1 [Charter Amendment - Dignity Fund]

2

3 Describing and setting forth a proposal to the voters, at an election to be held on

4 November 8, 2016, to amend the Charter of the City and County of San Francisco to:

5 1) establish the Dignity Fund to support Seniors and Adults with Disabilities; 2) require an

6 annual contribution by the City to the Fund including an annual baseline amount of

7 \$38 million, increasing by \$6 million for fiscal year 2017-2018, and increasing by \$3 million

8 a year for the next 9 years until fiscal year 2026-2027, and continuing at that amount,

9 adjusted annually for changes in aggregate discretionary City revenues, for the next 10

10 years until fiscal year 2036-2037; 3) establish a planning process for expenditures from the

11 Fund; 4) create an Oversight and Advisory Committee; 5) set an expiration date of

12 June 30, 2037; and, 6) change the "Commission on Aging" to the "Aging and Adult

13 Services Commission" and update its responsibilities.

14

15 Section 1. The Board of Supervisors hereby submits to the qualified voters of the City

16 and County, at an election to be held on November 8, 2016, a proposal to amend the Charter of

17 the City and County by adding Sections 16.128-1 through 16.128-12, and amending

18 Section 4.120, to read as follows:

19 NOTE: Unchanged Charter text and uncodified text are in plain font.

20 Additions are *single-underline italics Times New Roman font*.

21 Deletions are ~~strike-through italics Times New Roman font~~.

22 Asterisks (* * * *) indicate the omission of unchanged Charter

23 subsections.

24 **SEC. 16.128-1. DIGNITY FUND; PREAMBLE.**

25 (a) There is hereby established a fund, which shall be called the Dignity Fund ("Fund"),
to be administered by the Department of Aging and Adult Services ("DAAS"), or any successor

1 agency. Monies in the Fund shall be used or expended by DAAS, subject to the budgetary and
2 fiscal provisions of the Charter, solely to help Seniors and Adults with Disabilities secure and
3 utilize the services and support necessary to age with dignity in their own homes and
4 communities. For purposes of Section 16.128-1 through 16.128.12, "Senior" shall mean a
5 person 60 years old or older, and "Adult with a Disability" shall mean a person 18 years old or
6 older with a disability as defined under the Americans With Disabilities Act.

7 (b) The Dignity Fund is needed to ensure the health and well-being of Seniors and Adults
8 with Disabilities for the following reasons:

9 (1) DAAS and the San Francisco Long-Term Care Coordinating Council have
10 advanced a vision and set of long-term goals that highlight best practices, strengthen access to
11 services, coordinate across agencies and City departments, and develop a unified strategy.

12 (2) Important safety net services to Seniors and Adults with Disabilities such as
13 adult day programs and/or other state-funded services directed to low-income populations have
14 suffered significant losses in funding due in part to the reorganization of California's health and
15 long-term care services.

16 (3) San Francisco non-profit community based organizations are the City's most
17 valuable public assets in terms of supporting Seniors and Adults with Disabilities to age with
18 dignity in their own homes and communities.

19 (4) Seniors and Adults with Disabilities are valuable contributors to the City's
20 vitality and must stay connected to friends and family who can help them age in place with
21 dignity.

22 (5) Because a majority of the City's Seniors and Adults with Disabilities live on
23 fixed incomes, the growing economic divisions in the City are putting them increasingly at risk of
24 poor health outcomes and institutionalization.

1 (6) San Francisco has the highest percentage of Seniors and Adults with
2 Disabilities of any urban area in California and the number of Seniors continues to steadily
3 increase, especially for those over the age of 85. Over 40% live alone with inadequate support
4 networks, in part because their families have been forced to seek more affordable housing or
5 employment elsewhere, or because they have no children or they lack supportive families.

6 (7) The constant increase in economic pressure and lack of support for Seniors
7 and Adults with Disabilities has impacted the cultural and ethnic diversity of the City.

8 (8) As of 2015, over 19,200 people 55 years of age and older were living in San
9 Francisco with Alzheimer's disease or dementia. This number is projected to increase to 26,868
10 by 2030 – a 40% increase in 15 years.

11 (9) Over 70% of veterans in the City are over the age of 55 and 28% of those
12 have disabilities. As of 2015, 40% of all veterans rely on Veterans Administration health care
13 with the remainder reliant on outside agencies to provide care, representing a massive
14 undertaking by community based organizations.

15 (10) As of 2015, approximately 60% of people with HIV in San Francisco were
16 over 50 years old. In 2020, it is estimated, 70% of people with HIV in San Francisco will be
17 over 50 years old.

18 (11) In 2013, the Insight Center determined that a single person 65 years of age
19 or older needed a monthly income of \$2,526 to rent housing and meet his or her basic needs in
20 San Francisco. At that time, the fair market rent for a one-bedroom apartment was \$1,500 a
21 month and 62% of all Seniors could not afford that rent. As of 2016, the fair market monthly
22 rent for the same apartment is \$1,635. Many apartments have higher rents. The median rent for
23 a one bedroom apartment in San Francisco is now approximately \$3,600 per month.

1 SEC. 16.128-2. GOALS OF THE DIGNITY FUND.

2 The goals of expenditures from the Fund and the planning process created in
3 Charter Sections 16.128-1 through 16.128-12, shall be:

4 (a) To ensure that San Francisco's Seniors and Adults with Disabilities are provided the
5 opportunity to age with dignity and with affordable, quality services and support.

6 (b) To ensure San Francisco is an aging- and disability-friendly city, helping individuals
7 age with dignity in communities as an important part of the City population and civic culture.

8 (c) To focus on the prevention of problems and on supporting and enhancing the
9 strengths of older adults, people with disabilities, and their hands-on care providers.

10 (d) To complement the City's housing and community development efforts by providing
11 needed long-term services and support in housing to keep individuals in their homes and
12 communities.

13 (e) To strengthen a community-based network of services and support in all
14 neighborhoods.

15 (f) To ensure that Seniors and Adults with Disabilities receive maximum benefit from the
16 Fund and that equity is a guiding principle of the funding process.

