1 [Charter Amendment - Commission Reform]

13 **two-thirds vote of the Board of Supervisors.**

14  
15 **SECTION 1. FINDINGS.**

16 (a) The City and County of San Francisco has long been a place that values public  
17 service, creativity, political activism, and civic engagement. And the City’s system of  
18 participatory government reflects those values. San Francisco is led not only by elected officials  
19 and professional City staff, but also by hundreds of City residents who volunteer their time to  
20 serve on City boards and commissions (together referred to in this Section as “commissions”),  
21 such as the Planning Commission, the Disability and Aging Services Commission, and the  
22 Human Rights Commission.

23 (b) San Francisco’s commissions leverage the perspectives, lived experiences, and  
24 expertise of the City’s residents, and ensure that important policy decisions are not made behind  
25 closed doors by a powerful few, but through a public and participatory process that is informed  
by the very people whom those decisions will impact.

1 (c) San Francisco's commissions have been in existence as long as the City has had a  
2 Charter. The first commission – the Police Commission – was established in 1878, followed by  
3 the Civil Service Commission in 1900, and the Public Utilities Commission in 1932. Since then,  
4 the voters have amended the City Charter numerous times to establish policy and oversight  
5 bodies that have helped shape city policies and programs.

6 (d) In addition to providing policy guidance, many commissions perform essential  
7 government functions that are required by law. For example, the Historic Preservation  
8 Commission acts as the City's local historic preservation review commission for the purposes of  
9 the federal Certified Local Government Program; the Health Commission serves as the  
10 governing body of General Hospital and Laguna Honda Hospital; the Board of Appeals affords  
11 due process to permit applicants wishing to appeal a permit decision; and the Building Inspection  
12 Commission helps to craft and enforce the safety standards of the Building Code. These and  
13 other functions performed by commissions cannot be summarily eliminated without creating  
14 significant uncertainty and disorder.

15 (e) Currently, there are over 100 commissions that perform work on behalf of the  
16 City or provide non-binding guidance to City officials and departments. Many of these bodies  
17 have existed for decades, without review or evaluation of their efficacy, or updates to maximize  
18 their utility. Some commissions have fulfilled their original mandate; some have outlived their  
19 useful purpose; and others perform work that duplicates the efforts of other City bodies. As the  
20 City enters a period in which it will have to make difficult budget choices, it is time to undertake  
21 a comprehensive, evidence-based review of the City's commissions to identify those bodies that  
22 add value to the City, those that can be consolidated, streamlined, or improved, and those whose  
23 time has passed.

24 (f) This measure establishes a clear pathway for that review, starting with a study  
25 conducted by the Budget and Legislative Analyst of the annual financial cost of supporting the

1 City’s commissions. The measure will also establish a Task Force of experts in City  
2 management and operations. This Task Force will not only have the authority to make  
3 recommendations to the Mayor and Board of Supervisors about how to change the current  
4 commission system, but will also have the power to introduce legislation to effectuate those  
5 recommendations. Recommendations could include changes to the structure, staffing, and  
6 meeting requirements of individual commissions, with the goal of improving the commissions’  
7 efficacy.

8 (g) This measure’s creation of an expert Task Force to analyze and make  
9 recommendations to optimize the number, functions, and structure of City commissions, is  
10 consistent with recommendations from the 2023-2024 Civil Grand Jury Report, entitled  
11 “Commission Impossible,” as well as the Rose Institute of State and Local Government’s “Re-  
12 Assessing San Francisco’s Government Design,” which concluded it is not possible to determine  
13 the optimal number of City commissions without an exhaustive review, and encouraged the City  
14 to “[c]onsider a system-wide evaluation of the City’s commission system” as its main  
15 recommendation.

16 (h) Making significant changes to a system of government is no easy feat. And it  
17 cannot be done effectively by establishing arbitrary limits on the number of citizen-led  
18 commissions. But it is time for San Francisco to make tough choices, which requires looking at  
19 which parts of our current system of government work, and which don’t. This measure provides  
20 a roadmap for that inquiry, and an expedited path to effective change.

