Statement of Interest in Being Reappointed to SFPUC Seat #4: Experience in water systems, power systems, or public utility management

It was my privilege for the last 26 years of my professional life to work for the City and County of San Francisco. I was motivated by knowing that the work was important, challenged by the work, and rewarded by close association with outstanding people. I found my passion in working with the Public Utilities Commission. I retired in 2000.

During retirement I have found meaning in doing things that are fulfilling unhindered by economic concerns. For that I am deeply grateful to San Francisco.

My retirement activities include:

- Volunteering with Rebuilding Together San Francisco, supporting aging-in-place by making home safety improvements for seniors;
- Serving on the Board of Trustees of the Lamplighters Music Theatre;
- Creating a small business that makes custom photo books of people's homes; and
- Since 2009, serving on the Public Utilities Commission.

Serving on the Public Utilities Commission has been especially rewarding in that it feeds my passion, makes use of my considerable experience, and provides an opportunity to contribute to the city, organization and people that I love.

Each Commission member finds their own interests and how to make their own contribution. My interests are principally the following:

- The people of San Francisco have shouldered a considerable rate burden and placed a high degree of trust in the PUC in undertaking large capital programs to rejuvenate its aging utility infrastructure. The PUC has a high obligation to make sure that the

money given to us is spent wisely and effectively and thereby earn ratepayers trust every day.

- We and our customers face significant water supply challenges from population growth, climate change, and efforts to improve fisheries. Those issues are simple in concept and complex in fact. We need to serve both our customers and our ideals. That process is helped by understanding the issues deeply.
- We have taken on a new and different business in implementing Community Choice Aggregation. While driven by policy, CCA presents very real business challenges. My interest is to proceed intelligently and in a manner that manages risk effectively.

It would be my honor and pleasure to continue serving you, the Board of Supervisors and the people of San Francisco for another term on the Public Utilities Commission.

Thank you for your consideration.

Dear Chair Safai,

I am pleased to write to you in support of Commissioner Anson B. Moran's reappointment to the San Francisco Public Utilities Commission (SFPUC).

During my years as both Mayor of San Francisco and United States Senator, I have had the pleasure of working with Commissioner Moran on important utility initiatives, including negotiations with the Modesto and Turlock Irrigation Districts, power negotiations with PG&E, and the 1994 Bay Delta Accord.

Having served as General Manager of Hetch Hetchy Water and Power from 1988 to 1993, and General Manager of the SFPUC from 1993 to 2000, Commissioner Moran offers a high level of insight into utility issues important to our city.

I believe Commissioner Moran will continue to bring invaluable knowledge of SFPUC issues to the Commission and serve the City and County of San Francisco well. Thank you for considering his reappointment to the SFPUC.

Sincerely,

Re: Anson Moran's Reappointment to the San Francisco Public Utilities Commission

President of the Board, Malia Cohen
Members of the Board of Supervisors

Attn: Alisa Somera, Clerk of the Rules Committee

I write in support of the reappointment of Anson Moran to a seat on the San Francisco Public Utilities Commission. Mr. Moran is extremely well qualified for the position given his background as General Manager of the PUC and his current tenure on the Commission. He is also well connected with, and knowledgeable about, California and national water and political leaders and water issues.

Mr. Moran hired me for my first position with the City and County, working in the Finance Bureau of the PUC. Anson was the head of the Hetch Hetchy system and I was the head of the Finance Bureau when I became City Controller. Anson and I continued to work together until he retired. But when I was appointed the PUC General Manager in 2008 Anson was the first person I recommended the Mayor appoint to the PUC. At that time, and today, I find him to be an honest, independent, knowledgeable commissioner.

As we look at major water issues in California, the PUC needs leaders with both the history of our system and the ability to think about larger statewide water issues. I ask that you reappoint Mr. Moran to the San Francisco Public Utilities Commission.

