23

24 Section 1. Definitions. All capitalized terms in this ordinance relating to Mission Bay  
25 have the definitions ascribed to them under the Mission Bay South Redevelopment Plan and

1 Plan Documents described therein, which the City approved in 1998 in Ordinance No. 335-98,  
2 a copy of which is on file with the Clerk of the Board of Supervisors in File No. 981441.

3  
4 Section 2. Findings for Mission Bay Parks P22 and P19.

5 (a) Mission Bay South Park P22 (also referred to as Bayfront Park at Mission Bay) is  
6 located east of the Chase Event Center, between Terry Francois Boulevard and edge of San  
7 Francisco Bay and between Warriors Way and 16th Street (Assessor Parcel Block Numbers  
8 8721-007, 8722-005, and 8722-006). Park P22 also contains two linear parcels on the  
9 eastern edge of the park adjacent to Terry Francois Boulevard. The two parcels, Assessor  
10 Parcel Block Numbers 8721-014 (“Lot 14”) and 8722-020 (“Parcel C”), are the subject of  
11 separate Offers of Dedication, including grant deeds (collectively, the “Acquisition Parcels”).  
12 The Board of Supervisors, in Ordinance No. 231-15 and as part of a series of actions related  
13 to Chase Event Center, delegated to the Real Estate Director the authority to accept Parcel C  
14 upon completion of the improvements on this parcel. The Acquisition Parcels are included in  
15 the Park design and upon acceptance will be absorbed into the Park. The scope of the Park  
16 P22 Infrastructure Improvements (the “Park P22 Improvements”), and its boundaries,  
17 including the Acquisition Parcels that are described in the Offers of Dedication (collectively  
18 “Offers of Dedication”), are shown on a draft plat (the “Park P22 Plat”) on file with the Clerk of  
19 the Board of Supervisors in File No. 240635 and incorporated herein by reference. Parcel C,  
20 as referenced in the Offer of Dedication for Bayfront Park, also is addressed in Ordinance  
21 No. 231-15, which is on file with the Clerk of the Board of Supervisors in File No. 150996 and  
22 incorporated herein by reference.

23 (b) The Mission Bay South Park P19 Infrastructure Improvements (the “Park P19  
24 Improvements”) are located on the west side of Terry Francois Boulevard between Mission  
25 Rock and China Basin Streets (Assessor Parcel Block Number 8720-009). The Park P19

1 boundaries and the scope of the Park P19 Improvements are shown on a draft plat (the “Park  
2 P19 Plat”) on file with the Clerk of the Board of Supervisors in File No. 240635 and  
3 incorporated herein by reference. The Park P22 Improvements and the Park P19  
4 Improvements and any structures thereon are collectively referred to herein as the “Park  
5 Improvements.”

6 (c) The Successor Agency to the San Francisco Redevelopment Agency, the Office of  
7 Community Infrastructure and Investment (“OCII”), in a letter dated May 6, 2024 (the “Parks  
8 P22 and P19 OCII Letter”), determined that the acceptance of the Park P22 Improvements  
9 and the Park P19 Improvements is consistent with the Mission Bay South Redevelopment  
10 Plan (the “Plan”) and Plan Documents. The Parks P22 and P19 OCII Letter also  
11 recommended that the Board of Supervisors accept the Parks P22 and P19 OCII Letter as set  
12 forth in this Ordinance. A copy of the Parks P22 and P19 OCII Letter is on file with the Clerk  
13 of the Board of Supervisors in File No. 240635 and is incorporated herein by reference.

14 (d) The Planning Department, in a letter dated June 3, 2024 (the “Parks P22 and P19  
15 Planning Department Letter”), determined that the acceptance of the Acquisition Parcels, Park  
16 P22 Improvements, and Park P19 Improvements are, on balance, consistent with the General  
17 Plan and the eight priority policies of Planning Code Section 101.1. The Planning Department  
18 also found that the contemplated actions do not trigger the need for subsequent  
19 environmental review pursuant to the California Environmental Quality Act (“CEQA”)  
20 (California Public Resources Code Sections 21000 et seq.). A copy of the Parks P22 and P19  
21 Planning Department Letter and environmental determination are on file with the Clerk of the  
22 Board of Supervisors in File No. 240635 and are incorporated herein by reference.

