2 hereafter be amended or supplemented (collectively, the "Act"); and

3 WHEREAS, any Bonds (hereinafter defined) to be issued to finance the Project will be

RE: Resolution Authorizing Issuance of Multifamily Housing Revenue Bonds for
1239 Turk Street, Rosa Parks II Senior Housing

Dear Supervisor Breed,

The Mayor's Office of Housing and Community Development (MOHCD) requests your support in introducing and sponsoring a resolution (attached) at the Board of Supervisors on Tuesday, June 24, 2014, which would authorize the City to issue qualified mortgage revenue bonds for 1239 Turk Street, Rosa Parks II (the "Project"). This is the follow-up legislation to the resolution you sponsored in July 2013 that authorized MOHCD to apply to the California Debt Limit Allocation Committee for an allocation of \$30 million in qualified mortgage revenue bonds for construction financing. Tenderloin Neighborhood Development Corporation (TNDC) has received its HUD Firm Commitment approval for HUD 202 capital financing, and is ready to proceed toward bond closing and start of construction. A new TEFRA Hearing was held on June 16, 2014, as referenced in the resolution, since the TEFRA hearing held last year is only valid for one year.

Project Summary

As you know, Rosa Parks II Senior Housing is a proposed 98 unit, five story affordable housing development for seniors, being developed by TNDC in partnership with Bethel AME Church. Rosa Parks II will be constructed on the parking lot of the existing senior public housing development, Rosa Parks Apartments, owned and operated by the San Francisco Public Housing Authority since 1959. TNDC has a pre-paid 75 year ground lease with the Housing Authority for the development of the parking lot site, and has received a HUD 202 capital advance and project rental assistance for 100% of the units. The development will be managed by TNDC's Property Management, and supportive services will be provided by TNDC's Tenant Services. Bethel AME Church will play a key role in community outreach, identifying needs, development of the ongoing services and community connections for the project.

All units will be restricted to low income senior households (age 62 and above) earning less than 50% of the Area Median Income. The HUD Project Rental Assistance Contract (PRAC) will enable rents to be set at 30% of household income. These units typically are occupied by households earning less than 20% of the Area Median Income. To help San Francisco meet the goals in the *Ten Year Plan to End Chronic Homelessness*, 20 units will be set aside for formerly homeless seniors. Residents for these units will be referred by the Department of Public Health through its Direct Access to Housing Program. DPH will also provide funding for supportive services related to meeting the needs of the formerly homeless seniors.

Financing

The project will be funded by the HUD 202 Capital Advance in the amount of \$15.3 million from the Department of Housing and Urban Development, a grant from the Federal Home Loan Bank Affordable Housing Program, financing from the Mayor's Office of Housing in the amount of \$14.1 million, equity from 4% tax credits, and a CDLAC bond allocation as part of the construction financing sources. Pending approval of the Board of Supervisors, the bonds and construction financing will close in early August 2014 and start construction soon thereafter.

The Mayor's Office of Housing and Community Development has previously issued bonds for rental housing. These financings are conduit financings, which do not require the City to pledge City funds as repayment of the bonds. Rather, the bondholders' only recourse for payment are the project revenues themselves and any credit enhancement provided by lenders.

The attached resolution has been reviewed by Deputy City Attorney Kenneth Roux and is in final form. If you have any questions about the resolution or the project, please contact my staff, Anne Romero, at 701-5525.

Thank you for your assistance.

Olson Lee

Rosa Parks II, 1239 Turk Street Project Description

Rosa Parks II Senior Housing (RPII) is a proposed 98-unit, five-story affordable housing development for seniors to be developed by the Tenderloin Neighborhood Development Corporation (TNDC). The project is located at the corner of Turk and Webster streets in the Western Addition neighborhood of San Francisco. RPII will be constructed on the parking lot of an existing public housing facility, Rosa Parks, an eleven-story, 198-unit building constructed, owned and operated by the San Francisco Housing Authority since 1959. Site control is through a pre-paid 75-year ground lease with the San Francisco Housing Authority. In 2011, TNDC received HUD 202 capital advance funding and project rental assistance for 100% of the units.

TNDC has partnered with Bethel AME Church, a long-standing stakeholder and advocate in the Western Addition, to play a key role in community outreach, identifying needs and developing the ongoing services and community connections for the project.

Program

Demand for affordable housing units in San Francisco far exceeds supply, and the challenge of finding safe and quality housing is even greater for low-income senior households living on fixed incomes. The 32 studios and 65 one-bedroom units at RPII will be restricted to low-income senior households (age 62 and above) earning less than 50% AMI. HUD 202 operating subsidy provided (through a Project Rental Assistance Contract) along with the Capital Advance will allow the developer to set tenant rents equal to 30% of household income. In practice, this means the units will primarily be occupied by households earning less than 20% AMI which is common among seniors on fixed incomes.

To help meet San Francisco's Ten Year Plan to End Chronic Homelessness, twenty units will be set aside for formerly homeless seniors. Residents for these 20 units will be referred by the San Francisco Department of Public Health (DPH) through its Direct Access to Housing program. DPH will provide a contract to pay for TNDC's supportive services costs related to meeting the needs of the homeless seniors residing in Rosa Parks II. Additionally, DPH will make its Housing and Urban Health Clinic, which provides primary medical care and psychiatric services, available to qualified residents.

TNDC Property Management will manage and maintain the building. The building will be staffed with a full-time general manager, assistant general manager, activities coordinator, maintenance and custodial personnel and 24-hour front desk coverage. TNDC's Tenant Services Department will provide on-site voluntary supportive services through one social worker.

Surrounding Community

RPII is located in the Western Addition neighborhood of San Francisco. Portions of the neighborhood were redeveloped as part of several redevelopment plan area initiatives. Thus, the neighborhood is a mixture of historic Victorian-era single family homes, multi-family apartments and condos as well as affordable public housing projects, served by four different commercial corridors.

RPII presents an ideal central location for low-income seniors, offering immediate access to public transportation, services, and amenities essential to everyday living. RPII is well served by MUNI public transportation with connections to multiple operators such as the Bay Area Rapid Transit (BART) and CalTrain that serve the greater Bay Area. The site is serviced by three bus lines each just within a one to two block walking distance. In addition to the on-site supportive services that will be provided by TNDC's Tenant Services, there are other service providers in proximity to the site. The Western Addition Senior Citizens Center is a block away and the Rosa Parks Senior Center will be next door for future RPII residents. Many programs and services offered at these centers are available daily including weekends. The UCSF Mt. Zion Campus and the Kaiser Permanente Hospital are also located less than a mile from the site and offer 24-hour emergency care. The property is walking distance from the historic Fillmore jazz district, Japantown, several public parks, a full scale grocery store, two pharmacies, a post office and library.

Building Design

The RPII site is currently a surface parking lot and driveway/drop off area along Turk Street for residents of Rosa Parks. The site is long and narrow and is designed so that two residential wings are connected from the second through fifth floors by an enclosed bridge walkway. The design brings a continuous presence to the street that is in scale with the surrounding buildings, while creating an openness from the pedestrian perspective. The main entrances to both RPII and Rosa Parks will occur on the ground floor under this elevated walkway through a landscaped courtyard. The exterior cladding of the buildings is comprised of storefront glazing, concrete, fiber cement board, wood, stucco and metal-panel siding. The variety of products utilized for the building's exterior assists in breaking up the building's lengthy massing.

RPII will contain unit types designed to facilitate aging in place, including ten fully-accessible units and three units for the hearing and visually impaired. Additionally, features including units with roll-in showers, others with tubs, emergency call buttons, and extra-wide hallways with handrails address the varying needs of seniors. The western wing contains 56 housing units; the eastern building contains 42 housing units. The building's main entrance and two elevators are centralized in the east wing near the bridge walkway. A two bedroom unit for the onsite night manager is located on the second floor of the eastern wing.

Funding Sources

RPII was awarded HUD 202 Capital Advance funding amounting to \$15.3 million from the Department of Housing and Urban Development 2011 NOFA. HUD will also contribute an annual operating subsidy through a Project Rental Assistance Contract (PRAC) for all of the rental units. Other sources include a \$970,000 grant from the Federal Home Loan Bank Affordable Housing Program, \$14.1 million in financing from MOHCD, equity from 4% tax credits, and the proposed bond financing in the amount of \$30 million.

Rent Levels

The project pro forma assumes that tenants will contribute 30% of their income towards rent, as required by the PRAC. Given that most of the tenants will likely be living off a fixed income such as social security income, rental contributions from tenants are being assumed at \$250 per unit for both studios and one bedroom units. Throughout the term of the PRAC, HUD will pay the difference between the actual tenant contribution and the approved operating budget plus reserves.

To that end, and for the term of this Regulatory Agreement, the Owner hereby represents, as of the date hereof, and covenants, warrants and agrees as follows:

(a) The Project is being acquired and constructed for the purpose of providing multifamily residential rental property, and the Owner shall own, manage and operate the Project as a project to provide multifamily residential rental property comprised of a building or structure or several interrelated buildings or structures, together with any functionally related and subordinate facilities, and no other facilities, in accordance with applicable provisions of Section 142(d) of the Code and Section 1.103-8(b) of the Regulations, and the Act, and in accordance with such requirements as may be imposed thereby on the Project from time to time.

(b) All of the residential dwelling units in the Project will be similarly constructed units, and, to the extent required by the Code and the Regulations, each residential dwelling unit in the Project will contain complete separate and distinct facilities for living, sleeping, eating, cooking and sanitation for a single person or a family, including a sleeping area, bathing and sanitation facilities and cooking facilities equipped with a cooking range (which may be a countertop cooking range), refrigerator and sink.

(c) None of the residential dwelling units in the Project will at any time be used on a transient basis (e.g., subject to leases that are less than 30 days duration) (including use as a corporate suite), or be used as a hotel, motel, dormitory, fraternity house, sorority house, rooming house, nursing home, hospital, sanitarium, rest home, retirement house or trailer court or park.

(d) No part of the Project will at any time be owned as a condominium or by a cooperative housing corporation, nor shall the Owner take any steps in connection with a conversion to such ownership or uses. Other than obtaining a final subdivision map on the Project and a Final Subdivision Public Report from the California Department of Real Estate and, the Owner shall not take any steps in connection with a conversion of the Project to a condominium ownership except with the prior written opinion of Bond Counsel that the interest on the Bonds will not become taxable thereby under Section 103 of the Code.

(e) All of the residential dwelling units in the Project will be available for rental on a continuous basis to members of the general public and the Owner will not give preference to any particular class or group in renting the residential dwelling units in the Project, except to the extent required by (i) this Regulatory Agreement, (ii) any regulatory or restrictive use agreement to which the Project is subject pursuant to Section 42 of the Code, (iii) the City, to restrict the rental of 20 units to homeless persons, (iv) any other federal, State or local governmental agencies that imposes any additional tenant income and rent restrictions, and (v) any other legal or contractual requirement not excepted by clauses (i) through (iv) of this paragraph, upon receipt by the Owner, the Trustee and the City of an opinion of Bond Counsel to the effect that compliance with such other requirement will not adversely affect the Tax-Exempt status of interest on the Bonds.

(f) The Site consists of a parcel or parcels that are contiguous and all of the Facilities will comprise a single geographically and functionally integrated project for residential rental property, as evidenced by the ownership, management, accounting and operation of the Project.

(g) No residential dwelling unit in the Project shall be occupied by the Owner. Notwithstanding the foregoing, if the Project contains five or more residential dwelling units, this subsection shall not be construed to prohibit occupancy of residential dwelling units by one or more resident managers or maintenance personnel any of whom may be the Owner; provided that the number of such managers or maintenance personnel is not unreasonable given industry standards in the area for the number of residential dwelling units in the Project.

(h) The Owner shall not discriminate on the basis of race, creed, religion, color, sex, source of income (*e.g.*, AFDC, Section 8 or SSI), physical disability (including HIV/AIDS), age, national origin, ancestry, marital or domestic partner status, sexual preference or gender identity in the rental, lease, use or occupancy of the Project or in connection with the employment or application for employment of persons for the construction, operation and management of the Project, except to the extent required hereby.

(i) Should involuntary noncompliance with the provisions of Section 1.103-8(b) of the Regulations be caused by fire, seizure, requisition, foreclosure, transfer of title by deed in lieu of foreclosure, change in a federal law or an action of a federal agency after the Closing Date which prevents the City from enforcing the requirements of the Regulations, or condemnation or similar event, the Owner covenants that, within a "reasonable period" determined in accordance with the Regulations, it will either prepay the Bonds or, if permitted under the provisions of the Mortgage and the Indenture, apply any proceeds received

as a result of any of the preceding events to reconstruct the Project to meet the requirements of Section 42(d) of the Code and the Regulations.

(j) The Owner agrees to maintain the Project, or cause the Project to be maintained, during the term of this Regulatory Agreement (i) in a reasonably safe condition and (ii) in good repair and in good operating condition, ordinary wear and tear excepted, making from time to time all necessary repairs thereto and renewals and replacements thereof such that the Project shall be substantially the same condition at all times as the condition it is in at the time of the completion of the construction of the Project with the proceeds of the Bonds. Notwithstanding the foregoing, the Owner's obligation to repair or rebuild the Project in the event of casualty or condemnation shall be subject to the terms of the Loan Agreement and the Mortgage.

(k) The Project will have 98 residential dwelling units, one of which will be a manager's unit.

(l) The Owner will not sell dwelling units within the Project.

4. Restricted Units. The Owner hereby represents, as of the date hereof, and warrants, covenants and agrees as follows:

(a) Income and Rent Restrictions. In addition to the requirements of Section 5, hereof, the Project shall comply with the income and rent restrictions of this Section 4(a), and any conflict or overlap between any two or more of such provisions shall be resolved in favor of the most restrictive of such provisions.

(i) Very Low Income Units. Ninety-seven (97) units in the Project shall be rented to and continuously occupied by households who qualify as Very Low-Income Tenants. One unit shall be reserved for the manager's unit. The monthly rent charged for all the Very Low Income Units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area.

(ii) Low Income Units. [Reserved.]

(iii) Income Restrictions Pursuant to the Code. Pursuant to the requirements of Section 142(d) of the Code, for the Qualified Project Period, not less than twenty percent (20%) of the total number of completed units in the Project (excluding the manager's unit), or twenty (20) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed fifty percent (50%) of the Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, such occupants shall not be qualified Tenants pursuant to this sentence. The Owner shall satisfy the requirements of this Section 4(a)(iii) by complying with the requirements of Section 4(a)(i), to the extent such compliance meets the requirements of Section 142(d)(1)(A) of the Code.

(iv) Income and Rent Restrictions Pursuant to the Act. Pursuant to the requirements of Section 52080(a)(1)(A) of the Housing Law, for the Qualified Project Period,

not less than twenty percent (20%) of the total number of completed units in the Project (excluding the manager's unit), or twenty (20) units, shall be designated as affordable units and during the Qualified Project Period shall be rented to and continuously occupied by Tenants whose Adjusted Income does not exceed fifty percent (50%) of the lower of City Median Income or Median Income for the Area; provided, however, if all the occupants of a unit are students (as defined under Section 152(f)(2) of the Code), no one of whom is entitled to file a joint return under Section 6013 of the Code, such occupants shall not be qualified Tenants pursuant to this sentence. Pursuant to the requirements of the Section 52080(a)(1)(A) of the Housing Law, the monthly rent charged for such units shall not exceed one-twelfth of the amount obtained by multiplying 30% times 50% of the Median Income for the Area. The Owner shall satisfy the requirements of this Section 4(a)(iv) by complying with the requirements of Section 4(a)(i), to the extent such compliance meets the requirements of Section 52080(a)(1)(A) of the Housing Law.

(v) CDLAC Requirements. To the extent the income and rent restrictions contained in the CDLAC Requirements are more restrictive, the Owner shall comply with the CDLAC Requirements.

(b) Over-Income Tenants. Notwithstanding the foregoing provisions of Section 4(a), no Tenant qualifying as a Very Low Income Tenant upon initial occupancy shall be denied continued occupancy of a Restricted Unit in the Project because, after admission, the aggregate Adjusted Income of all Tenants in the Restricted Unit increases to exceed the qualifying limit for such Restricted Unit.

However, should the aggregate Adjusted Income of Tenants in a Restricted Unit, as of the most recent determination thereof, exceed one hundred forty percent (140%) of the applicable income limit for such Restricted Unit occupied by the same number of Tenants, the next available unit of comparable or smaller size must be rented to (or held vacant and available for immediate occupancy by) a Very Low Income Tenant. The unit occupied by such Tenants whose aggregate Adjusted Income exceeds such applicable income limit shall continue to be treated as occupied by a Very Low Income Tenant for purposes of the requirements of Section 4(a) hereof unless and until an Available Unit of comparable or smaller size is rented to persons other than Very Low Income Tenants. Moreover, a unit previously occupied by a Very Low Income Tenant and then vacated shall be considered occupied by a Very Low Income Tenant until reoccupied, other than a reoccupation for a temporary period, at which time the character of the unit shall be re-determined. In no event shall such temporary period exceed thirty-one (31) days. The parties agree that this paragraph shall have no practical effect because 100% of the units in the Project are required to be Restricted Units pursuant to Section 4(a).

(c) Income Certifications. The Owner will obtain, complete and maintain on file Income Certifications for each Tenant (i) immediately prior to the initial occupancy of a Restricted Unit by such Tenant, and (ii) thereafter, annually, in each case in the form attached hereto as Exhibit B, together with such information, documentation and certifications as are required therein or by the City, in its discretion, to substantiate the Tenant's Income Certification. In addition, the Owner will provide such further information as may be required in the future by the State of California, the City (on a reasonable basis), the Program Administrator and by the Act, Section 142(d) of the Code or the Treasury Regulations, as the

same may be amended from time to time, or in such other form and manner as may be required by applicable rules, rulings, policies, procedures or other official statements now or hereafter promulgated, proposed or made by the Department of the Treasury or the Internal Revenue Service with respect to obligations issued under Section 142(d) of the Code.

(d) Certificate of Continuing Program Compliance. Upon the commencement of the Qualified Project Period, and on each February 1st thereafter (or such other date as shall be requested in writing by the City or the Program Administrator) during the term of this Regulatory Agreement, the Owner shall advise the Program Administrator of the status of the occupancy of the Project by delivering to the Program Administrator (with a copy to the Trustee) a Certificate of Continuing Program Compliance (a form of which is attached hereto as Exhibit D). The Owner shall also timely provide to the City such information as is requested by the City to comply with any reporting requirements applicable to it with respect to the Bonds or the Project under any federal or State law or regulation, including without limitation, CDLAC regulations.

(e) Recordkeeping. The Owner will maintain complete and accurate records pertaining to the Restricted Units, and will permit any duly authorized representative of the City, the Program Administrator (if other than the City), the Trustee, the Department of the Treasury or the Internal Revenue Service to inspect the books and records of the Owner pertaining to the Project upon reasonable notice during normal business hours, including those records pertaining to the occupancy of the Restricted Units, but specifically excluding any material which may be legally privileged.

(f) Annual Certification to Secretary of Treasury. The Owner shall submit to the Secretary of the Treasury annually on or before March 31 of each year, or such other date as is required by the Secretary of the Treasury, a completed Internal Revenue Service Form 8703, and shall provide a copy of each such form to the Program Administrator and the Trustee. Failure to comply with the provisions of this paragraph will subject the Owner to penalty, as provided in Section 6652(j) of the Code.

(g) Lease Provisions Regarding Income Certification Reliance. All leases pertaining to Restricted Units do and shall contain clauses, among others, wherein each Tenant who occupies a Restricted Unit: (1) certifies the accuracy of the statements made in the Income Certification, (2) agrees that the family income and other eligibility requirements shall be deemed substantial and material obligations of the tenancy of such Tenant, that such Tenant will comply promptly with all requests for information with respect thereto from the Owner or the Program Administrator on behalf of the City, and that the failure to provide accurate information in the Income Certification or refusal to comply with a request for information with respect thereto shall be deemed a violation of a substantial obligation of the tenancy of such Tenant; (3) acknowledges that the Owner has relied on the Income Certification and supporting information supplied by the Tenant in determining qualification for occupancy of the Restricted Unit, and that any material misstatement in such certification (whether intentional) will be cause for immediate termination of such lease or rental agreement; and (4) agrees that the Tenant's income is subject to annual certification in accordance with Subsection 4(c) hereof and that failure to cooperate with the annual recertification process reasonably instituted by the Owner pursuant to Subsection 4(d) above may provide grounds for termination of the lease.

(h) Maintenance of Tenant Lists and Applications. All tenant lists, applications and waiting lists relating to the Project shall at all times be kept separate and identifiable from any other business which is unrelated to the Project and shall be maintained, as required from time to time by the Program Administrator on behalf of the City, in a reasonable condition for proper audit and subject to examination during normal business hours by representatives of the Project, the City or the Trustee. Failure to keep such lists and applications or to make them available to the City or the Trustee shall be a default hereunder.

(i) Tenant Lease Subordination. All tenant leases or rental agreements shall be subordinate to this Regulatory Agreement.

(j) No Encumbrance, Demolition or Non-Rental Residential Use. The Owner shall not take any of the following actions:

(i) encumber any portion of the Project or grant commercial leases of any part thereof, or permit the conveyance, transfer or encumbrance of any part of the Project (except for apartment leases), except (i) pursuant to the provisions of this Regulatory Agreement and on a basis subordinate to the provisions of this Regulatory Agreement, to the extent applicable, (ii) upon receipt by the Owner, the Trustee and the City of an opinion of Bond Counsel that such action will not adversely affect the Tax-Exempt status of interest on the Bonds, or (iii) upon a sale, transfer or other disposition of the Project in accordance with the terms of this Regulatory Agreement;

(ii) demolish any part of the Project or substantially subtract from any real or personal property of the Project (other than in the ordinary course of business); or

(iii) permit the use of the dwelling accommodations of the Project for any purpose except rental residences.

(k) Compliance with Regulatory Agreement. The Owner shall exercise reasonable diligence to comply with the requirements of this Regulatory Agreement and shall notify the City within fifteen (15) days and correct any noncompliance within sixty (60) days after such noncompliance is first discovered or would have been discovered by the exercise of reasonable diligence, unless such noncompliance is not reasonably susceptible to correction within sixty (60) days, in which event the Owner shall have such additional time as may be reasonably necessary to effect such correction provided the Owner has commenced such correction after discovery and is diligently prosecuting such correction.

5. Additional Requirements of the City.

(a) Minimum Lease Term. The term of the lease for any Restricted Unit shall be not less than one (1) year.

(b) Limitation on Rent Increases. Annual rent increases on a Restricted Unit shall be limited to the percentage of the annual increase in the applicable Median Income for the Area for that Unit. Rent increases which are permitted but not made in a given year may not be carried forward and made in any subsequent year.

(c) Appointment of Program Administrator. The Owner acknowledges that the City may appoint a Program Administrator (other than the City), at the sole cost and expense of the City, to administer this Regulatory Agreement and to monitor performance by the Owner of the terms, provisions and requirements hereof. In such event, the Owner shall comply with any reasonable request by the City to deliver to any such Program Administrator, in addition to or instead of the City, any reports, notices or other documents required to be delivered pursuant hereto, and to make the Project and the books and records with respect thereto available for inspection during normal business hours with reasonable notice by the Program Administrator as an agent of the City. The Owner shall have the right to rely on any consent or direction given by the Program Administrator on the same basis as if given by the City.

(d) Management Agent. The Owner shall not enter into any agreement providing for the management or operation of the Project with any party other than Tenderloin Neighborhood Development Corporation without the prior written consent of the City, which consent shall not be unreasonably withheld or delayed.

(e) Certificate of Preference Program. To the fullest extent permitted by law, the Owner shall comply with the City's Certificate of Preference Program pursuant to S.F. Admin. Code Section 24.8, to the extent such compliance is not in conflict with any other requirements imposed on the Project pursuant to Section 142(d) of the Code, the Act, the CDLAC Resolution, or CTCAC.

(f) Nondiscrimination Based on Section 8, Household Size, or Source of Income. The Owner shall accept as tenants, on the same basis as all other prospective tenants, persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, or any successor program or similar State or local governmental assistance program. The Owner shall not apply selection criteria to Section 8 certificate or voucher holders that are more burdensome than criteria applied to all other prospective tenants and the Owner shall not refuse to rent to any tenant on the basis of household size as long as such household size does not exceed two (2) persons for a studio unit; three (3) persons for a one-bedroom unit; five (5) persons for a two-bedroom unit and seven (7) persons for a three-bedroom unit. The Owner shall not collect any additional fees or payments from such a tenant except security deposits or other deposits required of all tenants. The Owner shall not collect security deposits or other deposits from Section 8 certificate or voucher holders in excess of that allowed under the Section 8 program. The Owner shall not discriminate against tenant applicants on the basis of legal source of income (e.g., TANF, Section 8 or SSI), and the Owner shall consider a prospective tenant's previous rent history of at least one year as evidence of the ability to pay the applicable rent (i.e., ability to pay shall be demonstrated if such a tenant can show that the same percentage or more of the tenant's income has been consistently paid on time for rent in the past as will be required to be paid for the rent applicable to the unit to be occupied, provided that such tenant's expenses have not increased materially).

(g) Overincome Provisions after Expiration of Qualified Project Period. Notwithstanding the provisions of Section 4(b), from and after the expiration of the Qualified Project Period, in the event that Owner's certification of the Very Low Income Tenant's income, pursuant to Section 4(c), indicates that the Very Low Income Tenant's income exceeds

one hundred twenty percent (120%) of the Median Income for the Area, the Owner shall terminate such lease upon one hundred twenty (120) days prior written notice to the Tenant, and the lease for each Restricted Unit shall contain a statement to the foregoing effect. Notwithstanding the foregoing, the Owner shall not be required to terminate the Very Low Income Tenant's lease if any regulation or statute governing the Project or the financing thereof prohibits the termination of the Tenant's lease in this manner.

(h) Consideration for Restrictions. It is hereby acknowledged and agreed that any restrictions imposed on the operation of the Project herein and which are in addition to those imposed pursuant to Section 142(d) of the Code or the Act are at the request of the Owner, and that the Owner has voluntarily agreed to such additional restrictions in order to obtain financial assistance from the City and an allocation of private activity bond volume cap from CDLAC.

(i) Amendment or Waiver by City; Conflicting Provisions. The requirements of Section 4(a)(i) and (ii) and of Section 5 hereof may be amended, modified or waived (but not increased or made more onerous), at the City's sole discretion, by written amendment signed by the City and the Owner, or expressly waived by the City in writing, but no such waiver by the City shall, or shall be deemed to, extend to or affect any other provision of this Regulatory Agreement except to the extent the City and the Trustee have received an opinion of Bond Counsel to the effect that any such provision is not required by the Code or the Act and may be waived without adversely affecting the Tax Exempt status of interest on the Bonds. Any requirement of Section 4(a)(i) and (ii) or Section 5 shall be void and of no force and effect if the City, the Trustee and the Owner receive a written opinion of Bond Counsel to the effect that compliance with such requirement would be in conflict with the Act or any other applicable state or federal law.

(j) Extension of Qualified Project Period. Notwithstanding any other provision herein, the Qualified Project Period shall not expire earlier than, and the requirements of this Section 5 shall be in effect until, the date that is fifty-five (55) years after the Closing Date.

6. Additional Requirements of State Law. In addition to the requirements set forth above, pursuant to Section 52080 of the Housing Law, the Owner hereby agrees that it shall also comply with each of the following requirements, in each case, for the term of this Regulatory Agreement set forth in Section 12 hereof:

(a) Tenants Under Section 8 of the Housing Act. The Owner shall accept as tenants, on the same basis as all other prospective tenants, low-income persons who are recipients of federal certificates or vouchers for rent subsidies pursuant to the existing program under Section 8 of the Housing Act, and shall not permit any selection criteria to be applied to Section 8 certificate or voucher holders that is more burdensome than the criteria applied to all other prospective tenants.

