7 Proceeding, that are all on file with Clerk of the Board of Supervisors in File No. 220649; and

8 WHEREAS, The Board of Supervisors has caused ballots to be mailed to the record  
9 owner of each business proposed to be assessed within the District, as required by law; and

10 WHEREAS, A Proposed Boundaries Map was submitted to the Clerk of the Board of  
11 Supervisors pursuant to California Streets and Highways Code, Section 3110 on May 24,  
12 2022; and

13 WHEREAS, The Tourism Improvement District Management District Plan dated May  
14 10, 2022, was updated on June 30, 2022, to reflect the updated method for more accurately

16 otherwise changing the method of assessments or the services that will be provided in the  
17 District, and a copy of the updated management plan is on file with the Clerk of the Board of

8 with the Office of the San Francisco Treasurer and Tax Collector tabulated the assessment

10 assessments, and the Clerk of the Board determined that a majority of the ballots cast  
11 (weighted according to the proportional financial obligations of the business) by the owners of  
12 record of the businesses located within the proposed District did not oppose establishing the  
13 proposed District; and

14           WHEREAS, The public interest, convenience and necessity require the renewal and  
15 expansion of the proposed (renewed and expanded) Tourism Improvement District; and

16           WHEREAS, In the opinion of the Board of Supervisors, the businesses within the  
17 District will be specially benefited by the improvements, services and activities funded by the

7 File No. 220649, which is hereby declared to be a part of this Resolution as if set forth fully  
8 herein.

9 **Section 2. FINDING OF NO MAJORITY PROTEST.** The Board of Supervisors  
10 hereby finds that a majority protest does not exist as defined in Section 4(e) of Article XIID of  
11 the California Constitution and Section 53753 of the California Government Code with respect  
12 to the renewal and expansion of the Tourism Improvement District. All objections or protests  
13 both written and oral, are hereby duly overruled.

14 **Section 3. ESTABLISHMENT OF DISTRICT.** Pursuant to the 1994 Act and Article  
15 15, the renewed and expanded business-based business improvement district designated as  
16 the "Tourism Improvement District" is hereby established.

17 **Section 4. DESCRIPTION OF DISTRICT.**

18 The exterior boundaries of the Tourism Improvement District, and the zones within the  
19 District (“Zones”), are set forth in the map contained in the Management District Plan and  
20 incorporated herein by reference. The exterior boundaries of the District, and the Zones within  
21 the District, as described as follows:

- 22 • The District includes all tourist hotels and short-term residential rentals generating  
23 revenue from tourist rooms that operate in the City and County of San Francisco  
24 during the term of the District, and so the exterior boundaries of the District are the  
25

1 same as the contiguous boundary of the municipal corporation City and County of  
2 San Francisco.

- 3 • These tourist hotels and short-term residential rentals are divided into two zones,  
4 Zone 1 and Zone 2:

- 5 -- Zone 1 includes all tourist hotels and short-term residential rentals with  
6 addresses on or east of Van Ness Avenue, on or east of South Van Ness  
7 Avenue, and on or north of 16<sup>th</sup> Street from South Van Ness to the Bay,  
8 including all tourist hotels and short-term residential rentals east of Van Ness  
9 Avenue as if it continued north to the Bay, and north of 16<sup>th</sup> Street as if it  
10 continued east to the Bay.

- 11 -- Zone 2 includes all tourist hotels and short-term residential rentals with  
12 addresses west of Van Ness Avenue and South Van Ness Avenue, and south  
13 of 16th Street.

14 Reference should be made to the detailed maps and the lists of parcels identified by  
15 business name, business account number, location identification number, and street address  
16 that are contained in the June 2022, Management District Plan, in order to determine which  
17 hotel and short-term residential rental businesses are included in the District.

18 **Section 5. FINDING OF BENEFIT.** The Board of Supervisors hereby finds that the  
19 businesses within the District will be benefited by the improvements and activities funded by  
20 the assessments proposed to be levied.

21 **Section 6. SYSTEM OF ASSESSMENTS.** (a) Annual assessments will be levied to  
22 pay for the activities to be provided within the District, commencing with January 1, 2024, and  
23 continuing for 15 years, ending December 31, 2038.

24 (b) The annual assessment proposed to be levied and collected for the first year of  
25 the District (calendar year 2024) is \$51,401,000.00. The amount of the annual assessment to

1 be levied and collected for year two through year fifteen (calendar year 2025 through calendar  
2 year 2038) may increase or decrease annually according to the gross revenue from tourist  
3 rooms and if a supermajority of TID Board approves increasing assessment rates. The total  
4 maximum assessment that could be collected for years one through fifteen of the district  
5 based on initial rates is \$1,633,151,000.00. The total maximum assessment that could be  
6 collected for years one through fifteen of the district based on increased rates is  
7 \$2,749,146,000.00. Nonpayment and delinquent payment of assessments shall result in  
8 penalties and interest and shall be subject to enforcement procedures as set forth in Article 6

# MEMORANDUM

**TO:** Supervisor Aaron Peskin, District 3 Supervisor

**CC:** San Francisco Board of Supervisors

**FROM:** Chris Corgas; Program Director, OEWD

**DATE:** July 19, 2022

**SUBJECT:** Proposed Tourism Improvement District Renewal and Expansion

Dear Supervisor Peskin,

Enclosed for your review and legislative submittal are materials related to the proposed renewal and expansion of the San Francisco Tourism Improvement District (TID), those materials include:

- Resolution to Establish (Renew and Expand) the TID
- TID Management District Plan – updated June 30, 2022

The management plan was updated on June 30, 2022 to reflect an updated method to more accurately identify short-term residential rental businesses that are subject to the assessment. This update does not change the method of assessments or services that will be provided to the renewed and expanded TID.

