brokers.*** Expand broker usage beyond the two current locations (Piers 33 ½ and Ferry Plaza East). Port staff may also use hourly consultant assistance to prepare marketing materials, track and respond to prospects, tour the facilities, analyze potential tenant entities and concepts for financial feasibility and financial capacity, and complete facility assessments, among other tasks. Using this professional expertise is critical both from a competitive lens (as the method by which nearly all landlords find tenants and tenants identify leasing opportunities) and from a staff capacity viewpoint (existing staff resources cannot manage multiple competitive processes).
4. ***Provide clear guidance on desired outcomes via criteria. Attachment 1*** contains an amended version of the criteria approved by the Port Commission for Piers 33 ½ and Ferry Plaza East (including additional points for the plan to advance Diversity, Equity, and Inclusion goals and fewer for project design). These approved criteria effectively represent the Port's mission and values in tenant selection and Port staff recommend them, with tailored language for each site's physical conditions, for other vacant sites.
5. ***Integrate flexibility into process.*** Consulting with outside professionals, flexibly assess and respond to how the market receives each site. For example, if a site is oversubscribed with interest, call for tenant offers and move to score against criteria. Alternatively, if a site receives little interest, delay any planned request for proposals, but be prepared to start again with a revised outreach plan and marketing materials.
6. ***Feedback loop with Port Commission.*** Provide updates to Port Commission as Port staff sign short-term activation licenses or leases and, as part of any recommended new lease, including in the staff report a summary of requests for proposals, proposals received scores for proposals and proposed lease/license terms.

CONCLUSION

The Port is challenged with vacancies since Covid-19. This staff report summarizes the staff's ongoing and proposed actions to meet these challenges with near- and mid-term solutions for attracting and retaining new tenants. **Attachment 2** illustrates how these steps may occur over time.

REQUESTED ACTION

Port staff seek Port Commission approval of the attached resolutions to facilitate solicitations that reduces barriers for new tenants, are open-ended and opportunistic, and rely on the assistance of retail/attraction and F&B specialists, as other landlords do. The attached resolutions include:

1. Resolution 23-28, Broker Fees and Commissions: Allows the payment of broker fees and commissions for vacant F&B and retail/attraction spaces under the Broker Policy attached to the resolution. Note, this Broker Policy is similar to the one adopted in July 2023 (Resolution 22-37, for Piers 33½ and Ferry Plaza Building East).³
2. Resolution 23-29.
 - a. Authorizes Port staff to either directly or jointly with a broker or a consultant issue multiple solicitations, subject to the criteria for new tenants for vacant retail/attraction and F&B spaces (see **Attachment 1**). Potential tenants identified through this method will be brought to the Port Commission for consideration and Port staff will provide updates on the solicitation process through the monthly leasing report Port Commissioners receive from the Port's Real Estate & Development Division. Under the resolution, Port staff are authorized to solicit for a new tenant through this process for the sites listed in this staff report and for other F&B and retail sites (such as Kneass Building and the former deli and dry cleaner sites at 10 Lombard and 50 Lombard respectively or other restaurant sites that are vacated in the future).
 - b. Authorizes Port staff to enter short-term licenses or leases (for up to two years) for activations of F&B and retail/attraction properties, subject to the following process and conditions:
 - i. Issuance of a request for proposals, similar to the Pop Up Request for Qualifications issued in 2019, but specifically for indoor vacant F&B and retail/attraction locations.
 - ii. Similar to the Pop Up RFQ, Port staff will review responses for minimum qualifications (i.e., duly organized entity with experience successfully managing an activation similar in nature to the one proposed).
 - iii. Port staff will enter into standard form license (or lease) agreements, with the following financial terms: (1) Not less than 6% participation in gross sales from activation and (2) Abatement of such participation for a period commensurate with licensee or tenant's "significant start up" costs for the activation.
 1. "Significant start up" costs for the activations that warrant participation rent or fee abatement include building system repairs, (i.e. plumbing, lighting, HVAC, etc.), infrastructure improvements, life safety improvements, or improvements needed to obtain a certificate of occupancy. Port staff anticipate activating buildings that have been vacant for several years may have significant start-up costs.

Jennifer Gee, Senior Property Manager

³ Changes to the policy include: (i) edits to tenant registration process wherein brokers provide Port information about tenant prospects; (ii) clarification of responsibility for commission payments for current tenants or potential tenants identified by the Port.

**PORT COMMISSION
CITY AND COUNTY OF SAN FRANCISCO**

RESOLUTION NO. 23-28

WHEREAS, Charter Section B3.581 empowers the Port Commission with the power and duty to use, conduct, operate, maintain, manage, regulate, and control the Port area of the City and County of San Francisco; and

WHEREAS, Between December 1993 and April 2007, the Port Commission allowed payment of brokers' commissions pursuant to Resolutions 93-151, 95-80, and 97-98. In April 2007, the Port Commission rescinded the ability to pay brokers' commissions based on the low property vacancy rates at the time and overall market conditions under Resolution 07-29. In July 2022, the Port Commission adopted Resolution 22-37, rescinding Resolution 07-29's prohibition on payment of brokers' commissions and adopting a broker commissions policy for Piers 33½ and Ferry Plaza East Building; and

WHEREAS, The COVID-19 pandemic has impacted the San Francisco commercial real estate market in many aspects, including significant declines in office commuters and leisure, business convention, and tourist populations, which has led to increased retail and restaurant vacancies and reduced gross sales for such businesses, particularly in visitor-serving districts, as described in the staff report accompanying this resolution; and

WHEREAS, The Port has a large number of vacant restaurants and retail sites, limited staff capacity, and must compete with landlords offering an array of incentives to lease space and would benefit from specialized retail and restaurant professional services including from brokers to assist in marketing, vetting, and negotiating with new tenants; and

WHEREAS, Based on continued weak market conditions, vacancies to lease relative to Port's staff capacity, and the advantages of broker assistance to the Port by way of increases in marketing, analysis of tenant proposals, and access to relevant market data among other benefits, Port staff recommend allowing the payment of broker commissions and fees for any retail or restaurant site at the Port, subject to the conditions and limitations set forth in Attachment A to this Resolution (the "Broker Policy"); now, therefore, be it

RESOLVED, That the Broker Policy attached to this Resolution as Attachment A is hereby adopted.