(b) Availability on Priority Basis. The units reserved for occupancy as required by Section 4(a)(iv) shall remain available on a priority basis for occupancy at all times.

(c) Binding Covenants and Conditions. The covenants and conditions of this Regulatory Agreement shall be binding upon successors in interest of the Owner.

(d) Recordation of Regulatory Agreement. This Regulatory Agreement shall be recorded in the office of the county recorder of the City and County of San Francisco, California, and shall be recorded in the grantor-grantee index under the names of the Owner as grantor and to the name of the City as grantee.

(e) Restricted Income Units of Comparable Quality. The Restricted Units shall be of comparable quality and offer a range of sizes and number of bedrooms comparable to those units which are available to other tenants and shall be distributed throughout the Project. Notwithstanding the foregoing, the parties agree that this paragraph shall have no practical effect because 100% of the units in the Project are required to be Restricted Units pursuant to Section 4(a).

(f) Availability Following Expiration of Qualified Project Period. Following the expiration or termination of the Qualified Project Period, except in the event of foreclosure and redemption of the Bonds, deed in lieu of foreclosure, eminent domain, or action of a federal agency preventing enforcement, units reserved for occupancy as required by Subsection 4(a)(iv) shall remain available to any eligible Tenant occupying a reserved unit at the date of such expiration or termination, at the rent determined by Subsection 4(a)(iv), until the earliest of (1) the household's income exceeds 120% of the maximum eligible income specified therein, (2) the household voluntarily moves or is evicted for good cause, as deemed in the Act, (3) 55 years after the date of the commencement of the Qualified Project Period, and (4) the Owner pays the relocation assistance and benefits to households if required by Section 7264(b) of the California Government Code.

(g) Availability Preceding Expiration of Qualified Project Period. During the three (3) years prior to the later of (i) the expiration of the Qualified Project Period or (ii) the date that is 55 years after the date of commencement of the Qualified Project Period, the Owner shall continue to make available to eligible households reserved units that have been vacated to the same extent that non-reserved units, if any, are made available to non-eligible households.

(h) Notice and Other Requirements. The Owner shall comply with all applicable requirements of Section 65863.10 of the California Government Code, including the requirements for providing notices in Sections (b), (c), (d) and (e) thereof, and shall comply with all applicable requirements of Section 65863.11 of the California Government Code.

(i) Syndication of the Project. As provided in Section 52080(e) of the Housing Law, the City hereby approves the syndication of tax credits with respect to the Project, pursuant to Section 42 of the Code, to the Investor Limited Partner, or any affiliate thereof or successor thereto, pursuant to the terms of the Owner's partnership agreement. Any syndication of tax credits with respect to the Project to an affiliate of the Investor Limited Partner shall not require the prior written approval of the City if the Owner's partnership agreement will not be amended, modified or supplemented in connection with such syndication; provided, however, that the Investor Limited Partner shall provide to the City, at least five (5) Business Days prior to the effective date of any such syndication, written notice of such

syndication certifying that no amendment, modification or supplement to the Owner's partnership agreement will be effected in connection with such syndication, together with copies of any assignments of limited partnership interests and any other syndication documents. Any other syndication of the Project shall be subject to the prior written approval of the Director of the Mayor's Office of Housing of the City, which approval shall be granted only after the City determines that the terms and conditions of such syndication (1) shall not reduce or limit any of the requirements of the Act or regulations adopted or documents executed pursuant to the Act, (2) shall not cause any of the requirements of the City set forth in this Section 6 hereof to be subordinated to the syndication agreement, and (3) shall not result in the provision of fewer assisted units, or the reduction of any benefits or services, than were in existence prior to the syndication agreement.

7. CDLAC Requirements. The Owner hereby agrees that the construction, equipping and operation of the Project and the financing thereof is and shall be in compliance with the conditions set forth in Exhibit A to CDLAC Resolution No. 14-42 adopted on May 21, 2014, attached hereto as Exhibit G (the "CDLAC Resolution"), which conditions (the "CDLAC Requirements") are incorporated herein by reference and are made a part hereof. The Owner shall prepare and submit to the City a Certificate of Compliance in substantially the form attached hereto as Exhibit G, executed by an authorized representative of the Owner.

8. Indemnification. The Owner hereby releases the City, the Lender and their respective officers, members, directors, officials and employees from, and covenants and agrees to indemnify, hold harmless and defend the City and the Lender and the officers, members, directors, officials, agents and employees of each of them (collectively, the "Indemnified Parties," and each an "Indemnified Party") from and against any and all claims, losses, costs, damages, demands, expenses, taxes, suits, judgments, actions and liabilities of whatever nature, joint and several (including, without limitation, costs of investigation, reasonable attorneys' fees, litigation and court costs, amounts paid in settlement, and amounts paid to discharge judgments), directly or indirectly (a) by or on behalf of any person arising from any cause whatsoever in connection with transactions contemplated hereby or otherwise in connection with the Project, the Bonds, or the execution or amendment of any document relating thereto; (b) arising from any cause whatsoever in connection with the approval of financing for the Project or the making of the Loan or otherwise, including without limitation, any advances of the Loan, or any failure by the Lender, as defined in the Indenture, to make any advance thereunder; (c) arising from any act or omission of the Owner or any of its agents, servants, employees or licensees, in connection with the Loan or the Project; (d) arising in connection with the issuance and sale, resale or reissuance of any bonds or any certifications or representations made by any person other than the City or the party seeking indemnification in connection therewith and the carrying out by the Owner of any of the transactions contemplated by the Indenture, the Loan Agreement and this Regulatory Agreement; (e) arising in connection with the operation of the Project, or the conditions, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation, or construction of, the Project or any part thereof; and (f) arising out of or in connection with the exercise by the Lender or the Servicer of their powers or duties under the Indenture, the Loan Agreement, this Regulatory Agreement or any other agreements in connection therewith to which either of them is a party; provided, however, that this provision shall not require the Owner to indemnify (i) the Lender from any claims, costs, fees, expenses

or liabilities arising from the negligence or willful misconduct of the Lender, or (ii) the City for any claims, costs, fees, expenses or liabilities arising solely from the willful misconduct of the City. In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Owner, upon written notice from the Indemnified Party, shall assume the investigation and defense thereof, including the employment of counsel selected by the Indemnified Party; and the Owner shall assume the payment of all reasonable fees and expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. Notwithstanding the foregoing, no indemnification obligation shall give rise to an obligation to pay principal and interest on the Loan, which is not otherwise set forth in the Indenture, the Loan Agreement, the Bonds or any other agreement relating to the Bonds.

The Owner also shall pay and discharge and shall indemnify and hold harmless the City and the Lender from (i) any lien or charge upon payments by the Owner to the City and the Lender hereunder and (ii) any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges in respect of any portion of the Project. If any such claim is asserted, or any such lien or charge upon payments, or any such taxes, assessments, impositions or other charges, are sought to be imposed, the City or the Lender shall give prompt notice to the Owner, and the Owner shall have the sole right and duty to assume, and will assume, the defense thereof, including the employment of counsel approved by the Indemnified Party in such party's reasonable discretion, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its discretion; provided that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement. If a potential conflict exists between Owner's defense and the interests of an Indemnified Party, then such Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and participate in the investigation and defense thereof, and the Owner shall pay the reasonable fees and expenses of such separate counsel.

Notwithstanding any transfer of the Project to another Owner in accordance with the provisions of Section 11 of this Regulatory Agreement, the Owner shall remain obligated to indemnify the City pursuant to this Section 8 if such subsequent Owner fails to so indemnify the City, unless at the time of transfer the City has consented to the transfer to the extent such consent is required hereunder.

The provisions of this Section 8 shall survive the term of the Bonds and this Regulatory Agreement.

The obligations of the Owner under this Section are independent of any other contractual obligation of the Owner to provide indemnity to the Indemnified Parties or otherwise, and the obligation of the Owner to provide indemnity hereunder shall not be interpreted, construed or limited in light of any other separate indemnification obligation of the Owner. The Indemnified Parties shall be entitled simultaneously to seek indemnity under this Section and any other provision under which it is entitled to indemnity.

In addition thereto, the Owner will pay upon demand all of the fees and expenses paid or incurred by the Indemnified Parties in enforcing the provisions hereof.

9. Consideration. The City has issued the Bonds and made the Loan to provide funds for the purpose of financing the Project, all for the purpose, among others, of inducing the Owner to acquire, construct, equip and operate the Project. In consideration of the making of the Loan by the City, the Owner has entered into this Regulatory Agreement and has agreed to restrict the use of the Project on the terms and conditions set forth herein.

10. Reliance. The City and the Owner hereby recognize and agree that the representations, warranties, covenants and agreements set forth herein may be relied upon by all persons interested in the legality and validity of the Bonds, and in the exclusion from gross income for federal income tax purposes of the interest on the Bonds. In performing its duties and obligations hereunder, the City may rely upon statements and certificates of the Owner, Very Low Income Tenants, and upon audits of the books and records of the Owner pertaining to the Project. In addition, the City may consult with counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by the City hereunder in good faith and in conformity with such opinion.

11. Sale or Transfer of the Project. The Owner intends to hold the Project for its own account, has no current plans to sell, transfer or otherwise dispose of the Project (except in accordance with the option granted pursuant to Section 8.16 of Owner's partnership agreement), and, except as otherwise provided herein, hereby covenants and agrees not to sell, transfer or otherwise dispose of the Project, or any portion thereof (other than for individual tenant use as contemplated hereunder) or interest therein, including any interest in the Owner, without obtaining the prior written consent of the City, which consent shall not be unreasonably withheld, and receipt by the City of (i) evidence satisfactory to the City that the Owner's purchaser or transferee has assumed in writing and in full, the Owner's duties and obligations under this Regulatory Agreement, (ii) an opinion of counsel of the transferee that the transferee has duly assumed the obligations of the Owner under this Regulatory Agreement and that such obligations and this Regulatory Agreement are binding on the transferee, (iii) evidence acceptable to the City that either (A) the purchaser or assignee has experience in the ownership, operation and management of rental housing projects in the City such as the Project without any record of material violations of discrimination restrictions or other state or federal laws or regulations applicable to such projects, or (B) the purchaser or assignee agrees to retain a property management firm with the experience and record described in subparagraph (A) above or (C) if the purchaser or assignee does not have management experience, the City may cause the Program Administrator to provide on-site training in program compliance if the City determines such training is necessary, (iv) evidence satisfactory to the City that no event of default exists under this Regulatory Agreement, the Loan Agreement or any document related to the Loan, and payment of all fees and expenses of the City and the Trustee due under any of such documents is current, and (v) an opinion of Bond Counsel to the effect that such transfer will not, in itself, cause interest on the Bonds to become includable in the gross income of the recipients thereof for federal income tax purposes. It is hereby expressly stipulated and agreed that any sale, transfer or other disposition of the Project in violation of this Section 11 shall be null, void and without effect, shall cause a reversion of title to the Owner, and shall be ineffective to relieve the Owner of its obligations under this Regulatory Agreement. Nothing in this Section 11 shall affect any provision of any other document or instrument between the Owner and any other party which requires the Owner to obtain the prior written consent of such other party in order to sell, transfer or otherwise dispose of the Project. Not less than 60 days

prior to consummating any sale, transfer or disposition of any interest in the Project, the Owner shall deliver to the City a notice in writing explaining the nature of the proposed transfer. Notwithstanding the foregoing, the provisions of this Section 11 shall not apply to the transfer of all or any portion of (a) the limited partner interest of the Investor Limited Partner in the Owner (which is instead subject to paragraph (i) of Section 6, (b) the Administrative General Partner interest to an affiliate of the Administrative General Partner, (c) the Managing General Partner interest to an affiliate of the Managing General Partner, or (d) the transfer of any non-managing member interest in the Investor Limited Partner.

12. Term. Subject to the following paragraph of this Section 12, Section 8 hereof and to any other provision expressly agreed herein to survive the termination of this Regulatory Agreement, this Regulatory Agreement and all of the terms hereof shall become effective upon its execution and delivery and shall remain in full force and effect for the longer of (a) the Qualified Project Period or (b) fifty-five (55) years after the date on which at least fifty percent (50%) of the units in the Project are first occupied.

The terms of this Regulatory Agreement to the contrary notwithstanding, this Regulatory Agreement shall terminate and be of no further force and effect in the event of (i) involuntary noncompliance with the provisions of this Regulatory Agreement caused by fire, seizure, requisition, change in a federal law or an action of a federal agency after the Closing Date, which prevents the City from enforcing such provisions, or (ii) foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure, or condemnation or a similar event, but only if, in case of the events described in either clause (i) or (ii) above, within a reasonable period, either the Bonds are paid in full or amounts received as a consequence of such event are used to provide a project that meets the requirements hereof; provided, however, that the preceding provisions of this sentence shall cease to apply and the restrictions contained herein shall be reinstated if, at any time subsequent to the termination of such provisions as the result of the foreclosure, exercise of power of sale, or the delivery of a deed in lieu of foreclosure or a similar event, the Owner or any related person (within the meaning of Section 1.103-10(e) of the Regulations) obtains an ownership interest in the Project for federal income tax purposes. The Owner hereby agrees that, following any foreclosure, exercise of power of sale, transfer of title by deed in lieu of foreclosure or similar event, neither the Owner nor any such related person as described above will obtain an ownership interest in the Project for federal tax purposes. Notwithstanding any other provisions of this Regulatory Agreement to the contrary, this entire Regulatory Agreement, or any of the provisions or sections hereof, may be terminated upon agreement by the City and the Owner subject to compliance with any of the provisions contained in this Regulatory Agreement only if there shall have been received an opinion of Bond Counsel that such termination will not adversely affect the exclusion from gross income for federal income tax purposes of the interest on the Bonds or the exemption from State personal income taxation of the interest on the Bonds. The Owner shall provide written notice of any termination of this Regulatory Agreement to the City.

Upon the termination of the terms of this Regulatory Agreement, the parties hereto agree to execute, deliver and record appropriate instruments of release and discharge of the terms hereof; provided, however, that the execution and delivery of such instruments shall not be necessary or a prerequisite to the termination of this Regulatory Agreement in accordance with its terms.

13. Covenants to Run With the Land. The Owner hereby subjects the Project to the covenants, reservations and restrictions set forth in this Regulatory Agreement. The City and the Owner hereby declare their express intent that the covenants, reservations and restrictions set forth herein shall be deemed covenants running with the land and shall pass to and be binding upon the Owner's successors in title to the Project; provided, however, that on the termination of this Regulatory Agreement said covenants, reservations and restrictions shall expire. Each and every contract, deed or other instrument hereafter executed covering or conveying the Project or any portion thereof shall conclusively be held to have been executed, delivered and accepted subject to such covenants, reservations and restrictions, regardless of whether such covenants, reservations and restrictions are set forth in such contract, deed or other instruments. No breach of any of the provisions of this Regulatory Agreement shall defeat or render invalid the lien of a mortgage made in good faith and for value encumbering the Site.

14. Burden and Benefit. The City and the Owner hereby declare their understanding and intent that the burden of the covenants set forth herein touch and concern the land in that the Owner's legal interest in the Project is rendered less valuable thereby. The City and the Owner hereby further declare their understanding and intent that the benefit of such covenants touch and concern the land by enhancing and increasing the enjoyment and use of the Project by Very Low Income Tenants, the intended beneficiaries of such covenants, reservations and restrictions, and by furthering the public purposes for which the Bonds were issued.

15. Uniformity; Common Plan. The covenants, reservations and restrictions hereof shall apply uniformly to the entire Project in order to establish and carry out a common plan for the use, development and improvement of the Site.

16. Enforcement. If the Owner defaults in the performance or observance of any covenant, agreement or obligation of the Owner set forth in this Regulatory Agreement, and if such default remains uncured for a period of sixty (60) days after written notice thereof shall have been given by the City to the Owner (provided, however, that the City may at its sole option extend such period if the default is of the nature which would reasonably require more than 60 days to cure and if the Owner provides the City, if requested by the City, with an opinion of Bond Counsel to the effect that such extension will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds), then the City may declare an "event of default" to have occurred hereunder, and, subject to the provisions of the Indenture, may take any one or more of the following steps:

(a) by mandamus or other suit, action or proceeding at law or in equity, require the Owner to perform its obligations and covenants hereunder or enjoin any acts or things which may be unlawful or in violation of the rights of the City hereunder; or

(b) have access to and inspect, examine and make copies of all of the books and records of the Owner pertaining to the Project; or

(c) take such other action at law or in equity as may appear necessary or desirable to enforce the obligations, covenants and agreements of the Owner hereunder.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the occurrence of an event of default under this Regulatory Agreement shall not be deemed, under any circumstances whatsoever, to be a default under the Mortgage except as may be otherwise specified in the Mortgage.

Notwithstanding anything contained in this Regulatory Agreement to the contrary, the City agrees that any cure of any default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Owner and shall be accepted or rejected on the same basis as if made or tendered by the Owner.

17. Recording and Filing. The Owner shall cause this Regulatory Agreement and all amendments and supplements hereto and thereto, to be recorded and filed in the real property records of the City and County of San Francisco, California and in such other places as the City may reasonably request. The Owner shall pay all fees and charges incurred in connection with any such recording.

18. Payment of Fees. Notwithstanding any prepayment of the Loan and notwithstanding a discharge of the Indenture and/or the Loan Agreement, the Owner shall continue to pay the City's annual administrative fee as calculated and described below. Upon the occurrence of an event of default hereunder, the Owner shall continue to pay to the City compensation for any services rendered by any of them hereunder and reimbursement for all expenses incurred by it in connection therewith.

The Owner shall pay to the City (i) an initial issuance fee of \$ _____ (which is equal to one quarter of one percent (.25%) of the par amount of the Bonds) and (ii) an annual administrative fee not to exceed one eighth of one percent (0.125%) of the principal amount of the Bonds then outstanding, but no less than \$2,500, commencing on the Closing Date and thereafter on each anniversary date of the Closing Date thereafter during the term of this Regulatory Agreement.

In case any action at law or in equity, including an action for declaratory relief, is brought against the Owner to enforce the provisions of this Regulatory Agreement, the Owner agrees to pay reasonable attorney's fees and other reasonable expenses incurred by the City, the Lender, and/or the Program Administrator in connection with such action.

19. Governing Law. This Regulatory Agreement shall be governed by the laws of the State of California.

20. Amendments. To the extent any amendments to the Act, the Regulations or the Code shall, in the written opinion of Bond Counsel filed with the City, the Trustee and the Owner, impose requirements upon the ownership or operation of the Project more restrictive than those imposed by this Regulatory Agreement which must be complied with in order to maintain the Tax-Exempt status of interest on the Bonds, this Regulatory Agreement shall be deemed to be automatically amended to impose such additional or more restrictive requirements. Otherwise, this Regulatory Agreement shall be amended only by a written instrument executed by the parties hereto or their successors in title, and duly recorded in the

real property records of the City and County of San Francisco, California, provided that any amendment to the CDLAC Requirements shall also be subject to the consent of CDLAC.

21. City Contracting Provisions. The Owner covenants and agrees to comply with the provisions set forth in Exhibit H to this Regulatory Agreement, which is incorporated in and made a part of this Regulatory Agreement by this reference.

22. HUD Requirements So long as the Owner and/or Project are subject to a mortgage in favor of HUD, acting by the Secretary of Housing and Urban Development and his successors and assigns (the "HUD Secretary"), pursuant to Section 202 of the Housing Act of 1959, as amended (the "HUD Section 202 Capital Advance"), or any of the following HUD documents are in effect: (1) Capital Advance Program Use Agreement; (2) Capital Advance Mixed Finance Program Regulatory Agreement; (3) Capital Advance Program Mortgage Note in the sum of \$15,275,500 executed by the General Partner in favor of the HUD Secretary (the "Capital Advance Program Note"); (4) Mortgage Note in the sum of \$15,275,500 executed by the Owner in favor of the General Partner; (5) Deed of Trust With Assignment of Rents executed by the Owner in favor of the General Partner and to be recorded in the Official Records concurrently herewith (the "Deed of Trust"); (6) Collateral Assignment of Deed of Trust With Assignment of Rents and Security Agreement executed by the General Partner and HUD and to be recorded in the Official Records concurrently herewith; (7) Security Agreement executed by the Owner, as debtor, and the General Partner, as secured party; (8) UCC Financing Statements evidencing a perfected security interest in certain personal property owned by the Owner in favor of the HUD Secretary, to be recorded in the Official Records concurrently herewith and to be filed in the office of the Secretary of State of the State of California; and (9) all other documents executed in connection with the Capital Advance Program Note and/or Deed of Trust (together, the "HUD Section 202 Capital Advance Documents"), the following provisions shall apply. Notwithstanding anything in this Regulatory Agreement to the contrary, except the requirements in 26 U.S.C. 42(h)(6)(E)(ii), the provisions hereof are expressly subordinate to the HUD Section 202 Capital Advance, HUD Section 202 Capital Advance Documents and to all applicable HUD Section 202 Capital Advance Mixed Finance Program (and Section 8 or Project Rental Assistance, as applicable) regulations and related administrative requirements. In the event of any conflict between the provisions of this Regulatory Agreement on the one hand and the provisions of any applicable HUD regulations, related HUD administrative requirements or HUD Section 202 Capital Advance Documents on the other hand, the HUD regulations, related administrative requirements or HUD Section 202 Capital Advance Documents shall control. In the event of any inconsistency between the provisions of this Regulatory Agreement on the one hand and the provisions of any of the HUD Section 202 Capital Advance Documents and HUD rules and regulations pertaining thereto on the other hand, then to the extent of any such inconsistency the provisions of the HUD Section 202 Capital Advance Documents and HUD rules and regulations shall control and govern. In the event of foreclosure or transfer of title by deed in lieu of foreclosure under the HUD Section 202 Capital Advance Documents any and all land use covenants contained in this Regulatory Agreement shall automatically terminate, provided, however, that the requirements set out in 26 U.S.C. 42(h)(6)(E)(ii) shall survive, to the extent applicable.

(c) Failure to comply with the land-use covenants contained in this Regulatory Agreement will not serve as a basis for default on the HUD Section 202 Capital Advance.

(d) Any subsequent amendment to this Regulatory Agreement is subject to prior HUD written approval. No action shall be taken in accordance with the rights granted in this Regulatory Agreement to preserve the tax exemption of the interest on the notes or bonds (and/or tax credits), or prohibiting the Owner from taking any action that might jeopardize the tax-exemption (and/or tax credit), except in strict accord with Section 202 of the Housing Act of 1959, as amended (the "Act"), applicable Section 202 Capital Advance regulations, the HUD Section 202 Capital Advance Documents, or if applicable, Section 8 of the U.S. Housing Act of 1937 and the regulations thereunder. Enforcement of the provisions of this Regulatory Agreement will not result in any claim against the Project, the HUD Section 202 Capital Advance proceeds, any reserve or deposit required by HUD in connection with the HUD Section 202 Capital Advance transaction, or the rents or other income from the real property and the Project other than available distributions of surplus cash and residual receipts authorized for release by HUD.

(g) Notwithstanding any provision in this Regulatory Agreement and any other documents executed in connection with this Regulatory Agreement, with respect to the Owner's indemnification of the Issuer, including the Issuer's members of its board of directors and the Owner's indemnification of the Issuer's respective officers, directors, officials, employees and agents (together, the "Indemnified Parties"), the following provision shall apply:

The Issuer understands that HUD will not provide any indemnification to the Indemnified Parties, or any of them, under this Agreement. The Issuer for itself and on behalf of the other Indemnified Parties hereby waives any indemnification claims against HUD and understand that enforcement by the Indemnified Parties of any indemnification provisions in the Bond Regulatory Agreement and all other documents executed in connection with the Bond Regulatory Agreement will not and shall not result in any monetary claim against the Project (only for so long as the Owner and/or Project are subject to a mortgage in favor of HUD or the HUD Section 202 Capital Advance Documents are in effect), the HUD 202 Capital Advance proceeds, any reserve or deposit required by HUD in connection with the HUD 202 Capital Advance or the rents or other income from the Project.

Waiver of California Civil Code Section 1542. As evidenced by the initials shown below, the Issuer acknowledges that it has been advised regarding the effect of California Civil Code Section 1542, which provides as follows:

"a general release does not extend to claims which the creditor does not know or suspect to exist in his or her favor at the time of executing the release, which if known to him or her must have materially affected his or her settlement with the debtor."

THE ISSUER, BEING SO ADVISED, HEREBY EXPRESSLY WAIVES THE PROVISIONS OF CALIFORNIA CIVIL CODE SECTION 1542

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Regulatory Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Appendix shall have the meanings given in this Regulatory Agreement.

1. Nondiscrimination; Penalties.

(i) Nondiscrimination. In the performance of this Regulatory Agreement, the Owner agrees not to discriminate against any employee, City employee working with the Owner, applicant for employment with the Owner, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) Subcontracts. The Owner shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from the City) and shall require all subcontractors to comply with such provisions. The Owner's failure to comply with the obligations in this subsection shall constitute a material breach of this Regulatory Agreement.

(iii) Nondiscrimination in Benefits. The Owner does not as of the date of this Regulatory Agreement and will not during the term of this Regulatory Agreement, in any of its operations in San Francisco, on real property owned by the City, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

(iv) Condition to Contract. As a condition to this Regulatory Agreement, the Owner shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) Incorporation of Administrative Code Provisions by Reference. The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Regulatory Agreement as though fully set forth herein. The Owner shall comply fully with and be bound by all of the provisions that

apply to this Regulatory Agreement under such Chapters, including but not limited to the remedies provided in such Chapters. Without limiting the foregoing, the Owner understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Regulatory Agreement may be assessed against the Owner and/or deducted from any payments due the Owner.

2. Local Business Enterprise Utilization; Liquidated Damages.

(i) The LBE Ordinance. As a condition to this Regulatory Agreement, the Owner shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided such amendments do not materially increase Owner's obligations or liabilities, or materially diminish Owner's rights, under this Regulatory Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Regulatory Agreement as though fully set forth in this section. Owner's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Owner's obligations under this Regulatory Agreement and shall entitle Issuer, subject to any applicable notice and cure provisions set forth in this Regulatory Agreement, to exercise any of the remedies provided for under this Regulatory Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Regulatory Agreement expressly provides that any remedy is exclusive. In addition, Owner shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) Compliance and Enforcement. If Owner willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Regulatory Agreement pertaining to LBE participation, Owner shall be liable for liquidated damages in an amount equal to Owner's net profit on this Regulatory Agreement, or 10% of the total amount of this Regulatory Agreement, or \$1,000, whichever is greatest. The Director of the Issuer's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Owner authorized in the LBE Ordinance, including declaring the Owner to be irresponsible and ineligible to contract with the Issuer for a period of up to five years or revocation of the Owner's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Regulatory Agreement, Owner acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to Issuer upon demand. Owner further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Owner on any contract with Issuer.

Owner agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Regulatory

Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

3. Prevailing Wages. Owner understands and agrees that all provisions of section 1770, *et seq.*, of the California Labor Code are required to be incorporated into every contract for any public work or improvement and are hereby incorporated into this contract. Owner also understands and agrees that all provisions of sections 6.22E and 6.22F of the San Francisco Administrative Code are hereby incorporated into this contract. Owner also understands and agrees that all applicable provisions of the Davis-Bacon Act (40 U.S.C. §§3141 *et seq.*) are hereby incorporated into this contract.

4. MacBride Principles—Northern Ireland. Pursuant to San Francisco Administrative Code §12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing this Regulatory Agreement, the person executing this Regulatory Agreement on behalf of the Owner acknowledges and agrees that he or she has read and understood this Section.

5. Tropical Hardwood and Virgin Redwood Ban. Pursuant to §804(b) of the San Francisco Environment Code, the City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

6. Drug-Free Workplace Policy. The Owner acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Owner agrees that any violation of this prohibition by the Owner, its employees, agents or assigns will be deemed a material breach of this Regulatory Agreement.

