13
14 WHEREAS, On July 25, 1990 the City and County of San Francisco (“City”) and the
15 State of California Department of Transportation (“Caltrans”) entered into an agreement
16 authorizing the City to perform maintenance works in the State Highways in San Francisco;
17 and

18 WHEREAS, On June 9, 2009, in Resolution No. 209-09, the Board of Supervisors
19 accepted and approved Public Works Order No. 178169, which recommended that the Board
20 of Supervisors approve a subsequent maintenance agreement to address various changes to
21 the State Highway routes in the City and to adjust reimbursement amounts to account for
22 inflation; and

23 WHEREAS, On July 2, 2009, the City and Caltrans entered into an agreement
24 (“Maintenance Agreement”) authorizing the City to perform specified maintenance functions

25

1 on the State Highways within the City’s jurisdiction and setting forth State’s obligation to
2 reimburse City for such work; and

3 WHEREAS, Copies of Resolution No. 209-09 and Public Works Order No. 178169 are
4 on file with the Clerk of the Board of Supervisors in File No. 090630; and

5 WHEREAS, On October 27, 2011, the City and Caltrans executed the first amendment
6 to the Maintenance Agreement (“First Amendment”) to specify the maintenance
7 responsibilities for median landscaping on State Route 1, and in all other respects, the
8 Maintenance Agreement remained in full force and effect; and

9 WHEREAS, Copies of the Maintenance Agreement and the First Amendment are on
10 file with the Clerk of the Board of Supervisors in File No. 090630; and

11 WHEREAS, On September 18, 2018, in Resolution No. 311-18, the Board of
12 Supervisors accepted and approved Public Works Order No. 186981, which recommended
13 that the Board of Supervisors approve a subsequent maintenance agreement to include the
14 City’s maintenance of additional facilities including electrical equipment, speed bumps,
15 pedestrian rail, signage, and red concrete on right-of-way within Caltrans jurisdiction; to reflect
16 Caltrans’ authorization of City’s construction and use of water, sewer, and auxiliary water
17 supply system trench facilities compliant with City standards on certain Caltrans right-of-way;
18 and

19 WHEREAS, On October 19, 2018, the City and Caltrans executed the second
20 amendment to the Maintenance Agreement (“Second Amendment”) to implement Resolution
21 No. 311-18; and

22 WHEREAS, Copies of Resolution No. 311-18, Public Works Order No. 186981, and the
23 Second Amendment are on file with the Clerk of the Board of Supervisors in File No. 180812;
24 and

25

1 WHEREAS, As set forth in Public Works Order No. 207167, on file with the Clerk of the
2 Board of Supervisors in File No. 221082, the Director of Public Works has recommended that
3 the Public Works Commission and the Board of Supervisors approve the third amendment to
4 the Maintenance Agreement (“Third Amendment”) to authorize and memorialize the
5 expansion of the City’s maintenance responsibilities of electronically operated traffic control
6 devices to include vehicle signals installed along State Route 280, at approximately Postmile
7 2.05 area and on eastbound Alemany Boulevard at San Bruno Avenue; and

8 WHEREAS, A copy of said Third Amendment is on file with the Clerk of the Board of
9 Supervisors in File No. 221082; and

10 WHEREAS, The Planning Department has determined that the actions contemplated in
11 this Resolution comply with the California Environmental Quality Act (California Public
12 Resources Code Sections 21000 et seq.); said determination is on file with the Clerk of the
13 Board of Supervisors in File No. 221082 and is incorporated herein by reference; the Board
14 affirms this determination; now, therefore, be it

15 RESOLVED, That the Board of Supervisors accepts and approves the Public Works
16 Director’s recommendations in Public Works Order No. 207167 and the Third Amendment;
17 and, be it

18 FURTHER RESOLVED, That the Board of Supervisors hereby approves, confirms, and
19 ratifies all actions heretofore taken by the officers of the City with respect to such Third
20 Amendment, and authorizes and directs the Public Works Director to execute an agreement in
21 substantial conformance with the Third Amendment and to approve any additions,
22 amendments, or other modifications to the Third Amendment that the Public Works Director,
23 in consultation with the City Attorney, determines are in the best interest of the City, do not
24 materially increase the obligations or liabilities of the City or materially decrease the public
25

1 benefits accruing to the City, and are necessary or advisable to effectuate the purpose and
2 intent of this Resolution; and, be it

3 FURTHER RESOLVED, That within 30 days of the full execution of the Third
4 Amendment by all parties, the Public Works Director shall provide the fully executed Third
5 Amendment to the Clerk of the Board for inclusion in the official file; and, be it

6 FURTHER RESOLVED, That the Board of Supervisors directs the Clerk of the Board
7 to send four certified copies of this Resolution to Caltrans at an address to be provided by the
8 Public Works Director.

