Be it ordained by the People of the City and County of San Francisco:

Section 1. Legislative Findings.

(a) San Francisco has long been a destination for artists, whose work has made a lasting impact on the City's culture and economy. According to a 2023 Arts Commission report, in a single year, San Francisco's Arts and Culture sector generated over \$1.3 billion in economic activity, supported more than 12,000 jobs, provided \$1.0 billion in personal income to residents, and generated \$221.9 million in tax revenue to local, state, and federal governments.

(b) Despite this significant economic and cultural contribution, the artists who power this sector are increasingly at risk of being pushed out of the City due to rising housing costs. A 2018 study commissioned by the Arts Commission revealed that 19% of surveyed artists living in San Francisco had been displaced from their homes within the previous two years. Additionally, a 2021 study also commissioned by the Arts Commission revealed that 62% of Bay Area artists, arts administrators, and arts educators identified affordable housing as their

1 greatest space needs within the Bay Area. In 2014 and 2015, the Arts Commission surveyed  
2 nearly 600 artists that either live or recently lived in San Francisco. Over 70% of respondents  
3 had been or were being displaced from their workplace, home, or both.

4 (c) To preserve and promote San Francisco's creative identity as a hub of creativity  
5 and cultural diversity, there is an urgent need to make it easier for San Francisco's low- and  
6 middle-income artists to live in the City. In response to similar challenges, policymakers at the  
7 state and federal levels have increasingly recognized the value of supporting artists through  
8 targeted housing policies.

9 (d) At the state level, California's legislature approved AB 812 (2023), which  
10 authorized cities and counties to reserve up to 10% of affordable housing units within cultural  
11 districts for artists, acknowledging the public benefit of such housing. In addition, affordable  
12 housing developers may use federal Low-Income Housing Tax Credits (LIHTC) for projects  
13 that contain units for artists.

14 (e) Other cities have successfully implemented artist housing programs. Boston's  
15 Mayor's Office of Arts and Culture has supported the development of permanently affordable  
16 artist live/work housing, creating over 250 residential units in partnership with nonprofit  
17 developers. The Boston's Mayor's Office of Arts and Culture qualifies artists through its Artist  
18 Housing Certification program. New York City has two of the oldest and best-known affordable  
19 artist housing projects, Westbeth and Manhattan Plaza – each over 50 years old. Artspace, a  
20 nonprofit real estate developer based in Minneapolis, has developed over 40 artist affordable  
21 housing units for artists projects around the country, totaling over 1,700 residential units. The  
22 Tannery Lofts in Santa Cruz is the closest to San Francisco. The recently completed  
23 Hollywood Arts Collective in Los Angeles – developed by the Los Angeles Entertainment  
24 Community Fund – provides 152 units of affordable housing for artists. These examples  
25

1 demonstrate that intentional artist housing policies are both feasible and effective at anchoring  
2 artists in place and strengthening communities.

3 (f) San Francisco is poised to lead in this space.

4 (g) A recent \$100 million private gift is helping to fund the 1687 Market Street project,  
5 a new development that will provide over 90 affordable apartments and creative spaces for  
6 artists—including rehearsal spaces and a black box theater. The project reflects growing civic  
7 and philanthropic momentum to invest in artist housing. This philanthropic investment  
8 underscores both the need and the opportunity to create a structured program that can  
9 support, certify, and replicate such efforts citywide.

10 (h) Implementing an Artist Housing Certification program aligns with the City’s broader  
11 objectives of promoting cultural equity, supporting the arts, and addressing the affordable  
12 housing crisis. By supporting the creation of stable affordable housing opportunities for artists,  
13 the City reinforces its commitment to preserving its uniquely diverse cultural landscape.

