REVISED LEGISLATIVE DIGEST
(Amended in Committee, 1/13/2020)

[Health Code - Approving a New Location for a Permittee's Medical Cannabis Dispensary Permit]

Ordinance amending the Health Code to authorize the Director of the Department of Public Health to allow an existing Medical Cannabis Dispensary permittee to operate under that permit at a new location, provided the permittee has been verified by the Office of Cannabis as an Equity Applicant under the Police Code, the permittee was listed in the Article 33 permit application submitted on or before January 5, 2018, as either an applicant or as a person who would be engaged in the management of the business, the permittee has been evicted from the location associated with the permit or been notified by the landlord that the lease would be terminated or not renewed, the new location has an existing authorization for Medical Cannabis Dispensary Use, the permittee has complied with all requirements of Article 33 of the Health Code (the Medical Cannabis Act) with respect to the new location, and the permittee satisfies the provisions of Article 33 regarding authorization by the Office of Cannabis to sell Adult Use Cannabis; and affirming the Planning Department's determination under the California Environmental Quality Act.

Existing Law

Existing law does not allow a Medical Cannabis Dispensary permitted under Article 33 of the Health Code and operating as a Grandfathered MCD pursuant to Planning Code section 190 ("Grandfathered MCD Permittee") to change the location associated with the permit.

Amendments to Current Law

This ordinance would authorize the Director of the Department of Public Health ("Director") to allow a Grandfathered MCD Permittee to change the location associated with the permit if the following criteria are met: the permittee submits a written request to the Director requesting the change and identifying the proposed new location; the permittee has been verified by the Office of Cannabis as an Equity Applicant under Section 1604(b) of the Police Code; the permittee was listed in the Article 33 permit application submitted on or before January 5, 2018, as either an applicant or as a person who would be "engaged in the management of the medical cannabis dispensary," in accordance with Section 3304(c)(2) of the Health Code; the permittee has been evicted from the location associated with the permit or been notified by their landlord that the lease at that location will be or has been terminated or not renewed; the new location has an existing authorization for Medical Cannabis Dispensary Use under Sections 102 and 202.2 of the Planning Code; the permittee has complied with all applicable requirements of Article 33 of the Health Code, the Planning Code, and the Police Code with respect to the new location; the Planning Department, Department of Building Inspection,

Mayor's Office on Disability, Fire Department, and Office of Cannabis ("Referring Agencies") review and inspect the new location as required and report their determinations to the Director; and the Director determines that the permittee has satisfied all of these requirements.

Background Information

This amended version differs from the version originally introduced, in that it adds the requirement that the permittee have been listed in the Article 33 permit application submitted on or before January 5, 2018, as either an applicant or a person who would be engaged in the management of the MCD.

RE: BOS File No. 190973: Health Code - Approving a New Location for a Permittee's Medical Cannabis Dispensary Permit

Small Business Commission Recommendation to the Board of Supervisors: **Approve**

Dear Ms. Calvillo,

On October 29, 2019 the Small Business Commission (SBC or Commission) heard BOS File No. 190973: Health Code - Approving a New Location for a Permittee's Medical Cannabis Dispensary Permit. Honey Mahogany, Legislative Aide to Supervisor Matt Haney provided an overview of the legislation. The Commission voted unanimously (6-0 with 1 absent) to recommend that the Board of Supervisors approve the legislation.

The Commission supports this ordinance in its entirety as it would support regulatory streamlining goals that support small equity businesses in the cannabis sector.

Thank you for considering the Commission's comments. Please feel free to contact me should you have any questions.

Sincerely,

Hello Ms. Major,

I am writing in support of Releaf Dispensary's bid to move their cannabis license to the new location requested, per file no. 190973.

Cannabis helps many people like myself find relief and freedom from constant pain and discomfort. I have 8 years clean from an opiate addiction after 4 surgeries, but still suffer from chronic pain and other issues. Cannabis is the only safe and affordable avenue I have found for effective relief.

Having multiple dispensaries available to visit helps reduce difficulty in getting medicine by making it physically accessible, and also helps keep prices competitive.

From a business perspective, losing one's lease should not effectively shutter a business from operating. This business owner should be given the opportunity to continue serving the local community, and helping people like me find healing.

Thank you for your time.

All the best,
Jana Sullivan

Hello Erica and honorable members of the board of supervisors.

Thanks for the job you are doing to create policies for the citizens of San Francisco to benefit from. I'm a honorably discharged United States Navy veteran and a member of operation EVAC. An organisation to prevent veteran suicide and opioid overdose. Releaf herbal cooperative was our first dispensary client . Therefore, not only is it my moral obligation but my honor to advocate on their behalf. With your vote you can also support San Francisco veterans. Humbly I request Supervisors of San Francisco to support Relief and expedite their relocation process.

