14 Section 1. FINDINGS. The Board of Supervisors of the City and County of  
15 San Francisco hereby finds, determines and declares, based on the record before it, including  
16 but not limited to information contained in the Report on the Redevelopment Plan (a copy of  
17 which is on file with the Clerk of the Board in File No. 060343 and is incorporated herein by  
18 reference as though fully set forth) that:

19 A. The Redevelopment Agency of the City and County of San Francisco (the  
20 "Agency") has prepared a proposed amendment to the Redevelopment Plan for the Hunters  
21 Point Redevelopment Project to establish the Redevelopment Plan for the Bayview Hunters  
22 Point Redevelopment Project (the "Redevelopment Plan").

23 B. On October 1, 1996, the Agency, by Resolution No. 153-96, requested that the  
24 Board of Supervisors pass a resolution calling for the election of a Redevelopment Project  
25 Area Committee for the Bayview Hunters Point Redevelopment Project Area. On  
November 27, 1996, the Board of Supervisors, by Resolution No. 1075-96, approved and

1 adopted "Articles of Formation for the Redevelopment Project Area Committee for the  
2 Bayview Hunters Point Redevelopment Project. On January 16, 1997, an election was held in  
3 the Project Area for the proposed Redevelopment Plan for the purposes of forming a Project  
4 Area Committee. On February 21, 1997, the Board of Supervisors, by Resolution No. 145-97,  
5 found that the appropriate election procedures were followed and that the members of the  
6 Bayview Hunters Point Project Area Committee (the "PAC") -had been duly elected.

7 C. Working with the PAC, the Agency has prepared a -proposed Redevelopment  
8 Plan that would add approximately 1,361 acres to the current Hunters Point Redevelopment  
9 Project Area, which ~~is including~~ an area labeled by the proposed Redevelopment Plan as  
10 "Project Area A" consisting of 137 acres of a predominantly urbanized area in the City and  
11 containing the residential neighborhood located on Hunters Point Hill. The Redevelopment  
12 Plan labels the additional 1,361 acres as "Project Area B," and the under the Redevelopment  
13 Plan, the Agency would undertake a variety of projects and activities to alleviate blighting  
14 conditions. Project Area A and Project Area B are collectively referred to herein as the  
15 "Project Area." The Redevelopment Plan will focus public investment in seven activity nodes  
16 and will attempt to reinforce and strengthen certain existing neighborhood characteristics  
17 within each node.

18 D. The PAC has reviewed and considered the Redevelopment Plan on numerous  
19 occasions, including PAC meetings held on September 16, 2004, March 1, 2006, and March  
20 6, 2006. On March 6, 2006, the PAC considered amendments to the Redevelopment Plan,  
21 that, among other things, strictly limited eminent domain policies and, with these  
22 amendments, the PAC voted to recommend the Redevelopment Plan adoption to the Board of  
23 Supervisors.

1 E. Pursuant to Section 33352 of the California Community Redevelopment Law  
2 (Health and Safety Code Sections 33000 et seq., the "Redevelopment Law"), the Agency has  
3 prepared the Report on the Redevelopment Plan, referenced at the beginning of this Section  
4 1. The Report on the Redevelopment Plan has been made available to the public on or  
5 before the date of the notice of the public hearing (referenced in Section 1.N below) on this  
6 Ordinance approving the Redevelopment Plan.

7 F. On February 24, 2006, the Redevelopment Agency transmitted the  
8 proposed Redevelopment Plan to the Planning Commission pursuant to Section 33346 of the  
9 Redevelopment Law for the Planning Commission's report and recommendation concerning  
10 the Redevelopment Plan and its conformity with the General Plan. On March 2, 2006, at a  
11 duly noticed joint public hearing with the Redevelopment Agency Commission, the Planning  
12 Commission, after certifying the completion of the Final Environmental Impact Report for the  
13 Redevelopment Plan as described more fully in Section 1.I below, adopted Motion No. 17203,  
14 which found that the Redevelopment Plan is, on balance, consistent with the General Plan as  
15 proposed for amendment and in conformity with the Eight Priority Policies of Section 101.1 of  
16 the Planning Code. A copy of the Planning Commission Motion is on file with the Clerk of the  
17 Board of Supervisors in File No 060343 and is incorporated herein by reference as though  
18 fully set forth. This Board, for the reasons specified in the aforementioned Motion, adopts as  
19 its own the findings of the Planning Commission that the Redevelopment Plan is consistent  
20 with the General Plan and in conformity with Planning Code Section 101.1.