Specifically, instead of using an Office of Short Term Rentals registration number to identify a short-term residential rental business, the business account number (BAN), location identification number (LIN), and street address from public data through the Office of the Treasurer and Tax Collector will be used to identify those businesses in the Management District Plan. This better ensures that all short-term rentals, regardless if they are registered with the Office of Short Term Rentals or not, who collect and remit the transient occupancy tax (TOT) and subject to the TID assessment will be charged the assessment.

If you should have any questions regarding the materials enclosed or the renewal process please do not hesitate to contact me. I look forward to the introduction of the Resolution on Tuesday July 19, 2022.

## San Francisco Tourism Improvement District

### Introduction and Background

In 2008, the San Francisco hotel community and the Board of Supervisors approved the San Francisco Tourism Improvement District (*TID* or the *District*), which authorized an assessment on tourist hotel room revenue. TID revenue provided a dedicated source of funds to provide specific benefits to hotels paying the assessment. TID funds generated additional room nights and increased income for hotels by funding promotion of the City and County of San Francisco (*City*) as a meeting and tourism destination.

In the years since, increased sales, marketing, and promotion have helped transform San Francisco's hotel room market into one of the healthiest in the country as measured by increases in average daily room rates (*ADR*) between 2009 and 2018 among the top 25 destinations.<sup>1</sup>

In addition, the TID assessment also raised funds for the renovation of the Moscone Convention Center, and for exploration of its potential expansion. A separate business improvement district, the Moscone Expansion District (*MED*), was approved in 2012 to fund a major expansion of the Convention Center. Using those funds, as well as monies contributed by the City, the TID, industry stakeholders and City agencies formed a public/private partnership and successfully completed a \$56 million renovation of the Moscone Convention Center, a major generator of hotel room demand, and later, using funds generated by the MED, a \$500 million expansion. Both projects were completed on time and on budget.

Travel and tourism is San Francisco's largest industry, generating more than \$9 billion in annual economic impact<sup>2</sup>. The hotel industry is a significant employment sector in the City and it relies on a robust travel and tourism industry for its survival. San Francisco vies for tourist and convention business with cities around the world.

Implementation of the TID has allowed San Francisco to compete effectively for convention and tourism business. TID funds support a variety of services, with a particular focus on sales, marketing, and promotional programs designed to generate overnight stays and visitor spending, and personnel and administration to implement these programs. The TID governing board has the legal responsibility for ensuring that TID assessment funds are spent consistent with the requirements of this management plan. The TID contracts with the San Francisco Travel Association (*San Francisco Travel*) to implement these services. All of these efforts are designed to provide specific economic benefits to hotels that pay the TID assessment.

<sup>2</sup> 2018 San Francisco City/County Travel Spending report, SF Travel, Tourism Economics, Longwood International, Destination Analysts, STR

These efforts help maintain and grow San Francisco’s hotel room market for the future. Without them, the City faces the loss of market share for tourism (*i.e.*, leisure travel), conventions, meetings, and events.

The current TID expires on December 31, 2023. This renewal, if approved, will extend the TID for a period of fifteen years (*Renewed Term*), beginning on January 1, 2024 or the effective date of the renewed TID assessment proposed in this Management Plan, if later (*Commencement Date*). The renewal will also expand the scope of the TID to include short-term residential rentals, which will benefit from the TID activities and therefore would be subject to the TID assessment.

### **Experienced Leadership**

Following establishment of the renewed District, the programs and activities funded by the TID will continue to be managed by an experienced team that includes representatives from the San Francisco hotel and short-term residential rental communities, the City and County of San Francisco, and San Francisco Travel. The majority of this team collaborated to create the San Francisco Tourism Improvement District in 2008.

An advisory committee has provided industry input into the TID renewal process. It includes representatives from the San Francisco Travel Board of Directors, the Hotel Council of San Francisco, and the local hotel and short-term residential rentals industries.

### **Why Invest in Destination Marketing?**

According to Oxford Economics<sup>3</sup>, “the visitor economy warrants investments in destination promotion:”

- As incomes rise, consumer spending on travel grows at an even faster rate. Employment in the travel economy led growth during the last economic recovery.
- Hospitality and tourism outperformed the aggregate of all other export sectors during the period studied, with employment expanding nearly 10% while all other sectors shrank 1%.
- As incomes rise and globalization continues, U.S. destinations are poised to continue to capitalize through targeted promotional investments.
- Destination marketing plays an integral and indispensable role in the competitiveness of the visitor economy by pooling resources to provide the scale and marketing infrastructure needed to promote a place to national and international markets. One of the benefits of coordinated marketing facilitated by a Destination Marketing Organization (*DMO*) is the ability to have a stable organization and funding base to support destination marketing. As a result, DMOs

---

<sup>3</sup> Destination Promotion: An Engine of Economic Development, Oxford Economics for Destinations International, 2014

are able to efficiently leverage the brand, infrastructure, and relationships that have been built over time. No one business, no matter how large, can achieve the combined global and domestic reach needed to compete in an increasingly crowded field of attractive destinations.

