APPROVING AMENDMENTS TO THE SAN FRANCISCO PLANNING CODE BY AMENDING ZONING SECTIONAL MAPS SU08 ANDD HT08, MAPPING THE NEW POTRERO HOPE SF SPECIAL USE DISTRICT, AND MAKING VARIOUS FINDINGS, INCLUDING CEQA FINDINGS AND FINDINGS OF CONSISTENCY WITH THE GENERAL PLAN AND PLANNING CODE SECTION 101.1.

WHEREAS, Section 4.105 of the Charter of the City and County of San Francisco provides to the Planning Commission the opportunity to periodically recommend General Plan Amendments to the Board of Supervisors; and

Pursuant to Planning Code Section 302(b), on October 25, 2016, the San Francisco Board of Supervisors initiated Planning Code Map Amendments that would add amend Sectional Map SU08 and Sectional Map HT08 by including the respective Assessor's Block and Lots in the Potrero HOPE SF Special Use District and the 40/65-X Height and Bulk District: 4167/ 004 and 004A; 4220A/ 001; 4222A/, 001; 4285B/ 001, 4223/ 001; and 4287/001A and 007.

The Planning Code Map Amendments would enable the Potrero Hope SF Project. HOPE SF is the nation's first large-scale public housing transformation collaborative aimed at disrupting intergenerational poverty, reducing social isolation, and creating vibrant mixed-income communities without mass displacement of current residents. Launched in 2007, HOPE SF is a twenty-year human and real estate capital commitment by the City. HOPE SF, the City's signature anti-poverty and equity initiative, is committed to breaking intergenerational patterns related to the insidious impacts of trauma

and poverty, and to creating economic and social opportunities for current public housing residents through deep investment in education, economic mobility, health and safety.

The Potrero HOPE SF Master Plan Project ("The Project") is located on the southern and eastern slopes of Potrero Hill and is generally bounded by 22nd Street and the Potrero Recreation Center to the north, Wisconsin Street to the west, 25th and 26th Streets to the South and Texas and Missouri Streets to the east. The San Francisco Housing Authority currently owns and operates 600 units on approximately 38 acres (including streets) site.

The Project includes demolition of all existing units, vacation of portions of the right-of-way that currently cross the site diagonally, and building new streets that would better continue the existing street grid. The site would feature a new "Main Street" along a newly established segment of 24th Street. This new segment of 24th Street would be aligned with commercial and community uses, and parks and open space.

The Project is a mixed use, mixed income development with several components: (1) construction of public infrastructure to support the Project; (2) development of privately owned low-income affordable housing on affordable parcels including Housing Authority replacement units and in accordance with an affordable housing plan; (3) development of private market rate residential projects on market rate parcels; and (4) development of community improvements (e.g. 3.5 acres of open space areas, community facilities) throughout the Project. At completion, the Project would include up to 1,700 units, including low-income affordable housing (a minimum of 774 units including at least 619 Housing Authority replacement units) and market rate units (approximately 800 units). The Project also includes approximately 15,000 gross square feet of retail, and 30,000 gross square feet of community serving uses.

This Resolution approving these Planning Code Map amendments is a companion to other legislative and other approvals relating to the Potrero HOPE SF Project, including General Plan Amendments, Planning Code Text Amendments, the approval of a Development Agreement, the approval of the Potrero Design Standards and Guidelines document, and Shadow Impact Findings pursuant to Planning Code section 295.

This Planning Code Map Amendment would map the newly created Potrero HOPE SF Special Use District, which would provide specific controls for the site regarding land use, and building design controls, largely by referring to a separate Potrero Design Standards and Guidelines document. The Amendments would also designate the subject site within a 40/65-X Height and Bulk District.

On December 10, 2015, the Planning Commission reviewed and considered the Final EIR/EIS for the Potrero HOPE SF Project and found the Final EIR/EIS was adequate, accurate and objective, reflected the independent analysis and judgment of the Department and the Commission, and that the summary of comments and responses contained no significant revisions to the Draft EIR/EIS, and approved the Final EIR/EIS for the Project in compliance with CEQA, the CEQA Guidelines and Chapter 31.

On December 10, 2015, by Motion No. 19529, the Commission certified the Final Environmental Impact Report ("FEIR") as accurate, complete and in compliance with the California Environmental Quality Act ("CEQA"); and

On December 10, 2015, by Motion No. 19530, the Commission adopted findings in connection with its consideration of, among other things, the adoption of amendments to the General Plan and related zoning text and map amendments, under CEQA, the State CEQA Guidelines and Chapter 31 of

the San Francisco Administrative Code and made certain findings in connection therewith, which findings are hereby incorporated herein by this reference as if fully set forth; and

On December 10, 2015, by Motion No. 19531, the Commission adopted findings regarding the Project's consistency with the General Plan and Planning Code Section 101.1; and

A draft ordinance, substantially in the form **attached hereto as Exhibit A**, approved as to form, would amend the Planning Code by addition sections 249.76 and 263.31.

NOW THEREFORE BE IN RESOLVED, That the Planning Commission hereby finds that the Planning Code Map amendments promote the public welfare, convenience and necessity for the following reasons:

1. The Planning Code Map Amendments would help implement the City's HOPE SF Program, thereby addressing intergenerational poverty, social isolation of underserved communities and providing a framework for ongoing community building at the HOPE SF sites.
2. The Planning Code Map Amendments would help implement the City's HOPE SF Program, which in turn will provide employment opportunities for current public housing residents, and provide community facilities, including space for on-site services and programs.
3. The Planning Code Map Amendments would help implement the City's HOPE SF by enabling the creation of a mixed-use predominately residential neighborhood that would feature fully rebuilt infrastructure and community facilities. The new neighborhood would greatly improve the site's connectivity to and integration with the surrounding City fabric.
4. The Planning Code Map amendments would enable the construction of a new vibrant, safe, and connected neighborhood including new parks and open spaces; the newly mapped Special Use District would set forth design procedures that take into account the Project's multi-year phased build-out and the need for multi-agency coordination.
5. The Planning Code Amendments would help assure a dynamic urban form through its reference to the Design Standards and Guidelines document, which will set forth specific design requirements to address use activation along streets, the modulation and shape of buildings, and relationship between buildings and their surrounding streets and open spaces.

AND BE IT FURTHER RESOLVED, That the Planning Commission finds the Planning Code Map amendments are in general conformity with the General Plan as set forth in Planning Commission Motion 19531:

AND BE IT FURTHER RESOLVED, That the Planning Commission finds the Planning Code Map amendments in general conformity with Planning Code Section 101.1 as set forth in Planning Commission Motion 19531:

AND BE IT FURTHER RESOLVED, That pursuant to Planning Code Section 302, the Planning Commission recommends to the Board of Supervisors **approval** the Planning Code Map amendments.
