9 Be it ordained by the People of the City and County of San Francisco:

10 Section 1. Pursuant to Articles XIII A and XIII C of the Constitution of the State of  
11 California, this ordinance shall be submitted to the qualified electors of the City and County of  
12 San Francisco at the March 3, 2020, municipal election.

13 Section 2. The Business and Tax Regulations Code is hereby amended by adding  
14 Article 29, consisting of Sections 2901 through 2911, to read as follows:

15  
16 **ARTICLE 29: VACANCY TAX ORDINANCE**

17  
18 **SEC. 2901. SHORT TITLE.**

19 *This Article 29 shall be known as the “Vacancy Tax Ordinance,” and the tax it imposes shall be*  
20 *known as the “Vacancy Tax.”*

21  
22 **SEC. 2902. FINDINGS AND PURPOSE.**

23 *(a) San Francisco’s neighborhood commercial districts prioritize street-level, customer-facing*  
24 *businesses as a means of stimulating a bustling, pedestrian-friendly urban environment. Retail*

1 storefronts are the building blocks of neighborhood vitality, encouraging people to stroll through San  
2 Francisco's streets, sidewalks, parks, and other open spaces, and inviting them in.

3 (b) San Francisco residents and visitors have an interest in preserving the vitality of  
4 commercial corridors in these districts. Vacant storefronts in otherwise vibrant neighborhood  
5 commercial districts degrade the urban environment and reduce the quality of life in those  
6 neighborhoods, leading to blight and crime, particularly when storefronts stay empty for extended  
7 periods of time. Further, the resulting blight negatively impacts other small businesses in the area by  
8 discouraging foot traffic and eroding the character and uniqueness of San Francisco's diverse  
9 neighborhoods and communities.

10 (c) Retail vacancies may occur when property owners are performing tenant improvements for  
11 prospective tenants, while actively seeking a new commercial tenant, or following a disaster requiring  
12 wholesale rehabilitation of a structure. These temporary vacancies reflect a property owner's desire  
13 to maintain the active retail storefront environment of San Francisco's neighborhood commercial  
14 corridors and to continue contributing to the surrounding community.

15 (d) But in other instances, retail vacancies occur when a property owner or landlord fails to  
16 actively market a vacant retail storefront to viable commercial tenants and/or fails to offer the property  
17 at a reasonable rate. Retail vacancies may persist as property owners and landlords hold storefronts  
18 off of the market for extended periods of time or refuse to offer the space for a reasonable market rate.

19 (e) The purpose of the Vacancy Tax is to stimulate the rehabilitation of long-term retail  
20 vacancies, and, in turn, to reinvigorate commercial corridors and stabilize commercial rents, thereby  
21 allowing new small businesses to open and existing small businesses to thrive.

22 (f) By dedicating proceeds from the Vacancy Tax to the Small Business Assistance Fund, the  
23 Vacancy Tax will also assist small businesses and provide relief to those small businesses adversely  
24 affected by blight, crime, and other negative impacts caused by vacant storefronts in San Francisco.

1 **SEC. 2903. DEFINITIONS.**

2 Unless otherwise defined in this Article 29, the terms used in this Article shall have the  
3 meanings given to them in Article 6 of the Business and Tax Regulations Code, as amended from time  
4 to time. For purposes of this Article, the following definitions shall apply:

5 “Affiliate” means a person under common majority ownership or common control with any  
6 other person, whether that ownership or control is direct or indirect. An Affiliate includes but is not  
7 limited to a person that majority owns or controls any other person or a person that is majority owned  
8 or controlled by any other person.

9 “Building Permit Application Period” means the period following the date that an application  
10 for a building permit for repair, rehabilitation, or construction with respect to Taxable Commercial  
11 Space in a building or structure is filed with the City through the date the Department of Building  
12 Inspection or its successor agency grants or denies that application, but not to exceed one year.  
13 Notwithstanding the preceding sentence, if more than one building permit application is filed by or on  
14 behalf of one or more persons in the Taxpayer’s Group for the same Taxable Commercial Space, the  
15 Building Permit Application Period shall mean only the applicable period following the date the first  
16 application is filed with the City by or on behalf of anyone in the Taxpayer’s Group.

17 “Conditional Use Application Period” means the 183-day period following the date that a  
18 complete application for a conditional use permit for use of Taxable Commercial Space is filed with the  
19 City, but if the Planning Commission or its successor agency does not grant or deny that application  
20 within 183 days, the Conditional Use Application Period means the period following the date that the  
21 application is filed through December 31 of the year in which the date 183 days from the application  
22 filing date falls. Notwithstanding the preceding sentence, if more than one complete conditional use  
23 permit application is filed by or on behalf of one or more persons in the Taxpayer’s Group for the same  
24 Taxable Commercial Space, the Conditional Use Application Period shall mean only the applicable  
25

1 period following the date the first complete application is filed with the City by or on behalf of anyone  
2 in the Taxpayer's Group.