7. Compliance with Americans with Disabilities Act. The Owner acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Owner shall provide the services specified in this Regulatory Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Owner agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Regulatory Agreement and further agrees that any violation of this prohibition on the part of the Owner, its employees, agents or assigns will constitute a material breach of this Regulatory Agreement.

8. Sunshine Ordinance. In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or

organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

9. Limitations on Contributions. Through execution of this Regulatory Agreement, the Owner acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Owner acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Owner further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Owner's board of directors; the Owner's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Owner; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Owner. Additionally, the Owner acknowledges that the Owner must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. The Owner further agrees to provide to the City the names of each person, entity or committee described above.

10. Requiring Minimum Compensation for Covered Employees. The Owner agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Regulatory Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Owner's obligations under the MCO is set forth in this Section. The Owner is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(i) The MCO requires the Owner to pay the Owner's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Owner is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Owner shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Owner's obligation to ensure that any subcontractors of any tier under this Regulatory Agreement comply with the requirements of the MCO. If any subcontractor under this Regulatory Agreement fails to comply, the City may pursue any of the remedies set forth in this Section against the Owner.

(ii) The Owner shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iii) The Owner shall maintain employee and payroll records as required by the MCO. If the Owner fails to do so, it shall be presumed that the Owner paid no more than the minimum wage required under State law.

(iv) The City, upon reasonable notice to the Owner, is authorized to inspect the Owner's job sites during normal business hours, conduct interviews with employees and conduct audits of the Owner.

(v) The Owner's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Regulatory Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Owner fails to comply with these requirements. The Owner agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Owner's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vi) The Owner understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Regulatory Agreement for violating the MCO, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(vii) The Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(viii) If the Owner is exempt from the MCO when this Regulatory Agreement is executed because the cumulative amount of agreements with the City for the fiscal year is less than \$25,000, but the Owner later enters into an agreement or agreements that cause the Owner to exceed that amount in a fiscal year, the Owner shall thereafter be required to comply with the MCO under this Regulatory Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Owner and the City to exceed \$25,000 in the fiscal year.

11. Requiring Health Benefits for Covered Employees. The Owner agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Regulatory Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Regulatory Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Owner shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Owner chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Owner is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (a) above.

(iii) The Owner's failure to comply with the HCAO shall constitute a material breach of this Regulatory Agreement. The City shall notify the Owner if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Regulatory Agreement for violating the HCAO, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Owner fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(iv) Any Subcontract entered into by the Owner shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Owner shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. The Owner shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Owner based on the Subcontractor's failure to comply, provided that the City has first provided the Owner with notice and an opportunity to obtain a cure of the violation.

(v) The Owner shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City or the City with regard to the Owner's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Owner represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Owner shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the Regulatory Agreement.

(viii) The Owner shall keep itself informed of the current requirements of the HCAO.

(ix) The Owner shall provide reports to the City in accordance with any reporting standards promulgated by the City or the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(x) The Owner shall provide the City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

(xi) The Owner shall allow the City to inspect the Owner's job sites and have access to the Owner's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Owner to ascertain its compliance with HCAO. The Owner agrees to cooperate with the City when it conducts such audits.

(xiii) If the Owner is exempt from the HCAO when this Regulatory Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Owner later enters into an agreement or agreements that cause the Owner's aggregate amount of all agreements with the City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Owner and the City to be equal to or greater than \$75,000 in the fiscal year.

12. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, the Owner may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Regulatory Agreement. The Owner agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Owner violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Regulatory Agreement, and (ii) prohibit the Owner from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Owner's use of profit as a violation of this Section.

13. Protection of Private Information. The Owner has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of

Private Information,” which are incorporated herein as if fully set forth. The Owner agrees that any failure of the Owner to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of this Regulatory Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Regulatory Agreement, bring a false claim action against the Owner pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Owner.

14. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City’s property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Owner shall remove all graffiti from any real property owned or leased by the Owner in the City and County of San Francisco within forty eight (48) hours of the earlier of the Owner’s (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require the Owner to breach any lease or other agreement that it may have concerning its use of the real property. The term “graffiti” means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner’s authorized agent, and which is visible from the public right-of-way. “Graffiti” shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 *et seq.*) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 *et seq.*).

Any failure by the Owner to comply with this section of this Regulatory Agreement shall constitute a material breach of this Regulatory Agreement.

15. Submitting False Claims; Monetary Penalties. Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for penalties set forth in that Section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or

approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

16. Conflict of Interest. Through its execution of this Regulatory Agreement, the Owner acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 *et seq.* and Section 1090 *et seq.* of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Regulatory Agreement.

17. Food Service Waste Reduction Requirements. The Owner agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Regulatory Agreement as though fully set forth. This provision is a material term of this Regulatory Agreement. By entering into this Regulatory Agreement, the Owner agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Owner agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Regulatory Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of the Owner's failure to comply with this provision.

18. Proprietary or Confidential Information of City. The Owner understands and agrees that, in the performance of the work or services under this Regulatory Agreement or in contemplation thereof, the Owner may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. The Owner agrees that all information disclosed by City to the Owner shall be held in confidence and used only in the performance of the Regulatory Agreement. The Owner shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

19. Earned Income Credit (EIC) Forms. Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. The Owner shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Regulatory Agreement becomes

effective (unless the Owner has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by the Owner; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Regulatory Agreement. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by the Owner of the terms of this Regulatory Agreement. If, within thirty days after the Owner receives written notice of such a breach, the Owner fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Owner fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Regulatory Agreement or under applicable law. Any Subcontract entered into by the Owner shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section. Capitalized terms used in this Section and not defined in this Regulatory Agreement shall have the meanings assigned to such terms in Section 120 of the San Francisco Administrative Code.

The Borrower does not intend to, and does not believe it will, incur debts and liabilities (including contingent liabilities and other commitments) beyond its ability to pay such debts as they mature (taking into account the timing and amounts to be payable on or in respect of obligations of the Borrower).

(s) No written information, exhibit or report furnished to the Issuer by the Borrower in connection with the negotiation of this Loan Agreement or the Loan Documents contains any untrue statement of a material fact or omits to state a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading.

(t) There is no action, suit, proceeding, inquiry or investigation, before or by any court or federal, state, municipal or other governmental authority, pending, or to the knowledge of the Borrower, after reasonable investigation, threatened, against or affecting the Borrower or the assets, properties or operations of the Borrower which, if determined adversely to the Borrower or its interests, would have a material adverse effect upon the consummation of the transactions contemplated by, or the validity of, this Loan Agreement or the Loan Documents, or upon the financial condition, assets, properties or operations of the Borrower, and the Borrower is not in default (and no event has occurred and is continuing which with the giving of notice or the passage of time or both could constitute a default) with respect to any order or decree of any court or any order, regulation or demand of any federal, state, municipal or other governmental authority, which default might have consequences that would materially and adversely affect the consummation of the transactions contemplated by this Loan Agreement or the Loan Documents, or the financial condition, assets, properties or operations of the Borrower. All tax returns (federal, state and local) required to be filed by or on behalf of the Borrower have been filed, and all taxes shown thereon to be due, including interest and penalties, except such, if any, as are being actively contested by the Borrower in good faith, have been paid or adequate reserves have been made for the payment thereof which reserves, if any, are reflected in the audited financial statements described therein. The Borrower enjoys the peaceful and undisturbed possession of all of the premises upon which it is operating its facilities.

(u) All utility services necessary and sufficient for the construction, equipping and operation of the Project shall be, upon Completion of the Project, and thereafter will at all times be, available through dedicated public rights of way or through perpetual private easements with respect to the Borrower's interest in which the Mortgage creates a valid and enforceable first priority mortgage lien. The Borrower has obtained, or promptly will obtain, all utility installations and connections required for the operation and servicing of the Project for its intended purposes.

(v) The rights of way for all roads necessary for the full utilization of the Project for its intended purposes have either been acquired by the appropriate Governmental Authority or have been dedicated to public use and accepted by such Governmental Authority. All such roads shall have been completed, and the right to use all such roads, or suitable substitute rights of way approved by the initial Servicer, shall be maintained at all times for the Project. All curb cuts, driveways and traffic signals shown on the Plans and Specifications are existing or have been fully approved by the appropriate Governmental Authority and after the completion thereof, shall be maintained at all times for the Project.

(w) The acquisition, construction, equipping, use and occupancy of the Project will at times comply with all Legal Requirements. The Borrower will give all notices to, and take all other actions with respect to, such Governmental Authorities as may be required under applicable Legal Requirements to construct and equip the Improvements and to use, occupy and operate the Project.

(x) Except as set forth on *Exhibit C* hereto, the Borrower has obtained all Project Approvals required for the acquisition, construction and equipping of the Project in accordance with the Plans and Specifications. All Project Approvals obtained by the Borrower have been validly issued and are in full force and effect. The Borrower has no reason to believe that any of the Project Approvals required for acquisition, construction and equipping of the Project in accordance with the Plans and Specifications and not heretofore obtained by the Borrower will not be obtained by the Borrower in the ordinary course in order to permit completion of construction and equipping of the Project in accordance with the Plans and Specifications on or before the Completion Date. The Borrower will timely obtain all Project Approvals not heretofore obtained by the Borrower (including those listed and described on *Exhibit C* hereto, those required for use and occupancy of the Project for its intended purpose upon Completion and any other Project Approvals which may hereafter become required, necessary or desirable) and will furnish the Servicer with evidence that the Borrower has obtained such Project Approvals promptly upon their receipt. The Borrower will duly perform and comply with all of the terms and conditions of all Project Approvals obtained at any time. No Project Approvals will terminate, or become void or voidable or terminable, upon any sale, transfer or other disposition of the Project, including any transfer pursuant to foreclosure, deed in lieu of foreclosure or exercise of power of sale under the Mortgage.

(y) The Borrower has furnished the Bank with true and complete sets of the Plans and Specifications. The Plans and Specifications so furnished to the initial Servicer comply with all Legal Requirements, all Project Approvals, and all restrictions, covenants and easements affecting the Project, and have been approved by such Governmental Authority as is required for construction and equipping of the Improvements.

(z) The Development Budget accurately reflects all Project Costs.

(aa) The Survey delivered to the Bank does not fail to reflect any material matter of survey affecting the Project or the title thereto.

(bb) No part of the Land is located in an area identified by the Federal Emergency Management Agency as an area having special flood hazard or to the extent any part of the Land

is an area identified as an area having special flood hazard, adequate flood insurance has been obtained by the Borrower.

(cc) The Borrower is not in default or violation of any order, writ, injunction, decree or demand of any Governmental Authority, the violation of which might materially adversely affect the condition (financial or otherwise) or business of the Borrower. There has not been and shall never be committed by the Borrower or any other Person in occupancy of or involved with the operation or use of the Project any act or omission affording any Governmental Authority the right of forfeiture as against the Project or any part thereof any moneys paid in performance of the Borrower's obligations under any Loan Document.

(dd) The Construction Contract and the Architect's Contract are each in full force and effect and each of the parties thereto are in full compliance with their respective obligations thereunder. The work to be performed by the Contractor under the Construction Contract is the work called for by the Plans and Specifications, and all work required to complete the Improvements in accordance with the Plans and Specifications is provided for under the Construction Contract.

(ee) Each Requisition submitted by the Borrower shall contain an affirmation that the foregoing representations and warranties remain true and correct as of the date hereof.

(ff) The Related Persons are not (and to Borrower's knowledge after diligent inquiry), no other Person holding any legal or beneficial interest whatsoever in the Related Persons, directly or indirectly, is included in, owned by, Controlled by, acting for or on behalf of, providing assistance, support, sponsorship, or services of any kind to, or otherwise associated with any of the Persons referred to or described in any list of persons, entities, and governments issued by the Office of Foreign Assets Control of the United States Department of the Treasury ("OFAC") pursuant to Executive Order 13224 – Blocking Property and Prohibiting Transactions with Persons Who Commit, Threaten to Commit, or Support Terrorism, as amended ("Executive Order 13224"), or any similar list issued by OFAC or any other department or agency of the United States of America (collectively, the "OFAC Lists").

Section 2.3 Covenants by the Borrower. The Borrower hereby covenants and agrees that, on and after the Closing Date, it will:

(a) Give written notice promptly, and in any event at least thirty (30) days prior to the closing thereof, of any intended refinancing of the Project to the Issuer, the Trustee and the Servicer;

(b) Comply with all Legal Requirements and promptly furnish the Issuer, the Trustee and the Servicer with reports of any official searches made by any Governmental Authority and any claims of violations thereof;

(c) Upon reasonable notice and at reasonable times, permit the Servicer, the Majority Owner, the Issuer and the Trustee (or their representatives) to enter upon the Land and inspect the Project;

(d) Indemnify the Issuer, the Trustee, the Owners and the Servicer (the "Indemnified Parties") against claims of brokers arising by reason of the execution hereof or the consummation of the transactions contemplated hereby, but as to any such Indemnified Party, specifically excluding claims arising solely by the gross negligence or willful misconduct of such Indemnified Party;

(e) Deliver to the Servicer and the Issuer copies of all leases (other than leases to residential tenants in the ordinary course of business in the form set forth in *Exhibit D* hereto) with respect to the Project or any portion thereof, whether executed before or after the date of this Loan Agreement;

(f) Not enter into, cancel or amend any agreement for the furnishing of management or similar services to the Project, without the prior written consent of the Servicer and the Issuer, such consent not to be unreasonably withheld or delayed;

(g) Comply with all restrictions, covenants and easements affecting the Land or the Project;

(h) Take, or require to be taken, such acts as may be required under applicable law or regulation in order that the interest on the Bonds continues to be excludable from gross income for purposes of federal income taxation, and refrain from taking any action which would adversely affect the exclusion from gross income of interest on the Bonds from federal income taxation;

(i) Perform and satisfy all the duties and obligations of the Borrower set forth and specified in the Indenture as duties and obligations of the Borrower, including those duties and obligations which the Indenture requires this Loan Agreement or the other Loan Documents to impose upon the Borrower;

(j) Confirm and assure that the Project, equipment, buildings, plans, offices, apparatus, devices, books, contracts, records, documents and other papers relating thereto shall at all times be maintained in reasonable condition for proper audit and shall be subject to examination and inspection at reasonable times and upon reasonable notice by the Issuer, the Trustee or the Servicer or the duly authorized agent of any of them and shall keep copies of all written contracts or other instruments which affect the Project, all or any of which shall be subject to inspection and examination by the Issuer, the Trustee, the Servicer or the duly authorized agent of any of them;

(k) [Reserved];

(l) Promptly notify the Issuer, the Trustee and the Servicer in writing of any (i) default by the Borrower in the performance or observance of any covenant, agreement, representation, warranty or obligation of the Borrower set forth in this Loan Agreement or any other Loan Documents or (ii) any event or condition which with the lapse of time or the giving of notice, or both would constitute an Event of Default under this Loan Agreement or any other Loan Documents; and commence, pursue and complete construction and equipping of the Improvements as provided herein and in the Construction Disbursement Agreement;

(m) The Borrower covenants to pay all third-party fees of the financing, including but not limited to the following:

(i) All taxes and assessments of any type or character charged to the Issuer or to the Trustee affecting the amount available to the Issuer or the Trustee from payments to be received hereunder or in any way arising due to the transactions contemplated hereby (including taxes and assessments assessed or levied by any public agency or governmental authority of whatsoever character having power to levy taxes or assessments) but excluding franchise taxes based upon the capital and/or income of the Trustee and taxes based upon or measured by the net income of the Trustee; *provided*, that the Borrower shall have the right to protest any such taxes or assessments and to require the Issuer or the Trustee, at the Borrower's expense, to protest and contest any such taxes or assessments levied upon them and that the Borrower shall have the right to withhold payment of any such taxes or assessments pending disposition of any such protest or contest unless such withholding, protest or contest would adversely affect the rights or interests of the Issuer or the Trustee;

(ii) All reasonable fees, charges and expenses of the Trustee and the Servicer for services rendered under the Indenture and/or the Loan Agreement, including, but not limited to, the Trustee Expenses, as and when the same become due and payable;

(iii) The Issuer Fee and the Issuer Annual Fee, payable to the Issuer as set forth in Section 20 of the Regulatory Agreement, and the reasonable fees and expenses of the Issuer or any agents, attorneys, accountants, consultants selected by the Issuer to act on its behalf in connection with this Loan Agreement, the Regulatory Agreement, the Bonds or the Indenture, including, without limitation, any and all reasonable expenses incurred in connection with the authorization, issuance, sale and delivery of the Bonds or in connection with any litigation which may at any time be instituted involving this Loan Agreement, the Regulatory Agreement, other Issuer Documents, the Bonds or the Indenture or any of the other documents contemplated thereby, or in connection with the reasonable supervision or inspection of the Borrower, its properties, assets or operations or otherwise in connection with the administration of the foregoing; and

(iv) These obligations and those in Section 5.19 shall remain valid and in effect notwithstanding repayment of the loan hereunder or termination of this Loan Agreement.

The Borrower acknowledges that, to the extent that regulations of the Comptroller of the Currency or any other applicable regulatory agency require granting the Borrower the right to receive brokerage confirmations of securities transactions as they occur, the Borrower specifically waives the right to receive such confirmations.

ARTICLE 3

LOAN AND PROVISIONS FOR REPAYMENT

Section 3.1 Issuance of Bonds and Delivery of Note and other Loan Documents.

(a) In order to finance a portion of the costs of the acquisition, construction and equipping of the Project, the Issuer has, consistent with its duties and purpose under the Act, issued and caused the Trustee to authenticate and deliver the Bonds pursuant to the Indenture to the initial Owner. The Bonds shall bear interest and are payable as provided therein and in the Indenture. The Bonds shall mature and all Outstanding principal of, interest and Additional Interest (if any) on the Bonds shall be due and payable in full on the Maturity Date, all as provided more fully in the Bonds and the Indenture.

(b) The Issuer agrees to lend the proceeds received from the sale of the Bonds to the Borrower, by causing such amounts to be deposited directly into the Project Fund, subject to the terms and conditions of the Indenture and this Loan Agreement, including the terms and conditions thereof and hereof governing the disbursement of proceeds of the Loan.

(c) Pursuant to the Indenture, the Trustee shall make disbursements from the Project Fund created pursuant to the Indenture to pay or to reimburse the Borrower for costs of the acquisition, construction and equipping of the Project, subject to the conditions of the Indenture and this Loan Agreement. Upon receipt of a properly signed Requisition approved by the Servicer (which approval of the Servicer is expressly subject to the satisfaction of the conditions precedent set forth in the Construction Disbursement Agreement), the Trustee is authorized to act upon such Requisition without further inquiry, and, except for negligence after notice of facts to the contrary or willful misconduct of the Trustee, the Borrower shall hold the Trustee harmless against any and all losses, claims or liabilities incurred in connection with the Trustee's making disbursements from the Project Fund in accordance with such Requisition. Neither the Trustee nor the Issuer shall be responsible for the application by the Borrower of moneys properly disbursed from the Project Fund.

(d) Concurrently with the sale and delivery of the Bonds, and to evidence further the obligation to repay the Loan in accordance with the provisions of this Loan Agreement, the Borrower has executed and delivered the Note and the other Loan Documents. The Note shall be in the original aggregate principal amount of, and shall bear interest at the same rate per annum as, the Bond.

Section 3.2 Loan Repayments and Other Amounts.

(a) The Borrower shall pay to the Trustee, for deposit into the Revenue Fund, on the first day of each month commencing [____], an amount equal to the sum of (i) the interest due on the Bonds on said date (after taking into account funds available for such purpose, if any, in the Capitalized Interest Account of the Project Fund), plus (ii) amounts required to be deposited into the Tax and Insurance Fund pursuant to Section 5.22 of this Loan Agreement) as of such date. Amounts so paid to the Trustee by the Borrower shall be in immediately available funds or shall be such that on the Bond Payment Date they are available funds. The Borrower shall pay to the Trustee, for deposit into the Revenue Fund, the principal of the Loan as provided in subsection (g).

(b) The Borrower understands that the interest rates applicable under the Note and with respect to the Bonds are based upon the assumption that interest income paid on the Bonds will be excludable from the gross income of the Owners under Section 103 of the Code (except

to the extent that an Owner is a "substantial user" of the Project within the meaning of Section 174(a) of the Code or a Related Person to such substantial user) and applicable state law. In the event that an Initial Notification of Taxability shall occur, then the interest rates on the Note and the Bonds, and on all obligations under this Loan Agreement (other than those to which the Alternative Rate applies) shall, effective on the date of such Initial Notification of Taxability, be increased to a rate equal to the Taxable Rate. The Borrower shall, in addition, pay to the Trustee, for deposit into the Revenue Fund, promptly upon demand from the Trustee or the Servicer, an amount equal to the Additional Interest payable on the Bonds. The Borrower shall also indemnify, defend and hold the Owners harmless from any penalties, interest expense or other costs, including reasonable attorneys' fees (including all reasonably allocated time and charges of Owners' and Trustee's "in-house" and "outside" counsel) and accountants' costs, resulting from any dispute with the Internal Revenue Service concerning the proper tax treatment of the Bonds and any interest payable to any Owner with respect to the Bonds. The obligations of the Borrower under this Section 3.2(b) shall survive termination of this Loan Agreement and the Note and repayment of the Loan. If, following any increase in interest rates pursuant to this Section 3.2(b), a final determination is made, to the satisfaction of the Owners, that interest paid on the Bonds is excludable from the Owners' gross income under Section 103 of the Code except to the extent that an Owner is a "substantial user" of the Project or a "related person" within the meaning of Section 147(a) of the Code) and applicable state law, the Owners shall promptly refund to the Borrower any Additional Interest and other additional amounts paid by the Borrower pursuant to this Section 3.2(b).

(c) The Borrower agrees to pay the Trustee Fee and Trustee Expenses to the Trustee and agrees to pay the Issuer Fee and the Issuer Annual Fee to the Issuer. The Borrower also agrees to pay all fees, charges and expenses of the Trustee and the Issuer, respectively (including, without limitation, the reasonable, actually incurred fees and expenses of counsel to the Issuer, Bond Counsel and counsel to the Trustee), as and when the same become due. The Borrower also agrees to pay the printing and engraving costs of the Bonds, including any certificates required to be prepared for use in connection with any exchanges of Bonds for the cost of which Owners are not liable. The Borrower also agrees to pay the Loan Fees to the Bank on or before the Closing Date, to pay the fees of the Majority Owner and the Servicer, and to pay all reasonable costs and expenses incurred by the Majority Owner and the Servicer in connection with the administration of the Bonds, the Loan or the collateral therefor, and any amendments, modifications or "workouts" thereof, including without limitation reasonable attorneys' fees and costs (including allocated costs of in-house attorneys), fees and costs of engineers, accountants, appraisers and other consultants, title insurance premiums and recording costs upon receipt of written demand therefor.

(d) The Borrower agrees to pay all Costs of Issuance (in addition to those Costs of Issuance otherwise required to be paid by this Section 3.2).

(e) The Borrower agrees to pay, as and when the same become due, to the Issuer, the Servicer or the Trustee any extraordinary expenses, including, without limitation, any costs of litigation, which may be incurred by the Issuer, the Servicer or the Trustee in connection with this Loan Agreement, the Bonds, or the Indenture, including the reasonable, actually incurred costs and fees of any attorneys or other experts retained by the Issuer, the Servicer or the Trustee in connection therewith.

(f) The Borrower agrees to repay the Loan at the times and in the amounts necessary to enable the Trustee, on behalf of the Issuer, to pay all amounts payable with respect to the Bonds, when due, whether at maturity or upon redemption, acceleration, tender, purchase or otherwise.

(g) If Issuer has not received the full amount of any payment scheduled to be made under this Loan Agreement, other than the final principal payment, by the end of ten (10) calendar days after the date it is due, Borrower shall pay a late charge to Issuer in the amount of five percent (5%) of the overdue payment; provided, however, in no event shall any late charge be payable hereunder without Issuer first having provided Borrower with any notice required by applicable law. Borrower shall pay this late charge only once on any late payment. This late charge shall not be construed as in any way extending the due date of any payment, and is in addition to (and not in lieu of) any other remedy Issuer may have.

Section 3.3 Payments Pledged and Assigned. It is understood and agreed that the Loan Documents and certain other documents and property and all payments required to be made by the Borrower pursuant hereto (except payments to be made to the Issuer in respect of its Reserved Rights and payments to be made to the Servicer and the Trustee pursuant to Section 3.2(b) hereof) have been assigned to the Trustee simultaneously herewith pursuant to the Indenture as and for security for the Bonds. The Borrower hereby consents to such assignment and recognizes the Trustee as the assignee of the Issuer, to the extent of the assignment, for purposes of said documents and property.

Section 3.4 Obligations of Borrower Hereunder Unconditional. The obligations of the Borrower to make any payments required by the terms of this Loan Agreement and the other Loan Documents, including, without limitation, the payments required in Section 3.2 hereof, and to perform and observe the other agreements on its part contained herein and in the other Loan Documents shall be absolute and unconditional and shall not be subject to any defense (other than payment) or any right of set off, counterclaim, abatement or otherwise and, until such time as the principal of and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the Indenture. The Borrower (i) will not suspend or discontinue, or permit the suspension or discontinuance of, any payments provided for herein or in the other Loan Documents, (ii) will perform and observe all of its other agreements contained herein and the other Loan Documents and (iii) will not suspend the performance of its obligations hereunder and under the other Loan Documents for any cause including, without limiting the generality of the foregoing, failure to complete construction and equipping of the Project, any acts or circumstances that may constitute failure of consideration, failure of or a defect of title to the Project or any part thereof, eviction or constructive eviction, destruction of or damage to the Project, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or administrative actions by the United States of America or the State or any political subdivision of either, or any failure of the Issuer to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Loan Agreement or the other Loan Documents. The Borrower may, at its own cost and expense and in its own name or in the name of the Issuer (if the Issuer is a necessary party and consents thereto), prosecute or defend any action or proceeding or take any other action involving third persons which the Borrower deems reasonably necessary in order to secure or protect its rights hereunder, and in such event the

Issuer, subject to the provisions of the Indenture, hereby agrees to cooperate fully with the Borrower and to take all action (at the Borrower's cost and expense) necessary to effect the substitution of the Borrower for the Issuer in any such action or proceeding if the Borrower shall so request.

ARTICLE 4

Section 4.1 Requisition. At such time as the Borrower shall desire to obtain an advance from the Loan Account, the Insurance and Condemnation Proceeds Account, or, the Equity Account of the Project Fund, the Borrower shall complete, execute and deliver a Requisition to the Servicer. Each Requisition shall be signed on behalf of the Borrower and shall be in the form attached as *Exhibit G* to the Construction Disbursement Agreement. The Trustee may rely conclusively on the statements and certifications contained in any Requisition. The Borrower shall not submit any Requisition directly to the Trustee. (c) The Issuer, the Trustee and the Servicer shall have the right to obtain from time to time, at the Borrower's cost and expense, updated Appraisals of the Project; *provided*, that so long as no Event of Default shall have occurred and be continuing, the Borrower shall only be obligated to pay for the costs and expenses associated with one (1) such Appraisal during any twelve (12) month period.