Sincerely,

s/Ed Harrington

Dear Chair Safai,

It is with great pleasure that I write in support of Commissioner Anson Moran's reappointment to the San Francisco Public Utilities Commission (SFPUC).

Through my service on the SFPUC Citizen Advisory Committee, including two terms as Chair in from 2014-2015 and 2016-2017, Commissioner Moran and I have worked together to advance important priorities for the SFPUC and the City and County of San Francisco:

Commissioner Moran has supported my leadership in advancing education and youth workforce programs to help prepare young people for career opportunities at the SFPUC. In our time working together, he has also been a true supporter of local hire and labor unions, both of which have made San Francisco's utility sector a stronger workforce with more equitable career pathways.

As a former general manager of the SFPUC, having held the position from 1993 to 2000, and with over four decades of experience working on the City and County of San Francisco's water, wastewater and power issues, Commissioner Moran carries a distinct level of investment in the success of the agency. As general manager, Commissioner Moran helped elevate the SFPUC as a local, state, and national utility leader, including being a founding member of the California Urban Water Agencies.

As a colleague and friend, I have greatly appreciated the career-long utility expertise, support for community and stakeholder engagement, and compassionate work style that Commissioner Moran brings to the SFPUC. His leadership and utility experience have proven to be invaluable to all who work with him and I cannot think of anyone more appropriate to serve in the fourth seat of the Commission.

Thank you for your consideration.

Subject: Support for the reappointment of Anson Moran to the San Francisco Public Utilities Commission

I am writing to recommend the reappointment of Anson Moran to the San Francisco Public Utilities Commission (SFPUC). I have had the pleasure of knowing Mr. Moran for over thirty years. During that time he has served the City and County of San Francisco in a number of capacities, including General Manager of the SFPUC and a member of the Public Utilities Commission. I am writing as the former Chief Financial Officer of two major San Francisco Departments (Recreation and Park Department and San Francisco Human Services Agency) and as the Debt Administrator of the SFPUC during Mr. Moran's tenure as General Manager of the SFPUC.

During his tenure on the Commission, Mr. Moran has served as President of the Commission twice. Both as General Manager of the SFPUC and as a Commission member, Mr. Moran has presided over the development and implementation of the Water Supply Improvement Plan, the recovery from the Rim Fire and the development and financing of system-wide improvements to the San Francisco sewer system. He has also kept the SFPUC on sound financial footing as demonstrated by consistently high ratings for SFPUC bonds.

San Francisco is lucky to have the services of Mr. Moran on the SFPUC. He is extremely knowledgeable about the water, power and sewer systems under the jurisdiction of the SFPUC. He is also an expert in public finance and planning which has helped the SFPUC plan for and finance maintenance and needed improvements to the SFPUC systems. I strongly support his reappointment to the Commission.

Sincerely,

2017 Gender Analysis of Commissions and Boards: Executive Summary

Overview

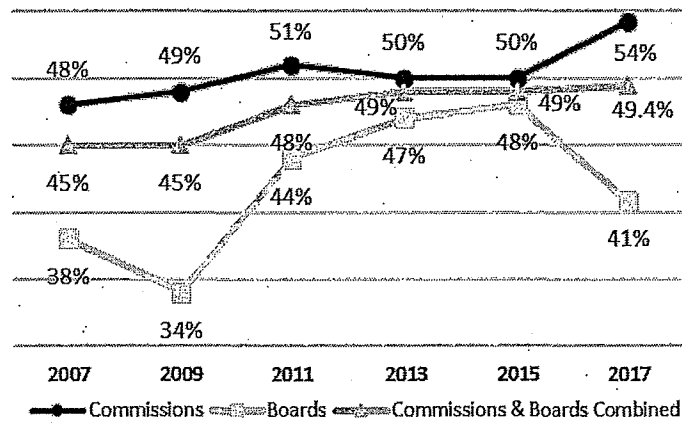

A 2008 City Charter Amendment passed by the voters of San Francisco enacted a city policy that membership of Commissions and Boards reflect the diversity of the population. As part of this measure, the Department on the Status of Women is required to conduct a biennial gender analysis of Commissions and Boards. Data was collected from 57 policy bodies with a total of 540 members primarily appointed by the Mayor and Board of Supervisors.