**AGREEMENT FOR MAINTENANCE OF STATE HIGHWAYS
IN THE CITY OF SAN FRANCISCO**

THIS AGREEMENT, is made effective this 2nd day of July, 2009, by and between the State of California, acting by and through its Department of Transportation, hereinafter referred to as "STATE", and the City and County of San Francisco, hereinafter referred to as "CITY".

- I. The Parties desire to provide that CITY will perform specified maintenance functions on the State Highways within CITY's jurisdiction as authorized in section 130 of the Streets and Highways Code.
- II. This Agreement shall supersede any previous agreement for maintenance of the identified portions of those State Highways in the CITY and/or amendments thereto with CITY.
- III. CITY will perform such maintenance work as is specifically delegated to it on the identified State Highway routes, or portions thereof, all as hereinafter described within Exhibit A hereof, or as said Exhibit may be subsequently modified with the consent of the parties acting by and through their authorized representatives.
- IV. The degree or extent of maintenance work to be performed, and the standards therefore, shall be in accordance with the provisions of section 27 of the Streets and Highways Code and the then current edition of the State Maintenance Manual (a copy of which has been provided to CITY), or as may be prescribed from time to time by the District Director. "District Director," as used herein, means the District Director of the Department of Transportation assigned to the Region in which CITY is located, or an authorized representative.
- V. The functions and levels of maintenance service delegated to CITY in the attached Exhibit A, "Delegation of Maintenance", has been considered in setting authorized total dollar amounts. CITY may perform additional work if desired, but STATE will not reimburse CITY for any work not specifically delegated nor for work in excess of the authorized dollar limits established herein.
- VI. A. STATE will reimburse CITY for the actual direct cost of all routine maintenance work performed by CITY as delegated under Exhibit A to this Agreement. It is agreed that during any fiscal year, the maximum expenditure on any State Highway route shall not exceed the amount as shown in Exhibit A to this Agreement unless such expenditure is revised by an amended Agreement or otherwise adjusted or modified as hereinafter provided for.

The cost of operating and maintaining utility-owned and maintained lighting now in

place at the intersection of any State Highway route and any CITY street/road shall be shared as shown in Exhibit B.

- B. The expenditure per route for routine maintenance work, as referred to above, may be increased or decreased, redistributed between routes, or additional expenditures for specific projects may be made, when such adjustment of expenditures for routine maintenance or such specific work is authorized in writing by the District Director or his authorized representative and accepted by CITY as an amendment to Exhibit A.
 - C. Additional expenditures, or an adjustment of expenditures, once authorized shall apply during the fiscal year designated therein and shall not be deemed to permanently modify or change the basic maximum expenditure per route as hereinafter specified. An adjustment of any said maximum expenditure, either an increase or decrease, shall not affect other terms of this Agreement.
- VII. A new Exhibit A, "DELEGATION OF MAINTENANCE" will be provided annually by STATE for each ensuing fiscal year, if necessary, to ensure an equitable annual cost allocation.
- VIII. A. CITY will submit bills in a consistent periodic sequence (monthly, quarterly, semiannually, or annually). Bills for less than \$500 shall not be submitted more than once each quarter. Bills must be submitted promptly following the close of STATE's fiscal year on each June 30th and shall be coded according to STATE's HM Program Code as outlined in this Agreement. Bills submitted for work performed in periods prior to the last fiscal year will be deemed waived and will not be honored.
- B. Maintenance services provided by contract or on a unit-rate basis must exclude overhead costs. An actual cost-based handling charge by CITY for the direct cost of processing this type of bill will be allowed.
- IX. Nothing in the provisions of this Agreement is intended to create duties or obligations to or rights in third parties not parties to this contract or to affect the legal liability of either party to the contract by imposing any standard of care respecting the maintenance of State Highways different from the standard of care imposed by law.
- X. Neither STATE nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by CITY under or in connection with any work expressly conferred upon CITY by this Agreement. It is understood and agreed that CITY shall fully defend, indemnify and save harmless STATE and all its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to, tortious, contractual, inverse condemnation and other theories or assertions of liability occurring by reason of anything done or omitted to be done by CITY under or in connection with any work expressly conferred upon CITY by this Agreement.