- The study further states that the diversity and quality of the U.S. product, both for leisure and meetings travel markets, positions U.S. destinations to drive further growth through targeted sales, marketing, and promotional investments such as the programs and activities funded by this assessment and developed and implemented by San Francisco Travel.

Destination promotion also provides the scope and strategic vision that support a wide array of individual businesses. Any single business may not capture sufficient share of a visitor's spending to justify marketing to attract visitors to a destination, or the business may have to market itself narrowly. For example, an individual hotel could market the attractiveness of a destination, but it would only benefit from those additional visitors who not only choose the destination but who also choose that particular hotel. Likewise, a person who operates a short-term rental may invest in marketing a specific unit, but acting alone that person may lack the incentive or resources to market the City as a destination. In other words, at the level of an individual business, the returns on an investment in marketing to attract visitors to a destination can be less compelling. However, when viewed at the level of all of the businesses in the destination that pay the assessment, investment in effective, focused destination marketing results in strong economic benefits that are specific to tourist hotels and short-term residential rentals.

DMOs such as San Francisco Travel also play a role in furthering the strategic potential of the visitor economy. DMOs can take a long-term view of the development of the destination, and pursue tactics to help develop a local visitor economy that will provide long-term benefits to tourist hotels and short-term residential rentals.

In summary, destination promotion helps expand the visitor economies in ways that are consistent with local priorities, building the types of opportunities that are a critical part of economic development.

## Overview

The San Francisco Tourism Improvement District is an assessment district that provides specific benefits to hotels that pay the assessment by funding sales, marketing, and promotional efforts on their behalf. The TID was formed in 2008 and is set to expire at the end of 2023. The member businesses now wish to extend the TID for an additional 15 years, beginning January 1, 2024, and to expand the TID to also include short-term residential rentals. The table below summarizes key aspects of the renewed TID.

<i>Location:</i>	The renewed TID will include all tourist hotels and short-term residential rentals (collectively, “ <i>tourist rooms</i> ”) in the City and County of San Francisco. The District is divided into two geographic areas ( <i>Zones</i> ). Businesses in Zone 1 are generally located closer to the heart of San Francisco’s principal meetings, tourism, and transportation infrastructure, and pay a higher rate of assessment than businesses in Zone 2.
<i>Services:</i>	The renewed TID will provide specific benefits to tourist hotels and short-term residential rentals by funding targeted sales, marketing, and promotional activities. Those activities are designed to generate additional revenue from increased room nights, rates, and related guest spending at hotels. The TID will continue to contract with San Francisco Travel to provide these services.
<i>Budget:</i>	The annual budget for the first year of the District’s Renewed Term (commencing January 1, 2024) is anticipated to be approximately \$51,401,000. This budget assumes a return to pre-pandemic levels of activity. The budget will fluctuate year-to-year based on assessment collections, which are dependent on room sales, room rates, and occupancy.
<i>Cost:</i>	The assessment rate will be 1.25% of gross revenue for tourist rooms in Zone 1, and to 1% in Zone 2. The TID Board of Directors, acting by supermajority, will have the authority to raise assessment rates by not more than 1% if additional funds are needed to meet unforeseen or critical needs and costs of business attraction and retention.
<i>Duration:</i>	The renewed District will begin imposing assessments on gross revenue from tourist rooms beginning January 1, 2024, or the effective date of the renewed TID assessment proposed in this Management Plan, if later. The term of the renewed District will be 15 years after the Commencement Date.

<i>Management:</i>	The City and County of San Francisco will contract with the existing TID owners’ association, the non-profit San Francisco Tourism Improvement District Management Corporation, which in turn will contract with San Francisco Travel Association to provide the day-to-day operations and carry out the services as provided for in this Management District Plan. A majority of the TID Board of Directors shall consist of representatives of hotels that pay the TID assessment. The TID Board shall also include a representative of short-term residential rental businesses.
--------------------	---

**Name of the District**

The District shall continue to be known as the San Francisco Tourism Improvement District.

**Purpose of the District**

The District will provide specific benefits to businesses operating tourist hotels and short-term residential rentals by funding (i) sales, marketing, and promotional activities; (ii) special industry events designed to attract leisure travelers, conventions, meetings and events; (iii) a buy-down fund to help attract and provide support for qualifying events at the Moscone Convention Center; (iv) staffing, administration and oversight of these programs; and (v) related administrative costs for the TID, and the establishment and maintenance of adequate contingency and reserve funds for the TID and San Francisco Travel.