Gender Analysis Findings

I. Introduction

The central question of this report is whether appointments to public policy bodies of the City and County of San Francisco are reflective of the population at large.

In 1998, San Francisco became the first city in the world to pass a local ordinance reflecting the principles of the United Nations Convention on the Elimination of All Forms of Discrimination Against Women (CEDAW), also known as the "Women's Human Rights Treaty."¹ The Ordinance requires City government to take proactive steps to ensure gender equality and specifies "gender analysis" as a preventive tool to identify and address discrimination.² Since 1998, the Department on the Status of Women (Department) has used this tool to analyze operations of 11 City departments.

In 2007, the Department used gender analysis to analyze the number of women appointed to City Commissions, Boards, and Task Forces.³ Based on these findings, a City Charter Amendment was developed by the Board of Supervisors for the June 2008 election. The Amendment, which voters approved overwhelmingly, made it City policy that:

1. Membership of Commissions and Boards reflect the diversity of the San Francisco population;
2. Appointing officials be urged to support the nomination, appointment, and confirmation of these candidates; and
3. The San Francisco Department on the Status of Women is required to conduct a gender analysis of Commissions and Boards to be published every 2 years.⁴

This 2017 gender analysis assesses the representation of women; racial and ethnic minorities; lesbian, gay, bisexual, and transgender (LGBT) individuals; people with disabilities; and veterans on San Francisco Commissions and Boards appointed by the Mayor and the Board of Supervisors.⁵

¹ While 188 of the 193 member states of the United Nations, including all other industrialized countries, have ratified the Women's Human Rights Treaty, the U.S. has not. President Jimmy Carter signed the treaty in 1980, but it has been languishing in the Senate ever since, due to jurisdictional concerns and other issues. II. Methodology and Limitations

This report focuses on City and County of San Francisco Commissions and Boards whose jurisdiction is limited to the City, that have a majority of members appointed by the Mayor and Board of Supervisors, and that are permanent policy bodies.⁶ Generally, *Commission* appointments are made by the Mayor and *Board* appointments are made by members of the Board of Supervisors. For some policy bodies, however, the appointments are divided between the Mayor, the Board of Supervisors, and other agencies. *Commissions* tend to be permanent policy bodies that are part of the City Charter and oversee a department or agency. *Boards* are typically policy bodies created legislatively to address specific issues.

The gender analysis in this report reflects data from the Commissions and Boards that provided information to the Department through survey, the Mayor's Office, and the Information Directory Department (311), which collects and disseminates information about City appointments to policy bodies. Based on the list of Commissions and Boards that are reported by 311, data was compiled from 57 policy bodies with a total of 540 appointees. A Commissioner or Board member's gender identity, race/ethnicity, sexual orientation, disability status, and veteran status were among data elements collected on a voluntary basis. In many cases, identities are vastly underreported due to concerns about social stigma and discrimination. Thus, data on lesbian, gay, bisexual, transgender (LGBT) identity, disability, and veteran status of appointees were limited, incomplete, and/or unavailable for many appointees, but included to the extent possible. As the fundamental objective of this report is to surface patterns of underrepresentation, every attempt has been made to reflect accurate and complete information in this report.

For the purposes of comparison in this report, data from the *U.S. Census 2011-2015 American Community Survey 5-Year Estimates* is used to reflect the current San Francisco population. Charts 1 and 2 in the Appendix show these population estimates by race/ethnicity and gender.

