Subject: Re: Compass: Support for Panoramic Hotel Acquisition

Thanks, Mary Kate.

I'm cc'ing Monica from our office who currently staffs on Budget as well as the Clerk from Budget so that this letter of support can be entered into the file for the Panoramic when it will be heard at the Board.

Best,

Honey Mahogany, MSW

Dear Supervisor Haney and Honey,

Thanks so much for your support of the City's acquisitions of the Eula Hotel and Mission Inn during yesterday's budget and finance committee meeting. I'm reaching out on behalf of Compass Family Services to express our full support for the City's acquisition of the Panoramic Hotel at 1321 Mission, which includes up to 40 three-bedroom units (and hopefully additional units) for families. These units represent so much potential for our city's unhoused families: not only a safe place to sleep but also a stable foundation for physical health, emotional wellness, workforce participation, school attendance, and more. Compass and our family partners would be thrilled to support our families experiencing homelessness to access these units. As you know, our current housing portfolio for homeless families over-relies on rapid re-housing, including for the most vulnerable families, who sometimes return to homelessness when the subsidy ends. We need more supportive housing to diversify our family portfolio and support the most vulnerable families to achieve housing stability.

We're grateful to have your support for these projects, and as part of the D6 community, we want to voice our full support for the Panoramic acquisition before next week's committee vote.

Thank you!

Warmly,

Mary Kate Bacalao

My name is Calder Lorenz, I am the Director of Operations at the Gubbio Project and resident of District 9.

Thank you to the Budget & Finance Committee members for hearing agenda item 7 today.
The Gubbio Project supports the acquisition of the Panoramic at 1321 Mission Street to add more supportive housing to our City's portfolio, especially because it will include 40 units for families.

We know that housing solves homelessness and that there is no medicine as powerful as housing.

We encourage the City and HSH and the full Board of Supervisors to continue to acquire units and buildings throughout the entire City to support the needs of our unhoused community so that we can continue to build equitable access to housing for all.

In Community, Calder
