My business, City Club located at 2950 16th Street, San Francisco has been displaced due to the landlord selling the property to a developer. I have been doing business at 2950 16th Street for 31 years in November. I was fortunate to find the new location at 2919 16th Street, San Francisco so as not to disrupt my existing clientele and on-going customers and therefore, not losing my business in its entirety. The neighborhood and existing business can continue to be served as it currently has been.

Thanks for your consideration in this matter.

Sincerely yours,

Janice Belen

Owner of the City Club
