Resolution supporting SEIU's five-point plan.

WHEREAS, The tragic events of September 11th have made apparent the importance of the duties and responsibilities of security officers in protecting the residents of San Francisco and billions of dollars in property; and,

WHEREAS, Working conditions, wages, benefits, and training standards for the overwhelming majority of security officers do not reflect the important role they play in keeping our public and private building safe; and,

WHEREAS, Service Employees International Union (SEIU) Local 24/7 who are comprised of 5,000 members has sponsored "**Principles for a More Secure San Francisco**" that seeks to remedy many of the issues facing the private security industry and its employees; and,

WHEREAS, "**Principles for a More Secure San Francisco**" will attract and retain officers, who are proud, have integrity, are fair, and who will provide the best possible service; and,

WHEREAS, "**Principles for a More Secure San Francisco**" will have entry requirements that will have rigorous training standards that will inspire trust and confidence; and,

WHEREAS, "**Principles for a More Secure San Francisco**" will establish whistleblower protections so that officers will not fear speaking out when security is not up to par; and,

1 WHEREAS, “**Principles for a More Secure San Francisco**” will improve coordination
2 with firefighters, police officers, and other emergency response workers to ensure the most
3 effective response to crisis situation; and,

5 democratic unions that will raise industry standards; now therefore, be it,