17 (g) To distribute funds based on best practices, the highest need, and successful and
18 innovative models in order to ensure maximum impact.

19 (h) To the maximum extent feasible, to distribute funds equitably among services for all
20 eligible groups, regardless of race, ethnicity, sexual orientation, or gender identity or other
21 identifying characteristics.

22 (i) To ensure Seniors and Adults with Disabilities are provided with gender responsive
23 and culturally competent services.

1 (j) To strengthen collaboration around shared and agreed upon outcomes among service
2 providers for Seniors and Adults with Disabilities and their hands-on care providers, including
3 collaboration among public agencies and non-profit organizations.

4 (k) To fill gaps in services.

5 (l) To leverage other resources whenever feasible.

6 (m) To support programs that prioritize:

7 (1) Stabilizing people, through food, homecare, transportation, and case
8 management services;

9 (2) Stabilizing housing to permit people to age in place successfully, through
10 eviction protection, housing preservation, and accessibility improvements to existing housing;

11 (3) Preventive health care and healthy aging;

12 (4) Supporting transitions to the best home and community care and support,
13 through ombudsman services, transitional care programs, and navigation assistance; and

14 (5) Caregiver support.

15
16 **SEC. 16.128-3. ANNUAL CONTRIBUTIONS TO THE FUND.**

17 (a) Annual Baseline Contributions to the Fund. Each year during the term of Charter
18 Section 16.128-1 et seq., the City shall make an annual baseline contribution to the Fund in the
19 amount of \$38 million, representing the amount the City spent in fiscal year 2016-2017 to
20 provide eligible services as identified in Section 16.128-4 to Seniors and Adults with Disabilities.

21 (b) Additional Contributions for FY 2017-2018 through FY 2026-2027. For fiscal
22 year 2017-2018, the City shall increase its contribution to the Fund over the baseline amount in
23 subsection (a) by \$6 million. For each fiscal year from 2018-2019 through 2026-2027, the City
24 shall increase its additional contribution to the Fund under this subsection (b) by \$3 million over
25 the prior year.

1 (c) Projected Budget Deficits. Notwithstanding the provisions of subsection (b), the City
2 may freeze the City's annual contribution to the Fund for any fiscal year 2017-2018 through
3 2026-2027 at the then-current amount when the City's projected budget deficit for the upcoming
4 fiscal year at the time of the Joint Report or Update to the Five Year Financial Plan as prepared
5 jointly by the Controller, the Mayor's Budget Director, and the Board of Supervisors' Budget
6 Analyst exceeds \$200 million, adjusted annually beginning with fiscal year 2017-2018 by the
7 percentage increase or decrease in aggregate City discretionary revenues, as determined by the
8 Controller, based on calculations consistent from year to year. In determining aggregate City
9 discretionary revenues, the Controller shall only include revenues received by the City that are
10 unrestricted and may be used at the option of the Mayor and the Board of Supervisors for any
11 lawful City purpose.

12 (d) Additional Contributions for FY 2027-2028 through FY 2036-2037. For fiscal years
13 2027-28 through 2036-2037, the City's annual contribution to the Fund shall equal its total
14 contribution, including the baseline amount under subsection (a), for the prior year, beginning
15 with Fiscal Year 2026-2027, adjusted by the percentage increase or decrease in aggregate City
16 discretionary revenues, as determined by the Controller, based on calculations consistent from
17 year to year. For purposes of this subsection (d), the "additional contribution" for these years
18 shall mean the amount in excess of the baseline amount.

19 (e) The City may in any year contribute more to the Fund than the amounts required
20 under subsections (a) through (d), but those increases shall not alter or affect the amounts of the
21 City's required contributions for subsequent years.

22 (f) The Controller shall maintain the Fund separate and apart from all other City funds.
23 Any amount in the Fund unspent or uncommitted at the end of the fiscal year shall be carried
24 forward to the next fiscal year and, subject to the budgetary and fiscal limitations of this
25

1 Charter, shall be appropriated then or thereafter for the services and purposes specified in
2 Section 16.128-4.

3
4 **SEC. 16.128-4. ELIGIBLE SERVICES.**

5 The City shall only use monies from the Fund for the following categories of services and
6 purposes, to benefit Seniors and Adults with Disabilities:

7 (a) Home and Community Based Long Term Care and Support: Home care, adult day
8 health care, adult social day care, IHSS emergency homecare, short term interim housing

15 Advisory Committee created in Section 16.128-11 ("Oversight and Advisory Committee"), and
16 to support planning and evaluation processes, and facilitate funding allocation;

17 (i) Administration of the Fund and evaluation of Fund goals and services;

18 (j) Technical assistance and capacity-building for service providers and community-
19 based partners; and,

20 (k) Services that supplement, expand, or enhance existing programs for Seniors or
21 Adults with Disabilities.

22
23 **SEC. 16.128-5. EXCLUDED SERVICES.**

24 Notwithstanding Section 16.128-4, services paid for by the Fund shall not include:
25

1 (a) Services provided by the Police Department or other law enforcement agencies,
2 courts, the District Attorney, Public Defender, City Attorney, the Fire Department, and detention
3 or probation services mandated by state or federal law;

4 (b) Any service that benefits Seniors or Adults with Disabilities incidentally or only as
5 members of a larger population of adults;

6 (c) Any service realigned by the State or for which a fixed or minimum level of
7 expenditure is mandated and funded by state or federal law, to the extent of the level of funding
8 provided;

9 (d) Acquisition of any capital item unless for the primary and direct use by Seniors and
10 Adults with Disabilities and that is necessary for the expansion of services and support;

11 (e) Acquisition, other than by lease for a term of ten years or less, of any real property
12 or land, or capital expenditures, or predevelopment or construction costs for housing;

13 (f) Maintenance, utilities, or any similar operating costs of any facility not used
14 primarily and directly by Seniors and Adults with Disabilities or of any recreation or park
15 facility, library, hospital, or housing;

16 (g) Medical health services, other than prevention, education, and behavioral and
17 mental health support services; or

18 (h) Services provided by hospitals and long-term care institutions.

