**Notification of Application Filed by California Water Service to Increase Rates in 2023-2025 for the Bay Area Region (Application No. A.21-07-002)**

**Why am I receiving this notice?**

On July 1, 2021, California Water Service (Cal Water) filed its 2021 Infrastructure Improvement Plan, also known as a General Rate Case (GRC), Application (A.21-07-002) with the California Public Utilities Commission (CPUC). As part of the application, Cal Water is requesting to increase rates to fund needed infrastructure improvements, water system maintenance, water quality initiatives, safety measures, business operations, and to keep pace with inflation. If the CPUC approves the application, forecasted costs will be recovered over a three-year period, beginning in January 2023, which will affect your water bill.

**Why is Cal Water requesting this?**

- Cal Water is required to file a GRC every three years to ensure water rates accurately reflect the costs of providing safe, reliable water service.
- This multi-year plan enables the utility to make infrastructure improvements to keep the water system reliable for customers and firefighters, protect customers from known and emerging contaminants, and expand water supplies to ensure they are sustainable.
- Some of the key projects Cal Water proposes in this cycle include: replacing more than 12 miles of water main, developing new water supplies, and installing new pumps, meters, and valves.

**How could this affect my water bill?**

If Cal Water's proposal is approved by the CPUC, beginning in 2023, the average residential bill in the Bay Area Region (with a 5/8"x3/4" meter and using 5,236 gallons, or 7 Ccf, per month) would decrease by approximately \$4.55, or 7.3%, per month. These numbers do not include temporary surcharges and credits.

Average Residential Customer Bill Change

Residential Customer	Current Bill	Proposed 2023 Bill Change	Proposed 2024 Bill Change	Proposed 2025 Bill Change
7 Ccf (5,236 gallons)	\$62.38	-\$4.55 -7.3%	\$2.17 3.8%	\$2.13 3.5%

These adjustments to rates would allow for regional revenue increases of \$14,531,566 in 2023, \$4,319,626 in 2024, and \$4,266,293 in 2025, which will offset the additional expense of needed infrastructure improvements, water system maintenance, water quality initiatives, safety measures, business operations, and to keep pace with inflation.

Proposed Revenue Request by Customer Type\*\*

Type of Service Provided	Current Revenue Requirement	Proposed 2023 Revenue Increase	Proposed 2024 Revenue Increase	Proposed 2025 Revenue Increase
Residential Metered Service	\$48,250,998	\$10,625,784 22%	\$2,280,601 4%	\$2,240,705 4%
Nonresidential Metered Service*	\$43,430,673	\$3,592,103 8%	\$1,970,392 4%	\$1,950,110 4%

\*Nonresidential Metered Service applies to all customer classes that are not residential (such as business, multi-family, and public authority customers) and do not have a separate tariff. \*\*The sum of residential and nonresidential revenues will not equal total revenue due to other revenue sources such as construction meter charges, fire protection services, and recycled water.

**How does the rest of this process work?**

This application will be assigned to a CPUC Administrative Law Judge who will consider proposals and evidence presented during the formal hearing process. The Administrative Law Judge will issue a proposed decision that may adopt Cal Water's application, modify it, or deny it. Any CPUC Commissioner may sponsor an alternate decision with a different outcome. The proposed decision, and any alternate decisions, will be discussed and voted upon by the CPUC Commissioners at a public CPUC Voting Meeting.

Parties to the proceeding are currently reviewing Cal Water's application, including the Public Advocates Office, which is an independent consumer advocate within the CPUC that represents customers to obtain the lowest possible rate for service consistent with reliable and safe service levels. For more information regarding the Public Advocates Office, please call (415) 703-1584, email [PublicAdvocatesOffice@cpuc.ca.gov](mailto:PublicAdvocatesOffice@cpuc.ca.gov), or visit [PublicAdvocates.cpuc.ca.gov](http://PublicAdvocates.cpuc.ca.gov).
