## **Appendix A-1 Scope of Services**

### **1. Management Services**

**1.1 General Authority to Manage.** Subject to **Subsections 1.2 through 1.6** of this Section, Manager shall manage and supervise the day-to-day operation of the Facilities and perform the Services described in and in accordance with this Agreement and the Facility Regulations.

**1.2 Control Retained by the City.** The City shall at all times retain the authority to exercise control over the Facilities. The Manager's presence in the Facilities is necessary and required for Manager's performance of the Services, but this Agreement does not confer on the Manager any rights or interest in the Facilities, including but not limited to leasehold or other property right. The Manager shall perform the Services as an independent contractor in accordance with policies and directives of the SFMTA applying best parking industry practices. Any terms in this Agreement referring to direction from the SFMTA shall be construed as providing for direction as to policy and the result of Manager's performance of the Services, and not as to the means and methods by which such results are obtained.

**1.3 Access to Facilities.** The SFMTA and its duly authorized agents have the right to enter the Facilities at any time without notice for any purpose, including but not limited to (i) inspection, (ii) to make any repairs, additions or renovations as the SFMTA shall deem necessary, and (iii) for use by the SFMTA in case of emergency, as determined by the SFMTA in its sole discretion.

#### **1.4 Addition or Deletion of Facilities.**

(1) The SFMTA shall have the option during the term of this Agreement to add up to three additional parking facilities to those Facilities listed in this Agreement. The Manager shall perform the Services at any added parking facility as described in this Agreement and the Facility Regulations. In the event that the SFMTA exercises the options to add a parking facility to the scope of work of this Agreement, the SFMTA shall provide written notice of intent to the Manager not less than 30 days before the Manager must perform the Services for that additional parking facility. The SFMTA shall compensate Manager for the Services performed at the added facility by payment of an additional Management Fee of \$2 for each parking space in the added facility, plus the reimbursable expenses incurred by Manager in performing the Services at the added facility. For example, if a 500-space facility is added in March 2023, the monthly management fee of \$10,000 will be increased by \$1,000 ( $\$2 \times 500$ ) to \$11,000.

(2) The SFMTA shall have the option during the term of this Agreement to either temporarily or permanently remove a maximum of three Facilities from the Manager's Services in the event that the SFMTA determines that a parking facility should be closed temporarily or permanently. In the event the

SFMTA exercises its option to remove a facility from the Facilities under this Agreement, Manager's monthly management fee will be reduced by \$2 per space deleted from the Facilities. For example, if a 500-space facility is deleted in March 2023, the monthly management fee of \$10,000 will be reduced by \$1,000 (\$2 x 500) to \$9,000. In the event that a facility is returned to service during the term of the Agreement, the Management Fee shall be reinstated in the same manner.

- 1.5 **Annual Operating Budget.** Manager shall prepare for SFMTA review not later than June 15 of each year during the term of the Agreement a proposed operating budget for each of the Facilities in accordance with Facility Regulations section 6.1. A proposed operating budget shall include all anticipated expenditures necessary to operate and maintain each of the Facilities, including all Reimbursable Expenses and management fees, the SFMTA and Manager shall confer and adjust the proposed annual budget as necessary. The SFMTA will include each annual operating budget in the Agency's annual budget. Following approval by the SFMTA, the Manager shall provide the Services in accordance with and within the limits of approved annual operating budgets. Manager shall not seek reimbursement for its costs and expenditures incurred in providing the Services, except as provided in an approved annual operating budget. The Manager must receive approval from the SFMTA's Director of Parking, or her/his designee, to seek reimbursement for any costs or expenditures that are not included in an approved annual operating budget. The SFMTA shall have no liability for any expenditure or any obligation to compensate Manager for any expense or cost incurred by Manager that is not included in an annual operating budget, unless the Director of Parking, or her/his designee, has authorized that expenditure in writing in advance of Manager incurring that cost or expense.
- 1.6 **Maintenance Personnel and Contracting.** Manager shall employ, or contract for, sufficient personnel to perform the routine maintenance and repair work at the Facilities in a prompt and efficient manner so as to keep the premises at all times in a first-class operating condition that is clean, safe and attractive, as specified in Appendix C, Maintenance Standards and Form of Maintenance Schedule. Manager acknowledges and agrees that this Agreement does not constitute a contract for construction and no part of this Agreement or the Services shall be deemed to be a contract for public work. The Services may include Manager's performance of minor repairs and cosmetic and aesthetic improvements to the Facilities. But Manager shall not perform work as part of the Services that would constitute construction or public works, as those terms are defined in applicable California law.