Section 5.9 Borrower to Pay Excess Project Costs. The Borrower will pay when due all costs of acquisition, construction and equipping of the Project in excess of the proceeds of the Bonds, regardless of the amount. If at any time, the Servicer shall in its sole but reasonable discretion determine that the remaining undisbursed portion of the Project Fund, together with the undisbursed balance of Required Equity Funds, and any other sums previously deposited or to be deposited by the Borrower in connection with the Project, is or will be insufficient to complete the construction and equipping of the Improvements in accordance with the Plans and Specifications, to operate and carry the Project after Completion until Stabilization, to pay all other Project Costs, to pay all interest accrued or to accrue on the Bonds from and after the date hereof or until Stabilization, and to pay all other sums due or to become due under the Loan Documents (or any budget category or line item), regardless of how such condition may be caused, the Borrower will, within ten (10) days after written notice of such determination from the Servicer, deposit with the Trustee such sums of money in cash as the Servicer may require, in an amount sufficient to remedy the condition described in such notice, and sufficient to pay any liens for labor and materials alleged to be due and payable at the time in connection with the Improvements, and, at the Servicer's direction, no further disbursements from the Project Fund shall be made by the Trustee until the provisions of this Section have been fully complied with.

The Servicer may direct the Trustee to enforce the Completion Agreement in accordance with its terms, and upon such direction, the Trustee shall proceed to enforce the Completion Agreement. All such deposited sums shall constitute additional security under the Loan Documents and, prior to the occurrence of an Event of Default, shall be disbursed by the Trustee in the same manner as disbursements under the Indenture before any further disbursements from the Project Fund shall be made by the Trustee. Notwithstanding the above, in the event amounts deposited hereunder are actually in excess of the amount necessary to achieve Completion, such excess amounts shall be returned to the Borrower in accordance with Section 5.03 of the Indenture.

Section 5.10 Laborers, Subcontractors and Materialmen. The Borrower will furnish to the Issuer, the Trustee or the Servicer, upon reasonable request, and from time to time, affidavits listing all laborers, subcontractors, materialmen, and any other Persons who might or could claim statutory or common law liens and are furnishing or have furnished labor or material to the Project or any part thereof, together with affidavits, or other evidence satisfactory to the Issuer, the Trustee or the Servicer, showing that such parties have been paid all amounts then due for labor and materials furnished to the Project. The Borrower will also furnish to the Issuer, the Trustee, and the Servicer, at any time and from time to time upon reasonable request by the Issuer, the Trustee, or the Servicer, lien waivers bearing a then current date and prepared on a form satisfactory to the Issuer, the Trustee or the Servicer from the Contractor and such subcontractors or materialmen as the Issuer, the Trustee or the Servicer may designate.

Section 5.11 Further Assurance of Title. If at any time the Servicer has reason to believe that any disbursement from the Project Fund is not secured or will or may not be secured by the Mortgage as a first priority mortgage lien and security interest on the Secured Property, then the Borrower shall, within ten (10) days after written notice from the Servicer, do all things and matters necessary, to assure to the satisfaction of the Servicer that any disbursement from the Project Fund previously made hereunder or to be made hereunder is secured or will be secured by the Mortgage as a first priority mortgage lien and security interest on the Secured Property, and the Servicer, at its option, may decline to approve any further Requisitions until the Servicer has received such assurance. Nothing in this Section shall limit the right of the Servicer, at the Borrower's expense, to order searches of title from time to time and to require bringdowns or endorsements extending the effective date of the Title Policy in connection with the making of advances as herein set forth.

Section 5.12 Publicity. The Borrower will permit the Servicer to obtain publicity in connection with the acquisition, construction and equipping of the Improvements through press releases and participation in such events as ground breaking and opening ceremonies and placement of signs on the Land.

Section 5.13 Further Assurances.

(a) **Regarding Construction.** The Borrower will furnish or cause to be furnished to the Issuer, the Trustee and the Servicer all instruments, documents, boundary surveys, footing or foundation surveys, certificates, plans and specifications, title and other insurance, reports and agreements and each and every other document and instrument required to be furnished by the terms of this Loan Agreement or the other Loan Documents, all at the Borrower's expense.

(b) Regarding Preservation of Collateral. The Borrower will execute and deliver to the Issuer, the Trustee and the Servicer such further documents, instruments, assignments and other writings, and will do such other acts necessary or desirable, to preserve and protect the collateral at any time securing or intended to secure the obligations of the Borrower under the Loan Documents, as the Issuer, the Trustee and the Servicer may require.

(c) Regarding this Loan Agreement. The Borrower will cooperate with, and will do such further acts and execute such further instruments and documents as the Issuer, the Trustee and the Servicer shall reasonably request to carry out to their satisfaction the transactions contemplated by this Loan Agreement and the other Loan Documents, provided that no such further acts, instruments or documents shall expand the liability of the parties hereunder or materially change the terms of the Loan Documents.

Section 5.14 Notices. The Borrower will promptly notify the Issuer, the Trustee, the Investor Limited Partner and the Servicer in writing of (i) the occurrence of any Event of Default or event which, with the giving of notice or the passage of time, or both, would constitute an Event of Default; (ii) the Borrower's receipt of notice from any Governmental Authority of any alleged violation of environmental laws or regulations or other Legal Requirements; (iii) any labor problems with respect to the Borrower or the Project; (iv) the occurrence of any other event which would have a material adverse effect on the Project or the business or financial condition of the Borrower; or (v) the receipt by the Borrower of any notice of default or notice of termination with respect to any contract or agreement relating to the ownership, construction, equipping, operation, or use of the Project.

Section 5.15 Solvency; Adequate Capital. The Borrower will:

(a) Remain solvent and pay all of its indebtedness from its assets as the same become due; and

(b) Maintain adequate capital for the normal obligations reasonably foreseeable for a business of its size and character and in light of its contemplated business operations.

Section 5.16 Management Contract.

(a) At all times during the term of this Loan Agreement, the Project shall be managed pursuant to a management contract with the Manager, which contract shall be terminable with or without cause by the Borrower or its successors as owners of the Project and shall otherwise be in form and substance satisfactory to the Servicer. The Borrower acknowledges that the Issuer, the Trustee and the Servicer will rely on the Manager's experience in operating properties such as the Project as a means of maintaining the value of the collateral. In connection with the approval of the Manager, or any replacement management company:

(i) the Manager or holder of the stock or partnership interest therein, shall be a Person whose character, financial strength, stability and experience is acceptable to the Servicer and who shall have experience managing properties of a type and size reasonably similar to the Project; and

(ii) the Manager shall deliver all organizational documentation and other materials evidencing its experience acceptable to the Servicer.

(b) The Borrower shall, from time to time, obtain from the Manager such certificates of estoppel with respect to compliance by the Borrower with the terms of the management contract as may be requested by the Servicer, the Trustee and the Servicer.

(c) The Project will be managed by the Manager pursuant to the Management Agreement. The Borrower acknowledges and agrees that Trustee, as mortgagee under the Mortgage, is and shall be a third-party beneficiary of the Management Agreement and any replacement management agreement. Any amendment to the Management Agreement or delivery of a replacement management agreement must be approved in writing by the Servicer.

Section 5.17 Negative Covenants of the Borrower. The Borrower covenants and agrees that, so long as the Loan is outstanding:

(a) Restrictions on Easements and Covenants. Except for Permitted Encumbrances and matters permitted by Section 5.17(d), the Borrower will not create or suffer to be created or to exist any easement, right of way, restriction, covenant, condition, license or other right in favor of any Person which affects or might affect title to the Project or the use and occupancy of the Project or any part thereof without obtaining the prior written consent of the Servicer, which shall not be unreasonably withheld or delayed so long as the proposed action is necessary for the operation of the Project for the purposes contemplated hereby and the proposed action does not materially impair the validity or priority of the lien of the Mortgage.

(b) No Amendments, Terminations or Waivers. Neither the Borrower nor the General Partner shall amend, supplement terminate or otherwise modify or waive any provision of its Organizational Documents or any documents relating to the contribution of equity by the partners of the Borrower in a manner that would have a material adverse effect on the Issuer or the Owners without obtaining the prior written consent of the Servicer.

(c) Restrictions on Indebtedness. Without obtaining the prior written consent of the Servicer, the Borrower will not create, incur, assume, guarantee or be or remain liable, contingently or otherwise, with respect to any Indebtedness other than:

(i) Indebtedness arising under the Loan Documents;

(ii) current liabilities of the Borrower relating to the Project, incurred in the ordinary course of business but not incurred through (A) the borrowing of money, or (B) the obtaining of credit except for credit on an open account basis customarily extended and in fact extended in connection with normal purchases of goods and services;

(iii) Indebtedness relating to the Project, in respect of taxes, assessments, governmental charges or levies and claims for labor, materials and supplies to the extent that payment therefor shall not at the time be required to be made; and

(iv) Indebtedness arising in connection with the Project to the City and County of San Francisco, as permitted by the Bank in the applicable Loan Documents or elsewhere;

(d) Restrictions on Liens. The Borrower shall not subject the Project, or permit the Project to be subjected, to any Lien or encumbrance except as permitted pursuant to Article 6 of the Mortgage.

(e) General Partner Removal. The removal of Borrower's general partner(s) shall be subject to Section 11 of the Regulatory Agreement.

(f) Merger, Consolidation, Conversion and Disposition of Assets

(i) The Borrower will not become a party to any merger or consolidation, or agree to or effect any asset acquisition or stock acquisition.

(ii) The Borrower will not convert into any other type of entity.

(iii) The Borrower will not seek the dissolution or winding up, in whole or in part, of the Borrower or voluntarily file, or consent to the filing of, a petition for bankruptcy, reorganization, assignment for the benefit of creditors or similar proceedings.

(g) Sale and Leaseback. The Borrower will not enter into any arrangement, directly or indirectly, whereby the Borrower shall sell or transfer any property owned by it in order then or thereafter to lease such property or lease other property that the Borrower intends to use for substantially the same purpose as the property being sold or transferred.

(h) Preservation of Tax Exemption. The Borrower will not take any action that would adversely affect the exclusion of interest on the Bonds from gross income for purposes of federal income taxation, nor omit or fail to take any action required to maintain the exclusion of interest on the Bonds from gross income for purposes of federal income taxation (in each case, except to the extent that an Owner is a "substantial user" of the Project within the meaning of Section 174(a) of the Code or a Related Person to such substantial user).

Section 5.18 Arbitrage and Tax Matters. The Borrower further represents, warrants and covenants as follows:

(a) Qualified Residential Rental Project Exempt Facility Bonds. The Borrower shall assure that the proceeds of the Bonds are used in a manner such that the Bonds will satisfy the requirements of section 142(d) of the Code relating to qualified residential rental projects.

(b) Federal Guarantee Prohibition. The Borrower shall not take any action or permit or suffer any action to be taken if the result of the same would be to cause any of the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code.

(c) Rebate Requirement. The Borrower shall take any and all actions necessary to assure compliance with section 148(f) of the Code, relating to the rebate of excess investment

earnings, if any, to the federal government, to the extent that such section is applicable to the Bonds.

(d) No Arbitrage. The Borrower shall not take, or permit or suffer to be taken by the Trustee or otherwise, any action with respect to the proceeds of the Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the date of issuance of the Bonds would have caused the Bonds to be "arbitrage bonds" within the meaning of section 148 of the Code.

(e) Maintenance of Tax-Exemption. The Borrower shall take all actions necessary to assure the exclusion of interest on the Bonds from the gross income of the owners of the Bonds to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the date of issuance of the Bonds.

(f) Private Activity Volume Cap. The Bonds upon issuance and delivery shall be considered "private activity bonds" within the meaning of the Code with respect to which the California Debt Limit Allocation Committee has transferred a portion of the State of California's private activity bond allocation (within the meaning of section 146 of the Code) equal to the principal amount of the Bonds.

(g) Limitation on Issuance Costs. The Borrower covenants that, from the proceeds of the Bonds and investment earnings thereon, an amount not in excess of exceed two percent (2%) of the proceeds of the Bonds, will be used for costs of issuance of the Bonds, all within the meaning of section 147(g)(1) of the Code. For this purpose, if the fees of the original purchaser of the Bonds are retained as a discount on the purchase of the Bonds, such retention shall be deemed to be an expenditure of proceeds of the Bonds for said fees.

(h) Limitation of Expenditure of Proceeds. The Borrower covenants that not less than 97 percent of the net proceeds of the Bonds (within the meaning of section 150(a)(3) of the Code) will be paid for Qualified Project Costs.

(i) Limitation on Land. The Borrower covenants that less than twenty-five percent (25%) of the proceeds of the Bonds shall be used, directly or indirectly, for the acquisition of land.

(j) Existing Facilities Limit. The Borrower covenants that no proceeds of the Bonds shall be used for the acquisition of any tangible property or an interest therein, other than land or an interest in land, unless the first use of such property is pursuant to such acquisition; provided, however, that this limitation shall not apply with respect to any building (and the equipment therefor) if rehabilitation expenditures (as defined in section 145(d) of the Code) with respect to such building equal or exceed 15 percent of the portion of the cost of acquiring such building (and equipment) financed with Proceeds ; and provided, further, that this limitation shall not apply with respect to any structure other than a building if rehabilitation expenditures with respect to such structure equal or exceed 100 percent of the portion of the cost of acquiring such structure financed with the proceeds of the Bonds.

(k) Certain Uses Prohibited. The Borrower covenants that no proceeds of the Bonds shall be used directly or indirectly to provide any airplane, skybox or other private luxury box,

health club facility, facility used for gambling or store the principal business of which is the sale of alcoholic beverages for consumption off premises, and no portion of the proceeds of the Bonds shall be used for an office unless (i) the office is located on the premises of the facilities constituting the Project and (ii) not more than a de minimis amount of the functions to be performed at such office is not related to the day-to-day operations of the Project.

(l) Regulatory Agreement. The Borrower agrees to comply with the Regulatory Agreement.

Section 5.19 Indemnification

(a) To the fullest extent permitted by law, the Borrower agrees to indemnify, hold harmless and defend the Issuer, the Servicer, the Trustee, each Owner and each of their respective past, present and future officers, governing members, directors, officials, employees, attorneys and agents (each an “**Indemnified Party**”), against any and all losses, damages, claims, actions, liabilities, reasonable costs and expenses of any nature, kind or character (including, without limitation, reasonable attorneys’ fees, litigation and court costs, amounts paid in settlement (to the extent that the Borrower has consented to such settlement) and amounts paid to discharge judgments) (the “**Liabilities**”) to which the Indemnified Parties, or any of them, may become subject under federal or state securities laws or any other statutory law or at common law or otherwise, to the extent arising out of or based upon or in any way relating to:

(i) The Bonds, Loan Documents and the Indenture or the execution or amendment thereof or in connection with transactions contemplated thereby, including the issuance, sale, transfer or resale of the Bonds, including any Securitization thereof;

(ii) Any act or omission of the Borrower or any of its agents, contractors, servants, employees or licensees in connection with the Loan or the Project, the operation of the Project, or the condition, environmental or otherwise, occupancy, use, possession, conduct or management of work done in or about, or from the planning, design, acquisition, installation or construction of, the Project or any part thereof;

(iii) Any lien (other than a permitted encumbrance) or charge upon payments by the Borrower to the Trustee hereunder, or any taxes (including, without limitation, all ad valorem taxes and sales taxes), assessments, impositions and other charges imposed on the Issuer or the Trustee in respect of any portion of the Project;

(iv) Any violation of any environmental law, rule or regulation with respect to, or the release of any toxic substance from, the Project or any part thereof;

(v) The enforcement of, or any action taken by the Trustee or the Servicer related to remedies under this Loan Agreement, the Indenture and the other Loan Documents relating to the default by the Borrower;

(vi) The defeasance and/or redemption, in whole or in part, of the Bonds;

(vii) Any untrue statement or misleading statement or alleged untrue statement or alleged misleading statement of a material fact by the Borrower contained in any

offering statement or document for the Bonds, the Indenture or any of the Loan Documents to which the Borrower is a party, or any omission or alleged omission from any offering statement or document for the bonds of any material fact necessary to be stated therein in order to make the statements made therein by the Borrower, in the light of the circumstances under which they were made, not misleading, including without limitation any offering statement or disclosure document in connection with any Securitization or other secondary market transaction with respect to the Bonds;

(viii) Any declaration of taxability of interest on the Bonds or allegations (or regulatory inquiry) that interest on the Bonds, is taxable for federal income tax purposes; or

(ix) The Trustee's acceptance or administration of the trust of the Indenture, or the Trustee's exercise or performance of or failure to exercise or perform any of its powers or duties thereunder or under any of the Loan Documents to which it is a party;

(x) except in the case of the foregoing indemnification of the Servicer or any related Indemnified Party, to the extent such damages are caused by the gross negligence or willful misconduct of such Indemnified Party or any breach by such party of its obligations under the Indenture or any of the Loan Documents or any untrue statement or misleading statement of a material fact by such Indemnified Party contained in any offering statement or document for the Bonds or any of the Loan Documents or any omission or alleged omission from any such offering statement or document of any material fact necessary to be stated therein in order to make the statements made therein by such Indemnified Party not misleading. In the case of the foregoing indemnification of the Issuer, or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own willful misconduct. In the case of the foregoing indemnification of the Trustee, or any related Indemnified Party, they shall not be indemnified by the Borrower with respect to liabilities arising from their own negligence or willful misconduct. Notwithstanding anything herein to the contrary, the Borrower's indemnification obligations to the Servicer specified in Section 5.21 with respect to any Securitization described in Section 5.21 shall be limited to the indemnity set forth in Section 5.21.

(b) In the event that any action or proceeding is brought against any Indemnified Party with respect to which indemnity may be sought hereunder, the Borrower, upon written notice from the Indemnified Party (which notice shall be timely given so as not to materially impair the Borrower's right to defend), shall assume the investigation and defense thereof, including the employment of counsel reasonably approved by the Indemnified Party, and shall assume the payment of all expenses related thereto, with full power to litigate, compromise or settle the same in its sole discretion; *provided*, that the Indemnified Party shall have the right to review and approve or disapprove any such compromise or settlement, which approval shall not be unreasonably withheld. Each Indemnified Party shall have the right to employ separate counsel in any such action or proceeding and to participate in the investigation and defense thereof; *provided*, that the Issuer has the absolute right to employ separate counsel at the expense of the Borrower. The Borrower shall pay the reasonable fees and expenses of such separate counsel; *provided*, that such Indemnified Party other than the Issuer may only employ separate

counsel at the expense of the Borrower if and only if in such Indemnified Party's good faith judgment (based on the advice of counsel) a conflict of interest exists or could arise by reason of common representation except that the Borrower shall always pay the reasonable fees and expenses of the Issuer's separate counsel.

(c) Notwithstanding any transfer of the Project to another owner in accordance with the provisions of this Loan Agreement or the Regulatory Agreement, the Borrower shall remain obligated to indemnify each Indemnified Party pursuant to this Section 5.19 if such subsequent owner fails to indemnify any party entitled to be indemnified hereunder, unless the Issuer, the Trustee and the Servicer have consented to such transfer and to the assignment of the rights and obligations of the Borrower hereunder.

(d) The rights of any persons to indemnity hereunder and rights to payment of fees and reimbursement of expenses hereunder shall survive the final payment or defeasance of the Bonds and in the case of the Trustee any resignation or removal. The provisions of this Section shall survive the termination of this Loan Agreement.

(e) Nothing in this Section 5.19 shall in any way limit (i) the Borrower's indemnification and other payment obligations set forth in the Regulatory Agreement, or (ii) the Guarantor's payment obligations under the Payment Guaranty.

Section 5.20 Agreements Between Borrower and its Affiliates. Borrower shall not enter into any agreement, written or otherwise, directly or indirectly relating to the Project with an Affiliate of the Borrower without the prior written consent of the Servicer. Servicer consents to the Management Contract with the Guarantor and the Development Services Agreement with the Guarantor.

Section 5.21 [Reserved].

Section 5.22 Tax and Insurance Fund.

The Borrower acknowledges the creation of the Tax and Insurance Fund pursuant to the Indenture. The Tax and Insurance Fund shall be funded, and moneys in it shall be disbursed, in accordance with the provisions of the Indenture and this Section 5.22. Upon demand of the Servicer, following the occurrence of any failure of the Borrower to pay Impositions as the same become due, as required in Section 5.2 of the Mortgage, the Borrower shall deposit into the Tax and Insurance Fund, on each Interest Payment Date, a sum equal to one-twelfth of the annual amount of Impositions. The Borrower may make written request to the Servicer for disbursement of amounts in the Tax and Insurance Fund for payment of Impositions as they become due. Following receipt of any such request, the Servicer shall authorize the disbursement of funds from the Tax and Insurance Fund in amounts sufficient to make the required payments.

Section 5.23 Covenants Regarding Tax Credits. The Borrower hereby agrees to comply with all of the following covenants (each, a "Tax Credit Covenant"):

(a) To observe and perform all obligations imposed on the Borrower in connection with the Tax Credits, including the obligation to have the Project "placed in service" (within the

meaning given in Section 42 of the Code) in a timely manner; and to operate the residential units of the Project, and to use the Borrower's best efforts to cause all appropriate parties to operate the same, in accordance with all requirements, statutes, and regulations governing the Tax Credits;

(b) To preserve at all times the allocation and availability of the Tax Credits;

(c) Not to release, forego, alter, amend, or modify its rights to the Tax Credits without the Servicer's prior written consent, which the Servicer may give or withhold in the Servicer's reasonable discretion;

(d) Not to execute any residential lease of all or any portion of the Project which does not comply fully with all requirements, statutes, and regulations governing the Tax Credits, without the Servicer's prior written consent, which the Servicer may give or withhold in the Servicer's sole and absolute discretion;

(e) To cause to be kept all records, and cause to be made all elections and certifications, pertaining to the number and size of apartment units, occupancy thereof by tenants, income level of tenants, set-asides for low-income tenants, and any other matters now or hereafter required to qualify for and maintain the Tax Credits in connection with the low-income occupancy of the Project;

(f) To comply with the appropriate minimum low-income set-aside requirements under the Code or applicable federal regulations (the "**Federal Laws**") and all laws and regulations of the State (the "**State Laws**") applicable to the creation, maintenance and continued availability of the Tax Credits;

(g) To certify compliance with the set-aside requirements and report the dollar amount of qualified basis and maximum applicable percentage, date of placement in service and any other information required for the Tax Credits at such time periods as required by Federal Laws or State Laws for such Tax Credits;

(h) To set aside the appropriate number of units for households with incomes meeting the required standards of the median income of the county in which the Project is located to qualify for the Tax Credits (as determined pursuant to Section 42 of the Code and/or State Laws), adjusted for family size, and to operate and maintain all such units as "low-income units" qualifying for the Tax Credits under Section 42(i)(3) of the Code and/or State Laws (reserving one unit for a manager's unit);

(i) To exercise good faith in all activities relating to the operation and maintenance of the Project in accordance with the requirement of Federal Laws and State Laws; and

(j) To promptly deliver to the Servicer true and correct copies of all notices or other documents or communications received or given by the Borrower with regard to or relating in any way to the Borrower's partnership interests and/or the Tax Credits. Immediately upon receipt thereof, the Borrower shall deliver to the Servicer a copy of (i) the fully-executed allocation of Tax Credits for the Project; (ii) the basis audit (as required by Section 42 of the Code) for the Project (including a certificate of the Borrower's accountant or attorneys if

requested by the Servicer); (iii) the first annual income certification for all tenants of the Project showing that the tenants are qualified for purposes of the Borrower's obtaining Tax Credits, and (iv) the fully-completed Form 8609 (required by the Code) issued for the Project. The Borrower shall deliver promptly to the Servicer such other certificates, income certificates, reports and information as the Servicer may request.

The Borrower understands and acknowledges that the Bank is purchasing the Bonds based, in part, upon the value of the Tax Credits, and the Tax Credits, directly or indirectly, constitute part of Trustee's security on behalf of the Owners of the Bonds, for the obligations of the Borrower in connection with the Loan. The Borrower agrees to indemnify, defend, and hold the Servicer and the Owners harmless for, from, and against any and all actions, suits, claims, demands, liabilities, losses, damages, obligations, and costs or expenses, including litigation costs and reasonable attorneys' fees, arising from or in any way connected with the Borrower's failure to comply with one or more Tax Credit Covenants, excepting those arising out of, or resulting, solely from the gross negligence or willful misconduct of the Servicer.

Section 5.24 Leasing.

(a) The Servicer (and all other parties whose approval is required) must approve the Borrower's standard form of residential lease or rental agreement prior to its use by the Borrower. The Borrower may not materially modify the approved standard form of residential lease without the Servicer's prior written consent in each instance (which consent shall not be unreasonably withheld), together with the approval of all other parties whose consent is required. Each lease, other than leases on the Borrower's standard form of residential lease, of any part of the Project is subject to the Servicer's written approval as to form and substance prior to execution and delivery. Despite the foregoing, the Borrower may enter into residential leases (and amendments) in the ordinary course of business with bona fide third party tenants without the Servicer's prior written consent if the Borrower uses the approved standard form of residential lease and:

(i) Within fifteen (15) days after the Servicer's written request therefor, the Servicer receives a copy of the executed lease (accompanied by all financial information and certificates obtained by the Borrower pertaining to the tenant);

(ii) The Borrower, acting in good faith and exercising due diligence, has determined that the tenant qualifies as a low-income family for purposes of meeting the requirements for obtaining Tax Credits;

(iii) The lease meets the standards required by Section 42 of the Code;

(iv) The lease meets the requirements of the Servicer, the Issuer, and the Investor Limited Partner;

(v) The lease reflects an arm's-length transaction and, so long as the Construction Disbursement Agreement is in effect, conforms to the projections of the Pro Forma Schedule attached thereto;

(vi) The lease does not affect more than one (1) residential unit within the Improvements and is for a minimum term of twelve (12) months, unless otherwise agreed in writing by the Servicer; and

(vii) So long as the Construction Disbursement Agreement is in effect, the lease, together with all leases previously executed, does not cause the Loan to become "out of balance" as that term is defined in Section 1.2(a) of the Construction Disbursement Agreement.

(b) The Servicer in the exercise of its sole discretion may consider any executed lease it receives to be unsatisfactory if the lease fails to meet any of the requirements of this Loan Agreement. If this happens, or if the Borrower at any time fails to submit any executed lease (and accompanying information) at the time required by this Section, or if any Event of Default has occurred and is continuing, the Servicer may make written demand on the Borrower to submit all future leases for the Servicer's approval prior to execution. The Borrower must comply with any such demand by the Servicer.

(c) The Servicer's approval of any lease is for the sole purpose of protecting the Servicer's security and preserving the Servicer's rights under the Loan Documents. No approval by the Servicer will result in a waiver of any default of the Borrower. In no event will the Servicer's approval of any lease be a representation of any kind with regard to the lease, its enforceability or the financial capacity of any tenant or guarantor.

(d) The Borrower must perform all obligations required to be performed by it as landlord under any lease affecting any part of the Land or any space within the Improvements.

Section 5.25 Compliance with Anti-Terrorism Regulations.

(a) None of the Related Persons will be included in, owned by, controlled by, act for or on behalf of, provide assistance, support, sponsorship, or services of any kind to, or otherwise associate with any of the Persons referred to or described in any list of persons, entities, and governments issued by OFAC pursuant to Executive Order 13224 or any other OFAC List.

(b) Borrower will comply at all times with the requirements of Executive Order 13224; the International Emergency Economic Powers Act, 50 U.S.C. Sections 1701-06; the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001, Pub. L. 107-56 (the "PATRIOT Act"); the Iraqi Sanctions Act, Pub. L. 101-513, 104 Stat. 2047-55; the United Nations Participation Act, 22 U.S.C. Section 287c; the Antiterrorism and Effective Death Penalty Act, (enacting 8 U.S.C. Section 219, 18 U.S.C. Section 2332d, and 18 U.S.C. Section 2339b); the International Security and Development Cooperation Act, 22 U.S.C. Section 2349 aa 9; the Terrorism Sanctions Regulations, 31 C.F.R. Part 595; the Terrorism List Governments Sanctions Regulations, 31 C.F.R. Part 596; the Foreign Terrorist Organizations Sanctions Regulations, 31 C.F.R. Part 597; the Bank Secrecy Act, Pub. L. 91-508, 84 Stat. 1114, 1118; the Trading with the Enemy Act, 50 U.S.C. App. Section 1 et seq.; the laws relating to prevention and detection of money laundering in 18 U.S.C. Sections 1956 and 1957 and any similar laws or regulations currently in force or hereafter enacted (collectively, the "Anti-Terrorism Regulations").

