Section 1. The Police Code is hereby amended by adding Article 33G, consisting of Sections 3300G.1 through 3300G.18, to read as follows:

**ARTICLE 33G: PREDICTABLE SCHEDULING AND FAIR TREATMENT**  
**FOR FORMULA RETAIL EMPLOYEES**

**SEC. 3300G.1. TITLE.**

This Article shall be known as the "Predictable Scheduling and Fair Treatment for Formula Retail Employees Ordinance."

1 SEC. 3300G.2. FINDINGS AND PURPOSE.

2 (a) Formula retail establishments are a major employment base in the City and County of San  
3 Francisco ("City"). As of September 2014, there were approximately 1,250 formula retail  
4 establishments in the City, accounting for 12% of all retailers. There are approximately 35,000  
5 persons employed by these formula retail establishments in the City, accounting for approximately 5 to  
6 6% of the City's total wage and salary employment. The City has a strong interest in ensuring that the  
7 jobs these formula retail establishments provide allow employees to meet their basic needs and achieve  
8 economic security.

9 (b) Erratic and on-call scheduling practices have become pervasive in formula retail  
10 establishments, particularly in stores and restaurants and bars, which together represent 83% of  
11 formula retail establishments in the City. Nationally, almost two-thirds of food service employees and  
12 half of formula retail store employees receive their work schedules one week or less in advance. The  
13 majority of these employees experience significant fluctuations in their work hours from week to week  
14 and month to month. According to a recent survey of employees at chain stores and large stores, only  
15 40% of those surveyed have consistent minimum hours per week, one quarter of the employees are  
16 scheduled for on-call shifts, and the vast majority find out from a supervisor if they are needed for the  
17 on-call shift only two hours before the shift starts.

18 (c) Many formula retail establishments use computer software that automatically generates  
19 work schedules for their employees. The schedules generated by such software are frequently erratic  
20 and unpredictable, and provide employees with minimal notice of their upcoming shifts. Companies  
21 seldom encourage managers to adjust those schedules to accommodate the needs of their employees. A  
22 recent national study shows that although companies could use the software to provide predictable  
23 schedules and greater notice to their employees, few have done so. An August 2014 New York Times  
24 article described how Starbucks Coffee uses this software to create the schedules of its 130,000  
25 baristas, often resulting in an unpredictable and erratic work schedule for employees. Soon after the

1 article's publication, Starbucks announced that it planned to change its policy to give employees more  
2 advance notice of their work schedules and give managers more latitude to accommodate the needs of  
3 employees.

4 (d) Many employees of San Francisco formula retail establishments are impacted by  
5 unpredictable scheduling practices such as frequent and last-minute changes to their work schedules  
6 and use of "on-call" scheduling. In a recent survey of food retail employees in four regions of  
7 California – including the San Francisco Bay Area – 25% of employees reported employers requiring  
8 availability for on-call shifts, and almost half of employees reported having little or no input on their  
9 work schedules. Unpredictable scheduling practices and last-minute work schedule changes cause  
10 workers who are already struggling with low wages to live in a constant state of insecurity about when  
11 they will work or how much they will earn on any given day.

12 (e) Unpredictable work scheduling practices are detrimental to San Francisco employees and  
13 their families because they (1) lead to income instability, making it hard for employees to plan their  
14 finances and obtain economic security; (2) create work-family conflicts that make it difficult for  
15 employees to plan their child care, care giving duties, and transportation; and (3) prevent part-time  
16 employees from pursuing educational opportunities or holding a second or third job that such workers  
17 may need to make ends meet. Retail industry research in New York City found that more than half of  
18 family caregivers in the retail industry must be available for on-call shifts, forcing them to arrange for  
19 child or elder care at the last minute. Women are more likely than men to work part-time and  
20 experience unpredictability in their work schedules; one study found that women were 64% of the  
21 frontline part-time workforce among retail workers.

