Item 3 File 24-0443	Department: Mayor’s Office of Housing and Community Development
--------------------------------------	---

EXECUTIVE SUMMARY

Legislative Objectives

- The proposed resolution would approve a \$20.9 million Loan Agreement between MOCHD and Chinatown SROs LLC (Chinatown Community Development Cener), for permanent financing for 1005 Powell Street, a Small Sites Project. It also approves a City Option to Purchase, a Promissory Note, and a Deed of Trust to secure the loan.

Key Points

- 1005 Powell is a five-story building with 64 single room occupancy units and two commercial spaces in Chinatown. As of February 2024, all of the residential units were occupied but both commercial spaces were vacant. The building includes communal bathrooms and kitchens.
- Chinatown SROs LLC, the Project Sponsor and an affiliate of Chinatown Community Development Center (CCDC), acquired and rehabilitated the property in 2021 with financing from the San Francisco Housing Accelerator Fund. The proposed loan would pay down acquisition and rehabilitation costs, including accrued interest on funding provided by the Housing Accelerator Fund and Chinatown Community Development Center. The proposed loan also includes a sinking fund to offset operating deficits projected following the expiration of a Senior Operating Subsidy in Year 15 of the project.

Fiscal Impact

- Funding for the proposed loan is sourced from Academy of Art settlement monies (\$17.9 million), the Housing Stability Fund (\$2.1 million), and the General Fund (\$1 million).
- The loan amount is consistent with Small Site Program Guidelines.

Recommendation

- Approve the proposed resolution.

MANDATE STATEMENT

City Charter Section 9.118(b) states that any contract entered into by a department, board or commission that (1) has a term of more than ten years, (2) requires expenditures of \$10 million or more, or (3) requires a modification of more than \$500,000 is subject to Board of Supervisors approval.

BACKGROUND

Small Sites Program

The Small Sites Program (SSP), administered by the Mayor’s Office of Housing and Community Development (MOHCD), was created in 2014 to provide loans for acquiring and rehabilitating multi-family rental buildings of five to 25 units. The Program has issued two Notices of Funding Availability (NOFA), one in 2014 and an updated one in 2019. MOHCD issued updated SSP guidelines in September 2022. The new guidelines prioritize sites that have between five and 40 units, though larger buildings are also considered.

1005 Powell Street

1005 Powell is a five-story building with 64 single room occupancy units and two commercial spaces in Chinatown. As of February 2024, all of the residential units were occupied but both commercial spaces were vacant. The building includes communal bathrooms and kitchens.

Chinatown SROs LLC, the Project Sponsor and an affiliate of Chinatown Community Development Center (CCDC), acquired and rehabilitated the property with financing from the San Francisco Housing Accelerator Fund (SFHAF)¹ and is now requesting permanent financing from the City. The Project Sponsor purchased the property in December 2021 for \$3.75 million which was below the \$4.3 million as-is value, as appraised by R. Blum & Associates in November 2021, according to the MOHCD loan evaluation. Construction hard costs totaled \$9.2 million and was completed in January 2024. Rehabilitation work was extensive and included asbestos and lead abatement, seismic retrofit, replacing wood structures, upgrading windows, replacing doors and fixtures, painting, as well as accessibility and building system upgrades. The Project Sponsor also funded \$348,000 of tenant improvements to three commercial spaces, including upgrading an unused laundromat space and converting one space into a property management office. The Project Sponsor is also temporarily leasing a commercial space previously used as a hair salon but plans to market the space to a long-term commercial tenant to improve project income.

Selection

The Project Sponsor applied to the 2014 Small Sites Program NOFA, which awards funding on a rolling basis, and MOHCD determined that the Project was eligible for funding. According to the

¹ The HAF is a non-profit organization that provides bridge financing for preservation projects after MOHCD provides a soft commitment letter indicating that the City intends to repay the bridge loan.

2022 Small Sites Program Scoring Rubric, the Project would receive a score of 84 points out of 100 points possible, which exceeds the minimum score of 70 points to receive funding. However, the project was underwritten in 2022 before the scoring rubric was implemented.

In December 2021, MOHCD provided a soft commitment letter to the Project Sponsor that the City would provide up to \$20.9 million in permanent financing to repay the HAF loan.

DETAILS OF PROPOSED LEGISLATION

The proposed resolution would approve a \$20.9 million Loan Agreement between MOCHD and Chinatown SROs LLC (Chinatown Community Development Center), for permanent financing for 1005 Powell Street, a 64-unit Small Sites Project. It also approves a City Option to Purchase, a Promissory Note, and a Deed of Trust to secure the loan.

The resolution would also (a) affirm the Planning Department's determination under the California Environmental Quality Act; (b) adopt findings that the proposed transaction is consistent with the General Plan and the eight priority policies of the Planning Code; and (c) authorize the Director of MOCHD to execute loan documents and amend loan documents as needed.

Loan Agreement and Repayment

The proposed loan agreement provides for a loan amount not to exceed \$20.9 million. The loan has a 40-year term, accrues three percent simple interest, and annual loan payments are only due if the project generates residual income (see discussion below). The principal and accrued interest are due to the City when the loan matures.

Required Rents

A Declaration of Restrictions that accompanies the loan agreement outlines the rents for all units for existing tenants. Rents for units that become vacant will be set so that the combined average rents for all units are equal to 30 percent of 60 percent of Area Median Income. The document notes that 35 of the 64 units are subsidized by a Senior Operating Subsidy grant, approved by the Board of Supervisors in April 2024 (File 24-0233). The affordability restrictions have been in place for 99 years.

The proposed loan requires approximately one-third of the 64 units to increase rents by five percent annually until the households pay 20 percent of their income on rent, consistent with MOHCD's Small Site Program Guidelines.

Option to Purchase

The Purchase Option Agreement grants the City the option to purchase the property if the owner fails to comply with the affordability restrictions, if the Declaration of Restrictions is terminated, or if the owner receives another offer to purchase the properties after the City's loan is repaid.

FISCAL IMPACT

The City will provide up to \$20.9 million to Chinatown SROs LLC for the acquisition and rehabilitation of 1005 Powell Street. Exhibit 1 summarizes the uses of the proposed loan.

Exhibit 1: Uses of Proposed Loan

Uses	Amount
Acquisition & Rehabilitation	\$18,108,688
Soft Costs	360,325
Reserves	1,690,687
Developer Fees	740,000
Total Uses	\$20,899,700

Source: MOHCD

Acquisition costs totaling \$18.1 million include \$3.75 million in purchase costs (which was less than the appraised value at the time of purchase), \$12.98 million in rehabilitation costs, and \$1.4 million in accrued interest from the HAF loan. Reserves total \$1.69 million and include Operating Reserves of \$175,687, Replacement Reserves of \$350,000, and a Sinking Fund of \$1,165,000, discussed below.² Total costs also include \$740,000 in developer fees and \$360,325 in soft costs, including \$320,625 accrued interest on CCDC’s \$2.5 million loan to originally acquire the site.³

Funding Sources

The proposed loan is funded by:

- \$17,879,640 from Academy of Art settlement monies (File 19-1125)
- \$2,050,460 from the Housing Stability Fund
- \$1,000,000 from the General Fund

City Subsidy

SSP program guidelines establish the maximum City subsidy per unit for acquisition, rehabilitation, and permanent financing based on the unit type, ranging from \$275,000 for each single room occupancy unit up to \$550,000 per ADU studio unit, plus commercial units and multiplier, depending on how the project scores against Small Site Program Criteria . The MOHCD

² Operating Reserves support unanticipated operating costs for at least 20 years, such as vacancy rates above 10 percent, and Replacement Reserves support the project’s capital needs over time. SSP Guidelines require an operating reserve equal to 25 percent of the first-year operating budget and a replacement reserve equal to the greater of \$2,000 per unit or the amount needed to fund replacement costs for the next 10 years (based on an approved Capital Needs Assessment).

³ CCDC’s loan repayment is reduced by \$348,000 in the proposed permanent loan, which is the amount of funding the organization paid for commercial space tenant improvements and which are not eligible for Small Site Program funding.

Director can approve funding above the maximum guidelines if the project meets minimum scoring requirements.

The proposed Small Site Loan is \$20.9 million or \$316,667 per unit (assuming 64 residential units and two commercial units), which is consistent with the Department's Small Sites Program Guidelines (effective September 2022).

Operating Revenues and Expenses

According to the 20-year cash flow analysis for the project, the project's revenues, together with commercial revenues, are not sufficient to cover operating expenses starting in Year 13 of the project. For this reason, the proposed loan includes a \$1.16 million Sinking Fund, which will be used to offset operating losses projected starting in Year 13 of the project. The proposed loan requires CCDC to also fund a Sinking Fund at \$185,500 per year for the first ten years of the project, which will cover operating deficits starting in Year 16. Operating deficits are less than \$10,000 per year in project Years 13 – 15, however they increase to approximately \$600,000 per year following the expiration of the Senior Operating Subsidy.

RECOMMENDATION

Approve the proposed resolution.

LOAN AGREEMENT
(City and County of San Francisco
SSP Program)
1005 Powell Street
1005 Powell Street, San Francisco, CA 94018

THIS LOAN AGREEMENT ("Agreement") is entered into as of June ___, 2024, by and between the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation (the "City"), represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development ("MOHCD"), and **CHINATOWN SROS, LLC**, a California limited liability company ("Borrower").

RECITALS

A. On July 18, 2014, the Citywide Affordable Housing Loan Committee authorized the Small Sites Acquisition and Rehabilitation Loan Program ("Small Sites Program" or "SSP") for the purpose of preserving and stabilizing San Francisco's existing rental housing stock of buildings that are occupied by low- to moderate-income tenants who are vulnerable to displacement due to market-driven increases in evictions. Through this approval, MOHCD is authorized to provide loans to individual entities for acquisition and rehabilitation of specific existing residential buildings.

B. Under San Francisco Administrative Code Section 10.100-78, the San Francisco Board of Supervisors established the Housing Stability Fund to receive appropriated funds by the City for the purpose of providing funds for the acquisition, creation, operation, development, construction, or rehabilitation of "Social Housing Developments" as defined in Section 10.100-78(e) ("Housing Stability Fund"). MOHCD is authorized to provide funds from the Housing Stability Fund under this Agreement to Borrower for the acquisition, rehabilitation, and/or construction of affordable housing. The funds provided from the Housing Stability Fund under this Agreement will be referred to herein as the "Stability Funds."

C. On January 14, 2020, the Board of Supervisors approved Ordinance No. 5-20 approving a Development Agreement between the City and County of San Francisco and the Stephens Institute, dba Academy of Art University, and its affiliate entities, which provides for various public benefits, including an "affordable housing payment" of \$37,600,000 and a payment of approximately \$8,200,000 to the City (collectively, the "AAU Housing Funds"). AAU Funds are to be used by MOHCD for the creation or preservation of permanent affordable housing, with priority for the creation or preservation of single room occupancy ("SRO") units in supervisorial districts 2, 3, and 6. The AAU Housing Funds provided under this Agreement will be referred to herein as the "AAU Funds," and together with the Stability Funds, collectively, the "Funds."

D. Borrower owns a fee interest in certain real property located at 1005 Powell Street, San Francisco, California (the "Site"), which is currently developed as a 66-unit mixed-use property, including 64 units of residential rental housing, and 2-units of commercial space consisting of 1,837 square feet (collectively, the "Commercial Space"). Borrower desires to use the Funds to repay its acquisition loan and in order to continue to preserve the Site as residential housing affordable to low- to moderate-income households (the "Project").

F. The Citywide Affordable Housing Loan Committee has reviewed Borrower's application for Funds and, in reliance on the accuracy of the statements in that application, has recommended to the Mayor that the City make a loan of Funds to Borrower (the "SSP Loan") in the amount of Twenty Million Nine Hundred Thousand and No/100 Dollars (\$20,900,000.00) (the "Funding Amount"), under this Agreement to fund certain costs related to the Project.

(o) Borrower must establish or cause to be established a segregated interest-bearing for the sinking fund reserve account to be funded by the City (the “City Sinking Fund Reserve Account”).

(p) Borrower must establish or cause to be established a segregated interest-bearing for the sinking fund reserve account to be funded by the Borrower (the “Borrower Sinking Fund Reserve Account”). Borrower must have deposited no less than One Hundred Eighty Five Thousand and No/100 Dollars (\$185,000.00) into the Borrower Sinking Fund Reserve Account.

(q) Borrower must submit and receive approval from MOHCD for a commercial marketing plan that addresses the strategies to secure long-term market rate tenants for the Commercial Space.

(r) Borrower must submit and receive approval from MOHCD for a Marketing and Tenant Selection Plan.

(q) Borrower must submit to MOHCD evidence that 60-day notices for rent increases were issued to all Qualified Tenants on or before May 1, 2024 with the exception of any households who were determined to be rent burdened above 50% as a result of income certification. For those tenants who were determined, Borrower must submit to MOHCD evidence that their Rent has been reduced.

4.4 Disbursement of Funds. Following satisfaction of the conditions in **Section 4.3**, the City will authorize the Escrow Agent to disburse Funds for permanent financing for the Project, as provided in the City's escrow instructions.

4.5 Disbursements. The City's obligation to approve any expenditure of Funds after the Loan closing is subject to Borrower’s satisfaction of the following conditions precedent.

(a) Borrower must have delivered to the City an Expenditure Request in form and substance satisfactory to the City, together with: (i) copies of invoices, contracts or other documents covering all amounts requested; (ii) a line item breakdown of costs to be covered by the Expenditure Request; and (iii) copies of checks issued to pay expenses covered in the previous Expenditure Request. The City may grant or withhold its approval of any line item contained in the Expenditure Request that, if funded, would cause it to exceed the budgeted line item as previously approved by the City. Additionally, the City must approve all requested reallocations of Funds for line items previously approved by the City.

(b) No Event of Default, or event that with notice or the passage of time or both could constitute an Event of Default, may have occurred that remains uncured as of the date of the Expenditure Request.

(c) With respect to any Expenditure Request that covers rehabilitation or construction costs, Borrower must have certified to the City that the Project complies with the labor standards set forth in **Exhibit E, Section 1**, if applicable.

(d) The Loan must be in balance.

(e) With respect to any Expenditure Request that covers travel expenses, Borrower's travel expenses will be reasonable and will comply with the following:

(i) Lodging, meals and incidental expenses will not exceed the then-current per diem rates set forth by the United States General Services Administration for the County of San Francisco found at:

<https://www.gsa.gov/portal/category/104711>.

(ii) Air transportation expenses will use fares for coach-class accommodations, provided that purchases for air travel will occur no less than one week before the travel day.

(iii) If ground transportation is required, the City urges the use of public transit or courtesy shuttles if provided by a lodging. If courtesy transportation is not provided by a lodging, ground transportation expenses for travel to or from regional airports will not exceed Fifty Dollars (\$50.00) each way. Other ground transportation expenses will not exceed then-current San Francisco taxi rates found at:

<https://www.sfmta.com/getting-around/taxi/taxi-rates>. Ground

transportation will not include any expenses for luxury transportation services, such as a limousine, or any expenses related to travel to or from Project site meetings by Borrower's employees.

(iv) Miscellaneous travel expenses will not exceed Fifty Dollars (\$50.00) without prior written approval of the City.

(v) Any Expenditure Request for travel expenses will include supporting documentation, including, without limitation, original itemized receipts showing rates and cost, air travel itinerary, proof of payment, and any written justification requested by the City.

For the purpose of this Section, the terms "lodging," "meals" and "incidental expenses" will have the same meanings defined in 41 CFR

Part 300-3; the term “coach-class” will have the same meaning defined in 41 CFR Part 301-10.121(a); and the term “miscellaneous” means copying services, printing services, communication services, or other services reasonably related to travel for the Project and approved by the City.

4.6 Loan In Balance. The City may require Borrower to pay certain costs incurred in connection with the Project from sources of funds other than the Loan at any time the City determines that the Loan is out of balance. When the City is satisfied that the Loan is again in balance, the City will recommence making Disbursements for Expenditure Requests meeting the conditions set forth above.

4.7 [Reserved]

4.8 Limitations on Approved Expenditures. The City may refuse to approve any expenditure: (a) during any period in which an event that, with notice or the passage of time or both, would constitute an Event of Default remains uncured, or during the pendency of an uncured Event of Default; or (b) for disapproved, unauthorized or improperly documented expenses. The City is not obligated to approve expenditure of the full Funding Amount unless approved Expenditure Requests support disbursement of the full Funding Amount, and in no event may the aggregate amount of all Funds disbursed to Borrower under this Agreement exceed the Funding Amount.

ARTICLE 5 RESERVED

ARTICLE 6 MARKETING.

6.1 Marketing and Tenant Selection Plan. This **Article 6** shall not apply to Units that will be occupied by Direct Referral Tenants if MOHCD approves occupancy of a Unit by a Direct Referral Tenant in its sole discretion or to SOS Units that become vacant while the SOS Waiting List is active. For Units that will not be occupied by Direct Referral Tenants or for SOS Units while the SOS waitlist is active, Borrower must deliver to the City for the City's review and approval prior to closing an affirmative plan for initial and ongoing marketing of the Units and a written tenant selection procedure for initial and ongoing renting of the Units based on MOHCD's then-current form of marketing and tenant selection plan (the “Marketing and Tenant Selection Plan”), all in compliance with the restrictions set forth in **Exhibit A** and in form and substance acceptable to the City.

Borrower must obtain the City's approval of any reasonable alterations to the Marketing and Tenant Selection Plan, including approval of the rent amount for vacant units, for the duration of the Declaration of Restrictions. Borrower must market and rent the Units in the manner set forth in the Marketing and Tenant Selection Plan, as approved by the City. Before marketing any Units, Borrower must provide the City with updated implementation and contact information. After the exhaustion or expiration of the SOS Waiting List, SOS Units will be subject to all requirements of Sections 6.1 and 6.2.

6.2 Affirmative Marketing and Tenant Selection Plan Requirements. Borrower's Marketing and Tenant Selection Plan must address how Borrower intends to market vacant Units and any opportunity for placement on the Waiting List. The Marketing and Tenant Selection Plan shall include as many of the following elements as are appropriate to the Project, as determined by the City:

(a) A reasonable accommodations policy that indicates how Borrower intends to market Units to disabled individuals, including an indication of the types of accessible Units in the Project, the procedure for applying, and a policy giving disabled individuals a priority in the occupancy of accessible Units.

(b) A plan that satisfies the requirement to give preference in occupying units in accordance with the Operational Rules and the Preferences Ordinance.

(c) A list of local neighborhood newspapers, community-oriented radio stations, on the internet and in other media that are likely to reach low-income households in which the apartments will be advertised. All advertising must display the Equal Housing Opportunity logo.

(d) Copies of draft notices to be sent to neighborhood-based, nonprofit housing corporations and other low-income housing advocacy organizations that maintain waiting lists or make referrals for below-market-rate housing.

(e) Notices to SFHA.

(f) Notices to MOHCD.

(g) To the extent practicable, Borrower must give preference to potential tenants who have been displaced from other units in the City by rehabilitation or construction work financed in whole or part by the City. To implement this requirement, Borrower agrees to give preferential consideration to applications of displaced persons provided to Borrower by the City.

(h) To the extent practicable, without holding Units off the market, the community outreach efforts listed above must take place before advertising vacant Units or open spots on the Waiting List to the general public.

(i) An acknowledgement that, with respect to vacant Units, the marketing elements listed above shall only be implemented if there are no qualified applicants interested or available from the Waiting List.

6.3 Marketing and Tenant Selection Plan & Tenant Screening Criteria Requirements.

(a) Borrower's Marketing and Tenant Selection Plan shall comply with the requirements of the Tenant Selection Plan Policy as set forth in the attached **Exhibit H**. The Marketing and Tenant Selection Plan must be kept on file at the Project at all times.

(b) Borrower's tenant screening criteria must comply with the Tenant Screening Criteria Policy set forth in the attached **Exhibit I** as amended from time to time.

6.4 Marketing Records. Borrower must keep records of: (a) activities implementing the Marketing and Tenant Selection Plan; (b) advertisements; and (c) other community outreach efforts.

6.5 Waiting List. Borrower's Marketing and Tenant Selection Plan must contain, at a minimum, policies and criteria that provide for the selection of tenants from a written waiting list that complies with the Marketing and Tenant Selection Plan (the "Waiting List"). Each Waiting List shall be valid for a period of two (2) years following the lottery date, at which time such Waiting List shall expire. The Marketing and Tenant Selection Plan may allow an applicant to refuse an available Unit for good cause without losing standing on the Waiting List but shall limit the number of refusals without cause as approved by the City. The Waiting List and the previous expired Waiting Lists must be kept on file at the Project for three (3) years after the expiration of such lists. Starting July 1, 2024, Borrower shall update the SOS Waiting List every six months by removing the names of individuals who are no longer interested in or no longer qualify for low-income housing. When utilizing the Waiting List or SOS Waiting List to fill vacancies, Borrower must comply with the Tenant Selection Plan Policy in **Exhibit H** as amended from time to time.

ARTICLE 7 AFFORDABILITY AND OTHER LEASING RESTRICTIONS.

7.1 Term of Leasing Restrictions. Borrower acknowledges and agrees that the covenants and other leasing restrictions set forth in this Article will remain in full force and effect for the Compliance Term and survive the prior repayment or other satisfaction of the Loan, termination of this Agreement or reconveyance of the SSP Deed of Trust; and (b) following the expiration of the Compliance Term with respect to any Unit then occupied by a Qualified Tenant, until the Qualified Tenant voluntarily vacates his/her Unit or is evicted lawfully for just cause.

7.2 Borrower's Covenant; Rent Restrictions.

(a) Borrower covenants to rent all Units (except one unit reserved for the manager of the Project) at all times to households certified as Qualified Tenants at initial occupancy and at the Rent described in this Agreement. Notwithstanding the foregoing, not less than 80% of the households occupying Units by the Agreement Date must be income certified as Qualified Tenants by the Agreement Date, provided that all such households enter into a lease with Borrower in a form approved by City by the Agreement Date. Borrower may include any Units that are vacant as of the Agreement Date in its calculation of the percentage of Qualified Tenants, using the maximum household income allowable set forth in **Exhibit A** for each such Unit, so long as Borrower rents the Units to Qualified Tenants at such rates. Borrower will rent all Units that are occupied as of the Agreement Date at the initial Rent set forth in **Exhibit A**, as adjusted thereafter in accordance with this **Section 7**. In addition, thirty-five (35) Units must be rented to extremely low income senior households (15% of Median Income or 25% of Median

Income) during the period in which the City's Senior Operating Subsidy is in operation and the City provides the Senior Operating Subsidy to the Project.

(b) Following initial certification, a Qualified Tenant shall not be required to vacate the Unit due to subsequent rises in household income. Qualified Tenants at initial occupancy must pay at least 20% of their gross household income towards Rent unless otherwise approved by MOHCD, provided that in no event shall any Qualified Tenant be required to pay Rent in excess of the lesser of (i) Maximum Rent, or (ii) 20% below the market rents of comparable units as approved by MOHCD, except as provided in **Section 7.3(d)**.

(c) Required Rents for the Units as of the Agreement Date will be as set forth in **Exhibit A**. Rents for SOS Units include the SOS Tenant's portion of Rent paid, but does not include the amount of SOS Subsidy received for such Unit.

(d) After the Agreement Date, the Rent for each Unit that becomes vacant shall be set at the amount necessary to bring the Project's combined average Rents for all Units as close as is possible to but no higher than the amount calculated as 30% of 60% Median Income. In addition, no vacant Unit may be filled with a household earning more than 120% Median Income upon initial occupancy.

7.3 Rent Adjustments and Restrictions. Rent for all Units, including SOS Units, shall be increased only once annually. Rent for all Units shall be increased annually by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%, or (y) 2%, except as follows:

(a) **Phased Increases.** Increases in Rent for certain existing Qualified Tenants shall be increased on the specified dates according to the table set forth in **Exhibit A**. After such phased increases, Rent shall be adjusted as otherwise described in this **Section 7**, except any Qualified Tenants not paying at least 20% of their gross household income towards Rent shall continue to receive Rent increases of 5% annually until they reach the maximum rent as described in Section 7.2 (b).

(b) **Severely Rent Burdened Qualified Tenants.** If the Rent increase described in this **Section 7** results in any Qualified Tenant household becoming Severely Rent Burdened, Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each annual income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely Rent Burdened Qualified Tenant; and (iii) all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's

gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.

(c) Recovery of Project Expenses. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted by this **Section 7.3** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) except as otherwise approved by MOHCD in its sole discretion, in no event may any Rent increase exceed the current rate of increase in Median Income in any year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the lesser of (y) Maximum Rent, or (z) 20% below the market rents of comparable units as approved by MOHCD. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.

(d) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and Direct Referral Tenants, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, and provided the Qualified Tenant paid portion of Rent does not exceed the lesser of (i) Maximum Rent or (ii) 20% below the market rents of comparable units as approved by MOHCD. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, rental increases shall not exceed Maximum Rent as approved by MOHCD or 50% of household income, whichever is less.

(e) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this **Section 7** and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit or if a Qualified Tenant fails to certify or recertify his/her/their household income to Borrower on an annual basis, Borrower may adjust the charges for Rent for such Qualified Tenant by no more than seven percent (7%) per year to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed the limits set forth in the SSP Guidelines as amended from time to time, or if not otherwise specified, the lesser of: (i) Maximum Rent; or (ii) 20% of a household's gross income. MOHCD must approve such Rent increases, which approval shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit.

(f) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Agreement, the resulting excess cash flow will be paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to **Section 19**.

7.4 Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must be required to sign and deliver to Borrower a certification in the form shown in **Exhibit C** in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant and which certification is reviewed and approved by Borrower and the City. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective Qualified Tenant's income. Certifications provided to and accepted by the SFHA will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify its household income to Borrower as established by the SSP Guidelines and Small Sites Marketing and Leasing Manual, as amended from time to time.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file at Borrower's principal office, and Borrower must file or cause to be filed copies thereof with the City promptly upon request by the City.

7.5 Form of Lease. The form of lease for Qualified Tenants must provide for termination of the lease and consent to immediate eviction for failure to qualify as a Qualified Tenant if the Qualified Tenant has made any material misrepresentation in the initial income certification.

7.6 Nondiscrimination. Borrower agrees not to discriminate against or permit discrimination against any person or group of persons because of race, color, creed, national origin, ancestry, age, sex, sexual orientation, disability, gender identity, height, weight, source of income or acquired immune deficiency syndrome (AIDS) or AIDS related condition (ARC) in the operation and use of the Project except to the extent permitted by law or required by any other funding source for the Project. Borrower agrees not to discriminate against or permit discrimination against Qualified Tenants using Section 8 certificates or vouchers or assistance through other rental subsidy programs.

7.7 Security Deposits. Security deposits may be required of tenants only in accordance with applicable state law and this Agreement. Any security deposits collected must be segregated from all other funds of the Project in an Account held in trust for the benefit of the tenants and disbursed in accordance with California law. The balance in the trust account must at all times equal or exceed the aggregate of all security deposits collected plus accrued interest thereon, less any security deposits returned to tenants.

7.8 Commercial Space. All leases of Commercial Space must be to a bona fide third party tenant capable of performing its financial obligations under its lease, which must reflect arms'-length transactions at the then-current market rental rates for comparable space, *provided that*, leases for Public Benefit Purposes may be at below-market rates so long as the sum of Project Income and Commercial Income meets approved cash flow requirements for the Project. Allowed uses of Commercial Space must be consistent with all applicable development plans and local planning and building codes and be reasonably compatible with the design and purpose of the Project. If a lease of Commercial Space does not restrict its use to Public Benefit Purposes, all Surplus Cash generated from the lease shall be included in the definition of Project Income. All Surplus Cash shall be subject to the MOHCD Policy on the Use of Residual Receipts.

ARTICLE 8 MAINTENANCE AND MANAGEMENT OF THE PROJECT.

8.1 Borrower's Responsibilities.

(a) Subject to the rights set forth in **Section 8.2**, Borrower will be specifically and solely responsible for causing all maintenance, repair and management functions performed in connection with the Project, including selection of tenants, recertification of income and household size, evictions, collection of rents, routine and extraordinary repairs and replacement of capital items. Borrower must maintain or cause to be maintained the Project, including the Units and common areas, in a safe and sanitary manner in accordance with local health, building and housing codes, California Health and Safety Code 17920.10 and any applicable provisions of 24 CFR Part 35.

