Resident of San Francisco [checked] Yes [] No [] If No, place of residence:

Pursuant to Charter section 4.101 (a)1, please state how your qualifications represent the communities of interest, neighborhoods, and the diversity in ethnicity, race, age, sex, sexual orientation, gender identity, types of disabilities, and any other relevant demographic qualities of the City and County of San Francisco:

I am applying for reappointment to my current seat (Seat 2, Youth and Families) on the Balboa Park Station Community Advisory Commission, which expires February 28, 2018. I am also interested in and willing to serve in Seat 6, Bikes and Pedestrians. I would be happy to switch seats if the opportunity arises, but foremost, I would like to remain on the Committee. I was appointed to the Committee in May 2017 and it has been a privilege and an honor to represent my community on this Committee and I hope to be able to continue to do so.

I am a native San Franciscan. I attended Buena Vista Alternative Elementary School (now Buena Vista Horace Mann K-8), Live Oak (Middle) School, and School of the Arts (now Ruth Asawa School of the Arts). I have lived on both "sides" of the Balboa Park Station - currently, Mission Terrace, and previously, Ingleside. I bike to work in South San Francisco and take BART home. I shop in the area, frequent the neighborhood's parks, and try my best to strike a balance between championing the area, while not exposing the undiscovered gem that is Balboa Park. Having grown up in the Mission, I am now incredibly proud to call Mission Terrace my home.

Business and/or professional experience:

My professional experiences center around community and economic development, housing, and project management. I earned a BA in American Studies from Stanford University and a Masters in Urban Planning from New York University's Wagner Graduate School of Public Service. Prior to moving back to the Bay Area, I worked for the Columbus Downtown Development Corporation in Columbus, Ohio, managing federal and state grants for major public projects and the budget for a seven-acre public park, among other responsibilities. More recently, I served as Economic Development Coordinator and subsequently Economic Development & Housing Manager for the City of San Carlos, where I administered the City's affordable housing program and worked on economic development-related projects. Currently, I serve as Deputy Director of the Economic & Community Development Department with the City of South San Francisco.

Civic Activities:

I currently serve on the Balboa Park Station Community Advisory Commission. Since my appointment to the Committee in May 2017, I have dutifully attended meetings, dug into the material provided by staff to review, and attended community events when able. After seven months on the Committee, I feel more connected to my community and more settled on the Committee. I look forward to continuing to serve on the Committee, bringing my unique perspective to our discussions of important public infrastructure projects.

In my day job, I prepare for and present at Commission and City Council meetings. I also staff the Bike and Pedestrian Advisory Committee and understand well the constraints and opportunities born of the public process, and the balance between the role of staff and appointed committees.

My experiences growing up as a low-income American Muslim Indian woman in San Francisco has shaped my passion for improving my community. I would like to serve on the Balboa Park Station Advisory Committee because advocating for low-income families in this area is very important to me. I am a product of the educational system in San Francisco and have volunteered and worked in schools throughout the city as a substitute teacher. I attended and previously worked for a program called Aim High, a summer school program for low-income students that took place at Lick-Wilmerding High School. The facilities at and around Balboa Park Station were a critical component in providing my students with an enriched summer experience. After working as a substitute teacher in San Francisco, I decided to pursue my Masters in Education Policy from Columbia University, so that I could better equip myself to advocate for low-income families in San Francisco.

Congress of the United States

To Whom It May Concern:

I am writing to highly recommend Ms. Rezwana Aliya Chisti.

I had the pleasure of overseeing the work of Aliya while she interned in the Washington, D.C. office of Congresswoman Yvette D. Clarke from July through August 2015. During her time in our office, I was impressed with how quickly she delved into the fast-paced environment on Capitol Hill. She approached every assignment with enthusiasm and a curiosity for the American political processes. Aliya exhibited a rare combination of speed and thoroughness that enabled her to produce high volume work while maintaining high standards of excellence.

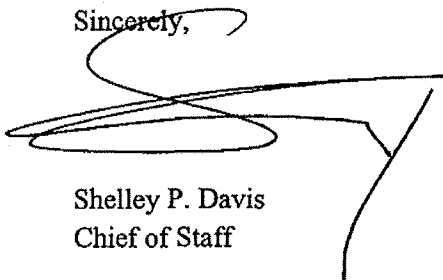

Aliya's commitment to education, policy, and underserved populations was evident in her writing assignments. Her positive attitude and eagerness to take on various tasks, led her to work with our Senior Policy Advisor to analyze various issues related to early childhood education. Aliya took the initiative to better understand federal oversight of Head Start, a comprehensive early childhood education program for low-income families and children, by attending policy briefings and working with the Congressional Research Service to conduct comprehensive legislative research. Her efforts led her to ultimately draft a legislative proposal for how Head Start can be further improved.

Aliya's proposal was so impressive that our office decided to advance her ideas into a legislative proposal that could be considered to be written as a bill and become law. Her strong verbal and written communications skills allowed her to relay information in a clear and coherent manner.

Aliya's upbeat demeanor brightened the office and her strong human relations skills enabled her to interface very effectively with constituents as well. She demonstrated an immense amount of professionalism and initiative, always eager to shadow staff members in meetings with lobby groups and constituent associations on Capitol Hill.

I give my strongest recommendation to this outstanding young woman. If you have any questions, please do not hesitate to contact me via email at Shelley.Davis@mail.house.gov or via phone at 202-225-6231.

Sincerely,

Shelley P. Davis

For nearly my entire life, I have lived in the Sunnyside area in District 7 which borders Balboa Park. I was recently a student at City College and at UC Berkeley. While studying at Berkeley for 3 years, I rode my bike to the station and took Bart to Berkeley. My neighborhood is not currently represented on the Balboa Park CAC because we fall outside of District 11, despite many of my neighbors, including myself, being frequent users of the transportation hub.

Additionally, I am a first generation Asian American; my parents immigrated from Thailand. Asians make up about a third of the population in the city with significant concentrations in District 11 (47%) and in District 7 (35%).

Business and/or professional experience:

Student Advisory Council Representative for Balboa High School (August 2011 - May 2012) -- I participated in the Free Muni for Youth Campaign by attending MTA meetings and gathering signatures from other students in support of the proposed program.
Legislative Intern, Office of Supervisor Sandra Lee Fewer (January 2017 - May 2017) -- While in Supervisor Fewer's office, I shadowed the supervisor on transportation related meetings and issues. Some of the topics I was involved in were: automated speed enforcement, purchasing electric vehicles for city use, Chariot regulation, and Scoot parking.
Programs Assistant, Chinatown Community Development Center (CCDC) (May 2017 - Present) -- I recently started at this organization and am still learning, but I have participated in community meetings promoting pedestrian safety and equitable access to transit.
Member, Chinatown Transportation Research and Improvement Project (TRIP) (July 2017 - Present) -- TRIP is one of the founding organizations of CCDC focused on improving transportation access to Chinatown. They hold monthly meetings which I recently started attending. We've discussed about how to improve Muni service, improving Chinatown Park and Ride, VisionZero, and other transportation/pedestrian safety related issues.