14  
15 Section 2. The Administrative Code is hereby amended by adding Section 2A.150.2, to  
16 read as follows:

17 **SEC. 2A.150.2. ARTS COMMISSION; ARTIST HOUSING CERTIFICATION.**

18 **(a) Artist Housing Certification Program and Registry. The Commission shall create and**  
19 **administer an Artist Housing Certification program. The purpose of the Artist Housing Certification**  
20 **program is to create a registry of artists who may qualify for affordable housing in San Francisco that**  
21 **is being programmed and/or prioritized for artists. For the purposes of this Section 2A.150.2,**  
22 **“affordable housing” shall have the same definition as a “100% Affordable Housing Project” under**  
23 **Administrative Code Section 109.1.**

24 **(1) The Commission shall maintain a registry of certified artists who have qualified for**  
25 **artist housing in San Francisco for use by other City and State agencies in their work to promote**

1 affordable housing in San Francisco, including, but not limited to, the Planning Department, Mayor's  
2 Office of Housing and Community Development (MOHCD), the Office of Community Investment and  
3 Infrastructure (OCII), and Housing Authority of the City and County of San Francisco (SFHA).

4 (2) The Commission shall provide individuals with the opportunity to apply for an artist  
5 housing certification at least twice per year.

6 (3) An artist housing certification shall be valid for up to five years. Individuals may  
7 renew their artist housing certification as many times as desired provided they can demonstrate they  
8 continue to meet the criteria for certification, as provided in this Section 2A.150.2 and by the  
9 Commission.

10 (4) The Commission may enter into contracts with individuals and/or entities to assist  
11 with the creation and administration of the Artist Housing Certification program. And, the  
12 Commission, and any of the Commission's contracted entities, may charge an administrative fee to  
13 applicants seeking certification, to entities seeking access to the Artist Housing Certification program  
14 registry for the purpose of marketing and leasing affordable housing units to artists, and to owners of  
15 affordable housing for certifying or re-certifying artists. Such administrative fees shall not exceed the  
16 estimated costs to cover the administrative expenses in connection with administering the Artist  
17 Housing Certification program and registry.

18 **(b) Implementation; Regulations.** The Commission may adopt regulations and/or guidance to  
19 interpret this ordinance and implement an Artist Housing Certification program. MOHCD shall help  
20 the Commission publish any guidance on how an affordable housing project can integrate priorities for  
21 artists with any applicable requirements for eligibility, marketing, and/or preferences under City  
22 funding or law. MOHCD shall also help the Commission publish any guidance for artists regarding the  
23 certification process and any other eligibility requirements for affordable housing that may apply.

24 **(c) Eligibility Criteria.**  
25

1                   (1) Scope. The Artist Housing Certification program is intended to cover artists

5                   (B) Media Arts: including television, radio, documentaries, digital media,  
6 animation, new media, and production related arts and entertainment workers.

7                   (C) Interdisciplinary Art: including installation art, public and performance art,

13                   (F) Folk Arts and Crafts: including beadwork, masks, textiles, jewelry, and  
14 glass.

15                   (2) Application Process; Eligibility. Individuals seeking certification shall file an  
16 application with the Commission upon a form provided by said Commission. The Commission shall  
17 include an artist on the registry upon finding that the applicant meets any of the following criteria:

18                   (A) The applicant provides documentation to demonstrate earnings over  
19 \$10,000 annually for three out of the last five years from one or more of the disciplines listed above.

20                   (B) The applicant has received a grant from a foundation, not-for-profit, federal,  
21 state, or local public agency, to produce art in one of the disciplines listed above within the past three  
22 years.

23                   (C) If the applicant does not meet either of the criteria above, then the applicant  
24 will be evaluated based on engagement in and professional commitment to artistic practice, which will  
25 be evaluated and determined based on a portfolio review by the Commission.

1  
2 (d) **Sunset Date.** This Section 2A.150.2 shall expire by operation of law if no affordable  
3 housing projects prioritizing artists under this Artist Housing Certification program have commenced  
4 construction within five years after the effective date of the ordinance adding this Section 2A.150.2.  
5

6 Section 3. Effective Date. This ordinance shall become effective 30 days after  
7 enactment. Enactment occurs when the Mayor signs the ordinance, the Mayor returns the  
8 ordinance unsigned or does not sign the ordinance within ten days of receiving it, or the Board  
9 of Supervisors overrides the Mayor's veto of the ordinance.  
10

