Item 5
File 17-0010

Department:
Office of Contract Administration (OCA)

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would authorize the Office of Contract Administration (OCA) to enter into the fourth amendment to the contract between the City and AdvanTel Networks to (i) increase the contract not-to-exceed amount by \$5,100,000 from \$9,900,000 to \$15,000,000, and (ii) extend the contract by one year from the original end date of September 30, 2017 to a new end date of September 30, 2018, for a total contract term from October 13, 2011 through September 30, 2018.

Key Points

- In October 2011, the OCA entered into a contract with AdvanTel Networks based on a competitive, low-bid process for the supply of Avaya phone equipment and related services. The contract was for \$9,900,000, which was less than the \$10 million threshold established by City Charter Section 9.118(b) requiring Board of Supervisors approval.
- The equipment and software purchased from AdvanTel Networks support the City's telephone systems and call center operations.

Fiscal Impact

- The increase in the contract not-to-exceed amount of \$5,100,000, from \$9,900,000 to \$15,000,000 is based on OCA's survey of City departments' expected expenditures in FY 2017-18. From October 2011 through December 2016, City departments expended or encumbered approximately 93 percent or \$9,202,862 of the total contract's not-to-exceed amount of \$9,900,000.

Policy Consideration

- The AdvanTel Networks contract had a term of three years from September 2011 through September 2014 with options to extend the term for up to one year, but did not specify the number of times that the contract could be extended. The proposed resolution would extend the contract through September 2018, a term of seven years. OCA's policy is to rebid any contract beyond seven years. Therefore, OCA plans on rebidding the AdvanTel Networks contract and awarding a new contract by September 30, 2018.

Recommendations

- Amend the proposed resolution to specify that (1) the contract between OCA and AdvanTel Networks will end by September 30, 2018, (2) OCA will issue a competitive bid to select a provider by September 30, 2018 for a new contract for phone equipment and related services, and (3) any future contract entered into by OCA for phone equipment and related services must specify the original term, the number of extension options, and the term of each extension option.
- Approve the proposed resolution as amended.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

In October 2011, the Office of Contract Administration (OCA) entered into a contract with AdvanTel Networks based on a competitive, low-bid¹ process for the supply of Avaya phone equipment and related services. The contract was for \$9,900,000, which was less than the \$10 million threshold established by City Charter Section 9.118(b) requiring Board of Supervisors approval. The contract had a term of three years through September 2014 with options to extend the term for up to one year through mutual agreement between the contracting parties, but did not specify the number of times that the contract could be extended (see Policy Consideration section below). OCA has modified the contract three times to extend the contract term through September 30, 2017 with no increase in the contract not-to-exceed amount.

Avaya is a multinational company that specializes in internet, telephone and wireless data communications. The equipment and software purchased from AdvanTel Networks support the City's telephone systems and call center operations.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would authorize the OCA to enter into the fourth amendment to the contract between the City and AdvanTel Networks to (i) increase the contract not-to-exceed amount by \$5,100,000 from \$9,900,000 to \$15,000,000, and (ii) extend the contract by one year from the original end date of September 30, 2017 to a new end date of September 30, 2018, for a total contract term from October 13, 2011 through September 30, 2018.

FISCAL IMPACT

The increase in the contract not-to-exceed amount of \$5,100,000, from \$9,900,000 to \$15,000,000 is based on OCA's survey of City departments' expected expenditures in FY 2017-18, as shown in Table 1 below.

¹ According to OCA, AdvanTel Networks won the bid because they offered the lowest pricing for Avaya equipment and commoditized services relative to the other bidders. A low-bid solicitation is structured differently from a Request for Proposals (RFP) process because no scoring criteria is used other than price, and a selection panel is not necessary. A pre-bid conference was held to answer any questions from interested parties.

From October 2011 through December 2016, City departments expended or encumbered approximately 93 percent or \$9,202,862 of the total contract’s not-to-exceed amount of \$9,900,000, as shown in Table 2 below. OCA projects expenditures of \$5,797,138 over the remaining 21 months of the contract, resulting in total contract expenditures of approximately \$15,000,000, as shown in Table 2 below.

Table 2. AdvanTel Networks Contract Actual Expenditures and Encumbrances
(October 2011 through September 2018)

Contract	Actual Contract Expenditures (October 2011 through December 2016)	Projected Expenditures (January 2017 through September 2018)	Total Actual and Projected Expenditures (October 2011 through September 2018)
AdvanTel Networks	\$9,202,862	\$5,797,138	\$15,000,000

Source: Office of Contract Administration (OCA)

According to OCA, the requested increase of \$5,797,138 in the not-to-exceed amount of the contract is projected to be sufficient for estimated contract expenditures through the end of the contract term in September 2018. All expenditures under the AdvanTel Networks contract are subject to appropriation approval by the Board of Supervisors in the City’s annual budgets.