8.2 Contracting With Management Agent.

(a) Borrower may contract or permit contracting with a management agent for the performance of the services or duties required in **Section 8.1(a)**, subject to the City's prior written approval of both the management agent and, at the City's discretion, the management contract between Borrower and the management agent, *provided, however*, that the arrangement will not relieve Borrower of responsibility for performance of those duties. Any management contract must contain a provision allowing Borrower to terminate the contract without penalty upon no more than thirty (30) days' notice. As of the Agreement Date, the City has approved Chinatown Community Development Center as Borrower's management agent, subject to approval of the management contract.

(b) The City will provide written notice to Borrower of any determination that the contractor performing the functions required in **Section 8.1(a)** has failed to operate and manage the Project in accordance with this Agreement. If the contractor has not cured the failure within a reasonable time period, as determined by the City, Borrower must exercise its right of termination immediately and make immediate arrangements for continuous and continuing performance of the functions required in **Section 8.1(a)**, subject to the City's approval.

8.3 Borrower Management. Borrower may manage the Project itself only with the City's prior written approval. The City will provide written notice to Borrower of any

determination that Borrower has failed to operate and manage the Project in accordance with this Agreement, in which case, the City may require Borrower to contract or cause contracting with a management agent to operate the Project, or to make other arrangements the City deems necessary to ensure performance of the functions required in **Section 8.1(a)**.

ARTICLE 9 GOVERNMENTAL REQUIREMENTS.

9.1 Borrower Compliance. Borrower must comply, and where applicable, require its contractors to comply, with all applicable Laws governing the use of Funds for the construction, rehabilitation and/or operation of the Project, including those set forth in **Exhibit E**. Borrower acknowledges that its failure to comply with any of these requirements will constitute an Event of Default under this Agreement. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 10 PROJECT MONITORING, REPORTS, BOOKS AND RECORDS.

10.1 Generally.

(a) Borrower understands and agrees that it will be monitored by the City from time to time to assure compliance with all terms and conditions in this Agreement and all Laws. Borrower acknowledges that the City may also conduct periodic on-site inspections of the Project. Borrower must cooperate with the monitoring by the City and ensure full access to the Project and all information related to the Project as reasonably required by the City.

(b) Borrower must keep and maintain books, records and other documents relating to the receipt and use of all Funds, including all documents evidencing any Project Income and Project Expenses. Borrower must maintain records of all income, expenditures, assets, liabilities, contracts, operations, tenant eligibility and condition of the Project. All financial reports must be prepared and maintained in accordance with GAAP as in effect at the time of performance.

(c) Borrower must provide written notice of the replacement of its executive director, director of housing development, director of property management and/or any equivalent position within thirty (30) days after the effective date of such replacement.

10.2 Reserved.

10.3 Annual Reporting. Borrower must file with the City annual report forms (the "Annual Monitoring Report") that include audited financial statements with an income and expense statement for the Project covering the applicable reporting period, a statement of balances, deposits and withdrawals from all Accounts, line item statements of Project Expenses, Project Income, Residual Receipts and any Distributions made, evidence of required insurance, a description of marketing activities and a rent roll, no later than one hundred fifty (150) days after the end of Borrower's fiscal year. The Annual Monitoring Report must be in substantially the form attached as **Exhibit G** or as later modified during the Compliance Term.

10.4 Capital Needs Assessment. Borrower must deliver to MOHCD an updated CNA every seven (7) years after the Agreement Date for approval. The updated CNA must include an analysis of Borrower's actual expenditures for capital needs compared to the most recently approved CNA, Borrower's 20-Year Proforma and initial Annual Operating Budget and its then-current Annual Operating Budget.

10.5 Reserved

10.6 Response to Inquiries. At the request of the City, its agents, employees or attorneys, Borrower must respond promptly and specifically to questions relating to the income, expenditures, assets, liabilities, contracts, operations and condition of the Project, the status of any mortgage encumbering the Project and any other requested information with respect to Borrower or the Project.

10.7 Delivery of Records. At the request of the City, made through its agents, employees, officers or attorneys, Borrower must provide the City with copies of each of the following documents, certified in writing by Borrower to be complete and accurate:

(a) all tax returns filed with the United States Internal Revenue Service, the California Franchise Tax Board and/or the California State Board of Equalization on behalf of Borrower and any general partner or manager of Borrower;

(b) all certified financial statements of Borrower and, if applicable, its general partner or manager, the accuracy of which must be certified by an auditor satisfactory to the City; and

(c) any other records related to Borrower's ownership structure and the use and occupancy of the Site.

10.8 Access to the Project and Other Project Books and Records. In addition to Borrower's obligations under **Sections 2.4, 10.1, 10.3, 10.4, 10.6 and 10.7** and any other obligations to provide reports or maintain records in any City Document, Borrower agrees that duly authorized representatives of the City will have: (a) access to the Project throughout the Compliance Term to monitor the progress of work on the Project and compliance by Borrower with the terms of this Agreement; and (b) access to and the right to inspect, copy, audit and examine all books, records and other documents Borrower is required to keep at all reasonable times, following reasonable notice, for the retention period required under **Section 10.9**

10.9 Records Retention. Borrower must retain all records required for the periods required under applicable Laws.

ARTICLE 11 USE OF INCOME FROM OPERATIONS.

11.1 Project Operating Account.

(a) Borrower must deposit all Project Income promptly after receipt into a segregated depository account (the "Project Operating Account") established exclusively for the Project. Withdrawals from the Project Operating Account may be made only in accordance with the provisions of this Agreement and the approved Annual Operating Budget, as it may be revised from time to time with the City's approval. Borrower may make withdrawals from the Project Operating Account solely for the payment of Project Expenses. Withdrawals from the Project Operating Account (including accrued interest) for other purposes may be made only with the City's express prior written approval.

(b) Borrower must keep accurate records indicating the amount of Project Income deposited into and withdrawn from the Project Operating Account and the use of Project Income. Borrower must provide copies of the records to the City upon request.

ARTICLE 12 REQUIRED RESERVES.

12.1 Replacement Reserve Account.

(a) Prior to closing of the Loan, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing replacement reserve depository account (the "Replacement Reserve Account"). On or before the 15th day of each third month following establishment of the Replacement Reserve Account, Borrower must make quarterly deposits from Project Income into the Replacement Reserve Account in the amount necessary to meet the requirements of this Section. The City may review the adequacy of deposits to the Replacement Reserve Account periodically and require adjustments as it deems necessary.

(b) Borrower must make an initial deposit into the Replacement Reserve Account in an amount equal to Three Hundred and Fifty Thousand and No/100 Dollars (\$350,000.00). Thereafter, quarterly deposits must equal Seventy Five and No/100 Dollars (\$75.00) per Unit. Borrower may request adjustments every seven (7) years based on its most recently approved CNA.

(c) Borrower must deposit into the Replacement Reserve Account any refund from the City's Treasurer's Office or Assessor-Recorder's Office of property taxes paid by Borrower related to the Site.

(d) In addition, if at any time the balance of the Replacement Reserve Account is below one and a half (1.5) times the original capitalized replacement reserve balance set forth in **Section 12.1(b)** above, Borrower shall deposit into the Replacement Reserve Account the funds that would otherwise be allocated to the City's share of Residual Receipts until it reaches that amount. Any Residual Receipts remaining above that amount shall be paid to the City in accordance with the Note.

(e) Borrower may withdraw funds from the Replacement Reserve Account solely to fund capital improvements for the Project, such as replacing or repairing structural elements, furniture, fixtures or equipment of the Project that are reasonably required to preserve the Project. Borrower may not withdraw funds (including any accrued interest) from the Replacement Reserve Account for any other purpose without the City's prior written approval.

12.2 Operating Reserve Account.

(a) Prior to closing of the Loan, or any other date the City designates in writing, Borrower must establish or cause to be established a segregated interest-bearing operating reserve depository account (the "Operating Reserve Account") by depositing funds in an amount equal to One Hundred Seventy Five Thousand Six Hundred Eighty Seven and No/100 Dollars (\$175,687.00). The City may review the adequacy of deposits to the Operating Reserve Account periodically and require adjustments as it deems necessary.

(b) Once the City and Borrower have agreed that the Sinking Funds are no longer necessary for operation of the Project, then no less than annually after such date and continuing until the Compliance Term has expired, Borrower must make additional deposits, if necessary, to bring the balance in the Operating Reserve Account to an amount equal to twenty-five percent (25%) of the prior year's actual Project Expenses.

(c) As long as there are balances in the Sinking Funds, Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any purpose without the City's prior written approval. Once the Sinking Funds are depleted, Borrower may withdraw funds from the Operating Reserve Account solely to alleviate cash shortages resulting from unanticipated and unusually high maintenance expenses, seasonal fluctuations in utility costs, abnormally high vacancies and other expenses that vary seasonally or from month to month in the Project. Borrower may not withdraw funds (including any accrued interest) from the Operating Reserve Account for any other purpose without the City's prior written approval.

12.3 Other Reserve Account(s). In addition to the reserve requirements set forth above, Borrower must establish prior to closing of the Loan and deposit with funds from the Developer at the time of closing a tenant improvements reserve in the amount of One Hundred Thousand and No/100 Dollars (\$100,000).

12.4 Sinking Funds and Their Eligible Uses.

(a) The City and Borrower have agreed that it is necessary to address the possibility that Project Income may not be sufficient to support the long-term Project Expenses. Therefore, the City and Borrower have each agreed to establish separate sinking funds (collectively, the "Sinking Funds") to enable twenty years of stabilized operations for the Project. The sole purpose of Sinking Funds withdrawals is to fund any operating deficits reported through Annual Monitoring Reports required by Section 10.3; provided, however, Borrower shall not use Sinking Funds for vacancy losses for the Commercial Spaces that are in excess of

assumptions made in Exhibit B-3, unless otherwise agreed to in writing by MOHCD. In addition, Borrower shall not request withdrawals from the Sinking Funds unless Borrower has carried out rent increases in accordance with Section 7.3 of this Agreement.

(b) The City shall disburse One Million One Hundred Sixty Five Thousand and No/100 Dollars (\$1,165,000.00) of the Loan to the City Sinking Fund Reserve Account described in Section 4.3(p). With the prior written approval of MOHCD, Borrower may withdraw funds from the City Sinking Fund Reserve Account for the purpose of covering operating deficits of the Project. City agrees that Borrower may make withdrawals from the City Sinking Fund Reserve Account prior to making withdrawals from the Borrower Sinking Fund Reserve Account. Borrower may request approval from MOHCD to make a withdrawal from the City Sinking Fund Reserve Account no more than once annually and only up to the amount of operating deficit identified in the previous year's Annual Monitoring Report. MOHCD shall not unreasonably withhold or delay its consent or approval of Borrower request for a withdrawal from the City Sinking Fund Reserve Account.

If there are any funds remaining in the City Sinking Fund Reserve Account on the twentieth (20th) anniversary of the date the Deed of Trust is recorded in the Official Records, Borrower shall use the remaining balance of the City Sinking Fund Reserve Account to repay the Loan by no later than December 31, 2044.

(c) Commencing on the date the Deed of Trust is recorded in the Official Records and continuing on each anniversary up to and until the tenth (10th) anniversary of the date the Deed of Trust is recorded in the Official Records, Borrower shall make a deposit of One Hundred Eighty Five Thousand and No/100 Dollars (\$185,000.00) to the Borrower Sinking Fund Reserve Account for a total of amount of One Million Eight Hundred Fifty Five Thousand and No/100 Dollars (\$1,855,000.00) by such tenth anniversary. City agrees that Borrower intends to withdraw funds from Borrower Sinking Fund Reserve Account only after the City Sinking Fund Reserve Account has been fully withdrawn by Borrower. Borrower may request approval from MOHCD to make a withdrawal from the Borrower Sinking Fund Reserve Account no more than once annually and only up to the amount of operating deficit identified in the previous year's Annual Monitoring Report. MOHCD shall not unreasonably withhold or delay its consent or approval of Borrower's request for a withdrawal from the Borrower Sinking Fund Reserve Account.

After the eighth (8th) anniversary of the date the Deed of Trust is recorded in the Official Records, Borrower may request MOHCD approval to reallocate the remaining balance of the Borrower Sinking Fund Reserve Account for another purpose, provided that Borrower demonstrates that Project's operations no longer need support from the Sinking Funds. Borrower must obtain MOHCD's prior written approval of any future reallocation of funds from the Borrower Sinking Fund Reserve Account or changes to the required deposits to the Borrower Sinking Fund Reserve Account. Any request for reallocation of the Borrower Sinking Fund Reserve Account must include a deposit to the Replacement Reserve of no less than \$300,000, which is equivalent to the amount of funding that is projected to be needed but is not provided under the Loan to cover Years 17-20 of the Project, plus any additional funds required based on an updated CNA, to be completed no longer than two years before the request.

ARTICLE 13 DISTRIBUTIONS.

13.1 Definition. "Distributions" refers to cash or other benefits received as Project Income from the operation of the Project and available to be distributed to Borrower or any party having a beneficial interest in the Project, but does not include reasonable payments for property management, asset management or other services performed in connection with the Project.

13.2 Conditions to Distributions. The 20-Year Cash Flow Proforma attached hereto as Exhibit B-2 includes projections of annual Distributions. Exhibit B-2 is not intended to impose limits on the amounts to be annually distributed. Distributions for a particular fiscal year may be made only following: (a) City approval of the Annual Monitoring Report submitted for that year; (b) the City's determination that Borrower is not in default under this Agreement or any other agreement entered into with the City and County of San Francisco or the City for the Project; and (c) the City's determination that the amount of the proposed Distribution satisfies the conditions of this Agreement. The City will be deemed to have approved Borrower's written request for approval of a proposed Distribution unless the City delivers its disapproval or request for more information to Borrower within thirty (30) business days after the City's receipt of the request for approval.

13.3 Prohibited Distributions. No Distribution may be made in the following circumstances:

- (a) when a written notice of default has been issued by any entity with an equitable or beneficial interest in the Project and the default is not cured within the applicable cure periods; or
- (b) when the City determines that Borrower or Borrower's management agent has failed to comply with this Agreement; or
- (c) if required debt service on all loans secured by the Project and all operating expenses have not been paid current; or
 - (i) if the Replacement Reserve Account, Operating Reserve Account or any other reserve account required for the Project is not fully funded under this Agreement; or
 - (j) If there have been any draws from the Sinking Funds in the prior year; or
- (e) if the Loan is to be repaid from Residual Receipts, Borrower failed to make a payment when due on a Payment Date and the sum remains unpaid; or
- (f) during the pendency of an uncured Event of Default (including Borrower's failure to provide its own funds at any time the City determines the Loans are out of balance) under any City Document.

13.4 Borrower's Use of Residual Receipts for Development. To the extent that making a Distribution is not inconsistent with any other financing agreement for the Project, and subject to the limitations in this Article, with the City's prior written approval, Borrower may retain a portion of Residual Receipts in lieu of using them to repay the Loan in an amount consistent with the Residual Receipts Policy attached hereto as Exhibit K. Borrower acknowledges that the City may withhold its consent to a Distribution in any year in which Residual Receipts are insufficient to meet Borrower's payment obligations under the Note.

ARTICLE 14 SYNDICATION PROCEEDS.

14.1 Distribution and Use. If Borrower is a limited partnership or limited liability company, and unless otherwise approved by the City in writing, Borrower must allocate, distribute and pay or cause to be allocated, distributed and paid all net syndication proceeds and all loan and grant funds as specified in the Table. Borrower must notify the City of the receipt and disposition of any net syndication proceeds received by Borrower during the term of this Agreement.

ARTICLE 15 DEVELOPER FEES.

15.1 Amount. Borrower is entitled to receive fees from the Loan in a total amount not to exceed Seven Hundred Forty Thousand and No/100 Dollars (\$740,000.00) for developing the Project ("Developer Fees"), payable through the close of escrow.

ARTICLE 16 TRANSFERS.

16.1 Permitted Transfers/Consent. Borrower may not cause or permit any voluntary transfer, assignment or encumbrance of all or any portion of its interest in the Site or Project or of any ownership interests in Borrower, or lease or permit a sublease on all or any part of the Project, other than: (a) leases, subleases or occupancy agreements to occupants of Units; and (b) leases, subleases, or occupancy agreements for the Commercial Space with City's prior approval; (c) security interests for the benefit of lenders securing loans for the Project as approved by the City on terms and in amounts as approved by City in its reasonable discretion. Any other transfer, assignment, encumbrance or lease without the City's prior written consent will be voidable and, at the City's election, constitute an Event of Default under this Agreement. The City's consent to any specific assignment, encumbrance, lease or other transfer will not constitute its consent to any subsequent transfer or a waiver of any of the City's rights under this Agreement.

ARTICLE 17 INSURANCE AND BONDS.

17.1 Borrower's Insurance. Subject to approval by the City's Risk Manager of the insurers and policy forms, Borrower must obtain and maintain, or cause to be obtained and maintained, insurance and bonds as set forth in **Exhibit L** throughout the Compliance Term of this Agreement at no expense to the City.

ARTICLE 18 GOVERNMENTAL APPROVALS.

18.1 Compliance. Borrower covenants that it has obtained or will obtain in a timely manner and comply with all federal, state and local governmental approvals required by Law to be obtained for the Project. Subject to **Section 23.1**, this Section does not prohibit Borrower from contesting any interpretation or application of Laws in good faith and by appropriate proceedings.

ARTICLE 19 DEFAULT.

19.1 Event of Default. Any material breach by Borrower of any covenant, agreement, provision or warranty contained in this Agreement or in any of the City Documents that remains uncured upon the expiration of any applicable notice and cure periods contained in any City Document will constitute an "Event of Default," including the following:

(a) Borrower fails to make any payment required under this Agreement within ten (10) days after the date when due; or

(b) Any lien is recorded against all or any part of the Site or the Project without the City's prior written consent, whether prior or subordinate to the lien of the SSP Deed of Trust, or the Declaration of Restrictions, and the lien is not removed from title or otherwise remedied to the City's satisfaction within thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(c) Borrower fails to perform or observe any other term, covenant or agreement contained in any City Document, and the failure continues for thirty (30) days after Borrower's receipt of written notice from the City to cure the default, or, if the default cannot be cured within a 30-day period, Borrower will have sixty (60) days to cure the default, or any longer period of time deemed necessary by the City, *provided that* Borrower commences to cure the default within the 30-day period and diligently pursues the cure to completion; or

(d) Any representation or warranty made by Borrower in any City Document proves to have been incorrect in any material respect when made; or

(e) All or a substantial or material portion of the improvements on the Site is damaged or destroyed by fire or other casualty, and the City has determined upon restoration or repair that the security of the SSP Deed of Trust has been impaired or that the repair, restoration or replacement of the improvements in accordance with the requirements of the SSP Deed of Trust is not economically practicable or is not completed within two (2) years of the receipt of insurance proceeds; or all or a substantial or material portion of the improvements is condemned, seized or appropriated by any non-City Governmental Agency or subject to any action or other proceeding instituted by any non-City Governmental Agency for any purpose with the result that the improvements cannot be operated for their intended purpose; or

(f) Borrower is dissolved or liquidated or merged with or into any other entity; or, if Borrower is a corporation, partnership, limited liability company or trust, Borrower ceases to exist in its present form and (where applicable) in good standing and duly qualified under the laws of the jurisdiction of formation and California for any period of more than ten (10) days; or, if Borrower is an individual, Borrower dies or becomes incapacitated; or all or substantially all of the assets of Borrower are sold or otherwise transferred except as permitted under **Section 16.1**; or

(g) Without the City's prior written consent, Borrower assigns or attempts to assign any rights or interest under any City Document, whether voluntarily or involuntarily, except as permitted under **Section 16.1**; or

(h) Without the City's prior written consent, Borrower voluntarily or involuntarily assigns or attempts to sell, lease, assign, encumber or otherwise transfer all or any portion of the ownership interests in Borrower or of its right, title or interest in the Project or the Site except as permitted under **Article 16**; or

(i) Without the City's prior written consent, Borrower transfers, or authorizes the transfer of, funds in any Account required or authorized under this Agreement; or

(j) The SSP Deed of Trust or the Declaration of Restrictions ceases to constitute a valid and indefeasible perfected lien on the Site and improvements, subject only to Permitted Exceptions; or

(k) Borrower is subject to an order for relief by the bankruptcy court, or is unable or admits in writing its inability to pay its debts as they mature or makes an assignment for the benefit of creditors; or Borrower applies for or consents to the appointment of any receiver, trustee or similar official for Borrower or for all or any part of its property (or an appointment is made without its consent and the appointment continues undischarged and unstayed for sixty (60) days); or Borrower institutes or consents to any bankruptcy, insolvency, reorganization, arrangement, readjustment of debt, dissolution, custodianship, conservatorship, liquidation, rehabilitation or similar proceeding relating to Borrower or to all or any part of its property under the laws of any jurisdiction (or a proceeding is instituted without its consent and continues undismissed and unstayed for more than sixty (60) days); or any judgment, writ, warrant of attachment or execution or similar process is issued or levied against the Site, the improvements or any other property of Borrower and is not released, vacated or fully bonded within sixty (60) days after its issue or levy; or

(l) Any material adverse change occurs in the financial condition or operations of Borrower, such as a loss of services funding or rental subsidies, that has a material adverse impact on the Project; or

(m) Borrower fails to make any payments or disbursements required to bring the Loan in balance after the City determines that the Loan is out of balance; or

(n) Borrower ceases rehabilitation or construction of the Project for a period of fifteen (15) consecutive working days, and the cessation is not excused under **Section 19.3**; or

(o) Borrower is in default of its obligations with respect to any funding obligation (other than the Loan) for the Project, and the default remains uncured following the expiration of any applicable cure periods; or

(p) Borrower is in default of its obligations under any other agreement entered into with the City and County of San Francisco, and the default remains uncured following the expiration of any applicable cure periods.

19.2 Remedies. During the pendency of an uncured Event of Default, the City may exercise any right or remedy available under this Agreement or any other City Document or at law or in equity. All of the City's rights and remedies following an Event of Default are cumulative, including:

(a) The City at its option may declare the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, immediately due and payable without protest, presentment, notice of dishonor, demand or further notice of any kind, all of which Borrower expressly waives.

(b) The City at its option may terminate all commitments to make Disbursements or to release the Site from the SSP Deed of Trust or the Declaration of Restrictions, or, without waiving the Event of Default, the City may determine to make further Disbursements or to release all or any part of the Site from the SSP Deed of Trust or the Declaration of Restrictions upon terms and conditions satisfactory to the City in its sole discretion.

(c) The City may perform any of Borrower's obligations in any manner, in the City's reasonable discretion.

(d) The City, either directly or through an agent or court-appointed receiver, may take possession of the Project and enter into contracts and take any other action the City deems appropriate to complete or construct all or any part of the improvements, subject to modifications and changes in the Project the City deems appropriate.

(e) The City may apply to any court of competent jurisdiction for specific performance, or an injunction against any violation, of this Agreement or for any other remedies or actions necessary or desirable to correct Borrower's noncompliance with this Agreement.

(f) Upon the occurrence of an Event of Default described in **Section 19.1(k)**, the unpaid principal balance of the Note, together with default interest as provided in the Note and any other charges due under the Note and the other City Documents, will become due and payable automatically.

(g) All costs, expenses, charges and advances of the City in exercising its remedies or to protect the Project will be deemed to constitute a portion of the principal balance of the Note, even if it causes the principal balance to exceed the face amount of the Note, unless Borrower reimburses the City within ten (10) days of the City's demand for reimbursement.

19.3 Force Majeure. The occurrence of any of the following events will excuse performance of any obligations of the City or Borrower rendered impossible to perform while the event continues: strikes; lockouts; labor disputes; acts of God; inability to obtain labor, materials or reasonable substitutes for either; governmental restrictions, regulations or controls; judicial orders; enemy or hostile governmental actions; civil commotion; fire or other casualty and other causes beyond the control of the party obligated to perform. The occurrence of a force majeure event will excuse Borrower's performance only in the event that Borrower has provided notice to the City within thirty (30) days after the occurrence or commencement of the event or events, and Borrower's performance will be excused for a period ending thirty (30) days after the termination of the event giving rise to the delay.

ARTICLE 20 REPRESENTATIONS AND WARRANTIES.

20.1 Borrower Representations and Warranties. As a further inducement for the City to enter into this Agreement, Borrower represents and warrants as follows:

(a) The execution, delivery and performance of the City Documents will not contravene or constitute a default under or result in a lien upon assets of Borrower under any applicable Law, any Charter Document of Borrower or any instrument binding upon or affecting Borrower, or any contract, agreement, judgment, order, decree or other instrument binding upon or affecting Borrower.

(b) When duly executed, the City Documents will constitute the legal, valid and binding obligations of Borrower. Borrower hereby waives any defense to the enforcement of the City Documents related to alleged invalidity of the City Documents.

(c) No action, suit or proceeding is pending or threatened that might affect Borrower or the Project adversely in any material respect.

(d) Borrower is not in default under any agreement to which it is a party, including any lease of real property.

(e) None of Borrower, Borrower's principals or Borrower's general contractor has been suspended or debarred by the Department of Industrial Relations or any Governmental Agency, nor has Borrower, any of its principals or its general contractor been suspended, disciplined or prohibited from contracting with any Governmental Agency.

(f) The Loan is in balance, and the Funding Amount, together with all other committed sources of financing for the Project, are sufficient to complete the Project in accordance with this Agreement.

(g) All statements and representations made by Borrower in connection with the Loan remain true and correct as of the date of this Agreement.

ARTICLE 21 NOTICES.

21.1 Written Notice. All notices required by this Agreement must be made in writing and may be communicated by personal delivery, by a nationally recognized courier that obtains receipts, facsimile (if followed within one (1) business day by first class mail) or by United States certified mail, postage prepaid, return receipt requested. Delivery will be deemed complete as of the earlier of actual receipt (or refusal to accept proper delivery) or five (5) days after mailing, *provided that* any notice that is received after 5 p.m. on any day or on any weekend or holiday will be deemed to have been received on the next succeeding business day. Notices must be addressed as follows:

To the City: Mayor's Office of Housing and Community Development
1 South Van Ness Avenue, 5th Floor
San Francisco, CA 94103
Attn: Director

To Borrower: Chinatown SROs LLC
615 Grant Avenue
San Francisco, California 94108
Attn: Executive Director

or any other address a party designates from time to time by written notice sent to the other party in manner set forth in this Section.

21.2 Required Notices. Borrower agrees to provide notice to the City in accordance with **Section 21.1** of the occurrence of any change or circumstance that: (a) will have an adverse effect on the physical condition or intended use of the Project; (b) causes the Loan to be out of balance; or (c) will have a material adverse effect on Borrower's operation of the Property or ability to repay the Loan.

ARTICLE 22 HAZARDOUS SUBSTANCES.

22.1 Borrower's Representations. Borrower represents and warrants to the City that, to the best of Borrower's actual knowledge, without independent investigation or inquiry as of the Agreement Date, the following statements are true and correct: (a) the Site is not in violation of any Environmental Laws; (b) the Site is not now, nor has it been, used for the manufacture, use, storage, discharge, deposit, transportation or disposal of any Hazardous Substances, except in limited quantities customarily used in residences and offices and in compliance with Environmental Laws; (c) the Site does not consist of any landfill or contain any underground storage tanks; (d) the improvements on the Site do not consist of any asbestos-containing materials or building materials that contain any other Hazardous Substances; (e) no release of any Hazardous Substances in the improvements on the Site has occurred or in, on, under or about the Site; and (f) the Site is not subject to any claim by any Governmental Agency or third party related to any Environmental Activity or any inquiry by any Governmental Agency (including

the California Department of Toxic Substances Control and the Regional Water Quality Control Board) with respect to the presence of Hazardous Substances in the improvements on the Site or in, on, under or about the Site, or the migration of Hazardous Substances from or to other real property.