3 "Construction Period" means the one-year period following the date that the City issues a  
4 building permit for repair, rehabilitation, or construction with respect to Taxable Commercial Space in  
5 a building or structure, provided that if the City issues multiple building permits to or for the benefit of  
6 one or more persons in the Taxpayer's Group for the same Taxable Commercial Space, the One-Year  
7 Construction Period shall mean only the one-year period following the issuance of the first building  
8 permit to or for the benefit of anyone in the Taxpayer's Group.

9 "Disaster Period" means the two-year period following the date that Taxable Commercial  
10 Space was severely damaged and made uninhabitable or unusable due to fire, natural disaster, or other  
11 catastrophic event.

12 "Frontage" means the number of linear feet of Taxable Commercial Space that is adjacent or  
13 tangent to a Public Right of Way, rounded to the nearest foot.

14 "Public Right of Way" means the dedicated public alleys, boulevards, courts, lanes, roads,  
15 sidewalks, spaces, streets, and ways within the City, which are under the permitting jurisdiction of the  
16 Department of Public Works.

17 "Related Person" means a spouse or domestic partner, child, parent, or sibling (these latter  
18 three relationships including biological, adoptive, and "step" relationships; and the sibling  
19 relationship also including half-siblings).

20 "Residential Real Estate" means real property where the primary use of or right to use the  
21 property is for the purpose of dwelling, sleeping or lodging other than as part of the business activity of  
22 accommodations. For purposes of this Article 29, "accommodations" means the activity of providing  
23 lodging or short-term accommodations for travelers, vacationers, or others, including the business  
24 activity described in code 721 of the North American Industry Classification System as of November 6,  
25 2012.

1           “Taxable Commercial Space” means the ground floor of any building or structure, or the  
2 ground floor of any portion of a building or structure, where such ground floor (1) is adjacent or  
3 tangent to a Public Right of Way, (2) is located in one of the “Named Neighborhood Commercial  
4 Districts” or “Named Neighborhood Commercial Transit Districts” listed in Section 201 of the  
5 Planning Code, as those districts exist on March 3, 2020, and irrespective of whether those districts are  
6 expanded, narrowed, eliminated, or otherwise modified subsequent to that date, and (3) is not  
7 Residential Real Estate.

8           “Taxpayer’s Group” means for each taxpayer, with respect to each Taxable Commercial  
9 Space, the taxpayer, any current or former co-owner or co-tenant of the taxpayer, and any Related  
10 Person or Affiliate of the taxpayer or the taxpayer’s current or former co-owner or co-tenant.

11           “Vacant” means unoccupied, uninhabited, or unused for more than 182 days, whether  
12 consecutive or nonconsecutive, in a tax year. Notwithstanding the previous sentence, a person shall  
13 not be considered to have kept a building or structure Vacant during the Building Permit Application  
14 Period, Construction Period, Disaster Period, and/or Conditional Use Application Period if that  
15 Building Permit Application Period, Construction Period, Disaster Period, and/or Conditional Use  
16 Application Period applies to that person for that Taxable Commercial Space. In determining whether  
17 a person has kept Taxable Commercial Space Vacant, days within the Building Permit Application  
18 Period, Construction Period, Disaster Period, and Conditional Use Application Period shall be  
19 disregarded if that Building Permit Application Period, Construction Period, Disaster Period, and/or  
20 Conditional Use Application Period applies to that person for that Taxable Commercial Space.

21  
22       **SEC. 2904. IMPOSITION OF TAX.**

23           (a) Except as otherwise provided in this Article 29, for the purposes described in Section 2907,  
24 the City imposes an annual Vacancy Tax on keeping Taxable Commercial Space Vacant.

11 (C) \$1,000 per linear foot of Frontage for all situations in which neither  
12 subsection (3)(A) nor subsection (3)(B) of this Section 2904 applies.