- XI. Neither CITY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by STATE under or in connection with any work expressly conferred upon STATE by this Agreement. It is understood and agreed that STATE shall fully defend, indemnify and save harmless CITY and all its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to tortious, contractual, inverse condemnation and other theories or assertions of liability occurring by reason of anything done or omitted to be done by STATE under or in connection with any work expressly conferred upon STATE by this Agreement.
- XII. STATE costs and expenses pledged to pay CITY under the terms of this Agreement are conditioned upon the passage of the Annual State Budget Act by the Legislature, the allocation of funding by the California Transportation Commission as appropriate, and the encumbrance of STATE funding to pay CITY's invoices.
- XIII. This Agreement shall remain in full force and effective until amended by the mutual consent of the parties thereto or terminated by either party upon thirty (30) days' notice to the other party.

IN WITNESS WHEREOF, the parties hereto have set their hands and seals the day and year first above written.

6. Median Barriers
7. Vehicle energy attenuators
8. Miscellaneous

HM4K ELECTRICAL (Chapter K of STATE Maintenance Manual)

This includes maintenance work performed on highway electrical facilities including flashing beacons, traffic signals, traffic signal systems, safety lighting and sign lighting. It also includes the electrical energy for these items.

STATE will not pay for the maintenance, installation, repair, servicing, nor power for ordinary street lighting. However, lighting at intersections, which qualify as safety lighting under warrants approved/accepted by STATE, will be paid for when specifically authorized by the District Director. Where such lighting has been authorized, the maintenance and energy costs thereof shall be shared between STATE and CITY on a pro rata basis in the same ratio as the number of legs in the intersection under each jurisdiction bears to the total number of legs. The authorized lights are listed in Exhibit B.

The cost of maintaining traffic signals or other electrically operated traffic devices and safety lighting now in place or those which may hereafter be installed at the intersection of any State Highway route and any CITY street shall be shared between STATE and CITY on a pro rata basis in the same ratio as the number of legs in the intersection under

each jurisdiction bears to the total number of legs. The same principle of cost distribution shall apply to freeway interchanges.

The above does not apply if there is a separate Electrical Facility Cost Sharing Agreement in force.

11

12 WHEREAS, The City and County of San Francisco ("City") and State of California

13 Department of Transportation ("Caltrans") on July 25, 1990 entered into an agreement for the

14 City to perform maintenance works in the State Highways in the City and County of San

15 Francisco; and,

16 WHEREAS, The City and Caltrans agree that due to various changes to the State

17 Highway routes in the City and that the previous amount of reimbursement to the City had not

18 been adjusted to account for inflation, the City and Caltrans feel that a new Maintenance

19 Agreement is warranted at this time; and,

20 WHEREAS, San Francisco and Caltrans desire to effectuate this Agreement governing

21 the applicable terms and conditions; and,

22 WHEREAS, This Maintenance Agreement shall supersede all previous Agreements or

23 amendments thereto, for the following locations: in the State right-of-way at Junipero Serra

24 Boulevard, Nineteenth Avenue, Cross-Over Drive, By-Pass Drive, Park Presidio Boulevard,

25 Skyline Boulevard, Sloat Boulevard, James Lick Freeway, San Jose Avenue, Bayshore

1 Freeway, Central Freeway, Mission Street, South Van Ness Avenue, Van Ness Avenue,
2 Lombard Street, Richardson Street, Southern Freeway. Said Agreement also delineates the
3 work that the City will perform and that level of State reimbursement. Said Agreement is on file
4 with the Clerk of the Board of Supervisors in File No. 090630, and is hereby incorporated by
5 reference as though full set forth herein; and,

6 WHEREAS, The Department of Public Works and Caltrans have reviewed and
7 approved this Maintenance Agreement which covers the following areas: in the State right-of-
8 way at Junipero Serra Boulevard, Nineteenth Avenue, Cross-Over Drive, By-Pass Drive, Park
9 Presidio Boulevard, Skyline Boulevard, Sloat Boulevard, James Lick Freeway, San Jose
10 Avenue, Bayshore Freeway, Central Freeway, Mission Street, South Van Ness Avenue, Van
11 Ness Avenue, Lombard Street, Richardson Street, Southern Freeway; and,

12 WHEREAS, The Department of Public Works in DPW Order No. 178,169, which is on
13 file with the Clerk of the Board of Supervisors in File No. 090630, has recommended
14 that this Board approve the Maintenance Agreement; now, therefore, be it

15 RESOLVED, That the Board of Supervisors accepts and approves DPW Order No.
16 178,169 and the Maintenance Agreement; and, be it

17 FURTHER RESOLVED, That this Board directs the Clerk to send four (4) certified
18 copies of this Resolution to Caltrans at an address to be provided by the Director of the
19 Department of Public Works; and, be it

20 FURTHER RESOLVED, That this Board hereby approves, confirms, and ratifies all
21 actions heretofore taken by the officers of the City with respect to such Maintenance
22 Agreement, and authorizes and directs the Clerk of the Board and the Director of the
23 Department of Public Works to take any and all actions which they or the City Attorney may
24 deem necessary or advisable in order to effectuate the purpose and intent of this Resolution.