21 G. On March 7, 2006, after holding a duly noticed public hearing, the  
22 Redevelopment Agency unanimously adopted its Resolution Nos. 32-2006 and 33-2006,  
23 which, among other things, approved the Report on the Redevelopment Plan and the  
24 adoption of the PAC-approved Redevelopment Plan. In addition, the Agency adopted a  
25

1 Relocation Plan by Resolution No. 34-2006. The Redevelopment Agency has transmitted  
2 certified copies of these Resolutions to this Board of Supervisors and attached its report to  
3 the Board of Supervisors and its recommendation for the adoption of the Redevelopment Plan  
4 for the Bayview Hunters Point Redevelopment Project Area. Copies of the Redevelopment  
5 Plan and the Agency's Resolutions Nos. 32-2006, 33-2006, and 34-2006 are on file with the  
6 Clerk of the Board of Supervisors in File No. 060343, and are incorporated herein by  
7 reference as though fully set forth.

8 H. Pursuant to Sections 33220, 33343, 33344 and 33370 of the California Health  
9 and Safety Code, and in order to promote development in accordance with the objectives and  
10 purposes of the Redevelopment Plan and documents relating to the Redevelopment Plan, the  
11 City intends to aid and cooperate with the Agency to undertake and complete proceedings  
12 and actions necessary to be carried out by the City under the provisions of the  
13 Redevelopment Plan and provide for the expenditure of monies by the community in carrying  
14 out the Redevelopment Plan.

15 I. On March 2, 2006, the Planning Commission by Motion No. 17200 and the  
16 Redevelopment Agency Commission by Resolution No. 21-2006, as co-lead agencies,  
17 certified the completion of the Final Environmental Impact Report for the Bayview Hunters  
18 Point Redevelopment Projects and Zoning proposal ("Project") of which the Redevelopment  
19 Plan forms a part. On the same date, the Planning Commission by Motion No 17201, and  
20 making findings that various actions related to the Redevelopment Plan and other  
21 aspects of the Project were in compliance with the California Environmental Quality Act  
22 ("CEQA") (California Public Resources Code Sections 21000 et seq.), the CEQA Guidelines  
23 (14 Cal. Code Regs. Section 15000 et seq.) and Chapter 31 of the San Francisco  
24 Administrative Code. On March 7, 2006, the Redevelopment Agency, by Resolution No. 31-  
25

1 2006, adopted environmental findings pursuant to CEQA with respect to approval of the  
2 Project, including a mitigation monitoring and reporting program and a statement of overriding  
3 considerations. The Planning Commission Motions No. 17200 and No. 17201, the  
4 Redevelopment Agency Resolutions No. 21-2006 and No. 31-2006, the findings, including a  
5 mitigation monitoring and reporting program and a statement of overriding considerations with  
6 respect to the Project, and all documents related thereto, are either in the files of the City  
7 Planning Department, as the custodian of records, at 1660 Mission Street in San Francisco, or  
8 on file with the Clerk of the Board of Supervisors in File No. 060343 and are incorporated  
9 herein by reference.

10 J. At the hearing before the Planning Commission on March 2, 2006, a member of  
11 the public asserted that the Final EIR did not contain specific information regarding the  
12 environmental impacts on the Bayview Hunters Point area resulting from radioactive  
13 substances that may be present on the Hunters Point Shipyard. The record before the City  
14 and County of San Francisco, including the Board of Supervisors, at the time that it  
15 considered approval actions related to development of Parcel A of the Hunters Point Shipyard  
16 in December 2004 contained substantial evidence that radioactive substances that may be  
17 present at the Hunters Point Shipyard do not pose a risk to areas outside of the Shipyard or to  
18 future residents of Parcel A. The Planning Department has provided relevant information  
19 concerning this issue to the Board of Supervisors, which is on file with the Clerk of the Board  
20 in File No. 060343.