22.2 Covenant. Unless the City otherwise consents in writing, at all times from and after the date of this Agreement, at its sole expense, Borrower must: (a) comply with the MOHCD approved Operations & Maintenance (O&M) Program; and (b) comply with all applicable Environmental Laws relating to the Site and the Project, and not engage in or otherwise permit the occurrence of any Environmental Activity in violation of any applicable Environmental Laws or that is not customary and incidental to the intended use of the Site, *provided that* nothing contained in this Section will prevent Borrower from contesting, in good faith and by appropriate proceedings, any interpretation or application of Environmental Laws; and (b) deliver to the City notice of the discovery by Borrower of any event rendering any representation contained in this Section incorrect in any respect promptly following Borrower's discovery.

ARTICLE 23 INDEMNITY.

23.1 Borrower's Obligations. Borrower must Indemnify the City and its respective officers, agents and employees (individually or collectively, an "Indemnitee") against any and all Losses arising out of: (a) any default by Borrower in the observance or performance of any of Borrower's obligations under the City Documents (including those covenants set forth in **Article 22** above); (b) any failure of any representation by Borrower to be correct in all respects when made; (c) injury or death to persons or damage to property or other loss occurring on or in connection with the Site or the Project, whether caused by the negligence or any other act or omission of Borrower or any other person or by negligent, faulty, inadequate or defective design, building, construction, rehabilitation or maintenance or any other condition or otherwise; (d) any claim of any surety in connection with any bond relating to the construction or rehabilitation of any improvements or offsite improvements; (e) any claim, demand or cause of action, or any action or other proceeding, whether meritorious or not, brought or asserted against any Indemnitee that relates to or arises out of the City Documents, the Loan, the Site or the Project or any transaction contemplated by, or the relationship between Borrower and the City or any action or inaction by the City under, the City Documents; (f) the occurrence, before the expiration of the Compliance Term, of any Environmental Activity or any failure of Borrower or any other person to comply with all applicable Environmental Laws relating to the Project or the Site; (g) the occurrence, after the Compliance Term, of any Environmental Activity resulting directly or indirectly from any Environmental Activity occurring before the Compliance Term; (h) any liability of any nature arising from Borrower's contest of or relating to the application of any Law, including any contest permitted under **Sections 9.1, 18.1 and 22.2**; or (i) any claim, demand or cause of action, or any investigation, inquiry, order, hearing, action or other proceeding by or before any Governmental Agency, whether meritorious or not, that directly or indirectly relates to, arises from or is based on the occurrence or allegation of any of the matters described in clauses (a) through (h) above, *provided that* no Indemnitee will be entitled to indemnification under this Section for matters caused solely by its own gross negligence or willful misconduct. In the event any action or proceeding is brought against an Indemnitee by

reason of a claim arising out of any Loss for which Borrower has indemnified the Indemnitees, upon written notice, Borrower must answer and otherwise defend the action or proceeding using counsel approved in writing by the Indemnitee at Borrower's sole expense. Each Indemnitee will have the right, exercised in its sole discretion, but without being required to do so, to defend, adjust, settle or compromise any claim, obligation, debt, demand, suit or judgment against the Indemnitee in connection with the matters covered by this Agreement. The provisions of this Section will survive the repayment of the Loan and/or termination of this Agreement.

23.2 No Limitation. Borrower's obligations under **Section 23.1** are not limited by the insurance requirements under this Agreement.

ARTICLE 24 GENERAL PROVISIONS.

24.1 Subordination. The SSP Deed of Trust may be subordinated to other financing secured by and used for development of the Project (in each case, a "Senior Lien"), but only if MOHCD determines, in its sole discretion, that subordination is necessary to secure adequate acquisition, construction, rehabilitation and/or permanent financing to ensure the viability of the Project. Following review and approval by MOHCD and approval as to form by the City Attorney's Office, the Director of MOHCD or his/her successor or designee will be authorized to execute any approved subordination agreement without the necessity of any further action or approval.

24.2 No Third Party Beneficiaries. Nothing contained in this Agreement, nor any act of the City, may be interpreted or construed as creating the relationship of third party beneficiary, limited or general partnership, joint venture, employer and employee, or principal and agent between the City and Borrower or Borrower's agents, employees or contractors.

24.3 No Claims by Third Parties. Nothing contained in this Agreement creates or justifies any claim against the City by any person or entity with respect to the purchase of materials, supplies or equipment, or the furnishing or the performance of any work or services with respect to the Project. Borrower must include this requirement as a provision in any contracts for the development of the Project.

24.4 Entire Agreement. This Agreement and its Exhibits incorporate the terms of all agreements made by the City and Borrower with regard to the subject matter of this Agreement. No alteration or variation of the terms of this Agreement will be valid unless made in writing and signed by the parties hereto. No oral understandings or agreements not incorporated herein will be binding on the City or Borrower.

24.5 City Obligations. The City's sole obligation under this Agreement is limited to providing the Funds as described in this Agreement, up to the Funding Amount. Under no circumstances, including breach of this Agreement, will the City be liable to Borrower for any special or consequential damages arising out of actions or failure to act by the City in connection with any of the City Documents.

24.6 Borrower Solely Responsible. Borrower is an independent contractor with the right to exercise full control of employment, direction, compensation and discharge of all persons assisting in the performance contemplated under this Agreement. Borrower is solely responsible for: (a) its own acts and those of its agents, employees and contractors and all matters relating to their performance, including compliance with Social Security, withholding and all other Laws governing these matters and requiring that contractors include in each contract that they will be solely responsible for similar matters relating to their employees; (b) any losses or damages incurred by Borrower, any of its contractors or subcontractors and the City and its officers, representatives, agents and employees on account of any act, error or omission of Borrower in the performance of this Agreement or any other City Document and the development and operation of the Project; and (c) all costs and expenses relating to Borrower's performance of obligations under the City Documents, the delivery to the City of documents, information or items under or in connection with any of the City Documents and taxes, fees, costs or other charges payable in connection with the execution, delivery, filing and/or recording of any City Document or document required under any City Document.

24.7 No Inconsistent Agreements. Borrower warrants that it has not executed and will not execute any other agreement(s) with provisions materially contradictory or in opposition to the provisions of this Agreement.

24.8 Inconsistencies in City Documents. In the event of any conflict between the terms of this Agreement and any other City Document, the terms of this Agreement control unless otherwise stated; *provided, however*, that any provision in this Agreement in conflict with any Law will be interpreted subject to that Law.

24.9 Governing Law. This Agreement is governed by California law without regard to its choice of law rules.

24.10 Joint and Several Liability. If Borrower consists of more than one person or entity, each is jointly and severally liable to the City for the faithful performance of this Agreement.

24.11 Successors. Except as otherwise limited herein, the provisions of this Agreement bind and inure to the benefit of the undersigned parties and their heirs, executors, administrators, legal representatives, successors and assigns. This provision does not relieve Borrower of its obligation under the City Documents to obtain the City's prior written consent to any assignment or other transfer of Borrower's interests in the Loan, the Site or the ownership interests in Borrower.

24.12 Severability. The invalidity or unenforceability of any one or more provisions of this Agreement will in no way affect any other provision.

24.13 Time. Time is of the essence in this Agreement. Whenever the date on which an action must be performed falls on a Saturday, Sunday or federal holiday, the date for performance will be deemed to be the next succeeding business day.

24.14 Further Assurances. Borrower agrees to: (a) pursue in an effective and continuous manner; (b) use best efforts to achieve; and (c) take all actions reasonably required by the City from time to time to confirm or otherwise carry out the purpose of this Agreement.

24.15 Binding Covenants. The provisions of the City Documents constitute covenants running with the land and will be binding upon Borrower and Borrower's successors and assigns, and all parties having or acquiring any right, title or interest in whatever form, including leasehold interests, in or to any part of the Property, except that the same will terminate and become void automatically at the expiration of the Compliance Term of this Agreement. Any attempt to transfer any right, title or interest in the Property in violation of these covenants will be void.

24.16 Consent. Except as expressly provided otherwise, whenever consent or approval of a party is required in any City Document, that party agrees not to withhold or delay its consent or approval unreasonably.

24.78 Counterparts. This Agreement may be executed in any number of counterparts, all of which will constitute but one agreement.

24.18 Borrower's Personnel. The Project shall be implemented only by competent personnel under the direction and supervision of Borrower.

24.19 Borrower's Board of Directors. Borrower shall at all times be governed by a legally constituted and fiscally responsible board of directors. Such board of directors shall meet regularly and maintain appropriate membership, as established in Borrower's bylaws and other governing documents, and shall adhere to applicable provisions of federal, state and local laws governing nonprofit corporations. Borrower's board of directors shall exercise such oversight responsibility with regard to this Agreement as is necessary to ensure full and prompt performance by Borrower of its obligations under this Agreement.

EXHIBIT D

First Source Hiring Requirements and Numerical Goals

Borrower's use of Funds triggers the following hiring requirements imposed by the City's First Source Hiring Ordinance (San Francisco Administrative Code Chapter 83).

Borrower will, or will require its general contractor to, separately execute a First Source Hiring Agreement with the City as set forth below, although the lack of such a separate execution will not affect the requirements of Chapter 83 as incorporated herein.

A. Incorporation of Administrative Code Provisions by Reference. The provisions of Chapter 83 of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Contractor will comply fully with, and be bound by, all of the provisions that apply to this Agreement under such Chapter, including but not limited to the remedies provided therein. Capitalized terms used in this Section and not defined in this Agreement have the meanings assigned to such terms in Chapter 83.

B. First Source Hiring Agreement. On or before the effective date of the Ground Lease, Borrower will, or will require its general contractor to, enter into a first source hiring agreement ("FSH Agreement") with the City, that will include the terms as set forth in Section 83.9(b). Borrower also enter into a FSH Agreement with the City for any other work that it performs in the City.

C. Hiring Decisions. Borrower or its general contractor will make the final determination of whether an Economically Disadvantaged Individual referred by the System is "qualified" for the position.

D. Exceptions. Upon application by Contractor, the First Source Hiring Administration may grant an exception to any or all of the requirements of Chapter 83 in any situation where it concludes that compliance with this Chapter would cause economic hardship.

E. Liquidated Damages. Borrower agrees:

1. To be liable to the City for liquidated damages as provided in this Section;
2. To be subject to the procedures governing enforcement of breaches of contracts based on violations of contract provisions required by this Chapter as set forth in this Section;
3. That the Borrower's commitment to comply with this Chapter is a material element of the City's consideration for this contract; that the failure of the contractor to comply with the contract provisions required by this Chapter will cause harm to the City and the public which is significant and substantial but extremely difficult to quantify; that the harm to the City includes not only the financial cost of funding public assistance programs but also the insidious but impossible to quantify harm that this community and

its families suffer as a result of unemployment; and that the assessment of liquidated damages of up to \$5,000 for every notice of a new hire for an entry level position improperly withheld by the contractor from the first source hiring process, as determined by the FSHA during its first investigation of a contractor, does not exceed a fair estimate of the financial and other damages that the City suffers as a result of the contractor's failure to comply with its first source referral contractual obligations.

4. That the continued failure by a contractor to comply with its first source referral contractual obligations will cause further significant and substantial harm to the City and the public, and that a second assessment of liquidated damages of up to \$10,000 for each entry level position improperly withheld from the FSHA, from the time of the conclusion of the first investigation forward, does not exceed the financial and other damages that the City suffers as a result of the contractor's continued failure to comply with its first source referral contractual obligations;

5. That in addition to the cost of investigating alleged violations under this Section, the computation of liquidated damages for purposes of this Section is based on the following data:

a. The average length of stay on public assistance in San Francisco's County Adult Assistance Program is approximately 41 months at an average monthly grant of \$348 per month, totaling approximately \$14,379; and

b. In 2004, the retention rate of adults placed in employment programs funded under the Workforce Investment Act for at least the first six months of employment was 84.4%. Since qualified individuals under the First Source program face far fewer barriers to employment than their counterparts in programs funded by the Workforce Investment Act, it is reasonable to conclude that the average length of employment for an individual whom the First Source Program refers to a contractor and who is hired in an entry level position is at least one year; therefore, liquidated damages that total \$5,000 for first violations and \$10,000 for subsequent violations as determined by FSHA constitute a fair, reasonable, and conservative attempt to quantify the harm caused to the City by the failure of a contractor to comply with its first source referral contractual obligations.

6. That the failure of contractors to comply with this Chapter, except property contractors, may be subject to the debarment and monetary penalties set forth in Sections 6.80 et seq. of the San Francisco Administrative Code, as well as any other remedies available under the contract or at law; and

7. That in the event the City is the prevailing party in a civil action to recover liquidated damages for breach of a contract provision required by this Chapter, the contractor will be liable for the City's costs and reasonable attorney's fees.

Violation of the requirements of Chapter 83 is subject to an assessment of liquidated damages in the amount of \$5,000 for every new hire for an Entry Level Position improperly withheld from the first source hiring process. The assessment of liquidated

damages and the evaluation of any defenses or mitigating factors will be made by the FSHA.

F. Subcontracts. Any subcontract entered into by Borrower or its general contractor will require the subcontractor to comply with the requirements of Chapter 83 and will contain contractual obligations substantially the same as those set forth in this Section.

EXHIBIT E
Governmental Requirements

1. Prevailing Wages and Working Conditions.

Any undefined, initially-capitalized term used in this Section shall have the meaning given to such term in San Francisco Administrative Code Section 23.61. Borrower agrees to require its Contractors and Subcontractors performing (i) labor in the construction of a “public work” as defined in California Labor Code Section 1720 et seq. (which includes certain construction, alteration, maintenance, demolition, installation, repair, carpet laying, or refuse hauling if paid for in whole or part out of public funds), or (ii) Covered Construction at the Project or Site to (1) pay workers performing such work not less than the Prevailing Rate of Wages, (2) provide the same hours, working conditions and benefits as in each case are provided for similar work performed in San Francisco County, and (3) employ Apprentices in accordance with San Francisco Administrative Code Section 23.61 (collectively, “Prevailing Wage Requirements”). Borrower agrees to cooperate with the City in any action or proceeding against a Contractor or Subcontractor that fails to comply with the Prevailing Wage Requirements.

If applicable, Borrower shall include, and require its Contractors and Subcontractors (regardless of tier) to include, the Prevailing Wage Requirements and the agreement to cooperate in City enforcement actions in any Construction Contract with specific reference to San Francisco Administrative Code Section 23.61. Each such Construction Contract shall name the City and County of San Francisco, affected workers, and employee organizations formally representing affected workers as third party beneficiaries for the limited purpose of enforcing the Prevailing Wage Requirements, including the right to file charges and seek penalties against any Contractor or Subcontractor in accordance with San Francisco Administrative Code Section 23.61. Borrower’s failure to comply with its obligations under this Section shall constitute a material breach of the Agreement. A Contractor’s or Subcontractor’s failure to comply with this Section will enable the City to seek the remedies specified in San Francisco Administrative Code Section 23.61 against the breaching party.

2. Environmental Review. The Project must meet the requirements of the California Environmental Quality Act (Cal. Pub. Res. Code §§ 2100 *et seq.*) and implementing regulations.

3. Conflict of Interest.

(a) Except for approved eligible administrative or personnel costs, no employee, agent, consultant, officer or official of Borrower or the City who exercises or has exercised any function or responsibilities with respect to activities assisted by Funds, in whole or in part, or who is in a position to participate in a decision-making process or gain inside information with regard to such activities, may obtain a financial interest in or benefit from the activities assisted under this Agreement, or have an interest, direct or indirect, in any contract, subcontract or agreement with respect thereto, or in the proceeds thereunder either for himself/herself or for those with whom he/she has family or business ties, during his/her tenure and for one year thereafter. In order to carry out the purpose of this Section, Borrower must incorporate, or cause to be incorporated, in all contracts, subcontracts and agreements relating to activities assisted under the Agreement, a provision similar to that of this Section. Borrower will

be responsible for obtaining compliance with conflict of interest provisions by the parties with whom it contracts and, in the event of a breach, Borrower must take prompt and diligent action to cause the breach to be remedied and compliance to be restored.

(b) Borrower represents that it is familiar with the provisions of Section 15.103 of the San Francisco Charter, Article III, Chapter 2, and Section 1.126 of the San Francisco Campaign and Governmental Conduct Code, and Sections 1090 through 1097 and 87100 *et seq.* of the California Government Code, all of which relate to prohibited conflicts of interest and prohibited contributions in connection with government contracts. Borrower certifies that it knows of no facts that constitute a violation of any of these provisions and agrees to notify the City immediately if Borrower at any time obtains knowledge of facts constituting a violation. The City will notify its Ethics Commission of the parties to this Agreement in accordance with Section 1.126 of the San Francisco Campaign and Governmental Conduct Code.

(c) In the event of any violation of the conflict of interest prohibitions, Borrower agrees that the City may refuse to consider any future application for funding from Borrower or any entity related to Borrower until the violation has been corrected to the City's satisfaction, in the City's sole discretion.

4. Disability Access. Borrower must comply with all applicable disability access Laws, including the Americans With Disabilities Act (42 U.S.C. §§ 1201 *et seq.*), Section 504 of the Rehabilitation Act (29 U.S.C. § 794) and the Fair Housing Amendments Act (42 U.S.C. §§ 3601 *et seq.*). Borrower is responsible for determining which disability access Laws apply to the Project, including those applicable due to the use of Funds. In addition, before occupancy of the Project, Borrower must provide to the City a written reasonable accommodations policy that indicates how Borrower will respond to requests by disabled individuals for accommodations in Units and common areas of the Project.

5. Lead-Based Paint. Borrower must satisfy the requirements of Chapter 36 of the San Francisco Building Code ("Work Practices for Exterior Lead-Based Paint") and the Lead-Based Paint Poisoning Prevention Act (42 U.S.C. §§ 4821 *et seq.*) and implementing regulations at 24 CFR part 35. Borrower must also comply with the provisions contained in 17 CCR 350000 *et seq.*, and 8 CCR 1532.1 and all other applicable Laws governing lead-based hazards.

6. Relocation. Borrower must meet any applicable requirements of the California Relocation Assistance Act (Cal. Gov. Code §§ 7260 *et seq.*) and implementing regulations in Title 25, Chapter 6 of the California Administrative Code and similar Laws. Borrower may use vacant Units in the Project to accommodate the temporary relocation of Qualified Tenants in other Small Sites Program Projects to complete rehabilitation for a period of up to 30 days, during which time, relocated Qualified Tenants must sign a relocation lease, approved as to form by the City, giving the relocated Qualified Tenant temporary right to the Unit for no more than a 30 day period. The use of Small Sites Program Units for temporary relocation applies only to other Small Sites Program Qualified Tenants and not to tenants residing in properties subject to other funding sources and/or program regulations.

7. First Source Hiring. Borrower agrees to comply with San Francisco Administrative Code, Chapter 83, as applicable.

8. Non-Discrimination in City Contracts and Benefits Ordinance.

(a) Borrower Shall Not Discriminate. In the performance of this Agreement, Borrower agrees not to discriminate against any employee, City and County employee working with Borrower or any subcontractor, applicant for employment with Borrower or any subcontractor, or against any person seeking accommodations, advantages, facilities, privileges, services or membership in all business, social or other establishments or organizations operated by Borrower on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, sex, sexual orientation, gender identity, domestic partner status, marital status, height, weight, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(b) Subcontracts. Borrower shall incorporate by reference in all subcontracts the provisions of Sections 12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code. Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(c) Non-Discrimination in Benefits. Borrower does not as of the date of this Agreement and will not during the term of this Agreement, in any of its operations in San Francisco or where the work is being performed for the City or elsewhere within the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in Section 12B.2(b) of the San Francisco Administrative Code.

(d) Condition to Contract. As a condition to this Agreement, Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (Form CMD-12B-101) with supporting documentation and secure the approval of the executed form by the San Francisco Contract Monitoring Division.

(e) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B ("Nondiscrimination in Contracts") and 12C ("Nondiscrimination in Property Contracts") of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Agreement as though fully set forth herein. Borrower shall comply fully with and be bound by all of the provisions that apply to this Agreement under such Chapters of the Administrative Code, including the remedies provided in such Chapters. Without limiting the foregoing, Borrower understands that pursuant to Sections 12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions

of this Agreement may be assessed against Borrower and/or deducted from any payments due Borrower.

9. MacBride Principles. Pursuant to San Francisco Administrative Code Section 12F.5, City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing below, the person executing this agreement on behalf of Borrower acknowledges and agrees that he or she has read and understood this Section.

10. Tropical Hardwood & Virgin Redwood Ban. Pursuant to § 804(b) of the San Francisco Environment Code, City urges all grantees and borrowers not to import, purchase, obtain or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

11. Preservative-Treated Wood Containing Arsenic. Borrower may not purchase preservative-treated wood products containing arsenic until the SSP Deed of Trust has been fully reconveyed unless an exemption from the requirements of Chapter 13 of the San Francisco Environment Code is obtained from the Department of Environment under Section 1304 of the Code. The term "preservative-treated wood containing arsenic" shall mean wood treated with a preservative that contains arsenic, elemental arsenic, or an arsenic copper combination, including, but not limited to, chromated copper arsenate preservative, ammoniacal copper zinc arsenate preservative, or ammoniacal copper arsenate preservative. Borrower may purchase preservative-treated wood products on the list of environmentally preferable alternatives prepared and adopted by the Department of the Environment. This provision does not preclude Borrower from purchasing preservative-treated wood containing arsenic for saltwater immersion. The term "saltwater immersion" shall mean a pressure-treated wood that is used for construction purposes or facilities that are partially or totally immersed in saltwater.

12. Submitting False Claims; Monetary Penalties. Any borrower, grantee, contractor, subcontractor or consultant who submits a false claim shall be liable to the City for the statutory penalties set forth in that section. A borrower, grantee, contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the borrower, grantee, contractor, subcontractor or consultant:

(a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval;

(b) knowingly makes, uses or causes to be made or used a false record or statement to get a false claim paid or approved by the City;

(c) conspires to defraud the City by getting a false claim allowed or paid by the City;

(d) knowingly makes, uses or causes to be made or used a false record or statement to conceal, avoid or decrease an obligation to pay or transmit money or property to the City; or

(e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

13. Sunshine Ordinance.

(a) Borrower acknowledges and agrees that this Agreement and the Application Documents are subject to Section 67.24(e) of the San Francisco Administrative Code, which provides that contracts, including this Agreement, grantee's bids, responses to Requests for Proposals (RFPs) and all other records of communications between City and persons or entities seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in such Section 67.24(e) (as it exists on the date hereof) requires the disclosure of a private person's or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. All information provided by Borrower that is covered by such Section 67.24(e) (as it may be amended from time to time) will be made available to the public upon request. Further, Borrower specifically agrees that any meeting of the governing body of its manager that addresses any matter relating to the Project or to Borrower's performance under this Agreement will be conducted as a passive meeting.

(b) By executing this Agreement, Borrower agrees to comply with the provisions of Chapter 12L of the San Francisco Administrative Code to the extent applicable. By executing this Agreement, Borrower agrees to open its meetings and records to the public in the manner set forth in Sections 12L.4 and 12L.5 of the San Francisco Administrative Code. Borrower further agrees to make good faith efforts to promote community membership on its Board of Directors in the manner set forth in Section 12L.6 of the Administrative Code. Borrower acknowledges that its material failure to comply with any of the provisions of this paragraph shall constitute a material breach of this Agreement. Borrower further acknowledges that such material breach of the Agreement shall be grounds for the City to terminate and/or not renew the Agreement, partially or in its entirety.

(c) In accordance with the Citizen's Right to Know Act of 1998 (S. F. Admin. Code Chapter 79), no officer, department, board or commission of the City may approve a City Project, as defined in Chapter 79, unless a sign has been posted on the applicable property at least fifteen (15) days before approval. A City Project is a project that involves new construction, a change in use or a significant expansion of an existing use where the City funding for the project is \$50,000 or more. If the loan will be used for a City Project, this Agreement will not become effective until fifteen (15) days following the posting of the requisite sign, or, in the alternative, thirty (30) days following the delivery of written notices to residents and owners within 300 feet of the Site, and the City will have the right to nullify or revoke this Agreement without cost or liability of any sort whatsoever at any time before that date. If Borrower believes that this Agreement relates to a City Project and that the requisite sign has not been posted,

Borrower must notify the City so that the City may determine the applicability of Chapter 79, and, if necessary, post the requisite sign.

14. Prohibition on Use of Public Funds for Political Activities. Borrower shall comply with San Francisco Administrative Code Chapter 12G, which prohibits funds appropriated by the City for this Agreement from being expended to participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure. Borrower is subject to the enforcement and penalty provisions in Chapter 12G.

15. Nondisclosure of Private Information. Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information", and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. Borrower agrees that any failure of Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of the Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate the Agreement, bring a false claim action against Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar Borrower.

16. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and County and its residents, and to prevent the further spread of graffiti.

(a) Borrower shall remove all graffiti from any real property owned or leased by Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This section is not intended to require a Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

(b) Any failure of Borrower to comply with this section of this Agreement shall constitute an Event of Default of this Agreement.

17. Resource-Efficient Building Ordinance. Borrower acknowledges that the City and County of San Francisco has enacted San Francisco Environment Code Chapter 7 relating to resource-efficient City buildings and resource-efficient pilot projects. Borrower hereby agrees it shall comply with the applicable provisions of such code sections as such sections may apply to the Property.

18. Consideration of Criminal History in Hiring and Employment Decisions.

(a) Borrower agrees to comply fully with and be bound by all of the provisions of Chapter 12T “City Contractor/Subcontractor Consideration of Criminal History in Hiring and Employment Decisions,” of the San Francisco Administrative Code (Chapter 12T), including the remedies provided, and implementing regulations, as may be amended from time to time. The provisions of Chapter 12T are incorporated by reference and made a part of this Agreement as though fully set forth herein. The text of the Chapter 12T is available on the web at www.sfgov.org/olse/fco. A partial listing of some of Borrower’s obligations under Chapter 12T is set forth in this Section. Borrower is required to comply with all of the applicable provisions of 12T, irrespective of the listing of obligations in this Section. Capitalized terms used in this Section and not defined in this Agreement shall have the meanings assigned to such terms in Chapter 12T.

(b) The requirements of Chapter 12T shall only apply to a Borrower’s or Subcontractor’s operations to the extent those operations are in furtherance of the performance of this Agreement, shall apply only to applicants and employees who would be or are performing work in furtherance of this Agreement, shall apply only when the physical location of the employment or prospective employment of an individual is wholly or substantially within the City of San Francisco, and shall not apply when the application in a particular context would conflict with federal or state law or with a requirement of a government agency implementing federal or state law.

(c) Borrower shall incorporate by reference in all subcontracts the provisions of Chapter 12T, and shall require all subcontractors to comply with such provisions. Borrower’s failure to comply with the obligations in this subsection shall constitute a material breach of this Agreement.

(d) Borrower or Subcontractor shall not inquire about, require disclosure of, or if such information is received base an Adverse Action on an applicant’s or potential applicant for employment, or employee’s: (1) Arrest not leading to a Conviction, unless the Arrest is undergoing an active pending criminal investigation or trial that has not yet been resolved; (2) participation in or completion of a diversion or a deferral of judgment program; (3) a Conviction that has been judicially dismissed, expunged, voided, invalidated, or otherwise rendered inoperative; (4) a Conviction or any other adjudication in the juvenile justice system; (5) a Conviction that is more than seven years old, from the date of sentencing; or (6) information pertaining to an offense other than a felony or misdemeanor, such as an infraction.

(e) Borrower or Subcontractor shall not inquire about or require applicants, potential applicants for employment, or employees to disclose on any employment application the facts or details of any conviction history, unresolved arrest, or any matter identified in subsection 16.16(d), above. Borrower or Subcontractor shall not require such disclosure or make such

inquiry until either after the first live interview with the person, or after a conditional offer of employment.

(f) Borrower or Subcontractor shall state in all solicitations or advertisements for employees that are reasonably likely to reach persons who are reasonably likely to seek employment to be performed under this Agreement, that the Borrower or Subcontractor will consider for employment qualified applicants with criminal histories in a manner consistent with the requirements of Chapter 12T.

