Karen Salay - Council on Coercive control.

I would like to recognize Senator Rubio for her forward-thinking in getting Senate Bill 1141 passed. SB 1141 recognizes coercive control as domestic violence within the CA Family Code and further defines what disturbing the peace means.

The next step is working to provide support for women who experience coercive control.

Currently, there is a failure to provide legal assistance for women who experience domestic violence who are dealing with SF family court. None of SF domestic violence agencies provide legal support for women in family court.