⁶ It is important to note that San Francisco is the only jurisdiction in the State of California that is both a city and a county. Therefore, while in other jurisdictions, the Human Services Commission is typically a county commission that governs services across multiple cities and is composed of members appointed by those cities, the San Francisco case is much simpler. All members of Commissioner and Boards are appointed either by the San Francisco Mayor or the San Francisco County Board of Supervisors which functions as a city council.

III. San Francisco Population Demographics

An estimated 49% of the population in San Francisco are women and approximately 60% of residents identify as a race or ethnicity other than White. Four in ten San Franciscans are White, one-third are Asian, 15% are Hispanic or Latinx, and 6% are Black or African American.

The racial and ethnic breakdown of San Francisco's population is shown in the chart below. Note that the percentages do not add up to 100% since individuals may be counted more than once.

Figure 1: San Francisco Population by Race/Ethnicity

Source: 2011-2015 American Community Survey 5-Year Estimates.

A more nuanced view of San Francisco’s population can be seen in the chart below, which shows race and ethnicity by gender. Most racial and ethnic groups have a similar representation of men and women in San Francisco, though there are about 15% more White men than women (22% vs. 19%) and 12% more Asian women than men (18% vs. 16%). Overall, 29% of San Franciscans are men of color and 31% are women of color.

Figure 2: San Francisco Population by Race/Ethnicity and Gender

Source: 2011-2015 American Community Survey 5-Year Estimates.

The U.S. Census and *American Community Survey* do not count the number of individuals who identify as lesbian, gay, bisexual, or transgender (LGBT). However, there are several reputable data sources that estimate San Francisco has one of the highest concentrations of LGBT individuals in the nation. A 2015 Gallup poll found that among employed adults in the San Francisco Metropolitan Area, which includes San Francisco, Alameda, Contra Costa, Marin, and San Mateo counties, 6.2% identify as LGBT, the largest percentage of any populous area in the U.S. The 2010 U.S. Census reported 34,000 same-sex couples in the Bay Area, with an estimated 7,600 male same-sex couples and 2,700 female same-sex couples in the City of San Francisco, approximately 7% of all households. In addition, the Williams Institute at the University of California Los Angeles estimates that 4.6% of Californians identify as LGBT, which is similar across gender (4.6% of males vs. 4.5% of females). The Williams Institute also reported that roughly 92,000 adults ages 18-70 in California, or 0.35% of the population, are transgender. These sources suggest between 5-7% of the San Francisco adult population, or approximately 36,000-50,000 San Franciscans, identify as LGBT.

Women are slightly more likely than men to have one or more disabilities. For women 18 years and older, 12.1% have at least one disability, compared to 11.5% of adult men. Overall, about 12% of adults in San Francisco live with a disability.

Figure 3: San Francisco Adults with a Disability by Gender

Source: 2011-2015 American Community Survey 5-Year Estimates.

In terms of veterans, according to the U.S. Census, 3.6% of the adult population in San Francisco has served in the military. There is a drastic difference by gender. More than 12 times as many men are veterans, at nearly 7% of adult males, than women, with less than 1%.

IV. Gender Analysis Findings

On the whole, appointees to Commissions and Boards reflect many aspects of the diversity of San Francisco. Among Commissioners and Board members, nearly half are women, more than 50% are people of color, 17% are LGBT, 11% have a disability, and 13% are veterans. However, Board appointees are less diverse than Commission appointees. Below is a summary of key indicators, comparing them between Commissions and Boards. Refer to Appendix II for a complete table of demographics by Commissions and Boards.

Figure 5: Summary Data Comparing Representation on Commissions and Boards, 2017

	Commissions	Boards
Number of Policy Bodies Included	40	17
Filled Seats	350/373 (6% vacant)	190/213 (11% vacant)
Female Appointees	54%	41%
Racial/Ethnic Minority	57%	47%
LGBT	17.5%	17%
With Disability	10%	14%
Veterans	15%	10%

The next sections will present detailed data, compared to previous years, along the key variables of gender, ethnicity, race/ethnicity by gender, sexual orientation, disability, veterans, and policy bodies by budget size.