19
20 **SEC. 16.128-6. PLANNING CYCLE.**

21 (a) The City shall appropriate the additional contributions to the Fund under
22 Section 16.128-3(b) and (d) according to a four-year planning process. This process is intended
23 to: (1) increase transparency, accountability, and public engagement; (2) provide time and
24 opportunities for community participation and planning; (3) ensure program stability; and (4)
25 maximize the effectiveness of the services funded.

1 (b) Year 1 - Community Needs Assessment. Beginning in fiscal year 2017-2018 and
2 during every fourth fiscal year thereafter, DAAS shall conduct a Community Needs Assessment
3 (CNA) to identify services to receive monies from the Fund. The CNA shall include qualitative
4 and quantitative data sets collected through interviews, focus groups, surveys, or other outreach
5 mechanisms to determine service gaps and unmet needs. In conducting the CNA, DAAS shall
6 also review needs assessments prepared by community and other governmental entities. Subject
7 to the budgetary and fiscal provisions of the Charter, DAAS may contract with consultants and
8 outside experts for such services as it may require to prepare the CNA. DAAS shall undertake a
9 robust community process to solicit input from Seniors and Adults with Disabilities, in
10 consultation with the Mayor's Office on Disability or any successor agency.

11 DAAS shall, in consultation with the Oversight and Advisory Committee, develop a plan
12 for how to conduct the CNA with the Oversight and Advisory Committee. The CNA shall include
13 a gap analysis comparing actual performance with potential or desired performance and an
14 equity analysis of services and resources for Seniors, Adults with Disabilities, and their
15 caregivers.

16 DAAS shall develop a set of equity metrics to be used to establish a baseline of existing
17 services and resources for Seniors and Adults with Disabilities in low-income neighborhoods
18 and disadvantaged communities, compared to services and resources available in the City as a
19 whole. This equity analysis shall include an examination of eligibility for existing programs and
20 will seek to provide more services and support for those low and modest income residents who
21 are not currently eligible for assistance with home and community-based services.

22 The outreach for the CNA shall create opportunities for a robust cross-section of
23 stakeholders, including Seniors, Adults with Disabilities, their caregivers, nonprofit agencies,
24 and other members of the public, to provide input. By September 1, DAAS shall provide its plan
25 for conducting the CNA to the Oversight and Advisory Committee, the Service Provider Working

1 Group created in Section 16.128-11(e), the Aging and Adult Services Commission and the Board
2 of Supervisors. The plan shall be a public document.

3 By March 1, DAAS shall complete a draft CNA and provide this draft to the Oversight
4 and Advisory Committee and the Service Provider Working Group for review. DAAS shall also
5 provide the draft CNA to interested City departments and commissions, including but not limited
6 to the Aging and Adult Services Commission, the Mayor's Office on Disability, the Long Term
7 Care Coordinating Council, the Human Services Commission, the Health Commission, the
8 Recreation and Park Commission, the Adult Probation Department, the Veterans Affairs
9 Commission, the Commission on the Status of Women, the Police Commission, the Library
10 Commission, and the Arts Commission. The CNA shall include an Executive Summary and clear
11 description of the categories of services provided and unmet needs to be addressed.

12 By April 1, DAAS shall submit a final version of the CNA to the Aging and Adult Services
13 Commission and the DAAS Advisory Council. The final version of the CNA may incorporate any
14 comments or suggestions made by the Oversight and Advisory Committee, the public, or the
15 agencies that received copies of the draft CNA. The Aging and Adult Services Commission and
16 the Oversight and Advisory Committee shall hold a joint public hearing to review the CNA.

17 By May 1, the Aging and Adult Services Commission shall provide input on and approve
18 or disapprove the CNA. If the Aging and Adult Services Commission disapproves the report,
19 DAAS may modify and resubmit the report.

20 By June 1, the Board of Supervisors shall consider and approve or disapprove, or
21 modify, the CNA. If the Board disapproves the CNA, DAAS may modify and resubmit the CNA,
22 provided, however, that the City may not expend monies from the Fund until the Board of
23 Supervisors has approved the CNA.

24 (c) Year 2 – Services and Allocation Plan. Beginning in fiscal year 2018-2019 and
25 during every fourth fiscal year thereafter, DAAS, in consultation with the Oversight and

1 Advisory Committee, shall prepare a Services and Allocation Plan ("SAP") to determine
2 services that will receive monies from the Fund. All services identified in Section 16.128-4 are
3 potentially eligible to receive funding, but DAAS is not required to classify allocations according
4 to the service categories in that section. DAAS shall use the following process to prepare the
5 SAP:

6 (1) DAAS shall disseminate a draft SAP to interested City departments and
7 commissions, including but not limited to the Aging and Adult Services Commission, the
8 Mayor's Office on Disability, the Long Term Care Coordinating Council, the Human Services
9 Commission, the Health Commission, the Recreation and Park Commission, the Adult Probation
10 Department, the Commission on the Status of Women, the Police Commission, the Library
11 Commission, and the Arts Commission. In preparing the draft SAP, DAAS shall confer with the
12 Department of Children, Youth and Their Families to coordinate funding for services for
13 Transitional-Aged Youth, as defined in Charter Section 16.108(e), with Disabilities from both the
14 Dignity Fund and the Children and Youth Fund.

15 The SAP must:

16 (A) Demonstrate consistency with the CNA and with Citywide vision and
17 goals for the Fund;

18 (B) Include all services for Seniors and Adults with Disabilities to secure
19 and utilize the services and support necessary to age with dignity in their own homes and
20 communities.

