**Angela Cavillo,  
Clerk of the Board of Supervisors  
City Hall, Room 244  
San Francisco, CA 94102**

**Dear Ms. Cavillo:**

I am submitting this request on behalf of Sheriff Ross Mirkarimi. Attached please find an original and two copies of a proposed resolution for the Board of Supervisors approval of a contract providing for the care, confinement, and rehabilitative programming for California Department of Corrections and Rehabilitation's (CDCR) state inmates in a Secure Reentry Program Facility (SRPF). The Sheriff's Department has established a Reentry Pod for purpose of providing these services to those inmates scheduled to be released from state prison within 60 days or less to post release community supervision in San Francisco County.

Penal Code Section 4115.56 provides that, upon agreement with the sheriff, a board of supervisors may enter into a contract with the Department of Corrections and Rehabilitation to house inmates who are within 60 days or less of release from the state prison to a county jail facility for the purpose of reentry and community transition purposes.

This contract provides anticipated revenue to the City and County of San Francisco in excess of one million dollars, and is therefore subject to approval of the Board of Supervisors by resolution pursuant to San Francisco Charter Section 9.118(a).

If you have any questions relative to this request, please do not hesitate to contact me at (415) 554-7223. Thank you in advance for your consideration in this matter.

Sincerely,

  
\_\_\_\_\_  
Chief Deputy Kathy Gorwood #1319