**Specific Benefits to Hotels and Short-term Residential Rentals**

Aggressive, targeted destination promotion will benefit businesses that derive revenue from tourist rooms by generating additional revenue from increased room nights, higher rates, and from related guest spending at hotels. These benefits are specific to the assessed businesses, and do not accrue to those not charged. Industry studies demonstrate that healthy tourism and convention business in markets competitive with San Francisco generates growth in hotel “RevPAR” (revenue per available room). Studies indicate that increased tourism and convention attendance arising from aggressive destination promotion, combined with the targeted sales and marketing expenditures designed to maximize lodging performance, will generate increased hotel and short-term residential rental demand, with a positive impact on RevPAR via higher occupancy rates and average daily room rates.<sup>4</sup> In other words, the assessed businesses receive the benefit of higher yields, derived through the practice of driving demand and maximizing revenue. Studies also indicate that in addition to increased occupancy and room rates, hotels in the District (which are located predominantly in Zone 1) will also derive increased revenues from their ancillary facilities, such as hotel restaurants, bars, meeting space, and spas.<sup>5</sup> Further, the aggressive sales, marketing, and promotion programs funded by the assessment, leading to growth in RevPAR, likely contribute in increases in hotel values. The services are targeted towards hotels and short-term residential

rentals that operate tourist rooms, and are not provided to businesses that do not pay the assessment.

All expenditures will be subject to a rigorous annual budgeting process, subject to approval of the TID Board and to annual audit, all designed to ensure that costs incurred in providing the services are reasonable in light of the benefits conferred, and do not exceed the reasonable costs incurred by the City of providing the services or conferring the benefits.

### **Assessed Businesses; Zones; Boundaries of the District**

This will be a business-based district, which will include all tourist hotels and short-term residential rentals operating in the City & County of San Francisco, and which are located in the following geographic areas:

Zone 1: Tourist hotels and short-term residential rentals with addresses:

- On or east of Van Ness Avenue
- On or east of South Van Ness Avenue, and
- On or north of 16<sup>th</sup> Street from South Van Ness to the Bay, including all tourist hotels and short-term residential rentals east of Van Ness Avenue as if it continued north to the Bay, and north of 16<sup>th</sup> Street as if it continued east to the Bay.

Zone 2: Tourist hotels and short-term residential rentals with addresses:

- West of Van Ness Avenue and South Van Ness Avenue, and
- South of 16<sup>th</sup> Street.

Because they will derive specific benefits from the activities funded by the District, and because this is a business-based district, all tourist hotels and short-term residential rentals that operate in San Francisco (*i.e.*, “tourist rooms”) at any time during the Renewed Term, including new hotels and short-term residential rentals, will be subject to the assessment.

Hotels and short-term residential rentals in Zone 1 will pay a higher assessment than hotels and short-term residential rentals in Zone 2 because it is expected that assessed businesses in Zone 1 will benefit from a greater positive impact on RevPar. Tourist rooms in Zone 1 are located closer to the majority of the City’s tourism and transportation infrastructure, including Moscone Center, Chase Center, BART, cable cars, Union Square, Fisherman’s Wharf, the Embarcadero and Chinatown. Proportional benefits will also accrue to assessed businesses in Zone 2, directly and via “compression,” *i.e.*, when large convention groups fill tourist rooms in Zone 1 (increasing their occupancy and average daily rate), the data generally show that bookings are also pushed into Zone 2 (increasing occupancy and average daily rate at those hotels and short-term rentals). In sum, hotels and short-term residential rentals in both zones will receive these benefits, but businesses in Zone 1 will pay a slightly higher assessment because they are expected to receive a relatively greater economic benefit as compared to those in Zone 2. This differential provides the basis for structuring two levels of assessment.

A map of the District and a list of existing tourist hotels and short-term residential rentals (with the latter identified by registration number of each short-term rental) within the District are set forth in the Management District Plan. Each year SFTIDMC will work with the City to update the list of tourist hotels and short-term residential rentals to ensure the list is accurate and that all businesses with tourist rooms in the City are properly assessed.

# Proposed Annual Operating Budget, including Activities and Categories of Expenditures

The projected budget for the first twelve months of the Renewed Term is set forth below.<sup>6</sup> The share of TID funds allocated to the “Moscone Center Buy-Down Fund” will remain constant throughout the Renewed Term at 0.25% of net assessment revenue. Similarly, TID funds allocated to the service categories set forth in the table below (“*Service Categories*”), other than the Moscone Center Buy-Down Fund, will continue to be allocated throughout the Renewed Term in the same proportions as in the Year 1 budget. However, if the SFTIDMC Board of Directors were to approve any increases in assessment rates,<sup>7</sup> the Board may allocate TID funds attributable to any such increases among one or more of the Service Categories in proportions that differ from the Year 1 budget. For example, if the Board approves an increase in assessment rates to 2.25% in Zone 1 and 2% in Zone 2 in Year 5 of the Renewed Term, (a) TID funds attributable to the original portion of the new rates (1.25% in Zone 1 and 1% in Zone 2), would be allocated among the Service Categories in the same proportions set forth in the Year 1 budget, and (b) TID funds attributable to the increased portion of the new rates (the additional 1% in Zone 1 and .75% in Zone 2) could be allocated among one or more of the Service Categories in proportions that differ from the Year 1 budget. Actual dollars budgeted in any year of the Renewed Term will fluctuate depending on available funds. Each year’s budget will be outlined in annual reports prepared by SFTIDMC and submitted to the Board of Supervisors as required by applicable law.