A. Gender

Overall, the percentage of female appointees to City Commissions and Boards is 49%, equal to the female percentage of the San Francisco population. A 10-year comparison of the gender diversity on Commissions and Boards shows that the percentage of female Commissioners has increased over the 10 years since the first gender analysis of Commissions and Boards in 2007. At 54%, the representation of women on Commissions currently exceeds the percentage of women in San Francisco (49%). The percentage of female Board appointees declined 15% from the last gender analysis in 2015. Women make up 41% of Board appointees in 2017, whereas women were 48% of Board members in 2015. A greater number of Boards were included this year than in 2015, which may contribute to the stark difference from the previous report. This dip represents a departure from the previous trend of increasing women’s representation on Boards.

Figure 6: 10-Year Comparison of Women’s Representation on Commissions and Boards

The next two charts illustrate the Commissions and Boards with the highest and lowest percentage of female appointees in 2017. Data from the two previous gender analyses for these Commissions and Boards is also included for comparison purposes. Of 54 policy bodies with data on gender, roughly one-third (20 Commissions and Boards) have more than 50% representation of women. The greatest women's representation is found on the Commission on the Status of Women and the Children and Families Commission (First 5) at 100%. The Long Term Care Coordinating Council and the Mayor's Disability Council also have some of the highest percentages of women, at 78% and 75%, respectively. However, the latter two policy bodies are not included in the chart due to lack of prior data.

Figure 7: Commissions and Boards with Most Women

Commissions and Boards with Highest Percentage of Women, 2017 Compared to 2015, 2013

Sources: Department Survey, Mayor's Office, 311.

There are 14 Commissions and Boards that have 30% or less women. The lowest percentage is found on the Oversight Board of the Office of Community Investment & Infrastructure where currently none of the five appointees are women. The Urban Forestry Council and the Workforce Investment Board also have some of the lowest percentages of women members at 20% and 26%, respectively, but are not included in the chart below due to lack of prior data.

B. Ethnicity

Data on racial and ethnic background were available for 286 Commissioners and 183 Board members. More than half of these appointees identify as people of color. However, representation of people of color on Commissions and Boards falls short of parity with the approximately 60% minority population in San Francisco. In total, 53% of appointees identify as racial and ethnic minorities. The percentage of minority Commissioners decreased from 2015, while the percentage of minority Board members has been steadily increasing since 2009. Yet, communities of color are represented in greater numbers on Commissions, at 57%, than Boards, at 47%, of appointees. Below is the 8-year comparison of minority representation on Commissions and Boards. Data on race and ethnicity were not collected in 2007.

Figure 9: 8-Year Comparison of Minority Representation on Commissions and Boards

Sources: Department Survey, Mayor's Office, 311.

The racial and ethnic breakdown of Commissioners and Board members as compared to the San Francisco population is presented in the next two charts. There is a greater number of White and Black/African American Commissioners in comparison to the general population, in contrast to individuals identifying as Asian, Latinx/Hispanic, multiracial, and other races who are underrepresented on Commissions. One-quarter of Commissioners are Asian compared to more than one-third of the population. Similarly, 11% of Commissioners are Latinx compared to 15% of the population.

Figure 10: Race/Ethnicity of Commissioners Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

A similar pattern emerges for Board appointees. In general, racial and ethnic minorities are underrepresented on Boards, except for the Black/African American population with 16% of Board appointees compared to 6% of the population. White appointees far exceed the White population with more than half of appointees identifying as White compared to about 40% of the population. Meanwhile, there are considerably fewer Board members who identify as Asian, Latinx/Hispanic, multiracial, and other races than in the population. Particularly striking is the underrepresentation of Asians, where 17% of Board members identified as Asian compared to 34% of the population. Additionally, 9% of Board appointees are Latinx compared to 15% of the population.

Figure 11: Race/Ethnicity of Board Members Compared to San Francisco Population

Sources: Department Survey, Mayor's Office, 311.

