10 (a) Establishment and Purpose of Budget Savings Incentive Fund. The Budget Savings  
11 Incentive Fund (“the Fund”) is hereby established as a category eight fund for the purpose of  
12 encouraging City departments to implement cost-saving strategies and to allow for the reinvestment of  
13 those savings in one-time expenditures. Disbursements from the Fund shall be made only to those  
14 departments that generated net year end expenditure savings at the close of the most recent prior fiscal  
15 year, as certified by the Controller, and only for the purpose of supporting one-time costs, including but  
16 not limited to expenditures that improve the efficiency of departmental operations, reduce the cost of  
17 service delivery, generate additional revenue or meet deferred maintenance needs.

18 (b) Funding of Budget Savings Incentive Fund. It shall be the policy of the City and County  
19 of San Francisco that a Budget Savings Incentive Fund be annually funded and available by November  
20 1st of each year. At the end of each fiscal year, up to 25 percent of the total appropriation closed to  
21 General Fund balance by General Fund departments and the Department of Public Health’s hospital

3 the Fund. Requests shall be reviewed and approved by a working group comprised of the Mayor's

8 Code.

9           (d) Upon approval of funding requests, the Controller shall have the authority to