<sup>6</sup> The District’s fiscal year runs from July 1 – June 30. This budget is based on a projection for the first twelve months of the Renewed Term of the District, which if it starts effective January 1, 2024, would include the last six months of FY 2023/24 and the first six months of FY 2024/25. The actual funds available will depend on assessment collections, which may vary from this projection. The categories of expenditures, however, including the proportionate share of the 2024 budget allocated to each category, shall be as presented here. If the Commencement Date of the renewed District is later than January 1, 2024, the first year’s budget shall apply to the 12-month period following the Commencement Date. Further, due to the time lag between levy of the assessment beginning on January 1, 2024, collection of assessment funds by the City of San Francisco, and disbursement of those funds by the City to the District, there will be an initial delay of several months before assessment funds become available.

<sup>7</sup> A supermajority of the SFTIDMC Board will have the authority to increase assessment rates by no more than an additional 1% in each zone; actual increases, if any, may be less than 1%. See p.12, below.

## Renewal Costs

Up to \$800,000 may be expended on the costs of renewing the District (*Renewal Costs*). These expenses may be funded by assessments collected from either the existing TID or the renewed TID. Renewal Costs are being paid as incurred. In the event that a legal action is filed with respect to the validity of the TID and/or its renewal, or if it is determined that a general election is required for approval of the renewed TID assessment, the TID Board of Directors shall have the authority to increase the amount of TID assessment funds allocated to pay for Renewal Costs, up to 20% of all gross assessment revenue for the first year of the renewed TID. In that event, the TID Board of Directors can authorize that the existing TID can advance funds in excess of the \$800,000 for that purpose. All funds from the existing TID used to pay for Renewal Costs may be reimbursed to the existing TID from the renewed TID.

Renewal Costs include actual costs incurred by the San Francisco Travel Advisory Committee, the San Francisco Tourism Improvement District, San Francisco Travel Association, and by the City and County of San Francisco arising out of or related to the renewal process. Reimbursable Renewal Costs include, for example, (a) costs of preparation of the management district plan required by state law, including reports commissioned or obtained in support of the management district plan, (b) costs of circulating and submitting the petition to the Board of Supervisors seeking establishment of the renewed District, (c) costs of printing, advertising and giving of published, posted or mailed notices, (d) costs of engineering, consulting, legal and other professional services provided in support of renewal of the District, including, for example, project management of the renewal process, contract negotiation and drafting, and the provision of legal advice and representation with respect to renewal of the District, including, for example, analysis of legal issues, review and drafting of documents, and any validation or other legal suits or other proceedings, (e) costs of any and all voting and/or ballot proceedings required by law for approval of the renewal and increase of the assessment, and (f) reimbursement of actual costs incurred by the City Treasurer and Tax Collector, and the City's Department of Elections, all consistent with Section 1511(d) of the San Francisco Business and Tax Regulations Code. The basis for determining the amount of Renewal Costs payable by the TID assessment shall be actual costs incurred.

## Assessment and Assessment Methodology

### Assessment Method - Gross Revenue from Tourist Rooms

Tourist hotels and short-term residential rentals within the District will pay assessments on the basis of the estimated benefit to those hotels and short-term residential rentals. Assessments will be based on gross revenue from tourist rooms using the formula set forth below. During the life of the District, the benefits that will accrue to each assessed business within each zone will correlate directly to the rate of assessments in that zone.

- Zone 1: With respect to gross revenue from tourist hotel rooms and short-term residential rentals generated during the period beginning January 1, 2024, or the effective Commencement Date of the assessment, if later, through the end of the

Renewed Term, which is expected to be December 31, 2038, the assessment shall be 1.25% of gross revenue from tourist rooms.

- Zone 2: With respect to gross revenue from tourist hotel rooms and short-term residential rentals generated during the period beginning January 1, 2024, or the effective Commencement Date of the assessment, if later, through the end of the Renewed Term, which is expected to be December 31, 2038, the assessment shall be 1% of gross revenue from tourist rooms.

Annual revenues generated from assessments will fluctuate over the life of the District based on actual gross revenues from tourist hotel rooms and short-term residential rentals, subject to the maximum assessments set forth in the Management District Plan. Any annual budget surplus or deficit will be rolled into the following year's TID budget.

Also, for clarity, revenue collected from visitors and remitted to the City by tourist hotels or short-term residential rentals (including by a hosting platform on behalf of the short-term residential rentals) for payment of the City's Transient Occupancy Tax or the Moscone Expansion District assessment shall not constitute "Gross revenue from tourist rooms."

The SFTIDMC Board of Directors (*TID Board*) will have the authority to alter the assessment rates, subject to the following: (i) assessment rates shall not be increased by more than 1% in either zone (*i.e.*, a cap of 2.25% in Zone 1 and of 2% in Zone 2), and shall not be reduced below the renewed District's initial rates (*i.e.*, a floor of 1.25% in Zone 1 and 1% in Zone 2); (ii) assessment rates may, but need not be changed in both Zones, but rates in Zone 1 must be at least 0.25% greater than rates in Zone 2; (iii) any changes in assessment rates shall be subject to approval by a supermajority of the TID Board, based on TID Board determination that additional assessment funds are needed to meet unforeseen or critical needs and costs of business attraction and retention for the specific benefit of the assessed business; and (iv) the TID Board must reevaluate annually the basis of a decision to increase assessment rates. "Supermajority" for these purposes means 2/3 of the TID Board, including not less than a majority of the hotel representatives on the TID Board.