(g) Borrower and Subcontractors shall post the notice prepared by the Office of Labor Standards Enforcement (OLSE), available on OLSE's website, in a conspicuous place at every workplace, job site, or other location under the Borrower or Subcontractor's control at which work is being done or will be done in furtherance of the performance of this Agreement. The notice shall be posted in English, Spanish, Chinese, and any language spoken by at least 5% of the employees at the workplace, job site, or other location at which it is posted.

(h) Borrower understands and agrees that if it fails to comply with the requirements of Chapter 12T, the City shall have the right to pursue any rights or remedies available under Chapter 12T, including but not limited to, a penalty of \$50 for a second violation and \$100 for a subsequent violation for each employee, applicant or other person as to whom a violation occurred or continued, termination or suspension in whole or in part of this Agreement.

19. Food Service Waste Reduction Requirements. Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Agreement as though fully set forth. This provision is a material term of this Agreement. By entering into this Agreement, Borrower agrees that if it breaches this provision, City will suffer actual damages that will be impractical or extremely difficult to determine; further, Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that City will incur based on the violation, established in light of the circumstances existing at the time this Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by City because of Borrower's failure to comply with this provision.

20. Bottled Drinking Water. Unless exempt, Borrower agrees to comply fully with and be bound by all of the provisions of the San Francisco Bottled Water Ordinance, as set forth in San Francisco Environment Code Chapter 24, including the administrative fines, remedies, and implementing regulations provided therein, as the same may be amended from time to time. The provisions of Chapter 24 are incorporated herein by reference and made a part of this Agreement as though fully set forth.

21. Local Business Enterprise and Non-Discrimination in Contracting Ordinance. Borrower will comply with the applicable requirements of the Local Business Enterprise Utilization and Non-Discrimination in Contracting Ordinance under Administrative Code

Chapter 14B (“LBE Ordinance”) and will incorporate such requirements, if any, in contracts with any Contractors and Subcontractors.

Completion and Submission Instructions

The Annual Monitoring Report consists of the following four parts:

I. AMR_RY2017 – project name.xlsx – This is a Microsoft Excel spreadsheet that is comprised of the following worksheets:

Instructions	3C. Demographic Summary
1A. Property & Residents	4. Narrative
1B. Transitional Programs	5. Project Financing
1C. Eviction Data	6. Services Funding
2. Fiscal Activity (revised)	7. Supplementary Audit Information Required by MOHCD
3A. Occupancy & Rent Info (revised)	Completeness Tracker
3B. Demographic Information	

Provide all applicable information that is requested in worksheets 1-7. Use the Instructions to help you complete each form and the Completeness Tracker to help you to determine when each worksheet is complete.

Use Question #1 on the Narrative worksheet to explain any data that you provide that may be unclear or better understood with additional information. In addition, certain questions in this report prompt you to supply an explanation for your answers on the Narrative worksheet. *Failure to supply the required explanation will render your submission incomplete.*

Submit this report as an Excel file only; do not convert it to pdf or another file type. Changing the format of AMR_RY2017.xlsx without MOHCD's prior approval is not allowed. Do not

overwrite any validations for any of the cells, alter any formulas or add or delete any rows or columns. If you need to revise the form in order to successfully complete the report, submit a request to moh.amr@sfgov.org.

II. Owner Compliance Certification Form and Documentation of Insurance – The certification form is a Microsoft Word document that must be completed, signed and dated by the Executive Director (or other authorized officer) of the entity that owns the project. Scan the form along with documentation of insurance and email it to MOHCD as a single document. For each project, you must provide certificates of liability insurance and property insurance that are *current as of the date of submittal of the AMR*.

III. Audited Financial Statements – Provide financial statements for the project for Reporting Year 2017. They must be prepared by a certified public accountant in accordance with generally accepted accounting principles, applicable regulations and laws and with the City's "[Audit Requirements for MOHCD-Funded Projects](#)" a copy of which is attached and posted on [MOHCD's Asset Management web page](#). If the project is owned by a single asset entity, provide separate financial statements just for the project, otherwise provide audited statements for the parent corporation. Also include copies of any Management Letters and special notes from the auditor that pertain to the property and the financial statements.

MOHCD's audit requirements call for the preparation of a supplemental section to the financial statements that includes the following for each MOHCD-funded project:

- schedule of operating revenues,
- schedule of operating expenses,
- computation of cash flow/surplus cash
- summary of project reserve activity

The supplemental section may be prepared by using worksheet #7 of the AMR or a form generated by the accounting system of the project owner or the auditor.

- contact information
- date of application,
- number of people in the household,
- stated household income and
- desired unit size.

This requirement is not applicable to transitional housing projects, residential treatment programs, shelters, group homes or permanent supportive housing for homeless people that is leased through a closed referral system.

Completed AMRs must be submitted electronically, via one email message per project to moh.amr@sfgov.org, or if desired, for multiple projects, via flash drive or compact disc sent to Mike McLoone at MOHCD. If the documents that comprise the report are too large to attach to a single email, compress the files into a zip file and attach it to the email.

AMR Training – April 12, 9:30 a.m.-12:15 p.m.

To facilitate completion of the AMR by project sponsors, MOHCD will conduct a training on from 9:30 a.m. to 12:15 p.m. on Thursday, 4/12, in our office at 1 South Van Ness Avenue, 5th Floor, Room 5080. attend and to bring a Wi-Fi enabled lap top computer. Space is limited. Please RSVP to Ricky Lam at ricky.lam@sfgov.org or 415-701-5542.

Serious Incident Protocol

To ensure that MOHCD is kept informed of serious incidents that occur at projects financed by this office, we have established the following protocol for reporting serious, negative events such as accidents, criminal activity or equipment failure. The report should be filed only after emergency procedures have been followed and the situation has been stabilized.

The Mayor's Office of Housing and Community Development requests that owners of projects financed by this office notify us immediately if a serious incident occurs at their properties and meets one or more of the following parameters:

- Involves serious injury or death
- Is a serious, violent crime that involves a major police action (e.g. shooting)
- Causes the building or a significant number of units to be off-line
- Requires a resident to move out of a unit one month or longer
- Damage to the building is significant enough to require the use of reserves

The owner should notify the MOHCD asset manager assigned to the project and provide the following information:

- The date of the incident
- A description of the incident
- A description of what has been and is being done in response
- The name, phone and email of the staff that should be contacted if there are questions
- Confirmation that 1) the property insurance is current and 2) the insurance company has been contacted; a brief summary of their response, if available
- Statement of whether or not the organization plans to use the project's reserves to pay for corrective action

Marketing of Available Units and Waiting List Openings

Before advertising the availability of units for lease in a project or the opening of the waiting list, owners and property managers must notify MOHCD of this action by completing a [Marketing Plan Template](#) and submitting it to the assigned staff person on MOHCD's asset management and compliance monitoring team. The template is available on the [Asset Management page](#) of our web site, under "Marketing Requirements for MOHCD-Financed Multifamily Rental Projects." Once the marketing plan is approved, MOHCD will post information about the available units or opening of the wait list on this [page of our web site](#). General information for people seeking affordable housing in San Francisco can also be found on our web site at [this location](#)

Project Street Address:

Reporting Period - Start Date: 1/0/1900

Reporting Period - End Date: 1/0/1900

MOHCD created the questions below to allow project owners to supply additional information about a small number of measurements that may indicate that a project is having difficulties. By providing this information, project owners will help provide context for the conclusions that can be made about the measurements. MOHCD will use the measurements and the information below to prioritize the projects that need closer scrutiny and support. Please supply as much information as is readily available.

1. Explanations & Comments

Use this space to record notes about any peculiarities in the data entry process. For example, if you entered a formula instead of a single number for a field, make a note here re: for which question on which worksheet that was done, and describe the formula & underlying numbers. Also use this field to describe in detail any amounts entered for "Other payments" on the worksheet "2.Fiscal," item 10.

2. Code Violations

Provide the following for any violations or citations of Health or Building or Housing Codes that were issued during the reporting period, or were issued in a prior reporting period but remained open during any time of the current reporting period:

Violation or Citation #	Date Issued	Issued By	Description	Cleared? (y/n)

(add additional rows as needed)

**** ONLY FOR ALL VIOLATIONS THAT WERE NOT RESOLVED by the end of the reporting period: You must also attach a SCANNED copy of each Violation/Citation to your AMR submittal. ****

Violation or Citation #	Date Cleared	Issued By	Description of Remedy

(add additional rows as needed)

**** ONLY FOR ALL VIOLATIONS THAT WERE NOT RESOLVED by the end of the reporting period: You must also attach a SCANNED copy of each Violation/Citation to your AMR submittal. ****

3. Major Repairs

Describe any major repair or replacement needs that have been identified as being required within the next 2 years, and any related plans to pay for whatever is needed.

4. Vacant Unit Rent-Up Time

If the project had an average VACANT UNIT RENT-UP TIME greater than 30 days for question 36 on the worksheet "1A.Prop&Residents," you must supply the following:

- a. A description of the work done to analyze the cause/s of the high turnaround time, and what the identified causes are; and
- b. A description of the work done to identify means of reducing the turnaround time, and all viable remedies that have been identified; and
- c. A description of the plan to implement any remedies, including specific timelines for the implementation work.

- a. when the marketing was conducted and how it was intended to reach populations least likely to apply for the project;
- b. any advertising, direct mailings, emailings and web postings that were done; and
- c. how many households were on the waiting list prior to the marketing and how many were on it after the marketing was completed.

6. Vacancy Rate ----->

If the project had a VACANCY RATE greater than 15%, as may be shown above from the Income Expense section of the worksheet "2.Fiscal," you must supply the following:

- a. A description of the work done to analyze the cause/s of the vacancy rate, and what the identified causes are; and
- b. A description of the work done to identify means of reducing the vacancy rate, and all viable remedies that have been identified; and
- c. A description of the plan to implement any remedies, including specific timelines for the implementation work.

7. Miscellaneous Expenses: Administrative/Operating & Maintenance

If the project had NEGATIVE CASH FLOW, as may be shown above from the Income Expense section of worksheet "2.Fiscal," you must supply the following:

- a. A description of the work done to analyze the cause/s of the shortfall, and what the identified causes are; and
- b. A description of the work done to identify remedies for the shortfall, and all viable remedies that have been identified; and
- c. A description of the plan to implement any remedies, including specific timelines for the implementation work.
- d. If the project has a Project-Based Section 8 Housing Assistance Payments (HAP) contract, please also supply the date of the last increase to the HAP contract, the date when the project will submit the next HAP contract rent increase, and any related comments about whether the project has been diligent in seeking annual increases to the HAP contract.

Tenant Selection Plan Policy

This policy is in addition to the obligations to comply with applicable federal, state and local civil rights laws, including laws pertaining to reasonable accommodation and limited English proficiency (LEP),¹ **and the applicable provision of the Violence Against Women Act, Pub. Law 109-62 (January 5, 2006), as amended.**

Application Process

- **Application Materials.** MOHCD shall provide an application to be used prior to the housing lottery. The housing provider agrees to use this application to determine lottery eligibility. The housing provider's written and/or electronic application materials should:
 - outline the screening criteria that the housing provider will use;
 - be in compliance with San Francisco Police Code Article 49 or the Fair Chance Ordinance,
 - outline how an applicant may request a modification of the admission process and/or a change in admission policies or practices as a reasonable accommodation;
 - be written in language that is clear and readily understandable,
- **First Interview.** In accordance with the housing provider policies, an initial interview is required to assess each applicant's minimum eligibility requirements for housing units. All applicants shall be offered the opportunity for an interview in lottery rank order.
- **Second Interview.** Before issuing a denial, the housing provider should consider offering a second interview to resolve issues and inconsistencies, gather additional information, and assist as much as possible with a determination to admit the applicant.
- **Confidentiality.** All information provided will be kept confidential and be used only by the housing provider, the referring agency and the funding agency for the purpose of assisting and evaluating the applicant in the admission process. All applicant information shall be retained for 12 months after the final applicant interview.
- **Delays in the Process.** If delays have occurred or are likely to occur in the application and screening process or the process exceeds the housing provider's normal timeline for application and screening, the housing provider must immediately inform the referring agency and the funding agency, of the status of the application, the reason for the delay and the anticipated time it will take to complete the application process.

¹See for e.g., Title VIII of the Civil Rights Act of 1968 (Fair Housing Act), 42 U.S.C. §§ 3601, et seq.; 24 C.F.R. Part 100; Title VI of the Civil Rights Act of 1964, 42 U.S.C. §§ 2000d-2000d-7; Executive Order 13,166, Improving Access to Services for Persons with Limited English Proficiency (August 11, 2000); Department of Housing and Urban Development Limited English Proficiency Guidance, 72 Fed. Reg. 2732 (Jan. 22, 2007); Section 504 of the Rehabilitation Act of 1973, 29 U.S.C. § 794; 24 C.F.R. Parts 8 and 9; Title II of the Americans with Disabilities Act of 1990, as amended; California Fair Employment and Housing Act, Gov't Code §§ **12,955-12,956.2**; **Unruh Civil Rights Act, Civil Code § 51**; **California Disabled Persons Act, Civil Code § 51.4**; Dymally-Alatorre Bilingual Services Act, Gov't Code §7290-7299.8; **San Francisco Language Access Ordinance, No. 202-09 (April 14, 2009)**

- **Problems with the Referring Agency.** If at any point the housing provider has difficulty reaching or getting a response from the applicant and referring agency, the housing provider must immediately contact the referring agency, if possible, and the funding agency, DPH or HSA.
- **Limited English Proficiency Policy.** Throughout the application process, the housing provider must comply with City policy for language access requirements for applicants with limited English proficiency.

Reasonable Accommodation and Modification Policy

Reasonable Accommodation: The application process should provide information about how an applicant may make a reasonable accommodation request. At any stage in the admission process, an applicant may request a reasonable accommodation, if the applicant has a disability and as a result of the disability needs a modification of the provider’s rules, policies or practices, including a change in the way that the housing provider communicates with or provides information to the applicant that would give the applicant an equal chance to be selected by the housing provider to live in the unit.

Reasonable Modification: Applicant may request a reasonable modification if he or she has a disability and as a result of the disability needs:

- a physical change to the room or housing unit that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site;
- a physical change in some other part of the housing site that would give the applicant an equal chance to live at the development and use the housing facilities or take part in programs on site.

Response to Request: The housing provider shall respond to a request for reasonable accommodation or modification within ten (10) business days. The response may be to grant, deny, or modify the request, or seek additional information in writing or by a meeting with the applicant. The housing provider will work with the applicant and referring agency to determine if there are ways to accommodate the applicant.

The housing provider shall grant the request if the provider determines that:

- the applicant has a disability;
- reasonable accommodation or modification is necessary because of the disability; and
- the request is reasonable (i.e., does not impose an undue financial or administrative burden or fundamentally alter the nature of the housing program.)

If the reasonable accommodation request is denied, the rejection must explain the reasons in writing. If the denial of the reasonable accommodation request results in the applicant being denied admission to the unit, the provisions of the section on Notice of Denial and Appeal Process apply.

Notice of Denial and Appeal Process

- The housing provider shall:
 - Hold a comparable unit for the household during the entire appeal process.
 - promptly send a written and electronic notice (to the addresses provided) to each applicant denied admission with a written and/or electronic copy to the referring agency and the funding agency. The notice should:
 - list all the reasons for the rejection, including the particular conviction or convictions that led to the decision in cases where past criminal offenses were a reason for rejection;
 - explain how the applicant can request an in person appeal to contest the decision;
 - state that an applicant with a disability is entitled to request a reasonable accommodation to participate in the appeal;
 - inform the applicant that he or she is entitled to bring an advocate or attorney to the in person appeal;
 - provide referral information for local legal services and housing rights organizations;
 - describe the evidence that the applicant can present at the appeal;
 - give applicants denied admission a date within which to file the appeal, which shall be at least five (5) business days from the date of the notice;
 - unless an extension is agreed to by the applicant and the housing provider, hold the appeal within ten (10) business days of the request for the appeal;
 - confine the subject of the appeal to the reason for denial listed in the notice;
 - give the applicant a chance to present documents and/or witnesses showing that he or she will be a suitable tenant;
 - have an impartial supervisor or manager from the housing provider, but who is not the person who made the initial decision or a subordinate of the person who made the initial decision, conduct the appeal;
 - within 5 business days of the in person appeal, provide the applicant with a written decision that states the reason for the decision and the evidence relied upon. A copy of the written decision must be sent (electronically or otherwise) to the referring agency and the funding agency.

- If the rejection is based on a criminal background check obtained from a tenant screening agency, the Fair Chance Ordinance imposes additional notice requirements.

EXHIBIT I

Tenant Screening Criteria Policy

The screening criteria and considerations outlined below encourage providers to “screen in” rather than “screen out” applicants. These requirements are also designed to satisfy the requirements of San Francisco Police Code Article 49, Sections 4901-4920 or the Fair Chance Ordinance. This policy describes a minimum level of leniency; providers are encouraged to adopt less restrictive policies and processes whenever appropriate. For example, providers may opt not to review or consider applicant criminal records at all.

Screening Criteria

- Housing providers shall not automatically bar applicants who have a criminal record² in recognition of the fact that past offenses do not necessarily predict future behavior, and many applicants with a criminal record are unlikely to re-offend.
- Housing providers shall not consider:
 - arrests that did not result in convictions, except for an open arrest warrant;
 - convictions that have been expunged or dismissed under Cal. Penal Code § 1203.4 or 1203.4a;³
 - juvenile adjudications.
- Housing providers shall consider:
 - the individual circumstances of each applicant; and
 - the relationship between the offense, and
 - (1) the safety and security of other tenants, staff and/or the property; and
 - (2) mitigating circumstances such as those listed below.
 - only those offenses that occurred in the prior 7 years, except in exceptional situations, which must be documented and justified, such as where the housing provider staff is aware that the applicant engaged in violent criminal activity against staff, residents or community members and/or that the applicant intentionally submitted an application with materially false information regarding criminal activity.
 - mitigating factors, including, but not limited to:
 - (1) the seriousness of the offense;
 - (2) the age and/or circumstances of the applicant at the time of the offense;
 - (3) evidence of rehabilitation, such as employment, participation in a job training program, continuing education, participation in a drug or alcohol treatment program, or letters of support from a parole or probation officer, employer, teacher, social worker, medical professional, or community leader;

² The policy recognizes that some housing may be subject to mandatory laws that require the exclusion of an applicant based upon certain types of criminal activity.

³ The purpose of the statute is allow a petitioner to request a dismissal of the criminal accusations, a change in plea or setting aside of a verdict and to seek to have certain criminal records sealed or expunged and a release “from all penalties and disabilities resulting from the offense.”

- (4) if the offense is related to acts of domestic violence committed against the applicant;
- (5) if the offense was related to a person's disability.

3. General Requirements.

(a) General and automobile liability policies of Borrower, contractors, commercial tenants and property managers must include the City, including its Boards, commissions, officers, agents and employees, as an additional insured by endorsement acceptable to the City.

(b) All policies required by this Agreement must be endorsed to provide no less than thirty (30) days' written notice to the City before cancellation or intended non-renewal is effective. The endorsement must provide the City with the same rights as the named insured in the event of cancellation or intended non-renewal.

(c) With respect to any property insurance, Borrower hereby waives all rights of subrogation against the City to the extent of any loss covered by Borrower's insurance, except to the extent subrogation would affect the scope or validity of insurance.

(d) Approval of Borrower's insurance by the City will not relieve or decrease the liability of Borrower under this Agreement.

(e) Any and all insurance policies called for herein must contain a clause providing that the City and its officers, agents and employees will not be liable for any required premium.

(f) The City reserves the right to require an increase in insurance coverage in the event the City determines that conditions show cause for an increase, unless Borrower demonstrates to the City's satisfaction that the increased coverage is commercially unreasonable and unavailable to Borrower.

(g) All liability policies must provide that the insurance is primary to any other insurance available to the additional insureds with respect to claims arising out of this Agreement, and that insurance applies separately to each insured against whom claim is made or suit is brought and that an act of omission of one of the named insureds that would void or otherwise reduce coverage will not void or reduce coverage as to any other insured, but the inclusion of more than one insured will not operate to increase the insurer's limit of liability.

(h) Any policy in a form of coverage that includes a general annual aggregate limit or provides that claims investigation or legal defense costs are included in the general annual aggregate limit must be in amounts that are double the occurrence or claims limits specified above.

(i) All claims based on acts, omissions, injury or damage occurring or arising in whole or in part during the policy period must be covered. If any required insurance is provided under a claims-made policy, coverage must be maintained continuously for a period ending no less than three (3) years after recordation of a notice of completion for builder's risk or the Compliance Term for general liability and property insurance.

(j) Borrower must provide the City with copies of endorsements for each required insurance policy and make each policy available for inspection and copying promptly upon request.

Exhibit M
MOHCD Residual Receipts Policy

Mayor's Office of Housing and Community Development

Residual Receipts Policy

Effective April 1, 2016

INTRODUCTION

The Mayor's Office of Housing and Community Development (MOHCD) typically requires annual payments under the Ground Leases and Loans provided for the purpose of developing or preserving affordable housing to the extent that making payments is feasible and does not jeopardize the long-term affordability or maintenance of safe and secure housing for its residents. Payments may be required under one or a combination of several structures, including amortization, deferral, or payment from residual receipts, depending on the circumstances.

When a development financed by MOHCD is projected to enjoy more income than is needed to pay expenses, service other debt, fully fund its reserves, and make approved payments out of surplus, it is MOHCD's policy that a portion of the remaining "residual" income be directed toward repayment of MOHCD's investment.

MOHCD also permits a modest portion of "residual" income to be distributed by the borrower. Distribution of any portion of "residual receipts" is conditioned on MOHCD's annual determination that certain performance standards and benchmarks have been met.

SUMMARY (see below for detailed requirements)

I. Definition of Residual Receipts	As depicted in the approved MOHCD Operating Budget Proforma for each project, the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments of surplus. .
II. Annual Residual Receipts Payments Due to MOHCD	Generally, $\frac{2}{3}$ rd s of residual receipts is payable to the City. Larger Tax Credit projects may be eligible to use an alternative $\frac{1}{2}$ - $\frac{1}{2}$ split for up the first 10 years of a new tax credit period, see the Developer Fee Policy for more details.
III. When more than one MOHCD contract requires residual payments	The approved MOHCD Operating Budget Proforma is a required exhibit to the last-executed MOHCD contract and must reflect a comprehensive summary of approved cash flow waterfall, listing of all lenders, relative lien positions, underlying loan terms and amounts owed to MOHCD annually across all MOHCD contracts.
IV. When a project has other Lenders in addition to MOHCD that require residual payments	The portion to be repaid to each Lender is typically determined by the proportional amount of capital funded under each loan. The approved MOHCD Operating Budget Proforma must include a list of all loans and details about projected amounts owed annually, including how the portion of residual receipts to be paid to each lender will be calculated, if not based on a proportional amount.
V. Conditions to Distribution of Residual Receipts to Borrower	Distribution of Residual Receipts may be made only upon: (1) MOHCD approval of Annual Monitoring Report; (2) determination by MOHCD that borrower is not in default; and (3) approval by MOHCD of amount of

	Distribution.
VI. Use of Residual Receipts Distributed to the Borrower	MOHCD strongly encourages borrowers to use distributions for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).
VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project	Any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
MOHCD Repayment Waiver Option	The repayment waiver option has been terminated.

I. Definition of Residual Receipts

- A. Residual Receipts is the amount remaining in the annual operating budget after calculation of Net Operating Income (Project Income less Project Expenses) and allowable payments from surplus.
- B. The project-specific Funding Agreements and/or Ground Leases define what Project Income entails and which Project Expenses are allowable. In general, the definition of allowable Project Expenses will include mandatory or “hard” debt service payments, minimum or Base Rent owed under a Ground or Land lease, and required annual payments into Reserve accounts. Each MOHCD contract will include a copy of the approved Operating Budget Proforma.
- C. When MOHCD requires repayments from Residual Receipts, the formula usually requires payment of a portion of the available Residual Receipts. The use of a proportional formula makes it is essential to clearly define which uses of surplus cash have been approved for payment prior to the calculation of the amount owed to MOHCD.
- D. The approved uses of any available surplus may also be referred to as the cash flow waterfall. The approved MOHCD Operating Budget Proforma is used to document the approved cash flow waterfall. In general, the following expenses may be a part of a cash flow waterfall:
 - 1. Fees payable to the project, the GP, the LP or the parent entity
 - 2. Fees payable to project funders
 - 3. “Soft” debt repayments to lenders / lessors

Please see the City’s Developer Fee Policy and Operating Fees Policy for a list of allowable fees and any applicable limits.

- E. Limited Partnership Agreements may also provide a narrative summary of the cash flow waterfall. In the event that a Limited Partnership Agreements is found to be inconsistent with the MOHCD Funding Agreement and/or the approved MOHCD Operating Budget Proforma, the MOHCD documents shall control.

II. Annual Residual Receipts Payments due under MOHCD Ground Leases & Loans

Except as recommended by the Loan Committee and approved by the Mayor on a project by project basis, the portion to be paid to the City shall be $\frac{2}{3}$ rds of Residual Receipts. Larger Tax Credit projects may be eligible to use an alternative $\frac{1}{2}$ - $\frac{1}{2}$ split for up the first 10 years of a new tax credit period and the borrower's portion of Residual Receipts shall be considered payment of Deferred Developer Fee. See the Developer Fee Policy for more details.

Any residual receipts payments shall be applied toward the unpaid balance of MOHCD loan/s according to the terms in the Promissory Note and/or Funding Agreement, and toward the payments required under the MOHCD Ground Lease.

III. When more than one MOHCD contract requires residual payments:

Some projects supported by MOHCD may be governed by more than one MOHCD contract. The MOHCD Operating Budget Proforma provides a comprehensive summary of the approved cash flow waterfall, a listing of all lenders, the relative position of each lien, the amounts owed and the relevant repayment terms, and will also reflect the cumulative amount of repayments owed to MOHCD annually across all MOHCD contracts. Projects governed by more than one MOHCD contract that extend or initiate a MOHCD contract after the effective date of this policy will be required to get approval of a new MOHCD Operating Budget Proforma.

IV. When a project has other Lenders in addition to MOHCD that require residual payments

A. If any other project lenders besides MOHCD require repayment from residual receipts, the portion to be repaid to each Lender will typically be determined by the proportional amount of capital supplied under each loan. For example, if a project received a \$2 million loan from MOHCD and a \$3 million loan from another lender, MOHCD would receive $\frac{2}{5}$ ths of the amount available to be repaid, and the other lender would receive $\frac{3}{5}$ ths of the amount available to be repaid. The approved MOHCD Operating Budget Proforma must include a list of all Loans and provide an appropriate amount of detail about the projected amounts owed annually including details about how the portions to be paid to each lender will be calculated. If a project makes an agreement with any other lender/s after executing a MOHCD contract containing the final MOHCD-approved Operating Budget Proforma, prior to making any payments to such other lender/s, the project must request and be approved in writing to amend the MOHCD-approved Operating Budget Proforma to include the new lender/s.

B. During operations, MOHCD will require Residual Receipts payments using MOHCD's method of calculating surplus and any amounts owed to the MOHCD. If there is a difference in the amount calculated to be owed to any other lenders under another lender's repayment calculation method when compared to MOHCD method, then each lender will be paid according to its calculation, so long as doing so would not result in a reduction in the amount payable to MOHCD.

V. Conditions to Distribution of Residual Receipts to Borrower

A. Distribution of Residual Receipts to the borrower of a MOHCD loan, or lessee of a MOHCD ground lease, may be made only upon:

1. MOHCD approval of the Annual Monitoring Report submitted for that year; and
2. Determination by MOHCD that the borrower is not in default under terms of the Loan; and

3. Approval by MOHCD of the amount to be distributed.
- B. No distribution of Residual Receipts shall be made under any of the following circumstances:
1. When a written notice of default has been issued by any lender or investor and such default has not been cured; or
 2. When the City determines that the borrower or the borrower's management agent has failed to maintain the housing and its surroundings in a safe and sanitary manner in accordance with local health, building, and housing codes; or
 3. If any operating expense, including debt service on non-City loans remains unpaid; or
 4. If any required reserve account is not fully funded according to the terms of the MOHCD contract/s; or
 5. In the event of any other material failure to comply with the provisions of the MOHCD contract/s.

