Dear Ms. Gibson:

On October 25, 2022, Mayor Breed introduced the following proposed legislation:

**File No. 221103**

**Ordinance repealing the existing San Francisco Fire Code in its entirety and enacting a new San Francisco Fire Code consisting of the 2022 California Fire Code and portions of the 2018 International Fire Code, together with amendments specific to San Francisco, including provisions for fees for permits, inspections, and various City services, with an operative date of January 1, 2023; adopting findings of local conditions pursuant to California Health and Safety Code, Section 17958.7; directing the Clerk of the Board of Supervisors to forward San Francisco's amendments to the California Building Standards Commission and State Fire Marshal; and making environmental findings.**

This legislation is being transmitted to you for environmental review.

Not defined as a project under CEQA  
Guidelines Sections 15378 and 15060(c)(2)  
because it would not result in a direct or indirect  
physical change in the environment.
