The initial submission was approximately UR: \$678,665 + DR: \$436,921 = \$1,115,586. Note that the DR figure included \$50K for Wiley so when you shift that to UR as the renamed Friends Initiative that breakdown would have been ~ UR: \$728,665 & DR: \$386,921 = \$1,115,586.
Var FY25 to FY24	\$76,640	-\$26,664	\$49,976	MS 2.14.24: Per FOL --> Wiley is now UR and title Friends Innovation. The \$97,415 increase includes the Friends Innovation. If you back that out, the net UR variance b/w FY25 and FY24 is \$47,415. Those increases are for Grants to Branches given that some sites do not have DR funds; Connected Communities, STEM programming, Effie Lee Morris. Please see the pivot table for figure details.

Dear Librarian Lambert,

On behalf of our Board of Directors, I am pleased to inform you that Friends of the San Francisco Public Library has approved funding for the requests you submitted for Fiscal Year 2024-2025.

Included in this total is **\$1,080,375** in direct funding for programs and services throughout the system as requested by the City Librarian and his staff based on community needs.

We are pleased to approve **\$661,190** in unrestricted support to programs and resources for the Main Library, the neighborhood branches, system-wide programming from the Community Programs and Partnerships, Children and Youth programs, and Special Initiatives.

In addition to the unrestricted funds articulated above, an additional **\$419,185** will be available through restriction-designated funds which Friends holds in trust for your use to augment all areas above. Please recall that we are asking for quarterly estimates for use of these funds to enable us to calculate our cash flow needs.

Funds granted in this cycle have become available at the beginning of the new fiscal year, beginning July 1, 2024. We appreciate the assessment and reporting done by you and your staff during the course of the past year to measure and reflect their impact, both on the library and the community which it serves. This information helps Friends seek additional funding of these programs, and also gives our Board and donors a clear and compelling picture of the effects of their generosity.

We look forward to Friends being acknowledged on all materials developed through our funding as well as at programs in the libraries and to continue to receive any evaluations or other measures of the programs. Thank you for this opportunity to support San Francisco Public Library—the City's greatest public shared asset. We look forward to an exciting year!

San Francisco, CA 94107

Dear Carrie,

Thank you for your invitation to submit the San Francisco Public Library's grant proposals for Fiscal Year 25. These proposals have been developed based on the Library's Strategic Priorities and citywide goals and were also aligned to Friends of San Francisco Public Library's four funding priorities:

- Children & Youth
- Lifelong Learning
- Arts & Culture
- Library Excellence and Innovation

The request will allow us to begin moving forward on the first steps of our newly created Strategic Plan that sets on a 6-year course for greater community engagement. This funding allows for enrichment of programs and services for all ages, support for multilingual community outreach, as well as for innovative cultural and workforce development programming. The grants to branches will support open house events and programming that fosters intergenerational learning and shared experiences for these neighborhoods. The FY 25 grant request also advances the Library's vision for dynamic professional development opportunities for staff and for the library leadership team, and for building on our racial diversity, equity and inclusion efforts.

The Library is extremely grateful for Friends' annual robust support. This year, we have increased our annual request to **\$1,080,375** which is split between donor-restricted and traditionally funded accounts. With your support, San Francisco Public Library is poised for a transformative year that will showcase new innovations and strategies that support library services for all in our vibrant City.

Sincerely,

Michael Lambert