21 (C) Be outcome-oriented and include goals and measurable and
22 verifiable objectives and outcomes;

23 (D) Include capacity-building and evaluation of services as separate
24 funding areas;

1 (E) State how services will be coordinated and have specific amounts
2 allocated towards specific goals, service models, populations, and neighborhoods;

3 (F) Include funding for neighborhood-initiated projects totaling at least
4 3% of the total proposed expenditures from the Fund for the four-year planning cycle established
5 in this Section 16.128-6;

6 (G) Include funding for pilot programs to develop and test new and
7 innovative programs, in an amount not to exceed 3% of the total proposed expenditures from the
8 Fund for the cycle;

9 (H) Include funding for an undesignated contingency reserve, in an
10 amount not to exceed 2% of the total proposed expenditures from the Fund for the cycle;

11 (I) Include, as a separate line item, an allocation of funds required for the
12 preparation, monitoring, and evaluation of the CNA and SAP required under this
13 Section 16.128-6 and the Evaluation and Data Report required under Section 16.128-7;

14 (J) Include evaluation data from the previous funding cycle; and

15 (K) Incorporate strategies to coordinate and align services for Seniors
16 and Adults with Disabilities funded by all governmental or private entities and administered by
17 the City, whether or not those services are eligible to receive monies from the Fund.

18 (2) The SAP shall reference the gap analysis and equity analysis of services and
19 resources for Seniors, Adults with Disabilities, and their caregivers included in the CNA. Using
20 the equity metrics developed for preparation of the CNA, the SAP shall compare proposed new,
21 augmented, and coordinated services and resources for low-income and moderate-income
22 neighborhoods and disadvantaged communities with services and resources available to the City
23 as a whole.

24 (3) Subject to the budgetary and fiscal provisions of the Charter, DAAS may
25 contract with consultants and outside experts for such services as the Department may require to

1 prepare the SAP, including the equity analysis of services and resources for Seniors, Adults with
2 Disabilities, and their caregivers.

3 (4) The Board of Supervisors shall by ordinance outline the timeline for the
4 development of the Services and Allocation Plan. Prior to completion of the first SAP and while
5 the first planning cycle is in process, DAAS, in consultation with the Oversight and Advisory
6 Committee, may expend monies from the Fund based on existing needs assessment analysis.

7 (d) Years 3 and 4 – Selection of Contractors. Beginning with Fiscal Years 2019-2020
8 and 2020-2021 and during every fourth fiscal year thereafter, DAAS shall conduct competitive
9 solicitations for services to be funded from the Fund. Requests for proposals will be grouped by
10 issue area and spread out on a schedule known in advance to provide for a smooth and efficient
11 timeline. The Human Services Agency and the Department of Aging and Adult Services shall
12 work together and manage resources so that the RFP process will keep to the schedule and
13 contract awards will be made within a reasonable time.

14 (e) Years 3 and 4 – Service Cycle Begins. Contracts for services shall start on July 1,
15 beginning with Fiscal Year 2019-2020. During subsequent years of the four-year planning cycle
16 established in this Section 16.128-6, DAAS, with the consultation and input of the Oversight and
17 Advisory Committee, may issue supplemental competitive solicitations to address amendments to
18 the SAP and emerging needs.

19 (f) DAAS may recommend, and the Oversight and Advisory Committee and the Board of
20 Supervisors may approve, changes to the due dates and timelines provided in this
21 Section 16.128-6. The Board of Supervisors shall approve such changes by ordinance.

22
23 **SEC. 16.128-7. EVALUATION.**

24 DAAS shall provide for the evaluation on a regular basis of all services funded through
25 the Fund, and shall prepare on a regular basis an Evaluation and Data Report for the Oversight

1 and Advisory Committee. Subject to the budgetary and fiscal provisions of the Charter, DAAS
2 may contract with consultants and outside experts for such services as the Department may
3 require to conduct such evaluations and to prepare the Evaluation and Data Report. This
4 evaluation process is intended to be reasonable in scope and to build on and strengthen existing
5 program evaluations.

6
7 **SEC. 16.128-8. SELECTION OF CONTRACTORS.**

8 The Oversight and Advisory Committee shall recommend standards and procedures for
9 the selection of contractors to be funded from the Fund. It shall be the policy of the City to use
10 competitive solicitation processes where appropriate and to give priority to the participation of
11 non-profit agencies.

12
13 **SEC. 16.128-9. IMPLEMENTATION.**

14 (a) The Board of Supervisors may by ordinance implement Sections 16.128-1 through
15 16.128-12.

16 (b) In implementing Sections 16.128-1 through 16.128-12, primary goals shall include
17 facilitating public participation and maximizing availability of information to the public.

18
19 **SEC. 16.128-10. EFFECT OF PROCEDURAL ERRORS.**

20 No appropriation, contract, or other action shall be held invalid or set aside by reason of
21 any error, including without limitation any irregularity, informality, neglect, or omission, in

LEGISLATIVE DIGEST

(Third Draft, 6/30/2016)

[Charter Amendment – Dignity Fund]

Describing and setting forth a proposal to the voters, at an election to be held on November 8, 2016, to amend the Charter of the City and County of San Francisco to: 1) establish the Dignity Fund to support Seniors and Adults with Disabilities; 2) require an annual contribution by the City to the Fund including an annual baseline amount of \$38 million, increasing by \$6 million for fiscal year 2017-2018, and increasing by \$3 million a year for the next 9 years until fiscal year 2026-2027, and continuing at that amount, adjusted annually for changes in aggregate discretionary City revenues, for the next 10 years until fiscal year 2036-2037; 3) establish a planning process for expenditures from the Fund; 4) create an Oversight and Advisory Committee; 5) set an expiration date of June 30, 2037; and, 6) change the “Commission on Aging” to the “Aging and Adult Services Commission” and update its responsibilities.

Existing Law

The City currently does not have a specific fund to pay for services to seniors and adults with disabilities.

The City has a Commission on Aging that oversees programs for seniors and related programs, including programs for adults with disabilities.

Amendments to Current Law

The proposal is a Charter amendment that would create a Dignity Fund (“the Fund”) to pay for increased programs and services to assist seniors and adults with disabilities.

Each year during the 20-year term of the amendment, the City would be required to make an annual contribution to the Fund from any legally available sources, as follows:

- For each during the term of the amendment, the City would contribute a baseline amount of \$38 million, representing the amount the City spent in fiscal year 2016-2017 to provide services to Seniors and Adults with Disabilities.
- For fiscal year 2017-2018, the City’s contribution would increase by \$6 million, to \$44 million.
- For fiscal years 2018-2019 through 2026-2027, the City’s contribution would increase by \$3 million each year, reaching \$72 million in fiscal year 2026-2027. During this period, the City could freeze its contribution

to the Fund at the then-current amount when the City faced a projected budget deficit exceeding \$200 million.