1.7 **Subcontracting and Other Parking Business Operations.**

(1) **Subcontracting Must be Authorized.** Except as otherwise authorized under this Agreement, to ensure the quality of work performed on the Facilities, Manager is prohibited from subcontracting any of its duties under

this Agreement or any part of it unless such subcontracting is first approved by the Director in writing. Neither party shall, on the basis of this Agreement, contract on behalf of or in the name of the other party. An agreement made by Manager and a subcontractor that is in violation of this provision shall confer no rights on any party and shall be null and void.

**(2) Notification of Other Parking Business Operations.** Manager shall promptly notify the Director in writing of any parking-related business located or operating in San Francisco, California in which Manager has an interest, or in which Manager proposes to have an interest. Manager shall list in an appendix to this Agreement any parking-related business located or operating in San Francisco, California in which Manager has an interest, as well as the nature and extent of that interest, as of the date of this Management Agreement. The SFMTA reserves the right to terminate this Management Agreement at no additional cost to the City if the SFMTA determines that Manager's interests in other parking business operations in San Francisco, California will adversely impact SFMTA revenues or adversely impact the quality of Manager's Services or otherwise are not in the best interests of the City. For purposes of this paragraph, a reportable interest shall be any ownership interest of five percent (5%) or greater.

## **2. Services Provided by Attorneys**

Any services to be provided by a law firm or attorney must be reviewed and approved in writing in advance by the City Attorney. No invoices for services provided by law firms or attorneys, including, without limitation, as subcontractors of Contractor, will be paid unless the provider received advance written approval from the City Attorney.

## **3. Reports**

Contractor shall submit written reports as requested by the SFMTA. Format for the content of such reports shall be determined by the SFMTA. The timely submission of all reports is a necessary and material term and condition of this Agreement. The reports, including any copies, shall be submitted on recycled paper and printed on double-sided pages to the maximum extent possible.

## **Appendix B-1 Calculation of Charges**

### **1. Compensation**

#### **1.2 Management Fee and Reimbursement of Operating Expenses.**

(1) Manager shall be paid a monthly Management Fee of Ten Thousand Four Hundred Ninety-Two Dollars (\$10,492) for Services that Managers performs under this Agreement. Commencing on the sixth anniversary of the Effective Date (and also at the eighth anniversary of the Effective Date, if the term is extended), the monthly Management Fee will be increased by five percent (5%). Provided Manager is not in default under this Agreement, or an event has not occurred that, with the giving of notice or the passage of time, would constitute a default, the Management Fee shall be due and payable under the requisition procedure required by Section 6.9 of the Facility Regulations, provided the SFMTA receives the Monthly Report required by Section 6.8 of the Facility Regulations. Should the Commencement Date or the Expiration Date occur on any day other than the first day of a calendar month, the Management Fee for that particular month shall be prorated based on a 30-day month.

(2) Manager shall be entitled to reimbursement from the SFMTA for all Operating Expenses properly incurred and paid by Manager in the performance of Manager's duties hereunder and as specified in the approved annual operating budget (Budget) in accordance with the Facility Regulations. Such reimbursement shall be subject to Manager's compliance with the submittal procedures set forth in the Facility Regulations and shall be subject to all City approvals required under this Agreement. The SFMTA's obligation to reimburse Manager for wages, salaries or benefits is limited to reimbursement for time that employees of Manager are actually working at the Facilities for the benefit of the SFMTA. Manager shall not be reimbursed for overhead expenses that have not been specifically set out as reimbursable expenses. All costs not identified as reimbursable expenses shall be borne by Manager.

(3) The City shall make all payments to Manager at the address specified in **Section 11.1** (Notice Requirements).

**1.3 Labor Costs.** The SFMTA shall not be required to reimburse Manager for wages beyond the amounts Manager actually incurred, subject to documented proof. The SFMTA shall not be obligated or liable to reimburse Manager its costs of discretionary increases in wages or benefits that are not included in an approved annual operating budget without the prior express written authorization of the SFMTA's Director of Parking.