21 K. The Board of Supervisors has reviewed and considered the Final EIR and the  
22 environmental documents on file referred to herein. The Board of Supervisors has reviewed  
23 and considered the CEQA Findings adopted by the Planning Commission on March 2, 2006,  
24 with respect to the Project, as well as the environmental findings, including the mitigation  
25

1 monitoring and reporting program and statement of overriding considerations adopted by the  
2 Redevelopment Agency on March 7, 2006, and determined that said findings remain valid for  
3 the actions contemplated in this Ordinance and the Board hereby adopts as its own and  
4 incorporates the CEQA Findings contained in Planning Commission Motion 17201 and  
5 Redevelopment Agency Resolution No. 31-2006, by reference as though such findings were  
6 fully set forth in this Ordinance.

7 L. The Board of Supervisors endorses the implementation of the mitigation  
8 measures identified in the Planning Commission's and Redevelopment Agency's CEQA  
9 Findings for implementation by other City Departments and recommends for adoption those  
10 mitigation measures that are enforceable by agencies other than City agencies, all as set forth  
11 in the CEQA Findings, including the mitigation monitoring and reporting program contained in  
12 the referenced CEQA Findings.

13 M. The Board of Supervisors finds that no substantial changes have occurred in the  
14 Project proposed for approval under this Ordinance that will require revisions in the Final EIR  
15 due to the involvement of new significant environmental effects or a substantial increase in the  
16 severity of previously identified significant effects, no substantial changes have occurred with  
17 respect to the circumstances under which the Project proposed for approval under the  
18 Ordinance are undertaken which will require major revisions to the Final EIR due to the  
19 involvement of new environmental effects or a substantial increase in the severity of effects  
20 identified in the Final EIR and no new information of substantial importance to the Project as  
21 proposed for approval in the Ordinance has become available which indicates that (1) the  
22 Project will have significant effects not discussed in the Final EIR, (2) significant  
23 environmental effects will be substantially more severe, (3) mitigation measure or alternatives  
24 found not feasible which would reduce one or more significant effects have become feasible  
25

1 or (4) mitigation measures or alternatives which are considerably different from those in the  
2 Final EIR would substantially reduce one or more significant effects on the environment.

3 N. On May 9, 2006, the Board of Supervisors held a duly noticed  
4 public hearing on the Redevelopment Plan. The hearing has been closed. Notice of such  
5 hearing was published in accordance with Section 33361 of the California Health and Safety  
6 Code, in the San Francisco Examiner, a newspaper of general circulation, printed, published  
7 and distributed in the City and County of San Francisco describing the boundaries of the  
8 proposed Project Area and stating the day, hour and place when and where any interested  
9 persons may appear before the Board of Supervisors to object to the Redevelopment Plan.  
10 At such hearing the Board considered the report and recommendations of the Agency and the  
11 Planning Commission, the Final Environmental Impact Report for the Redevelopment Plan,  
12 and all evidence and testimony for and against the proposed Redevelopment Plan. The  
13 Board hereby adopts findings to the extent required by the Community Redevelopment Law  
14 as set forth in Section 4 of this Ordinance.

15 O. Pursuant to Sections 33205 and 33128 of the Community Redevelopment Law,  
16 the Agency ~~may shall~~ delegate to the City's Planning Department certain administration of the  
17 development controls over the Project Area set forth in the Redevelopment Plan. Consistent  
18 with this authority, ~~on \_\_\_\_\_, the Agency's Commission, pursuant to Resolution No.~~  
19 ~~\_\_\_\_\_, approved a Project Delegation Agreement with the City's Planning Department, and~~  
20 ~~on \_\_\_\_\_, and the City's Planning Department's Commission shall approve a, pursuant~~  
21 ~~to Resolution No. \_\_\_\_\_, approved the Delegation Agreement prior to the effective date of this~~  
22 Ordinance. The Delegation Agreement shall require, among other things, that the Agency  
23 and Department, prior to approval of significant land use proposals, consider community input  
24 from the PAC, property owners, occupants and residents neighboring the site of a proposed  
25

1 project, interested neighborhood groups, including those groups who represent affected areas  
2 adjoining the Project Area, and the general public.

3 Section 2. PURPOSES AND INTENT. The purposes and intent of the Board of  
4 Supervisors with respect to this Ordinance are to adopt the Redevelopment Plan in  
5 accordance with the Redevelopment Law and to achieve the objectives for redevelopment of  
6 the Project Area specified in the Redevelopment Plan.

7 Section 3. By this reference, the Redevelopment Plan, a copy of which is on file with  
8 the Clerk of the Board of Supervisors under File No. 060343, is incorporated in and  
9 made a part of this Ordinance with the same force and effect as though set forth fully herein.