Of the 37 Commissions with information on ethnicity, more than two-thirds (26 Commissions) have at least 50% of appointees identifying as persons of color and more than half (19 Commissions) reach or exceed parity with the nearly 60% minority population. The Commissions with the highest percentage of minority appointees are shown in the chart below. The Commission on Community Investment and Infrastructure and the Southeast Community Facility Commission both are comprised entirely of people of color. Meanwhile, 86% of Commissioners are minorities on the Juvenile Probation Commission, Immigrant Rights Commission, and Health Commission.

Figure 12: Commissions with Most Minority Appointees

Sources: Department Survey, Mayor's Office, 311.

Seven Commissions have fewer than 30% minority appointees, with the lowest percentage of minority appointees being found on the Building Inspection Commission at 14% and the Historic Preservation Commission at 17%. The Commissions with the lowest percentage of minority appointees are shown in the chart below.

Figure 13: Commissions with Least Minority Appointees

Sources: Department Survey, Mayor's Office, 311.

For the 16 Boards with information on race and ethnicity, nine have at least 50% minority appointees. The Local Homeless Coordinating Board has the greatest percentage of members of color with 86%. The Mental Health Board and the Public Utilities Rate Fairness Board also have a large representation of people of color at 69% and 67%, respectively. Meanwhile, seven Boards have a majority of White members, with the lowest representation of people of color on the Oversight Board at 20% minority members, the War Memorial Board of Trustees at 18% minority members, and the Urban Forestry Council with no members of color.

Figure 14: Minority Representation on Boards

Sources: Department Survey, Mayor's Office, 311.

C. Race/Ethnicity by Gender

Minorities comprise 57% of Commission appointees and 47% of Board appointees. The total percentage of minority appointees on Commissions and Boards in 2017 is 53% compared to about 60% of the population. There are slightly more women of color on Commissions and Boards at 27% than men of color at 26%. Women of color appointees to Commissions reach parity with the population at 31%, while women of color are 19% of Board members, far from parity with the population. Men of color are 26% of appointees to both Commissions and Boards, below the 29% men of color in the San Francisco population.

Figure 15: Women and Men of Color on Commissions and Boards

Sources: Department Survey, Mayor's Office, 311, 2011-2015 American Community Survey 5-Year Estimates.

The next chart illustrates appointees' race and ethnicity by gender. The gender distribution in most racial and ethnic groups on policy bodies is similar to the representation of men and women in minority groups in San Francisco except for the White population. White men represent 22% of San Francisco population, yet 28% of Commission and Board appointees are White men. Meanwhile, White women are at parity with the population at 19%. Women and men of color are underrepresented across all racial and ethnic groups, except for Black/African American appointees. Asian women are 12% of appointees, but 18% of the population. Asian men are 10% of appointees compared to 16% of the population. Latina women are 4% of Commissioners and Board members, yet 7% of the population, while 6% of appointees are Latino men compared to 8% of San Franciscans.

D. Sexual Orientation

While it is challenging to find accurate counts of the number of lesbian, gay, bisexual, and transgender (LGBT) individuals, a combination of sources, noted in the demographics section, suggests between 4.6% and 7% of the San Francisco population is LGBT. Data on sexual orientation and gender identity was available for 240 Commission appointees and 132 Board appointees. Overall, about 17% of appointees to Commissions and Boards are LGBT. There is a large LGBT representation across both Commissioners and Board members. Three Commissioners identified as transgender.

Figure 17: LGBT Commission and Board Appointees

Sources: Department Survey, Mayor's Office, 311.

E. Disability

An estimated 12% of San Franciscans have a disability. Data on disability was available for 214 Commission appointees and 93 Board appointees. The percentage of Commission and Board appointees with a disability is 11.4% and almost reaches parity with the 11.8% of the adult population in San Francisco that has a disability. There is a much greater representation of people with a disability on Boards at 14% than on Commissions at 10%.

