15 ~~2014-2015 through Fiscal Year 2024-2025, the City shall appropriate to the Housing Trust Fund~~
16 ~~an amount increasing by \$2.8 million per year, until the annual appropriation required by this~~
17 ~~Section reaches \$50.8 million in the Fiscal Year 2024-2025 budget.~~

18 ~~(3) In the annual budgets for Fiscal Year 2025-2026 through Fiscal Year 2042-~~
19 ~~43Fiscal Year 2027-28, the City shall appropriate to the Housing Trust Fund an amount equal to~~
20 ~~the prior year’s appropriation, adjusted by the percentage increase or decrease in General Fund~~
21 ~~Discretionary Revenues budgeted for the year compared to the prior year’s original budgeted~~
22 ~~amount of General Fund Discretionary Revenues.~~

23 (2) In each fiscal year beginning in Fiscal Year 2028-2029, until the first fiscal
24 year immediately following the fiscal year in which the total annual appropriation under this

2 Fund the greater of the following:

3 (A) An amount equal to the prior year's appropriation, plus an amount
4 equal to 20% of the City's share of the 1% ad valorem tax revenue resulting from the year-over-

6 of Assessed Valuation between the preceding two fiscal years.

7 (B) An amount equal to the prior year's appropriation, adjusted by the

15 Discretionary Revenues budgeted for the year compared to the prior year's original budgeted
16 amount of General Fund Discretionary Revenues.

17 (4) Should the City adopt a fixed two-year budget under Charter Section 9.101,
18 the adjustment for the Housing Trust Fund appropriation for the two years of the two-year
19 budget shall be based on the amount of General Fund Discretionary Revenues estimated for the
20 two-year period included in the budget.

21 (5) ~~During Fiscal Years 2025-2026 through 2042-2043~~In each fiscal year
22 through 2057-2058, if the Controller submits a revised estimate of General Fund Discretionary
23 Revenues for a given Fiscal Year or two-year budget period that is lower than the amount
24 originally budgeted for that period, then the Board of Supervisors may, by ordinance, reduce the
25

1 appropriation to the Housing Trust Fund for that budget period in an amount that does not exceed
2 the amount proportionate to the percentage shortfall in the discretionary revenue projection.

3 (6) The Controller’s method of calculating the amount of and changes in General
4 Fund Discretionary Revenues shall be consistent from fiscal year to fiscal year and with the
5 Controller’s method for calculating those figures under Charter Sections 8A.105, 16.108, and
6 16.109. ~~Additionally, in determining General Fund Discretionary Revenues, the Controller shall
7 not include revenues received by the City under the increased rates in Business and Tax

11 Regulations Code adopted by the voters at the general municipal election on November 3, 2020.~~

12 The Controller shall treat General Fund appropriations to the Housing Trust Fund as reductions
13 in General Fund Discretionary Revenues when calculating other funding allocations that are tied
14 to General Fund Discretionary Revenues, including funding allocations under Charter Sections
15 8A.105, 16.108, and 16.109. The Controller shall correct errors in the estimate of discretionary
16 revenues for a fiscal year through an adjustment to the next fiscal year’s estimate.

17 ~~————— (7) In any year during the term of this Section, the City may, in its discretion,
18 reduce its annual contribution to the Housing Trust Fund for that year by an amount equal to or
19 less than 56.7% of the annual debt service required to service any SB2113 Affordable Housing
20 Bonds issued after January 1, 2013. “SB2113 Affordable Housing Bonds” are bonds issued by
21 the City to support the acquisition and creation of replacement affordable housing citywide
22 using property tax increment from former Redevelopment project areas under California Health
23 and Safety Code Section 33333.7.~~

25 Housing Trust Fund under this Section, together with any interest earned thereon, and any

1 amount unexpended or uncommitted at the end of the fiscal year shall be carried forward to the
2 next fiscal year and, subject to the budgetary and fiscal limitations of this Charter, shall be
3 appropriated for the purposes specified in this Section.

24 **(de) Uses of the Housing Trust Fund.** The City may disburse monies from the Housing

14 ~~realm infrastructure needed to support increased residential density in the City’s neighborhoods.~~
15 ~~The City may use monies from the Infrastructure Grant Program only for public facilities~~
16 ~~identified in the Community Facilities District law (Cal. Govt. Code §§et seq., as amended), and~~
17 ~~shall give priority to the use of such monies by residential development project sponsors,~~
18 ~~community based organizations, and City departments for public realm improvements associated~~
19 ~~with proposed residential development projects.~~

20 (f) **Bonding Authority.** Notwithstanding the limitations set forth in Sections 9.107,
21 9.108, and 9.109 of this Charter, upon recommendation of the Mayor, the Board of Supervisors
22 may authorize the issuance, without limitation, of revenue bonds, lease financing, notes, or other
23 evidences of indebtedness or other obligations (“Debt Obligations”), the proceeds of which are to
24 be used for creating, acquiring, and rehabilitating rental and ownership housing affordable to
25 Households earning up to 120% of the Area Median Income, including, without limitation, the

