Dear Director Arntz:

I write to you today to pull the initiative ordinance that I, and three of my co-sponsors, placed on the November ballot – file number: 140558 – Health Code – Assisted Outpatient Treatment “Laura’s Law.”

I am pulling my support for the initiative ordinance because we were able to pass Laura’s Law recently at the Board of Supervisors.

Please do not hesitate to reach me directly if you have any questions at 415-554-7752.

Sincerely,

A handwritten signature in black ink, appearing to read "Mark E. Farrell".
