6 WHEREAS, Public transit operators have served communities for centuries, beginning  
7 with the first organized horse-drawn carriage routes in Paris on March 18, 1662; and

8 WHEREAS, On March 18, 2009, two Seattle transit enthusiasts celebrated the first Bus  
9 Driver Appreciation Day to show their admiration for those who dedicate their lives to moving  
10 people safely and efficiently; and

12 government-owned-and-operated transit service in 1912, with public sector employees  
13 operating streetcars along Geary Street; and

15 Franciscans to ride Muni and show support for operators through simple tokens of  
16 appreciation and recognition via Muni's commendation system; and

17 WHEREAS, Over 2,500 Muni operators, 100 paratransit operators, and hundreds of  
18 other transit operators serve in this difficult and often thankless public-facing civil servant role;  
19 and

20 WHEREAS, Despite the challenges of operating large vehicles in a dense urban  
21 environment, Muni's collision rate was lower than the target in 37 of the last 42 months as of  
22 October 2024; and

23 WHEREAS, According to the Federal Transit Administration, attacks on transit  
24 operators nationwide increased by 121% between 2008 and 2021, highlighting the urgent  
25 need for improved safety measures; and

1           WHEREAS, Even in the face of these difficulties, operators frequently go above and  
2 beyond the call of duty by assisting riders with directions, supporting those with mobility  
3 issues, and connecting individuals in need with essential health services; and

4           WHEREAS, Since July 2019, Muni employees have received over 5,600 official  
5 commendations from satisfied riders; and

8 Francisco's labor movement and serve as a pillar of working-class stability and success; and

10 the Board of Supervisors to a simple "Thank you, driver!" from riders; now, therefore, be it

11          RESOLVED, That the Board of Supervisors commends the contributions of transit  
12 operators, including those who operate Muni buses, light rail vehicles, BART trains,