POLICY CONSIDERATION

Contract Extension

As previously stated, the AdvanTel Networks contract had a term of three years through September 2014 with options to extend the term for up to one year through mutual agreement between the contracting parties, but did not specify the number of times that the contract could be extended. OCA has extended the contract three times through September 2017, and the proposed resolution would extend the contract for the fourth time through September 2018, for a total contract term of seven years from September 2011 to September 2018. According to Ms. Jaci Fong, OCA Director, OCA’s policy is to rebid any contract beyond seven years. Therefore, OCA plans on rebidding the AdvanTel Networks contract and awarding a new contract by September 30, 2018.

However, given that the existing contract between OCA and AdvanTel Networks does not specify the number of times that the AdvanTel contract could be extended, the Budget and Legislative Analyst recommends that the proposed resolution be amended to specify that (1) the contract between OCA and AdvanTel Networks will end by September 30, 2018, (2) OCA will issue a competitive bid to select a provider by September 30, 2018 for a new contract for phone equipment and related services, and (3) any future contract entered into by OCA for phone equipment and related services must specify the original term, the number of extension options, and the term of each extension option.

RECOMMENDATIONS

1. Amend the proposed resolution to specify that (1) the contract between OCA and AdvanTel Networks will end by September 30, 2018, (2) OCA will issue a competitive bid to select a provider by September 30, 2018 for a new contract for phone equipment and related services, and (3) any future contract entered into by OCA for phone equipment and related services must specify the original term, the number of extension options, and the term of each extension option.
2. Approve the proposed resolution as amended.

25. Local Business Enterprise Utilization; Liquidated Damages

A. The LBE Ordinance. Contractor, shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Contractor's obligations or liabilities, or materially diminish Contractor's rights, under this Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Agreement as though fully set forth in this section. Contractor's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Contractor's obligations under this Agreement and shall entitle City, subject to any applicable notice and cure provisions set forth in this Agreement, to exercise any of the remedies provided for under this Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Agreement expressly provides that any remedy is exclusive. In addition, Contractor shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

B. Compliance and Enforcement

(1) **Enforcement.** If Contractor willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Agreement pertaining to LBE participation, Contractor shall be liable for liquidated damages in an amount equal to Contractor's net profit on this Agreement, or 10% of the total amount of this Agreement, or \$1,000, whichever is greatest. The Director of the City's Contract Monitoring Division (CMD) or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of CMD") may also impose other sanctions against Contractor authorized in the LBE Ordinance, including declaring the Contractor to be irresponsible and ineligible to contract with the City for a period of up to five years or revocation of the Contractor's LBE certification. The Director of CMD will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17. By entering into this Agreement, Contractor acknowledges and agrees that any liquidated damages assessed by the Director of the CMD shall be payable to City upon demand. Contractor further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Contractor on any contract with City. Contractor agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Agreement, and shall make such records available for audit and inspection by the Director of CMD or the Controller upon request.

The following General Conditions are hereby replaced in their entirety:

41. LBE Ordinance

To qualify for a bid discount under the provisions of Administrative Code Chapter 14B, an LBE must be certified by the Contracts Monitoring Division (formerly 'Human Rights Commission') by the Bid Due date. The certification application is available from CMD (415) 581-2310, and on the web. CMD's home page is:

<http://sfcsa.org/index.aspx?page=6130>

Click on the "LBE Certification" tab.

43. LBE bid discount; brokerage services

Pursuant to Section 14B.7 of the Administrative Code, a bid discount will only be awarded to an LBE directly responsible for providing materials, equipment, supplies or services to the City as required by the Bid solicitation. An LBE will be deemed to be directly responsible for providing the required commodity or service only if it regularly does business as a manufacturer, or authorized manufacturer's representative, dealer or distributor, stocking distributor, franchisee, licensee,

service provider, or has another direct agency relationship with the manufacturer or provider of the solicited commodity or service, and has been so certified by the Contracts Monitoring Division. An LBE will be considered to be "regularly doing business", as that term is used in the foregoing paragraph, if in the normal course of business, it stocks, warehouses or distributes commodities to businesses or entities other than public entities having a local business preference program. Such a determination will be subject to audit by CMD. No preference will be given to an LBE engaging in brokerage, referral or temporary employment services not meeting this definition, unless those services are required and specifically requested by the department.