10 Section 4. FURTHER FINDINGS AND DETERMINATIONS UNDER THE  
11 COMMUNITY REDEVELOPMENT LAW. The Board of Supervisors hereby further finds,  
12 determines and declares, based on the record before it, including but not limited to information  
13 contained in the Report on the Redevelopment Plan, that:

14 A. Project Area B, which is being added to the existing Hunters Point  
15 Redevelopment Project Area by the proposed Redevelopment Plan, is a blighted area (as  
16 described in the Report on the Plan), the redevelopment of which is necessary to effectuate  
17 the public purposes declared in the Community Redevelopment Law. Project Area A is  
18 already a part of the existing Hunters Point Redevelopment Project Area, and implementation  
19 of the Plan will address blight remaining in Project Area A.

20 B. The Redevelopment Plan will redevelop Project Area A and Project Area B as  
21 set forth in the Report on the Redevelopment Plan in conformity with the Redevelopment Law  
22 and is in the interests of the public peace, health, safety, and welfare. The carrying out of the  
23 Redevelopment Plan will promote the public peace, health, safety and welfare of the  
24  
25

1 community and effectuate the purposes and policies of the Redevelopment Law as generally  
2 described in the Report on the Redevelopment Plan.

3 C. The adoption and carrying out of the Redevelopment Plan is economically  
4 sound and feasible as described in the Report on the Redevelopment Plan.

5 D. For the reasons set forth in Section 1.F of this Ordinance, the Redevelopment  
6 Plan, once effective, will be consistent with the General Plan of the City and County of  
7 San Francisco, as amended, including, but not limited to, the housing element of the General  
8 Plan, which substantially complies with the requirements of Article 10.6 (commencing with  
9 Section 65580) of Chapter 3 of Division 1 of Title 7 of the California Government Code and  
10 other applicable requirements of law, and is consistent with the eight Priority Policies in City  
11 Planning Code Section 101.1.

12 E. The Redevelopment Plan prohibits the Agency from using eminent domain in  
13 the following circumstances: to acquire property in a residentially-zoned district (an "R" zone  
14 as defined by the Planning Code on the effective date of the Redevelopment Plan), to acquire  
15 property that contains legally occupied dwelling units, to acquire property owned by churches  
16 and other religious institutions as defined in Planning Code Section 209.3(i), to acquire  
17 publicly-owned property, and to acquire other property without following certain procedures  
18 and finding certain conditions. Nonetheless, the condemnation of real property, to the limited  
19 extent provided for in the Redevelopment Plan may be necessary for the execution of the  
20 Redevelopment Plan. Adequate provisions have been made in the Redevelopment Plan for  
21 payment for property to be so acquired as provided by law.

22 F. As stated in Section 4. E above, the Redevelopment Plan does not authorize the  
23 use of eminent domain to displace persons from residentially-zoned areas and legally-  
24 occupied dwelling units and in other contexts. Nonetheless, if displacement occurs through  
25

1 other means, the Agency has a feasible method or plan for the relocation of families and  
2 persons displaced from the Project Area. There are, or shall be provided, in the Project Area  
3 or in other areas not generally less desirable in regard to public utilities and public and  
4 commercial facilities and at rents or prices within the financial means of the families and  
5 persons displaced from the Project Area, decent, safe, and sanitary dwellings equal in number  
6 to the number of and available to the displaced families and persons and reasonably  
7 accessible to their places of employment.

8 J. Families and persons shall not be displaced prior to the adoption of a relocation  
9 plan pursuant to Sections 33411 and 33411.1 of the California Health and Safety Code.  
10 Dwelling units housing persons and families of low or moderate income shall not be removed  
11 or destroyed prior to the adoption of a replacement housing plan pursuant to  
12 Sections 33334.5, 33413, and 33413.5 of the California Health and Safety Code.

13 K. There are no non-contiguous areas in the Project Area A and Project Area B,  
14 combined. Areas within Project Area B, however, are not ~~contiguous~~contiguous to other  
15 areas of Project Area B, but all areas are necessary for the effective redevelopment of Project  
16 Area B.

17 L. The Project Area includes lands, buildings and improvements which are not  
18 individually detrimental to the public health, safety or welfare but which are necessary for the  
19 effective redevelopment of the Project Area. All areas included in the Project Area are  
20 necessary for effective redevelopment of the Project Area, and no areas in the Project Area  
21 are included solely for the purpose of obtaining an allocation of tax increment revenues from  
22 the Project Area pursuant Section 33670 of the California Health and Safety Code without  
23 other substantial justification for its inclusion.

