Re: Twin Peaks Open Space - XT-38-009 - \$350,000

Dear Toni Moran:

Congratulations! California State Parks' Office of Grants and Local Services (OGALS) is pleased to inform you that the project identified above has been selected for funding under the Habitat Conservation Fund (HCF) Program.

A representative from your agency must attend an HCF Grant Administration workshop to learn more about the HCF contract and grant administration process. Workshop attendance is mandatory prior to receiving a grant contract. Information on the mandatory workshop will be provided soon. **Do not begin project work until you receive a fully-executed grant contract.** OGALS will initiate a contract and send it to you for signature after attending the mandatory workshop.

HCF grant administration information is available at www.parks.ca.gov/hcf. If you have questions about your project or the HCF Program, please contact your Grant Administration Project Officer.

Congratulations again on your successful application! OGALS looks forward to working with you to deliver quality recreation opportunities to your constituents.

Sincerely,
