3 **Resolution authorizing the San Francisco Fire Department to accept a gift of a custom**  
4 **firefighter air system to be installed within the Folsom Street training tower valued at**  
5 **\$15,000 from Rescue Air Systems for training, emergency preparedness, high rise**  
6 **safety, and related purposes.**

7

8 WHEREAS, Rescue Air Systems has offered to donate a custom firefighting air system  
9 within the Folsom Street Training Tower to the San Francisco Fire Department to improve the  
10 Fire Department's ability to train firefighters within a high rise structure; and,

11 WHEREAS, the donation from Rescue Air Systems includes a mobile air connection  
12 panel, an air monitoring system, piping distribution, an air filling station, the installation of all  
13 equipment, and training, for a total value of \$15,000; and

14 WHEREAS, in March, 2005, the San Francisco Fire Commission approved a resolution  
15 to accept this gift from Rescue Air Systems because training on the use of such a system at  
16 the Folsom Street Training Tower would be beneficial to firefighters and members of the  
17 public; and

18 WHEREAS, this special purpose equipment will benefit the Fire Department and  
19 improve its training capabilities and ability to respond to emergencies and provide public  
20 safety services to the people of San Francisco and other areas that may be in need of mutual  
21 assistance; now, therefore, be it

22 RESOLVED, That the Chief of the Fire Department is authorized to accept the donation  
23 of the custom firefighting air system from Rescue Air System.