- For fiscal years 2027-28 through 2036-2037, the City's annual contribution to the Fund would equal its contribution for the prior year, adjusted for changes in aggregate City discretionary revenues.

The proposal would define what types of services could be supported by the Fund, and would establish a four-year planning process for spending from the Fund in excess of the baseline amounts. As part of each four-year cycle, the Department of Aging and Adult Services (DAAS), in consultation with other City agencies, would prepare a Community Needs Assessment, a Services and Allocation Plan, and an Equity Analysis. The proposal would require evaluation on a regular basis of services and programs supported by the Fund.

The proposal would create an Oversight and Advisory Committee and establish its powers and duties. The Committee would consist of 11 members. The Mayor would appoint 3 at-large members, subject to rejection by the Board of Supervisors. The remaining members would be drawn from the City's Aging and Adult Services Commission, the Advisory Council to DAAS, and the Long Term Care Council. The Oversight and Advisory Committee would establish a Service Provider Working Group to work with the Committee.

The Fund, including the mandatory annual contribution, would expire at the end of fiscal year 2036-2037.

The proposal would also re-name the "Commission on Aging" as the "Aging and Adult Services Commission." The Commission would oversee DAAS.

1 agency. Monies in the Fund shall be used or expended by DAAS, subject to the budgetary and
2 fiscal provisions of the Charter, solely to help Seniors and Adults with Disabilities secure and
3 utilize the services and support necessary to age with dignity in their own homes and
4 communities. For purposes of Section 16.128-1 through 16.128.12, "Senior" shall mean a
5 person 60 years old or older, and "Adult with a Disability" shall mean a person 18 years old or
6 older with a disability as defined under the Americans With Disabilities Act.

7 (b) The Dignity Fund is needed to ensure the health and well-being of Seniors and Adults
8 with Disabilities for the following reasons:

9 (1) DAAS and the San Francisco Long Term Care Coordinating Council have
10 advanced a vision and set of long-term goals that highlight best practices, strengthen access to
11 services, coordinate across agencies and City departments, and develop a unified strategy.

12 (2) Important safety net services to Seniors and Adults with Disabilities such as
13 adult day programs and/or other state-funded services directed to low-income populations have
14 suffered significant losses in funding due in part to the reorganization of California's health and
15 long-term care services.

16 (3) San Francisco non-profit community based organizations are the City's most
17 valuable public assets in terms of supporting Seniors and Adults with Disabilities to age with
18 dignity in their own homes and communities.

19 (4) Seniors and Adults with Disabilities are valuable contributors to the City's
20 vitality and must stay connected to friends and family who can help them age in place with
21 dignity.

22 (5) Because a majority of the City's Seniors and Adults with Disabilities live on
23 fixed incomes, the growing economic divisions in the City are putting them increasingly at risk of
24 poor health outcomes and institutionalization.

1 (6) San Francisco has the highest percentage of Seniors and Adults with
2 Disabilities of any urban area in California and the number of Seniors continues to steadily
3 increase, especially for those over the age of 85. Over 40% live alone with inadequate support
4 networks, in part because their families have been forced to seek more affordable housing or
5 employment elsewhere, or because they have no children or they lack supportive families.

6 (7) The constant increase in economic pressure and lack of support for Seniors
7 and Adults with Disabilities has impacted the cultural and ethnic diversity of the City.

8 (8) As of 2015, over 19,200 people 55 years of age and older were living in San
9 Francisco with Alzheimer's disease or dementia. This number is projected to increase to 26,868
10 by 2030 – a 40% increase in 15 years.

11 (9) Over 70% of veterans in the City are over the age of 55 and 28% of those
12 have disabilities. As of 2015, 40% of all veterans rely on Veterans Administration health care
13 with the remainder reliant on outside agencies to provide care, representing a massive
14 undertaking by community based organizations.

15 (10) As of 2015, approximately 60% of people with HIV in San Francisco were
16 over 50 years old. In 2020, it is estimated, 70% of people with HIV in San Francisco will be
17 over 50 years old.

18 (11) In 2013, the Insight Center determined that a single person 65 years of age
19 or older needed a monthly income of \$2,526 to rent housing and meet his or her basic needs in
20 San Francisco. At that time, the fair market rent for a one-bedroom apartment was \$1,500 a
21 month and 62% of all Seniors could not afford that rent. As of 2016, the fair market monthly
22 rent for the same apartment is \$1,635. Many apartments have higher rents. The median rent for
23 a one bedroom apartment in San Francisco is now approximately \$3,600 per month.

1 **SEC. 16.128-2. GOALS OF THE DIGNITY FUND.**

2 The goals of expenditures from the Fund and the planning process created in
3 Charter Sections 16.128-1 through 16.128-12, shall be:

4 (a) To ensure that San Francisco's Seniors and Adults with Disabilities are provided the
5 opportunity to age with dignity and with affordable, quality services and support.

6 (b) To ensure San Francisco is an aging- and disability-friendly city, helping individuals
7 age with dignity in communities as an important part of the City population and civic culture.

8 (c) To focus on the prevention of problems and on supporting and enhancing the
9 strengths of older adults, people with disabilities, and their hands-on care providers.

10 (d) To complement the City's housing and community development efforts by providing
11 needed long-term services and support in housing to keep individuals in their homes and
12 communities.

13 (e) To strengthen a community-based network of services and support in all
14 neighborhoods.

15 (f) To ensure that Seniors and Adults with Disabilities receive maximum benefit from the
16 Fund and that equity is a guiding principle of the funding process.

17 (g) To distribute funds based on best practices, the highest need, and successful and
18 innovative models in order to ensure maximum impact.

19 (h) To the maximum extent feasible, to distribute funds equitably among services for all
20 eligible groups, regardless of race, ethnicity, sexual orientation, or gender identity or other
21 identifying characteristics.

