Yes No Does the application and documentation accurately reflect the property's existing condition? If no, items/issues noted:

Yes No Does the proposed scope of work appear to meet the Secretary of the Interior's Standards? If no, items/issues noted: See below

Yes No Does the property meet the exemption criteria, including architectural style, work of a master architect, important persons or danger of deterioration or demolition without rehabilitation? If no, items/issues noted:

Yes No Does the property meet the priority considerations including necessity, investment, distinctiveness, recently designated city landmark or legacy business? If no, items/issues noted:

Staff has performed an initial review of the application and determined that the subject property appears to meet three of the five Priority Considerations: Distinctiveness, Necessity and Investment. The subject property represents a distinctive and well-preserved example of Renaissance Revival architecture designed by architect of merit G. Albert Lansburgh., and the property is in danger of deterioration without rehabilitation. Additionally, the property owner will be investing additional money towards the rehabilitation other than for routine maintenance. The subject property does not meet the recently designated landmark and Legacy Business criteria.

Notes

988 Market Street 988 Market Street is a contributor to the National Register of Historic Places-listed Market Street Theatre & Loft District and is an Article 11 Category: I - Significant Building. It is located on the north side of Market Street between Taylor and Mason Streets, Assessor's Block 0342 Lot 019. The subject property is located within a C-3-G - Downtown- General zoning district and a 120-X Height and Bulk district. The building is a 8 story

plus partial basement, steel-frame, commercial building constructed in 1921-22 in the Renaissance Revival style and designed by architect of merit G. Albert Lansburgh.

The rehabilitation plan proposes to rehabilitate the historic terra cotta facades, the wood framed windows, roofing, marble stairs, floor plates, attic and parapet walls. The estimated cost of the proposed rehabilitation work is \$576,259

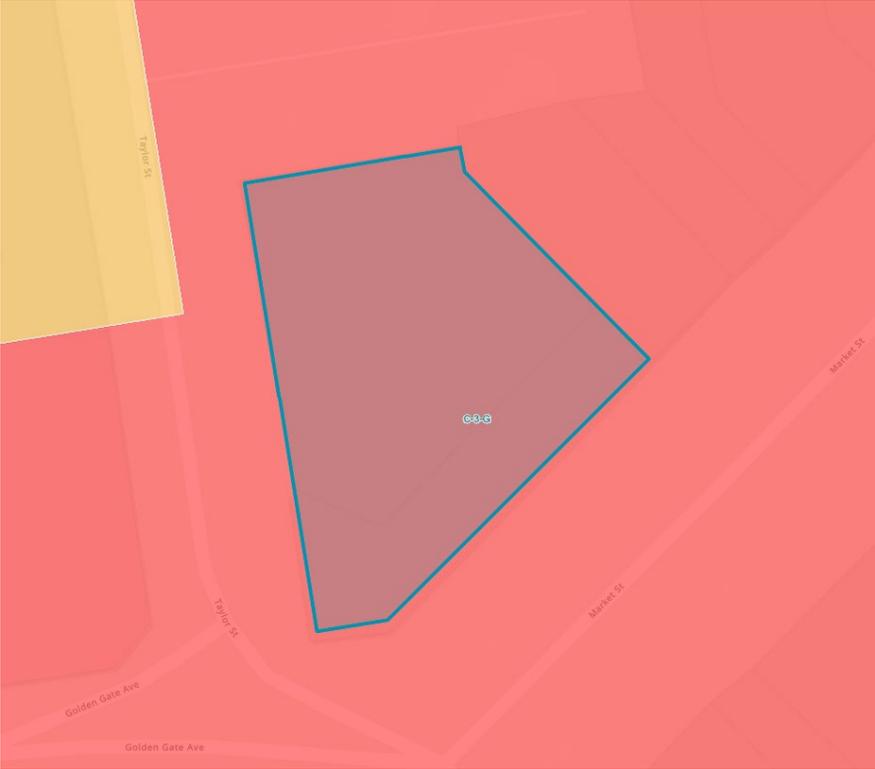

The maintenance plan proposes to inspect and make any necessary repairs to the historic terra cotta facades, the wood framed windows, as well as the roofing and parapet walls on an annual basis. The estimated cost of maintenance work is \$20,000 annually.

The application is complete and will be forwarded to the Assessor-Recorder on June 1, 2023.
