Dear Honorable Members of the Rules Committee.,

I appreciate your consideration of my reappointment to the SF Public Utilities Commission (SFPUC).

For the past four years, I have held the environmental policy seat on the SFPUC. Over those years, I have taken every opportunity to speak up on behalf of the environment and the communities most affected by environmental decisions. I prepare myself well before all of the PUC meetings so that I can make the most informed and sensitive decisions. I am committed to the most sustainable and equitable municipal water, energy and wastewater policies and programs for San Francisco.

I have dedicated my life to protection and preservation of the environment both locally and internationally. I led the Environment Commission and Department of

the Environment under Mayor Willie Brown and I chaired Mayor Newsom's environmental transition team. I currently manage the environmental programs at The San Francisco Foundation. I am a native San Franciscan and I appreciate the opportunity that I have been given to serve San Francisco. I have attached my bio below for additional information on my experience and qualifications.

It would be a great honor for me to serve an additional four years on the SFPUC. Thank you very much for your consideration.

Francesca Vietor
