RE: File Numbers 130914, 130915, 130917, 130918, 130921, 130922, 130923, 130924, 130925, 130928, 130929, 130930, 130932, 130934, 130935, and 130936: Various amendments to Memoranda of Understanding (MOU) to change the City's contribution on medical premiums effective January 1, 2015

Dear Ms. Calvillo,

In accordance with Ordinance 92-94, I am submitting a cost analysis of 16 amendments to MOUs between the City and County of San Francisco and various employee unions, see Attachment A for a detailed listing of affected groups. The amendments apply to MOUs for the period commencing July 1, 2012 through June 30, 2014, effecting 6,509 authorized positions with a salary base of approximately \$800.5 million and an overall pay and benefits base of approximately \$1,149.0 million.

Our analysis finds that from FY 2014-15 through FY 2015-16 the amendments to the MOUs result in increased costs to the City of approximately \$0.9 million in FY 2014-15 and \$1.6 million in FY 2015-16. These costs are exclusively the result of an increase to the employer share of costs for health plan premiums. The changes to employer share of costs are intended to stabilize plan membership in order to preserve competition in rate setting amongst insurers, resulting in savings to net employee and employer health contributions beginning in 2016.

In addition to the costs listed above and detailed in Attachment A, a provision in the recently approved MOU with the San Francisco Police Officer's Association (POA) extends the increase in employer share of health premium costs to POA members at a savings of approximately \$17,000 in FY 2014-15 and \$250,000 in FY 2015-16.

Note that all of the amended MOUs conclude June 30, 2014, six months before the rates become effective. However, they include language indicating that the parties agree to not negotiate on the rates during the next round of contract negotiations. Also, in order to convert health plan costs which are calculated on a calendar year basis to fiscal year costs our analysis assumes that the rate structure for calendar year 2016 remains consistent with the rates agreed on for 2015 in the current amendments.

To develop costs our analysis uses Health Service System (HSS) projected rate amounts for 2014 – 2016 and HSS enrollment numbers for calendar year 2013. Our analysis does not include changes in enrollment number as a result of migration, separation, or new hires.

If you have additional questions or concerns please contact me at 554-7500 or Drew Murrell of my staff at 554-7647.

Sincerely,

1) MEDICALLY SINGLE EMPLOYEES

316. Effective January 1, 2014, for "medically single employees" (Employee Only) enrolled in any plan other than the highest cost plan, the City shall contribute ninety percent (90%) of the "medically single employee" (Employee Only) premium for the plan in which the employee is enrolled; provided, however, that the City's premium contribution will not fall below the lesser of: (a) the "average contribution" as determined by the Health Service Board pursuant to Charter Sections A8.423 and A8.428(b)(2); or (b), if the premium is less than the "average contribution", one hundred percent (100%) of the premium.

317. For the period January 1, 2014 through December 31, 2014 only, for "medically single employees" (Employee Only) who elect to enroll in the highest cost plan, the City shall contribute ninety percent (90%) of the premium for the second highest cost plan, plus fifty percent (50%) of the difference between: (a) ninety percent (90%) of the premium for the second highest cost plan; and (b) one hundred percent (100%) of the premium for the highest cost plan. Thereafter, **for bargaining units 5, 10, and 41 only**, the City shall contribute 90% of the premium for the second highest cost plan for such employees.

~~318. The provisions in paragraphs 316 and 317 above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.~~

2) **DEPENDENT HEALTH CARE PICK-UP**

318a. Effective January 1, 2014, for Dependent Coverage (Employee Plus One; Employee Plus Two More), the City shall contribute the greater amount of up to \$225 per month or 75% of the dependent rate charged by the City to employees for Kaiser coverage at the dependent plus two level, **except as provided below.**

c. **Health Coverage Effective January 1, 2015 (for all bargaining units except units 5, 10, and 41)**

318b. Effective January 1, 2015, for all bargaining units except units 5, 10, and 41, the contribution model for employee health insurance premiums will be based on the City's contribution of a percentage of those premiums and the employee's payment of the balance (Percentage-Based Contribution Model), as described below:

1) **Employee Only:**

318c. For medically single employees (Employee Only) who enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Only premium of the second-highest-cost plan.

2) **Employee Plus One:**

318d. For employees with one dependent who elect to enroll in any health plan offered through the Health Services System, the City shall contribute ninety-three percent (93%) of the total health insurance premium, provided however, that the City's contribution shall be capped at ninety-three percent (93%) of the Employee Plus One premium of the second-highest-cost plan.

3) **Employee Plus Two or More:**

~~struck out~~ = removed language

318e.

For employees with two or more dependents who elect to enroll in any health plan offered through the Health Services System, the City shall contribute eighty-three percent (83%) of the total health insurance premium, provided however, that the City's contribution shall be capped at eighty-three percent (83%) of the Employee Plus Two or More premium of the second-highest-cost plan.

4) Contribution Cap

318f.

In the event HSS eliminates access to the current highest cost plan for active employees, the City contribution under this agreement for the remaining two plans shall not be affected.

5) Average Contribution Amount

318g.

For purposes of this agreement, and any resulting agreements under paragraph 318i, to ensure that all employees enrolled in health insurance through the City's Health Services System (HSS) are making premium contributions under the Percentage-Based Contribution Model, and therefore have a stake in controlling the long term growth in health insurance costs, it is agreed that, to the extent the City's health insurance premium contribution under the Percentage-Based Contribution Model is less than the "average contribution," as established under Charter section A8.428(b), then, in addition to the City's contribution, payments toward the balance of the health insurance premium under the Percentage-Based Contribution Model shall be deemed to apply to the annual "average contribution." The parties intend that the City's contribution toward employee health insurance premiums will not exceed the amount established under the Percentage-Based Contribution Model.

d. Medically Single Employees Outside of Health Coverage Areas

318h.

*The provisions in paragraphs 316, ~~and 317,~~ and 318c above shall not apply to "medically single employees" (Employee Only) who are permanently assigned by the City to work in areas outside the health coverage areas of Kaiser and Blue Shield for the term of this Agreement. For such "medically single employees" (Employee Only), the City shall continue to contribute one hundred percent (100%) of the premium for the employees' own health care benefit coverage.*

e. Agreement Not to Renegotiate Contributions in 2014

318i.

The terms described in paragraphs 318b through 318g above will be effective in calendar year 2015, and the parties agree not to seek to modify this

agreement through the term of any MOU entered into prior to, or in the spring of, 2014.

f. Other Terms Negotiable

318j. While the parties have agreed in paragraph 318i not to negotiate any changes to the Percentage-Based Contribution Model, the parties are free to make economic proposals to address any alleged impact of the health contribution levels described above or other health related issues not involving the percentage-based contribution model (e.g. wellness and transparency).

g. Other Agreements

318k. Should the City and any recognized bargaining unit reach a voluntarily bargained agreement that results in City contributions to health insurance premiums exceeding those provided by the Percentage-Based Contribution Model, the City agrees to offer the entire alternate model to the Union as a substitute.