21  
22 **SECTION 2. CHARTER AMENDMENT.**

23 The Board of Supervisors hereby submits to the qualified voters of the City and County,  
24 at an election to be held on November 5, 2024, a proposal to amend the Charter of the City and  
25 County, to read as follows:

1           NOTE:           **Unchanged Charter text is in plain font.**  
2                           **Additions are single-underline italics Times New Roman font.**  
3                           **Deletions are ~~strike-through italics Times New Roman font.~~**  
4                           **Asterisks (\* \* \* \*) indicate the omission of unchanged Charter**  
5                           **subsections.**

6           The Charter of the City and County of San Francisco is hereby amended by revising  
7           Sections 2.105, 4.100, and adding new Section 4.100.1, to read as follows:

8                           **SEC. 2.105. ORDINANCES AND RESOLUTIONS.**

9           The Board of Supervisors shall meet and transact its business according to rules which  
10          it shall adopt.

11          The Board of Supervisors shall act only by written ordinance or resolution, except that  
12          it may act by motion on matters over which the Board of Supervisors has exclusive jurisdiction.  
13          All legislative acts shall be by ordinance. An ordinance or resolution may be introduced before  
14          the Board of Supervisors by a member of the Board, a committee of the Board ~~or~~ the Mayor, or  
15          the Commission Streamlining Task Force subject to the limitations set forth in Section 4.100.1,  
16          and shall be referred to and reported upon by an appropriate committee of the Board. An  
17          ordinance or resolution may be prepared in committee and reported out to the full Board for  
18          action, consistent with the public notice laws of the City. Except as otherwise provided in this  
19          Charter, passage of an ordinance or a resolution shall require the affirmative vote of a majority of  
20          the members of the Board.

21                           \* \* \* \*

22  
23                           **SEC. 4.100. GENERAL.**

24          In addition to the office of the Mayor, the executive branch of the City and County shall  
25          be composed of departments, appointive boards, commissions~~2~~ and other units of government

1 that perform the sovereign powers of the City and County. To the extent law permits, each  
2 appointive board, commission, or other unit of government of the City and County established by  
3 State or Federal law shall be subject to the provisions of this Article IV and this Charter.

4  
5 **SEC. 4.100.1. COMMISSION STREAMLINING TASK FORCE.**

6 (a) Establishment of the Task Force. By no later than February 1, 2025, a  
7 Commission Streamlining Task Force (“Streamlining Task Force”) shall be convened for the  
8 purpose of advising the Mayor and the Board of Supervisors on ways to eliminate, consolidate,  
9 or limit the powers and duties of appointive boards and commissions for the more effective,  
10 efficient, and economical administration of City and County government, and introducing one or  
11 more ordinances to effectuate its recommendations. The Streamlining Task Force shall have the  
12 powers and duties set forth herein, and shall expire by operation of law 24 months after its first  
13 meeting.

14 The City Administrator shall provide administrative support to the Streamlining Task  
15 Force. The Controller and the City Administrator shall provide professional and technical  
16 assistance to the Streamlining Task Force. All City and County officials, departments, and other  
17 agencies, and all appointive boards and commissions, shall cooperate with the Streamlining  
18 Task Force as it performs its responsibilities under this Section 4.100.1.

19 For purposes of this Section 4.100.1, an “appointive board” or “commission” includes  
20 any body that meets the definition of a “legislative body,” under California Government Code §  
21 54952, whether denominated a “board,” “commission,” “council,” “committee,” “task force,”  
22 “advisory body,” or otherwise.

23 (b) Composition of the Streamlining Task Force. The Streamlining Task Force  
24 shall consist of five members. Seat 1 shall be held by the City Administrator or the City  
25 Administrator’s designee, who must be an employee of the Office of the City Administrator. Seat

1 2 shall be held by the Controller or the Controller's designee, who must be an employee of the  
2 Office of the Controller. Seat 3 shall be held by the City Attorney or the City Attorney's  
3 designee, who must be an employee of the Office of the City Attorney. Seat 4 shall be held by a  
4 representative of organized labor representing the public sector, appointed by the President of  
5 the Board of Supervisors. Seat 5 shall be held by an individual with expertise in open and  
6 accountable government, appointed by the Mayor. The Mayor's appointment shall not be  
7 subject to rejection by the Board of Supervisors under Charter Section 3.100(18). Members in  
8 seats 4 and 5 shall serve at the pleasure of their appointing authority.