22 (f) As of September 2014, according to the Bureau of Labor Statistics, there were 7.3 million  
23 "involuntary part-time workers" in the United States. These individuals were working part-time  
24 because their hours had been cut back or because they were unable to find a full-time job. According  
25 to Census data, since 2006, the number of "involuntary part-time employees" in California nearly

1 tripled to 1.1 million employees. According to the Bureau of Labor Statistics, less than half of the retail  
2 workforce nationwide works full time, and the number of those working fewer than 20 hours per week  
3 has grown by 14% in the past decade. In 2012, nearly 111,000 employees in the City – approximately  
4 23% of the City’s workforce – were employed part-time. Employers sometimes treat part-time  
5 employees less favorably than full-time employees. For example, the majority of full-time employees  
6 nationally earn more per hour than their part-time counterparts.

7 (g) Half of formula retailers in the City each have more than 1,000 locations nationwide,  
8 whereas only 5% of formula retailers in the City have less than 20 locations nationwide. Given the  
9 number of employees working for formula retail establishments in the City, these businesses are well  
10 positioned to implement fair and predictable scheduling practices for their employees. Even some  
11 small local businesses in the City that do not meet the definition of “formula retail” have implemented  
12 predictable scheduling practices such as giving employees 14 days’ advance notice of their schedules.

13 (h) The purpose of this Article 33G is to provide formula retail employees with more  
14 predictable, stable work schedules that are essential to their ability to earn a living and ensure a  
15 healthy and decent life for themselves and their families, and to ensure that part-time employees in  
16 formula retail establishments are treated fairly and equally compared to their full-time counterparts.

17  
18 **SEC. 3300G.3. DEFINITIONS.**

19 For purposes of this Article 33G, the following definitions apply:

20 “Agency” shall mean the City’s Office of Labor Standards Enforcement.

21 “City” shall mean the City and County of San Francisco.

22 “Employee” shall have the same meaning as the definition of “Employee” in Section 12R.3 of  
23 the Minimum Wage Ordinance (Administrative Code Chapter 12R), as amended from time to time,  
24 except that Employee shall also mean any Person who, in a particular week, is scheduled for an On-  
25

1 Call Shift for at least two hours for an Employer within the geographic boundaries of the City,  
2 regardless of whether the person is required to report to work for such shift.

3 "Employer" shall mean any Person that owns or operates a Formula Retail Establishment with  
4 20 one or more Employees in the City, including corporate officers or executives, who directly or  
5 indirectly or through an agent or any other person, including through the services of a temporary  
6 services or staffing agency or similar entity, employs or exercises control over the wages, hours, or  
7 working conditions of any individual. For the purpose of calculating the 20-employee threshold  
8 referenced herein, Employees performing work in other Formula Retail Establishments in the  
9 City that are owned or operated under the same trade name by the same Employer shall be  
10 counted. Notwithstanding the foregoing definition, "Employer" does not include a Nonprofit  
11 Corporation or governmental entity.

12 "Formula Retail Establishment" shall mean a business located in San Francisco that falls  
13 under the Planning Code's definition of "Formula Retail Use," as amended from time to time.

14 "Full-time" shall mean 35 or more hours of work in each work week.

15 "On-Call Shift" shall mean any shift for which an Employee must, less than 24 hours in  
16 advance of the start of the shift, either contact the Employer or wait to be contacted by the Employer to  
17 learn whether the Employer requires the Employee to report to work for the shift.

18 "Person" shall mean an individual, proprietorship, corporation, partnership, limited  
19 partnership, limited liability partnership or company, trust, business trust, estate, association, joint  
20 venture, agency, instrumentality, or any other legal or commercial entity, whether domestic or foreign.

21 "Part-time" shall mean fewer than 35 hours of work in each work week.

22 "Property Services Contractor" shall mean any contractor or subcontractor of an  
23 Employer that provides janitorial and/or security services to the Employer at a Formula Retail  
24 Establishment in San Francisco covered by this Article 33G.

1 SEC. 3300G.4. ADVANCE NOTICE OF WORK SCHEDULES AND CHANGES IN WORK  
2 SCHEDULES.

3 (a) Initial Estimate of Minimum Hours.

4 (1) Prior to the start of employment, an Employer shall provide a new Employee with a  
5 good faith estimate in writing of the Employee's expected minimum number of scheduled shifts per  
6 month, and the days and hours of those shifts. The estimate shall not include On-Call Shifts. The  
7 estimate shall not constitute a contractual offer and the Employer shall not be bound by the estimate.