VI. Use of Residual Receipts Distributed to the Borrower

MOHCD strongly encourages borrowers to use the portion of Residual Receipts that is not applied toward repayment of MOHCD's loan or payment of residual rent under a MOHCD ground lease for activities in San Francisco that would be eligible uses under the CDBG Program Income rules (except to the extent that those rules may prohibit the use of funds for new construction).

VII. Uses of Project Income for Services and other Extraordinary Costs Associated with the Project

- A. With the exception of Residual Receipts retained by a borrower pursuant to this policy, any other use of the income derived from housing developed or preserved with MOHCD financing apart from ordinary and routine operating expenses, debt service or required reserves must be approved by the Loan Committee and the Mayor at the time MOHCD financing is committed and approved.
- B. The Loan Committee may approve variations of this policy on a project-specific basis, including the payment of costs associated with the provision of social, educational, vocational, counseling or other supportive services to residents either as a project expense or out of that portion of Residual Receipts that would otherwise be repaid to the City.

AMENDED AND RESTATED DECLARATION OF RESTRICTIONS

1005 Powell Street

THIS AMENDED AND RESTATED DECLARATION OF RESTRICTIONS
("Declaration") is made as of June ____, 2024, by **CHINATOWN SROS, LLC**, a California
limited liability company ("**Borrower**"), in favor of the **CITY AND COUNTY OF SAN**
FRANCISCO, represented by the Mayor, acting through the Mayor's Office of Housing and
Community Development (the "**City**").

RECITALS

A. The City is making a loan (the "**Loan**") to Borrower of Housing Stability
Funds and Academy of Art University Settlement Funds to provide permanent financing for
the real property described in **Exhibit A** attached hereto and incorporated herein by reference
(the "**Property**") as low- to moderate-income housing (the "**Project**"). The Loan is evidenced
by, among other documents, a Loan Agreement between the City and Borrower dated as of
the date of this Declaration, as it may be amended from time to time (the "**Agreement**"). The
Agreement is incorporated by reference in this Declaration as though fully set forth in this
Declaration and is available through the Mayor's Office of Housing and Community
Development ("**MOHCD**") at the address specified in the recording request set forth above.

B. Borrower purchased the Property in 2021 with financing provided by the San
Francisco Housing Accelerator Fund, a California nonprofit public benefit corporation
("**SFHAF**") that helps San Franciscans avoid displacement and eviction by removing small
properties from the speculative market, stabilizing housing for current tenants of those
properties, and converting the properties to permanently affordable housing. In connection
with the SFHAF financing, Borrower recorded a Declaration of Restrictions in favor of

SFHAF and the City in the Official Records of San Francisco County dated as of December 14, 2021 in favor of the City and recorded on December 27, 2021, as Document Number 2021189559 (the “**Original Declaration**”). This Declaration amends and restates the Original Declaration in its entirety.

C. Pursuant to the Agreement, Borrower has agreed to comply with certain affordability and other use and occupancy restrictions (collectively, the "**Regulatory Obligations**"), commencing on the Agreement Date, and continuing for as long as the Project or any modification of the Project remains in existence, but in any event no less than ninety nine (99) years from the date the Deed of Trust is recorded in the Official Records of San Francisco County (the "**Compliance Term**"), even if the Loan is repaid or otherwise satisfied or the Deed of Trust is reconveyed. Borrower’s covenants and agreements described in this Declaration are a material part of the consideration for the City in making the Loan, and without Borrower’s agreement to subject the Property to the Regulatory Obligations even after the Loan is satisfied, the City would be unwilling to make the Loan to Borrower.

AGREEMENT

Now, therefore, in consideration of the City's providing the Loan in accordance with the City Documents, Borrower agrees as follows:

1. Definitions. Any capitalized terms in this Declaration that are not defined herein shall have the meaning set forth in the Agreement. In the event of any conflict between the terms of this Declaration and the terms of the Agreement, the terms of the Agreement (including the following defined terms) shall control unless otherwise expressly stated. As used in this Declaration, the following words and phrases have the following meanings:

“Median Income” means 100% median income as published annually by MOHCD, or a successor metric approved by MOHCD, derived in part from income limits determined by HUD for the San Francisco area, adjusted solely for household size, but not high housing cost area, also referred to as “Unadjusted Median Income.” MOHCD’s current publication for determination of Median Income is the “Maximum Income by Household Size derived from the Unadjusted Area Median Income for HUD Metro Fair Market Rent Area that Contains San Francisco.”

“Maximum Rent” means the total amount for rent and utilities (with the maximum allowance for utilities determined by the SFHA) charged to a Qualified Tenant. Maximum Rent must be approved by MOHCD and may not exceed: (i) the amount identified in the “100% of Median – Max Gross Rent” row and the applicable Unit type column in the Maximum Rent Table; or (ii) the tenant paid portion of the contract rent as determined by either (A) the SFHA for Qualified Tenants holding Section 8 vouchers or certificates, or (B) MOHCD for any other rent subsidy program.

“Maximum Rent Table” means the “Maximum Monthly Rent by Unit Type derived from the Unadjusted Area Median Income for HUD Metro Fair Market Rent Area that

Contains San Francisco,” as published annually by MOHCD, or a successor metric approved by MOHCD.

"Qualified Tenant" means a senior household (aged 62 or older) occupying the Project that has been certified and approved as earning no more than the maximum permissible annual income level allowed by this Agreement and that has entered into a lease with Borrower in a form approved by City. As the context requires, "Qualified Tenant" also means households occupying the Project that have entered into a lease with Borrower in a form approved by City regardless of whether they have been income certified as of the effective date of this agreement. Qualified Tenant includes Direct Referral Tenants. In the event that the Senior Operating Subsidy is no longer provided to the project, there shall be no age requirement for any "Qualified Tenant" or the Project.

"Rent" means the monthly sum charged to Qualified Tenants for rent in accordance with this Declaration.

"Severely Rent Burdened" means a Qualified Tenant household paying monthly Rent that is fifty percent (50%) or more of its gross monthly income (as shown on the Qualified Tenant's income certification required by Section 5 and confirmed by MOHCD).

"SOS Unit" means a Unit occupied by a Qualified Tenant at 15% of Median Income or 25% of Median Income with rent subsidized by a Senior Operating Subsidy.

"Unit" means a residential rental unit within the Project.

2. Regulatory Obligations. Borrower must comply with the Regulatory Obligations through the expiration of the Compliance Term, including without limitation those described in this Declaration, regardless of any reconveyance of the Deed of Trust.

3. Affordability and Restrictions.

(a) Restrictions. The Project may be occupied only by Qualified Tenants and their households. As provided in Section 7.2(b) of the Agreement, a Qualified Tenant may not be required to vacate the Unit due to subsequent rises in household income. Qualified Tenants must pay at least 20% of their gross household income towards Rent unless otherwise approved by MOHCD, provided that in no event shall any Qualified Tenant be required to pay Rent in excess of the lesser of (i) Maximum Rent, or (ii) 20% below the market rents of comparable units as approved by MOHCD, except as otherwise provided in this Declaration.

(b) Rents on Agreement Date. Required Rents for the Units as of the Agreement Date shall be as follows:

^ Indicates the SOS Units as of the Agreement Date. Rents for SOS Units shown above include the SOS Tenant’s portion of Rent paid and do not include as the amount of SOS Subsidy received for such Unit.

[The specified SOS Units may change prior to close loan.]

(c) Rents for Units at Turn Over. After the Agreement Date, the Rent for each Unit that becomes vacant and is not leased to a Direct Referral Tenant shall be set at the amount necessary to bring the Project’s combined average Rents for all Units as close as is possible but no higher than the amount calculated as 30% of 60% Median Income. The Rent for SOS units following vacancy shall be determined by the Senior Operating Subsidy Grant Agreement between City and Borrower dated April 17, 2024.

4. Rent Adjustments and Restrictions. Rent for all Units, including SOS Units, shall be increased only once annually. Rent for all Units shall be increased annually by the greater of: (x) the percentage change in annual operating expenses, up to a maximum of 3.5%, or (y) 2%, except as follows:

(a) Phased Increases. Increases in Rent for existing Qualified Tenants occupying Units specified in the table below shall be increased on the following dates

according to the table set forth in the following table. After such phased increases, Rent shall be adjusted as otherwise described in this Section 4, except any Qualified Tenants not paying at least 20% of their gross household income towards Rent shall continue to receive Rent increases of 5% annually.

*Rent means monthly payments of Rent.

(b) Severely Rent Burdened Qualified Tenants. If the Rent increase described in this Section 4 results in any Qualified Tenant household becoming Severely Rent Burdened, Borrower is not required to increase the Rent of the Severely Rent Burdened Qualified Tenant until such time as the Qualified Tenant is no longer Severely Rent Burdened, provided that: (i) Borrower first demonstrates to the satisfaction of MOHCD, in MOHCD's sole discretion, that the Project maintains short- and long-term financial sustainability in the form of positive cash flow, adequately funded reserves, and other indicators as MOHCD may reasonably request; (ii) at each income recertification, the ability of all households to pay required rent increases will be reassessed, as will the Borrower cash flow, to ensure short- and long-term financial sustainability if Borrower elects not to impose the required annual Rent increase for any Severely Rent Burdened Qualified Tenant; and (iii)

all Regulatory Obligations continue to be met. Similarly, if the circumstances described in this subsection are met, a Unit becomes vacant and a Qualified Tenant demonstrates to Borrower that it is Severely Rent Burdened, Borrower may reduce such Qualified Tenant's Rent to a level no lower than 40% of that Qualified Tenant's gross monthly income, thus resulting in a higher Rent that will be required for the vacant Unit. If more than one Qualified Tenant is eligible for such a Rent reduction, the reduction shall be equally distributed among such eligible Qualified Tenants.

(c) Recovery of Project Expenses. With the City's prior written approval, Rent increases for Units exceeding the amounts permitted by this **Section 4** may be permitted once annually in order to recover increases in approved Project Expenses, provided that: (i) except as otherwise approved by MOHCD in its sole discretion, in no event may any Rent increase exceed the current rate of increase in Median Income in any year unless such an increase is contemplated in a City-approved temporary relocation plan or is necessary due to the expiration of Section 8 or other rental subsidies; and (ii) Rents for each Unit may in no event exceed the lesser of (y) Maximum Rent, or (z) 20% below the market rents of comparable units as approved by MOHCD. The City's approval for such Rent increases under this subsection shall not be unreasonably withheld.

(d) Rent Subsidy Programs. For those households that hold rent subsidy vouchers, such as Section 8 and Direct Referral Tenants, on an annual basis Borrower shall request and use best efforts to receive an increase in contract rent equivalent to the percentage change in Fair Market Rent or equivalent payment standard, whichever is greater. For any Qualified Tenant participating in a rent or operating subsidy program where the rent charged is calculated as a percentage of household income, adjustments to Rent charged may be made according to the rules of the relevant subsidy program, and provided the Qualified Tenant paid portion of Rent does not exceed the lesser of (i) Maximum Rent or (ii) 20% below the market rents of comparable units as approved by MOHCD. For any Qualified Tenant that becomes ineligible to continue participating in a rent or operating subsidy program, increases in the Qualified Tenant paid portion of Rent shall not exceed Maximum Rent as approved by MOHCD.

(e) Recovery of Property Tax Increases. In addition to the Rent increases contemplated in this **Section 4** and with the City's prior written approval, if a Qualified Tenant's household income exceeds eighty percent (80%) of California Median Income (as published by the California Department of Housing and Community Development) during occupancy of a Unit or if a Qualified Tenant fails to certify or recertify his/her/their household income to Borrower on an annual basis, Borrower may adjust the charges for Rent for such Qualified Tenant by no more than seven percent (7%) per year to absorb the amount of property taxes attributable to the Qualified Tenant's Unit as a result of the loss of the State of California's welfare exemption for low-income housing properties. The City may, in its sole discretion, require that Rent increases allowed under this subsection be implemented over a period of time in order to reduce the burden on an existing Qualified Tenant. Rents charged under this subsection may not exceed the limits set forth in the SSP Guidelines as amended

from time to time, or if not otherwise specified, the lesser of: (i) Maximum Rent; or (ii) 20% of a household's gross income. MOHCD must approve such Rent increases, which approval shall not be unreasonably withheld. If such Qualified Tenant's household income subsequently decreases and the Unit becomes eligible for the California welfare property tax exemption, Borrower may reduce such Qualified Tenant's Rent by the amount of property tax savings attributable to the Qualified Tenant's Unit.

(f) Excess Rent. If Borrower increases Rents or offers a vacant Unit for rent at a rate that exceeds the rules described in this Declaration, the resulting excess cash flow will be paid by Borrower to the Qualified Tenants who were overcharged, and Borrower's actions will constitute an Event of Default pursuant to Section 19 of the Agreement.

5. Certification.

(a) As a condition to initial occupancy, each person who desires to be a Qualified Tenant in the Project must sign and deliver to Borrower a certification in the then-current form (see current form attached to the Loan Agreement as Exhibit C), in which the prospective Qualified Tenant certifies that he/she or his/her household qualifies as a Qualified Tenant, and which certification is reviewed and approved by Borrower and the City. In addition, each person must provide any other information, documents or certifications deemed necessary by the City to substantiate the prospective tenant's income. Certifications provided to and accepted by the San Francisco Housing Authority will satisfy this requirement.

(b) Each Qualified Tenant in the Project must recertify its household income to Borrower as established by the SSP Guidelines and Small Sites Marketing and Leasing Manual, as amended from time to time.

(c) Income certifications with respect to each Qualified Tenant who resides in a Unit or resided therein during the immediately preceding calendar year must be maintained on file by Borrower, and Borrower must provide records thereof with the City promptly upon request by the City.

6. Nondiscrimination. PURCHASE OPTION AGREEMENT

THIS PURCHASE OPTION AGREEMENT (the "**Agreement**") is made and entered into as of June __, 2024 (the "**Effective Date**"), by and among **CHINATOWN SROS, LLC**, a California limited liability corporation ("**Owner**"), Chinatown Community Development Center, Inc., a California nonprofit public benefit corporation ("**Manager**") and the City and County of San Francisco, a municipal corporation ("**City**"), represented by the Mayor, acting by and through the Mayor's Office of Housing and Community Development ("**MOHCD**"), with reference to the following recitals of fact:

R E C I T A L S:

A. Owner owns that certain real property located in the City of San Francisco, State of California, and more particularly described on the attached Exhibit A, incorporated herein by this reference, and certain improvements thereon (the "**Property**"), commonly known as 1005 Powell Street, a mixed-use development consisting of 64 low to moderate residential income units and two commercial income units (the Property together with the tangible and intangible personal property directly related to the operation, management, and ownership of the Property in the possession and control of Owner, including all cash accounts, deposits, and reserves held by Owner, the "**Project**").

B. MOHCD administers the Small Sites Acquisition and Rehabilitation Program ("**Small Sites Program**,"") for the purpose of preserving and stabilizing San Francisco's existing rental housing stock of buildings that are up to 25 units and occupied by low- to moderate-income tenants who are vulnerable to displacement due to market-driven increases in evictions. The Small Sites Program helps San Franciscans avoid displacement eviction by removing small properties from the speculative market, stabilizing housing for current tenants of those properties, and converting the properties to permanently affordable housing. In connection with the Small

Sites Program, Owner has recorded a Declaration of Restrictions in favor of the City, which is being amended and restated and re-recorded of even date herewith (the “**Declaration**”).

C. The City regulates the affordability of the Project through the Declaration, and compliance with and the continued enforceability of the Declaration is of paramount importance for the City as the regulator of the Small Sites Program. This Agreement is entered into between Owner and the City as a means of ensuring the affordability of the Project in the event that the Declaration no longer governs the Property or that Owner is in default of the regulatory obligations specified in the Declaration.

D. The term of the Declaration (the “**Compliance Term**”) is as long as the Project or any modification of the Project remains in existence, but in any event no less than ninety-nine (99) years. Although the City is lending funds to Owner for the Project, the regulatory program under the Declaration preceding the City’s loan is separate from the City’s loan and survives the expiration or repayment of the loan. The purchase option granted by Owner in this Agreement is granted in recognition of the City’s interest in ensuring that the regulatory program pursuant to the Declaration remains in full force and effect. Owner acknowledges and agrees that (i) the City’s interest in this Agreement is as a regulator, as a means of ensuring the continued enforceability of the Declaration, and not in its proprietary capacity, (ii) exercise of the Option is contingent upon the termination, unenforceability, or failure to comply with the Declaration, (iii) Owner intends to provide permanent affordability to low and moderate income households residing at the Project; (iv) the regulatory obligations under the Declaration are separate from repayment of the City’s loan and survive the City’s loan to Owner, (v) exercise of the Option is not dependent upon a monetary default of the City’s loan, and (vi) the Option is not a security instrument intended to circumvent California foreclosure law.

E. In connection with the Project, and in consideration of the foregoing, Owner desires to grant to the City an option to purchase the Project in certain limited circumstances.

F. Owner and City desire to set forth the terms of the option from Owner to the City.

NOW, THEREFORE, for valuable consideration, the receipt and adequacy of which is hereby acknowledged, the parties to this Agreement agree as follows:

A G R E E M E N T:

1. Recitals. The foregoing recitals are true and correct and are incorporated herein.
2. Grant of Option. Owner grants to the City an option (the “**Option**”) to purchase the Project on the terms and conditions set forth in this Agreement. Owner acknowledges that the grant of the Option is supported by valuable consideration received by Owner, including the Loan.
 - (a) Exercise Period. The period during which the City will have the right to exercise the Option will commence on the Effective Date and expire ninety-nine (99) years after the recording date of the Declaration of Restrictions (the “**Option Term**”). On request by the City,

Owner will provide (and the City and/or its designee may conduct) any physical and documentary due diligence of the Project as the City may determine is necessary (provided, however, any destructive testing of the Project will require the prior consent of Owner in its reasonable discretion). Owner will cooperate with the City in such due diligence. At any time, City may deliver a written notice to Owner requesting Owner to select the appraisers under Section 3 below (the "**Appraisal Notice**"). Upon receipt of the Appraisal Notice, Owner will have thirty (30) days to provide the list of selected appraisers to City.

(b) Exercise Notice. As a condition precedent to City's Option rights, City may only exercise the Option if, during the Option Term, (i) the Declaration is terminated or is unenforceable for any reason, or (ii) in City's reasonable judgment the Declaration will be terminated or be rendered unenforceable, or (iii) Owner fails to comply with the affordability restrictions set forth in the Declaration, or (iv) if, after the City's loan for the Project is repaid, Owner receives any offer to purchase the Project or any interest therein, or intends to transfer the Project or any interest therein, then Owner must provide City an Offer Notice (defined below). In the event Owner fails to comply with the affordability restrictions in the Declaration during the Option Term, City shall provide written notice to Owner and Manager of such failure, and Owner and Manager shall have sixty (60) days to cure the failure, or, if such failure cannot be cured within such sixty (60) day period, such longer period as is reasonably necessary to cure such default, provided that such cure has been commenced within such sixty (60) day period and is being prosecuted diligently to completion. For avoidance of doubt, Manager has the right, but not the obligation, to cure any such default, and if Manager cures such default within the cure period, City will accept such action as curing the respective default. City may exercise the Option by delivering to Owner written notice of the exercise (the "**Exercise Notice**"). The date of delivery of the Exercise Notice will be the first day of the escrow period set forth in Section 4 below. "**Offer Notice**" means a written notice from Owner to the City containing all material terms of the offer to purchase or proposed transfer of the Project. Owner will not accept any offer or transfer the Project or any interest therein for a least one hundred twenty (120) days after delivering the Offer Notice to the City, to allow the City to determine if it will exercise its Option.

(c) Option Purchase Price. If City purchases the Project pursuant to the Option, then the purchase price for the Project will be the fair market value of the Project for purposes of this subsection, determined as follows: The fair market value of the Project will be determined by an appraisal that: (i) takes into account the net balances of all of the applicable Project cash accounts; (ii) disregards the determination of the amount of indebtedness and taxes; (iii) values the Project as restricted to low and moderate income housing development as provided in the Declaration; (iv) takes into account any loan agreements or regulatory agreements pertaining to the Project; and (v) takes into account the terms of any assumable financing. Any appraiser performing an appraisal under this Agreement must be a member of the Appraisal Institute with not less than five (5) years' experience valuing projects like the Project in the geographic area where the Project is located. Within thirty (30) days after Owner receives an Appraisal Notice or Exercise Notice, Owner will notify City of Owner's determination of the fair market value for the Project in consideration of all of the assumptions and other criteria set forth in this subsection above. If City disputes Owner's determination of the fair market value, City will notify Owner within fourteen (14) days after Owner's notice to City of the fair market value and the dispute will be resolved as follows:

(i) Within thirty (30) days after Owner's notice to City of the fair market value, Owner and City will attempt in good faith to meet no less than two (2) times, at a mutually agreeable time and place, to attempt to resolve the disagreement.

(ii) If within that thirty (30)-day period Owner and City cannot agree on the fair market value, then each will select one appraiser to determine the fair market value. Within thirty (30) days after the expiration of the thirty (30) day consultation period, each party will cause its appraiser prepare and complete an appraisal report determining the fair market value and submit the report to Owner and City.

(iii) If only one appraisal report is submitted within that 30-day period, then the fair market value determined in that appraisal report will be used to establish the Purchase Price for the Project. If both appraisal reports are submitted within the 30-day period, and if the fair market values determined in the two appraisal reports differ by less than ten percent (10%) of the higher of the two, then the average of the two will be the fair market value. If the fair market value in the two appraisal reports differ by more than ten percent (10%) of the higher of the two, then the two appraisers will immediately select a third appraiser. Within thirty (30) days after the third appraiser is selected, the third appraiser will prepare an appraisal report determining the fair market value and submit the report to Owner and City. The fair market value determined in the third appraisal report will then be averaged with the closer of the fair market values from the two previous appraisals and the result will be the fair market value.

(iv) If City's Director of Property does not approve the fair market value as determined by the appraisal procedure specified above, the Director of Property may revoke City's exercise of the Extension Option. Owner and City will pay the cost of the appraiser it selects and one-half of the cost of the third appraiser.

3. Completion of Sale.

(a) Permitted Encumbrances. Within ten (10) business days after Owner receives an Exercise Notice, Owner will deliver to the City a current preliminary title report issued by a title company reasonably acceptable to the City showing such encumbrances and exceptions to title insurance coverage. Owner will convey fee simple title to the real property in the Project by grant deed subject only to all encumbrances, easements, covenants, conditions, restrictions, and other matters of record as of the Effective Date (excluding however, and free and clear of, the lien of any contractor, supplier materials provider, or the lien of any deeds of trust or other encumbrances securing any indebtedness of Owner), and any Permitted Future Encumbrances (as defined below), any off record matters ascertainable by an inspection or survey of the Project, interests of parties in possession, zoning and other laws applicable to the Project, and the lien not yet delinquent for taxes for real property, and any non-delinquent general or special assessments against the real property (collectively, "**Approved Title Exceptions**"). Owner will cause a title company to issue, upon close of escrow, an ALTA or CLTA (as the City elects) owner's policy of title insurance dated as of the close of escrow, in an amount equal to the purchase price, showing title to the real property in the Project vested in the City and subject only to Approved Title Exceptions. "**Permitted Future Encumbrances**" means, to the extent reasonably necessary for the operations of the Project as conducted or contemplated to be conducted as of the Effective Date, any third-party easement for utility, data, telecommunications, or ingress and egress; and

any reciprocal easement agreement or covenants, conditions, and restrictions, granted and/or entered into by Owner. Owner will convey unencumbered title to the other property in the Project (including personal property, intangible property, accounts, plans, warranties, records, etc.) by bill of sale, assignment, or other document of conveyance acceptable to the City.

(b) Closing Requirements. The closing of the sale of the Project will be through an escrow opened with a title company reasonably acceptable to the City. Escrow for the sale of the Project will close no later than three hundred sixty-five (365) days after Owner's receipt of the Exercise Notice, unless otherwise agreed upon by Owner and the City. The costs of the sale will be apportioned between Owner and the City according to the custom then in effect in San Francisco County, California. The following will apply to the sale of the Project: (i) the sale of the Project will be on an as-is, where-is basis, with customary representations and warranties, including those implied in a California grant deed; and (ii) rents, insurance, taxes, operating expenses, and debt service then due and payable will be apportioned as of the day the grant deed is actually recorded in the official records of San Francisco County, California. Notwithstanding anything to the contrary contained in this Agreement, if City fails to purchase the Project for any reason after delivery of an Exercise Notice, then the City's liability under this Agreement will be limited solely to the termination of the Option and any other of the City's rights under this Agreement, and Owner will have no right or cause to seek any damages against the City for failure to purchase the Project.

4. No Subordination. The City's Option may not be subordinated to any first tier lien of any deeds of trust or other encumbrances against the Project securing any indebtedness of Owner after the Effective Date without the City's prior written consent, which may be given or withheld in the City's sole discretion.

5. Quitclaim Deed and Termination of Option. Upon termination of the Option, the City agrees, upon Owner's request, to (i) execute and deliver to Owner a quitclaim deed, releasing all of the City's rights, title, and interest in and to the Project, and (ii) execute, acknowledge, and deliver such other documents as may be reasonably required by Owner's title company to remove the cloud of the Option from title to the Project.

6. Notices. Notices, demands, and communications between the parties must be in writing and will be served personally or by United States mail, sent certified, return receipt requested, post prepaid, and,

7. Attorney's Fees. For purposes of this Agreement, reasonable fees of in-house attorneys for the any of the parties to this Agreement will be based on the fees regularly charged by private attorneys (a) in San Francisco law firms of similar size as the in-house legal department; and (b) with an equivalent number of years of professional experience in the subject matter area of the law for which such attorney's services were rendered.

8. Miscellaneous.

(a) Each party to this Agreement represents and warrants that it has not had or will have any dealings with any person, firm, broker, or finder in connection with the negotiation of this Agreement and/or the consummation of the transaction contemplated under this Agreement. Each party to this Agreement will indemnify and hold harmless the other parties from and against costs, expenses, and liabilities for compensation, commissions, or charges that may be claimed by any broker, finder, or similar party because of any actions of the indemnifying party.

(b) The rights and obligations of the parties under this Agreement will inure to the benefit of, and will bind their respective successors and assigns, including any successor to the interest of Owner in and to the Project. Upon any transfer or conveyance of the Project or any interest therein or in Manager where the prior consent of the City is required by the terms of any agreement to which Owner and/or the Manager is a party, in addition to such conditions as the City may be entitled to impose under the other agreements, the Manager and/or the transferee will execute any documentation reasonably required by the City to acknowledge and affirm the City's option under this Agreement. The Option is assignable by City on prior written notice to, but otherwise without the consent of, the Owner. Notwithstanding anything to the contrary contained in this Agreement, the City's obligation to purchase the Project after exercise of the Option will be conditioned on the approval and authorization of such transaction by the City's Board of Supervisors and Mayor, each in their sole and absolute discretion. This condition will not be required if the City assigns its rights under this Agreement to a third party.

(c) The captions used in this Agreement are for convenience of reference only and are not part of this Agreement and do not in any way limit or amplify the terms and provisions hereof.

(d) Time is of the essence of each and every agreement, covenant, and condition of this Agreement.

(e) This Agreement will be interpreted in accordance with, and governed by, the laws of the State of California.

(f) This Agreement constitutes the entire agreement by and among the parties with respect to the grant of the City of an option to purchase the Project unrelated to the right of City as a lender under any loan made by the City to Owner, and supersedes all prior offers and negotiations, oral and written. This Agreement may not be amended or modified in any respect whatsoever except by an instrument in writing signed by the parties; provided, however, no amendment or modification will be effective unless consented to in writing by the parties.

(g) The parties will record a Memorandum of Purchase Option Agreement in the Official Records of the City and County of San Francisco, California evidencing the rights of the City under this Agreement, in form and substance reasonably acceptable to the City.

