7 WHEREAS, The Armenian people, living in their historic homeland for thousands of
8 years, were subjected to severe persecution by the Turkish government of the Ottoman
9 Empire before and after the turn of the twentieth century, including widespread massacres,
10 usurpation of land and property, and destruction of cultural institutions and monuments during
11 the period from 1894 to 1896, and again in 1909; and

12 WHEREAS, The unspeakable horrors experienced by the Armenian people at the
13 hands of the Ottoman Turkish government culminated in 1915 in what is now known as the
14 Armenian Genocide; and

15 WHEREAS, Between 1915 and 1923, the Turkish authorities planned and implemented
16 genocide against the Armenians, one of the world’s oldest civilizations living in its indigenous
17 homeland of more than 3,500 years, resulting in the murder of 1.5 million Armenian women,
18 men and children, more than half of the Armenian population living on their ancient homeland,
19 as well as the expropriation or destruction of all their personal and community properties; and

20 WHEREAS, The U.S. House of Representatives adopted House Resolution No. 296
21 (Schiff) on October 29, 2019, which states it is U.S. policy to commemorate the Armenian
22 Genocide and the US Senate passed Senate Resolution No. 150 (Menendez) on December
23 12, 2019, which formally recognizes and affirms the historical facts of the Armenian Genocide
24 on behalf of the U.S. government and calls for broader education on this heinous crime and its
25 impact on generations of Armenians; and

1 WHEREAS, On April 24, 2021, President Joseph Biden became the first U.S. President
2 to formally recognize the massacres of Armenians as genocide; and

3 WHEREAS, Despite the unequivocal acknowledgement of this crime as genocide,
4 Turkey and Azerbaijan continue to deny that it took place; and

5 WHEREAS, The legacy of the Armenian Genocide and the consequences of its denial
6 are seen to this day in the ongoing policy of violence and discrimination Armenians face at the
7 hands of the governments of Turkey and Azerbaijan; and

8 WHEREAS, This policy of aggression culminated in the assault on the Armenian region
9 of Artsakh, also known as Nagorno-Karabakh, by Azerbaijan with Turkey's support in 2020,
10 followed by a 10-month blockade depriving the remaining Armenian population of vital
11 supplies; and

12 WHEREAS, Since September 23, 2023, the Government of Azerbaijan has fully
13 occupied and ethnically cleansed Artsakh of its Armenian population, uprooting 120,000
14 Armenians from their homelands, with no clear intention to allow their return on the part of the
15 Azerbaijani Government, and destroying Artsakh's Armenian cultural heritage sites; and

16 WHEREAS, On February 7, 2023, the Board of Supervisors adopted Resolution No.
17 052-23, condemning Azerbaijan's Blockade of the Armenians of Nagorno-Karabakh (Artsakh)
18 and ongoing human rights violations, which is hereby declared to be a part of this Resolution
19 as if set forth fully herein; and

20 WHEREAS, In the wake of the war, Azerbaijani and Turkish leaders publicly praised
21 the perpetrators of the Armenian Genocide, and proliferated rhetoric aimed at dehumanizing
22 the Armenian people, destroyed Artsakh's Armenian cultural heritage sites, and continued the
23 imprisonment and torture of Armenian prisoners of war; and

24 WHEREAS, The Government of Azerbaijan has occupied Armenia's internationally
25 recognized territories since September 2022; and

1 WHEREAS, The Azerbaijani ethnic cleansing of Nagorno-Karabakh has uprooted
2 120,000 Armenians from their homelands, with no clear intention to allow their return on the
3 part of the Azerbaijani Government; and

4 WHEREAS, April 24, 2025 marks the 110th anniversary of the beginning of the
5 Armenian Genocide; and

6 WHEREAS, Denial is among the surest indicators of further genocidal massacres; and
7 the continued denial of the Armenian Genocide by successive governments of Turkey and
8 Azerbaijan and the lack of accountability and reparations for those crimes has added to the
9 injury and losses suffered by the genocide victims and their descendants, created an
10 atmosphere of intimidation and mistrust among neighboring states, enabled and emboldened
11 further acts of genocide and ethnic cleansing against the Armenian people, and sent a
12 message to the international community that genocide can be carried out without punishment;
13 now, therefore, be it

14 RESOLVED, That the San Francisco Board of Supervisors hereby designates April 24,