(c) If Borrower becomes aware or receives any notice that any of the Related Persons are named on any of the OFAC Lists (such occurrence, an "OFAC Violation"), Borrower will immediately (i) give notice to the Issuer, the Trustee and the Servicer of such OFAC Violation, and (ii) comply with all laws applicable to such OFAC Violation (regardless of whether the party included on any of the OFAC Lists is located within the jurisdiction of the United States of America), including, without limitation, the Anti-Terrorism Regulations, and Borrower hereby authorizes and consents to Issuer's, Trustee's and Servicer's taking any and all steps Issuer, Trustee and Servicer deem necessary, in the sole discretion of each of Issuer, Trustee and Servicer, to comply with all laws applicable to any such OFAC Violation, including, without limitation, the requirements of the Anti-Terrorism Regulations (including the "freezing" and/or "blocking" of assets).

From time to time upon the written request of Issuer, Trustee or Servicer, Borrower shall deliver to the requesting party a schedule of the name, legal domicile, address and jurisdiction of organization, if applicable, for each Related Party and each holder of a legal interest in any Borrower.

(b) Any prepayment made pursuant to Section 6.1 or 6.2 hereof shall be deposited into the Revenue Fund. No prepayment or investment of the proceeds thereof shall be made which shall cause the Bonds to be "arbitrage bonds" within the meaning of Section 148 of the Code.

ARTICLE 7

(i) by notice in writing to the Borrower declare the unpaid indebtedness under the Loan Documents to be due and payable immediately, and upon any such declaration the same shall become and shall be immediately due and payable; and

(ii) take whatever action at law or in equity or under any of the Loan Documents, the General Partner Documents or the Guaranty, as may appear necessary or desirable to collect the payments and other amounts then due and thereafter to become due hereunder or thereunder or under the Note, or to exercise any right or remedy or to enforce performance and observance of any obligation, agreement or covenant of the Borrower under this Loan Agreement, the Note or any other Loan Document (including without limitation foreclosure of the Mortgage), any General Partner Document or the Guaranty (including actions to enforce the Completion Agreement); and

(iii) cause the Project to be completed, rehabilitated and equipped in accordance with the Plans and Specifications, with such changes therein as the Servicer may, from time to time, and in its sole discretion, deem appropriate.

(b) Any amounts collected pursuant to action taken under this Section (other than amounts collected by the Issuer pursuant to the Reserved Rights) shall, after the payment of the costs and expenses of the proceedings resulting in the collection of such moneys and of the expenses, liabilities and advances incurred or made by the Issuer, the Trustee or the Servicer and their respective Counsel, be paid into the Revenue Fund (unless otherwise provided in this Loan

Agreement) and applied in accordance with the provisions of the Indenture. No action taken pursuant to this Section 7.2 shall relieve the Borrower from the Borrower's obligations pursuant to Section 3.2 hereof.

Section 7.3 No Remedy Exclusive. No remedy conferred herein or in any other Loan Document upon or reserved to the Trustee or the Servicer is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Loan Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver thereof, but any such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee or the Servicer to exercise any remedy reserved to it herein or in any other Loan Document, it shall not be necessary to give any notice, other than such notice as may be herein expressly required.

Section 7.4 Agreement to Pay Fees and Expenses of Counsel. If an Event of Default shall occur under this Loan Agreement or under any of the other Loan Documents, and the Issuer, the Trustee, the Servicer should employ counsel or incur other expenses for the collection of the indebtedness or the enforcement of performance or observance of any obligation or agreement on the part of the Borrower herein or therein contained, the Borrower agrees that it will on demand therefor pay to any such party, or, if so directed by any such party, to its counsel, the reasonable actually incurred fees of such Counsel and all other out-of-pocket expenses incurred by or on behalf of the Issuer, the Trustee, the Servicer.

Section 7.5 No Additional Waiver Implied by One Waiver; Consents to Waivers. In the event any agreement contained in this Loan Agreement should be breached by either party and thereafter waived by the other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other breach hereunder. No waiver shall be effective unless in writing and signed by the party making the waiver.

Section 7.6 Remedies Subject to Applicable Law. All rights, remedies, and powers provided by this Article may be exercised only to the extent that the exercise thereof does not violate any applicable provisions of law, and all the provisions of this Article are intended to be subject to all applicable mandatory provisions of law which may be controlling in the Land and to be limited to the extent necessary so that they will not render this Loan Agreement invalid, unenforceable, or not entitled to be recorded, registered, or filed under the provisions of any applicable law.

Section 7.7 Cure by Investor Limited Partner. The Issuer, the Trustee and the Servicer hereby agree that cure of any Event of Default made or tendered by the Investor Limited Partner shall be deemed to be a cure by the Borrower and shall be accepted or rejected on the same basis as if made or tendered by the Borrower.

Section 7.8 Issuer Exercise of Remedies. Notwithstanding anything to the contrary contained herein, the Issuer may enforce its Reserved Rights under the Loan Documents and exercise the permitted remedies with respect thereto against the Borrower; *provided*, that the Issuer shall not commence or direct the Trustee to commence any action to declare the

outstanding balance of the Bonds or the Loan to be due and neither the Issuer nor the Trustee shall take any action in respect of Reserved Rights (i) to foreclose to take similar action under the Mortgage or otherwise in respect of any liens upon or security interests in the Project or other property pledged to secure the Borrower's obligations under the Loan Documents, (ii) to appoint a receiver, (iii) to enforce any similar remedy against the Project or other property pledged to secure the Borrower's obligations under the Loan Documents; or (iv) to enforce any other remedy which would cause any liens or security interests granted under the Loan Documents to be discharged or materially impaired thereby.

ARTICLE 8

(a) The Issuer, the Trustee and the Servicer shall, at all times, be free to establish independently to their respective satisfaction and in their respective absolute discretion the existence or nonexistence of any fact or facts the existence of which is a condition of this Loan Agreement or any other Loan Document.

(b) The Bonds and the obligations and undertakings of the Issuer hereunder do not constitute a general obligation of the Issuer or the State or any political subdivision thereof, and recourse on the Bonds and on the instruments and documents executed and delivered by or on behalf of the Issuer in connection with the transactions contemplated hereby may be had only against certain moneys due and to become due under the Loan Documents (and not against any moneys due or to become due to the Issuer pursuant to the Reserved Rights). No member, officer, employee or other elected or appointed official past, present or future, of the Issuer or any successor body shall be personally liable on the Issuer Documents, the Bonds or any other documents in connection herewith, nor shall the issuance of the Bonds be considered as misfeasance or malfeasance in office. The Bonds and the undertakings of the Issuer under the Issuer Documents do not constitute a pledge of the general credit or taxing power of the Issuer, the State, or any political subdivision thereof, do not evidence and shall never constitute a debt of the State or any political subdivision thereof (other than the Issuer), and shall never constitute

nor give rise to a pecuniary liability of the State or any political subdivision thereof, other than the Issuer.

Section 8.2 Authorized Borrower Representative. Pursuant to written direction provided on the Closing Date, the Borrower has appointed one or more Authorized Representative for the purpose of taking all actions and making all certificates required to be taken and made by the Authorized Representative under the provisions of the Loan Documents. Whenever under the provisions of any Loan Document the approval of the Borrower is required or any party is required to take some action at the request of the Borrower, such approval or such request shall be made by the Authorized Borrower Representative, unless otherwise specified in this Loan Agreement, and the Issuer, the Trustee and the Servicer shall be authorized to act on any such approval or request and the Borrower shall have no complaint against any such party as a result of any such action taken in conformity with such approval or request by the Authorized Borrower Representative.

Section 8.3 Binding Effect. This Loan Agreement shall inure to the benefit of and shall be binding upon the Issuer, the Trustee and the Borrower and their respective successors and permitted assigns. The Borrower acknowledges and agrees that the Issuer has assigned or is assigning its rights under this Loan Agreement to the Trustee, and that, pursuant to the Indenture, Trustee will follow directions from the Servicer in implementing certain of the rights and remedies under this Loan Agreement. The Owners of the Bonds and the Servicer shall be express third party beneficiaries of this Loan Agreement, and shall have the right to enforce directly against Borrower or other persons the rights and implement the rights and remedies provided to each of them hereunder, but not including the Reserved Rights; *provided*, that the rights of the Owners to bring actions and implement rights and remedies hereunder shall be subject to the same restrictions as are imposed with respect to actions, rights and remedies of the Owners under the Indenture.

Section 8.4 Execution in Counterparts. This Loan Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument; *provided*, that for purposes of perfecting a lien or security interest in this Loan Agreement by the Trustee, whether under Article 9 of the Uniform Commercial Code of the State or otherwise, only the counterpart delivered to, and received by, the Trustee shall be deemed the original.

Section 8.5 Amendments, Changes and Modifications. Subsequent to the issuance of the Bonds and prior to payment or provision for the payment of the Bonds in full (including interest thereon) in accordance with the provisions of the Indenture and except as otherwise provided herein, the Loan Documents may not be amended, changed, modified, altered or terminated by the Issuer, the Trustee or the Borrower except in compliance with Article IX of the Indenture.

Section 8.6 Severability. In the event any provision of this Loan Agreement shall be held invalid or unenforceable by any court of competent jurisdiction, such holding shall not invalidate or render unenforceable any other provision hereof and such invalid or unenforceable provision shall be deemed no longer to be contained in this Loan Agreement.

Section 8.7 Notices. All notices, demands, requests, consents, approvals, certificates or other communications hereunder shall be effective if given in the manner required in Section 10.08 of the Indenture.

Section 8.8 Applicable Law; Venue. This Loan Agreement shall be governed exclusively by and construed in accordance with the laws of the State, and any action arising out of this Loan Agreement or the Bonds shall be filed and maintained in the City and County of San Francisco, California, unless the Issuer waives this requirement in writing.

Section 8.9 Debtor Creditor Relationship. It is expressly understood and agreed that the relationship between the Issuer and the Borrower established by the transaction contemplated by this Loan Agreement and by all of the other Loan Documents is exclusively that of creditor or lender, on the part of the Issuer, and debtor or borrower, on the part of the Borrower and is in no way to be construed as a partnership or joint venture of any kind. It is further understood that all payments by the Borrower under the Loan Documents shall be exclusively on account of the said debtor/creditor relationship.

Section 8.10 Usury; Total Interest. This Loan Agreement is subject to the express condition, and it is agreed, that at no time shall payments hereunder, under the Note or under the other Loan Documents that are or are construed to be payments of interest on the unpaid principal amount of the Loan reflect interest that is borne at a rate in excess of the maximum permitted by law. The Borrower shall not be obligated or required to pay, nor shall the Issuer be permitted to charge or collect, interest borne at a rate in excess of such maximum rate. If by the terms of this Loan Agreement or the other Loan Documents the Borrower is required to make such payments reflecting interest borne at a rate in excess of such maximum rate, such payments shall be deemed to be reduced immediately and automatically to reflect such maximum rate. It is further agreed that the total of amounts paid hereunder as interest on the Loan which is to pay interest on the Bonds, cumulative from the date of the Note, shall not exceed the sum of 5% per month, simple and non-compounded for each month from such date to the date of calculation (calculated on the basis of a 360-day year of twelve thirty-day months). Any such excess payment previously made in either case shall be immediately and automatically applied to the unpaid balance of the principal sum of the Loan and not to the payment of interest thereon. This Loan Agreement is also subject to the condition that amounts paid hereunder representing late payment or penalty charges or the like shall only be payable to the extent permitted by law.

Section 8.11 Term of this Loan Agreement. This Loan Agreement shall be in full force and effect from its date to and including such date as all of the Bonds issued under the Indenture shall have been fully paid or retired in accordance with their terms and the terms of the Indenture (or provision for such payment shall have been made as provided in the Indenture), except, however, that the covenants and provisions relating to the Reserved Rights of the Issuer and the covenants relating to the preservation of exclusion from gross income of interest on the Bonds for purposes of federal income taxation shall survive the termination hereof.

Section 8.12 [Reserved].

Section 8.13 Limitation on Liability of the Issuer; Issuer May Rely.

(a) Notwithstanding anything herein or in any other instrument to the contrary, the Issuer shall not be obligated to pay the principal (or redemption price) of or interest on the Bonds, except from moneys and assets received by the Trustee on behalf of the Issuer pursuant to this Loan Agreement. Neither the faith and credit nor the taxing power of the State, or any political subdivision thereof, nor the faith and credit of the Issuer is pledged to the payment of the principal (or redemption price) of or interest on the Bonds. The Issuer shall not be liable for any costs, expenses, losses, damages, claims or actions, of any conceivable kind on any conceivable theory, under or by reason of or in connection with this Loan Agreement, the Bonds or the Indenture, except only to the extent amounts are received for the payment thereof from the Borrower under this Loan Agreement.

The Borrower hereby acknowledges that the Issuer's sole source of moneys to repay the Bonds will be provided by the payments made by the Borrower pursuant to this Loan Agreement, together with investment income on certain funds and accounts held by the Trustee under the Indenture, and hereby agrees that if the payments to be made hereunder shall ever prove insufficient to pay all principal (or redemption price) of and interest on the Bonds as the same shall become due (whether by maturity, redemption, acceleration or otherwise), then upon notice from the Trustee, the Borrower shall pay such amounts as are required from time to time to prevent any deficiency or default in the payment of such principal (or redemption price) of or interest on the Bonds, including, but not limited to, any deficiency caused by acts, omissions, nonfeasance or malfeasance on the part of the Trustee, the Borrower, the Issuer or any third party, subject to any right of reimbursement from the Trustee, the Issuer or any such third party, as the case may be, therefor.

(b) It is expressly understood and agreed by the parties to this Loan Agreement that:

(i) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice or other instrument furnished to the Issuer by the Trustee, any Owner or the Borrower as to the existence of a fact or state of affairs required under this Loan Agreement to be noticed by the Issuer;

(ii) the Issuer shall not be under any obligation to perform any record keeping or to provide any legal service, it being understood that such services shall be performed or caused to be performed by the Borrower; and

(iii) none of the provisions of this Loan Agreement shall require the Issuer to expend or risk its own funds (apart from the proceeds of Bonds issued under the Indenture) or otherwise endure financial liability in the performance of any of its duties or in the exercise of any of its rights under this Loan Agreement unless it first shall have been adequately indemnified to its satisfaction against the costs, expenses and liabilities which may be incurred by taking any such action.

(c) No provision, representation, covenant or agreement contained in this Loan Agreement or in the Indenture, the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary

liability (except to the extent of any Loan repayments, revenues and receipts derived by the Issuer pursuant to this Loan Agreement and other moneys held pursuant to the Indenture, other than in the Rebate Fund). Notwithstanding anything herein or in any other instrument to the contrary, no provision hereof shall be construed to impose a charge against the general credit of the Issuer, the State or any other political subdivision of the State, the taxing powers of the foregoing, within the meaning of any Constitutional provision or statutory limitation, or any personal or pecuniary liability upon any official, director, officer, employee, agent or attorney of the Issuer.

(d) All covenants, obligations and agreements of the Issuer contained in this Loan Agreement and the Indenture shall be effective to the extent authorized and permitted by applicable law. No such covenant, obligation or agreement shall be deemed to be a covenant, obligation or agreement of any present or future official, director, officer, employee, agent or attorney of the Issuer in other than his official capacity, and no official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof or by reason of the covenants, obligations or agreements of the Issuer contained in this Loan Agreement or in the Indenture. No provision, covenant or agreement contained in this Loan Agreement, the Indenture or the Bonds, or any obligation herein or therein imposed upon the Issuer, or the breach thereof, shall constitute or give rise to or impose upon the Issuer a pecuniary liability or a charge. No recourse shall be had for the enforcement of any obligation, covenant, promise, or agreement of the Issuer contained in this Loan Agreement or in any Bond or for any claim based hereon or otherwise in respect hereof or upon any obligation, covenant, promise, or agreement of the Issuer contained in any agreement, instrument, or certificate executed in connection with the Project or the issuance and sale of the Bonds, against any member of the governing board of the Issuer, its officers, counsel, financial advisor, employees or agents, as such, in his or her individual capacity, past, present, or future, or of any successor thereto, whether by virtue of any Constitutional provision, statute, or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that no personal liability whatsoever shall attach to, or be incurred by, any member of the governing board, officers, counsel, financial advisors, employees or agents, as such, in his or her individual capacity, past, present, or future, of the Issuer or of any successor thereto, either directly or by reason of any of the obligations, covenants, promises, or agreements entered into between the Issuer and the Trustee or the Borrower to be implied therefrom as being supplemental hereto or thereto, and that all personal liability of that character against every such director, officer, counsel, financial advisor, employee or agent, is, by the execution of the Bonds, this Loan Agreement, and the Indenture, and as a condition of, and as part of the consideration for, the execution of the Bonds, this Loan Agreement, and the Indenture, expressly waived and released.

Section 8.14 Waiver of Personal Liability. No member of the governing board, officer, agent or employee of the Issuer or any director, officer, agent or employee of the Issuer shall be individually or personally liable for the payment of any principal (or redemption price) of or interest on the Bonds or any other sum hereunder or be subject to any personal liability or accountability by reason of the execution and delivery of this Loan Agreement; but nothing herein contained shall relieve any such member, director, officer, agent or employee from the performance of any official duty provided by law or by this Loan Agreement.

Section 8.15 PATRIOT Act Notice. Issuer hereby notifies Borrower and Guarantor that, pursuant to the requirements of the PATRIOT Act, it is required to obtain, verify and record information that identifies Borrower and Guarantor, which information includes the names and addresses of Borrower and Guarantor and other information that will allow Issuer to identify Borrower and Guarantor in accordance with the PATRIOT Act.

IN WITNESS WHEREOF, the Issuer, the Trustee and the Borrower have caused this Loan Agreement to be executed in their respective names, all as of the date first above written.

CITY AND COUNTY OF SAN FRANCISCO MANDATORY CONTRACTING PROVISIONS

The following provisions shall apply to this Loan Agreement as if set forth in the body thereof. Capitalized terms used but not defined in this Exhibit shall have the meanings given in this Loan Agreement.

Section 1. Nondiscrimination; Penalties.

(i) *Nondiscrimination.* In the performance of this Loan Agreement, the Borrower agrees not to discriminate against any employee, City employee working with the Borrower, applicant for employment with the Borrower, or against any person seeking accommodations, advantages, facilities, privileges, services, or membership in all business, social, or other establishments or organizations, on the basis of the fact or perception of a person's race, color, creed, religion, national origin, ancestry, age, height, weight, sex, sexual orientation, gender identity, domestic partner status, marital status, disability or Acquired Immune Deficiency Syndrome or HIV status (AIDS/HIV status), or association with members of such protected classes, or in retaliation for opposition to discrimination against such classes.

(ii) *Subcontracts.* The Borrower shall incorporate by reference in all subcontracts the provisions of §§12B.2(a), 12B.2(c)-(k), and 12C.3 of the San Francisco Administrative Code (copies of which are available from the City) and shall require all subcontractors to comply with such provisions. The Borrower's failure to comply with the obligations in this subsection shall constitute a material breach of this Loan Agreement.

(iii) *Nondiscrimination in Benefits.* The Borrower does not as of the date of this Loan Agreement and will not during the term of this Loan Agreement, in any of its operations in San Francisco, on real property owned by the City, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

(iv) *Condition to Contract.* As a condition to this Loan Agreement, the Borrower shall execute the "Chapter 12B Declaration: Nondiscrimination in Contracts and Benefits" form (form HRC-12B-101) with supporting documentation and secure the approval of the form by the San Francisco Human Rights Commission.

(v) *Incorporation of Administrative Code Provisions by Reference.* The provisions of Chapters 12B and 12C of the San Francisco Administrative Code are incorporated in this Section by reference and made a part of this Loan Agreement as though fully set forth herein. The Borrower shall comply fully with and be bound by all of the provisions that apply to this Loan Agreement under such Chapters, including but not limited to the remedies provided in such

Chapters. Without limiting the foregoing, the Borrower understands that pursuant to §§12B.2(h) and 12C.3(g) of the San Francisco Administrative Code, a penalty of \$50 for each person for each calendar day during which such person was discriminated against in violation of the provisions of this Loan Agreement may be assessed against the Borrower and/or deducted from any payments due the Borrower.

Section 2. Local Business Enterprise Utilization; Liquidated Damages.

(i) *The LBE Ordinance.* As a condition to this Loan Agreement, the Borrower shall comply with all the requirements of the Local Business Enterprise and Non-Discrimination in Contracting Ordinance set forth in Chapter 14B of the San Francisco Administrative Code as it now exists or as it may be amended in the future (collectively the "LBE Ordinance"), provided that such amendments do not materially increase Borrower's obligations or liabilities, or materially diminish Borrower's rights, under this Loan Agreement. Such provisions of the LBE Ordinance are incorporated by reference and made a part of this Loan Agreement as though fully set forth in this section. Borrower's willful failure to comply with any applicable provisions of the LBE Ordinance is a material breach of Borrower's obligations under this Loan Agreement and shall entitle Issuer, subject to any applicable notice and cure provisions set forth in this Loan Agreement, to exercise any of the remedies provided for under this Loan Agreement, under the LBE Ordinance or otherwise available at law or in equity, which remedies shall be cumulative unless this Loan Agreement expressly provides that any remedy is exclusive. In addition, Borrower shall comply fully with all other applicable local, state and federal laws prohibiting discrimination and requiring equal opportunity in contracting, including subcontracting.

(ii) *Compliance and Enforcement.* If Borrower willfully fails to comply with any of the provisions of the LBE Ordinance, the rules and regulations implementing the LBE Ordinance, or the provisions of this Loan Agreement pertaining to LBE participation, Borrower shall be liable for liquidated damages in an amount equal to Borrower's net profit on this Loan Agreement, or 10% of the total amount of this Loan Agreement, or \$1,000, whichever is greatest. The Director of the Issuer's Human Rights Commission or any other public official authorized to enforce the LBE Ordinance (separately and collectively, the "Director of HRC") may also impose other sanctions against Borrower authorized in the LBE Ordinance, including declaring the Borrower to be irresponsible and ineligible to contract with the Issuer for a period of up to five years or revocation of the Borrower's LBE certification. The Director of HRC will determine the sanctions to be imposed, including the amount of liquidated damages, after investigation pursuant to Administrative Code §14B.17.

By entering into this Loan Agreement, Borrower acknowledges and agrees that any liquidated damages assessed by the Director of the HRC shall be payable to Issuer upon demand. Borrower further acknowledges and agrees that any liquidated damages assessed may be withheld from any monies due to Borrower on any contract with Issuer.

Borrower agrees to maintain records necessary for monitoring its compliance with the LBE Ordinance for a period of three years following termination or expiration of this Loan Agreement, and shall make such records available for audit and inspection by the Director of HRC or the Controller upon request.

Section 3. *Prevailing Wages.* Every contract for the rehabilitation or construction of housing must contain a provision requiring the payment of not less than the wages prevailing in the locality, as predetermined by the Secretary of Labor pursuant to the Davis-Bacon Act (40 U.S.C. §§ 276a-276a-5), to all laborers and mechanics employed in the development of any part of the housing, and contracts involving their employment will be subject to the provisions, as applicable, of the Contract Work Hours and Safety Standards Act (40 U.S.C. §§ 327-332). The prevailing wage requirements of this Section apply to all laborers and mechanics employed in the development of the Project, including portions other than the assisted Units.

Section 4. *MacBride Principles—Northern Ireland.* Pursuant to San Francisco Administrative Code §12F.5, the City urges companies doing business in Northern Ireland to move towards resolving employment inequities, and encourages such companies to abide by the MacBride Principles. The City urges San Francisco companies to do business with corporations that abide by the MacBride Principles. By signing this Loan Agreement, the person executing this Loan Agreement on behalf of the Borrower acknowledges and agrees that he or she has read and understood this Section.

Section 5. *Tropical Hardwood and Virgin Redwood Ban.* Pursuant to §804(b) of the San Francisco Environment Code, the City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

Section 6. *Drug-Free Workplace Policy.* The Borrower acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Borrower agrees that any violation of this prohibition by the Borrower, its employees, agents or assigns will be deemed a material breach of this Loan Agreement.

Section 7. *Compliance with Americans with Disabilities Act.* The Borrower acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Borrower shall provide the services specified in this Loan Agreement in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Borrower agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Loan Agreement and further agrees that any violation of this prohibition on the part of the Borrower, its employees, agents or assigns will constitute a material breach of this Loan Agreement.

Section 8. *Sunshine Ordinance.* In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

Section 9. *Limitations on Contributions.* Through execution of this Loan Agreement, the Borrower acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Borrower acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Borrower further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Borrower's board of directors; the Borrower's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Borrower; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Borrower. Additionally, the Borrower acknowledges that the Borrower must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. The Borrower further agrees to provide to the City the names of each person, entity or committee described above.

Section 10. *Requiring Minimum Compensation for Covered Employees.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Loan Agreement as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Borrower's obligations under the MCO is set forth in this Section. The Borrower is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(i) The MCO requires the Borrower to pay the Borrower's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Borrower is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Borrower shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Borrower's obligation to ensure that any subcontractors of any tier under this Loan Agreement comply with the requirements of the MCO. If any subcontractor under this Loan Agreement fails to comply, the City may pursue any of the remedies set forth in this Section against the Borrower.

(ii) The Borrower shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such

actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iii) The Borrower shall maintain employee and payroll records as required by the MCO. If the Borrower fails to do so, it shall be presumed that the Borrower paid no more than the minimum wage required under State law.

(iv) The City, upon reasonable notice to the Borrower, is authorized to inspect the Borrower's job sites during normal business hours, conduct interviews with employees and conduct audits of the Borrower.

(v) The Borrower's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Loan Agreement. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Borrower fails to comply with these requirements. The Borrower agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Borrower's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vi) The Borrower understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Loan Agreement for violating the MCO, the Borrower fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Borrower fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(vii) The Borrower represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

(viii) If the Borrower is exempt from the MCO when this Loan Agreement is executed because the cumulative amount of agreements with the City for the fiscal year is less than \$25,000, but the Borrower later enters into an agreement or agreements that cause the Borrower to exceed that amount in a fiscal year, the Borrower shall thereafter be required to comply with the MCO under this Loan Agreement. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Borrower and the City to exceed \$25,000 in the fiscal year.

Section 11. *Requiring Health Benefits for Covered Employees.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to

time. The provisions of Section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Loan Agreement as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Borrower shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Borrower chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Borrower is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Borrower's failure to comply with the HCAO shall constitute a material breach of this Loan Agreement. The City shall notify the Borrower if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Loan Agreement for violating the HCAO, the Borrower fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Borrower fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(iv) Any Subcontract entered into by the Borrower shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Borrower shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. The Borrower shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Borrower based on the Subcontractor's failure to comply, provided that the City has first provided the Borrower with notice and an opportunity to obtain a cure of the violation.

(v) The Borrower shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City or the City with regard to the Borrower's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Borrower represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Borrower shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the Loan Agreement.

(viii) The Borrower shall keep itself informed of the current requirements of the HCAO.

(ix) The Borrower shall provide reports to the City in accordance with any reporting standards promulgated by the City or the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(x) The Borrower shall provide the City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

(xi) The Borrower shall allow the City to inspect the Borrower's job sites and have access to the Borrower's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Borrower to ascertain its compliance with HCAO. The Borrower agrees to cooperate with the City when it conducts such audits.

(xiii) If the Borrower is exempt from the HCAO when this Loan Agreement is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Borrower later enters into an agreement or agreements that cause the Borrower's aggregate amount of all agreements with the City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Borrower and the City to be equal to or greater than \$75,000 in the fiscal year.