9. Assignment of Option. In the event that City exercises its rights to the Option pursuant to this Agreement, City may assign this Agreement and all of City's rights hereunder to a corporation that is tax-exempt under Section 501(c)(3) of the U.S. Internal Revenue Code and that is qualified to own and operate housing developments for low income persons; provided,

however, that any such assignment shall be subject to all of the terms of this Agreement. City's right to assign pursuant to the preceding sentence shall only be permitted after City elects to exercise its rights to the Option, pursuant to this Agreement. City shall give prior written notice of any permitted assignment to the parties hereto and any such assignee shall enter into a written agreement accepting the assignment and assuming all of City's obligations under this Agreement. Except as specifically permitted herein, City's rights hereunder shall not be assignable.

IN WITNESS WHEREOF, Owner, City, and Manager have executed this Agreement as of the date first above written.

This Deed of Trust is unconditionally and shall at all times remain a lien or charge on the Property subject and subordinate to that certain Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing executed by Trustor and recorded against the Property to secure Trustor's performance under the Agreement, the Market Rate Note, the BMR Note, and the Deferred Note.

1. Grant in Trust. For valuable consideration, Trustor hereby grants, transfers and assigns to Trustee, in trust, with power of sale, for the benefit of Beneficiary, all right, title and interest Trustor now has or may have in the future in the following (all or any part of the following, or any interest in all or any part of it, as the context requires, the "**Property**"):

- (c) all existing and future leases, subleases, tenancies, subtenancies, licenses, occupancy agreements and concessions, and any guarantees thereof ("**Leases**") relating to the use and enjoyment of all or any part of the Land and Improvements, and any and all guaranties and other agreements relating to or made in connection with any of the Leases; and
- (d) except for personal property and removable fixtures installed by tenants or subtenants, all goods, materials, supplies, chattels, furniture, fixtures, equipment and machinery now or later to be attached to, placed in or on, or used in connection with the use, enjoyment, occupancy or operation of all or any part of the Land and Improvements, whether stored on the Land or elsewhere, including all pumping plants, engines, pipes, ditches and flumes, and also all gas, electric, cooking, heating, cooling, air conditioning, lighting, refrigeration and plumbing fixtures and equipment, all of which will be considered to the fullest extent of the law to be real property for purposes of this Deed of Trust; and
- (e) all building materials, equipment, work in process or other personal property of any kind, whether stored on the Land or elsewhere, that have been or later will be acquired for the purpose of being delivered to, incorporated into or installed in or about the Land or Improvements; and
- (f) all SSP Loan funds, whether disbursed or not, and all funds now or in the future on deposit in the Replacement Reserve Account, the Operating Reserve Account and any other account required or authorized for the Project; and
- (g) all proceeds, including proceeds of all present and future fire, hazard or casualty insurance policies and all condemnation awards or payments now or later to be made by any public body or decree by any court of competent jurisdiction for any taking or in connection with any condemnation or eminent domain proceeding, and all causes of action and their proceeds for any damage or injury to the Land, Improvements or the other property described above or any part of them, or breach of warranty in connection with the construction of the Improvements; and

(h) all books and records pertaining to any and all of the property described above, including records relating to tenants under any Leases, the qualifications of any tenants and any certificates, vouchers and other documents in any way related thereto and records relating to the application and allocation of any federal, state or local tax credits or benefits; and

(i) all rents, revenues, issues, royalties, proceeds and profits, including prepaid rent and security deposits ("**Rents**"), from the Land and the Improvements, subject to: (i) Trustor's right to collect and retain the same as they become due and payable; and (ii) Beneficiary's rights under Section 3(d); and

(j) all intangible personal property and rights relating to the Property or its operation or used in connection with it, including, without limitation, permits, licenses, plans, specifications, construction contracts, subcontracts, bids, soils reports, engineering reports, land planning maps, drawings, construction contracts, notes, drafts, documents, engineering and architectural drawings, deposits for utility services, installations, refunds due Trustor, trade names, trademarks, and service marks; and

(k) all proceeds of, interest accrued on, additions and accretions to, substitutions and replacements for, and changes in any of the property described above.

2. Obligations Secured. This Deed of Trust is given for the purpose of securing the following (collectively, the "**Secured Obligations**"):

(a) performance of all present and future obligations of Trustor set forth in the Agreement related to the SSP Loan, specifically compliance with certain restrictions on the use of the Property recited in that certain Declaration of Restrictions executed by Trustor, dated as of the date of and being recorded concurrently with this Deed of Trust, as it may be amended from time to time, and the promissory note dated the date of this Deed of Trust made by Trustor to the order of Beneficiary (as it may be amended from time to time, the "**SSP Note**") and performance of each agreement incorporated by reference, contained therein, or entered into in connection with the Agreement;

(b) payment of the indebtedness evidenced by the Agreement and the SSP Note in the original principal amount of Twenty Million Nine Hundred Thousand and No/100 Dollars (\$20,900,000.00), with interest, according to the terms of the Agreement and the SSP Note; and

(c) payment of any additional sums Trustor may borrow or receive from Beneficiary, when evidenced by another note (or any other instrument) reciting that payment is secured by this Deed of Trust

3. Assignment of Rents.

(a) Assignment as Additional Security. Trustor hereby irrevocably grants, transfers, and assigns to Beneficiary all of its right, title, and interest in and to the Rents as additional security for the Secured Obligations. Subject to the provisions of subsection 3(d) below, Beneficiary hereby confers upon Trustor a license ("**License**") to collect and retain the Rents as they become due and payable, so long as no Event of Default exists and is continuing. If an Event of Default has occurred and is continuing, Beneficiary shall have the right, which it may choose to exercise in its sole discretion, to terminate this License without notice to or demand upon Trustor, and without regard to the adequacy of Beneficiary's security under this Deed of Trust.

(b) Collection and Application of Rents. Subject to the License granted to Trustor under subsection 3(a) above, Beneficiary has the right, power, and authority to collect any and all Rents. Subject to the License granted to Trustor under subsection 3(a) above, Trustor hereby appoints Beneficiary its attorney-in-fact to perform any and all of the following acts, if and at the times when Beneficiary in its sole discretion may so choose:

1. Demand, receive, and enforce payment of any and all Rents; or
2. Give receipts, releases, and satisfactions for any and all Rents; or
3. Sue either in the name of Trustor or in the name of Beneficiary for any and all Rents.

Beneficiary's right to the Rents does not depend on whether or not Beneficiary takes possession of the Property. In Beneficiary's sole discretion, it may choose to collect Rents either with or without taking possession of the Property. Beneficiary shall apply all Rents collected by it in the manner provided under this Deed of Trust. If an Event of Default occurs while Beneficiary is in possession of all or part of the Property and is collecting and applying Rents as permitted under this Deed of Trust, Beneficiary, Trustee and any receiver shall nevertheless be entitled to exercise and invoke every right and remedy afforded any of them under this Deed of Trust and at law or in equity, including the right to exercise the power of sale granted hereunder.

(c) Beneficiary Not Responsible. Under no circumstances shall Beneficiary have any duty to produce Rents from the Property. Regardless of whether or not Beneficiary, in person or by agent, takes actual possession of the Real Property and Improvements, Beneficiary is not and shall not be deemed to be:

1. A "mortgagee in possession" for any purpose; or
2. Responsible for performing any of the obligations of the lessor under any lease; or
3. Responsible for any waste committed by lessees or any other parties, any dangerous or defective condition of the Property, or any negligence in the management, upkeep, repair, or control of the Property; or
4. Liable in any manner for the Property or the use, occupancy, enjoyment or operation of all or any part of it.

(d) Election by Beneficiary. Upon the occurrence and during the continuance of an Event of Default, Beneficiary, at its option, may exercise its rights under this Section or otherwise provided under applicable law (including, but not limited to, under Section 2938 of the California Civil Code).

4. Trustor's Covenants. To protect the security of this Deed of Trust, Trustor agrees as follows:

(a) to perform the Secured Obligations in accordance with their respective terms;

(b) to keep the Land and the Improvements in good condition and repair, normal wear and tear and acts of God excepted; not to remove or demolish any Improvements without Beneficiary's prior written consent; to complete or restore promptly and in good and workmanlike manner any Improvement constructed, damaged or destroyed on the Land; to pay when due all claims for labor performed and materials furnished therefor, subject to Trustor's right to contest any claim in good faith; to comply with all laws affecting the Project, subject to Trustor's right to contest any claim in good faith; not to commit or permit waste with respect to the Land or the Improvements; not to commit, suffer or permit any act upon the Land or the Improvements in violation of law, including Environmental Laws; and to do all other acts made reasonably necessary by the character or use of the Land and the Improvements;

(c) to provide, maintain and deliver to Beneficiary property and liability insurance as required under the Agreement and apply any insurance proceeds as provided below;

(d) to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and reasonable attorneys' fees and costs incurred in any such action or proceeding in which Beneficiary or Trustee may appear and in any suit brought by Beneficiary to foreclose this Deed of Trust following an Event of Default;

(e) to pay in accordance with the Agreement, but in each case prior to delinquency: (i) all taxes and assessments affecting the Property, including assessments on appurtenant water stock; and (ii) all encumbrances, charges and liens, with interest, on the Property or any part thereof that appear to be prior or superior hereto;

(f) should Trustor fail to make any payment or to do any act as herein provided, then, without: (i) obligation to do so; (ii) notice to or demand upon Trustor; or (iii) releasing Trustor from any obligation hereof, Beneficiary or Trustee may: (A) make or do the same in any manner and to the extent as it deems necessary to protect the security hereof; (B) appear in and defend any action or proceeding purporting to affect the

security hereof or the rights or powers of Beneficiary or Trustee; (C) pay, purchase, contest or compromise any encumbrance, charge or lien that in its judgment appears to be prior or superior hereto; and (D) in exercising these powers, pay necessary expenses, employ counsel and pay reasonable attorneys' fees and costs, and Trustor consents to Beneficiary's and/or Trustee's entry upon the Land and Improvements for any purpose set forth in this subsection, including Beneficiary's exercise of its rights under California Code of Civil Procedure Section 564(c); and

(g) to reimburse within five (5) days of demand all sums expended by Beneficiary or Trustee pursuant to this Deed of Trust, with interest at an annual rate of interest equal to the lesser of: (i) ten percent (10%); or (ii) the maximum lawful rate from date of expenditure to the date of payment.

5. Security Agreement and Fixture Filing.

(a) Grant of Security Interest. Without limiting any of the other provisions of this Deed of Trust, to secure the payment, performance and observance of the Secured Obligations, Trustor, as debtor (referred to in this Section 5 as "**Debtor**"), expressly grants to Beneficiary, as secured party (referred to in this Section 5 as "**Secured Party**"), a continuing security interest in all the Property (including now and hereafter existing) to the full extent that any portion of the Property may be subject to the Uniform Commercial Code. For purposes of this Section 5, "**Collateral**" means the personal property (tangible or intangible) and fixtures included in the Property.

(b) Debtor's Covenants, Representations, and Warranties.

(i) Debtor covenants and agrees with Secured Party that:

(1) In addition to any other remedies granted in this Deed of Trust to Secured Party or Trustee (including specifically, but not limited to, the right to proceed against the Property in accordance with the rights and remedies in respect of the Property that is real property under the Uniform Commercial Code), Secured Party may, if an Event of Defaults occurs and is continuing, proceed under the Uniform Commercial Code as to all or any part of the Collateral, and shall have and may exercise with respect to the Collateral all the rights, remedies, and powers of a secured party under the Uniform Commercial Code.

(2) Without limiting the foregoing, Secured Party shall have the right upon any public sale or sales, and, to the extent permitted by law, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in Debtor. Debtor further agrees to allow Secured Party to use or occupy the Property, without charge, for the purpose of effecting any of Secured Party's remedies in respect of the Collateral.

(3) To the extent permitted by applicable law, Debtor waives all claims, damages, and demands against Secured Party arising out of the repossession, retention, or sale of the Collateral, except for claims, damages, and demands due to the active gross negligence or willful misconduct of Secured Party in dealing with such Collateral. Trustor agrees that Secured Party need not give more than five (5) days' notice of the time and place of any public sale or of the time at which a private sale will take place and that such notice is reasonable notification of such matters. Secured Party may disclaim any warranties that might arise in connection with the sale, lease, license, or other disposition of the Collateral and have no obligation to provide any warranties at such time. Secured Party may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and such sale may, without further notice, be made at the time and place to which it was so adjourned.

(4) To the extent permitted by law, Debtor hereby specifically waives all rights of redemption, stay, or appraisal which it has or may have under any law now existing or hereafter enacted.

(ii) Debtor hereby authorizes Secured Party to file financing and continuation statements with respect to the Collateral as Secured Party may reasonably require.

(iii) Debtor hereby represents and warrants that no financing statement is on file in any public office except as authorized by Secured Party. Debtor will at its own cost and expense, upon demand, furnish to Secured Party such further information and will execute and deliver to Secured Party financing statements and other documents in form reasonably satisfactory to Secured Party and will do all such acts that Secured Party may at any time or from time to time reasonably require to establish and maintain a perfected security interest in the Collateral as security for the Secured Obligations, subject only to liens or encumbrances approved by or benefiting Secured Party. Debtor will pay the actual expense of filing or recording such financing statements or other documents, and this instrument, as and where reasonably required by Secured Party.

(iv) To the extent permitted by applicable law, the security interest created hereby is specifically intended to cover all rents, royalties, issues and profits, and all inventory accounts, accounts receivable and other revenues of the Property.

(c) Fixture Filing. Certain of the Collateral is or will become "fixtures" (as that term is defined in the Uniform Commercial Code). This Deed of Trust, upon being filed for record in the real estate records of San Francisco County, shall operate also as a financing statement and fixture filing upon such of the Collateral that is or may become fixtures under the Uniform Commercial Code. Debtor's name and type and jurisdiction of entity are set forth in the introductory paragraph hereof. Debtor's address is set forth above. Debtor's EIN Number is 94-2514053. Secured Party's name and mailing address are set above.

5. Insurance and Condemnation Proceeds.

(a) Trustor hereby assigns to Beneficiary any award of damages arising from the condemnation of all or any part of the Property for public use and any insurance proceeds arising from injury to all or any part of the Property or the Project.

(b) Any condemnation award or insurance proceeds must be paid to Beneficiary or, if Beneficiary has consented to subordinate the lien of this Deed of Trust to the lien of another lender for the Project, according to the provisions in the senior lender's loan documents.

(c) If a condemnation award or insurance proceeds are paid to Beneficiary, Beneficiary will release or authorize the release of funds to Trustor, provided that the funds will be used for the reconstruction of the Project in accordance with: (i) projections demonstrating that reconstruction is economically feasible; and (ii) Trustor's construction budget, each of which must be satisfactory to Beneficiary in its reasonable discretion. In all other cases, Beneficiary may choose in its discretion to apply funds to Trustor's obligations under the SSP Note and the Agreement or to any senior obligations, in accordance with the respective priorities of the approved lienholders as their interests may appear of record, with the remaining funds, if any, released to Trustor.

(d) Trustor agrees that Beneficiary's application or release of funds pursuant to this Section will not cure or waive any default or Notice of Default (as defined below) or invalidate any act by Beneficiary performed following a default pursuant to any City Document unless the default has been cured by the application or release of funds.

6. Further Agreements. Trustor further acknowledges and agrees as follows:

(a) Beneficiary does not waive its right either to require prompt payment when due of all other sums secured by this Deed of Trust or to declare Trustor in default for failure to pay timely by accepting payment of any sum secured hereby after its due date.

(b) Trustee may reconvey any part of the Property at any time or from time to time, without liability therefor and without notice, upon written request of Beneficiary and presentation of this Deed of Trust and the SSP Note for endorsement without affecting the liability of any entity or person for payment of the indebtedness secured hereby.

(c) Upon: (i) written request of Beneficiary stating that all obligations secured hereby have been paid or performed; (ii) Beneficiary's surrender of this Deed of Trust and the SSP Note to Trustee for cancellation and retention or other disposition as Trustee in its sole discretion may choose; and (iii) payment of its fees, if any, Trustee shall reconvey the Property then held hereunder without covenant or warranty.

(d) As additional security, Trustor hereby irrevocably, absolutely and unconditionally assigns to Beneficiary all Rents, whether now due, past due or to become due, subject to Beneficiary's grant to Trustor of a license to collect and retain Rents as they become due and payable so long as Trustor has not defaulted in performance of the Secured Obligations.

(e) Any voluntary or involuntary conveyance, sale, encumbrance, pledge or other transfer of all or any interest in the Property or in Trustor, including a security interest, in violation of the Agreement will constitute an Event of Default (as defined below) giving Beneficiary the right to exercise its remedies at law or in equity.

(f) For the purposes of this Deed of Trust, Beneficiary from time to time may substitute a successor or successors to Trustee named herein or acting hereunder by instrument in writing executed by Beneficiary and duly acknowledged and recorded in the office of the recorder of San Francisco County, which instrument shall be conclusive proof of proper substitution of a successor trustee or trustees. Without conveyance from Trustee, any successor or substitute trustee will succeed to all title, estate, rights, powers and duties of Trustee. The instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the recording information for this Deed of Trust and the name and address of the new Trustee.

(g) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns, provided that this subsection does not constitute Beneficiary's consent to any transfer in violation of this Deed of Trust. The term Beneficiary shall mean the holder of the SSP Note, whether or not named as Beneficiary herein. In this Deed of Trust, whenever the context so requires, the masculine gender includes the feminine and/or the neuter, and the singular number includes the plural.

(h) Trustee accepts this Trust when this duly executed and acknowledged Deed of Trust is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.

7. Beneficiary's Rights Following Default. Upon any default by Trustor in performance of the Secured Obligations following expiration of any applicable notice and cure periods ("**Event of Default**"):

(a) Trustor's license to collect and retain Rents will terminate automatically.

(b) Trustor consents to Beneficiary's entry upon and taking possession of the Property or any part thereof, at any time after the occurrence of an Event of Default without notice, either in person, by agent or by a receiver to be appointed by a court without regard to the adequacy of any security for the indebtedness hereby secured to sue for or otherwise collect and apply Rents, less costs and expenses of operation and collection, including those of the Property, in its own name or in the name of Trustor. Beneficiary's collection and application of Rents shall not cure or waive any Event of Default or Notice of Default or invalidate any act done pursuant to any notice.

(c) Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold the Property ("**Notice of Default**"), and:

i. Trustee shall cause the Notice of Default to be filed for record. Beneficiary also shall deposit with Trustee this Deed of Trust, the SSP Note and all documents evidencing expenditures secured hereby.

ii. After the lapse of time then required by law following the recordation of a Notice of Default, and notice of sale ("**Notice of Sale**") having been given as then required by law, Trustee without demand on Trustor may sell the Property at the time and place fixed in the Notice of Sale either as a whole or in separate parcels in any order at public auction to the highest bidder for cash in lawful money of the United States payable at time of sale. Trustee may postpone sale of all or any portion of the Property by public announcement at the time and place of sale and from time to time thereafter may postpone the sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to any purchaser a trustee's deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in the trustee's deed of any matters of facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee or Beneficiary, may purchase at the sale.

iii. After deducting all costs, fees and expenses of Trustee and of this Trust, including cost of evidence of title in connection with sale, Trustee shall apply the proceeds of sale to payment of: (A) all sums expended under the terms of this Deed of Trust not then repaid, with accrued interest at the highest rate allowed by law in effect at the date hereof; (B) all other sums then secured hereby; and (C) the remainder, if any, to the person or persons legally entitled thereto.

8. Notice of Default to Trustor. The undersigned Trustor requests that a copy of any Notice of Default and of any Notice of Sale hereunder be mailed to it at its address set forth above or any succeeding address given by notice in accordance with the Agreement.

SECURED PROMISSORY NOTE
(Small Sites Program – 1005 Powell Street)

Principal Amount: \$20,900,000

San Francisco, CA

Date: June __, 2024

FOR VALUE RECEIVED, the undersigned, **CHINATOWN SROS, LLC**, a California limited liability company ("**Maker**"), hereby promises to pay to the order of the **CITY AND COUNTY OF SAN FRANCISCO**, a municipal corporation, or holder (as the case may be, "**Holder**"), the principal sum of Twenty Million Nine Hundred Thousand and No/100 Dollars (\$20,900,000.00) (the "**SSP Loan Amount**"), or so much of the SSP Loan Amount as may be disbursed from time to time pursuant to the Agreement described in Section 1 below, together with interest thereon, as provided in this Note.

1. Agreement. This Secured Promissory Note ("**Note**") is given under the terms of a Loan Agreement by and between Maker and Holder dated as of the date of this Note, as it may be amended from time to time (the "**Agreement**"), which Agreement is incorporated herein by reference. Maker's obligations under this Note and the Agreement are secured by that certain Deed of Trust, Assignment of Rents, Security Agreement and Fixture Filing (Small Sites Program) dated as of the date of this Note ("**SSP Deed of Trust**"), made by Maker for the benefit of Holder. Definitions and rules of interpretation set forth in the Agreement apply to this Note. In the event of any inconsistency between the Agreement and this Note, this Note will control.

2. Interest. Interest will accrue on the principal balance outstanding under this Note from time to time at the rate of three percent (3%) per annum, simple interest, from the date of the close of escrow through the date of full payment of all amounts owing under the City Documents. Interest will be accrued annually. Interest will be calculated on the basis of actual days elapsed and a 360-day year, consisting of 12 months of 30 days each, which will result in higher interest charges than if a 365-day year were used.

3. Default Interest Rate. Upon the occurrence of an Event of Default under any City Document, interest will be deemed to have accrued on the outstanding principal balance of the SSP Loan at a compounded annual rate equal to ten percent (10%), commencing on the date of the Event of Default through the earlier of: (x) the date on which the Event of Default is cured; or (y) the date on which all amounts due under the City Documents are paid to Holder. Maker acknowledges and agrees that the default interest that must be paid in the event of an Event of Default pursuant to this Section represents a reasonable sum considering all the circumstances existing on the date of this Note and represents a fair and reasonable estimate of the costs that will be sustained by Holder if Maker defaults. Maker further agrees that proof of actual damages would be costly and inconvenient and that default interest will be paid without prejudice to Holder's right to collect any other amounts to be paid or to exercise any of its other rights or remedies under any City Document.

4. Repayment of SSP Loan Amount.

4.1 Subject to Section 12.1 and Section 13.4 of the Agreement, Maker must make annual payments of principal and interest (each, a "**Payment**") in an amount equal to two-

thirds of the Residual Receipts, if any, attributable to the prior calendar year, beginning on the first December 31st after the date that the SSP Deed of Trust is recorded in the Recorder's Office of San Francisco County, and continuing each December 31st thereafter up to and including the Maturity Date, as defined below (each, a "**Payment Date**"). All Payments will be applied to the following in the following order: (a) costs and fees incurred and unpaid; (b) accrued and unpaid interest; and (c) reduction of the principal balance of the SSP Loan. The unpaid principal balance of the SSP Loan, together with all accrued and unpaid interest and unpaid costs and fees incurred, will be due and payable on the date that is the fortieth (40th) anniversary of the first day of the first full month following the date that the SSP Deed of Trust is recorded in the Recorder's Office of San Francisco County (the "**Maturity Date**"). Any Payment Date, including the Maturity Date, which falls on a weekend or holiday will be deemed to fall on the next succeeding business day.

4.2 Maker's obligation to pay interest annually may be forgiven by MOHCD in its sole discretion if there are insufficient Residual Receipts on any Payment Date, following Maker's timely submission of audited financials and Annual Monitoring Report (AMR) reporting requirements. Forgiven interest will be deemed not to have accrued.

5. Security. Maker's obligations under this Note are secured by the SSP Deed of Trust.

6. Terms of Payment.

6.1 All Payments must be made in currency of the United States of America then lawful for payment of public and private debts.

6.2 All Payments must be made payable to Holder and mailed or delivered in person to Holder's office at One South Van Ness Avenue, 5th Floor, San Francisco, CA 94103, or to any other place Holder from time to time designates.

6.3 In no event will Maker be obligated under the terms of this Note to pay interest exceeding the lawful rate. Accordingly, if the payment of any sum by Maker pursuant to the terms of this Note would result in the payment of interest exceeding the amount that Holder may charge legally under applicable state and/or federal law, the amount by which the payment exceeds the amount payable at the lawful interest rate will be deducted automatically from the principal balance owing under this Note.

6.4 Maker waives the right to designate how Payments will be applied pursuant to California Civil Code Sections 1479 and 2822. Holder will have the right in its sole discretion to determine the order and method of application of Payments to obligations under this Note.

6.5 Except as otherwise set forth in this Note or in the Agreement, no prepayment of this Note shall be permitted without Holder's prior written consent, which may be given or withheld in Holder's sole discretion.

7. Default.

7.1 Any of the following will constitute an Event of Default under this Note:

(a) Maker fails to make any Payment required under this Note within ten (10) days of the date it is due; or

(b) the occurrence of any other Event of Default under the Agreement or other instrument securing the obligations of Maker under this Note or under any other agreement between Maker and Holder with respect to the Project, including without limitation, the Market Rate Note, the BMR Note, and the Deferred Note.

7.2 Upon the occurrence of any Event of Default, without notice to or demand upon Maker, which are expressly waived by Maker (except for notices or demands otherwise required by applicable laws to the extent not effectively waived by Maker and any notices or demands specified in the City Documents), Holder may exercise all rights and remedies available under this Note, the Agreement or otherwise available to Holder at law or in equity. Maker acknowledges and agrees that Holder's remedies include the right to accelerate the Maturity Date by declaring the outstanding principal balance of the SSP Loan (along with the Market Rate Loan, the Deferred Loan, and the BMR Loan), together with all accrued and unpaid interest and unpaid fees and costs incurred, due and payable immediately, in which case, the Maturity Date will be superseded and replaced by the date established by Holder.

8. Waivers.

8.1 Maker expressly agrees that the term of this Note or the date of any payment due hereunder may be extended from time to time with Holder's consent, and that Holder may accept further security or release any security for this Note, all without in any way affecting the liability of Maker.

8.2 No extension of time for any Payment made by agreement by Holder with any person now or hereafter liable for the payment of this Note will operate to release, discharge, modify, change or affect the original liability of Maker under this Note, either in whole or in part.

8.3 The obligations of Maker under this Note are absolute, and Maker waives any and all rights to offset, deduct or withhold any Payments or charges due under this Note for any reason whatsoever.

9. Miscellaneous Provisions.

9.1 All notices to Holder or Maker must be given in the manner and at the addresses set forth in the Agreement, or to the addresses Holder and/or Maker hereafter designate in accordance with the Agreement.

9.2 In the event of any legal proceedings arising from the enforcement of or a default under this Note or in any bankruptcy proceeding of Maker, the non-prevailing party promises to pay all reasonable costs and expenses, including reasonable attorneys' fees, incurred by the prevailing party in the proceeding, as provided in the Agreement.

9.3 This Note may be amended only by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.4 This Note is governed by and must be construed in accordance with the laws of the State of California, without regard to the choice of law rules of the State.

9.5 Time is of the essence in the performance of any obligations hereunder.

 Project Name and Address: 1005 Powell Street San Francisco, CA 94108

Project Summary:

- Located in District 3, 1005 Powell Street consists of a 5-story building comprising 64 single room occupancy (SRO) units and two commercial units (the Project).
- The Project was acquired in December 2021 for \$3,750,000 with financing from the Housing Accelerator Fund and underwent a \$9,239,000 rehabilitation completed in January 2024.
- The request for an SSP soft debt loan is in line with the initial soft commitment MOHCD provided in December 2021 as well as the maximum subsidy allowed under the Small Sites Program (SSP). The HAF loan maturation date was recently extended from April 30, 2024 to June 30, 2024 to account for five months of construction delays and enable robust underwriting, given the unique facet of this project's sinking funds.
- The Project is fully occupied as of February 1, 2024. 35 of the units will be subject to a Senior Operating Subsidy Agreement, whereby MOHCD will provide an annual payment to subsidize rents up to 60% AMI, with 20 households paying 15% AMI rents and 15 households paying 20% AMI rents. In addition, one household referred by Catholic Charities are receiving shallow subsidies from a program administered by MOHCD. All of the tenants are Chinese, and most are monolingual. 64% of households are over 62 years old. The subsidies are a key strategy to increasing the Project's income, and CCDC will also be instituting rent increases for roughly one-third of households whose rent burdens do not meet SSP minimums.
- In addition, CCDC will need to identify long-term tenants for the two commercial spaces on the ground floor. They expect one space to house a laundromat and the second space for retail use. CCDC will lease the retail space to themselves for the first year of operations to use as the property management office for another affordable building in their portfolio undergoing rehabilitation.
- From the initial underwriting of the HAF loan, CCDC and MOHCD have been anticipating the need for sinking funds to cover operating deficits. Properly maintained and staffed SRO buildings are notoriously difficult to pencil; rents are simply not high enough to cover operating expenses. This project, however, was ripe for addressing building code violations and overcrowding, which both improves the conditions of those living in the building and decreases operating expenses. Furthermore, with a high number of senior households already occupying units,

Applicant: Chinatown SROs, LLC

Project Name and Address: 1005 Powell Street San Francisco, CA 94108

accessing senior subsidies has made a significant difference to the project's income and allows those households to be stabilized as they age.