23 (e) On June 11, 2024, at a duly noticed public hearing, the San Francisco Port  
24 Commission (“Port Commission”) in Resolution No. 24-30 (the “Port Commission Resolution”),  
25 recommended that the Board of Supervisors acknowledge that the Port Commission will (1)

1 accept ownership of the Park Improvements as acquisition facilities on behalf of the City when  
2 Public Works (“PW”) determines that such improvements have been constructed in  
3 accordance with the approved plans and specifications under the applicable permits and all  
4 applicable City codes, regulations, and standards, and such improvements are ready for their  
5 intended use; (2) dedicate the Park Improvements to public use; (3) designate the property on  
6 which the Park Improvements are located for park and/or open space purposes; and (4) upon  
7 their completion, accept Park Improvements for Port Commission maintenance and liability.  
8 The Port Commission also agrees to accept the Acquisition Parcels as part of Park P22 after  
9 the Board of Supervisors approves the Offer of Dedication for Lot 14 and associated grant  
10 deed, and designates the Port as the owner on behalf of the City. In addition, the Port  
11 Commission recommended that the Board of Supervisors delegate to the Commission for a  
12 period of three years the Board’s power to: (1) accept ownership of the Park Improvements  
13 as acquisition facilities on behalf of the City; (2) dedicate such Park Improvements to public  
14 use; (3) designate the property on which the Park Improvements are located for park and/or  
15 open space purposes; and (4) take all other official acts necessary for, or related to,  
16 acceptance of the Park Improvements, including without limitation, accepting the Park  
17 Improvements for Port Commission maintenance and liability and accepting conditional  
18 assignment of all warranties and guaranties related to the construction of Park Improvements.  
19 A copy of the Port Commission Resolution is on file with the Clerk of the Board of Supervisors  
20 in File No. 240635 and is incorporated herein by reference.

21 (f) In PW Order No. 210669 (the “PW Order”), dated July 3, 2024, the City Engineer  
22 certified and the PW Director determined that: (1) Mission Bay South Park P22 is currently on  
23 a portion of property under Port jurisdiction and located on a portion of State Trust Parcel 5  
24 and on the Acquisition Parcels; (2) FOCIL-MB, LLC (“FOCIL”) has irrevocably offered the Park  
25 P22 Improvements to the City as set forth in the FOCIL Irrevocable Offer of the Mission Bay

1 Park P22 Improvements, dated \_\_\_\_\_ (the “P22 FOCIL Offer”); (3) the  
2 Acquisition Parcels are comprised of an Offer of Dedication, including a grant deed, for Parcel  
3 14 by FOCIL, and an Offer of Dedication, including a grant deed, for Parcel C by GSW Arena,  
4 LLC; (4) Mission Bay South Park P19 is currently on a portion of property under that will be  
5 Port jurisdiction and is located on a portion of State Trust Parcel 5; and (5) FOCIL has  
6 irrevocably offered the Park P19 Improvements to the City as set forth in the FOCIL  
7 Irrevocable Offer of the Mission Bay Park P19 Improvements, dated \_\_\_\_\_ (the  
8 “P19 FOCIL Offer”). In addition, the PW Order states that PW issued Street Improvement  
9 Permit No. 19IE-00483, dated July 2, 2020 for the Park P22 Improvements and Street  
10 Improvement Permit No. 13E-0473, dated November 1, 2013 for the Park P19 Improvements.

11 (g) In the PW Order, the PW Director recommended that the Board of Supervisors  
12 accept the Acquisition Parcels identified in the Offers of Dedication subject to acceptance of  
13 the respective park and designate the Port as the property owner on behalf of the City.

14 (h) In addition, the PW Director recommended to the Board of Supervisors that for a  
15 three-year period it delegate to the Port Commission, in consultation with the PW Director, the  
16 authority to take various actions related to acceptance of Park P22 and P19 upon FOCIL’s  
17 completion of all respective requirements related to the Park Improvements and Public Works  
18 issuance of a Determination of Completion for each park certifying that each park upon  
19 completion has been constructed in accordance with the Plans and Specifications and all City  
20 codes, regulations, and standards, and the Mission Bay South Redevelopment Plan and Plan  
21 Documents governing the Park Improvements and determining that they are ready for their  
22 intended use. The following separate acceptance actions shall include for each park: (1)  
23 accepting the P22 FOCIL Offer of Improvements and the P19 FOCIL Offer of Improvements;  
24 (2) dedicating the Park Improvements to public use; (3) designating the properties on which  
25 the Park Improvements are located for public park and open space purposes; and (4)

1 accepting these Improvements for Port maintenance and liability. A copy of the PW Order  
2 and P22 and P19 FOCIL Offers are on file with the Clerk of the Board of Supervisors in File  
3 No. 240635 and are incorporated herein by reference.

4 (i) The Public Works Order also identifies that Park P22 Improvements contain certain  
5 San Francisco Public Utilities Commission (“SFPUC”) electrical assets and green  
6 infrastructure and Park P19 includes green infrastructure (collectively “PUC Assets”). The PW  
7 Director recommended to the Board of Supervisors that for a three-year period it delegate to  
8 the Public Works Director, in consultation with the SFPUC General Manager and upon the  
9 City Engineer’s issuance of Determinations of Completion for the PUC Assets in the  
10 respective parks, the authority to (1) accept the SFPUC Assets that are part of the P22 and  
11 P19 FOCIL Offers of Improvements when each are completed; (2) dedicate the PUC Assets  
12 to public use; and (3) accept the PUC Assets for SFPUC maintenance and liability purposes.

