Subject: SFO 1187 UCII - Funding and Extension Request

Good morning,

Happy New Year! Thank you for submitting your request for additional funding in the Underserved COVID-19 Impacted Individuals (UCII) grant. Upon further review, management has decided to use the threshold of 70% expenditures and participants served through November 2020 to determine whether additional funding will be allowed. You have met this criteria, and, therefore, have been approved for the additional funds as well as the extension of the grant to June 30, 2021.

All requests will be processed and approvals obtained this week from the appropriate departments. I will notify you once the grant code is reactivated in CalJOBS so that you may continue to provide supportive services to the public with this grant. As there a large number of subgrants to modify, please allow additional time for our Financial Management Unit to complete the process.

If you have any questions, please do not hesitate to reach out.

Thank you,

**Yvette Quevedo**