### Exemptions

Except as noted below, the exemptions that apply to the San Francisco Transient Occupancy Tax (*TOT*) shall also apply to the TID assessment. As of the effective date of this Plan, those exemptions are set forth in the San Francisco Business and Tax Regulations Code, Article 7, §506(a) – (c). To the extent that the *TOT* exemptions may be modified from time to time, including by any amendments to section 506, those modifications shall also apply to the TID assessment exemptions. Thus, as of the date of this Plan, no TID assessment shall be imposed hereunder:

- a. Upon a permanent resident, currently defined in San Francisco Business and Tax Regulations Code, Article 7, §501(g) as: "Any occupant as of a given date who has or shall have occupied, or has or shall have the right of occupancy, of any guest room in a hotel for at least 30 consecutive days next preceding such date";

- b. Upon a corporation or association having a formally recognized exemption from income taxation pursuant to Section 501(c) or 501(d) or 401(a) of Title 26 of the United States Code as qualified by Sections 502, 503, 504 and 508 of Title 26 of the United States Code; or
- c. Where the rent is less than the rate of \$52 a day or \$130 per week. For multiple occupancy guest rooms where the hotel determines who will share the rooms, this exemption shall be based on the rent charged per person.

In addition, revenue from the lodging of airline crews shall be exempt from the TID assessment.

#### Method of Collecting Assessments

The TID assessment will be collected and enforced by the Treasurer and Tax Collector of the City (*Treasurer and Tax Collector*). The Treasurer and Tax Collector shall transfer assessment payments on a monthly basis to SFTIDMC. Nonpayment and delinquent payment of assessments shall be subject to interest and penalties and the enforcement procedures set forth in Article 6 of the Business and Tax Regulations Code, as it may be amended from time to time. The Treasurer and Tax Collector shall enforce imposition of interest and penalties and collection of assessments pursuant to the 1994 Act, Article 15 and the San Francisco Business and Tax Regulation Code Article 6, as each may be amended from time to time.

SFTIDMC will continue to manage and administer the TID pursuant to a management contract with the City, as approved by the Board of Supervisors. The management contract will also include provisions identifying and defining procedures for collection and enforcement of the assessment, including, for example, hotel and short-term residential rental recordkeeping requirements, audits, assessment of penalties and interest, claims, and refunds. No bonds will be issued to fund the renewed TID.

#### Number of Years Assessments will be Levied

The renewed District will begin imposing assessments on tourist room revenue as of the Commencement Date, and for the 15-year duration of the Renewed Term of the District. Expenditure of collected assessments may continue after expiration of the Renewed Term.

## Maximum Annual Assessment Revenue Projections

Table 2, below (3<sup>rd</sup> column), shows the maximum annual assessment revenues assuming that (a) the initial assessment rates of 1.25% in Zone 1 and 1% in Zone 2 remain constant for the duration of the Renewed Term, and (b) each year during the Renewed Term assessment revenue collections increase by 10% over the prior year.

Table 2 (4<sup>th</sup> column) also shows the maximum annual assessment revenues assuming that (a) a supermajority of the TID Board were to approve an increase in assessment rates to 2.25% in Zone 1 and 2% in Zone 2 beginning in 2025, (b) those increased rates were to remain constant for the duration of the Renewed Term, and (c) each year during the Renewed Term assessment revenue collections increase by 10% over the prior year. *Note that these are projections of maximum annual assessment revenues based on the above assumptions. Actual annual assessment revenues may differ, depending on actual assessment rates, numbers of tourist rooms in San Francisco, and market conditions.*

<sup>8</sup> Projected Assessment revenues based on assessment rates of 1.25% in Zone 1 and 1% in Zone 2, with no increase in rates for remainder of Renewed Term, and 10% annual increase in collections beginning year 2.

<sup>9</sup> Projected Assessment revenues if a supermajority of TID Board were to increase assessment rates in Year 2 to 2.25% in Zone 1 and to 2% in Zone2, and maintain those rates for remainder of Renewed Term. The increase from Year 1 to Year 2 reflects solely an upward adjustment in rates. Each of Years 3 – 15 reflects a 10% annual increase in collections.

## Use of TID Revenue Upon Renewal

Any assessment revenues from the original TID that are attributable to occupancy of tourist rooms prior to the Commencement Date, and revenues derived from the sale of assets acquired with those remaining revenues, shall be transferred to the renewed district. As the renewed district includes additional businesses (short-term residential rentals) not included in the TID prior to renewal, the remaining revenues shall be spent to benefit only the businesses included in the TID prior to the Commencement Date of the renewal. These remaining revenues are not subject to the “maximum collections” table in the prior TID Management Plan, and as such would be in addition to the maximum collections set forth in Table 2, above.

## Implementation Timeline

### Approval of Renewal of the District

Renewal of the District for an additional 15-year term requires submission to the San Francisco Board of Supervisors of written petitions signed by the owners of tourist hotels and short-term residential rentals in the District that, in the aggregate, will pay more than 30% of the assessments proposed to be levied. After submission of those petitions, the San Francisco Board of Supervisors may approve a Resolution of Intention to renew the District and to levy the assessments for the 15 years of the Renewed Term.