11 Section 4. Scope of Ordinance. In enacting this ordinance, the Board of Supervisors  
12 intends to amend only those words, phrases, paragraphs, subsections, sections, articles,  
13 numbers, punctuation marks, charts, diagrams, or any other constituent parts of the Municipal  
14 Code that are explicitly shown in this ordinance as additions, deletions, Board amendment  
15 additions, and Board amendment deletions in accordance with the "Note" that appears under  
16 the official title of the ordinance.  
17

18 Section 5. Severability. If any section, subsection, sentence, clause, phrase, or word  
19 of this ordinance, or any application thereof to any person or circumstance, is held to be  
20 invalid or unconstitutional by a decision of a court of competent jurisdiction, such decision  
21 shall not affect the validity of the remaining portions or applications of the ordinance. The  
22 Board of Supervisors hereby declares that it would have passed this ordinance and each and  
23 every section, subsection, sentence, clause, phrase, and word not declared invalid or  
24 unconstitutional without regard to whether any other portion of this ordinance or application  
25 thereof would be subsequently declared invalid or unconstitutional.

1  
2           Section 6. Undertaking for the General Welfare. In enacting and implementing this  
3 ordinance, the City is assuming an undertaking only to promote the general welfare. It is not  
4 assuming, nor is it imposing on its officers and employees, an obligation for breach of which it  
5 is liable in money damages to any person who claims that such breach proximately caused  
6 injury.

## **LEGISLATIVE DIGEST**

[Administrative Code - Artist Housing Certification Program]

**Ordinance amending the Administrative Code to require the Arts Commission to develop and administer a certification process to identify artists in San Francisco who may be eligible for affordable housing for artists.**

### **Existing Law**

Currently, there is no law requiring the Arts Commission to establish and maintain an Artist Housing Certification program.

### **Amendments to Current Law**

The proposed ordinance would require the Arts Commission to establish an Artist Housing Certification program and maintain a registry of artists who may qualify for affordable housing in San Francisco that is being programmed and/or prioritized for artists.

### **Background Information**

Currently, the City lacks an Artist Housing Certification program. A recent \$100 million private gift is helping to fund the 1687 Market Street project, a new development that will provide over 90 affordable apartments and creative spaces for artists—including rehearsal spaces and a black box theater. This philanthropic investment underscores both the need and the opportunity to create an Artist Housing Certification program to replicate such efforts citywide. By supporting the creation of stable affordable housing opportunities for artists, the City reinforces its commitment to preserving its uniquely diverse cultural landscape.

Be it ordained by the People of the City and County of San Francisco:

Section 1. Legislative Findings.

(a) San Francisco has long been a destination for artists, whose work has made a lasting impact on the City's culture and economy. According to a 2023 Arts Commission report, in a single year, San Francisco's Arts and Culture sector generated over \$1.3 billion in economic activity, supported more than 12,000 jobs, provided \$1.0 billion in personal income to residents, and generated \$221.9 million in tax revenue to local, state, and federal governments.

(b) Despite this significant economic and cultural contribution, the artists who power this sector are increasingly at risk of being pushed out of the City due to rising housing costs. A 2018 study commissioned by the Arts Commission revealed that 19% of surveyed artists living in San Francisco had been displaced from their homes within the previous two years. Additionally, a 2021 study also commissioned by the Arts Commission revealed that 62% of Bay Area artists, arts administrators, and arts educators identified affordable housing as their

1 greatest space needs within the Bay Area. In 2014 and 2015, the Arts Commission surveyed  
2 nearly 600 artists that either live or recently lived in San Francisco. Over 70% of respondents  
3 had been or were being displaced from their workplace, home, or both.

4 (c) To preserve and promote San Francisco's creative identity as a hub of creativity  
5 and cultural diversity, there is an urgent need to make it easier for San Francisco's low- and  
6 middle-income artists to live in the City. In response to similar challenges, policymakers at the  
7 state and federal levels have increasingly recognized the value of supporting artists through  
8 targeted housing policies.

9 (d) At the state level, California's legislature approved AB 812 (2023), which  
10 authorized cities and counties to reserve up to 10% of affordable housing units within cultural  
11 districts for artists, acknowledging the public benefit of such housing. In addition, affordable  
12 housing developers may use federal Low-Income Housing Tax Credits (LIHTC) for projects  
13 that contain units for artists.