8 (2) Prior to the start of employment, the Employee may request that the Employer  
9 modify the proposed work schedule provided under subsection (a)(1) of this Section 3300G.4. The  
10 Employer shall consider any such request, and in its sole discretion may accept or reject the request,  
11 provided that the Employer shall notify the Employee of its determination prior to the start of  
12 employment.

13 (b) Two Weeks' Notice of Work Schedules.

14 An Employer shall provide its Employees with at least two weeks' notice of their work schedules  
15 by doing one of the following at least every 14 days (on a "Biweekly Schedule"): (1) posting the work  
16 schedule in a conspicuous place at the workplace that is readily accessible and visible to all  
17 Employees, or (2) transmitting the work schedule by electronic means, so long as all Employees are  
18 given access to the electronic schedule at the workplace. For new Employees, an Employer shall  
19 provide the new Employee on his or her first day of employment with an initial work schedule that runs  
20 through the date that the next Biweekly Schedule for existing Employees is scheduled to be posted or  
21 distributed; thereafter, the Employer shall include the new Employee in an existing Biweekly Schedule  
22 with other Employees. For all Employees, the work schedule shall include any On-Call Shifts, where  
23 applicable. If the Employer changes the work schedule after it is posted and/or transmitted, such  
24 changes shall be subject to the notice and compensation requirements set forth in subsection (c) of this  
25 Section 3330G.4.

1           (c) Notice and Compensation For Schedule Changes.

2           (1) Notice Required. An Employer shall provide an Employee notice of any change to  
3 the Employee's schedule that has been posted or transmitted pursuant to subsection (b) of this Section  
4 3300G.4. The Employer shall provide such notice by in-person conversation, telephone call, or email,  
5 text message, or other electronic communication. This notice requirement shall not apply to any  
6 schedule changes that the Employee requests, such as Employee-requested sick leave, time off, shift  
7 trades, or additional shifts.

8           (2) Predictability Pay For Schedule Changes. Subject to the exceptions in subsection  
9 (e) of this Section 3300G.4, an Employer shall provide an Employee with the following compensation  
10 per shift for each previously scheduled shift that the Employer moves to another date or time or  
11  Cancels, or each previously unscheduled shift that the Employer requires the Employee to come into  
12 work:

13                   (A) With less than seven days' notice but 24 hours or more notice to the  
14 Employee, one hour of pay at the Employee's regular hourly rate;

15                   (B) With less than 24 hours' notice to the Employee, two hours of pay at the  
16 Employee's regular hourly rate for each shift of four hours or less; and

17                   (C) With less than 24 hours' notice to the Employee, four hours of pay at the  
18 Employee's regular hourly rate for each shift of more than four hours.

19           Where the Employee is required to come into work, the compensation mandated by this  
20 subsection (c)(2) shall be in addition to the Employee's regular pay for working that shift. This  
21 subsection (c)(2) shall not apply to On-Call Shifts.

22           (d) Pay for On-Call Shifts. Subject to the exceptions in subsection (e) of this Section 3300G.4,  
23 an Employer shall provide an Employee with the following compensation for each On-Call Shift for  
24 which the Employee is required to be available but is not called in to work:

1                   (1) Two hours of pay at the Employee's regular hourly rate for each On-Call Shift of  
2 four hours or less; and

3                   (2) Four hours of pay at the Employee's regular hourly rate for each On-Call Shift of  
4 more than four hours.

5                   This subsection (d) shall not apply when the Employee is in fact called in for the On-Call Shift  
6 or the Employer provides the Employee with 24 hours' or more notice that the On-Call Shift has been  
7 cancelled or moved to another date or time.

8                   (e) Exceptions. The requirements in subsections (c) and (d) of this Section 3300G.4 shall not  
9 apply under any of the following circumstances:

10                   (1) Operations cannot begin or continue due to threats to Employees or property, or  
11 when civil authorities recommend that work not begin or continue;

12                   (2) Operations cannot begin or continue because public utilities fail to supply  
13 electricity, water, or gas, or there is a failure in the public utilities, or sewer system;

14                   (3) Operations cannot begin or continue due to an Act of God or other cause not within  
15 the Employer's control, for example, an earthquake or a state of emergency declared by the Mayor or  
16 the Governor;

17                   (4) Another Employee previously scheduled to work that shift is unable to work due to  
18 illness, vacation, or employer-provided paid or unpaid time off where the Employer did not receive at  
19 least seven days' notice of the absence;

20                   (5) Another Employee previously scheduled to work that shift has not reported to work  
21 on time and/or is fired or sent home or told to stay home as a disciplinary action;

22                   (6) The Employer requires the Employee to work overtime (i.e., mandatory overtime);  
23 or

24                   (7) The Employee trades shifts with another Employee or requests from the Employer a  
25 change in shift(s), hours, or work schedule.