- MOHCD is providing a sinking fund in the amount of \$1,165,000 that will be expended first, anticipated to cover more than 15 years of operating deficits. CCDC will make sinking fund deposits during the first ten years of the project totaling \$1,855,000. Together, the sinking funds will enable the Project to be stable into Year 20 and beyond.
- The Project is requesting up to \$20,900,000 in Small Sites soft debt and an additional \$6,209,204 in Senior Operating Subsidy to be paid in annual installments over 15.5 years (which was approved by Loan Committee on March 1, 2024). MOHCD's significant investment in the Project is paired with CCDC's contributions to the Project for the sinking fund as well as \$448,000 for commercial upgrades and tenant improvements, totaling \$2,269,000.
- MOHCD staff is recommending Loan Committee approval for 1005 Powell Street's permanent financing.

1. SUMMARY/BRIEF PROJECT UPDATE

Chinatown Community Development Center ("CCDC", "Chinatown SROs, LLC" or the "Sponsor") requests up to \$20,900,000] in Small Sites Program ("SSP") funding from the Mayor's Office of Housing and Community Development ("MOHCD") for the permanent financing of the property located at 1001-1005 Powell Street in the Chinatown neighborhood of San Francisco ("1005 Powell Street" or the "Project"). The Sponsor also requested and received Loan Committee approval on March 1, 2024 for \$6,209,204 in Senior Operating Subsidy (SOS) in a 15.5-year contract given the significant majority of very low income and extremely low income seniors served by the Project.

On December 13, 2021, MOHCD issued a soft commitment letter for \$20,900,000, known as a letter of support for the Project, which was acquired on December 27, 2021 and rehabilitated with financing through the Housing Accelerator Fund ("HAF"). The letter of support also references the need for "a sinking fund for operating deficits," which is discussed in greater detail below.

As of January 2024, the Project's rehabilitation is complete. The requested permanent financing from MOHCD will pay off the existing HAF loan, fund replacement and operating reserves, and cover closing costs. The Sponsor will record a Declaration of Restrictions on the parcel that will protect the affordability of all units for at least 99 years. The total development cost for the

Project is approximately \$21,348,000 of which \$20,900,000 is MOHCD financing. The balance is CCDC's contribution of \$348,000 for tenant improvements to the laundromat as well as an additional \$100,000 in a tenant improvements reserve to be potentially available for a future laundromat tenant.

Background

Built in 1907, 1001-1005 Powell is a mixed use, single-room-occupancy ("SRO") building, comprising 64 units without bathroom or kitchen on four upper floors as well as three ground floor commercial units. One 406 square foot commercial unit has been converted permanently into a property management office, resident lounge, and tenant laundry facility to serve the Project. The other two commercial spaces are seeking new tenants to be used as a 1,109 square foot laundromat and a 617 square foot retail space. In the interim, the retail space will be leased to CCDC at a below market rate for use as a temporary office for the Clayton Hotel, another CCDC property which is undergoing rehab in 2024-2025. Each of the four residential floors has one common kitchen; in addition, there are three bathrooms on the first residential floor and five bathrooms on the second, third and fourth residential floors.

The building was in poor condition at acquisition with a rehabilitation budget more than three times the purchase price. There were several outstanding Notices of Violation (NOVs) documenting unsafe conditions at the property, and an extensive history of unpermitted work. The owners approached CCDC about the purchase as an alternative to addressing the violations themselves. The project serves one of their core populations, extremely and very low-income Chinese senior households. CCDC also observed the unsafe conditions and believed they had the expertise to improve the building and address its life safety issues. They also strongly believed that they would decrease operating expenses over time as they stabilized the Project. Once MOHCD was able to offer a soft commitment that included SOS, CCDC felt confident in their ability to preserve this essential housing in perpetuity under the Small Sites Program. For its part, MOHCD is deploying funds from the Academy of Art University settlement as part of the permanent financing. Where naturally occurring affordable units had been removed from the market and rented to students at above market prices, the City is preserving an equivalent unit type (SROs) and ensuring that the SRO units, a critical part of the housing inventory for immigrants and people who have been or are at risk of homelessness.

The most pressing item from the NOVs was the significant amount of asbestos abatement necessary due to the deterioration of acoustic ceiling and wall materials found in units and common spaces. Life safety improvements included installation of a fire-rated ceiling between the commercial units and the residential floors above and a sprinkler system as well as replacing unsafe door closers and escape windows that pose a risk in case of fire. Plumbing and

electrical systems were upgraded or replaced, and exposed wiring for telephone and cable in the corridor was rerouted into conduit. Water penetration was ameliorated through a new roof coating and exterior repairs. All of the poorly maintained single glazed aluminum windows were replaced with dual glazed windows that met egress requirements and improved waterproofing and energy use. The structure received a soft story retrofit to comply with City requirements, and the property is now ADA compliant after alterations to bathrooms, entryways, the elevator and the addition of in-unit accessibility features. Finally, CCDC oversaw the renovation of the existing common spaces, including residential kitchens and bathrooms, to extend the useful life of the building and to address code violations and dry rot issues. In total, the construction spanned from March 2022 to January 2024, a total of 22 months and required the relocation of all tenants for a period of approximately 12 months. At the time of acquisition, rehab was projected to take 17 months. Additions to the rehab scope, including a residential laundry facilitating, upgrades to the commercial laundromat, and in-unit improvements resulted in a 5-month delay for a total of 22 months of construction. The delay necessitated two extensions to the HAF loan. For more on the completed rehabilitation scope, please see **Appendix E**.

There is one resident receiving rental assistance through the City’s Shallow Rent Subsidy Program. All the rest of the units are at 60% AMI restrictions per SSP Guidelines for SROs and unsupported by a subsidy. At Project acquisition in December 2021, the average household AMI was 25%, with an average rent AMI of 30%, including the 2% of the households that are receiving rental assistance. The Project now has an average AMI of 30% and an average rent AMI of 49% with subsidy. Rent burden averages 25.4%. The Project is fully leased with 100% of households having income certified as of February 1, 2024.

Total Project Costs and Sources

Funding Source	Initial Soft Commitment in 2021	Current Amount
Total Project Cost (SSP Request)	up to \$20,900,000 (\$316,667/unit)	up to \$20,900,000 (\$316,667/unit)
Total Senior Operating Subsidy (SOS) Request	\$5,900,000 (\$168,571/unit)	\$6,209,204 (\$177,406/unit)

Applicant: Chinatown SROs, LLC

Project Name and Address: 1005 Powell Street San Francisco, CA 94108

This table above does not include the two reserve accounts funded at closing by CCDC, which are not considered project sources, but are important contributions to stabilizing building operations: 1) 10 years of sinking fund deposits totaling \$1,855,000 and 2) the \$100,000 reserve for laundromat tenant improvements, as reserves are distinct from project sources.

The total funding request matches exactly the initial soft commitment and is roughly equivalent to the maximum SSP funding of \$316,250/unit. **See Appendix A** for Maximum Allowable Subsidy Per Current SSP Guidelines.

2. PRINCIPAL DEVELOPMENT ISSUES

Operating Deficit – Need for Sinking Fund:

Even with SOS, current rents will not support the Project's long-term operating expenses. At acquisition and to help close the gap, CCDC leased units at higher rents, including one unit recently leased by clients referred by Catholic Charities receiving shallow subsidy administered by MOHCD to help stabilize households at risk of homelessness. MOHCD evaluated the Project prior to issuing the letter of support with vacant units being re-rented at 45% AMI rents, based on market rents for SROs units during Covid and since, though underwriting for takeout has also revealed significant potential for increasing rents based on existing tenants' rent burdens, as shown in **Section 6.11, Unit Mix and Affordability** below. 1A loan condition addresses the issue of minimum rent burden, as residential income is so critical to Project's net operating income. See **Section 10, Recommended Loan Conditions**.

While CCDC made important gains in occupying units with higher AMI tenants during the SFHAF period and reducing operating expenses (discussed in **Section 8.2, Annual Operating Budget Analysis/Comments**), additional operational support in the form of the sinking fund is still necessary for MOHCD and CCDC to ensure the Project's future financial stability. Since SSP projects are underwritten for 20 years, MOHCD's sinking fund was proposed to cover the first 10 years of deficits and CCDC's to cover Years 11-20 (as well as be responsible for any additional deficits not covered by the sinking funds). However, the Project's current financial outlook shows the MOHCD sinking fund will last into Year 16 and the CCDC sinking fund is sufficient through Year 20. At acquisition, MOHCD committed to contribute \$1,165,000 to a sinking fund to be expended first, and CCDC committed \$1,855,000, to begin withdrawals only after the MOHCD sinking fund is exhausted.

Extending the current subsidies or identifying a new subsidy will likely be necessary to sustain the Project past Year 20, and therefore a loan condition requires the Sponsor to seek additional sources. Furthermore, the Project's commercial income is underwritten conservatively based on today's conditions, where inventory is high and rents have not recovered from pre-COVID levels. If the commercial units outperform the projections, that too may help extend the sinking fund's sufficiency.

Commercial Rehabilitation and Tenant Improvements:

Applicant: Chinatown SROs, LLC

Project Name and Address: 1005 Powell Street San Francisco, CA 94108

Commercial tenant improvements beyond City-required life safety upgrades (e. g., seismic or electrical upgrades) are not eligible for SSP funding. However, CCDC identified that the laundromat space and retail space were not marketable in the condition and configuration at the time of acquisition and needed all-new storefront windows and doors, and new ADA bathrooms in the laundromat and office space. In addition, the third commercial unit was converted to serve the residential portion of the Project: the building’s property management office and a resident-only laundry room. Together these improvements (“commercial upgrades”) totaled \$348,000 and were completed as part of the Project rehab.

Small Sites Program Guidelines preclude commercial upgrades from being funded by MOHCD. Therefore, CCDC must absorb the cost of those improvements. As a result, CCDC would keep the \$348,000 cost of commercial upgrades in the project by requesting a lower equity repayment from the original HAF loan. Instead of receiving the full \$2,500,000 from their equity contribution at takeout, they would receive a balance after deducting the cost of the commercial upgrades.

In addition, CCDC will fund an additional \$100,000 reserve at closing to make final improvements as determined necessary or beneficial by the future laundromat tenant.

Commercial Vacancy:

The laundromat space was operated by the former owners and has been vacant since acquisition; rehab was completed in January 2024. CCDC is actively working with its commercial property manager on marketing the space and securing a suitable tenant. Based on the number of proximate laundromats and density of SROs in the neighborhood without on-site laundry facilities, CCDC is confident there is sufficient demand for this use in the neighborhood.

In addition, the hair salon that occupied the retail space also ended their tenancy in August 2023. CCDC will lease the space to themselves on a temporary basis for a year at a below market rate of \$1,000 per month to use as the property management office for the Clayton Hotel, which will be undergoing renovation from Summer 2024 to Summer 2025. The same commercial property manager working on marketing the laundromat will also lead the effort to find a long-term tenant for the retail space.

Market forces are challenging for commercial spaces in Chinatown and throughout the City. More detail has been provided in **Section 6.8, Commercial Space** and relevant loan conditions have been included in **Sections 9 and 10**.

3. BORROWER/GRANTEE PROFILE

The mission of the Chinatown Community Development Center is to build community and enhance the quality of life for San Francisco residents. CCDC is a place-based community development organization serving primarily the Chinatown neighborhood, and also serve other

areas including North Beach and the Tenderloin. CCDC is a community development organization with many roles - as neighborhood advocates, organizers and planners, and as developers and managers of affordable housing.

CCDC believes in a comprehensive vision of community, a quality environment, a healthy neighborhood economy, and active voluntary associations. CCDC is committed to the empowerment of low-income residents, diversity and coalition building, and social and economic justice.

3.1 Racial Equity Vision

CCDC is a BIPOC-led organization with a 45-year history of advocating on behalf of low-income residents in Chinatown. CCDC's mission evolved from preserving Chinatown as a low-income immigrant gateway to building political power among residents to bring the neighborhood resources and opportunities it had historically been denied. To date, understanding that all organizations have room to grow in addressing institutionalized racism, Chinatown CDC has modified organizational policies and procedures to lower barriers of entry to housing, worked towards becoming trauma-informed in its services provision, hired bilingual staff that reflects the communities they serve, providing opportunities for BIPOC residents to engage with the neighborhood process, and working to heal historic divides between Asian Americans and other BIPOC and White communities.

Additionally, CCDC has decades of experience in the delivery of culturally competent services and/or community development programs to low or lower-income households in the community. CCDC provides community benefit programs accessible to the public, including Youth development programs, digital literacy training, housing counseling, and other empowerment programs and food distribution programs. Chinatown CDC has an excellent track record of hiring program participants and members from within the community, while promoting a broader diversity of staff.

At the building level, Chinatown CDC's racial equity strategy promotes access to quality and stable housing, social and economic mobility, education, health, and housing assistance to support intergenerational wealth building in BIPOC communities. Chinatown CDC uses a Community Building and Engagement (CB&E) model of resident service provision, which posits that being socially connected and active in one's community not only enhances one's quality of life but is a housing retention strategy, as it reduces feelings like isolation that can lead to behavioral issues. The CB&E model prioritizes residents' experiences, ideas and skills in the creation of programming.

3.2 Board of Directors and Staff

For more detailed experience of key staff supporting the Project, see **Appendix B.**

For recent development activity, see **Appendix C.**

3.2 Asset Management Performance & Capacity

Asset Management's (AM) role at CCDC is to manage portfolio risk and opportunities by monitoring and analyzing the financial and physical health of CCDC's portfolio. CCDC's AM staff currently oversee 38 properties comprised of 3,090 affordable housing units including 484 that are supportive housing. This comes to an average of 82 units per project. Over 4,700 individuals comprising more than 2,500 households live in CCDC homes. 78% of the households in CCDC portfolio are extremely low income.

The Asset Management Department (AM) is comprised of 5.625 FTE:

1. Director of Asset Management
2. Associate Director of Asset Management
3. Asset Manager (2.0 FTE)
4. Asset Management Coordinator
5. Asset Management Assistant (0.625 FTE)

Two positions, the Director of Asset Management and the Asset Management Coordinator are currently vacant.

CCDC is also currently developing a 5-year Asset Management Department plan to establish the priorities and staffing manage our current portfolio and new projects as they come online. In addition, CCDC has relationships with experienced consultants who can perform discreet projects to fill in any gaps.

3.3 Development Experience.

CCDC has significant experience in the development and operation of affordable housing in San Francisco. CCDC's portfolio includes 950 affordable senior units and 546 units of senior supportive housing.

	Developed	Owned
No. Projects	38	37
No. Units/Bedrooms	3,251	3,021

CCDC has four projects in development that will provide over 475 units of affordable housing in the next three to five years:

- 730 Stanyan with TNDC (160 units)
- Transbay Block 2 West (151 units)
- 1515 South Van Ness with MEDA (161 units)
- Pier 70 with YCD (116 units)

4. SELECTION PROCESS

4.1 Small Sites Program Funding

A Notice of Funding Availability (“NOFA”) was published on July 24, 2014 to provide acquisition and rehabilitation financing for multi-family rental buildings of 5 to 25 units. The NOFA established a fund to help stabilize buildings occupied by low- to moderate-income tenants throughout San Francisco that are particularly susceptible to market pressure resulting in property sales, evictions, and rising tenant rents. Since the NOFA’s publication and submission deadline, the Small Sites Program aims to fund projects on a first come first served basis according to funding availability.

This Project is subject to the revised guidelines for the SSP program published in November 2022. It is not MOHCD’s practice to use the scoring rubric when evaluating permanent financing to take out the initial loan, and **the SSP scoring rubric was not in use when the HAF underwrote the Project in 2022.** However, the Project would receive a base score of 84 if it were underwritten today, exceeding the minimum threshold of 70 points, indicating that it meets goals of the SSP Program including community stabilization and housing affordability. Furthermore, a multiplier can be applied to the base score to determine the maximum subsidy available to the Project. A base score of 80-84 receives a multiplier of 115%, as shown below and in **Appendix A.**

SSP Scoring Rubric: Project Name/Address

Category	Points
Housing Affordability	35/35
Community Stabilization	35/35
Geographic Equity (D3)	14/30
Total Base Score	84/100
Eligible Multiplier	115%
Total After Multiplier	97/100

Several waivers of the SSP Guidelines are needed based on the specific terms of the Project:

- Commercial upgrades were funded by the HAF loan, though commercial or tenant improvements are not eligible for financing under SSP. As a result, the MOHCD loan will not cover those costs, and instead they will be deducted from the repayment of CCDC’s equity contribution.
- CCDC is requesting that they receive the Management Fee and Asset Management Fee according to the MOHCD’s Multifamily Affordable Housing Operating Fee Policy rather than the SSP Guidelines, given that the Project’s staffing structure reflects that of a larger property with on-site staff and manager, unlike most Small Site properties.
- The Project’s structural operating deficit results in a Project without hard debt. Therefore, the Project requires an exception from the requirement of a 1.15-20 Debt Service Coverage Ratio (DSCR). Please see **Section 8.3, 20 Year Cash Flow**.
- The Project will not make annual deposits into an Operating Reserve, as is required for SSP projects. Instead, the Operative Reserve will be capitalized at loan closing, and the MOHCD and CCDC sinking funds will cover operating deficits.
- Residential vacancy assumptions have been lowered to five percent. SSP Guidelines assumes residential vacancy of ten percent. The larger building can absorb vacancy with less impact to its stability than the typical SSP project in addition to the fact that there is a lengthy waiting list for the SOS units.
- The SSP Guidelines require that the Replacement Reserves will be adequate to fund 20 years to extend the building’s useable life, providing for all maintenance and repairs needs during that period. In order to achieve that, the loan amount would exceed the initial soft commitment as well as the maximum allowable subsidy under Small Sites. Instead, the Replacement Reserve is sized to cover the first 16 years of capital needs.

4.2 Senior Operating Subsidy Program (SOS)

In July 2019, the Board of Supervisors (BOS) established the Senior Operating Subsidy Program Fund (“SOS Program Fund” or “SOS Fund”) for the purpose of providing project-based subsidies to new senior affordable housing developments funded by the City through MOHCD. As stated

in the SOS Manual effective July 21, 2023, “the intent of the SOS Program Fund is to prevent displacement and sustain housing for seniors to be able to live independently, to help provide the necessary service connection for seniors, to protect households across the widest range of incomes...and to keep such residents in their homes.”

The SOS Program Fund also restricts income and rent levels at or below 60% MOHCD AMI. The SOS project-based subsidies allow rents to be set so that extremely low-income seniors at 15% MOHCD AMI or 25% MOHCD AMI can afford them by providing a subsidy equal to the difference between the lower AMI rent and the MOHCD 60% AMI Gross Rent for the unit type. SOS Subsidy will increase at a fixed rate of four percent annually.

In June 2020, MOHCD applied, with BOS approval, for an allocation of funds from the State of California Department of Housing and Community Development (“HCD”)’s Permanent Local Housing Allocation (PLHA). The PLHA Program was directly created out of the Building Homes and Jobs Act, also known as SB2, approved through the California Senate in September 2017. That Act secures funding for affordable housing by imposing a fee of \$75 on all real estate recording transactions in the state. Per the Program’s eligible uses, MOHCD’s application proposed to provide permanent, project-based subsidies for households at 15% MOHCD AMI and 25% MOHCD AMI, including transition reserves and administrative fees. On October 5, 2020, MOHCD was awarded its first PLHA Program funds in the amount of \$8.7 million, and 1005 Powell is slated to receive its allocation from this first round award. (A second allocation was secured subsequently, and three projects have been selected to receive SOS funds.)

The Sponsor is also requesting various waivers to the SOS Program Requirements. Specifically:

- SOS Programs requires no more than 40% of the total units to be supported by the program, but the Project is requesting that 54% of the total units be supported by SOS because the number of very low and extremely income seniors at acquisition exceeded 40%.
- The SOS Program supports studios and one bedrooms, but this request is to support SRO units.
- The Project is also asking for a waiver to the split of AMIs. The Program requirements split the 15% and 25% AMI evenly. However, the Projects is requesting 15 units restricted at 15% AMI and 20 units restricted at 25% MOHCD AMI, following an analysis of the incomes of the households occupying SOS units.
- Finally, SOS units will be supported by a 15.5 year contract that will be executed upon approval from the Board of Supervisors in April, though the SOS Program envisions 15 year funding contracts. While the additional 6 months deviates from the SOS Program

standard of 15 years, this structure will enable subsidy to flow as soon as the permanent financing is in place, allowing subsequent allocations to be a full year of funding.

5. SITE

5.1 Brief Site Description.

The Project is a five-story, mixed use, single-room-occupancy (SRO) located in the Chinatown neighborhood. The Project is comprised of 64 SROs on four upper floors, three ground floor commercial units (one of which is converted to property management office), and partial basement which is not habitable and only used for storage. No residential units were added or removed during rehabilitation. One commercial unit was converted to be available for property management, resident laundry and lounge as discussed previously.

5.2 Site Characteristics.

Address:	1001-1005 Powell St, San Francisco, CA 94108
Lot/Block:	Lot 008/Block 0212
Lot Square footage:	4,727 sf
Building age:	1907
Number of buildings:	1
Number of floors:	5
Building typology:	Type 5 Wood Frame
Design features:	Above the first floor, a central light corridor divides the residential floor into two wings. Each wing contains a double loaded corridor with SRO units. The original elevator is still in service.
Unusual characteristics (including surrounding uses):	The site slopes at both the Powell and Clay Street facades. The low point is at the northeast corner along Powell Street, and the high point is at the Southwest corner of Clay Street. The west facade located at Codman Place, a pedestrian alley, has little slope and the first level is largely below grade. The sloping nature of the site allows for a portion of the building to be five stories, but the structure is largely four stories.

5.3 Article 34 Authority.

The MOHCD approval letter will be issued prior to close.

5.4 Resident/Community Support & Relocation Details.

CCDC conducted several community meetings both before and after the acquisition. Pre-acquisition meetings aimed to explain the upcoming rehabilitation process to residents, covering details such as the timeline, relocation, and planned improvements. CCDC actively

sought resident comments to incorporate them into the design, ensuring that the rehabilitation effectively addresses their needs.

CCDC’s relocation team conducted thorough interviews with each household, documenting their living habits, neighborhood preferences, and accessibility needs to ensure that the temporary relocation units meet residents' requirements.

After acquisition, CCDC’s property management team engaged with every household, conducting income certification and signing leases. This process ensured that everyone would legally become CCDC tenants before relocating offsite, providing tenants with peace of mind that they would be eligible to return to the building after the rehab is completed.

During construction, the development team shared progress updates and photos with the property management team. These updates were compiled into flyers and posted in the property management office for tenants to view when they come in to make monthly payments.

A total of 20 properties were used for relocation totaling 49 units. Five of the properties were CCDC’s, comprising 27 units. Relocation was completed as of September 2023 with all eligible residents returning to the building. There were seven overcrowded households that did not return to 1005 Powell. Of those, two households chose to remain in their relocated CCDC units, while others found alternative market-rate units with the assistance of relocation staff and program department staff. Six of the seven households were able to obtain subsidies through SRO families Program or Section 8, setting their rent at 30% of household income. Only one household did not qualify, and they subsequently moved into a one-bedroom CCDC property. The rent amount for this unit was lowered to \$1,600, a negotiation facilitated by the tenant with the property manager.

Total relocation costs were \$1.9 million as follows:

Rent	\$1,734,142
Storage	\$3,251
Utilities (including internet)	\$98,944
Movers	\$61,176
Moving Material	\$10,047
Relocation Staffing	\$29,038
Internet	\$2,399
Consultant/Legal	\$2,155
Commercial space moving/consultant/misc. repair	\$9,858
Cleaning	\$4,888
Misc. (meeting refreshments, welcome back gifts)	\$7,218

6. DEVELOPMENT PLAN

Applicant: Chinatown SROs, LLC

Project Name and Address: 1005 Powell Street San Francisco, CA 94108

6.1 Site Control.

Purchase Price: \$3,750,000

Status of Purchase & Sale Contract: Executed on June 24, 2019 and closed on December 27, 2021.

P & S Contingencies: N/A

Hard Closing Date and other deadlines:

Loan Closing 6/20/2024

6.2 Appraisal.

The property was appraised by R. Blum + Associates on November 20, 2021. The value conclusions were:

Market Values	
As Is	\$4,300,000
As Stabilized at Market Rents	\$9,500,000
As Stabilized at MOHCD Restricted Rents	\$8,250,000

6.3 Title Issues.

No title issues were identified. A recent title report documents revocations of Notice of Violations (NOVs) issued under the previous owner, which were addressed by the rehabilitation.

6.4 Proposed Property Ownership Structure.

Chinatown SROs LLC owns fee title to the land and the improvements of the subject property.

6.5 Identified Rehabilitation Needs.

All rehabilitation was funded with the SFHAF acquisition and construction loan and completed in January 2024. The total rehabilitation cost \$12,977,000, roughly \$200,000 more than estimated by the HAF. CCDC prepared the rehabilitation scope by analyzing the existing NOVs, assessing the unpermitted work completed, and commissioning a number of reports and inspections, including a Physical Needs Assessment, Fire Panel Report, Indoor Air Investigation Report, Elevator Report, Seismic Report, Roofing Inspection, Sewer Report, Mechanical-Electrical-Plumbing Report, Environmental Visual Assessment, Asbestos and Report and Estimate.

6.6 MOHCD Construction Representative Evaluation

This Project is complete and is requesting permanent financing from MOHCD, therefore, the scope of work is not being reviewed for approval. However, the MOHCD Construction Representative has evaluated the Project for completeness in early February 2024 and identified several items that are outstanding. CCDC has indicated that all permits will be signed off by the end of February 2024, and a loan condition addresses the need for all conversion items listed in **Appendix E** to be completed prior to loan closing.

6.7 Service Space/Resident Lounge.

A 406 square foot resident lounge has been added on the ground floor, next to the tenant laundry room. This space will serve as a venue for resident meetings and events, community holiday gatherings, and a place for residents to relax while waiting for their laundry to be completed.

6.8 Commercial Space.

While there were three ground-floor commercial units at acquisition, one was converted into a property management office, on-site tenant laundry room and resident lounge, activating these spaces to become a hub for residents to engage with one another and the on-site property management staff and Resident Services Coordinator required by SOS. MOHCD approved this conversion, despite the foregone commercial income, in recognition of the benefits it will provide residents.

The other two commercial units will retain their use as a laundromat (1,109 square feet) and a retail space (617 square feet). However, both commercial units need to find long-term tenants. Both spaces benefited from the commercial upgrades described above, including new storefront windows and accessible bathrooms. **Section 9, Recommended Closing Conditions** requires a commercial marketing plan, before the modeled Year 1 vacancy losses have been exhausted, as described below in **Section 7.3 Underwriting Requirements and Refinancing Assumptions**.

- Laundromat: Currently, there are three laundromats in Greater Chinatown, and in-building laundry facilities are rare. Over 50% of the housing stock in Chinatown is SRO units, many housing multi-person households. As mentioned in **Section 2**, CCDC is actively working with its commercial property manager on marketing the laundromat to secure a suitable tenant for the space. They expect a rent of \$1,500 per month. In addition, CCDC has made a commitment to contribute \$100,000 of its own funds (not from the SSP loan) for future tenant improvements once a new laundromat operator has been identified.