Figure 18: Commission and Board Appointees with Disabilities

Sources: Department Survey, Mayor's Office, 311.

F. Veterans

Veterans are 3.6% of the adult population in San Francisco. Data on military service was available for 176 Commission appointees and 81 Board appointees. Overall, veterans are well represented on Commissions and Boards with 13% of appointees having served in the military. However, there is a large difference in the representation of veterans on Commissions at 15% compared to Boards at 10%. This is likely due to the 17 members of Veterans Affairs Commission of which all members must be veterans.

G. Policy Bodies by Budget Size

In addition to data on the appointment of women and minorities to Commissions and Boards, this report examines whether the demographic make-up of policy bodies with the largest budget (which is often proportional to the amount of influence in the City) are representative of the community. On the following page, Figure 19 shows the representation of women, people of color, and women of color on the policy bodies with the largest and smallest budgets.

Though the overall representation of female appointees (49%) is equal to the City's population, Commissions and Boards with the highest female representation have fairly low influence as measured by budget size. Although women's representation on the ten policy bodies with the largest budgets increased from 30% in 2015 to 35% this year, it is still far below parity with the population. The percentage of women on the ten bodies with the smallest budgets grew from 45% in 2015 to 58% in 2017.

With respect to minority representation, the bodies with both the largest and smallest budgets exceed parity with the population. On the ten Commissions and Boards with the largest budgets, 60% of appointees identify as a racial or ethnic minority; meanwhile 66% of appointees identify as a racial or ethnic minority on the ten Commissions and Boards with the smallest budgets. Minority representation on the ten largest budgeted policy bodies was slightly greater in 2015 at 62%, while there was a 21% increase of minority representation on the ten smallest budgeted policy bodies from 52% in 2015.

Percentage of women of color on the policy bodies with the smallest budgets is 30% and almost reaches parity with the population in San Francisco. However, women of color are considerably underrepresented on the ten policy bodies with the largest budgets at 18% compared to 31% of the population.

The following two tables present the demographics of the Commissions and Boards overseeing some of the City's largest and smallest budgets.

Of the ten Commissions and Boards that oversee the largest budgets, women make up 35% and women of color are 18% of the appointees. The Commission on Community Investment and Infrastructure is the most diverse with people of color in all appointed seats and women comprising half of the members. The Municipal Transportation Agency (MTA) Board of Directors and Parking Authority Commission has the next largest representation of women with 43%. Four of the ten bodies have less than 30% female appointees. Women of color are near parity on the Police Commission at 29% compared to 31% of the population. Meanwhile, the Public Utilities Commission and Human Services Commission have no women of color.

Overall, the representation of minorities on policy bodies with the largest budgets is equal to that of the minority population in San Francisco at 60% and four of the ten largest budgeted bodies have greater minority representation. Following the Commission on Community Investment and Infrastructure with 100% minority appointees, the Health Commission at 86% minority appointees, the Aging and Adult Services Commission at 80% minority appointees, and the Police Commission with 71% minority appointees have the next highest minority representation. In contrast, the Airport Commission has the lowest minority representation at 20%.

Commissions and Boards with the smallest budgets exceed parity with the population for women's and minority representation with 58% women and 66% minority appointees and are near parity with 30% women of color appointees compared to 31% of the population. The Long Term Care Coordinating Council has the greatest representation of women at 78%, followed by the Youth Commission at 64%, and the City Hall Preservation Advisory Commission at 60%. Five of the ten smallest budgeted bodies have less than 50% women appointees. The Southeast Community Facility Commission, the Youth Commission, the Housing Authority Commission, and the Public Utilities Rate Fairness Board have more than 30% women of color members.

