SAN FRANCISCO DEPARTMENT OF PUBLIC HEALTH

Hellman Funds Contribute to these Program Outcomes

- **Programmatic level:** Rigorous evaluation of Food Pharmacy program with researchers at UCSF
- **Systems-level:** Partner with more health systems, work with food systems to source high-quality, culturally relevant foods
- **Policy-level:** Work with San Francisco Health Plan and other local insurers to cover medically-supportive food and nutrition services

Mount Zion (UCSF) Food Pharmacy, 2019

Hellman Foundation Grant

- In support of the Food as Medicine Collaborative
 - \$100,000 is supplemental to previous \$405,000 A&E that was previously approved by BoS
 - Covering portion of Food Pharmacy Program Manager
 - 1 year supplemental funding for \$100,000
 - November 15, 2021 – November 15, 2022
 - Sustainability plan: position to be funded with Collaborative partners

**Food as Medicine
Collaborative**

Hellman Funding: Support Food Pharmacy Program Manager

Manages Food Pharmacy implementation across multiple clinics with a sustained focus on health equity

Cultivates and maintains relationships with food businesses and nonprofits to support food programming in clinical spaces

Develops patient advisory council for Food Pharmacy program

Manages continuous quality improvement and evaluation efforts

Supports clinics launching food programming

THANK YOU!