14 (e) Other cities have successfully implemented artist housing programs. Boston's  
15 Mayor's Office of Arts and Culture has supported the development of permanently affordable  
16 artist live/work housing, creating over 250 residential units in partnership with nonprofit  
17 developers. The Boston's Mayor's Office of Arts and Culture qualifies artists through its Artist  
18 Housing Certification program. New York City has two of the oldest and best-known affordable  
19 artist housing projects, Westbeth and Manhattan Plaza – each over 50 years old. Artspace, a  
20 nonprofit real estate developer based in Minneapolis, has developed over 40 artist affordable  
21 housing units for artists projects around the country, totaling over 1,700 residential units. The  
22 Tannery Lofts in Santa Cruz is the closest to San Francisco. The recently completed  
23 Hollywood Arts Collective in Los Angeles – developed by the Los Angeles Entertainment  
24 Community Fund – provides 152 units of affordable housing for artists. These examples  
25

demonstrate that intentional artist housing policies are both feasible and effective at anchoring artists in place and strengthening communities.

(f) San Francisco is poised to lead in this space.

(g) A recent \$100 million private gift is helping to fund the 1687 Market Street project, a new development that will provide over 90 affordable apartments and creative spaces for artists—including rehearsal spaces and a black box theater. The project reflects growing civic and philanthropic momentum to invest in artist housing. This philanthropic investment underscores both the need and the opportunity to create a structured program that can support, certify, and replicate such efforts citywide.

(h) Implementing an Artist Housing Certification program aligns with the City's broader objectives of promoting cultural equity, supporting the arts, and addressing the affordable housing crisis. By supporting the creation of stable affordable housing opportunities for artists, the City reinforces its commitment to preserving its uniquely diverse cultural landscape.

Section 2. The Administrative Code is hereby amended by adding Section 2A.150.2, to read as follows:

**SEC. 2A.150.2. ARTS COMMISSION; ARTIST HOUSING CERTIFICATION.**

**(a) Artist Housing Certification Program and Registry. The Commission shall create and administer an Artist Housing Certification program. The purpose of the Artist Housing Certification program is to create a registry of artists who may qualify for affordable housing in San Francisco that is being programmed and/or prioritized for artists. For the purposes of this Section 2A.150.2, "affordable housing" shall have the same definition as a "100% Affordable Housing Project" under Administrative Code Section 109.1.**

**(1) The Commission shall maintain a registry of certified artists who have qualified for artist housing in San Francisco for use by other City and State agencies in their work to promote**

1 affordable housing in San Francisco, including, but not limited to, the Planning Department, Mayor's  
2 Office of Housing and Community Development (MOHCD), the Office of Community Investment and  
3 Infrastructure (OCII), and Housing Authority of the City and County of San Francisco (SFHA).

4 (2) The Commission shall provide individuals with the opportunity to apply for an artist  
5 housing certification at least twice per year.

6 (3) An artist housing certification shall be valid for up to five years. Individuals may  
7 renew their artist housing certification as many times as desired provided they can demonstrate they  
8 continue to meet the criteria for certification, as provided in this Section 2A.150.2 and by the  
9 Commission.

10 (4) The Commission may enter into contracts with individuals and/or entities to assist  
11 with the creation and administration of the Artist Housing Certification program. And, the  
12 Commission, and any of the Commission's contracted entities, may charge an administrative fee to  
13 applicants seeking certification, to entities seeking access to the Artist Housing Certification program  
14 registry for the purpose of marketing and leasing affordable housing units to artists, and to owners of  
15 affordable housing for certifying or re-certifying artists. Such administrative fees shall not exceed the  
16 estimated costs to cover the administrative expenses in connection with administering the Artist  
17 Housing Certification program and registry.

18 (b) Implementation; Regulations. The Commission may adopt regulations and/or guidance to  
19 interpret this ordinance and implement an Artist Housing Certification program. MOHCD shall help  
20 the Commission publish any guidance on how an affordable housing project can integrate priorities for  
21 artists with any applicable requirements for eligibility, marketing, and/or preferences under City  
22 funding or law. MOHCD shall also help the Commission publish any guidance for artists regarding the  
23 certification process and any other eligibility requirements for affordable housing that may apply.