1           (f) Nothing in this Section 3300G.4 shall be construed to prohibit an Employer from providing  
2 greater advance notice of Employees' work schedules and/or changes in schedules than that required  
3 by this Section.

4           (g) The requirements imposed by this Section 3300G.4 shall apply to Property  
5 Services Contractors as to work performed in San Francisco at a Formula Retail  
6 Establishment covered by this Article 33G, under a contract with an Employer. An Employer  
7 shall include in any such contract executed on or after the operative date of this Article 33G,  
8 (1) a provision requiring the Property Services Contractor to comply with this Article and (2) a  
9 copy of this Article. The Employer shall retain copies of such contracts for a period of not less  
10 than three years following the expiration or termination of the contract, and make such copies  
11 available to the Agency for inspection upon request. In addition, Sections 3300G.6, 3300G.7,  
12 3300G.9, 3300G.10, and 3300G.11 of this Article shall apply to a Property Services  
13 Contractor as if it is an Employer for purposes of notice, record retention, compliance,  
14 investigation, and enforcement of the requirements of this Section 3300G.4.

19 and responsibility, and that are performed under similar working conditions, provided that hourly pay  
20 differentials between Part-Time and Full-Time Employees are permissible if such differentials are  
21 based on reasons other than the Part-Time status of the Employee, such as a seniority system, merit

22 **SEC. 3300G.10. INVESTIGATION AND ADMINISTRATIVE ENFORCEMENT BY THE**  
23 **AGENCY.**

24 *(a) Authority. The Agency is authorized to take appropriate steps to enforce and coordinate*  
25 *enforcement of this Article 33G, including the investigation of any possible violations of this Article.*

1           (b) Determination of Violation and Penalties.

2                   (1) Where the Agency has reason to believe that a violation has occurred, it may order  
3 any appropriate temporary or interim relief to mitigate the violation or maintain the status quo pending  
4 completion of a full investigation.

5                   (2) After investigating a possible violation of this Article 33G, and providing the  
6 Employer the opportunity to respond to the allegations, if the Agency determines that a violation has  
7 occurred, it may issue a Determination of Violation. The Determination of Violation shall identify the  
8 violation and the factual basis for the determination. The Agency shall serve the Determination of  
9 Violation on the Employer by United States mail and the date of service shall be the date of mailing. In  
10 the Determination of Violation, the Agency may order any appropriate relief, provided, however, that  
11 during the first six months following the operative date of this Article 33G, the Agency must  
12 issue warnings and notices to correct. Thereafter, the Agency may order relief including, but  
13 not limited to, requiring the Employer to offer payment of lost wages to the Employee or person whose  
14 rights under this Article were violated, and the payment of an additional sum as an administrative  
15 penalty in the amount of \$50 to each Employee or person whose rights under this Article were violated  
16 for each day that the violation occurred or continued. To compensate the City for the costs of  
17 investigating and remedying the violation, the Agency may also order the violating Employer to pay to  
18 the City an amount that does not exceed its enforcement costs.

19                   (c) Appeal Procedure. An Employer may appeal from a Determination of Violation in  
20 accordance with the following procedures:

21                   (1) Any appeal from a Determination of Violation (referred to in this subsection (c) as  
22 "Appeal") shall be filed in writing by the party filing the Appeal (referred to as "Appellant") within 15  
23 days of the date of service of the Determination of Violation. Appellant shall file the Appeal with the  
24 City Controller and serve a copy on the Agency. Failure by the Appellant to file a timely, written  
25

1 Appeal shall constitute concession to the violation, and the violation shall be deemed final upon  
2 expiration of the 15-day period.

3 (2) Following the filing of the Appeal and service of a copy on the Agency, the Agency  
4 shall promptly afford Appellant an opportunity to meet and confer in good faith regarding possible  
5 resolution of the Determination of Violation in advance of further proceedings under this subsection  
6 (c), with the intention that such meeting occur within 30 days of the date the Appeal is filed if feasible.