44. LBE Subcontracting

A. Subcontracting to LBEs. Bidder is encouraged to make good faith efforts to award subcontracts to City and County of San Francisco-certified LBEs. This can be achieved through subcontracting, sub-consulting or supply opportunities. With the bid, the bidder is encouraged to provide a description of the type of good faith efforts the bidder estimates it may make under the contract.

B. Examples of Good Faith Efforts. "Good Faith Efforts" include but are not limited to the following:

AWARD SHEET

The purpose of this contract is to obtain a percentage discount for all items on the Avaya GSA Schedule #GS-35F-0156V, which for the purposes of this contract will be referred to as discounted GSA pricing. For all items not included in Avaya GSA Schedule #GS-35F-0156V, the purpose of this contract is to obtain a percentage discount off Avaya National Price List ("NPL") in addition to the Equivalent GSA Pricing ("EGP"). EGP is based on the percentage discounts from the **front market** list prices for the Material Price Group (MPG) codes from the Avaya National Price List ("NPL").

Avaya's GSA pricing schedule can be viewed at: <http://www.avayagov.com/GSAITSchedule--Price--List/>

Item 1

22.0% . Bid percentage discount off Sections A, C, D and E of Avaya GSA Schedule #GS-35F-0156V. Bid discount to be firm from the award date through the entire term of the contract and any extensions thereof. Bidders may only bid a single percentage discount for Item 1. Only the City Contract Proposal Bid Sheets will be considered. No other pages with prices, attached price list or catalog prices will be considered.

Please complete the following examples using your percentage discount and the corresponding price: *(Please note that the awarded bidder will be required to quote, invoice and supply quarterly reports in this same format.)*

Avaya Part Number	Item Description	Avaya GSA Schedule Price	Bidder's Percentage Discount	Bidder's Price
107481582	TELSET TTY UNIPHONE 1140	\$235.04	22.00%	\$183.33
700407810	S8300C SERVER	\$1,309.82	22.00%	\$1,021.66

Item 2

Various For items not included in Avaya GSA Schedule #GS-35F-0156V, bid percentage discount(s) off in addition to the EGP for items not included in Avaya GSA Schedule #GS-35F-0156V. Bid discount to be firm from the award date through the entire term of the contract and any extensions thereof. Please enter this percentage discount in Column B in the table below. If bidders propose various percentage discounts in Column B, enter "Various". If bidders propose various percentage discounts in Column B, only a single percentage discount may be proposed for each MPG code. Only the City Contract Proposal Bid Sheets will be considered. No other pages with prices, attached price list or catalog prices will be considered.

Indicate the total percentage discount to MPG codes from the Avaya NPL in Column C by using the following formula: EGP (A) + Bidder's Percentage Discount off in Addition to the EGP (B) = Total Percentage Discount to MPG Code from Avaya NPL (C).

For example: If a vendor bids a percentage discount of 5% off in addition to the EGP in Column A for MPG Code U2 in Group A1, which is 38% off the Avaya NPL, a total percentage discount of 43% would be entered in Column C.

Electronic payment. The City and County of San Francisco (City) uses Bank of America's PayMode-X system to pay invoices **electronically** and **not by check** whenever possible. The City makes PayMode-X payments every business day, **but prints and mails paper checks only one day a week**. So the City encourages you – and it is greatly to your benefit – to enroll in PayMode-X now.

There is no cost to you to enroll in PayMode-X, and you get the same information electronically from PayMode-X that you would get on the City's check stub.

59. First Source Hiring Program

Avaya Equipment, Materials, Supplies and Ancillary Services
For the Term October 1, 2011 Through September 30, 2014

GENERAL CONDITIONS (Continued)

a. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor shall comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 83.

b. First Source Hiring Agreement. As an essential term of, and consideration for, any contract or property contract with the City, not exempted by the FSHA, the Contractor shall enter into a first source hiring agreement ("agreement") with the City, on or before the effective date of the contract or property contract. Contractors shall also enter into an agreement with the City for any other work that it performs in the City. Such agreement shall:

(1) Set appropriate hiring and retention goals for entry level positions. The employer shall agree to achieve these hiring and retention goals, or, if unable to achieve these goals, to establish good faith efforts as to its attempts to do so, as set forth in the agreement. The agreement shall take into consideration the employer's participation in existing job training, referral and/or brokerage programs. Within the discretion of the FSHA, subject to appropriate modifications, participation in such programs may be certified as meeting the requirements of this Chapter. Failure either to achieve the specified goal, or to establish good faith efforts will constitute noncompliance and will subject the employer to the provisions of Section 83.10 of this Chapter.