13 (c) The Vacancy Tax shall be payable by: (1) the owner or owners of the Taxable Commercial  
14 Space kept Vacant, provided that the Taxable Commercial Space is not leased; (2) the lessee or lessees,

18 than one tax shall be imposed under this Section 2904 by reason of multiple liable owners, lessees, or

**REVISED LEGISLATIVE DIGEST**

(11/18/2019, Amended in Committee)

[Initiative Ordinance - Business and Tax Regulations, Administrative Codes - Excise Tax on Keeping Commercial Property Vacant]

**Motion ordering submitted to the voters at an election to be held on March 3, 2020, an Ordinance amending the Business and Tax Regulations Code and Administrative Code to impose an excise tax on persons keeping ground floor commercial space in certain neighborhood commercial districts and certain neighborhood commercial transit districts vacant, to fund assistance to small businesses; increasing the City's appropriations limit by the amount collected under the tax for four years from March 3, 2020; and affirming the Planning Department's determination under the California Environmental Quality Act.**

Existing Law

The City currently does not tax the keeping of real property vacant.

Amendments to Current Law

This ordinance would impose an annual tax, effective January 1, 2021, on persons that keep ground floor commercial space in named neighborhood commercial or neighborhood commercial transit districts vacant. The tax would be based on the linear footage of street-facing frontage of vacant ground floor commercial space and the number of consecutive years that space was kept vacant, as follows:

- For keeping space vacant in the 2021 tax year, \$250 per linear foot.
- For keeping space vacant in the 2022 tax year:
  - \$500 per linear foot if that space was kept vacant both in 2022 and by any person 2021; or
  - \$250 per linear foot if that space was kept vacant only in 2022.
- For keeping space vacant in 2023 and subsequent tax years:
  - \$1,000 per linear foot if that space was kept vacant in the tax year and by any person in both of the previous two tax years;
  - \$500 per linear foot if the \$1,000 rate does not apply and if that space was kept vacant both in the tax year and by any person in the immediately preceding tax year; or
  - \$250 per linear foot if that space was kept vacant only in the tax year.

Commercial space would be considered vacant if it is unoccupied, uninhabited, or unused for more than 182 days, whether consecutive or nonconsecutive, in a calendar year. Days during the following periods would not count as vacant days: (1) the period following the date that an initial building permit application for repair, rehabilitation, or construction of commercial space

is filed through the date that application is granted or denied, without regard to any appeals, such period not to exceed one year, (2) the one-year period following the date that the City issues an initial building permit for repair, rehabilitation, or construction of commercial space, (3) the two-year period following the date that commercial space was severely damaged and made uninhabitable or unusable due to fire or natural disaster, and/or (4) the 183-day period following the date that an initial complete application for a conditional use permit is filed with the City, but if that application is not granted or denied within 183 days, without regard to any appeals, the period shall be extended to December 31 of the year in which the date 183 days from the filing date of the complete application falls.

A person would be liable for the tax only if that person has kept commercial space vacant for more than 182 days in a year. A person would be deemed to have kept commercial space vacant for more than 182 days in a year if that person and all related persons or affiliates of that person, individually or collectively, keep that space vacant for more than 182 days in that year. A related person means a spouse, domestic partner, child, parent, or sibling. An affiliate means a person under common majority ownership or common control with another person, including persons in a parent-subsidiary relationship. Internal Revenue Code Section 501(c)(3) organizations would be exempted from the tax. The City would not be exempted from the tax.

The tax would be imposed on the owner of the vacant commercial space. If the vacant commercial space is leased, the tax would be imposed on the lessee and not the owner. If the vacant commercial space is subleased, the tax would be imposed on the sublessee and not the owner or sublessor. Not more than one annual tax would be imposed with respect to a particular commercial space. If there are multiple liable owners, lessees, or sublessees, each such person would be jointly and severally liable for the tax.

If a lessee or sublessee has operated a business in commercial space for more than 182 consecutive days during a lease or sublease of at least two years, such lessee or sublessee shall not be liable for the tax for the remainder of that lease or sublease, regardless of whether that lessee or sublessee keeps that space vacant.

The tax would be dedicated to funding assistance to small businesses in the City.

This ordinance would increase the City's appropriations limit under Article XIII B by the amounts collected from this tax, for four years from March 3, 2020.

#### Background Information

This legislative digest reflects amendments made in committee on November 13, 2019. The amendments changed the tax rates, clarified that the tax applies only to named neighborhood commercial and neighborhood commercial transit districts, added definitions for related persons and affiliates, modified the exclusion periods during which commercial space would not be considered vacant, added an exemption for Section 501(c)(3) organizations, and made

FILE NO. 191005

other, nonsubstantive changes. The amendments also increased the threshold by which the Board of Supervisors may amend this ordinance consistent with the California Constitution from a majority to two-thirds.

This legislative digest also reflects an amendment made in committee on November 18, 2019, which added an exemption for lessees and sublessees in certain circumstances.