7 (3) After the expiration of 30 days following the date the Appeal is filed, any party may  
8 request in writing, with concurrent notice to all other parties, that the Controller appoint a hearing  
9 officer to hear and decide the appeal. If no party requests appointment of a hearing officer, the Notice  
10 of Violation shall be deemed final on the 60th day after the date the Appeal is filed.

11 (4) Within 15 days of receiving a written request for appointment of a hearing officer,  
12 the Controller shall appoint an impartial hearing officer who is not part of the Agency and immediately  
13 notify the Agency and Appellant, and their respective counsel or authorized representative if any, of the  
14 appointment. The appointed hearing officer shall be an Administrative Law Judge with not fewer than  
15 two years experience in labor or employment law and/or wage and hour matters, or an attorney with  
16 not fewer than five years' experience in labor or employment law and/or wage and hour matters.

17 (5) The hearing officer shall promptly set a date for a hearing. The hearing must  
18 commence within 45 days of the date of the Controller's notice of appointment of the hearing officer,  
19 and conclude within 75 days of such notice. The hearing officer shall conduct a fair and impartial  
20 evidentiary hearing in conformance with the time limitations set forth in this subsection (c)(5) and in  
21 any applicable rules and regulations, so as to avoid undue delay in the resolution of any Appeal. The  
22 hearing officer shall have the discretion to extend the times under this subsection (c)(5), and any time  
23 requirements under any applicable rules and regulations, only upon a determination of good cause.

1                   (6) Appellant shall have the burden of proving by a preponderance of the evidence that  
2 the basis for the Determination of Violation, and/or the amount of lost wages, interest, or penalty  
3 payments at issue in the Appeal, is incorrect.

4                   (7) Within 30 days of the conclusion of the hearing, the hearing officer shall issue a  
5 written decision affirming, modifying, or dismissing the Determination of Violation. The decision of the  
6 hearing officer shall consist of findings and a determination. The hearing officer's findings and  
7 determination shall be the final administrative determination.

8                   (8) Appellant may appeal a final administrative determination only by filing in San  
9 Francisco Superior Court a petition for a writ of mandate under California Code of Civil Procedure,  
10 section 1094.5, et seq., as applicable and as may be amended from time to time.

11                   (9) Failure to appeal a Determination of Violation shall constitute a failure to exhaust  
12 administrative remedies, which shall serve as a complete defense to any petition or claim brought by  
13 the Employer against the City regarding the Agency's Determination of Violation.

14                   (d) Compliance. Where prompt compliance with a Determination of Violation is not  
15 forthcoming, the Agency may take any appropriate enforcement action to secure compliance, including  
16 referring the action to the City Attorney to consider initiating a civil action pursuant to Section  
17 3300G.11.

18                   (e) Reporting Violations. An Employee or any individual who has reason to believe that a  
19 violation of this Article 33G has occurred may report to the Agency any suspected violation of this  
20 Article. The Agency shall encourage reporting pursuant to this subsection (e) by keeping confidential,  
21 to the maximum extent permitted by applicable laws, the name and other identifying information of the  
22 individual reporting the suspected violation; provided, however, that with the authorization of the  
23 reporting individual, the Agency may disclose his or her name and identifying information as necessary  
24 to enforce this Article or for other appropriate purposes.

1           (f) Report to the Board of Supervisors. By no later than January 31, 2016, January 31, 2017,  
2 and January 31, 2018, and then January 31st of every even-numbered year thereafter, the Agency shall  
3 provide a written report to the Board of Supervisors regarding this Article 33G. The report shall  
4 include, but not be limited to, a discussion of the implementation and enforcement of this Article,  
5 including the number of violations and the penalties assessed in the prior year (prior two years,  
6 starting with the report due by January 31, 2020). The report may also include recommendations for  
7 possible improvements to this Article.