If this Resolution of Intention is approved by the Board of Supervisors, the City’s Department of Elections will distribute assessment ballots to all tourist hotels and short-term residential rentals that would be subject to assessment during the Renewed Term of the proposed renewed District. The Board of Supervisors will hold a public hearing 45 days or more after adopting the Resolution of Intention. After close of the public hearing, the returned assessment ballots will be tabulated. The ballots are counted based on a weighted-voting formula, with votes weighted according to each business owner’s (*i.e.*, each tourist hotel and short-term residential rental in the District) estimated assessments in relation to the total estimated assessments proposed to be levied on all business owners in the proposed renewed district. The estimated assessments shall be based on TID assessment collections from tourist hotels during 2019, and an extrapolation from TOT collections from short-term residential rentals during 2019. The weighted vote allocated to tourist hotels that did not exist in 2019, but which exist at the time of the balloting (if any), shall be based on the average TID assessment paid by each tourist hotel in 2019 on a per-room basis. The weighted vote allocated to short-term residential rentals that did not exist in 2019, but which exist at the time of the balloting (if any), shall be based on the average TID assessment that would have been paid by each short-term residential rental had the TID assessment applied to short-term residential rentals in 2019. If and to the extent allowed by law, “Hosting Platforms” may vote on behalf of short-term residential rentals on whose behalf the Hosting Platform provides, collects or receives a fee for “Booking Services.” (“*Hosting Platform*” and “*Booking Services*” are defined in the glossary to this Plan.) If the weighted assessment ballots cast in opposition

exceed the weighted assessment ballots cast in support, there will be a “majority protest” and the Board of Supervisors may not renew the District.

### Disestablishment

If there is no indebtedness incurred to accomplish any of the purposes of the District that is outstanding and unpaid, the District may be disestablished under any of the following circumstances, consistent with California Streets and Highways Code Section 36670 and San Francisco Business and Taxations Code Section 1511:

(1) By a majority vote of six or more members of the Board of Supervisors if they find that there has been a misappropriation of funds, malfeasance, or a violation of law in connection with management of the District;

(2) During the operation of the District, there shall be a 30-day period each year in which assesses may request disestablishment of the District. The first such period shall begin one year after the date of establishment of the renewed District and shall continue for 30 days. The next such 30-day period shall begin two years after the date of the establishment of the renewed District. Each successive year of operation of the district shall have such a 30-day period. Upon the written petition of the owners or authorized representatives of businesses in the District who pay 50 percent (50%) or more of the assessments levied, the Board of Supervisors shall pass a resolution of intention to disestablish the District. The Board of Supervisors shall notice a hearing on disestablishment; or

(3) A supermajority of eight or more members of the Board of Supervisors may initiate disestablishment proceedings for any reason.

All outstanding indebtedness, if any, must be paid prior to disestablishment of the District.

## **Governance of the District**

The District will continue to be managed by the San Francisco Tourism Improvement District Management Corporation, a 501c(6) non-profit corporation, which is currently designated as the “owners’ association” for the District under the terms of California’s Property and Business Improvement District Law of 1994, as amended. The SFTIDMC has been in operation since 2009 and has established policies and procedures to effectively manage the funds and business affairs of the District. SFTIDMC has a contract with the City, under which it has the authority to manage the District and to ensure that the activities described in this Plan are carried out. SFTIDMC and the City will enter into a new, updated contract to cover the Renewed Term. Under an agreement with SFTIDMC, San Francisco Travel currently provides administrative services in support of TID operations, and will continue to provide those services during the Renewed Term. Significant cost savings will be realized by not establishing a new organization to serve as owners’ association for the District.

The SFTIDMC is currently governed by a volunteer, 11-member Board of Directors. The majority of seats on the Board are reserved for representatives of the San Francisco hotel industry. Also, a majority of Board members are present or former directors of San Francisco Travel.

The SFTIDMC Board of Directors shall continue to be governed by a volunteer, 11-member

Board of Directors during the Renewed Term, and shall be structured as follows:

- Six seats will be reserved for representatives of tourist hotels, (i) a majority of which shall be no less senior than hotel general managers, and (ii) at least one of which shall be a representative of a tourist hotel in Zone 2;
- One seat will be reserved for the Chair of San Francisco Travel Association;
- One seat will be reserved for the City Administrator;
- One seat will be reserved for the City Controller;
- One seat will be reserved for a representative of the short-term residential rentals that are subject to the assessment and shall not be a hosting platform; and
- One seat will be reserved for an at-large member of the tourism business community of San Francisco.

A majority of the authorized number of directors shall at all times be individuals who represent businesses that are not delinquent in payment of any TID assessments. Further, a majority of the authorized number of directors shall at all times be individuals who are present or former members of the Board of Directors of San Francisco Travel. Meetings of the SFTIDMC Board are open to the public. Notice is posted on [www.sftid.com](http://www.sftid.com) and at the San Francisco Public Library, Main Branch.

SFTIDMC will provide an advanced copy of its draft budget to the City Administrator and the City Controller, who sit on the SFTIDMC Board of Directors, to allow for feedback on the draft budget before it is submitted for approval of the SFTIDMC Board of Directors. The advanced copy will be provided with meaningful time to be reviewed, as will be stipulated in the administration agreement between SFTIDMC and the City.