1 M. The Board of Supervisors shall not approve any allocation of property tax  
2 increment from portions of the Project Area outside of the Candlestick Point Special Use  
3 District for use within the Candlestick Point Special Use District for the development of a  
4 stadium-related project.

5 NM. The elimination of blight and the redevelopment of the Project Area could not  
6 reasonably be expected to be accomplished by private enterprise acting alone without the aid  
7 and assistance of the Agency.

8 ON. The Project Area is predominantly urbanized, as defined by California Health  
9 and Safety Code Section 33320.1(b).

10 PO. The time limitation and the limitation on the number of dollars to be allocated to  
11 the Agency that are contained in the Redevelopment Plan are reasonably related to the  
12 proposed projects to be implemented in the Project Area and to the ability of the Agency to  
13 eliminate blight within the Project Area.

14 QP. This Board of Supervisors is satisfied that, if there is any displacing activity,  
15 permanent housing facilities will be available within three (3) years from the time occupants of  
16 the Project Area are displaced and that, pending the development of the facilities, there will be  
17 available to the displaced occupants adequate temporary housing facilities at rents  
18 comparable to those in the community at the time of their displacement.

19 Section 5. Section 1.2.5 of the Redevelopment Plan requires the City Services  
20 Auditor to conduct periodic performance audits of the activities of the Agency and other  
21 relevant City departments in implementing the Redevelopment Plan. That audit shall occur no  
22 less frequently than once every three (3) years from the effective date of this Ordinance.

1        Section 6 Pursuant to Section 33365 of the California Health and Safety Code, the  
2 Board of Supervisors hereby approves and adopts the Redevelopment Plan as the official  
3 Redevelopment Plan for the Project Area.

4            Section 67. The Clerk of the Board of Supervisors shall without delay (1) transmit a  
5 copy of this Ordinance to the Agency pursuant to California Health and Safety Code  
6 Section 33372, whereupon the Agency shall be vested with the responsibility for carrying out  
7 the Redevelopment Plan, (2) record or ensure that the Agency records a description of the  
8 Project Area and a certified copy of this Ordinance pursuant to California Health and Safety  
9 Sections 33373, and (3) transmit, by certified mail, return receipt requested, a copy of this  
10 Ordinance, together with a copy of the Redevelopment Plan, which contains a legal  
11 description of the Project Area and a map indicating the boundaries of the Project Area, to the  
12 Controller, the Tax Assessor, the State Board of Equalization and the governing body of all  
13 taxing agencies in the Project Area pursuant to California Health and Safety Code  
14 Sections 33375 and 33670.

15            Section 78. In accordance with Sections 33220, 33343, 33344 and 33370 of the  
16 Community Redevelopment Law, the Board of Supervisors declares its intent to undertake  
17 and complete actions and proceedings necessary to be carried out by the City under the  
18 Redevelopment Plan and related Plan Documents (as defined in the Redevelopment Plan)  
19 and authorizes and urges the Mayor and other applicable officers, commissions and  
20 employees of the City to take any and all steps as they or any of them deem necessary or  
21 appropriate, in consultation with the City Attorney, to cooperate with the Agency in the  
22 implementation of the Redevelopment Plan and to effectuate the purposes and intent of this  
23 Ordinance, such determination to be conclusively evidenced by the execution and delivery by  
24 such person or persons of any such documents. Such steps shall include, but not be limited  
25

1 to (i) the execution and delivery of any and all agreements, notices, consents and other  
2 instruments or documents (including, without limitation, execution by the Mayor, or the  
3 Mayor's designee, of any agreements to extend any applicable statutes of limitation) and  
4 (ii) the institution and completion of proceedings for the closing, vacating, opening,  
5 acceptance of dedication and other necessary modifications of public streets, sidewalks,  
6 street layout and other rights-of-way in the Project Area.

7 Section 89. The approval under this Ordinance shall take effect upon the effective  
8 date of the amendments to the General Plan approved under Board of Supervisors Ordinance  
9 No. 106-06, a copy of which is on file with the Clerk of the Board of Supervisors in  
10 File No. 060354 and is incorporated herein by reference as if fully set forth.