13 (j) In addition, the PW Order recommends that the Board of Supervisors acknowledge  
14 that although Public Works reviewed and issued permits for the Parks under its public right-of-  
15 way permitting jurisdiction, the City should not accept the Parks as public right-of-way under  
16 California Streets and Highways Code Section 1806 and San Francisco Administrative  
17 Code 1.52, and should instead address dedication and acceptance solely as parkland under  
18 Port Commission jurisdiction in accordance with California Government Code Section 66477.1  
19 and San Francisco Subdivision Code Section 1438. This will expedite the opening of Parks  
20 P22 and P19 to the public and allow for the efficient and orderly transfer of jurisdictional  
21 responsibility over the Park Improvements from PW permitting authority to Port Commission  
22 property and management jurisdiction in contrast to what would have been required if the  
23 improvements were designated as public right-of-way.

1 Section 3. Adoption of Findings and Recommendations for Mission Bay South Parks  
2 P22 and P19.

3 (a) The Board of Supervisors adopts as its own the CEQA findings, the General Plan  
4 consistency findings, and the eight priority findings of Planning Code Section 101.1 in the  
5 Parks P22 and P19 Planning Department Letter, all of which findings are referenced in  
6 Section 2 of this ordinance, in connection with the acceptance of the Mission Bay Parks P22  
7 and P19.

8 (b) The Board of Supervisors adopts as its own the Mission Bay South Redevelopment  
9 Plan consistency findings in the Parks P22 and P19 OCII Letter, which findings are referenced  
10 in Section 2 of this ordinance, in connection with the acceptance of the Mission Bay Parks  
11 P22 and P19.

12 (c) The Board of Supervisors adopts PW Order No. 210669, including the City  
13 Engineer's certification and PW Director's recommendations concerning the acceptance of the

15 related to the dedication and acceptance of the Park Improvements to the Port Commission  
16 for Port maintenance and liability subject to the requirements identified below in Section 5 of  
17 this ordinance. The Board of Supervisors also adopts this PW Order in regard to the  
18 delegation of various actions related to the dedication and acceptance of the PUC Assets to  
19 Public Works Director for SFPUC maintenance and liability subject to the requirements  
20 identified below in Section 6 of this ordinance. The Board of Supervisors adopts said  
21 recommendation as its own.

22  
23 Section 4. Accepting a Grant Deed for Lot 14 That Is Included in Park P22.

24 The Board of Supervisors hereby conditionally accepts the Offer of Dedication and  
25 grant deed for Lot 14 that is included in Park P22. The Real Estate Director, in consultation

1 with the City Attorney, is authorized to sign the final grant deed in substantially the same form  
2 as that on file with the Clerk of the Board of Supervisors and record the grant deed, but only  
3 after the Port Commission accepts Park P22 under the terms set forth in this ordinance.  
4

5 Section 5. Delegation to the Port Commission of the Authority to Accept New  
6 Acquisition Facilities and Assume Maintenance and Liability Responsibilities; Other Official  
7 Acts Regarding the Park Improvements.

11 to accept the Parks P22 and P19 FOCIL Offers, with the exception of the PUC Assets, on  
12 behalf of the City and dedicate the Park Improvements to public use after the City Engineer  
13 issues a Determination of Completion for each Park.

14 (b) As to Mission Bay Parks P22 and P19, the Board of Supervisors delegates to the  
15 Port Commission the authority to approve the final Park P22 and Park P19 Plats and  
16 designate the property shown thereon for park and open space purposes only. The Board  
17 acknowledges that the Port Commission also will separately designate the properties shown  
18 on the above referenced Plats for park and open space purposes only.

19 (c) In accordance with California Government Code Section 66477.1 and San

22 Improvements, including acceptance of such Improvements for Port Commission  
23 maintenance and liability, subject to the conditions listed in Sections 2, 3, and 5 of this  
24 ordinance.  
25

1 (d) The Board's delegation to the Port Commission regarding the acceptance of the  
2 Park Improvements is for Mission Bay Parks P22 and P19 only. The Port Commission's  
3 acceptance action shall exclude the PUC Assets and any encroachments that are permitted,  
4 not permitted, or both.

5 (e) The Board of Supervisors also conditions its delegation of the acceptance on the  
6 Port Commission obtaining FOCIL's conditional assignment of all warranties and guaranties  
7 related to the construction of the above listed Park Improvements.

8 (f) The Board of Supervisors assigns all future jurisdiction over Parks P22 and P19 to  
9 the Port Commission on the effective date of the Port Commission's acceptance of the Park  
10 Improvements and directs the Director of the Real Estate Division to place Parks P22 and P19  
11 under the jurisdiction of the Port of San Francisco on such effective date or at a later date as  
12 deemed appropriate by the Port General Manager and Director of Real Estate.