9           **SEC. 3300G.11. CIVIL ENFORCEMENT.**

10           The City Attorney or any Employee or applicant for employment aggrieved by a violation of this  
11 Article 33G may bring a civil action in a court of competent jurisdiction against an Employer, for  
12 violating any requirement of this Article and, upon prevailing, shall be entitled to such legal or  
13 equitable relief as may be appropriate to remedy the violation including, without limitation, the  
14 payment of lost wages, the payment of an additional sum as a civil penalty not to exceed the amount  
15 awarded for lost wages, and reinstatement in employment and/or injunctive relief, and shall be  
16 awarded reasonable attorneys' fees and costs; provided, however, that any person or entity enforcing  
17 this Article on behalf of the public as provided for under applicable state law shall, upon prevailing, be  
18 entitled only to equitable, injunctive, or restitutionary relief, and reasonable attorneys' fees and costs.

19  
20           **SEC. 3300G.12. AGENCY MAY ADOPT REGULATIONS.**

21           The Agency may promulgate appropriate guidelines or rules to implement this Article 33G.  
22 Such guidelines or rules shall be consistent with this Article and may be relied on by Employers,  
23 Employees, and other persons to determine their rights and responsibilities under this Article. Such  
24 guidelines or rules may establish procedures for ensuring fair, efficient, and cost-effective

**LEGISLATIVE DIGEST**

[Police Code - Fair Scheduling and Treatment of Formula Retail Employees]

**Ordinance amending the Police Code to require formula retail establishments to provide employees with two weeks' notice of work schedules, notice of changes to work schedules, and compensation for schedule changes made on less than seven days' notice and unused on-call shifts, and to provide part-time employees with the same starting rate of hourly pay, access to time off, and eligibility for promotions, as provided to full-time employees.**

Existing Law

No City law requires Formula Retail Establishments to provide advance notice of employee work schedules and schedule changes, compensation for schedule changes and on-call shifts, or equal treatment of part-time employees.

Amendments to Current Law

This proposed ordinance applies to "Formula Retail Establishments," defined as businesses located in San Francisco that fall under the Planning Code's definition of "Formula Retail Use," with one or more employees in San Francisco. If the Planning Code's definition of "Formula Retail Use" should be changed, the definition of "Formula Retail Establishment" would automatically change to duplicate the "Formula Retail Use" definition.

This proposed ordinance also applies to "Property Services Contractors," defined as contractors or subcontractors of Formula Retail Establishments that provide janitorial and/or security services to Formula Retail Establishments.

The ordinance would require Formula Retail employers to provide their employees in the City with the following:

- Initial Estimate of Minimum Hours: Prior to the start of employment, provide an initial estimate of the employee's expected minimum number of scheduled shifts per month, and the days and hours of those shifts.
- Two Weeks' Notice of Schedules: Provide all employees with two weeks' advance notice of work schedules ("Biweekly Schedules").
- Notice of Schedule Changes: Provide advance notice of any changes to the employee's Biweekly Schedule.
- Predictability Pay: For each schedule change the employer makes on less than seven days' notice, the employer must provide the following compensation (in addition to the employee's regular pay for working the shift): (a) one hour of pay for each shift change made with less than seven days' notice but 24 hours' or more notice, and (b) between

AMENDED IN COMMITTEE

11/12/14

FILE NO. 141024

two and four hours of pay, depending on the duration of the shift, for each shift change made with less than 24 hours' notice.

- On-Call Shift Pay: For each on-call shift for which the employee is required to be available but is not in fact called in to work, the employer must provide between two and four hours of pay, depending on the duration of the on-call shift.

The ordinance provides that the advance notice requirement, as well as the predictability pay and on-call shift pay requirements, do not apply under certain specified circumstances.

The ordinance also requires Formula Retail Establishments to provide equal treatment to part-time employees regarding (1) starting hourly wage, (2) access to employer provided time off, and (3) eligibility for promotions, subject to certain qualifications.

Formula Retail Establishments would be required to post a notice of employees' rights under the ordinance at the workplace and retain employee work schedules and payroll records for three years.

The ordinance prohibits a Formula Retail Establishment or any other party from taking adverse action against any person in retaliation for exercising their rights under the ordinance.

The Office of Labor Standards Enforcement ("OLSE") would be responsible for implementing and enforcing the ordinance. Following an investigation, OLSE could issue a Determination of Violation and order any appropriate relief including requiring the employer to pay lost wages and an additional administrative penalty of \$50 to each employee or person whose rights were violated for each day that the violation occurred or continued. An employer that OLSE determined was in violation of the ordinance could appeal that decision, with the appeal heard by a hearing officer appointed by the Controller's Office.