22 (i) To ensure Seniors and Adults with Disabilities are provided with gender responsive
23 and culturally competent services.

24
25

1 (j) To strengthen collaboration around shared and agreed upon outcomes among service
2 providers for Seniors and Adults with Disabilities and their hands-on care providers, including
3 collaboration among public agencies and non-profit organizations.

4 (k) To fill gaps in services.

5 (l) To leverage other resources whenever feasible.

6 (m) To support programs that prioritize:

7 (1) Stabilizing people, through food, homecare, transportation, and case
8 management services;

9 (2) Stabilizing housing to permit people to age in place successfully, through
10 eviction protection, housing preservation, and accessibility improvements to existing housing;

11 (3) Preventive health care and healthy aging;

12 (4) Supporting transitions to the best home and community care and support,
13 through ombudsman services, transitional care programs, and navigation assistance; and

14 (5) Caregiver support.

15
16 **SEC. 16.128-3. ANNUAL CONTRIBUTIONS TO THE FUND.**

17 (a) Annual Baseline Contributions to the Fund. Each year during the term of Charter
18 Section 16.128-1 et seq., the City shall make an annual baseline contribution to the Fund, in the
19 amount of \$38 million, representing the amount the City spent in fiscal year 2016-2017 to
20 provide eligible services as ~~specified~~ identified in this Section 16.128-3, from any legally
21 available sources, to Seniors and Adults with Disabilities.

22 (b) Additional Contributions for FY 2017-2018 through FY 2026-2027. The City's
23 contribution to the Fund for For fiscal year 2017-2018 shall be \$41, the City shall increase its
24 contribution to the Fund over the baseline amount in subsection (a) by \$6 million. Each year
25 for For each fiscal years year from 2018-2019 through 2026-2027, the City shall increase its

1 additional contribution to the Fund under this subsection (b) by \$3 million over the prior year;
2 until the required contribution reaches \$68 million for fiscal year 2026-2027.

3 (c) Projected Budget Deficits. Notwithstanding the provisions of subsection (b), the City
4 may freeze the City's annual contribution to the Fund for any fiscal year 2017-2018 through
5 2026-2027 at the then-current amount when the City's projected budget deficit for the upcoming
6 fiscal year at the time of the Joint Report or Update to the Five Year Financial Plan as prepared
7 jointly by the Controller, the Mayor's Budget Director, and the Board of Supervisors' Budget
8 Analyst exceeds \$200 million, adjusted annually beginning with fiscal year 2017-2018 by the
9 percentage increase or decrease in aggregate City discretionary revenues, as determined by the
10 Controller, based on calculations consistent from year to year. In determining aggregate City
11 discretionary revenues, the Controller shall only include revenues received by the City that are
12 unrestricted and may be used at the option of the Mayor and the Board of Supervisors for any
13 lawful City purpose.

14 ~~(d)~~ (d) Additional Contributions for FY 2027-2028 through FY 2036-2037. For fiscal
15 years 2027-28 through 2036-2037, the City's annual contribution to the Fund shall equal its
16 total contribution, including the baseline amount under subsection (a), for the prior year,
17 beginning with Fiscal Year 2026-2027, adjusted by the percentage increase or decrease in
18 aggregate City discretionary revenues, as determined by the Controller, based on calculations
19 consistent from year to year. For purposes of this subsection (d), the "additional contribution"
20 for these years shall mean the amount in excess of the baseline amount.

21 (e) The City may in any year contribute more to the Fund than the amounts required
22 under subsections (a) through (d), but those increases shall not alter or affect the amounts of the
23 City's required contributions for subsequent years.

24 (f) The Controller shall maintain the Fund separate and apart from all other City funds.
25 Any amount in the Fund unspent or uncommitted at the end of the fiscal year shall be carried

1 forward to the next fiscal year and, subject to the budgetary and fiscal limitations of this
2 Charter, shall be appropriated then or thereafter for the services and purposes specified in

24 intended to: (1) increase transparency, accountability, and public engagement; (2) provide time
25

4 during every fourth fiscal year thereafter, DAAS shall conduct a Community Needs Assessment
5 (CNA) to identify services to receive monies from the Fund. The CNA shall include qualitative
6 and quantitative data sets collected through interviews, focus groups, surveys, or other outreach
7 mechanisms to determine service gaps and unmet needs. In conducting the CNA, DAAS shall
8 also review needs assessments prepared by community and other governmental entities. Subject
9 to the budgetary and fiscal provisions of the Charter, DAAS may contract with consultants and
10 outside experts for such services as it may require to prepare the CNA. DAAS shall undertake a
11 robust community process to solicit input from Seniors and Adults with Disabilities, in
12 consultation with the Mayor's Office on Disability or any successor agency.

13 DAAS shall, in consultation with the Oversight and Advisory Committee, develop a plan
14 for how to conduct the CNA with the Oversight and Advisory Committee. The CNA shall include

20 and disadvantaged communities, compared to services and resources available in the City as a
21 whole. This equity analysis shall include an examination of eligibility for existing programs and
22 will seek to provide more services and support for those low and modest income residents who
23 are not currently eligible for assistance with home and community-based services.

24 The outreach for the CNA shall create opportunities for a robust cross-section of
25 stakeholders, including Seniors, Adults with Disabilities, their caregivers, nonprofit agencies,

1 and other members of the public, to provide input. By September 1, DAAS shall provide its plan
2 for conducting the CNA to the Oversight and Advisory Committee, the Service Provider Working

4 of Supervisors. The plan shall be a public document.

5 By March 1, DAAS shall complete a draft CNA and provide this draft to the Oversight
6 and Advisory Committee and the Service Provider Working Group for review. DAAS shall also
7 provide the draft CNA to interested City departments and commissions, including but not limited
8 to the Aging and Adult Services Commission, the Mayor's Office on Disability, the Long Term
9 Care Coordinating Council, the Human Services Commission, the Health Commission, the
10 Recreation and Park Commission, the Adult Probation Department, the Veterans Affairs
11 Commission, the Commission on the Status of Women, the Police Commission, the Library
12 Commission, and the Arts Commission. The CNA shall include an Executive Summary and clear
13 description of the categories of services provided and unmet needs to be addressed.