Section 12. *Prohibition on Political Activity with City Funds.* In accordance with San Francisco Administrative Code Chapter 12.G, the Borrower may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Loan Agreement. The Borrower agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Borrower violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Loan Agreement, and (ii) prohibit the Borrower from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Borrower's use of profit as a violation of this Section.

Section 13. *Protection of Private Information.* The Borrower has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. The Borrower agrees that any failure of the Borrower to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of this Loan Agreement. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Loan Agreement, bring a false claim action against the Borrower pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Borrower.

Section 14. *Graffiti Removal.* Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Borrower shall remove all graffiti from any real property owned or leased by the Borrower in the City and County of San Francisco within forty eight (48) hours of the earlier of the Borrower's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require the Borrower to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure by the Borrower to comply with this section of this Loan Agreement shall constitute a material breach of this Loan Agreement.

Section 15. *Submitting False Claims; Monetary Penalties.* Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for penalties set forth in that Section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

Section 16. *Conflict of Interest.* Through its execution of this Loan Agreement, the Borrower acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter, Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Loan Agreement.

Section 17. *Food Service Waste Reduction Requirements.* The Borrower agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Loan Agreement as though fully set forth. This provision is a material term of this Loan Agreement. By entering into this Loan Agreement, the Borrower agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Borrower agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Loan Agreement was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of the Borrower's failure to comply with this provision.

Section 18. *Proprietary or Confidential Information of City.* The Borrower understands and agrees that, in the performance of the work or services under this Loan Agreement or in contemplation thereof, the Borrower may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. The Borrower agrees that all information disclosed by City to the Borrower shall be held in confidence and used only in the performance of the Loan Agreement. The Borrower shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

Section 19. *Earned Income Credit (EIC) Forms.* Administrative Code Section 12O requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. The Borrower shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Loan Agreement becomes effective (unless the Borrower has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by the Borrower; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Loan Agreement. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by the Borrower of the terms of this Loan Agreement. If, within thirty days after the Borrower receives written notice of such a breach, the Borrower fails to cure such breach or, if such breach cannot reasonably be

cured within such period of thirty days, the Borrower fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Loan Agreement or under applicable law. Any Subcontract entered into by the Borrower shall require the subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section. Capitalized terms used in this Section and not defined in this Loan Agreement shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

(a) The Issuer is a municipal corporation and chartered city and county duly organized and validly existing under the City Charter and the Constitution and the laws of the State of California.

To the best knowledge of the Issuer, no consent, authorization or approval of, or filing or registration with, any governmental or regulatory body is required on the part of the Issuer for the execution and delivery of the Issuer Documents, the issuance, execution, sale and delivery of the Bonds, or the performance by the Issuer of its obligations under the Issuer Documents or the Bonds, except the aforesaid action on the part of the Issuer which has been duly and effectively taken.

(f) The Issuer makes no representation or warranty, express or implied, that the proceeds of the Bonds will be sufficient to finance the construction and equipping of the Project or that the Project will be adequate or sufficient for the Borrower's intended purposes.

(a) The Issuer will pay or cause to be paid the principal of and the interest on the Bonds as the same become due, but solely to the extent provided in Section 10.02 hereof.

(b) The Issuer will do, execute, acknowledge, when appropriate, and deliver from time to time at the request of the Owners of the Bonds or the Trustee, and at the expense of the Borrower, such further acts, instruments, financing statements and other documents as are necessary or desirable to better assure, transfer, pledge or assign to the Trustee, and grant a security interest unto the Trustee in and to the Trust Estate and the other properties and revenues herein described and otherwise to carry out the intent and purpose of the Issuer Documents and the Bonds.

ARTICLE III

AUTHORIZATION AND ISSUANCE OF BONDS

Section 3.01. Authorization of Bonds.

(a) There is authorized, established and created by this Indenture an issue of Bonds of the Issuer to be known and designated as the “City and County of San Francisco Multifamily Housing Revenue Bonds (Rosa Parks II Senior Housing), Series 2014C” in the original aggregate principal amount of up to \$[Par Amount]. No additional bonds shall be authorized or issued under this Indenture. The Bonds shall be issued for the purpose of making the Loan by depositing such amounts in the various accounts of the Project Fund established hereunder.

(b) The Bonds are authorized to be issued as drawdown Bonds. The Owners of the Bonds shall fund the purchase price of the Bonds in installments. The initial installment for the purchase of the Bonds shall be funded from the purchase price of the Bonds in the amount of \$[Draw Amount] to be advanced by the Owners of such Bonds and received by the Trustee on the Closing Date, which purchase price shall be deposited in the Project Fund for application as provided in Section 5.02 hereof. Provided that the conditions to advance contained in the Construction Disbursement Agreement are either satisfied or waived by the Servicer, the balance of the purchase price of the Bonds shall be advanced in subsequent installments by the Owners (if more than one Owner, pro rata based on the respective maximum face principal amounts of such Bonds). The purchase price of the Bonds so advanced shall be allocated to the payment, or reimbursement for the payment, of Qualified Project Costs. Upon receipt of a Funding Notice described below, the Trustee shall provide the Owners with written directions to fund a portion of the purchase price of the Bonds not less than three (3) Business Days prior to the date when such funds are required from the Owners, which such notice shall describe the amount of the purchase price to be funded and the purposes to which the proceeds of the Bonds so purchased will be applied. Upon the payment of any portion of the purchase price of the Bonds by the Owners in accordance with the terms of this Section 3.01(b), such payment shall be deposited by the Trustee in the Project Fund as designated in the corresponding funding notice received by the Trustee from the Servicer (each, a “**Funding Notice**”) and thereafter immediately applied in accordance with the corresponding Requisition pursuant to Section 5.02 hereof. The Trustee shall maintain in its books a log (which may be maintained through the bond record-keeping system utilized by the Trustee) which shall reflect from time to time the payment of the purchase price of the Bonds by the Owners in accordance with the provisions of this Section 3.01(b). If presented to the Trustee by any Owner, amounts funded by the Owners in accordance with the provisions of this Section 3.01(b) shall be noted on Schedule A attached to the applicable Bond so presented to the Trustee. Notwithstanding any provision in Section 3.06 hereof to the contrary, the Bonds shall bear interest as provided in Section 3.06 hereof upon the deposit with

Trustee by the Owners of the amount of purchase price of the Bonds so paid in accordance with the provisions of this Section 3.01(b).

Anything herein to the contrary notwithstanding, to the extent that all the full authorized amount of the Bonds have not been purchased by December 1, 2016, the remaining authorized principal amount of the Bonds shall not be issued, unless the Borrower delivers to the Trustee and the Issuer an opinion of Bond Counsel to the effect that a failure to purchase the remaining principal amount of Bonds prior to December 31, 2016 will not, in and of itself, adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes.

Section 3.02. Conditions Precedent to Authentication and Delivery of Bonds. Prior to the initial authentication and delivery of the Bonds, the Trustee shall have received each of the following:

(a) the original executed Note, and executed original counterparts of this Indenture, the other Issuer Documents and the Loan Documents;

(b) confirmation from the Servicer or its counsel that the conditions to the initial purchase of Bonds contained in the Construction Disbursement Agreement have been satisfied or waived by Servicer;

(c) a certified copy of the Resolution;

(d) evidence of the payment of the initial installment of the purchase price of the Bonds and deposit of the Borrower funds required pursuant to Section 5.01(c) of this Indenture;

(e) an opinion of Bond Counsel substantially to the effect that the Bonds constitute legal, valid and binding obligations of the Issuer and that under existing statutes, regulations, rulings and court decisions, the interest on the Bonds is not includable in gross income of the Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for federal income tax purposes;

(f) an opinion of Counsel to the Borrower addressed to the Issuer, the Bank and the Trustee, in form and substance satisfactory to the Issuer and the Bank; and

(g) an original investor letter executed by the initial purchaser(s) of the Bonds, in substantially the form set forth in *Exhibit B* hereto.

Section 3.03. Registered Bonds. The Bonds shall be in fully registered form and shall be payable in accordance with the provisions hereof and of the Bonds to the Owner thereof as shown on the records maintained by the Trustee.

Section 3.04. Loss, Theft, Destruction or Mutilation of Bonds. In the event a Bond is mutilated, lost, stolen or destroyed, the Issuer may execute and the Trustee may authenticate and deliver a new Bond bearing a notation indicating the principal amount outstanding, in exchange

for the mutilated Bond, or in substitution for a Bond so destroyed, lost or stolen. In every case of exchange or substitution, the applicant shall furnish to the Issuer and the Trustee (i) such security or indemnity as may be required by them to save them harmless from all risks, however remote, and (ii) evidence to their satisfaction of the mutilation, destruction, loss or theft of a Bond and of the ownership thereof. Upon the issuance of a Bond upon such exchange or substitution, the Trustee may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including counsel fees, of the Issuer and the Trustee. In case a Bond shall become mutilated or be destroyed, lost or stolen, the Trustee may, instead of authenticating a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated Bond) if the applicant for such payment shall furnish to the Issuer and the Trustee such security or indemnity as they may require to save them harmless and evidence satisfactory to them of the mutilation, destruction, loss or theft of the Bond and of the ownership thereof.

Section 3.05. Terms of Bonds Generally.

(a) Registration; Denomination. The Bonds shall be issuable initially in Authorized Denominations as specified by the initial Owner. Thereafter, the Bonds shall be issuable in any Authorized Denomination required to effect transfers, exchanges or redemptions permitted or required by this Indenture. The Bonds shall be substantially in the form of *Exhibit A* hereto, with such amendments and changes as the officer executing the same shall deem appropriate.

(b) Date and Maturity. All Bonds shall be dated the Closing Date. The Bonds shall bear interest until paid in full, payable for the periods, in the amounts, at the rates, and as provided in Section 3.06 hereof. The Bonds shall mature on the Maturity Date, unless sooner redeemed or accelerated.

(c) Payment. The principal of and interest on the Bonds shall be payable in lawful money of the United States of America by check or draft of the Trustee. Payments of interest and of principal upon redemption pursuant to Section 4.01(f) hereof shall be mailed by first-class mail to the Owners of the Bonds at their addresses appearing on the records of the Trustee; *provided, however*, that the payment to the Servicer shall, upon written request of the Servicer, be transmitted by the Trustee by wire transfer or other means requested in writing by the Servicer. Payment of the principal (other than upon redemption pursuant to Section 4.01(f) hereof) of a Bond shall only be made upon surrender of the Bond at the Principal Office of the Trustee. Notwithstanding anything in this Indenture to the contrary, all payments of principal and interest with respect to Bonds owned by the Majority Owner shall, at the written request of the Majority Owner, be made by wire transfer to the Majority Owner without the requirement of surrender of such Bonds under any circumstances, except upon the final maturity or payment or redemption in full of the Bonds.

Within five Business Days of each payment by the Trustee of principal on the Bonds the Trustee will notify the Issuer via mutually acceptable electronic means, with receipt confirmed by the Trustee of the aggregate principal amount of Bonds that remain Outstanding or that no Bonds remain Outstanding.

Section 3.06. Interest on the Bonds.

(a) General. The cumulative principal amount of the Bonds for which installment purchase payments have been received by the Trustee shall bear interest at the applicable rate provided below. On each Interest Payment Date, interest accrued for the previous Calculation Period shall be payable. While the Bonds bear interest at the Fixed Rate or at an Alternative Rate, interest on the Bonds shall be computed on the basis of a 360-day year and the actual number of days elapsed. While the Bonds bear interest at the Taxable Rate, interest on the Bonds shall be computed on the basis of a year of 365 or 366 days, as applicable, and actual days elapsed.

(b) Fixed Rate. From the Closing Date to but not including the Scheduled Stabilization Date, except as provided in subsection (c) or subsection (d) of this Section, the Outstanding Bonds shall bear interest at the Construction Period Rate. From and after the Scheduled Stabilization Date, except as provided in subsection (c) or subsection (d) of this Section, the Outstanding Bonds shall bear interest at the Extension Period Rate.

(c) Alternative Rate. Following the occurrence of an Event of Default under the Loan Agreement or an Event of Default under this Indenture, the Bonds shall bear interest at the Alternative Rate.

(d) Taxable Rate. If an Initial Notification of Taxability shall occur, the Bonds shall bear interest from the date of such Initial Notification of Taxability at the Taxable Rate. If such Initial Notification of Taxability is reversed by the Internal Revenue Service or a court of competent jurisdiction and a Determination of Taxability has not occurred, then the Bonds shall bear interest from the date of such reversal at the rate applicable to the Bonds prior to the Initial Notification of Taxability and the Bank shall refund to the Borrower on or prior to the next succeeding Bond Payment Date, the excess interest previously paid. This provision shall survive the discharge of this Indenture.

(e) Additional Interest. The Owners of the Bonds shall also be entitled to Additional Interest, which amount, if any, shall be deposited in the Revenue Fund pursuant to the provisions of Section 3.2(b) of the Loan Agreement.

(f) Usury. Notwithstanding any provision of this Indenture to the contrary, in no event shall the interest contracted for, charged or received in connection with the Bonds (including any other costs or considerations that constitute interest under the laws of the State which are contracted for, charged or received pursuant to this Indenture) exceed the maximum rate of nonusurious interest allowed under the laws of the State as presently in effect and to the extent of any increase allowable by such laws. To the extent permitted by law, interest contracted for, charged or received on the Bonds shall be allocated over the entire term of the Bonds, to the end that interest paid on the Bonds does not exceed the maximum amount permitted to be paid thereon by law. Excess interest, if any, provided for in this Indenture, or otherwise, shall be canceled automatically as of the date of such acceleration or, if theretofore paid, shall be credited as principal paid on the Bonds.

Section 3.07. Payment of Principal of and Interest on the Bonds. Principal of and interest on the Bonds shall be payable in the following manner: (i) commencing the first day of the second month after the month in which the Closing Date occurs and continuing on each Interest Payment Date thereafter until the Maturity Date, interest on the Outstanding principal balance of the Bonds (which amount shall reflect so much of the purchase price as shall have been paid pursuant to Section 3.01(b)) at the applicable interest rate for the Bonds shall be due and payable in arrears; (ii) the entire unpaid principal balance of the Bonds and all accrued and unpaid interest (including any Additional Interest) shall be due and payable in full on the Maturity Date, if not paid earlier. To the extent more than one Bond is issued and Outstanding at any one time under the terms of this Indenture, payments of principal, interest and premium (if any) on the Bonds shall be made in a pro rata manner based on the Outstanding principal amount of the Bonds.

Section 3.08. Execution and Authentication of Bonds.

(a) The Bonds shall be executed on behalf of the Issuer by the manual or facsimile signature of the Mayor of the Issuer and attested by the manual or facsimile signature of the Clerk of the Board of Supervisors of the Issuer or the Clerk's duly authorized representative.

(b) In case any officer of the Issuer whose signature or facsimile signature shall appear on any of the Bonds shall cease to be such officer before the Bonds so signed and sealed shall have been actually delivered, such Bonds may, nevertheless, be delivered as herein provided, and may be issued as if the persons who signed or sealed such Bonds had not ceased to hold such offices or be so employed. Any Bond may be signed and sealed on behalf of the Issuer by such persons as, at the actual time of the execution of such Bond, shall be duly authorized or hold the proper office in or employment by the Issuer, although at the date of the Bonds such persons may not have been so authorized nor have held such office or employment.

(c) No Bond shall be valid or obligatory for any purpose or shall be entitled to any right or benefit under this Indenture unless there shall be endorsed on such Bond a certificate of authentication in the form set forth in such Bond duly executed by the Trustee, by the manual signature of an authorized signatory thereof, and such certificate of the Trustee upon any Bond executed on behalf of the Issuer shall be conclusive evidence that the Bond so authenticated has been duly issued under this Indenture and that the Owner thereof is entitled to the benefits of this Indenture.

Section 3.09. Negotiability, Transfer and Registry of Bonds.

(a) All the Bonds issued under this Indenture shall be negotiable, subject to the provisions for registration and transfer contained in this Indenture and in the Bonds. So long as this Indenture remains in force, the Trustee, as registrar, shall maintain and keep books for the recordation of the taxpayer identification number of each of the Owners of the Bonds and the registration, transfer and exchange of Bonds. Each Bond shall be transferable only upon the books of registration. The Trustee is appointed registrar, to act as agent of the Issuer for the registration and transfer of Bonds and the maintenance of the books of registration. The Issuer

may appoint a successor registrar upon notice by mail to the Trustee and the Owners of the Bonds.

(b) Upon a partial redemption of the Bonds, the Issuer shall execute and the Trustee shall authenticate and deliver new certificates representing the unredeemed portion of the Bonds to be so redeemed in part, in exchange for the certificates representing the Bonds to be so redeemed in part. Surrender of Bonds for execution, authentication and delivery of new certificates shall not be a precondition to the redemption of Bonds pursuant to Section 4.01(f) hereof. If a Bond shall be transferred in part, such Bond shall be delivered to the registrar, and the Trustee shall, on behalf of the Issuer, deliver two Bonds in replacement therefor, having the same maturity and interest provisions and in the same aggregate principal amount as the Bond so delivered.

(c) Upon surrender of the Bonds at the Principal Office of the Trustee with a written instrument of transfer satisfactory to the Trustee, duly executed by the Owner or his attorney duly authorized in writing, such Bonds may, at the option of the Owner thereof, be exchanged for an equal aggregate principal amount of Bonds in Authorized Denominations.

(d) The Borrower shall bear all costs in connection with any transfer or exchange of Bonds, including the reasonable fees and expenses of the Issuer, Bond Counsel and the Trustee and of any required indemnity for the Issuer and the Trustee; *provided* that the costs of any tax or other governmental charge imposed upon such transfer or exchange shall be borne by the Owner of the Bond.

(e) Bonds shall be transferred upon presentation and surrender thereof at the Principal Office of the Trustee by the Owner thereof or his attorney duly authorized in writing with due endorsement for transfer or accompanied by a written instrument of transfer in form satisfactory to the Trustee. All Bonds surrendered in any exchanges or transfers shall forthwith be canceled. For every such exchange or transfer of Bonds, there shall be made a charge sufficient to pay any tax or other governmental charge required to be paid with respect to such exchange or transfer, which sum or sums shall be paid by the Owner requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer. The Trustee shall not be obligated to (i) authenticate, exchange or transfer any Bond during a period beginning at the opening of business on any Record Date and ending at the close of business on the next succeeding Interest Payment Date, (ii) authenticate, exchange or transfer any Bond during a period beginning at the opening of business 15 days next preceding any selection of Bonds to be redeemed and ending at the close of business on the date of the first giving of notice of such redemption, or (iii) transfer or exchange any Bonds called or being called for redemption in whole or in part.

(f) The Bonds may be transferred in whole by their Owner only as follows:

(i) to the Borrower, any subsidiary of the initial Owner, any Affiliate of the Owner, any entity arising out of any merger or consolidation of the Owner, or a trustee in bankruptcy of the Owner;

(ii) to any Accredited Investor, or any entity in which all of the equity owners are Accredited Investors, or any “qualified institutional buyer” (as defined in Rule 144A promulgated under the Securities Act of 1933, as amended); or

(iii) to any bank, savings institution or insurance company (whether acting in a trustee or custodial capacity for any Accredited Investor or “qualified institutional buyer” as defined in clause (ii), above, or on its own behalf).

Any transfer of Bonds described in clauses (ii) or (iii) of this Section 3.09(f) shall be conditioned upon delivery by the proposed transferee to the Trustee of an investor letter in substantially the form set forth in *Exhibit B* hereto.

(g) In addition to any transfer permitted by Section 3.09(f), the Bonds may be transferred, in whole or in part to one or more Owners upon receipt by the Issuer, each Owner making such transfer, and the Trustee of (i) any disclosure document which is prepared in connection with such transfer, (ii) evidence that the Bonds of such series are rated “A” or better by one of S&P or Moody’s, and (iii) an opinion of Counsel to the effect that (A) the exemption of the Bonds or any securities evidenced thereby from the registration requirements of the Securities Act of 1933, as amended, and the exemption of this Indenture from qualification under the Trust Indenture Act of 1939, as amended, will not be impaired as a result of such transfer, and (B) such transfer will not adversely affect the exclusion of interest accrued on the Bonds from gross income of the Owners thereof (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) for federal income tax purposes.

Section 3.10. Ownership of Bonds. The Issuer, the Trustee and any other Person may treat the registered owner of any Bond as the absolute owner thereof, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal or redemption price of and interest on such Bond and for all other purposes whatsoever, and payment of the principal or redemption price, if any, of and interest on any such Bond shall be made only to, or upon the order of, such registered owner. All such payments to such registered owner shall be valid and effectual to satisfy and discharge the liability of the Issuer upon such Bond to the extent of the sum or sums so paid, and neither the Issuer nor any Trustee shall be affected by any notice to the contrary.

Section 3.11. Payments on Bonds Due on Non-Business Days. In any case where any Bond Payment Date shall be a day other than a Business Day, then payment of the Bonds need not be made on such date but may be made on the next succeeding Business Day with the same force and effect as if made on the Bond Payment Date, and no interest shall accrue for the period from and after such date.

Section 3.12. Registration of Bonds in the Book-Entry Only System.

(a) Notwithstanding any provision herein to the contrary, the provisions of this Section 3.12 and the Representation Letter (as defined below) (i) shall not apply unless the Bonds are rated “A” or better by one of S&P or Moody’s, and (ii) shall apply with respect to any Bond registered to Cede & Co. or any other nominee of The Depository Trust Company

("DTC") while the Book-Entry Only System (meaning the system of registration described in paragraph (b) of this Section 3.12) is in effect. The Book-Entry Only System shall become effective thirty (30) days after the Owners of all the Bonds provide notice in writing to the Trustee, the Borrower, and the Issuer that they are requesting that the Bonds be held in a Book-Entry Only System, subject to the provisions below concerning termination of the Book-Entry Only System. Until all of the Owners of the Bonds provide such notice, the Book-Entry Only System shall not be in effect. In addition, the Bonds shall not be held in a Book-Entry Only System unless the Issuer and the Trustee shall have received written evidence that the Bonds are rated "A" or better by one of S&P or Moody's.

(b) Upon the effectiveness of the Book-Entry Only System, the Issuer shall execute and deliver, and the Trustee shall transfer and exchange Bond certificates for a separate single authenticated fully registered Bond for each stated maturity in substantially the form provided for in *Exhibit A* hereto. Any legend required to be on the Bonds by DTC may be added by the Trustee. On the date of delivery thereof, the Bonds shall be registered in the registry books of the Trustee in the name of Cede & Co., as nominee of DTC as agent for the Issuer in maintaining the Book-Entry Only System. With respect to Bonds registered in the registry books kept by the Trustee in the name of Cede & Co., as nominee of DTC, the Issuer, the Borrower, and the Trustee shall have no responsibility or obligation to any Participant (which means securities brokers and dealers, banks, trust companies, clearing corporations and various other entities, some of whom or their representatives own DTC) or to any Beneficial Owner (which means, when used with reference to the Book-Entry Only System, the Person who is considered the Beneficial Owner of the Bonds pursuant to the arrangements for book entry determination of ownership applicable to DTC) with respect to the following: (i) the accuracy of the records of DTC, Cede & Co. or any Participant with respect to any ownership interest in the Bonds, (ii) the delivery to or from any Participant, any Beneficial Owner (as defined pursuant to the Book-Entry Only System or any other Person, other than DTC, of any notice with respect to the Bonds, including any notice of redemption or tender (whether mandatory or optional), or (iii) the payment to any Participant, any Beneficial Owner or any other Person, other than DTC, of any amount with respect to the principal or premium, if any, or interest on the Bonds. The Trustee shall pay all principal of and premium, if any, and interest on the Bonds only to or upon the order of DTC, and all such payments shall be valid and effective fully to satisfy and discharge the Issuer's obligations with respect to the principal of any premium, if any, and interest on Bonds to the extent of the sum or sums so paid. No Person other than DTC or its agent shall be entitled to receive an authenticated Bond evidencing the obligation of the Issuer to make payments of principal and premium, if any, and interest pursuant to this Indenture. Upon delivery by DTC to the Trustee of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., the words "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

(c) Upon receipt by the Trustee of written notice from DTC to the effect that DTC is unable or unwilling to discharge its responsibilities, the Issuer shall issue and the Trustee shall transfer and exchange Bonds as requested by DTC in appropriate amounts and in authorized denominations, and whenever DTC requests the Issuer and the Trustee to do so, the Trustee and the Issuer will, at the expense of the Borrower, cooperate with DTC in taking appropriate action after reasonable notice (i) to arrange for a substitute bond depository willing and able upon reasonable and customary terms to maintain custody of the Bonds or (ii) to make

available for transfer and exchange Bonds registered in whatever name or names and in whatever authorized denominations as DTC shall designate.

(d) In the event the Beneficial Owners subsequently determine that the Beneficial Owners should be able to obtain Bond certificates, the Beneficial Owners may so notify DTC and the Trustee, whereupon DTC will notify the Participants of the availability through DTC of Bond certificates. In such event, the Issuer shall issue and the Trustee shall, at the expense of the Beneficial Owners, transfer and exchange Bond certificates as requested by DTC in appropriate amounts and in authorized denominations. Whenever DTC requests the Trustee to do so, the Trustee will, at the expense of the Beneficial Owners, cooperate with DTC in taking appropriate action after reasonable notice to make available for transfer and exchange Bonds registered in whatever name or names and in whatever authorized denominations as DTC shall designate.

(e) Notwithstanding any other provision of this Indenture to the contrary, so long as any Bond is registered in the name of Cede & Co., as nominee of DTC, all payments with respect to the principal of, premium, if any, and interest on such Bond and all notices with respect to such Bond shall be made and given, respectively, to DTC as provided in the Letter of Representation to be delivered by the Borrower and the Trustee to DTC.

(f) Notwithstanding any provision herein to the contrary, so long as the Bonds outstanding are held in the Book-Entry Only System, if less than all of such Bonds of a maturity are to be redeemed upon any redemption of Bonds hereunder, the particular Bonds or portions of Bonds to be redeemed shall be selected by DTC in such manner as DTC may determine.

(g) So long as the Book-Entry Only System is in effect, a Beneficial Owner who elects to have its Bonds purchased pursuant to this Indenture shall effect delivery by causing a Participant to transfer the Beneficial Owner's interest in the Bonds pursuant to the Book-Entry Only System. The requirement for physical delivery of Bonds in connection with a demand for purchase or a mandatory purchase will be deemed satisfied when the ownership rights in the Bonds are transferred in accordance with the Book-Entry Only System.

ARTICLE IV

REDEMPTION OF BONDS

Section 4.01. Mandatory Redemption. The Bonds shall be subject to mandatory redemption, and shall be redeemed prior to maturity, as follows:

(a) in whole or in part on the first Interest Payment Date for which notice can be given in accordance with this Indenture after the Completion Date to the extent of excess funds on deposit on such date in the Loan Account of the Project Fund, determined as provided in Section 5.03 of this Indenture; or

(b) in whole or in part on the first Interest Payment Date for which adequate notice can be given in accordance with this Indenture after and to the extent that Insurance Proceeds or a Condemnation Award in connection with the Project are deposited in the Insurance and Condemnation Account of the Project Fund and are not to be used to repair or restore the

Project (which unused Condemnation Award or Insurance Proceeds shall be applied to the redemption of Bonds, unless all of the Owners shall have approved a proposed alternative application of such funds and the Trustee and the Servicer shall have received an opinion of Bond Counsel to the effect that such proposed alternative application of such funds will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code)); or

(c) in whole on the first Interest Payment Date for which notice can be given to the Owners in accordance with this Indenture following receipt by the Trustee of notice from the Servicer demanding such redemption, following a Determination of Taxability; or

(d) [Reserved]; or

(e) [Reserved]; or

(f) in part in amounts corresponding to the principal payments of the Loan made pursuant to the terms of the Note as modified by the Extension Period Note Addendum; or

(g) in whole, following receipt by the Trustee of notice from the Servicer stating that an Event of Default has occurred under the Loan Agreement or the Construction Disbursement Agreement and demanding redemption of the Bonds, on any date selected by the Servicer, specified in a notice in writing delivered to the Borrower at least ten (10) days prior to such date.