The City Attorney or any employee or applicant for employment aggrieved by a violation of the ordinance could bring a civil action in court against an Employer for violating the ordinance.

The ordinance would become operative 180 days after its effective date.

RE: Formula Retail Employer Requirements

This is to follow-up on an earlier memo I sent suggesting changes to Sup. Chiu's Fair Scheduling Ordinance and Sup. Mar's Hours and Retention Ordinance. We appreciate the opportunity to continue to discuss amendments to these two ordinances and look forward to next week's special Budget Committee meeting where significant amendments can be made. As you know, there remain many key points in both ordinances that are troublesome to the Chamber and our members. And we urge you to seriously consider the impacts outlined in Ted Egan's report, such as no new hires in small businesses with less than a 35 hour work week, lack of flexibility to adjust staffing based on time of day/day of week demand.

Because time seems to be of the essence, we set forth below an outline of amendments we urge you to include in any final versions of your legislation;

- 1) In both ordinances "Employer" had been limited to a formula retail establishment with 20 or more employees in the City. This was deleted at yesterday's Budget Committee meeting and we urge the committee to restore that language. Many formula retailers are in fact very small independent franchisees that have limited human resources capabilities and few employees to cover shift changes. Basically, they do not have the flexibility to comply with these proposed mandates.
- 2) "Formula Retail Establishment" should be limited to a business that not only meets the Planning Code definition but has 20 or more world-wide locations and annual gross receipts in the City of at least \$1 million and derives at least 50% of those gross receipts from the sale of goods,

products, food or beverages subject to California sales tax. This is true "retail" and may have the scheduling issues these ordinances are trying to address.

- 3) Sec. 3300F.3 of Sup. Mar's ordinance requires employers to offer additional work to part time employees before hiring additional workers. This will cost jobs and disrupt the long established staffing plans of many businesses. Instead, we suggest a requirement that employers be required to maintain a list of part-time employees willing to work additional hours. However, employers would retain the option of offering additional work hours or hiring additional workers, which is a core management right.
- 4) Sec. 3300F.4 of Sup. Mar's ordinance regarding "Retention of Employees Upon Change of Control" should track language in the existing Hospitality and Grocery Industry Ordinances. We also believe that this provision should only apply to retailers with at least 200 employees at a single city location and should exempt the Hospitality and Grocery Establishments covered by the early legislation. Specific language can be provided.
- 5) Sec. 3300G.4 of Sup. Chiu's ordinance on "Advance Notice of Work Schedules", we suggest that Employers be allowed to post or provide electronically a work schedule not less than 10 rather than 14 calendar days prior to the first scheduled work day. Employers shall give at least 5 days notice to work an unscheduled shift. For restaurant and bars, only 48 hour notice of a shift change would be required. Failure to give at least the 5 day or 48 hour notice, shall result in an Employer requirement to pay an Employee one hour of extra pay at the Employee's regular hourly rate. Failure to give at least 2 days notice, or in the case of restaurant and bars, 24 hours notice, shall result in two hours of extra pay at the regular rate of pay.  
Regarding written notice of scheduled shifts on hiring, this is an onerous requirement for many smaller employers who do not use written employment contracts or hiring letters. This is especially true if no language is inserted to limit the legislation's definition of "formula retailer". We suggest that Sec. 3300G.4 (a)(1) be amended to delete the requirement of a pre-hire written work schedule.

- 6) Regarding "on-call shifts", add an exception in Sec. 3300G4(d) of Sup. Chiu's legislation for employees hired specifically to work on call work or the Employee requests "on-call" status.
- 7) Employee rights, recorded keeping, enforcement sections, etc. should conform to provisions in the Family Friendly Flex-time Ordinance, including the waiver under collective bargaining agreements.
- 8) Delete any reference to janitorial or security contractors. There has been absolutely no outreach to these industries and they have no knowledge that these employment rules may apply to them when working for a formula retail business.

Finally, please don't be surprised if additional amendments aren't suggested at the special meeting of the Budget Committee. This is complicated legislation, especially with two pieces that need to be brought into conformity with each other. In fact, if legally possible under the public notice requirements, if we can reach agreement, we urge you to consider sending out of committee one piece of legislation.

We look forward to discussing these important amendments with you.