Dear Sirs and Madams,

Although I was unable to attend the support rally yesterday at the Civic Center, I would like to express my support for the "Releaf" cannabis dispensary application. The benefits of cannabis usage are many fold, as this 70+ y.o. vet can attest to! Responsible purveyors, (like Releaf), of this helpful plant should be encouraged and supported!

Thank you

RE: Ordinance No. 190946 HCO Amortization Period

Dear Supervisor Peskin:

I represent the SF SRO Hotel Coalition. I am writing to request a continuance of the informational hearing that is set for Monday December 16, 2019 at the Land Use Committee in reference to Ordinance No. 190946.

The SF SRO Hotel Coalition is grateful for the opportunity to work with the you and your fellow Board members to explain the economic impact of legislation increasing the minimum term of occupancy for SRO rooms under Chapter 41 of the Administrative Code. Around 30 of our members attended the hearing on Monday of this week, but the Committee's unusually heavy calendar resulted in many of them having to leave before the matter was called. While we appreciate your decision to continue the hearing to December 16, 2019, many of our members are not available on that date due to previous commitments.

As I mentioned in my testimony before the Committee, the information that the Committee and the Board appear to be seeking includes highly confidential financial information that is protected by the hotel owners' right to privacy under Article 1, Section 1 of the California Constitution. Interestingly, this same section of our state constitution guarantees our citizens the right to acquire, possess, and protect property describing these rights as "inalienable." After the hearing on Monday, I phoned Deputy City Attorney James Emery to discuss a procedure for getting the Board the information it seeks without violating the privacy rights of the hotel owners. We believe we can work with the Board and the City Attorney to solve this problem but Mr. Emery is out of town through the rest of this week.

For the foregoing reasons, our client respectfully requests the Committee continue the informational hearing to a date in early January.

Dear Erica,

My name is Perry Jones. I'm reaching out to you today in support of Hedi Hanley possibly being approved for a new location for a medical cannabis dispensary. As an outstanding mentor, Hedi has shown support to me a verified equity applicant by taking it upon herself to mentor me as well as others who show interest of emerging into the cannabis industry without making any mistakes. Hedi set aside quality time aside from running her business to conduct workshops based around accounting, Law and regulations as well as the compassion act in order to keep the community wellness in mind. Besides being a great mentor, Hedi as being a driving force when it comes to keeping the community in mind when it comes to the Business of Cannabis and maintaining great customer service, and reasonable pricing for medicine. I would love to see the City of San Francisco support our very own Hedi Hanley by allowing Hedi to relocate her business to a new letter where she can continue to strive and give back to the community at large Thanks to being RELEAF. Thank you for your time and consideration

Sincerely,

Perry Jones

I am a US Navy Veteran 1971 -1978 for 5 years Relief dispensary has been a welcome shelter from lifes challenges of PTSD. The weekly drop in session s to speak with other soldiers, finding strength in peer support, easings the battle wounds thru meditation, medication, and community. Relief helped build this house of saving grace by sponsoring our meetings, greeting us with honor and respect no matter our outward state. This is what COMPASSIONATE CARE looks like. I stand with renewal of permit asap to return this beloved leader back to service their community. You have the power to keep the pathway to support our Veterans with your vote. We have not lost one soldier to suicide in 5 years of work- do not dismantle a winning project against the over 20 daily deaths that is every Vets reality today. Please do all you can to smooth the way for this unique leader in Dispensary services.

From the time I first met the owners, they help me to feel like family. As a sales manager in this cannabis business, that was a real gift, and I am grateful.

They have always honored all commitments which we made. Our business relationship on of my favorites.

December 9, 2019

Good afternoon Erica Major and honorable members of the Board of Supervisors,

Thank you for your work to create policies that benefit the citizens in the city of my birth, San Francisco. I'm an honorably discharged Marine Corps veteran, certified in mental health first-aid and as a veteran peer-support specialist. I founded Operation EVAC, an organization to prevent veteran-suicide and opiate overdose with recurring social support groups in partnership with cannabis dispensaries. Our mission is to promote the growth and healing of veterans through mutual assistance, personal development, and community service. When we launched on Memorial Day, 2016, Releaf Herbal Cooperative was our first dispensary client and it's not only an honor, but my moral obligation to advocate on their behalf.

Our work in service to welcome home warriors is only possible with the support of our generous dispensary hosts, of which Releaf has led the way to ensure San Francisco's veterans won't be left behind. The veteran population that we serve in SoMa is among the most vulnerable (and arguably most deserving) portions of our populations. Our members are mostly poverty-class elders and veterans of color. Many of us are formerly incarcerated, have experience with housing insecurity, and are recovering from substance abuse. It's my privilege to report to you that we're experiencing transformative results in the community that Releaf has curated. Members are revealing that HUD VASH is helping us get off the streets, we're choosing cannabis instead of opiates and street drugs, we're abstaining from alcohol, and we're finding hope while sharing space in our safe container of camaraderie.