- XI. Neither CITY nor any officer or employee thereof is responsible for any injury, damage or liability occurring by reason of anything done or omitted to be done by STATE under or in connection with any work expressly conferred upon STATE by this Agreement. It is understood and agreed that STATE shall fully defend, indemnify and save harmless CITY and all its officers and employees from all claims, suits or actions of every name, kind and description brought forth under, including, but not limited to tortious, contractual, inverse condemnation and other theories or assertions of liability occurring by reason of anything done or omitted to be done by STATE under or in connection with any work expressly conferred upon STATE by this Agreement.
- XII. STATE costs and expenses pledged to pay CITY under the terms of this Agreement are conditioned upon the passage of the Annual State Budget Act by the Legislature, the allocation of funding by the California Transportation Commission as appropriate, and the encumbrance of STATE funding to pay CITY's invoices.
- XIII.
- A. This Agreement shall remain in full force and effective until amended by the mutual consent of the parties thereto or terminated by either party upon thirty (30) days' notice to the other party.
 - B. Notwithstanding, paragraph XIII (A), all provisions of this Agreement relating to SPECIFIED STATE ROUTES, including but not limited to, any duties under paragraphs III, VI, X, XI, XV, XVI, and XVII, shall remain in full force and effect, until amended or terminated upon mutual consent of the CITY and STATE.
- XIV. Pursuant to Board of Supervisors Resolution No. 380-15, the CITY executed that certain Operations and Maintenance Agreement with the City and County of San Francisco for Bus Rapid Transit Facilities on State Route 101 (the "BRT Operations and Maintenance Agreement"). As acknowledged in the BRT Operations and Maintenance Agreement, this Agreement is separate from, and does not modify the terms of the BRT Operations and Maintenance Agreement.
- XV.
- A. CITY will not accept STATE standard slurry cement backfill requirements for water, sewer, and Auxiliary Water Supply System (AWSS) utilities ("STATE Trench Detail") due to concerns that the material is not compatible with CITY's future maintenance and servicing of new connections. The STATE Trench Detail will cost utility companies more to perform maintenance and service new connections and will cause more disruption to the public due to longer lane closures needed to remove and replace slurry concrete.

Pursuant to the terms of the applicable encroachment permits issued by the STATE and the terms of this agreement the CITY may use CITY Water, Sewer, and AWSS Trench Detail ("CITY Trench Details"), attached as Exhibit C, as specified on projects 04-3A270, 04-4J790, 04-0G350, on SPECIFIED STATE ROUTES.

- B. Notwithstanding any other provision of this Agreement, the CITY shall be responsible for performing the maintenance and repair of SPECIFIED STATE ROUTES for all failures or defects of the roadway infrastructure resulting from the construction and use of the CITY- Trench Details (Exhibit C).

STATE shall provide reimbursements for routine maintenance of SPECIFIED STATE ROUTES as provided for in Exhibit A, but shall not reimburse CITY for maintenance and repair of conditions resulting from the construction and use of the CITY Trench Details.

- XVI. Notwithstanding any other provision of this Agreement, the CITY shall be solely responsible for all costs for the reconstruction of SPECIFIED STATE ROUTES for all failures or defects resulting from the construction and use of the CITY Trench Details, attached as Exhibit C, including but not limited to sinkholes, failure of compacted soils, and structural failure of the roadway resulting from the construction and use of the CITY Trench Details.
- XVII. CITY shall fully defend, indemnify, and save harmless, STATE its officers, directors, agents, and employees for any injury, claim, damage, or liability occurring as the result of any condition or defect of SPECIFIED STATE ROUTES, resulting from the construction and use of the CITY Trench Details (Exhibit C), including but not limited to, failures of the compacted soils, sinkholes, potholes, cracking, and structural failure of the roadway resulting from the construction and use of the CITY Trench Details. It is understood by and between CITY and STATE that the CITY's duty to defend, indemnify and save harmless under this section extends to any injury, claim, damage, or liability whether said injury, claim, damage, or liability is alleged to have been caused by a failure to maintain or a failure of design and construction.
- XVIII. SPECIFIED STATE ROUTES shall be defined as the locations identified on Exhibit C. For all locations listed on Exhibit C, this agreement shall apply to all portions of the STATE's right-of-way between the listed post miles.