**1.4 Payment Does Not Imply Acceptance of Work.** The granting of any payment by the SFMTA, or the receipt thereof by Manager, shall not imply acceptance by the SFMTA or the City of any report required by this Agreement, nor shall

such payment lessen the liability of Manager to replace unsatisfactory work, equipment, or materials, although the unsatisfactory character of such work, equipment or materials may not have been apparent or detected at the time such payment was made. Materials, equipment, components, or workmanship that do not conform to the requirements of this Agreement may be rejected by the SFMTA and in such case must be replaced by Manager without delay. For purposes of this Agreement, payment includes reimbursement of Operating Expenses and the Management Fee.

- 1.5 Late Charges.** Any revenues or monies, if not deposited or transferred as specified in the Facility Regulations, shall bear interest from the due date until deposited at the rate of the prime rate of the financial institution holding the accounts plus three percent (3%) per year or, if a higher rate is legally permissible, at the highest rate permitted under law. However, interest shall not be payable on late charges incurred by Manager nor on any amounts on which late charges are paid by Manager to the extent this interest would cause the total interest to be in excess of that which is permitted by law. Payment of interest shall not excuse or cure any default by Manager. The late payment charge constitutes liquidated damages to compensate the SFMTA for its damages resulting from such failure to pay and shall be paid to the SFMTA together with such unpaid amount. The late payment charge has been agreed upon by the SFMTA and Manager, after negotiation, as a reasonable estimate of the additional administrative costs and detriment the SFMTA will incur as a result of any such failure by Manager, the actual costs thereof being extremely difficult, if not impossible, to determine.
- 1.6 Fees During Suspended Operations.** If for any reason whatsoever, any condition prevents the operation of one or more of the Facilities or any portion thereof at any time for more than thirty (30) consecutive days, the Management Fee shall be adjusted on a pro rata basis by determining the total number of parking spaces affected as a percentage of the total number of parking spaces under management under this Agreement, and reducing the Management Fee otherwise due by an equivalent percentage, commencing from the expiration of such 30-day period and continuing until the earlier of (i) date the condition affecting the Facility or Facilities has been abated and normal operations of the Facilities has resumed or (ii) the termination of this Agreement. This paragraph shall not apply to the deletion of a Facility under **Appendix A, Section 1.5** of this Agreement.
- 1.7 Limitations on Payment of Fees.** The City's obligation for payment of Management Fees and reimbursement of Operating Expenses claimed by Manager in the performance of this Agreement shall not exceed the amount listed in the line item in the Approved Budget for each such fee or expense identified by Manager as the source for reimbursement under the Approved Budget. The City's obligation for payment of Management Fees and reimbursement for Operating Expenses in the aggregate shall not exceed the total Approved Budget for these items, unless pre-approved by the SFMTA in writing.

**1.8 Guaranteed Maximum Costs.** The City's obligation hereunder shall not at any time exceed the amount certified by the Controller for the purpose and period stated in such certification. Except as may be provided by City ordinances governing emergency conditions, the SFMTA or the City and their employees and officers are not authorized to request Manager to perform services or to provide materials, equipment and supplies that would result in Manager performing services or providing materials, equipment and supplies that are beyond the scope of the services, materials, equipment and supplies agreed upon in this Agreement (unless this Agreement is amended in writing and approved as required by law to authorize the additional services, materials, equipment or supplies). The SFMTA is not required to reimburse Manager for services, materials, equipment or supplies that are provided by Manager that are beyond the scope of the services, materials, equipment and supplies agreed upon in this Agreement and which were not approved by a written amendment to this Agreement lawfully executed by the SFMTA.

**(1) Approval Required For Additional Funding.** The SFMTA, the City and their employees and officers are not authorized to offer or promise to Manager additional funding for this Agreement that would exceed the maximum amount of funding provided for herein for Manager's performance hereunder. Additional funding for this Agreement in excess of the maximum provided in this Agreement shall require lawful approval by the SFMTA and certification by the Controller. The City is not required to honor any offered or promised additional funding that exceeds the maximum that has been certified by the Controller and approved by the SFMTA.

**(2) Payments Must Be Authorized.** The Controller and Director are not authorized to make payments on any contract for which funds have not been certified as available in the budget or by a supplemental appropriation.
