Curriculum Vitae, February 2017

CAREER (In San Francisco since 1989)

Principal and Founder, ELEVATIONarchitects, 1995 - present

ELEVATIONarchitects (EA) is a small architecture firm that specializes in residential, commercial, historic and non-profit projects throughout the San Francisco Bay Area with a primary focus in the San Francisco Bay Area. Our current work includes the recently completed renovation and rehabilitation of the Hibernia Bank Building (San Francisco Landmark 130) and the renovation and adaptive reuse of the Alexandria Theater on Geary Boulevard.

Founder, Director, The AIDS/HIV Life Center 1990-98

I worked with the minister of Trinity United Methodist Church which had burned down in 1981 to create a community services building for people with AIDS and HIV at 2099 Market Street, at the corner of 16th and Noe Streets in San Francisco. Although our efforts to build a new building did not come to fruition, we succeeded in securing all of the entitlements for the project, worked with many AIDS service organizations and helped foster new organizations including Under One Roof, the Life Conference Center and Positive Resource. In addition, under the auspices of the AIDS/HIV Life Center, Jonathan managed the renovation of the Bank of America building at 400 Castro Street at Market for the AIDS Health Project. His role included: grant writing (Community Development Block Grant), Board relations, staff and office management and architect for agency facility improvements.

Senior Designer, RMW Architects, 1989-91

As a staff member of RMW Architects, I was the Project Designer responsible for the renovation design of Temple Emanuel and the entry portico to the California Academy of Sciences in Golden Gate Park. For the Temple project, we worked with original linen drawings by the firm of Bakewell and Brown, the architects of San Francisco City Hall, with Bernard Maybeck, who acted as a design consultant. We derived much of the interior design directly from Maybeck's plaster designs that had never been executed.