Releaf is not only integral to our origin story, but with your vote, can also support San Francisco's veterans in the future. Said differently, we humbly request that the supervisors of San Francisco support ethical operators like Releaf and expedite their relocation process. We're in the veteran-suicide prevention business and the veterans of Operation EVAC are depending on you.

Thank you for being open to comments from the public to influence your decision.

In service,

A handwritten signature in black ink, appearing to read "Ryan Miller". The signature is fluid and cursive, with a large initial "R" and "M".

I am the person behind the legislative fix being presented and I would like to hand-deliver these letters to each supervisor as there has been some pushback and I want them to see the amount of support from colleagues. I have already hand delivered to the supervisors over 600 signatures in support so I think the letters would be a great addition for them to see. I am a US Navy vet who has directly benefited from Reliefs support of veterans in need. Every vist to this dispensary was filled with welcoming greetings to soldiers and veterans as honored guests. For 5 years i have spent my Saturdays in company of veterans trying to leave our wars behind. Relief provided the space and commitment to compassionate care to keep us thriving. This program is now without a sponser due to location and permit issues. Everyday over 20 vets suicides wear hard on our hearts- we have not lost one vet in this program. Do your best to keep compassion alive- reward those doing the work our community desperately need. Repermit this organization and keep vets alive.

To whom it may concern,

I am writing on behalf of ReLeaf Herbal Collective and their approval of a new cannabis dispensary location. I have work closely with the ReLeaf staff, management and ownership for several years and have always experienced a high level of professionalism and reliability in all my dealings with them. As consolidation begins to occur amongst the various dispensaries throughout the industry, it is important that long term members of the community such as ReLeaf continue to survive and operate, maintaining diversity in an industry that has always prided itself on diversity and inclusion. ReLeaf has always catered to a lower income, needs based clientele, some whom otherwise may be intimidated or out priced by the larger dispensary chains. ReLeaf has also played an integral part in the Social Equity program, offering a special educational class on the third Friday of every month, geared towards educating equity applicants and brands looking to understand and navigate the complex cannabis licensing process and enter into the new recreational market. Giving back to the community has always been at the forefront of ReLeaf's mission and now that their time of need has come it is the responsibility of the community to give back to them and repay the support that they have shown so many before. I strongly urge that ReLeaf be approved for a new location in a timely fashion so they can continue to serve their community and so the wonderful staff can maintain their livelihood with as little interruption as possible.

Sincerely,

Matthew Hoeger

Letter of Recommendation for Releaf Cannabis Dispensary (File 190973)

High Grade Distribution(HGD) is a product vendor for Releaf Dispensary in San Francisco distributing our compliant, branded cannabis products to Releaf for retail sales. HGD has worked with Releaf for nearly two years since the Adult Use Cannabis Act of Prop 64 was implemented in January of 2018.

As a licensed dispensary, HGD began contact and sales to Releaf in early 2018. Releaf has become a valued retail partner for our business. Releaf operates a very professional business and is well organized. They are a great pleasure to work with. We greatly value their partnership and ability to sell products to a customer base that values their professionalism and product selection.

HGD delivers products to Releaf on a weekly basis, and the stores staff has always made our delivery drivers feel secure and comfortable as they have done a considerable volume of business with HGD.

We greatly value Releaf as a partner for our brands as much as the thousands of retail consumers value their establishment. It is our great hope that Releaf is able to secure a new location and keep their doors open to service the community and the craft manufactures they support.

All the best,

Craig Nejedly, CEO

Good Morning,

I am writing today to file a letter of support for approval of moving the cannabis license for Releaf Herbal Cooperative within the city of San Francisco.

Releaf has been an excellent retail partner to HERBL Distribution over the course of the past year. They are a compliant cannabis business that has been in good standing with the city for many years, they always maintain payments, and are a model participant in the cannabis industry.

I believe it would be in service to the city of San Francisco to allow them to move their license and continue to transact as they are an outstanding actor in the industry.

Best Regards,

Luke Frances

Hi Erica, I am an Army Veteran, and am voicing my support for Releaf Cannabis dispensary. This establishment has been beneficial to our community, and please approve a new location for them. I am a member of Releaf Rangers, supported by Releaf dispensary. Releaf has been nothing but helpful for me. It became a way for me to connect with Veterans, and they help me in my recovery, which is from Major Depression and Anxiety. Releaf supports our Veteran groups, where we gather, connect, and help each other. Releaf is not just in it for profit only, they care about us Veterans. Also, they're not overpriced, like some dispensaries in town. Please help them continue their good work in San Francisco.- Mark Jeffrey, US Army.