I hereby certify that the foregoing resolution was adopted by the Port Commission at its meeting of June 13, 2023.

ATTACHMENT A

Broker Policy

In order that the Port may compete more effectively in the commercial leasing market, the Port Commission desires to establish a Broker Policy to fill vacancies at restaurant and retail/attraction properties and for payment of brokers' commissions and fees to licensed brokers hired directly by the Port or hired indirectly through other departments or divisions of the City, for services in procurement of tenants to lease Port properties as set forth below.

1. **Valid Contract Required.** A fully executed City-Broker contract is required. Submission of a letter of interest from a prospective tenant or any other expression of interest by a prospective tenant to lease or license Port property does not qualify for payment of broker's commission or fee. Any obligation by Port to pay the broker's commission arises only when a lease or license is signed, any applicable deposit is made, and sufficient rent is clearly achievable to cover a substantive portion of the brokerage commission as negotiated.
2. **Sole Determination of Port to Lease.** The determination of when and if a property of the Port should be leased or licensed, and the terms thereof, are decisions to be made solely and exclusively by the Port and no obligation is imposed upon the Port to pay any commission because a broker presents to the Port a proposal for the lease or license of Port property. The Port's decision to enter into a lease may be based on the proposed use, the financial offer, the creditworthiness of the prospective tenant, and any other factors deemed relevant in the Port's sole discretion.
3. **Prerequisite of Valid Broker Contract.** There must be a valid City Attorney-approved broker contract either (a) between the Port and the broker or brokerage firm or (b) between the City and broker or brokerage firm, should the Port elect to participate in that department's contract with the approval of that department.
4. **Prerequisite requiring submittal of written confirmation of brokerage signed by both Broker and Prospective Tenant.** At the time a broker presents a prospective tenant to the Port, both the broker and prospective tenant must submit to the Port written confirmation stating that the broker is the prospective tenant's sole and exclusive agent concerning the subject property. If the prospective tenant leases or licenses property when the Port does not call for bids or proposals, a commission computed in accordance with Sections 6 and 7 below shall be paid to the broker if otherwise allowed pursuant to this policy. A broker is entitled to a commission for the lease or license of Port property only if both the broker and the prospective tenant have previously submitted the confirmation required by this Section 4 and a fully executed broker contract is in place.
5. **Broker Commission Payment Structure:** Broker commissions will be paid up to and through the initial term of the lease only, excluding any lease renewals or option terms, and will be established at competitive market rates, as affirmed by

the City's Real Estate Division. Broker commission rates are expected to be between approximately 4% to 7% of the total base rent due for the initial term of the lease or license.

6. **Manner of Payment and Payment Sources.** Broker commissions are intended to be paid from rents the Port collects under the applicable lease the broker helped procure and/or any other funds the Port authorizes to pay Broker commissions and fees. Port may pay broker commissions monthly or quarterly basis or as negotiated.
7. **Limitations on the Payment of Commissions.**
 - (a) No commission shall be payable for leases or licenses awarded pursuant to a Port Commission request for bids or proposals for long-term tenancies.
 - (b) No commission shall be payable in any case where a prospective tenant of Port property is identified in the broker contract as a party previously identified by the Port as a prospective tenant.
 - (c) No commissions shall be payable for renewals or extensions of leases, licenses, or other new lease or license agreements with current Port tenants.
 - (d) No commission shall be payable in any case where the broker has a direct or indirect proprietary interest in the prospective tenant, as determined by Port.
 - (e) If a lease or license is granted by the Port to a prospective tenant represented by a third-party broker not affiliated with the Port, and the lease or license grants to the tenant:
 - (1) An option to expand the premises, the commission shall be calculated only on the rentals for which the tenant has an absolute obligation and shall not include rentals that may become due if the tenant exercises its option; or
 - (2) An option to extend its term, the commission shall be calculated only on the term prior to the time when such term may be extended; or
 - (3) A right to cancel or terminate the lease or license at the tenant's discretion at some time during its term, the commission shall be calculated only on the term prior to the time when the lease or license may be canceled or terminated.
 - (f) If a prospective tenant has previously contacted the Port regarding the lease or license of the property in question, the right is reserved and retained by the Port, in the Port's sole discretion, to identify the party in the broker contract and decline to pay a commission to a broker allegedly representing such party.

**PORT COMMISSION

WHEREAS, The Port wishes to encourage the near-term activation of vacant food and beverage and retail sites by issuing a request for proposals for short-term activations up to two years; now, therefore, be it

RESOLVED, That the Port Commission has reviewed the criteria in the accompanying staff report to this resolution and authorizes Port staff to issue and/or pursue new tenants using a broker-assisted, competitive solicitation process in accordance with the Broker Policy in order to lease the subject properties as described herein and in the staff report accompanying this Resolution, and be it further