In connection with SFTIDMC's retention of San Francisco Travel to provide the services outlined in this management plan during the renewed term, San Francisco Travel is entering into an agreement with the City providing that three unelected representatives of the City, consisting of (i) the Director of the City's Office of Economic and Workforce Development, (ii) the Director of the City's Convention Facilities, and (iii) the General Manager of the Moscone Convention Center, shall have the right to attend and participate in meetings of the San Francisco Travel Board of Directors, without vote. In addition, two unelected representatives of the City shall serve as voting members of the San Francisco Travel Board of Directors in accordance with its bylaws, consisting of (a) a seat currently occupied by the Airport Director of San Francisco International Airport, and (b) a seat reserved for the City Administrator.

With respect to any agreement between SFTIDMC, in its capacity as owners' association for the District, and a third party for the provision of services called for in this management plan (the "*Subcontractor*"), that agreement shall require that the Subcontractor accurately report how all TID assessment funds are spent in accordance with this management plan's service categories. All expenditures made shall be done in accordance with this management plan and will be subject to the administration agreement between SFTIDMC and the City.

## Appendix A – List of Assessed Businesses

All tourist hotels and short-term residential rentals operating in the City and County of San Francisco that generate revenue from tourist rooms shall be included in the TID and assessed throughout the Renewed Term of the TID, as more specifically provided for in this plan. The table set forth below is a list of hotels and short-term residential rentals that generate revenue from tourist rooms and are known at the time of adoption of this plan. Each hotel and short-term residential rental listed is identified by a Business Account Number (*BAN*) and Location Identification Number (*LIN*). Because this is a business-based District, hotels and short-term residential rentals that generate revenue from tourist rooms that open for business within the District after adoption of this plan will also be included in the TID and subject to the assessment. Any short-term residential rental not identified in Appendix A, but which is registered as a host with the City’s Office of Short-Term Residential Rental Administration and Enforcement as of the time of adoption of this Plan or later, including any successor to the City’s Office of Short-Term Residential Rental Administration and Enforcement, and/or which at any time falls within the definition of Short-Term Residential Rental in this plan, shall also be included in the TID and subject to the assessment.

Dear President Walton and Members of the San Francisco Board of Supervisors,

I am writing today on behalf of Noble House Hotels & Resorts to urge you to approve the renewal and expansion of the Tourism Improvement District (TID).

The TID transformed how San Francisco competes against comparable destinations for leisure and business travel. Since the TID went into effect in 2009, the TID generated over \$20 million each year, prior to the pandemic, for San Francisco to market and attract domestic and international travelers. Through the increased sales and promotions attributed to the TID, San Francisco went from being in the mid-range to the top of the leading 25 markets in the United States, bringing in more visitors and economic impact to San Francisco than ever before.

The TID funds the San Francisco Travel Association, which promotes San Francisco for leisure and business travel and books small and large conventions in the city owned Moscone Center. Our small businesses, accommodations, restaurants, attractions, retail establishments, and cultural institutions rely on these leisure and business visitors for their operations. Thanks to the funding from the TID, San Francisco welcomed over 26 million visitors who spent over \$10.2 billion pre-pandemic in our local economy, making tourism San Francisco's number one industry. The travel and tourism industry also supported over 86,000 good jobs and brought in over \$750 million in local taxes supporting essential city services.

The pandemic impacted the tourism and hospitality industry harder than any other sector and our recovery is also lagging any other industry sector in other US markets. Renewal of the TID is imperative on San Francisco's ability to recover, regain our market share and thrive into future years by bringing visitors back from all over the world to enjoy what San Francisco has to offer all while supporting an important local economic and workforce base.

Sincerely,

Stefan Muhle

Dear President Walton and Members of the San Francisco Board of Supervisors:

I am writing today on behalf of The Westin St. Francis and Marriott International to urge you to approve the renewal and expansion of the Tourism Improvement District (TID). The Westin St. Francis employs over 600 associates, many of which have been working here for 25 years and longer. We are so proud of being an integral part of San Francisco for over 118 years.

The TID transformed how San Francisco competes against comparable destinations for leisure and business travel. Since the TID went into effect in 2009, the TID generated over \$20 million each year, prior to the pandemic, for San Francisco to market and attract domestic and international travelers. Through the increased sales and promotions attributed to the TID, San Francisco went from being in the mid-range to the top of the leading 25 markets in the United States, bringing in more visitors and economic impact to San Francisco than ever before.

The TID funds the San Francisco Travel Association, which promotes San Francisco for leisure and business travel and books small and large conventions in the city owned Moscone Center. Our small businesses, accommodations, restaurants, attractions, retail establishments, and cultural institutions rely on these leisure and business visitors for their operations. Thanks to the funding from the TID, San Francisco welcomed over 26 million visitors who spent over \$10.2 billion pre-pandemic in our local economy, making tourism San Francisco's number one industry. The travel and tourism industry also supported over 86,000 good jobs and brought in over \$750 million in local taxes supporting essential city services.

The pandemic impacted the tourism and hospitality industry harder than any other sector and our recovery is also lagging behind any other industry sector in other US markets. Renewal of the TID is imperative on San Francisco's ability to recover, regain our market share and thrive into future years by bringing visitors back from all over the world to enjoy what San Francisco has to offer all while supporting an important local economic and workforce base.

Sincerely,

## Jon Kimball