Section 4.02. Redemption Price of Bonds Redeemed Pursuant to Mandatory Redemption. Any Bonds being redeemed before maturity in accordance with Section 4.01 of this Indenture shall be redeemed at a redemption price equal to the principal amount of the Bonds being redeemed, together with accrued interest to the date of redemption, plus any Additional Interest, if redemption is under Section 4.01(c).

Section 4.03. Optional Redemption. The Bonds shall be subject to redemption from the proceeds of an optional prepayment of the Loan by the Borrower in whole or in part, on any Interest Payment Date.

Section 4.04. Purchase in Lieu of Redemption. At the election of the Borrower upon a redemption in whole of the Bonds, by written notice to the Trustee and the Servicer given not less than five (5) Business Days in advance of such redemption date, the Bonds will be deemed tendered for purchase in lieu of the redemption on such date. The purchase price of Bonds so purchased in lieu of redemption shall be the principal amount thereof together with all accrued and unpaid interest to the date of redemption and shall be payable on the date of redemption thereof. Bonds so purchased in lieu of redemption shall remain Outstanding and shall be registered to or upon the direction of the Borrower.

Section 4.05. Notice of Redemption.

(a) Notice of redemption shall be given by the Trustee to the Owners and the Borrower by facsimile transmission or other similar electronic means of communication,

promptly confirmed in writing, not less than ten (10) Business Days prior to the date fixed for redemption; *provided*, that no notice of redemption shall be required to be given to Owners for a redemption pursuant to Sections 4.01(f) or (g) of this Indenture. Receipt of such notice of redemption shall not be a condition precedent to such redemption, and failure to so notify any of such registered Owners shall not affect the validity of the proceedings for the redemption of the Bonds.

(b) Notice of redemption having been given as provided in subsection (a) of this Section 4.05 and all conditions precedent, if any, specified in such notice having been satisfied, the Bonds or portions thereof so to be redeemed shall become due and payable on the date fixed for redemption at the redemption price specified therein plus any accrued interest to the redemption date, and upon presentation and surrender thereof at the place specified in such notice, such Bonds or portions thereof shall be paid at the redemption price, plus any accrued interest to the redemption date. On and after the redemption date (unless funds for the payment of the redemption price and accrued interest shall not have been provided to the Trustee), (i) such Bonds shall cease to bear interest and (ii) such Bonds shall no longer be considered as Outstanding under this Indenture.

Section 4.06. Selection of Bonds To Be Redeemed.

(a) Except as otherwise expressly set forth herein, if less than all the Bonds are to be redeemed, the particular Bonds or portions of Bonds to be redeemed shall be selected by the Trustee, in such manner as the Trustee in its sole discretion may deem fair and appropriate so that Bonds are redeemed, as nearly as practicable, from each Owner, if there is more than one Owner, on a pro rata basis according to the principal amount of Bonds represented by each Bond Outstanding.

(b) In making such selection, the Trustee may treat each Bond to be redeemed as representing that number of Bonds of the lowest Authorized Denomination as is obtained by dividing the principal amount of such Bond by such Authorized Denomination.

Section 4.07. Partial Redemption of Registered Bonds.

In case part but not all of a Bond shall be selected for redemption, upon presentation and surrender at the Principal Office of the Trustee of such Bond by the Owner thereof or his attorney duly authorized in writing (with due endorsement for transfer or accompanied by a written instrument of transfer in form satisfactory to the Trustee), the Issuer shall execute and the Trustee shall authenticate and deliver to or upon the order of such Owner, without charge therefor, for the unredeemed portion of the principal amount of the Bond so surrendered, a Bond or Bonds, at the option of such Owner, of any Authorized Denomination of like tenor; provided, however, that such surrender of Bonds shall not be required for payment of the redemption price pursuant to Sections 4.01(f) or 4.01(g) hereof. (c) In the event there is a determination pursuant to the Loan Documents not to restore the Project, such Condemnation Award or Insurance Proceeds shall be either (i) transferred to the Revenue Fund and applied to the redemption of Bonds in accordance with Section 4.01(c) hereof, or (ii) released to the Borrower if the Borrower obtains, and delivers to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel that such release will not affect the excludability of the interest on the Bonds from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for federal income tax purposes, all in accordance with written direction of the Servicer to the Trustee and subject to the provisions of the Loan Documents.

There shall be deposited in the Tax and Insurance Fund all moneys received for such purpose by the Issuer or the Trustee from the Borrower pursuant to Section 5.22 of the Loan Agreement or transferred pursuant to Section 5.06 of this Indenture. (a) There shall be deposited in the Revenue Fund all amounts transferred from the Project Fund or received from the Borrower pursuant to Section 3.2 of the Loan Agreement with respect to the Loan Documents or from the Guarantor under the Guaranty, including payments of interest and principal and voluntary and involuntary prepayments of the Loan and

(v) on the first day of each month, to the payment of any other amounts then due and owing under the Loan Documents; and

(vi) on the first day of each month, to the Borrower or such other party as may be legally entitled thereto;

provided, that amounts transferred from the Loan Account pursuant to Section 5.03 shall only be applied to the redemption of Bonds pursuant to Section 4.01(a).

Amounts paid as interest under clauses (i) and (ii) of this subsection (b) shall be paid ratably to the Owners of Outstanding Bonds entitled to receive such payments according to the amounts due to such Owners, without preference or priority or distinction among Outstanding Bonds. Amounts paid as Additional Interest shall be paid to the Owners of Bonds entitled to receive such payments.

(c) Upon the payment in full of the Bonds and the fees and expenses of the Issuer and the Trustee and the payment of amounts payable to the United States pursuant to Section 5.07 hereof, any amounts remaining in the Revenue Fund (except amounts held for future payment to the United States pursuant to Section 5.07 hereof) shall be paid to the Borrower as soon as practicable.

Section 5.07. Rebate Fund.

(a) The Rebate Fund shall be held and applied as provided in this Section 5.07. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust for payment, to the extent required under the Code and as calculated by the Rebate Analyst, for payment to the United States Government. None of the Issuer, the Borrower or the Owners

shall have any rights in or claim to such moneys. All amounts deposited into or on deposit in the Rebate Fund shall be governed by this Section and by the Tax Certificate.

(b) The Trustee shall make information regarding the Bonds and the investments hereunder available to the Borrower promptly upon written request, shall make deposits to and disbursements from the Rebate Fund in accordance with the directions received from the Authorized Representative of the Borrower, shall invest moneys in the Rebate Fund pursuant to said directions and shall deposit income from such investments pursuant to said directions, and shall make payments to the United States of America in accordance with written directions received from the Borrower.

(c) Notwithstanding any provision of this Indenture to the contrary, the Trustee shall not be liable or responsible for any calculation or determination which may be required in connection with or for the purpose of complying with Section 148 of the Code or any applicable Treasury regulation (the "Arbitrage Rules"), including, without limitation, the calculation of amounts required to be paid to the United States under the provisions of the Arbitrage Rules and the fair market value of any investment made hereunder, it being understood and agreed that the sole obligation of the Trustee with respect to investments of funds hereunder shall be to invest the moneys received by the Trustee pursuant to the written instructions of the Authorized Representative of the Borrower given in accordance with Section 5.08 hereof. The Trustee shall have no responsibility for determining whether or not the investments made pursuant to the direction of the Borrower or any of the instructions received by the Trustee under this Section comply with the requirements of the Arbitrage Rules and shall have no responsibility for monitoring the obligations of the Borrower or the Issuer for compliance with the provisions of the Indenture with respect to the Arbitrage Rules.

(d) Notwithstanding any provision of this Indenture to the contrary, the obligation to remit payment of the rebate amount to the United States and to comply with all other requirements of this Section 5.07 shall survive the defeasance or payment in full of the Bonds.

(e) Any funds remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any Rebate Requirement, or provision made therefor satisfactory to the Trustee, shall be withdrawn and remitted to the Borrower.

(f) The Trustee shall obtain and keep such records of the computations made pursuant to this Section 5.07 as are required under Section 148(f) of the Code. The Trustee shall keep and make available to the Borrower such records concerning the investments of the gross proceeds of the Bonds and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to cause the Rebate Analyst to make the aforesaid computations as are required under Section 148(f) of the Code.

(g) Notwithstanding the foregoing, the computations and payments of rebate amounts referred to in this Section 5.07 need not be made if there shall have been delivered to the Trustee, the Issuer and the Servicer an opinion of Bond Counsel to the effect that such withdrawal and payment are not necessary in order to establish or maintain the exclusion from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a

“related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Bonds. In the event Bond Counsel so opines, the moneys on deposit in the Rebate Fund shall be applied to such purpose as the Borrower shall direct, *provided* that the Borrower shall deliver to the Issuer, the Trustee and the Servicer an opinion of Bond Counsel to the effect that such application will not adversely affect the exclusion from gross income of Owners (other than an Owner who is a “substantial user” of the Project or a “related person” to a “substantial user,” as defined in Section 147(a) of the Code) of interest on the Bonds for purposes of federal income taxation.

Section 5.08. Moneys Held in Trust; Investment of Moneys.

(a) All moneys from time to time received by the Trustee and held in the Funds and Accounts (other than the Rebate Fund) shall be held in trust as security for the benefit of the Owners of the Bonds. All such moneys, including the moneys held in the Rebate Fund, shall be invested as provided in this Indenture.

(b) Any money held as part of the funds and accounts shall be invested or reinvested by the Trustee solely pursuant to written direction from the Borrower, and reasonably consented to in writing by the Majority Owner, in Investment Securities (the Trustee may rely upon the written direction of the Borrower that such investments are Investment Securities). All such Investment Securities shall mature or be subject to withdrawal or redemption without discount or penalty prior to the next Bond Payment Date. In addition, following receipt by a written notice of an Event of Default (as defined in the Loan Agreement), the Trustee shall invest and reinvest the money it holds as part of the funds and accounts at the written direction of the Majority Owner. Except as described below, any investment made with money on deposit in a Fund or Account shall be held by or under control of the Trustee and shall be deemed at all times a part of the Fund or Account where such money was on deposit, and the interest and profits realized from such investment shall be credited to such Fund or Account and any loss resulting from such investment shall be charged to such Fund or Account. In the absence of the receipt of any investment instructions as provided herein, the Trustee shall invest all money under its control in investments described in clause (h) of the definition of Investment Securities.

(c) Any investment of money may be made by the Trustee through its own bond department, investment department or other commercial banking department or Affiliate of the Trustee providing investment services. The Trustee, any such department or the Trustee's Affiliates may receive reasonable and customary compensation in connection with any investment made under this Indenture.

(d) The Trustee shall have no liability or responsibility for any depreciation of the value of any investment made in accordance with the provisions of this Section or for any loss resulting from such investment or redemption, sale or maturity thereof except for any loss that is the result of gross negligence or willful misconduct of the Trustee.

(e) Unless otherwise confirmed in writing, an account statement delivered by the Trustee to the Borrower or the Majority Owner, as the case may be, shall be deemed written confirmation by said party that the investment transactions identified therein accurately reflect

the investment directions given to the Trustee by said party, unless said party notifies the Trustee in writing to the contrary within thirty (30) days of the date of receipt of such statement.

(f) The Issuer and the Borrower (by their execution of the Loan Agreement) each acknowledge that to the extent regulations of the Office of the Comptroller of the Currency or other applicable regulatory entity grant the Issuer or the Borrower the right to receive brokerage confirmations of security transactions as they occur, the Issuer and the Borrower specifically waive receipt of such confirmations to the extent permitted by law. The Trustee will furnish to the Issuer, the Majority Owner and the Borrower periodic cash transaction statements that shall include detail for all investment transactions made by the Trustee hereunder.

(g) Except as otherwise provided in subsection (h) of this Section, the Issuer and the Borrower (by their execution of the Loan Agreement) each covenant that all investments of amounts deposited in any fund or account created by or pursuant to this Indenture, or otherwise containing Gross Proceeds of the Bonds (within the meaning of Section 148 of the Code) shall be acquired, disposed of, and valued (as of the date that valuation is required by this Indenture or the Code) at Fair Market Value.

(h) The Issuer and the Borrower (by their execution of the Loan Agreement) each covenant that investments in funds or accounts (or portions thereof) that are subject to a yield restriction under applicable provisions of the Code and (unless valuation is undertaken at least annually) investments in any reserve fund shall be valued at their present value (within the meaning of Section 148 of the Code).

Section 5.09. Investment Earnings. Earnings on investments held in the Capitalized Interest Account, the Loan Account, the Equity Account, and the Insurance and Condemnation Proceeds Account shall be retained in the Capitalized Interest Account, the Loan Account, the Equity Account, and the Insurance and Condemnation Proceeds Account, respectively, for application pursuant to Sections 5.02, 5.03, 5.04 and 5.05 hereof. Earnings on all investments held in the Revenue Fund shall be retained in the Revenue Fund for application pursuant to Section 5.06 hereof. Earnings on investments held in the Tax and Insurance Fund and in the Rebate Fund shall be retained therein and applied in the manner prescribed by Sections 5.05 and 5.07 hereof, respectively.

Section 5.10. Covenants Respecting Arbitrage and Rebate. The Trustee shall keep and make available to the Borrower such records concerning the investment of the gross proceeds of the Bonds and the investments of earnings from those investments as may be requested by the Borrower in order to enable the Borrower to fulfill the requirements of Section 148(f) of the Code.

Section 5.11. Records. The Trustee shall keep and maintain adequate records pertaining to the Funds and Accounts established hereunder, including all deposits to and disbursements from said funds and accounts. The Trustee shall retain in its possession all certifications and other documents presented to it, all such records and all records of principal and interest paid on the Bonds, subject to the inspection of the Borrower, the Issuer, the Trustee and the Owners of the Bonds and their representatives at all reasonable times and upon reasonable prior notice.

Section 5.12. Reports From the Trustee. The Trustee shall, on or before the tenth (10th) day of each month and annually on or before December 1, file with the Servicer, the Borrower and the Issuer a statement setting forth in respect to the preceding calendar month or year:

(a) the amount withdrawn or transferred by it and the amount deposited within or on account of each Fund and Account held by it under the provisions of this Indenture, including the amount of investment income on each Fund and Account;

(b) the amount on deposit with it at the end of such month to the credit of each Fund and Account;

(c) a brief description of all obligations held by it as an investment of moneys in each such Fund and Account;

(d) the amount applied to the purchase or redemption of Bonds and a description of the Bonds or portions of Bonds so purchased or redeemed; and

(e) any other information which the Borrower, the Servicer or the Issuer may reasonably request and to which the Trustee has access in the ordinary course of its operations.

Upon the written request of any Owner or Owners of twenty-five percent (25%) or more in aggregate principal amount of Bonds then Outstanding, the Trustee, at the cost of the Borrower, shall provide a copy of such statement to the Owners of the Bonds. All records and files pertaining to the Trust Estate shall be open at all reasonable times to the inspection of the Servicer and its agents and representatives upon reasonable prior notice.

ARTICLE VI

(e) The Trustee shall have received written notice from the Issuer that a default under the Regulatory Agreement has occurred and is continuing past any applicable notice and cure periods.

Section 6.02. Remedies.

(a) Except as otherwise provided in this Article, the Trustee shall take only such actions in respect of an Event of Default as it shall be directed in writing to take by the Servicer (or in the case of an Event of Default arising under Section 6.01(d) or (e), the Issuer). Such actions may include the following:

(i) Declaration of all Outstanding Bonds to be immediately due and payable, whereupon such Bonds shall become and be immediately due and payable, anything in the Bonds or in this Indenture to the contrary notwithstanding. In such event, the Issuer, the Borrower, the Trustee and all of the Owners shall be restored to the same position as before the occurrence of the Event of Default. No such annulment shall extend to or affect any subsequent Event of Default or impair any right consequent thereon.

Section 6.03. Additional Remedies and Enforcement of Remedies. Upon the occurrence and continuation of any Event of Default, the Trustee, if and to the extent directed by the Servicer (or in the case of an Event of Default arising under Section 6.01(d) or (e), the Issuer), may proceed forthwith to protect and enforce its rights and the rights of the Owners under the Act, the Bonds and this Indenture by such suits, actions or proceedings as the Servicer, in its sole discretion, shall deem expedient.

Section 6.04. Application of Revenues and Other Moneys After Default.

(a) If an Event of Default shall occur and shall not have been remedied, the Trustee shall transfer to the Revenue Fund (i) forthwith, all moneys and securities then held in any other Fund or Account under this Indenture other than amounts held in the Rebate Fund and (ii) as promptly as practicable after receipt thereof, all revenues and other payments or receipts pledged under this Indenture and all proceeds realized as a result of remedial action under the Loan Documents and the Guaranty.

(b) During the continuation of an Event of Default, the Trustee shall apply such moneys, securities, revenues, payments and receipts and the income therefrom as follows and in the following order:

(i) To the payment of Trustee Expenses;

(ii) To the payment of the amounts required to reimburse the Owners of the Bonds and the Issuer for any reasonable legal or other out of pocket costs incurred by them in connection with such remedial action and the reasonable fees and expenses of the Issuer in carrying out this Indenture or the Loan Documents;

(iii) To the payment of the interest and principal installments or redemption price then due and payable on the Bonds, as follows:

(A) Unless the principal of all of the Bonds shall have become or have been declared due and payable;

First: To the payment to the Persons entitled thereto of all installments of interest then due and payable in the order of the maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment or installments maturing on the same date, then to the payment thereof ratably, according to the amounts due thereon to the Persons entitled thereto, without any discrimination or preference; and

Second: To the payment to the Persons entitled thereto of the unpaid principal installments or redemption price of any Bonds which shall have become due and payable, whether at maturity or by call for redemption, in the order of their due dates, and if the amounts available shall not be sufficient to pay in full all the Bonds due and payable on any date, then to the payment thereof ratably, according to the amounts of principal installments or redemption price due on such date, to the Persons entitled thereto, without any discrimination or preference.

(B) If the principal of all of the Bonds shall have become or have been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the

Persons entitled thereto without any discrimination or preference (except as to any difference as to the respective rates of interest specified in the Bonds);

(iv) To the payment of fees then due and owing to the Issuer; and

(v) Notwithstanding anything contained herein to the contrary, the Servicer may by written notice to the Trustee direct the application of funds other than in the manner set forth above (except that the priority of payment of Trustee Expenses shall not be altered), including, without limitation, the application of funds between the principal of or interest on the Bonds. Any such determination by the Servicer shall be deemed conclusive, and the Issuer and the Trustee shall have no liability for the tax consequences of said determination.

Section 6.05. Remedies Not Exclusive. No remedy by the terms of this Indenture conferred upon or reserved to the Trustee or the Owners of the Bonds is intended to be exclusive of any other remedy, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Indenture or existing at law or in equity or by statute (including the Act) on or after the date of adoption of this Indenture.

Section 6.06. Remedies Vested in Trustee and Servicer. All rights of action (including the right to file proof of claims) under this Indenture or under any of the Bonds may be enforced by the Trustee and the Servicer without the possession of any of the Bonds or the production thereof in any trial or other proceedings relating thereto. Subject to the rights of the Servicer to direct proceedings hereunder, any such suit or proceeding instituted by the Trustee shall be brought in its name under the authority herein granted without the necessity of joining as plaintiffs or defendants any Owners of the Bonds. Any recovery of judgment shall be for the equal benefit of the Owners of the Outstanding Bonds.

Section 6.07. Individual Bond Owners Action Restricted.

(a) No Owner of any Bond other than the Servicer (if it is the Owner of any Bond) or the Majority Owner shall have any right to institute any suit, action or proceeding in equity or at law for the enforcement of this Indenture or for the execution of any trust under this Indenture or for any remedy under this Indenture.

(b) Nothing contained in this Indenture shall affect or impair, or be construed to affect or impair, the right of the Owner of any Bond (i) to receive payment of the principal of or interest on such Bond on or after the due date thereof or (ii) to institute suit for the enforcement of any such payment on or after such due date; *provided, however*, no Owner of any Bond may institute or prosecute any such suit or enter judgment therein, if, and to the extent that, the institution or prosecution of such suit or the entry of judgment therein, under applicable law, would result in the surrender, impairment, waiver or loss of the lien of this Indenture on the moneys, funds and properties pledged under this Indenture for the equal and ratable benefit of all Owners of the Bonds appertaining thereto.

Section 6.08. Termination of Proceedings. In case any proceeding taken by the Servicer or by the Trustee at the direction of the Servicer on account of any Event of Default shall have been discontinued or abandoned for any reason or shall have been determined

adversely to the Owners of the Bonds, the Issuer, the Trustee, the Borrower and the Owners of the Bonds shall be restored to their former positions and rights under this Indenture, and all rights, remedies and powers of the such parties shall continue as if no such proceeding had been taken.

Section 6.09. Waiver and Non-Waiver of Event of Default.

(a) No delay or omission of the Trustee, the Servicer or the Owners of the Bonds to exercise any right or power accruing upon any Event of Default shall impair any such right or power or shall be construed to be a waiver of any such Event of Default or an acquiescence therein. Every power and remedy given by this Article VII to any party may be exercised from time to time and as often as may be deemed expedient.

(b) In case of any waiver by the Trustee, acting upon the direction of the Servicer, of an Event of Default under this Indenture, the Issuer, the Trustee and the Owners of the Bonds shall be restored to their former positions and rights under this Indenture, respectively, but no such waiver shall extend to any subsequent or other Event of Default or impair any right consequent thereon.

Section 6.10. Servicer Controls Proceedings. If an Event of Default shall have occurred and be continuing, notwithstanding anything in this Indenture to the contrary, the Servicer shall have the right, at any time, by an instrument in writing executed and delivered to the Trustee, to direct the method and place of conducting any proceedings to be taken in connection with the enforcement of the terms and conditions of this Indenture or any other proceedings under this Indenture and subject to Section 7.02 of this Indenture; *provided, however,* that such direction is in accordance with law and the provisions of this Indenture; *provided* that nothing in this Section 6.10 shall impair the right of the Trustee in its discretion to take any other action under this Indenture which it may deem proper and which is not inconsistent with such direction by the Servicer, nor shall it impair the Issuer's right to direct the Trustee to the extent permitted by Section 6.02.

ARTICLE VII

CONCERNING THE TRUSTEE

Section 7.01. Trustee; Appointment and Acceptance of Duties.

(a) The Issuer appoints U.S. Bank National Association as trustee hereunder. The Trustee shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing this Indenture.

(b) Unless otherwise provided, the corporate trust offices of the Trustee are designated as the respective offices or agencies of the Trustee for the authentication and delivery of Bonds.

Section 7.02. Responsibilities of Trustee.

(a) The recitals of fact herein and in the Bonds contained (other than the certificate of authentication) shall be taken as the statements of the Issuer and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or of any Bonds issued hereunder or as to the security afforded by this Indenture, and the Trustee shall incur no liability in respect thereof. The Trustee shall be under no responsibility or duty with respect to the application of any moneys properly paid to it except as provided herein or as otherwise expressly agreed by the Trustee. Except for a declaration of acceleration under Section 6.02 hereof or the payment of principal and interest on the Bonds from moneys on deposit with the Trustee, the Trustee shall be under no obligation or duty to perform any act that would involve it in expense or liability or to institute or defend any suit in respect of this Indenture or to advance any of its own moneys, unless indemnified to its reasonable satisfaction. Subject to the provisions of subsection (b) of this Section 7.02, the Trustee shall not be liable in connection with the performance of its duties under this Indenture except for its own negligence or willful misconduct.

(b) The Trustee, prior to the occurrence of an Event of Default and after the curing or waiver of all Events of Default that may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. In case an Event of Default has occurred (and has not been cured within any applicable grace period or waived) and subject to the rights of the Servicer with respect to control of remedies following an Event of Default hereunder, the Trustee shall exercise such of the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs. Any provisions of this Indenture relating to action taken or to be taken by the Trustee or to evidence upon which the Trustee may rely shall be subject to the provisions of this Section 7.02.

(c) The Trustee shall cooperate fully with the Servicer in the enforcement and protection of the rights of the Owners of the Bonds to the fullest extent possible under this Indenture, the Loan Documents and applicable law. Toward this end, the Trustee shall take such action as directed by the Servicer, including foreclosure of the Secured Property under the Mortgage, suit for specific performance of the Loan Documents or for damages for nonperformance thereof and assignment of the Loan Documents to the Owners of the Bonds for purposes of enforcing the rights of the Owners of the Bonds; *provided*, that without the prior written consent of the Issuer, the Servicer shall give the Trustee no direction as to the enforcement of the Reserved Rights, which shall, except with the prior written consent of the Issuer, be enforceable only by the Issuer.

(d) The Trustee shall not take any discretionary action under the Loan Documents (although approval or disapproval of disbursement of Loan proceeds and investment earnings thereon under the Loan Agreement shall be made in accordance with the terms of Article V hereof) without the written approval of the Servicer and shall, subject to the proviso of paragraph (c) of this section, take such discretionary action permitted or required under the Loan Documents, as may be directed in writing by the Servicer.

(e) The Trustee shall notify the Servicer of any notification received by the Trustee under or pursuant to the Loan Documents promptly after receipt of said notice.

(f) If any Event of Default occurs and is continuing hereunder and if the Trustee has received written notice thereof or is deemed to have notice pursuant to this Indenture, the Trustee shall give to all Owners, the Issuer and the Borrower written notice of such default or Event of Default within thirty (30) days after receipt of such information. For the purpose of this Section 7.02 only, the term "default" means any event which is, or after notice or lapse of time or both would become, an Event of Default under Section 6.01 hereof.

(g) Promptly upon receipt of notice of the occurrence of a Determination of Taxability, the Trustee shall give immediate telephonic notice, promptly confirmed in writing, to the Borrower, the Issuer, the Owners and former Owners (*provided* that the Trustee shall not be obligated to maintain records of such former Owners or to retain records relating to such former Owners for more than six years).

(h) The Trustee shall not be required to take notice or be deemed to have notice of any Event of Default hereunder or under the Loan Agreement except for a default or Event of Default referred to in Section 6.01(a), (b) or (c) hereof, unless the Trustee shall have received written notice of such Event of Default by the Issuer, the Borrower, the Servicer or by the Owners of not less than 25% in aggregate principal amount of the Bonds then Outstanding.

(i) The Trustee shall have no responsibility for, and makes no representations with respect to, any information, statement, or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds.

(j) The Trustee is authorized and directed to execute in its capacity as Trustee the Regulatory Agreement, the Loan Agreement, and the Subordination Agreement and, in acting pursuant to such agreements, shall be entitled to the limitations from liability and protections afforded to the Trustee under this Indenture.

(k) Anything to the contrary notwithstanding, the Trustee shall not be required to enter, take possession of, or take any other action whatsoever with respect to the Project and the Land, and shall not be required to initiate foreclosure proceedings with respect to the Project and the Land and the Mortgage unless the Trustee is satisfied that the Trustee will not be subject to any liability under any local, state or federal environmental laws or regulations of any kind whatsoever or from any circumstances present at the Project and the Land relating to the presence, use, management, disposal of, or contamination by any environmentally hazardous materials or substances of any kind whatsoever.

(l) No provision of this Indenture, the Loan Agreement or any other document related hereto shall require the Trustee to risk or advance its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of its rights hereunder.

(m) The immunities extended to the Trustee also extend to its directors, officers, employees and agents.

(n) The Trustee shall not be liable for any action taken or not taken by it in accordance with the direction of the Servicer relating to the exercise of any right, power or remedy available to the Trustee.

(o) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty.

Section 7.03. Evidence on Which Trustee May Act.