14 By April 1, DAAS shall submit a final version of the CNA to the Aging and Adult Services
15 Commission and the DAAS Advisory Council. The final version of the CNA may incorporate any
16 comments or suggestions made by the Oversight and Advisory Committee, the public, or the
17 agencies that received copies of the draft CNA. The Aging and Adult Services Commission and
18 the Oversight and Advisory Committee shall hold a joint public hearing to review the CNA.

19 By May 1, the Aging and Adult Services Commission shall provide input on and approve
20 or disapprove the CNA. If the Aging and Adult Services Commission disapproves the report,
21 DAAS may modify and resubmit the report.

22 By June 1, the Board of Supervisors shall consider and approve or disapprove, or
23 modify, the CNA. If the Board disapproves the CNA, DAAS may modify and resubmit the CNA,
24 provided, however, that the City may not expend monies from the Fund until the Board of
25 Supervisors has approved the CNA.

1 (c) Year 2 – Services and Allocation Plan. Beginning in fiscal year 2018-2019 and
2 during every fourth fiscal year thereafter, DAAS, in consultation with the Oversight and
3 Advisory Committee, shall prepare a Services and Allocation Plan (“SAP”) to determine
4 services that will receive monies from the Fund. All services identified in Section 16.128-4 are
5 potentially eligible to receive funding, but DAAS is not required to classify allocations according
6 to the service categories in that section. DAAS shall use the following process to prepare the
7 SAP:

8 (1) DAAS shall disseminate a draft SAP to interested City departments and
9 commissions, including but not limited to the Aging and Adult Services Commission, the
10 Mayor’s Office on Disability, the Long Term Care Coordinating Council, the Human Services
11 Commission, the Health Commission, the Recreation and Park Commission, the Adult Probation
12 Department, the Commission on the Status of Women, the Police Commission, the Library
13 Commission, and the Arts Commission. In preparing the draft SAP, DAAS shall confer with the
14 Department of Children, Youth and Their Families to coordinate funding for services for
15 Transitional-Aged Youth, as defined in Charter Section 16.108(e), with Disabilities from both the
16 Dignity Fund and the Children and Youth Fund.

17 The SAP must:

18 (A) Demonstrate consistency with the CNA and with Citywide vision and
19 goals for the Fund;

20 (B) Include all services for Seniors and Adults with Disabilities to secure
21 and utilize the services and support necessary to age with dignity in their own homes and
22 communities.

23 (C) Be outcome-oriented and include goals and measurable and
24 verifiable objectives and outcomes;

- 1 (D) Include capacity-building and evaluation of services as separate
- 2 funding areas;
- 3 (E) State how services will be coordinated and have specific amounts
- 4 allocated towards specific goals, service models, populations, and neighborhoods;
- 5 (F) Include funding for neighborhood-initiated projects totaling at least
- 6 3% of the total proposed expenditures from the Fund for the four-year planning cycle established
- 7 in this Section 16.128-6;
- 8 (G) Include funding for pilot programs to develop and test new and
- 9 innovative programs, in an amount not to exceed 3% of the total proposed expenditures from the
- 10 Fund for the cycle;
- 11 (H) Include funding for an undesignated contingency reserve, in an
- 12 amount not to exceed 2% of the total proposed expenditures from the Fund for the cycle;
- 13 (I) Include, as a separate line item, an allocation of funds required for the
- 14 preparation, monitoring, and evaluation of the CNA and SAP required under this
- 15 Section 16.128-6 and the Evaluation and Data Report required under Section 16.128-7;
- 16 (J) Include evaluation data from the previous funding cycle; and
- 17 (K) Incorporate strategies to coordinate and align services for Seniors
- 18 and Adults with Disabilities funded by all governmental or private entities and administered by
- 19 the City, whether or not those services are eligible to receive monies from the Fund.
- 20 (2) The SAP shall reference the gap analysis and equity analysis of services and
- 21 resources for Seniors, Adults with Disabilities, and their caregivers included in the CNA. Using
- 22 the equity metrics developed for preparation of the CNA, the SAP shall compare proposed new,
- 23 augmented, and coordinated services and resources for low-income and moderate-income
- 24 neighborhoods and disadvantaged communities with services and resources available to the City
- 25 as a whole.

1 (3) Subject to the budgetary and fiscal provisions of the Charter, DAAS may
2 contract with consultants and outside experts for such services as the Department may require to
3 prepare the SAP, including the equity analysis of services and resources for Seniors, Adults with
4 Disabilities, and their caregivers.

5 (4) The Board of Supervisors shall by ordinance outline the timeline for the
6 development of the Services and Allocation Plan. Prior to completion of the first SAP and while
7 the first planning cycle is in process, DAAS, in consultation with the Oversight and Advisory
8 Committee, may expend monies from the Fund based on existing needs assessment analysis.

9 (d) Years 3 and 4 – Selection of Contractors. Beginning with Fiscal Years 2019-2020
10 and 2020-2021 and during every fourth fiscal year thereafter, DAAS shall conduct competitive
11 solicitations for services to be funded from the Fund. Requests for proposals will be grouped by
12 issue area and spread out on a schedule known in advance to provide for a smooth and efficient
13 timeline. The Human Services Agency and the Department of Aging and Adult Services shall
14 work together and manage resources so that the RFP process will keep to the schedule and
15 contract awards will be made within a reasonable time.

16 (e) Years 3 and 4 – Service Cycle Begins. Contracts for services shall start on July 1,
17 beginning with Fiscal Year 2019-2020. During subsequent years of the four-year planning cycle
18 established in this Section 16.128-6, DAAS, with the ~~approval~~consultation and input of the
19 Oversight and Advisory Committee, may issue supplemental competitive solicitations to address
20 amendments to the SAP and emerging needs.

21 (f) DAAS may recommend, and the Oversight and Advisory Committee and the Board of
22 Supervisors may approve, changes to the due dates and timelines provided in this
23 Section 16.128-6. The Board of Supervisors shall approve such changes by ordinance.