A. DELEGATION OF MAINTENANCE

The specific maintenance function indicated below (and on "EXHIBIT B and C") is hereby delegated to CITY. This Delegation of maintenance function set forth herein does not include the Control and maintenance areas and functions which rest with CITY under the terms of other executed Freeway Agreements and /or Freeway Maintenance Agreements.

Public Works Order No: 207167

Public Works Order No: _____

Recommending approval of and transmitting to the Board of Supervisors a resolution to approve the Third Amendment to the Agreement for Maintenance of State Highways in San Francisco between the City and County of San Francisco and the State of California Department of Transportation (Caltrans) to include City’s maintenance and operation of additional traffic control devices on right-of-way within Caltrans jurisdiction, along State Route 280, on eastbound Alemany Boulevard at San Bruno Avenue and to authorize the Public Works Director to execute such Third Amendment.

By this Order, the Public Works Director recommends that the Board of Supervisors approve the third amendment (“Third Amendment” or “Amendment No. 3”) to the Agreement for Maintenance of State Highways in San Francisco by and between the City and County of San Francisco and the State of California Department of Transportation, executed on July 2, 2009 and amended by Amendment No. 1 on October 27, 2011, and amended by Amendment No. 2 on October 19, 2018 (“Maintenance Agreement”), and transmits to the Board of Supervisors the proposed Third Amendment and a resolution that would approve and authorize the Director to execute the Third Amendment.

The Third Amendment would amend the Maintenance Agreement to authorize and memorialize the expansion of the City’s maintenance responsibilities of electronically operated traffic control devices to include vehicle signals installed along State Route 280, at approximately Postmile 2.05 area and on eastbound Alemany Boulevard at San Bruno Avenue, as part of the Alemany Interchange Phase II Project. The new traffic control devices are intended to improve safety of the intersection for pedestrians crossing Alemany Blvd and entering the Alemany Farmer’s Market.

The following is hereby transmitted for consideration by the Board of Supervisors:

1. Proposed Board Resolution approving the Third Amendment to the Maintenance Agreement
2. Third Amendment to the Maintenance Agreement including updated Exhibits
3. Maintenance Agreement, as amended by Amendment No. 1 and No. 2

It is recommended that the Board of Supervisors approve the Third Amendment and adopt this resolution.

Public Works Order No: _____

Recommending approval of and transmitting to the Board of Supervisors a resolution to approve the Third Amendment to the Agreement for Maintenance of State Highways in San Francisco between the City and County of San Francisco and the State of California Department of Transportation (Caltrans) to include City's maintenance and operation of additional traffic control devices on right-of-way within Caltrans jurisdiction, along State Route 280, on eastbound Alemany Boulevard at San Bruno Avenue and to authorize the Public Works Director to execute such Third Amendment.

By this Order, the Public Works Director recommends that the Board of Supervisors approve the third amendment ("Third Amendment" or "Amendment No. 3") to the Agreement for Maintenance of State Highways in San Francisco by and between the City and County of San Francisco and the State of California Department of Transportation, executed on July 2, 2009 and amended by Amendment No. 1 on October 27, 2011, and amended by Amendment No. 2 on October 19, 2018 ("Maintenance Agreement"), and transmits to the Board of Supervisors the proposed Third Amendment and a resolution that would approve and authorize the Director to execute the Third Amendment.

The Third Amendment would amend the Maintenance Agreement to authorize and memorialize the expansion of the City's maintenance responsibilities of electronically operated traffic control devices to include vehicle signals installed along State Route 280, at approximately Postmile 2.05 area and on eastbound Alemany Boulevard at San Bruno Avenue, as part of the Alemany Interchange Phase II Project. The new traffic control devices are intended to improve safety of the intersection for pedestrians crossing Alemany Blvd and entering the Alemany Farmer's Market.

The following is hereby transmitted for consideration by the Board of Supervisors:

1. Proposed Board Resolution approving the Third Amendment to the Maintenance Agreement
2. Third Amendment to the Maintenance Agreement including updated Exhibits
3. Maintenance Agreement, as amended by Amendment No. 1 and No. 2

It is recommended that the Board of Supervisors approve the Third Amendment and adopt this resolution.