(2) Set first source interviewing, recruitment and hiring requirements, which will provide the San Francisco Workforce Development System with the first opportunity to provide qualified economically disadvantaged individuals for consideration for employment for entry level positions. Employers shall consider all applications of qualified economically disadvantaged individuals referred by the System for employment; provided however, if the employer utilizes nondiscriminatory screening criteria, the employer shall have the sole discretion to interview and/or hire individuals referred or certified by the San Francisco Workforce Development System as being qualified economically disadvantaged individuals. The duration of the first source interviewing requirement shall be determined by the FSHA and shall be set forth in each agreement, but shall not exceed 10 days. During that period, the employer may publicize the entry level positions in accordance with the agreement. A need for urgent or temporary hires must be evaluated, and appropriate provisions for such a situation must be made in the agreement.

(3) Set appropriate requirements for providing notification of available entry level positions to the San Francisco Workforce Development System so that the System may train and refer an adequate pool of qualified economically disadvantaged individuals to participating employers. Notification should include such information as employment needs by occupational title, skills, and/or experience required, the hours required, wage scale and duration of employment, identification of entry level and training positions, identification of English language proficiency requirements, or absence thereof, and the projected schedule and procedures for hiring for each occupation. Employers should provide both long-term job need projections and notice before initiating the interviewing and hiring process. These notification requirements will take into consideration any need to protect the employer's proprietary information.

For the Term October 1, 2011 Through September 30, 2014

GENERAL CONDITIONS (Continued)

(4) Set appropriate record keeping and monitoring requirements. The First Source Hiring Administration shall develop easy-to-use forms and record keeping requirements for documenting compliance with the agreement. To the greatest extent possible, these requirements shall utilize the employer's existing record keeping systems, be nonduplicative, and facilitate a coordinated flow of information and referrals.

(5) Establish guidelines for employer good faith efforts to comply with the first source hiring requirements of this Chapter. The FSHA will work with City departments to develop employer good faith effort requirements appropriate to the types of contracts and property contracts handled by each department. Employers shall appoint a liaison for dealing with the development and implementation of the employer's agreement. In the event that the FSHA finds that the employer under a City contract or property contract has taken actions primarily for the purpose of circumventing the requirements of this Chapter, that employer shall be subject to the sanctions set forth in Section 83.10 of this Chapter.

(6) Set the term of the requirements.

(7) Set appropriate enforcement and sanctioning standards consistent with this Chapter.

(8) Set forth the City's obligations to develop training programs, job applicant referrals, technical assistance, and information systems that assist the employer in complying with this Chapter.

(9) Require the developer to include notice of the requirements of this Chapter in leases, subleases, and other occupancy contracts.

c. Hiring Decisions. Contractor shall make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

d. Exceptions. Upon application by Employer, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

e. Liquidated Damages. Contractor agrees:

(1) To be liable to the City for liquidated damages as provided in this section;

(2) To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this section;

(3) That the contractor's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by

Avaya Equipment, Materials, Supplies and Ancillary Services

GENERAL CONDITIONS (Continued)

the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

(4) That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

(5) That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this section is based on the following data:

(a) The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

(b) In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to an employer and who is hired in an entry level position is at least one year;

therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

(6) That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated damages and the evaluation of any defenses or mitigating factors shall be made by the FSHA.

f. Subcontracts. Any subcontract entered into by Contractor shall require the subcontractor to comply with the requirements of Chapter 83 and shall contain contractual obligations substantially the same as those set forth in this Section.

For the Term October 1, 2011 Through September 30, 2014

GENERAL CONDITIONS (Continued)

61. Limitations on Contributions. Through execution of this Agreement, Contractor acknowledges that it is familiar with section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or a board on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. Contractor acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. Contractor further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of Contractor's board of directors; Contractor's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in Contractor; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by Contractor. Additionally, Contractor acknowledges that Contractor must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126.

62. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, Contractor may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this contract. Contractor agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event Contractor violates the provisions of this section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this contract, and (ii) prohibit Contractor from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider Contractor's use of profit as a violation of this section.

63. Preservative-Treated Wood Containing Arsenic. Contractor may not purchase preservative-treated wood products containing arsenic in the performance of this Agreement unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of the Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Contractor may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Contractor from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

65. Protection of Private Information. Contractor has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Contractor agrees that any failure of Contractor to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Contract. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Contract, bring a false claim action against the Contractor pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Contractor.

66. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

Contractor shall remove all graffiti from any real property owned or leased by Contractor in the City and County of San Francisco within forty eight (48) hours of the earlier of Contractor's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Contractor to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure of Contractor to comply with this section of this contract shall constitute a default of this Contract.

67. Modification of Agreement. This Agreement may not be modified, nor may compliance with any of its terms be waived, except by written instrument executed and approved in the same manner as this Agreement.