9 (c) **Budget and Legislative Analyst Report.** The Streamlining Task Force shall  
10 undertake a comprehensive review of the City and County's appointive boards and commissions,  
11 including those created by voter-approved ordinance. To inform that review, by no later than  
12 September 1, 2025, the Budget and Legislative Analyst shall prepare and submit to the  
13 Streamlining Task Force, the Mayor, and the Clerk of the Board of Supervisors a report that  
14 assesses for each appointive board or commission established in the Charter (1) the annual  
15 financial cost to the City to operate the body, including but not limited to the costs of City staff  
16 time spent to support, brief, meet with, develop materials for, or otherwise enable the functioning  
17 of the body; and (2) the projected financial impact of eliminating the appointive board or  
18 commission, or consolidating it with another body. The report shall also include an estimate of  
19 the average annual financial cost to the City of operating an appointive board or commission  
20 that is established by ordinance for the purpose of providing non-binding advice to City officials  
21 on a given topic.

22 (d) **Streamlining Task Force Report and Recommendations.** By no later than  
23 February 1, 2026, the Streamlining Task Force shall prepare and submit to the Mayor and the  
24 Clerk of the Board of Supervisors a report containing the Streamlining Task Force's  
25 recommendations as to which existing appointive boards and commissions, if any, should be

1 eliminated in their entirety, consolidated, revised to limit their powers and/or duties, or revised  
2 to expand their powers and/or duties as a result of a consolidation.

3 For each recommendation made pursuant to this subsection (d), the Streamlining Task  
4 Force shall provide a rationale; analyze whether any function(s) performed by the appointive  
5 board or commission that is recommended to be eliminated, consolidated, or revised are  
6 required by law or essential to the effective operation of City and County government; and  
7 identify the City and County officers, departments, or other units of government that could  
8 assume responsibility for any legally required or essential function(s).

9 (e) **Effectuation of Recommendations.**

10 By no later than March 1, 2026, the City Attorney shall prepare a draft Charter  
11 Amendment to implement the Streamlining Task Force's recommendations relating to  
12 commissions established in the Charter, and shall submit such draft to the Clerk of the Board of  
13 Supervisors. By no later than April 1, 2026, the Streamlining Task Force's report and  
14 recommendations and the draft Charter Amendment shall be the subject of a hearing before the  
15 Board of Supervisors. Any Supervisors(s) wishing to seek voter approval of the draft Charter  
16 Amendment, or a modified version thereof, shall be required to introduce the Charter  
17 Amendment for consideration by the Board of Supervisors, consistent with the process and  
18 deadlines set forth in the Municipal Elections Code and the Board's Rules of Order at that time.

19 During its tenure, the Streamlining Task Force shall have the authority to introduce one  
20 or more ordinances to effectuate its recommendations relating to the elimination, consolidation,  
21 or revision of any appointive board or commission established by ordinance, other than any  
22 appointive board or commission that was established or amended by the adoption of an  
23 ordinance approved by the voters and cannot be amended or rescinded without voter approval.  
24 Such ordinance(s) shall go into effect 90 days after the date of introduction unless before the  
25

1 expiration of the 90-day period two-thirds of all members of the Board of Supervisors vote to  
2 disapprove the ordinance.

3 (f) **Expiration.** This Section 4.100.1 shall expire by operation of law on January 31,  
4 2027, and the City Attorney shall cause it to be removed the Charter thereafter.

5  
6 **SECTION 3. SEVERABILITY.**

7 If any provision of this measure, or part thereof is for any reason held to be invalid or  
8 unconstitutional, the remaining provisions shall not be affected, but shall remain in full force and  
9 effect, and to this end the provisions of this measure are severable. The voters declare that this  
10 measure, and each section, sub-section, sentence, clause, phrase, part, or portion thereof, would  
11 have been adopted or passed irrespective of the fact that any one or more sections, sub-sections,  
12 sentences, clauses, phrases, part, or portion is found to be invalid. If any provision of this  
13 measure is held invalid as applied to any person or circumstance, such invalidity does not affect  
14 any application of this measure that can be given effect without the invalid application.