- The retail space will be leased to CCDC for use as a temporary office for the Clayton Hotel while it undergoes renovation. The lease is expected to last approximately one year, starting in July 2024, at a rent of \$1,000 per month. CCDC has indicated they expect the same commercial property manager will assist with identifying a long-term tenant.

Commercial rents historically are higher than what CCDC is projecting, but reflect CCDC's expectations of the current market. A loan condition addresses the need for the Project to generate commercial income to offset other project costs.

6.9 Population to Be Served

100% of the current residents are Chinese, with many being monolingual. All households have either one or two people. Of all the households, 63% are seniors over the age of 62 and 19% are between the ages of 58 and 62. The existing and target population are seniors at or below 60% AMI, the average rent AMI for SRO units expected in the Small Sites Program and the AMI level to which SOS payments are calculated. Please see Section 1 for more information on the Project's population. One household, who began their lease term on February 1, 2024, was referred by Catholic Charities and are receiving rental assistance through MOHCD's Shallow Subsidy Program for vulnerable populations, such as seniors, at risk of homelessness.

6.10 Resident Services for SOS Households

A Resident Services Plan is required for all SOS projects as well as a staffing standard of 1 full-time equivalent (FTE) for every 75 units, which equates to 0.47 FTE. The Project's operating budget accounts for \$31,111 annually for a Resident Services Coordinator located off-site. CCDC's Resident Services Plan outlines five comprehensive long-term outcomes for our residents and the communities they live in.

- Residents retain their housing and maintain housing stability.
- Residents age-in-place – they can live independently and with dignity for as long as possible.
- Residents maintain positive relationships with other residents, learning to respect each other's diverse cultures.
- Residents are actively engaged to create healthy and vibrant communities where they live.
- Residents are empowered to be the driving force for changes they want to see in their lives.

To achieve these outcomes for the residents at 1005 Powell, CCDC will leverage their longstanding partnerships with a variety of health and social services providers. They will work on formalizing Memoranda of Understanding (MOUs) with these providers by loan closing.

6.11 Unit Mix & Affordability

Time	Acquisition (2021)				Current (2023) – fully leased			
Metric	Rent (\$)	HH Annual Income (\$)	HH AMI (%)	Rent AMI (%)	Rent Increase (%)	New Rent (\$)*	Rent AMI (%)^	Rent Burden*
Average	\$503	\$23,788	29%	30%	-8%	\$480	49%	25%
Median	\$433	\$21,936	25%	25%	0%	\$455	60%	24%

* this is tenant portion only

^ this is total rent (tenant portion and rental assistance)

During the rehabilitation, there were 16 vacant units in the building, and CCDC began marketing and lease up activities in February 2023. As of February 1, 2024, the project is fully occupied with an average rent AMI of 49%. Household incomes at the Project range from 5% to 133% of AMI; the average AMI is currently 30%. The Project qualifies for the Small Sites Program with 97% of households earning an average income at or below 80% AMI, well above the requirement of 66%.

With 100% of households having income certified, the rent roll indicates that a total of 22 households do not meet the SSP Guidelines requiring a minimum rent burden of 20% of household income. CCDC has not sought any rent increases in the two years they have owned the Project. CCDC will be implementing tiered rent increases at this project to address this issue, whereby households with rent burden of less than 20% will receive a 5% annual rent increase for as many years as it takes those households to reach a 20% rent burden. However, rents within the SSP are capped at 20% below market; market rents for SROs may interfere with all households achieving the minimum rent burden. Even so, 11 households will be below the minimum rent burden of 20% specified in SSP Guidelines after CCDC carries out five consecutive years of rent increases of 5%. Loan conditions address required actions CCDC must take related to rent burden and, in addition, tie the use of the sinking funds to applying rent increases in accordance with SSP Guidelines. The Project has an average rent burden of 25%. Achieving these rent minimums is critical, given the operating deficits the Project is facing.

There are two households with rent burdens exceeding 50%, the maximum rent burden allowed in the SSP Guidelines. CCDC will also lower the rents for those households prior to Project closing, as an additional loan condition stipulates.

6.12 Marketing & Occupancy Preferences.

The Project is subject to MOHCD’s marketing procedures. However, as of February 2024, CCDC is maintaining an SOS waitlist with 289 applicants over age 62 that will be utilized for SOS units

that become vacant. CCDC opened the SOS waitlist was open from February 1 to February 11, 2023. The HAF loan and current Declaration of Restrictions did not specify requirements for procedures for the SOS waitlist.

Vacant non-SOS units, and SOS units following the exhaustion of the existing waitlist, will be marketed according to multifamily marketing procedures. All units are subject to the Certificate of Preference Program and the Live/Work in San Francisco Preference, and if more than five units in the building are marketed at the same time, the Displaced Tenant Housing Preference Program. An approved marketing plan is a condition of closing, as is standard for all SSP projects at the time of takeout.

6.13 Accessibility.

Many accessibility improvements were made to comply with State and local building codes. These improvements are particularly beneficial for the mostly senior residents of 1005 Powell to facilitate aging in place.

Residential

Ground Floor:

- Accessible residential entry: The existing sidewalk was regraded, and an additional residential entry was provided including a new code compliant ramp. This provides access to the lobby and elevator.
- Accessible path of travel: New ramps and doors were located to provide an accessible path to all common areas on the ground floor.
- Community Restroom and laundry: A new accessible restroom was added along with a new accessible community room and laundry. One washer and one dryer are accessible as are the coin vendor.
- Mailboxes: New accessible mailboxes and parcel boxes were installed.

Stairs and corridors:

- New stair treads: Project installed new treads at existing stairs, including contrasting stripe at top and bottom treads.
- Handrail: New railing was provided at all stairs with extensions.
- Corridor Handrails: new railing was provided at all corridors at both sides.
- Signage: New signage with Braille was provided throughout.
- Doors: New wider doors with lever hardware were provided at all residential and commercial doors at all levels.

Elevator:

- Elevator controls: New accessible controls were provided in elevator cab and call stations.

- Elevator door: The existing hoist way door was replaced with new hardware to allow for less force to open.
- Note: existing elevator was upgraded but does not meet full code accessible requirements. The size can accommodate some wheelchairs.

Community Bathrooms:

- New accessible restroom: Each residential floor has five bathrooms, and now there is one accessible room on each residential floor. The accessible restroom includes accessible toilet, shower and sink, all accessories and provides maneuvering space per current code.
- Grab bars: Additional grab bars were provided at non accessible restrooms.

Community kitchens:

- Counters: new counters are at 34” height
- Cooktops: new cooktops provide front controls
- Sink: new side approach sink has lever hardware.

Units:

- Doors: new doors provide lever hardware at all closets.
- Sinks: new unit sinks are accessible and provide pipe protection and lever faucet.
- Storage: new closet shelving system provides multi-level storage
- Audio/Visual Units: 2 units were converted to audio visual units.
- Outlets and switches: new outlets and switches were installed to meet current accessible code requirements.

Commercial spaces

- Entry: both commercial entries were adjusted to provide accessible entries. Door actuators were installed as required where exterior sidewalk slopes would not allow for clearance.
- Restroom: both commercial spaces were provided with new accessible restrooms.

7.3 Underwriting Requirements & Refinancing Assumptions

The following underwriting requirements and refinancing assumptions have been applied to determine the size of the respective loans, in accordance with the current Small Sites Program Guidelines.

Residential Vacancy	5% This requires a waiver from SSP Guidelines of 10%, but is appropriate given: <ul style="list-style-type: none"> The overall size of the building and number of units SOS waitlist in place containing 289 households as of February 2024
Commercial Vacancy	50% for Year 1; 20% thereafter (in line with SSP Guidelines)
Replacement Reserve	\$350,000 as an initial deposit and annual deposits of \$300 per unit, which will cover capital needs through Year 16. This requires a waiver from SSP Guidelines, which would expect the Replacement Reserve to be sufficient through Year 20.
Operating Reserve	The project will carry a modest operating reserve that starts at \$175,687 and grows to \$214,372 only due to

	interest accrual by Year 20. As previously discussed, the Project is requesting a waiver from the requirement for annual operating reserve deposits.
Operating Sinking Funds	The Sinking Funds, to which both MOHCD and CCDC will contribute, ensure that the Project's operations will be funded through Year 20 of the Project's lifecycle with a \$581,000 remaining balance before the end of that year. Together, these reserves ensure that refinancing will not be required until at least that time. See more on reserves in Section 7.4 below.

7.4 Development Budget

Development Budget Analysis/Comments.

1. Sinking Funds

MOHCD's \$1,165,000 sinking fund will be capitalized at loan closing. CCDC will make deposits to its sinking fund in ten equal installments, the first at closing and then on the anniversary of closing for the next ten years. In sum, CCDC's sinking fund deposits will total \$1,855,000. With interest accrued, CCDC's sinking fund is expected to increase the total to over \$2 million before the first withdrawal will be required in Year 17. See **Section 8.3** below for more discussion of how operating deficits relate to sinking fund withdrawals and balance over 20 years of operations.

2. Sufficiency of Reserves

Replacement Reserves: Capitalized replacement reserves in the amount of \$350,000 and annual deposits of \$19,200 (\$300/unit) will cover the amount necessary to pay replacement costs for the next 16 years, as specified in an approved 20-year PNA study. A waiver from SSP Guidelines is necessary, as these amounts do not satisfy the expectation that the Replacement Reserves will be sufficient for 20 years of capital needs.

The Replacement Reserve balance is also aided significantly by the loan condition requiring that refund of property taxes as a result of the Welfare Tax Exemption for qualified affordable units is deposited into the Replacement Reserve when received (anticipated in Year 2). The estimated outstanding welfare tax refund amount since acquisition is \$176,000.

Operating Reserves: Capitalized operating reserves in the amount of \$176,000 (25% of the first-year operating budget) are budgeted to support unanticipated operating costs for at least 20 years. This cost is in line with SSP Guidelines. As discussed previously, the Project will not make annual deposits to the operating reserve, and instead the MOHCD and CCDC sinking funds will be the first source for addressing operating deficits for the first 20 years of the Project.

2. Developer Fee

Developer fee in the amount of \$740,000 meets the SSP Guidelines and includes \$80,000 typically paid at acquisition by the SFHAF, though CCDC opted to defer to takeout, and \$10,000 per unit payable at the close of permanent financing.

7.5 Disbursement

MOHCD funds will be released at escrow in the form of a payoff of the SFHAF loan. Additionally, the MOHCD SSP loan will cover the initial operating and replacement reserve deposits, the remainder of CCDC’s developer fee and closing costs. Legal costs may be drawn down after the closing draw.

Through a 15.5-year SOS Grant Agreement with MOHCD, which is subject to approval by the Board of Supervisors, CCDC will receive a fixed subsidy amount annually during operations. The SOS Program provides a subsidy equal to the difference between the MOHCD 60% AMI Gross Rent for the unit type.

8. PROJECT OPERATIONS

8.1 Annual Operating Budget: see Exhibit B

8.2 Annual Operating Budget Analysis/Comments.

The Project’s Annual Operating Budget includes the following:

<p>PUPY Operating Expense: (w/out reserves):</p>	<p>\$10,939 CCDC made concerted gains during the SFHAF construction period to refine and reduce the operating expenses for the Project, having gained a better understanding of the actual staffing and operational needs of the building. In addition, through the rehabilitation and relocation processes, significant overcrowding was addressed, reducing the overall resident count from approximately 150 to 92 people, reducing utility costs, maintenance costs and so forth. CCDC estimates that</p>
--	---

	they lowered costs by at least \$1,600 per unit per annum (from approximately \$12,600).
Annual Replacement Reserve Deposits:	\$19,200 per SSP Underwriting Guidelines of \$300/PUPY
Property Taxes:	The Project will qualify for the full welfare tax exemption for all units. CCDC is budgeting \$13,750 for the commercial units, direct charges and special assessments.
Surplus Cash:	\$6,429 in Year 1. There is no surplus cash starting in Year 13, at which time there will be the first withdrawal from the MOHCD sinking fund.
Annual Monitoring Fee:	n/a for Small Sites soft debt as well as SOS Agreement
Asset Management Fee:	CCDC has requested that Asset Management Fee be applied according to the MOHCD's Multifamily Affordable Housing Operating Fee Policy rather than the SSP Guidelines.

8.3 20-year Cash Flow & Debt Service Coverage Ratio (DSCR)

As required by the SSP Guidelines, the cash flow remains positive until the 20th year with the sinking fund as well as the following assumptions:

- 2.5% escalation of income per year for non-SOS units and commercial units;
- 4% escalation of income for the SOS units, per the SOS Policies and Procedures Manual; and
- 3.5% escalation in expense assumptions.

Operating deficits are relatively low during the first 15 years of the Project when the SOS subsidies are in place. From Year 16-20, however, operating deficits rise to an average of \$569,000 annually. MOHCD's commitment of \$1,165,000 will close the operating gap for the first 18 years of operation, while CCDC will cover deficits through Year 20 by contributing \$1,855,000. The total operating deficits for 20 years are \$2,860,000 while the total sinking funds committed from both MOHCD and CCDC is \$3,020,000.

The Project requires an exemption from the requirement in the SSP Guidelines that the DSCR must remain be at least 1.15 for 20 years. There is no debt service for the Project. Instead, the reserves and sinking fund have been sized to support all Project needs for 20 years.

9. RECOMMENDED CLOSING CONDITIONS

1. All reserve accounts must be established in separate FDIC insured, interest-bearing accounts prior to closing. All reserve accounts, including the MOHCD sinking fund in the amount of \$1,165,000 and initial CCDC sinking fund deposit of \$185,500 will be funded at closing.
2. All outstanding permits and other project close out items listed in Appendix E must be addressed and resolved prior to closing.
3. Sponsor must confirm the incomes of the households greater than 50% rent burden and reduce their rents prior to closing.
4. With the exception of the households identified in Loan Condition #4, Sponsor will issue 60 day notices for rent increases to all households to be effective July 1, 2024 – 2.5% to households with a rent burden between 20-50% and 5% to households under 20% rent burden (and then 5% annually for as long as it takes to get to 20% or until maximum allowable rent under the SSP Guidelines is achieved).
5. Sponsor must have a MOHCD-approved residential marketing plan prior to closing. A waitlist lottery will be run and a waitlist generated within 60 days of closing for non-SOS units. After the SOS waitlist is exhausted, Sponsor must market all units (SOS and non-SOS units) via DAHLIA, unless otherwise approved in writing by MOHCD. The approved residential market plan must outline the steps that will be taken to market the Project to the City's preference program participants, including COP Holders, and Displaced Tenants, plus how the marketing is consistent with the Mayor's Racial Equity statement and promotion of positive outcomes for African American Senior San Franciscans.
6. Sponsor must have an MOHCD-approved commercial marketing plan that addresses the strategies to secure long-term market rate tenants for both commercial spaces.

10. RECOMMENDED LOAN CONDITIONS

1. Once received, the approximately \$181,500 Welfare Tax Exemption refund must be deposited into the Replacement Reserve.
2. Sponsor must submit an Operations and Maintenance (O&M) Program to MOHCD for review and approval within 60 days of closing.
3. Sponsor must provide MOHCD with written monthly updates on progress made to lease both commercial spaces. MOHCD is expecting the laundromat

to be leased within six months of loan close and the retail space to be leased within six months after the end of the temporary lease.

4. Sponsor must consult with MOHCD's Asset Management about rent amount and marketing requirements and approach following any residential notices to vacate.
5. Sponsor may not draw on the MOHCD or CCDC sinking funds requests unless they have carried out rent increases in accordance with the loan agreement and the SSP Guidelines.
6. Sponsor is responsible for sinking fund contributions of \$185,500 annually for the first ten years of the Project for a total contribution of \$1,855,000.
7. Neither the MOHCD or CCDC sinking fund can be drawn to account for vacancy losses for the commercial spaces that are in excess of assumptions made in Exhibit E.
8. The lease of the retail space to CCDC for a term of one year will be a temporary use. Sponsor shall also provide the initial commercial tenant leases for the laundromat and retail space (following the one-year temporary lease) to MOHCD to review and approval prior to execution.
9. Sponsor will seek additional subsidy sources, such as Project Based Vouchers through SFHA in order to reduce the need for City and Sponsor's respective sinking funds. If vouchers are obtained, the City and Sponsor will renegotiate the sinking fund amounts and terms with the overarching aim of sharing project risk.
10. Any funds in the interest-bearing account holding the MOHCD sinking fund not expended at the end of 20 years must be returned to MOHCD by December 31, 2044. Any requests otherwise must be approved in writing by MOHCD.
11. Sponsor may make request to reallocate the remaining balance of the CCDC sinking fund following eight years following closing of permanent financing, once the building operations and needs for sinking funds have been fully demonstrated. If mutually agreed by CCDC and the City at any time, any future reallocation of funds from the interest-bearing account holding the CCDC sinking fund or changes to the required deposits to the CCDC sinking fund must be approved in writing by MOHCD. A request for reallocation must be net of a deposit of \$300,000 to the Replacement Reserve, the amount of funding that is projected to be needed but is not provided by the loan to

cover Years 17-20, plus any additional funds required based on an updated CNA, to be completed no longer than two years before the request.

12. The SSP requirements related to operating reserve deposits shall not apply until the MOHCD and CCDC sinking funds are no longer necessary, as mutually agreed by CCDC and the City. Re-evaluation or reallocation of the CCDC sinking fund shall also address the SSP requirements for deposits to the Project's operating reserve.

Environmental Issues/Site Suitability.

Phase I/II Site Assessment Status and Results:

Phase I and II Environmental Site Assessments (ESAs) were performed on Site by ACC Environmental in July and August of 2019. Given the age of the report, a new Phase I was completed by ACC Environmental in September 2021. The 2021 Phase I did not identify any “recognized environmental conditions” (RECs), but identified one “business environmental risk” (BER) at the Site:

- BER –San Francisco Maher Zone

The Site is located in an area subject to the SF Health Code Article 22A, or the Maher Ordinance. If building permits are required and more than 50 cubic yards of soil will be disturbed, the San Francisco Department of Public Health requires subsurface sampling due to the potential for subsurface contamination associated with uncharacterized historic fill materials.

Although the 2021 Phase I supersedes the earlier report, the July 2019 Phase I uncovered possible RECs in addition to the BER:

- REC –On-site heating oil underground storage tank (UST)

A vertical pipe was found extending from the floor within a residential apartment storage area. ACC could not rule out the potential for an existing heating oil UST system.

- REC –Off-site dry-cleaning facilities

Adjoining properties to the Site have operated as dry-cleaning facilities from 1925 to Present. These dry-cleaning operations are indicative of potential tetrachloroethene (PCE) storage and use. Due to the proximity and cross-gradient locations of these dry-cleaning facilities, ACC cannot rule out possible subsurface impacts associated with such facilities.

Based on the results of the 2019 Phase I, ACC recommended a Phase II to investigate the presence of an underground storage tank (UST), as well as subsurface soil testing for PCE and at the requirement of the Maher Ordinance.

As recommended, ACC conducted the Phase II ESA, which included soil vapor sampling and soils testing and a geophysical survey for the UST. The survey concluded that there was no presence of existing USTs. On soils testing, tetrachloroethene (PCE), benzene, and chloroform soil vapor

samples were found to exceed acceptable levels. Due to the soil vapor analytical data indicating a potential for impacts to indoor air quality, ACC recommended an additional indoor air assessment, which the Sponsor commissioned to assess indoor air quality and the need for additional action, if any.

ACC completed this Indoor Air Investigation in October 2019, collecting five indoor ambient air samples and one exterior ambient air sample. The indoor air analytical results from this sampling indicated the indoor air at the Site is not impacted by the off-site dry cleaners. The detected concentrations of volatile organic compounds in the indoor samples were consistent with the ambient outdoor air concentrations. They concluded that the ambient outdoor air concentrations detected during the air sampling are typical of San Francisco Bay Area ambient air concentrations, especially for sites adjacent to busy urban streets. It is ACC's opinion that indoor air is not impacted by off-site subsurface impacts and no further investigation was warranted.

Appendix E: MOHCD Construction Representative Evaluation

A substantial rehabilitation has been completed. Categories of replacements, repairs, and upgrades include:

- Structural: Soft Story retrofit: moment frames, new shear walls at existing walls, and anchor framing to brick and new poured in place concrete foundation.
- Asbestos abatement - \$500k was spent on asbestos abatement immediately after tenant relocation due to the deterioration of acoustical ceiling and wall materials found in units and common spaces.
- Lead abatement.
- Dryrot: replacement of wooden elements, including:
 - Joists and sheathing in approximately 30 percent of the roof area, the lightwell roof, and the elevator penthouse.
 - At floor joists and sheathing as well as wall studs in the bathrooms.
 - At the sink locations in the kitchens and approximately half of the units, causing dry rot at the studs and sill plates.
 - Sheathing at the ends of each hallway on all floors due to windows being left open for extended periods. The affected areas were approximately 4 x 8' at every location.
 - Stair landing
 - Wood siding at the lightwell and the alley had selected areas with dry rot, accounting for roughly ten percent of the total area.
 - Ground floor and foundation, where the concrete slab had been built over word sleepers, causing isolated footing to shift and settle, affecting the columns and beams on the first floor.
- Fire rating: extend 1-hour separation where required.
- Replace windows to allow thorough and meet egress where required.
- Exterior improvements: Roof covering, stucco repair, storefronts, wood siding repair, and new sealant and paint.
- Interior Improvements: Doors and hardware, flooring throughout, new or refurbished wall/ceiling coverings and paint at all surfaces, unit sinks, closet systems, common spaces (amenities, community kitchens and bathrooms), elevator cab and equipment modernization.
- New accessibility upgrades (voluntary): hand railing and slip resistant covering at stairs, upgrade 4 units for AV needs, lever latch and closer hardware throughout, maneuverability/clearances. More detail was included above in **Section 6.13 Accessibility**.
- System upgrades (plumbing, electrical, fire alarm).
- New HVAC system, security camera system, key fob system, and low voltage cabling installation/upgrades.

- Addition of resident laundry room, resident community room, property management office.
- Commercial laundromat rehabilitation, including addition of two ADA bathrooms on the ground floor.

While the renovation work and “new” work for residential laundry and commercial laundry has been completed, the following closeout documents will be required from the Project Sponsor/Team:

- All Unconditional Lien Releases from General Contractor and Subcontractors.
- No Liens or Stop Notices have been filed against the Project and no claims are pending.
 - Where Liens, Stop notices or Clams have been filed, provide documentation of their resolution.
- Certificate of Substantial Completion (executed by Architect or Construction Manager, Contractor, and Owner acknowledging that all work is in substantial conformance with the Contract Documents)
- Recorded Notice of Completion (filed by Owner within 10 days of completion and 30 days elapsed)
- Signed off FINAL Permit Cards.
- Project Directory - Listing all Principals, Design firms, Subcontractor, and Suppliers with Phone and/or Email contact
- Owner's acknowledgement (in writing on letterhead or email) of receipt of the following items or completion of activities:
 - As-Built Plans in Hard Copy and Electronic Format
 - Guarantees and Warranties for all Equipment, Materials and Work - Including GC Call-Back Process & Contact info
 - Keys, Keyfobs, Instruction Manuals, Software, Training Videos and Training completed
 - Inspection Reports, Certifications and Permits to Operate including but not limited to:
 - Equipment and Systems Test Reports (Backflow prevention, Elevator Inspection, Fire Suppression and Alarm, etc.)
 - Materials Testing Reports - Special Inspections
 - Extra Materials (attic stock) and product literature have been delivered to Site and properly stored.
 - Completion of Punch List items, inspected and accepted by Architect and Owner

Finding: The project, on balance, is **in conformity** with the General Plan.

Project Description

The Project would provide permanent financing for the completed rehabilitation of 1001-1005 Powell Street, a Residential Hotel (SRO) building with approximately 64 housing units and 2 commercial spaces. Tenant households are predominantly Chinese-speaking, very low-income seniors.

Chinatown Community Development Center (CCDC) has completed seismic retrofitting for the building by rebuilding the foundation and strengthening support with steel frames. All plumbing, electrical, and data were replaced. A new roof was installed, and DHW and HVAC systems were upgraded. Walls were insulated and windows replaced. Shared kitchens received storage space for each unit. Shared bathrooms received sinks for hand washing, and an ADA bathroom was added on each floor. The elevator was modernized and upgraded with a barrier-free entrance, enhancing building accessibility. The flooring was replaced, and the entire building was repainted. CCDC also added a mural on the outside and the inside lobby of each floor.

A new PM office, larger trash room, lounge, and laundry room with six sets of washers and dryers were added on the ground floor.

The Project is a real estate transaction only. It is not defined as a project under CEQA Guidelines Sections 15378 and 15060(c)(2) because it would not result in a direct or indirect physical change in the environment.

General Plan Compliance and Basis for Recommendation

As described below, the proposed refinancing and rehabilitation is consistent with the Eight Priority Policies of Planning Code Section 101.1 and is, on balance, in conformity with the General Plan.

Note: General Plan Objectives are shown in **BOLD UPPER CASE** font; Policies are in **Bold** font; staff comments are in *italic* font.

HOUSING ELEMENT

OBJECTIVE 1.A

ENSURE HOUSING STABILITY AND HEALTHY HOMES.

OBJECTIVE 4.A

SUBSTANTIALLY EXPAND THE AMOUNT OF PERMANENTLY AFFORDABLE HOUSING FOR EXTREMELY LOW- TO MODERATE-INCOME HOUSEHOLDS.

OBJECTIVE 4.C

DIVERSIFY HOUSING TYPES FOR ALL CULTURES, FAMILY STRUCTURES, AND ABILITIES.

Policy 3

Acquire and rehabilitate privately-owned housing as permanently affordable to better serve residents and areas vulnerable to displacement with unmet affordable housing needs.

Policy 7

Pursue permanently affordable housing investments that are specific to the geographic, cultural, and support needs of recently arrived or newly independent residents or residents from marginalized groups, including transgender and LGBTQ+ people.

Policy 39

Support the repair and rehabilitation of housing to ensure life safety, health, and well-being of residents, especially in Environmental Justice Communities, and to support sustainable building practices.

The Project would provide permanent funding for the acquisition and rehabilitation of approximately 64 affordable housing units. Tenant households are predominantly Chinese-speaking, very low-income seniors. The building was rehabilitated to better meet the needs of this population, and is located in an Environmental Justice Community.

Planning Code Section 101 Findings

Planning Code Section 101.1 establishes Eight Priority Policies and requires review of discretionary approvals and permits for consistency with said policies. The Project is found to be consistent with the Eight Priority Policies as set forth in Planning Code Section 101.1 for the following reasons:

1. That existing neighborhood-serving retail uses be preserved and enhanced and future opportunities for resident employment in and ownership of such businesses enhanced;

The Project would have no effect on existing neighborhood-serving retail uses. The property includes two currently vacant commercial spaces which have been rehabilitated and may provide future opportunities for resident employment in and ownership of neighborhood serving retail businesses.

2. That existing housing and neighborhood character be conserved and protected in order to preserve the cultural and economic diversity of our neighborhoods;

The Project would conserve and protect existing housing and neighborhood character by providing permanent financing for approximately 64 existing, renovated affordable housing units.

3. That the City's supply of affordable housing be preserved and enhanced;

The Project would preserve and enhance the City's supply of affordable housing by providing permanent financing for approximately 64 existing, renovated affordable housing units.

4. That commuter traffic not impede MUNI transit service or overburden our streets or neighborhood parking;

The Project would have no effect on commuter traffic, MUNI transit service, streets, or neighborhood parking.

5. That a diverse economic base be maintained by protecting our industrial and service sectors from displacement due to commercial office development, and that future opportunities for resident employment and ownership in these sectors be enhanced;

The Project would have no effect on the City's industrial or service sectors or on future opportunities for resident employment or ownership in these sectors.

6. That the City achieve the greatest possible preparedness to protect against injury and loss of life in an earthquake;

Rehabilitation of the property included seismic retrofitting.

7. That the landmarks and historic buildings be preserved;

The Project would have no effect on landmarks and historic buildings.

8. That our parks and open space and their access to sunlight and vistas be protected from development;

The Project would have no effect on the City's parks and open space and their access to sunlight and vistas.

Finding: The project, on balance, is **in conformity** with the General Plan.