24
25 **SEC. 16.128-7. EVALUATION.**

1 DAAS shall provide for the evaluation on a regular basis of all services funded through
2 the Fund, and shall prepare on a regular basis an Evaluation and Data Report for the Oversight
3 and Advisory Committee. Subject to the budgetary and fiscal provisions of the Charter, DAAS
4 may contract with consultants and outside experts for such services as the Department may
5 require to conduct such evaluations and to prepare the Evaluation and Data Report. This
6 evaluation process is intended to be reasonable in scope and to build on and strengthen existing
7 program evaluations.

8
9 **SEC. 16.128-8. SELECTION OF CONTRACTORS.**

10 The Oversight and Advisory Committee shall recommend standards and procedures for
11 the selection of contractors to be funded from the Fund. It shall be the policy of the City to use
12 competitive solicitation processes where appropriate and to give priority to the participation of
13 non-profit agencies.

14
15 **SEC. 16.128-9. IMPLEMENTATION.**

16 (a) The Board of Supervisors may by ordinance implement Sections 16.128-1 through

24 carrying out procedures specified in Sections 16.128-1 through 16.128-12, unless a court finds
25

1 that the party challenging the action suffered substantial injury from the error and that a
2 different result would have been probable had the error not occurred.

3
4 **SEC. 16.128-11. ADVISORY COMMITTEE.**

5 (a) Creation. There shall be a Dignity Fund Oversight and Advisory Committee
6 ("Oversight and Advisory Committee") to monitor and participate in the administration of the

8 Fund is administered in a manner accountable to the community.

11 DAAS and the Fund regarding outcomes for services to Seniors and Adults with Disabilities, the

RE: File 160585 – Charter amendment establishing a fund for seniors and adults with disabilities

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, it would have a significant impact on the cost of government.

The proposed charter amendment would establish a new fund (the Dignity Fund) to support seniors and adults with disabilities by creating a new property tax set-aside of two cents per hundred dollars of assessed value in the City, equal to approximately \$43.3 million annually as of the current budget. Property tax revenue is currently available for any public purpose and if these revenues are shifted to programs for seniors and the disabled, other City spending would have to be reduced or new revenues identified.

In addition to the property tax set-aside, the amendment would set a “baseline” budget requirement—specifying that the City maintain the same levels of funding for senior and disabled services as were budgeted in FY16-17, currently approximately \$36.7 million annually. Like other baselines in the charter, the Dignity Fund required amount would increase or decrease each year at the same rate as the City’s discretionary revenue.

The proposed amendment would establish the set-aside and the baseline requirement beginning July 1, 2017 and continuing for a period of 20 years through fiscal year 2036-37.

The proposed increase in this property tax set-aside would decrease the City’s overall discretionary revenue and would therefore affect other City programs with voter-adopted baseline budget requirements. Baseline budget requirements are in effect for a variety of purposes, including public transportation, children and youth, library, and public school services. The proposed measure would decrease baseline required funding levels for these services by an aggregate \$9.6 million based on current fiscal year required funding levels.

The amendment would change the appointment method for the Commission that currently advises the City on services for seniors and adults with disabilities from having all seven members appointed by the Mayor to having three members appointed by the Board of Supervisors. The proposed amendment would also create a new eleven member Oversight and Advisory Committee to make recommendations regarding the planning, programming, evaluation, reporting and other aspects of administering the Dignity Fund.

The proposed amendment specifies a four year planning cycle that requires community consultation, equity analysis and working with service providers on how to allocate Dignity Fund dollars, among other requirements.

This proposed amendment is not in compliance with a non-binding, voter-adopted city policy regarding set-asides. The policy seeks to limit set-asides which reduce General Fund dollars that could otherwise be allocated by the Mayor and the Board of Supervisors in the annual budget process.

The Controller's Office will work with the Mayor, Board of Supervisors and City departments to clarify the financial effects of the proposed Charter amendment as it and other related measures are considered for the ballot.

Sincerely,

Ben Rosenfield
Controller

RE: File 160585 Charter amend (3rd Draft) establishing a fund for seniors & adults with disabilities

Dear Ms. Calvillo,

Should the proposed charter amendment be approved by the voters, in my opinion, it would have a significant impact on the cost of government. The amendment would create an annual baseline for services for seniors and adults with disabilities at a required level of \$38 million beginning in fiscal year (FY) 2016-17 and increasing over time. In fiscal year 2015-16, the City's general fund budget for these services was approximately \$32 million.

The proposed charter amendment would establish a new fund (the Dignity Fund) to support seniors and adults with disabilities. The Dignity Fund would be used exclusively for services to seniors and adults with disabilities, such as home and community-based long term care, food programs, caregiver programs, community centers, advocacy programs and wellness programs.

Under the proposed amendment, the City would be required to create a \$38 million baseline for the Dignity Fund in FY 2016-17. In FY 2017-18, the City would increase the Dignity Fund by \$6 million, and beginning in FY 2018-19 increase that amount by \$3 million per year for nine years, reaching an annual budget amount of \$71 million in fiscal year 2026-27. For the subsequent ten year period to fiscal year 2036-37, the budget would be adjusted by the aggregate change in the City's overall discretionary revenues. The City would be able to temporarily suspend the required budget increases in any year beginning in FY 2017-18 in which a general fund deficit of \$200 million or more was forecast.

The amendment would modify the powers and duties of the Commission that advises the City on services for seniors and adults with disabilities and would create a new eleven member Oversight and Advisory Committee to make recommendations regarding the planning, evaluation, reporting and other aspects of administering the Dignity Fund. The proposed amendment specifies a four year planning cycle that requires community consultation, equity analysis and working with service providers on how to allocate Dignity Fund dollars, among other requirements.

The proposed amendment is not in compliance with a non-binding, voter-adopted city policy regarding set-asides. The policy seeks to limit set-asides which reduce General Fund dollars that could otherwise be allocated by the Mayor and the Board of Supervisors in the annual budget process.

Sincerely,

for Ben Rosenfield