15  
16 **SECTION 4. CONFLICTING BALLOT MEASURES.**

17 This measure is intended as the voters' only decision in this election on the composition  
18 of City appointive boards and commissions. In the event that this measure and another measure  
19 or measures relating to the structure and powers of appointive commissions and advisory bodies  
20 shall appear on the same municipal election ballot, the provisions of such other measures shall be  
21 deemed to be in conflict with this measure. In the event that this measure shall receive a greater  
22 number of affirmative votes, the provisions of this measure shall prevail in their entirety, and  
23 each and every provision of the other measure or measures that conflict, in whole or in part, with  
24 this measure shall be null and void in their entirety. In the event that the other measure or  
25

1 measures shall receive a greater number of affirmative votes than this measure, the provisions of  
2 this measure shall take effect to the maximum extent permitted by law.

**LEGISLATIVE DIGEST**  
**(7/1/2024)**

[Charter Amendment - Commission Reform]

**Describing and setting forth a proposal to the voters at an election to be held on November 5, 2024, to amend the Charter of the City and County of San Francisco to establish the Commission Streamlining Task Force charged with making recommendations to the Mayor and the Board of Supervisors about ways to modify, eliminate, or combine the City’s appointive boards and commissions to improve the administration of City government; require the City Attorney to prepare a Charter Amendment to implement the Task Force’s recommendations relating to Charter commissions, for consideration by the Board of Supervisors; and authorize the Task Force to introduce an ordinance to effectuate its recommendations relating to appointive boards and commissions codified in the Municipal Code, which ordinance shall go into effect within 90 days unless rejected by a two-thirds vote of the Board of Supervisors.**

Existing Law

Currently, there are over 100 appointive boards and commissions (hereinafter referred to collectively as “commissions”) that perform work on behalf of the City or provide non-binding guidance to City officials and departments. The Charter establishes most of the commissions in San Francisco government that exercise the City’s sovereign powers and have decisionmaking authority. But there also are several bodies created in the Charter that are purely advisory. Under state law, a locality’s Charter may only be amended by a vote of the electors. Therefore, Charter-created commissions may not be eliminated, revised, or consolidated with other bodies without voter approval.

The Board of Supervisors also has the authority, by ordinance, to create boards and commissions that exercise the City’s sovereign powers. There are a few boards and commissions created by ordinance that exercise the City’s sovereign powers. But it is more common for ordinances to create advisory bodies, which lack the authority to set policy for the City. Where a commission is created by ordinance, the Board of Supervisors has the authority to eliminate, revise, or consolidate it with other bodies by ordinance.

Under the Charter, only the Mayor, members of the Board of Supervisors, and City departments may introduce ordinances.

Amendments to Current Law

The proposed Charter Amendment would establish a Commission Streamlining Task Force (“Task Force”) charged with making recommendations to the Mayor and the Board of Supervisors about ways to modify, eliminate, or combine the City’s appointive boards and

commissions to improve the administration of City government. The Task Force, which would be convened by no later than February 1, 2025, would be comprised of five members, including the City Administrator, or their designee, the Controller, or their designee, the City Attorney, or their designee, a representative of organized labor, appointed by the President of the Board of Supervisors, and a person with expertise in open and accountable government, appointed by the Mayor.

The measure would require the Budget and Legislative Analyst to prepare a report by no later than September 1, 2025, analyzing the cost of the City's current system of boards and commissions, as well as the projected financial impact of eliminating or consolidating commissions.

The measure would require the Task Force to prepare and submit to the Mayor and the Board of Supervisors by no later than February 1, 2026, recommendations about ways to modify, eliminate, or combine the City's appointive boards and commissions to improve the administration of City government. The City Attorney would be required to prepare a Charter Amendment to implement the Task Force's recommendations relating to commissions established in the Charter. The Board of Supervisors would be required to hold a hearing by not later than April 1, 2026 on the Task Force's recommendations and the draft Charter Amendment.

The measure would also authorize the Task Force to introduce ordinances to effectuate its recommendations relating to appointive boards and commissions codified in the Municipal Code, other than those bodies that may only be rescinded or amended by the voters, which ordinances would go into effect within 90 days unless rejected by a two-thirds vote of the Board of Supervisors.

### Background

This legislative digest was revised on May 30, 2024 to correct an error in the original digest by specifying that it is the President of the Board of Supervisors – and not the full Board – that will appoint one member to the Commission Streamlining Task Force.