11 ~~(i) Fee. The development project shall pay an affordable housing~~
12 ~~fee equivalent to a requirement to provide 33% of the units in the principal project as affordable~~

14 ~~event the City's Nexus Analysis in support of the Inclusionary Affordable Housing program~~
15 ~~demonstrates that a lower affordable housing fee is lawfully applicable based on an analysis of~~

LEGISLATIVE DIGEST

[Charter Amendment - Housing Trust Fund]

Describing and setting forth a proposal to the voters at an election to be held on November 3, 2026, to amend the Charter of the City and County of San Francisco to increase the amount of funding the City must appropriate to the Housing Trust Fund each fiscal year that is used for the creation, acquisition, and rehabilitation of affordable rental and ownership housing, for downpayment loans and housing stabilization for certain households, and for housing-related infrastructure; provide for a temporary freeze and temporary reduction in the annual appropriation to the Housing Trust Fund under certain circumstances; extend the sunset date of the Housing Trust Fund from July 1, 2043 to July 1, 2058; and delete obsolete provisions.

Existing Law

Charter Section 16.110 established the Housing Trust Fund to support creating, acquiring and rehabilitating affordable housing and promoting affordable home ownership programs in the City.

Section 16.110 requires that in the Fiscal Year 2013-2014 budget, the City shall appropriate to the Housing Trust Fund \$20 million. It further requires that through Fiscal Year 2024-2025, the City shall appropriate to the Housing Trust Fund an amount increasing by \$2.8 million per year, until the annual appropriation reaches \$50.8 million in the Fiscal Year 2024-2025 budget. It further requires that in the annual budgets for Fiscal Year 2025-2026 through Fiscal Year 2042-43, the City shall appropriate to the Housing Trust Fund an amount equal to the prior year's appropriation, adjusted by the percentage increase or decrease in General Fund Discretionary Revenues budgeted for the year compared to the prior year's original budgeted amount of General Fund Discretionary Revenues.

It further requires that in determining General Fund Discretionary Revenues, the Controller shall not include certain revenues received by the City under the Business and Tax Regulations Code.

It further requires that the City may, in its discretion, reduce its annual contribution to the Housing Trust Fund for a given fiscal year by an amount equal to or less than 56.7% of the annual debt service required to service any SB2113 Affordable Housing Bonds issued after January 1, 2013.

It also authorizes the City to use monies in the Housing Trust Fund to fund the creation, acquisition, and rehabilitation of rental and ownership housing; provide downpayment assistance loans; provide a housing stabilization program; operate a Complete Neighborhoods Infrastructure Grant Program; and to issue revenue bonds, lease financing,

notes, or other evidences of indebtedness or other obligations, the proceeds of which are to be used for creating, acquiring, and rehabilitating affordable rental and ownership housing.

The sunset date for the Housing Trust Fund is July 1, 2043.

Amendments to Current Law

The proposed measure would amend Section 16.110 to require that, beginning in Fiscal Year 2028-2029, until the first fiscal year immediately following the fiscal year in which the total annual appropriation reaches or exceeds \$125 million, the City shall appropriate to the Housing Trust Fund the greater of the following:

- An amount equal to the prior year's appropriation, plus an amount equal to 20% of the City's share of the 1% ad valorem tax revenue resulting from the year-over-year increase, if any, in the Net Total Basis of Levy, as published in the Controller's Certificate of Assessed Valuation between the preceding two fiscal years.
- An amount equal to the prior year's appropriation, adjusted by the percentage increase, if any, in General Fund Discretionary Revenues budgeted for the year compared to the prior year's original budgeted amount of General Fund Discretionary Revenues.

The measure would also require that in the fiscal year immediately following the first fiscal year in which the total annual appropriation reaches or exceeds \$125 million, the City shall appropriate to the Housing Trust Fund an amount equal to the prior year's appropriation, adjusted by the percentage increase, if any, up to 3%, in General Fund Discretionary Revenues budgeted for the year compared to the prior year's original budgeted amount of General Fund Discretionary Revenues.

The measure would also provide for a discretionary temporary freeze due to a budget deficit or a reduction in the Housing Trust Fund appropriation if conditions exist triggering the ability to withdraw from the City Rainy Day Reserve under Charter Section 9.113.5.

The measure would also clarify that the Housing Trust Fund can be used for the creation, acquisition, and rehabilitation of Limited Equity Housing Cooperatives and Social Housing Developments, as well as other types of rental and ownership housing.

The measure would also eliminate the Complete Neighborhoods Infrastructure Grant Program and instead authorize the use of the Housing Trust Fund to generally fund housing-related infrastructure required to support the development and ongoing use of residential development.

The measure would also extend the sunset date of the Housing Trust Fund to July 1, 2058.

FILE NO. 260537

The measure would also delete obsolete provisions regarding appropriations to the Housing Trust Fund in past fiscal years; consideration by the Controller of certain rates and revenues in the Business and Tax Regulations Code in determining General Fund Discretionary Revenues; discretionary reduction of the appropriation to the Housing Trust Fund based on debt service on AB2113 Affordable Housing Bonds; enactment of inclusionary or affordable housing ordinances; and early termination of the Housing Trust Fund.
