21 RESOLVED, That the Board of Supervisors declares as follows:

22 Section 1. Pursuant to Section 36621(a) of the 1994 Act and Article 15, the Board of
23 Supervisors declares its intention to renew and expand the property and business
24 improvement district known as the "Fisherman's Wharf Landside Community Benefit District"
25 ("District") for a period of fifteen and one half (15 1/2) years, and to levy and collect

1 assessments against all parcels of real property in the District for fifteen of those years,
2 commencing with fiscal year (“FY”) 2020-2021, subject to approval by a majority of the
3 property owners in the District who cast assessment ballots, which ballots shall be weighted
4 according to the proportional financial obligations of the affected properties. No bonds will be
5 issued. District operations are expected to commence on or about January 1, 2021, following
6 collection of the assessments for FY2020-2021 and disbursement of the assessment
7 proceeds to the nonprofit owners’ association that will administer the property-related
8 services, activities and improvements in the District pursuant to Section 36651 of the 1994 Act
9 and a written agreement with the City.

10 Section 2. Nonpayment of assessments will have the same lien priority and delinquent
11 payment penalties and be subject to the same enforcement procedures and remedies as the
12 ad valorem property tax. All delinquent payment of assessments will be subject to interest
13 and penalties. The City Treasurer and Tax Collector will enforce imposition of interest and
14 penalties and collection of assessments pursuant to the 1994 Act, Article 15 and the San
15 Francisco Business and Tax Regulation Code Article 6, as each may be amended from time
16 to time.

17 Section 3. The Board of Supervisors hereby approves the Management District Plan
18 and Engineer’s Report, including the estimates of the costs of the property-related services,
19 activities and improvements set forth in the plan, and the assessment of said costs on the
20 properties that will specially benefit from such services, activities and improvements. The
21 Clerk of the Board shall make the Management District Plan, Engineer’s Report and other
22 documents related to the District and included in the record before the Board of Supervisors
23 available to the public for review during normal business hours, Monday through Friday 8:00
24 a.m. through 5:00 p.m., excluding legal holidays.

1 Section 4. The Board of Supervisors hereby approves the Proposed Boundaries Map
2 showing the boundaries of the District. The proposed District contains approximately 198
3 identified parcels located on approximately 27 whole or partial blocks.

4 Specifically, the exterior District boundaries are:

- 5 • Jefferson Street to the north.
- 6 • Bay Street to the south (reaching Francisco Street in some areas);
- 7 • The Embarcadero to the east;
- 8 • Van Ness Avenue to the west

9
10 Reference should be made to the detailed maps and the lists of parcels identified by
11 Assessor Parcel Number that are contained in the Management District Plan, in order to
12 determine which specific parcels are included in the Fisherman’s Wharf Landside Community
13 Benefit District.
14

15 Section 5. A public hearing on the renewal and expansion of the District, and the levy
16 and collection of assessments starting with FY2020-2021 and continuing through
17 FY2034-2035, shall be conducted before the Board of Supervisors sitting as a Committee of
18 the Whole on July 14, 2020, at 3:00 p.m., or as soon thereafter as the matter may be heard in
19 the Board’s Legislative Chamber, Second Floor, City Hall, 1 Dr. Carlton B. Goodlett Place,
20 San Francisco, California, 94102. At this public hearing, the Board of Supervisors will hear
21 public testimony regarding the proposed formation of the District, assessments, and
22 boundaries of the District, including testimony from all interested persons for or against
23 renewal and expansion of the District, the extent of the District, the levy of the assessments,
24 the furnishing of specific types of property-related services, improvements and activities, and
25 other matters related to the District. The Board of Supervisors may waive any irregularity in

1 the form or content of any written protest, and at the public hearing may correct minor defects
2 in the proceedings. All protests submitted by affected property owners and received prior to
3 the conclusion of the public testimony portion of the public hearing shall be tabulated to
4 determine whether a majority protest exists.

5 Section 6. The Board of Supervisors hereby approves the form of the Notice of Public
6 Hearing and Assessment Ballot Proceeding, and Assessment Ballot, which are on file with the
7 Clerk of the Board of Supervisors in File No. 200380; which are hereby declared to be a part
8 of this Resolution as if set forth fully herein.

9 Section 7. The proposed property-related services, improvements and activities for the
10 District include a Clean and Safe program, a Marketing program, and Administration.

11
12 **Clean and Safe Program:** Clean and Safe Program includes, but is not limited to,
13 sidewalk cleaning, sidewalk pressure washing, trash collection, graffiti removal and
14 abatement, security patrol, and emergency preparedness.

15 **Marketing and Event Program:** Marketing and Events Program includes, but is not
16 limited to, community events, communications, outreach, public relations efforts, wayfinding,
17 and destination marketing.

18 **Administration:** Administration includes daily oversight and operation of the
19 Fisherman’s Wharf Landside CBD, adherence to the Management District Plan, and
20 compliance with audit/reporting requirements. Also included are office expenses, professional
21 services, organization expenses, and other similar services.

22 **Contingency and Reserves:** Contingency and Reserves fund a contingency reserve
23 that may be used to cover possible unforeseen future expenses and help to smooth out cash
24 flows, which are affected by the timing of property owner payments.

1 Section 8. Within the area encompassed by the proposed District, the City currently
2 provides services at the same level provided to other similar areas of the City. It is the intent
3 of the Board of Supervisors to continue to provide the area encompassed by the District with
4 the same level of services provided to other similar areas of the City; formation of the District
5 will not affect the City's policy to continue to provide the same level of service to the areas
6 encompassed by the District as it provides to other similar areas of the City during the term of
7 the District.

8 Section 9. The annual total assessments proposed to be levied and collected for the
9 first year of the District (FY2020-2021) is estimated to be \$1,223,783.20. The amount of the
10 total annual assessments to be levied and collected for years two through fifteen
11 (FYs 2021-2022 through 2034-2035) may be increased from one year to the next due to
12 changes to the consumer price index (CPI) or by 5%, whichever is greater. Assessments may
13 also increase based on development in the District. The determination of annual adjustments
14 in assessment rates will be subject to the approval of the Fisherman's Wharf Landside
15 Community Benefit District Owners' Association. Assessment rates may not increase by more
16 than 5% or the CPI annual increase, whichever is greater.

17 Section 10. Environmental Findings. Following the approval of this Resolution, the
18 Planning Department shall determine whether the actions contemplated in this Resolution are
19 in compliance with the California Environmental Quality Act (California Public Resources

21 prior to the Board's public hearing on the renewal and expansion of the District on
22 July 14, 2020 at 3:00 p.m.

23 Section 11. The Clerk of the Board is directed to give notice of the public hearing as