RE: File 240547 – Charter Amendment – Commission Reform (SECOND DRAFT)

Dear Ms. Calvillo,

Should the proposed Charter amendment be approved by the voters, in my opinion, it would have a minimal impact on the cost of government. The extent of any cost reductions will depend on the findings of the newly created Task Force and any subsequent eliminations or changes to existing commissions.

The proposed Charter amendment would establish the Commission Streamlining Task Force to make recommendations to the Mayor and Board of Supervisors on modifying, eliminating, or combining the City's appointive boards and commissions.

Certain appointive boards and commissions pay stipends to the commissioners on a per meeting basis ranging from \$25 to \$500 per meeting, while some commissioners are paid between \$100 and \$500 per month. Not all commissioners receive stipends. For context, in fiscal year (FY) 2022-23 the City paid approximately 180 commissioners a total of \$350,000.

In addition to commissioner stipends and health insurance, commissions also require staff time from City employees who support commissions' operations and prepare briefing materials to present at hearings. The amount of staff time needed to support various commissions would likely fall if the City eliminated or combined said commissions – freeing staff to work on other government functions. Finally, To the extent the City hires additional staff to run the Commission Streamlining Task Force, the cost to government may increase slightly.

Sincerely,

*Natasha Mihal*

## MEMORANDUM

---

Date: June 27, 2024

To: The Honorable Members, Board of Supervisors

From: *see* Angela Calvillo, Clerk of the Board

Subject: Commission Streamlining Task Force  
Charter Amendment - Commission Reform  
(File No. 240547)

---

Board of Supervisors Rules of Order 2.21 establishes certain criteria that must be included in legislation creating and establishing, or reauthorizing, new bodies (boards/commissions/task forces/advisory bodies) and requires the Clerk of the Board to advise the Board on certain matters. To fulfill these requirements, the following is provided:

### **File No. 240547 Charter Amendment - Commission Reform**

- Does a current body address the same or similar subject matter?  
*(Pursuant to Board Rule 2.21, the Clerk of the Board shall advise the Board if there is a current body that addresses the same or similar subject matters.)*

*No. There are no other bodies similar to the Commission Streamlining Task Force (Task Force).*

- Language requiring the body to meet at least once every four months:  
*(Pursuant to Board Rule 2.21, the enabling legislation shall include language requiring the subordinate body to meet at least once every four months.)*

*No. The proposed measure does not contain a requirement for the Task Force to meet at least once every four months.*

*Pursuant to Rule 2.21, the Board shall include the following language requiring the body to meet at least once every four months.*

- Language indicating members serve at the pleasure of the appointing authority:  
*(Past practices have shown the need to ensure the appointing authority may remove an appointee at any time.)*

*Yes. Section 5.201(c) states members in seats 4 and 5 shall serve at the pleasure of the appointing authority. All other members are department heads or their designees.*

- Language establishing attendance requirements:  
*(Past practices have shown the need to ensure a process is in place to address attendance concerns and quorum issues.)*

*No. There are no attendance requirements listed. It is recommended that language be added to establish attendance requirements as done for other bodies.*

- Number of seats and qualifications:  
*(Pursuant to Board Rule 2.21, the enabling legislation shall include a description of the qualifications for each member.)*

*Yes. Section 4.100.1(b) states the Task Force shall consist of five (5) members, as follows:*

- *Seat 1 shall be held by the City Administrator or the City Administrator's designee, who must be an employee of the Office of the City Administrator.*
- *Seat 2 shall be held by the Controller or the Controller's designee, who must be an employee of the Office of the Controller.*
- *Seat 3 shall be held by the City Attorney or the City Attorney's designee, who must be an employee of the Office of the City Attorney.*
- *Seat 4 shall be held by a representative of organized labor representing the public sector, appointed by the President of the Board of Supervisors.*
- *Seat 5 shall be held by an individual with expertise in open and accountable government, appointed by the Mayor. The Mayor's appointment shall not be subject to rejection by the Board of Supervisors under Charter, Section 3.100(18).*

*Members in seats 4 and 5 shall serve at the pleasure of their appointing authority.*

- Term limits (i.e., commencement date? staggered terms? Length of term of appointments.)  
*(Pursuant to Board Rule 2.21, the enabling legislation shall include the commencement date and length of term of appointments.)*