Of the eight smallest budgeted policy bodies with data on race and ethnicity, more than half have greater representation of racial and ethnic minority and women of color than the population. The Southeast Community Facility Commission has 100% members of color, followed by the Housing Authority Commission at 83%, the Sentencing Commission at 73%, and the Public Utilities Rate Fairness Board at 67% minority appointees. Only the Historic Preservation Commission with 17% minority members, the City Hall Preservation Advisory Commission at 20% minority members, and the Reentry Council with 57% minority members fall below parity with the population.

V. Conclusion

Per the 2008 Charter Amendment, the Mayor and Board of Supervisors are encouraged to make appointments to Commissions, Boards, and other policy bodies that reflect the diverse population of San Francisco. While state law prohibits public appointments based solely on gender, race and ethnicity, sexual orientation, or disability status, an awareness of these factors is important when appointing individuals to serve on policy bodies, particularly where they may have been historically underrepresented.

Since the first gender analysis of appointees to San Francisco policy bodies in 2007, there has been a steady increase of female appointees. There has also been a greater representation of women on Commissions as compared to Boards. This continued in 2017 with 54% female Commissioners. However, it is concerning that the percentage of female Board members has dropped from 48% in 2015 to 41% in 2017.

People of color represent 60% of the San Francisco population, yet only represent 53% of appointees to San Francisco Commissions and Boards. There is a greater representation of people of color on Commissions than Boards. However, Commissions have fewer appointees identified as ethnic minorities this year, 57%, than the 60% in 2015, while the representation of people of color on Boards increased from 44% in 2015 to 47% in 2017. There is still a disparity between race and ethnicity on public policy bodies and in the population. Especially Asians and Latinx/Hispanic individuals are underrepresented across Commissions and Boards while there is a higher representation of White and Black/African American appointees than in the general population. Women of color are 31% of the population and comprise 31% of Commissioners compared to 19% of Board members. Meanwhile, men of color are 29% of the population and 26% of Commissioners and Board members.

This year there is more data available on sexual orientation, veteran status, and disability than previous gender analyses. The 2017 gender analysis found that there is a relatively high representation of LGBT individuals on the policy bodies for which there was data at 17%. Veterans are also highly represented at 13%, and the representation of people with a disability in policy bodies almost reaches parity with the population with 11.4% compared to 11.8%.

Finally, the policy bodies with larger budgets have a smaller representation of women at 35% while Commissions and Boards with smallest budgets are 58% female appointees. While minority representation exceeds the population on the policy bodies with both the smallest and largest budgets, women of color are considerably underrepresented on the largest budgeted policy bodies at 18% compared to 31% of the population.

This report is intended to inform appointing authorities, including the Mayor and the Board of Supervisors, as they carefully select their designees on key policy bodies of the City & County of San Francisco. In the spirit of the charter amendment that mandated this report, diversity and inclusion should be the hallmark of these important appointments.

Honorable Chair Safai and Members of the Rules Committee:

I am writing to express my strong support for the reappointment of San Francisco Public Utilities Commissioner Anson (Andy) Moran to Seat 4.

I have known Andy since I was first appointed to the San Francisco Public Utilities Commission (SFPUC) in 1997, when he was serving as the SFPUC General Manager. During the last 21 years I have had the pleasure of working with Andy in his capacity as General Manager and as a Commissioner. I have seen how his vast knowledge and experience within the utility sector has led the SFPUC to be a recognized national leader in the water, wastewater, and clean power sectors.

Seat 4 requires a member with experience in water systems, power systems, or public utility management, and Andy's extensive background and experience demonstrates exceptional expertise in these areas. He maintains the highest standards of integrity as to how the SFPUC conducts its business and spends ratepayer dollars. His expertise has guided the agency through our \$4.8B Water System Improvement Program and our \$2.7B Sewer System Improvement Program. His leadership on these critical programs throughout his term as a Commissioner has been invaluable to the agency, the City, and the ratepayers.

I thank you for your consideration of his reappointment to the Commission and urge your support.

Sincerely,
Ann Moller Caen
SFPUC Commissioner