*Yes. The terms commencement date is listed as no later than February 1, 2025.*

*No. There are no term limits or length of terms provided; however, the members are expected to sit for the entirety of the body's existence since the sunset date for the Task Force is December 31, 2026. The proposed measures have two different sunset dates referenced; this discrepancy must be addressed.*

- **Administering department**

*(Pursuant to Board Rule 2.21, the enabling legislation shall identify the City Department that will provide administrative services to the subordinate body.)*

*Yes. Section 4.100.1(a) states the City Administrator shall provide administrative support to the Task Force.*

- **Reporting requirements**

*(Past practices have shown the need to detail and codify the reporting requirements of a body.)*

*By no later than February 1, 2025, the Task Force shall convene for the purpose of advising the Mayor and the Board of Supervisors on ways to eliminate, consolidate, or limit the powers and duties of appointive boards and commissions for the more effective, efficient, and economical administration of City and County government, and introducing one or more ordinances to effectuate its recommendations. The Task Force shall have the powers and duties set forth herein and shall expire by operation of law 24 months after its first meeting.*

*By no later than February 1, 2026, the Task Force shall prepare and submit, to the Mayor and the Clerk of the Board of Supervisors, report containing the Streamlining Task Force's recommendations as to which existing appointive boards and commissions, if any, should be eliminated in their entirety, consolidated, revised to limit their powers and/or duties, or revised to expand their powers and/or duties as a result of a consolidation.*

- **Sunset date**

*(Pursuant to Board Rule 2.21, the enabling legislation shall include a sunset clause not to exceed three years.)*

*The Task Force shall sunset on December 31, 2026, and shall be removed from the Charter after such date. The proposed measures have two different sunset dates referenced; this discrepancy must be addressed.*

RE: File 240547 – Charter Amendment – Commission Reform

Dear Ms. Calvillo,

Should the proposed Charter amendment be approved by the voters, in my opinion, it would have a minimal impact on the cost of government. The extent of any cost reductions will depend on the findings of the newly created Task Force and any subsequent eliminations or changes to existing commissions.

The proposed Charter amendment would establish the Commission Streamlining Task Force to make recommendations to the Mayor and Board of Supervisors on modifying, eliminating, or combining the City's appointive boards and commissions.

Certain appointive boards and commissions pay stipends to the commissioners on a per meeting basis ranging from \$25 to \$500 per meeting, while some commissioners are paid between \$100 and \$500 per month. Not all commissioners receive stipends. For context, in fiscal year (FY) 2022-23 the City paid approximately 180 commissioners a total of \$350,000.

In addition to commissioner stipends and health insurance, commissions also require staff time from City employees who support commissions' operations and prepare briefing materials to present at hearings. The amount of staff time needed to support various commissions would likely fall if the City eliminated or combined said commissions – freeing staff to work on other government functions. Finally, To the extent the City hires additional staff to run the Commission Streamlining Task Force, the cost to government may increase slightly.

Sincerely,

*Natasha Mihal*

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Marianne Oest

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Brizette Rudas

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Terrence McKenna

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Senta Tsantilis

Dear San Francisco Board of Supervisors,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Lala Wu

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Agostinho Ferradeira

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Ron Pragides

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Cathryn Nelson

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Renee Berger

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Lindsey Liu

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Lisa Mann

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Hessah Aljiran

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Andrew Howell

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Samuel Dimond

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Karim ELKatcha

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Laurence Bardoff

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Loretta Wilcher

It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Barbra Paul Elzer

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

Dear Victor Young,

I'm writing to express my opposition to the recent "commission on commissions" charter amendment put forth by Board President Aaron Peskin, and urge you to vote against it.

Supervisor Peskin has done more than maybe any other elected official to break San Francisco's government—he can't be the one to fix it. His charter amendment doesn't guarantee any reduction in San Francisco's ~130 oversight commissions. It actually adds more bureaucracy, creating a completely unprecedented committee with a mandate to make new laws about commissions. As supervisors, I elected you to craft legislation. This is your job as a duly-elected representative for San Francisco. It would be incredibly disappointing to watch you delegate that fundamental authority to an unelected, unaccountable committee.

This charter amendment does nothing to improve city government or make it more effective. While I'm glad elected officials realize San Francisco needs reform, I hope you will vote in opposition to this hypocritical measure, and support real government reform in the future.

Sincerely,  
Raymond Fabrizio