(a) The Trustee, upon receipt of any notice, resolution, request, consent, order, certificate, report, opinion, bond, or other paper or document furnished to it pursuant to any provision of this Indenture, shall examine such instrument to determine whether it conforms to the requirements of this Indenture and shall be protected in acting upon any such instrument believed by it to be genuine and to have been signed or presented by the proper party or parties. The Trustee may consult with counsel selected by it in respect of any action taken or suffered by the Trustee under this Indenture and shall be protected in acting or not acting in good faith reliance on the opinion or advice of such counsel.

(b) Except as otherwise expressly provided in this Indenture, any request, order, notice or other direction required or permitted to be furnished pursuant to any provision of this Indenture by the Issuer to any Trustee shall be sufficiently executed if executed in the name of the Issuer by an Authorized Representative of the Issuer.

Section 7.04. Compensation. The Borrower shall pay to the Trustee, as provided in the Loan Agreement, from time to time reasonable compensation for all services rendered under this Indenture and also all reasonable expenses, charges, counsel fees and other disbursements, including those of its attorneys, agents, and employees, incurred in and about the performance of their powers and duties under this Indenture.

Section 7.05. Certain Permitted Acts. The Trustee may become the owner or pledgee of any Bonds with the same rights it would have if it were not the Trustee. To the extent permitted by law, the Trustee may act as depository for, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the rights of Owners of the Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not any such committee shall represent the Owners of a majority in principal amount of the Bonds then Outstanding.

Section 7.06. Resignation of Trustee. The Trustee may resign at any time and be discharged of the duties and obligations created by this Indenture by giving not less than sixty (60) days' written notice to the Issuer, the Borrower and the Owners of the Bonds, *provided* that no resignation shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture. If an instrument of acceptance by a successor Trustee shall not have been delivered to the Trustee within 60 days after the giving of such notice of resignation, the retiring Trustee may petition, at the expense of the Borrower, any court of competent jurisdiction for the appointment of a successor Trustee.

Section 7.07. Removal of Trustee. The Trustee may be removed at any time by an instrument or concurrent instruments in writing, signed by the Issuer or by the Servicer (subject

to the prior written consent of the Issuer, which consent shall not be unreasonably withheld or delayed, if such removal is not for cause) and filed with the Trustee and the Borrower; *provided* that no removal shall become effective until the acceptance of appointment by a successor Trustee as provided in Section 7.08 of this Indenture.

Section 7.08. Appointment of Successor Trustee; Temporary Trustee. In case at any time the Trustee shall resign or shall be removed or shall become incapable of acting, or shall be adjudged bankrupt or insolvent, or if a receiver, liquidator or conservator of the Trustee, or of its property, shall be appointed, or if any public officer shall take charge or control of the Trustee, or of its property or affairs, the Issuer shall appoint a successor Trustee.

Section 7.09. Transfer of Rights and Property to Successor Trustee. Any successor Trustee appointed under this Indenture shall execute, acknowledge and deliver to its predecessor, and also to the Issuer, the Servicer and to any Owner which shall request the same, an instrument accepting such appointment and thereupon such successor Trustee, without any further act, deed or conveyance, shall become fully vested with all moneys, estates, properties, rights, powers, duties and obligations of such predecessor Trustee, with like effect as if originally named; but the Trustee ceasing to act nevertheless, shall execute, acknowledge and deliver such instruments of conveyance and further assurance and do such other things as reasonably may be required for more fully and certainly vesting and confirming in such successor all the right, title and interest of the predecessor Trustee in and to any property held by it under this Indenture, and shall pay over, assign and deliver to the successor Trustee any money or other property subject to the trusts and conditions set forth in or pursuant to this Indenture. Should any deed, conveyance or instrument in writing from the Issuer be required by such successor Trustee for more fully and certainly vesting in and confirming any such estates, rights, powers and duties, any and all such deeds, conveyances and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged and delivered by the Issuer.

Section 7.10. Merger or Consolidation of Trustee. Any company into which the Trustee may be merged or converted or with which it may be consolidated or any company resulting from any merger, conversion or consolidation to which it may be party or any company to which the Trustee may sell or transfer all or substantially all of its corporate trust business, *provided* such company shall be a bank or trust company organized under the laws of any state of the United States or a national banking association, and shall be authorized by law to perform all the duties imposed upon it by this Indenture, shall be the successor to the Trustee without the execution or filing of any paper or the performance of any further act.

Section 7.11. Servicer. The Majority Owner may (but shall not be obligated to) appoint (with prompt notice thereof to the Issuer and the Borrower) a mortgage servicer to service the Loan for all or a portion of the term of the Loan. The Servicer shall signify its acceptance of the duties and obligations imposed upon it by this Indenture by executing the Servicing Agreement. Any Servicer appointed hereunder may be removed at any time, with or without cause, by the Majority Owner, by written notice to the Issuer, the Trustee, the Borrower and the Servicer. At any time when a Servicer has not been appointed or when a Servicer has been removed without appointment of a successor Servicer, pursuant to this Section 7.11, all references in this Indenture and in the Loan Documents to the Servicer shall be deemed to refer to the Majority

Owner. The Servicer may, with the prior written consent of the Majority Owner, appoint an agent as subservicer to perform the duties of the Servicer under the Servicing Agreement.

Section 7.12. City Contracting Provisions. The Trustee covenants and agrees to comply with the provisions set forth in *Exhibit C* to this Indenture.

ARTICLE VIII

AMENDMENTS AND SUPPLEMENTAL INDENTURES; AMENDMENTS OF ISSUER DOCUMENTS

Section 8.01. Supplemental Indentures Not Requiring Consent of Owners of Bonds.
The Issuer and the Trustee may, without the consent of, or notice to, the Owners of any Bonds (but only with the prior written consent of the Servicer, if any one person or entity owns at least fifty-one percent (51%) in aggregate principal amount of the Outstanding Bonds, and with notice to the Servicer and the Borrower), enter into one or more Supplemental Indentures for any one or more of the following purposes:

- (a) to cure any ambiguity or formal defect or omission in this Indenture;
- (b) to grant to or confer any additional benefits, rights, remedies, powers or authorities that may lawfully be granted to or conferred upon the Owners of the Bonds or the Trustee, or to make any change which, in the judgment of the Servicer, is not to the prejudice of the Owners of the Bonds;
- (c) to subject to the pledge and lien of this Indenture additional revenues, properties and collateral;
- (d) to evidence the appointment of a separate Trustee or co-Trustee or the succession of a new Trustee; or
- (e) to modify, amend or supplement the provisions of this Indenture or any Supplemental Indenture in such manner as the Issuer may deem necessary or desirable to maintain the exclusion from gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for purposes of federal income taxation of interest on the Bonds.

Section 8.02. Supplemental Indentures Requiring Consent of Owners of Bonds.

(a) Exclusive of Supplemental Indentures covered by Section 8.01 of this Indenture and subject to the terms and provisions contained in this Section 8.02, and not otherwise, neither the Issuer nor the Trustee shall enter into any amendment, change or modification of this Indenture without the prior written consent of the Owners of not less than two thirds in aggregate principal amount of the Bonds then Outstanding; provided, however, that nothing in this Section 8.02 contained shall permit, or be construed as permitting, without the consent of the Owners of all of the Bonds, (i) an extension of the maturity date of the principal of or the interest on any Bond, (ii) a reduction in the principal amount of any Bond or the rate of interest thereon, (iii) change in a privilege or priority of any Bond or Bonds over any other Bond

or Bonds, (iv) a reduction in the percentages of the Owners of the Outstanding Bonds required for consent to such Supplemental Indenture, (v) the creation of any lien other than a lien ratably securing all of the Bonds at any time Outstanding or (vi) any reduction of the trusts, powers, rights, obligations, duties, remedies, immunities and privileges of the Trustee.

(b) If at any time the Issuer and the Trustee shall desire to execute and deliver a Supplemental Indenture for any of the purposes of this Section 8.02, the Trustee shall, upon being provided with reasonably satisfactory arrangements for payment of its fees and expenses, cause notice of the proposed execution of such Supplemental Indenture to be mailed by registered or certified mail to each Owner of the Bonds. Such notice shall briefly set forth the nature of the proposed Supplemental Indenture and shall state that copies thereof are on file at the Principal Office of the Trustee for inspection by all Owners of the Bonds. If within 60 days or such longer period as shall be prescribed by the Issuer following the giving of such notice, the Owners of not less than two-thirds in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such Supplemental Indenture shall have consented to and approved the execution thereof as herein provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Issuer from adopting the same or from taking any action pursuant to the provisions thereof. Subject to Section 8.04 hereof, upon the execution of any such Supplemental Indenture as in this Section 8.02 permitted and provided, this Indenture shall be and be deemed to be modified and amended in accordance therewith.

Section 8.03. Reliance on Opinion of Counsel. The Trustee and the Issuer shall be entitled to rely upon an opinion of Counsel stating that a Supplemental Indenture is authorized or permitted by this Indenture, and prior to the execution and delivery of any Supplemental Indenture, the Trustee, the Issuer, the Servicer shall be furnished with an opinion of Bond Counsel stating that the provisions of such Supplemental Indenture will not cause the interest on the Bonds to be includable in gross income of Owners (other than an Owner who is a "substantial user" of the Project or a "related person" to a "substantial user," as defined in Section 147(a) of the Code) for purposes of federal income taxation.

Section 8.04. Consents Required. Anything herein to the contrary notwithstanding, a Supplemental Indenture described in Section 8.02 hereof which adversely affects any rights of the Borrower, the Servicer or the Trustee shall not become effective unless and until the affected party shall have consented in writing to the execution and delivery of such Supplemental Indenture. In this regard, the Trustee shall cause notice of the proposed execution and delivery of any Supplemental Indenture together with a copy of the proposed Supplemental Indenture to be mailed as provided in Section 4.05 with respect to the redemption of Bonds to the Borrower and the Servicer at least ten (10) days before the date of its proposed execution and delivery.

Section 8.05. Amendments of Loan Documents Not Requiring Consent of Owners of Bonds. The Issuer, the Trustee and the Borrower may, without the consent of or notice to any of the Owners of Bonds (but only with the consent of the Servicer) enter into any amendment, change or modification of any of the Loan Documents as may be required (a) by the provisions of the Loan Agreement or this Indenture, (b) for the purpose of curing any ambiguity or formal defect or omission therein, (c) so as to add additional rights and remedies for the benefit of

Owners of the Bonds, or (d) in connection with any other change therein which, in the judgment of the Trustee, is not to the prejudice of the Trustee or, in the judgment of the Servicer, the Owners of the Bonds.

Section 8.06. Amendments of Loan Documents Requiring Consent of Owners of Bonds. Except for the amendments, changes or modifications as provided in Section 8.05 hereof, none of the Issuer, the Trustee or the Borrower shall enter into any other amendment, change or modification of the Loan Documents without the mailing of notice and the written approval or consent of the Owners of not less than 66 2/3% in aggregate principal amount of the Outstanding Bonds; *provided, however*, that nothing in this Section or Section 8.05 hereof shall permit or be construed as permitting without the consent of the Owners of all of the Bonds (a) an extension of the time of the payment of any amounts payable under the Loan Documents, or (b) a reduction in the amount of any payment or in the total amount due under the Loan Documents. If at any time the Issuer, the Trustee or the Borrower shall desire the consent to any such proposed amendment, change or modification, the Trustee shall, upon being satisfactorily indemnified with respect to fees and expenses, cause notice of such proposed amendment, change or modification to be mailed in the same manner as provided herein with respect to redemption of Bonds. Such notice shall briefly set forth the nature of such proposed amendment, change or modification and shall state that copies of the instrument embodying the same are on file at the Principal Office of the Trustee for inspection by all Owners of Bonds. If, within sixty (60) days, or such longer period as shall be prescribed by the Trustee as the case may be, following the mailing of such notice, the Owners of 66 2/3% in aggregate principal amount of the Bonds Outstanding at the time of the execution of any such amendment, change or modification shall have consented to and approved the execution thereof as hereto provided, no Owner of any Bond shall have any right to object to any of the terms and provisions contained therein, or the operation thereof, or in any manner to question the propriety of the execution thereof, or to enjoin or restrain the Borrower or the Issuer or the Trustee, as the case may be, from executing the same or from taking any action pursuant to the provisions thereof. The Issuer, or the Trustee as the case may be, shall have the right to extend from time to time the period within which such consent and approval may be obtained from Owners of the Bonds. Upon the execution of any such amendment, change or modification as in this Section permitted and provided, the Issuer Documents shall be and be deemed to be modified, changed and amended in accordance therewith.

ARTICLE IX

DISCHARGE

Section 9.01. Discharge of Indenture. If the Issuer shall pay, or there shall otherwise be paid, to the Owners of all Bonds the principal or redemption price, if applicable, and interest due thereon, at the times and in the manner stipulated therein and in this Indenture and if all Trustee Expenses and all amounts payable to the Issuer for its own account (including expenses and indemnification) shall be paid in full, then the pledge of revenues, other moneys and securities under this Indenture, and all covenants, agreements and other obligations of the Issuer to the Owners of Bonds, shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee shall cause an accounting for such period or periods as shall be requested by the Issuer to be prepared and filed with the Issuer and, upon the request of

the Issuer, shall execute and deliver to the Issuer and the Borrower all such instruments as may be requested by the Borrower to evidence such discharge and satisfaction, and the Trustee shall pay over or deliver as provided in Article V hereof all moneys or securities held by them pursuant to this Indenture (except as otherwise specified in Section 5.07) after the payment of principal or redemption price, if applicable, of or interest on Bonds. Notwithstanding the foregoing, upon such discharge the provisions of this Indenture relating to the Rebate Fund and Section 5.18(d) of the Loan Agreement shall continue in effect.

Section 9.02. Discharge by Delivery. The obligation to pay the principal of and interest on all or any portion of the Bonds (the "Bond Obligations") may be discharged by the delivery of the Bonds to the Trustee accompanied by written direction from the Owner(s) thereof to cancel such Bonds without payment (except as provided hereafter in this Section 9.02), and upon such delivery, such Bond Obligations shall be canceled and deemed paid. In the event only a portion of the Bond Obligations shall be canceled and deemed paid pursuant to the terms of this Section 9.02, those Bond Obligations which are not so canceled and deemed paid shall remain Outstanding for all purposes of this Indenture; *provided* that if all Outstanding Bonds shall be delivered to the Trustee in accordance with the terms of this Section 9.02 and all of the requirements for the discharge of this Indenture (other than the payment of Bond Obligations) shall be paid and satisfied in full, then the Trustee shall discharge and release the lien of this Indenture, assign to the Owner(s) of the Bonds all right, title and interest of the Trustee in and to the Note, the Loan Agreement and the other Loan Documents, deliver to the Owner(s) of the Bonds all moneys and securities held by the Trustee pursuant to this Indenture (except as otherwise specified in Section 5.07) up to an amount necessary to pay in full all of the principal of and interest on the Bonds through such cancellation and any other amounts due under the Loan Documents, and execute and deliver such releases or other instruments requisite to release the lien hereof.

Section 9.03. Discharge by Deposit. The obligation to pay the principal of and interest on all or a portion of the Bonds may be discharged if the Issuer or the Borrower has deposited or caused to be deposited, as trust funds, with the Trustee cash and/or Government Obligations which do not permit the redemption thereof at the option of the issuer thereof, the principal of and interest on which when due (or upon the redemption thereof at the option of the Owner), will, without reinvestment, provide cash which together with the cash, if any, on deposit with the Trustee at the same time, shall be sufficient, to pay and discharge the entire indebtedness on Bonds not theretofore canceled by the Trustee or delivered to the Trustee for cancellation by the payment of interest on and principal of the Bonds which have become due and payable or which shall become due at their stated maturity or redemption date, as the case may be (the "Defeasance Collateral"), and which are to be discharged under the provisions hereof, and has made arrangements satisfactory to the Trustee for the giving of notice of redemption, if any, by the Trustee in the name, and at the expense, of the Borrower. If the period over which payments will be made from the Defeasance Collateral is greater than ninety (90) days, the Borrower must also deliver to the Trustee a verification report prepared by a certified public accountant, with respect to the sufficiency of the Defeasance Collateral to make such payments. In addition, to discharge the obligation to pay the principal and interest on the Bonds pursuant to this Section 9.03, the Issuer or the Borrower must (i) obtain an opinion of Bond Counsel addressed to the Issuer and the Trustee to the effect that all actions have been taken to cause the defeasance of this Indenture and such actions will not adversely affect the excludability of interest on the

Bonds for federal income tax purposes under existing law, and (ii) provide written notice to the Servicer of such discharge at least thirty (30) days in advance.

ARTICLE X

MISCELLANEOUS

Section 10.01. Evidence of Signatures of Bond Owners and Ownership of Bonds.

(a) Any request, consent, revocation of consent or other instrument that this Indenture may require or permit to be signed and executed by the Owners may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys appointed in writing. The fact and date of the execution by any Owner of the Bonds or his attorney of such instruments may be proved by a guaranty of the signature thereon by a bank, trust company or national banking association or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guaranty, certificate or affidavit also shall constitute sufficient proof of his authority.

(b) The ownership of Bonds and the amount, numbers and other identification, and date of holding the same, shall be proved by the registry books maintained by the Trustee.

(c) Any request or consent by the Owner of any Bond shall bind all future owners of such Bond in respect of anything done or suffered to be done by the Issuer or any Trustee in accordance therewith.

Section 10.02. Bonds Not an Obligation of the State or Any Political Subdivision.

(a) Notwithstanding anything herein or in any other instrument to the contrary, the Bonds are limited obligations of the Issuer, payable solely from the Trust Estate and other funds and moneys pledged and assigned hereunder. None of the Issuer, the State, any political subdivision thereof (except the Issuer, to the limited extent set forth herein) or any public agency shall in any event be liable for the payment of the principal of, premium (if any) or interest on the bonds or for the performance of any pledge, obligation or agreement of any kind whatsoever except as set forth herein, and none of the Bonds or any of the Issuer's agreements or obligations shall be construed to constitute an indebtedness of or a pledge of the faith and credit, or taxing power of, or a loan of the credit of, or a moral obligation of any of the foregoing within the meaning of any constitutional or statutory provision whatsoever.

No agreements or provisions contained in this Indenture nor any agreement, covenant or undertaking by the Issuer contained in any document executed by the Issuer in connection with the Project, or the issuance, sale and delivery of the Bonds shall give rise to any pecuniary liability of the Issuer or a charge against the general credit of the Issuer, or shall obligate the Issuer financially in any way except as may be payable from the repayments by the

Borrower under the Loan Agreement and the proceeds of the Bonds and other amounts pledged hereunder as part of the Trust Estate. No failure of the Issuer to comply with any term, condition, covenant or agreement herein or in any document executed by the Issuer in connection with the issuance and sale of the Bonds shall subject the Issuer to liability for any claim for damages, costs or other financial or pecuniary charge except to the extent that the same can be paid or recovered from the repayments by the Borrower under the Loan Agreement or proceeds of the Bonds and other amounts pledged hereunder as part of the Trust Estate. Nothing herein shall preclude a proper party in interest from seeking and obtaining, to the extent permitted by law, specific performance against the Issuer for any failure to comply with any term, condition, covenant or agreement herein, *provided* that no costs, expenses or other monetary relief shall be recoverable from the Issuer except as may be payable from the repayments by the Borrower or the proceeds of the Bonds and other amounts pledged hereunder as part of the Trust Estate.

(b) No recourse may be had for the enforcement of any obligation, promise or agreement of the Issuer contained herein, in any other Issuer Document, in the Loan Documents or in the Bonds or for any claim based hereon or thereon or otherwise in respect hereof or thereof against any officer, agent, attorney or employee, as such, in his individual capacity, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty otherwise. No personal liability whatsoever will attach to, or be incurred by, any officer, agent, attorney or employee as such, past, present or future, of the Issuer or of any successor entity, either directly or through the Issuer or any successor entity, under or by reason of any of the obligations, promises or agreements entered into in the Bonds or between the Issuer and the Trustee, whether contained herein or to be implied herefrom as being supplemental hereto; and all personal liability of that character against every such director, member, officer, agent, attorney and employee is, by the execution of this Indenture and as a condition of, and as part of the consideration for, the execution of this Indenture, expressly waived and released.

(c) Anything in this Indenture to the contrary notwithstanding, it is expressly understood and agreed by the parties hereto that (i) the Issuer may rely conclusively on the truth and accuracy of any certificate, opinion, notice, or other instrument furnished to the Issuer by the Trustee or the Borrower as to the existence of any fact or state of affairs required hereunder to be noticed by the Issuer; (ii) the Issuer shall not be under any obligation hereunder to perform any record keeping or to provide any legal services; and (iii) none of the provisions of this Indenture shall require the Issuer to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers hereunder, unless it shall first have been adequately indemnified to its satisfaction against the cost, expenses, and liability which may be incurred thereby.

Section 10.03. Preservation and Inspection of Documents. All documents received by any Trustee under the provisions of this Indenture shall be retained in its possession and shall be subject at all reasonable times and upon reasonable prior notice to the inspection of the Issuer, any other Trustee, and any Owner of the Bonds and their agents and their representatives, any of whom may make copies thereof.

Section 10.04. Parties Interested Herein. Nothing in this Indenture expressed or implied is intended or shall be construed to confer upon, or to give to, any Person, other than the Issuer, the Trustee, the Servicer, the Borrower and the Owners of the Bonds, any right, remedy or claim under or by reason of this Indenture or any covenant, condition or stipulation of this Indenture; and all the covenants, stipulations, promises and agreements in this Indenture shall be for the sole and exclusive benefit of the Issuer, the Trustee, the Servicer, the Borrower and the Owners of the Bonds.

Section 10.05. No Recourse on the Bonds. No recourse shall be had for the payment of the principal or redemption price or purchase price of or interest on the Bonds or for any claim based thereon or on this Indenture or any other Issuer Document or the Loan Documents against any member, officer, employee or agent of the Issuer or any person executing the Bonds.

Section 10.06. Severability of Invalid Provisions. If any one or more of the covenants or agreements provided in this Indenture on the part of the Issuer or any Trustee to be performed should be contrary to law, then such covenant or covenants or agreement or agreements shall be deemed severable from the remaining covenants and agreements, and in no way shall affect the validity of the other provisions of this Indenture.

Section 10.07. Successors. Whenever in this Indenture the Issuer is named or referred to, it shall be deemed to include any entity that may succeed to the principal functions and powers of the Issuer under the Act, and all the covenants and agreements contained in this Indenture by or on behalf of the Issuer shall bind and inure to the benefit of said successor whether so expressed or not.

Section 10.08. Notices, Demands and Requests. Except as otherwise provided in Section 4.05, all notices, demands and requests to be given or made under this Indenture to or by the Issuer or the Trustee shall be in writing and shall be sufficiently given and shall be deemed given (a) three days after mailing by certified mail, first-class, postage prepaid; (b) the Business Day after sending by expedited overnight delivery service; (c) the date of receipt if delivered by personal delivery; (d) if sent by facsimile transmission, the date of transmission, if receipt of such transmission is telephonically confirmed on such day and addressed to the Notice Address of the respective addressee. Either the Issuer or the Trustee may change the Notice Address listed for it at any time upon written notice of such change sent by United States mail, postage prepaid, to the other party, which change shall be effective upon receipt.

Section 10.09. Applicable Law; Venue. This Indenture shall be governed exclusively by the applicable laws of the State, and any action arising out of this Indenture or the Bonds shall be filed and maintained in the City and County of San Francisco, California, unless the Issuer waives this requirement in writing.

Section 10.10. Table of Contents and Section Headings Not Controlling. The Table of Contents and the headings of the several Articles and Sections of this Indenture have been prepared for convenience of reference only and shall not control, affect the meaning of, or be taken as an interpretation of any provision of this Indenture.

Section 10.11. Exclusion of Bonds. Bonds owned or held by or for the account of the Issuer or the Borrower shall not be deemed Outstanding for the purpose of consent or other action or any calculation of Outstanding Bonds provided for in this Indenture, and the Issuer and the Borrower shall not be entitled with respect to such Bonds to give any consent or take any other action provided for herein, unless all of the Outstanding Bonds are then owned by such Person.

Section 10.12. Exempt from Individual Liability. No covenant, condition or agreement contained herein shall be deemed to be a covenant, agreement or obligation of any present or future officer, director, employee or agent of the Issuer or the Trustee in his individual capacity, and neither the officers, directors, employees or agents of the Issuer or the Trustee executing the Bonds or this Indenture shall be liable personally on the Bonds or under this Indenture or be subject to any personal liability or accountability by reason of the issuance of the Bonds or the execution of this Indenture.

The Trustee's failure to comply with the obligations in this subsection shall constitute a material breach of this Indenture.

(iii) *Nondiscrimination in Benefits.* The Trustee does not as of the date of this Indenture and will not during the term of this Indenture, in any of its operations in San Francisco, on real property owned by the City, or where work is being performed for the City elsewhere in the United States, discriminate in the provision of bereavement leave, family medical leave, health benefits, membership or membership discounts, moving expenses, pension and retirement benefits or travel benefits, as well as any benefits other than the benefits specified above, between employees with domestic partners and employees with spouses, and/or between the domestic partners and spouses of such employees, where the domestic partnership has been registered with a governmental entity pursuant to state or local law authorizing such registration, subject to the conditions set forth in §12B.2(b) of the San Francisco Administrative Code.

By signing this Indenture, the person executing this Indenture on behalf of the Trustee acknowledges and agrees that he or she has read and understood this Section.

Section 5. Tropical Hardwood and Virgin Redwood Ban. Pursuant to §804(b) of the San Francisco Environment Code, the City urges contractors not to import, purchase, obtain, or use for any purpose, any tropical hardwood, tropical hardwood wood product, virgin redwood or virgin redwood wood product.

Section 6. Drug-Free Workplace Policy. The Trustee acknowledges that pursuant to the Federal Drug-Free Workplace Act of 1989, the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance is prohibited on City premises. The Trustee agrees that any violation of this prohibition by the Trustee, its employees, agents or assigns will be deemed a material breach of this Indenture.

Section 7. Compliance with Americans with Disabilities Act. The Trustee acknowledges that, pursuant to the Americans with Disabilities Act (ADA), programs, services and other activities provided by a public entity to the public, whether directly or through a contractor, must be accessible to the disabled public. The Trustee shall provide the services specified in this Indenture in a manner that complies with the ADA and any and all other applicable federal, state and local disability rights legislation. The Trustee agrees not to discriminate against disabled persons in the provision of services, benefits or activities provided under this Indenture and further agrees that any violation of this prohibition on the part of the Trustee, its employees, agents or assigns will constitute a material breach of this Indenture.

Section 8. Sunshine Ordinance. In accordance with San Francisco Administrative Code §67.24(e), contracts, contractors' bids, responses to solicitations and all other records of communications between the City and persons or firms seeking contracts, shall be open to inspection immediately after a contract has been awarded. Nothing in this provision requires the disclosure of a private person or organization's net worth or other proprietary financial data submitted for qualification for a contract or other benefit until and unless that person or organization is awarded the contract or benefit. Information provided which is covered by this paragraph will be made available to the public upon request.

Section 9. Limitations on Contributions. Through execution of this Indenture, the Trustee acknowledges that it is familiar with Section 1.126 of the City's Campaign and Governmental Conduct Code, which prohibits any person who contracts with the City for the rendition of personal services, for the furnishing of any material, supplies or equipment, for the sale or lease of any land or building, or for a grant, loan or loan guarantee, from making any campaign contribution to (1) an individual holding a City elective office if the contract must be approved by the individual, a board on which that individual serves, or the board of a state agency on which an appointee of that individual serves, (2) a candidate for the office held by such individual, or (3) a committee controlled by such individual, at any time from the commencement of negotiations for the contract until the later of either the termination of negotiations for such contract or six months after the date the contract is approved. The Trustee acknowledges that the foregoing restriction applies only if the contract or a combination or series of contracts approved by the same individual or board in a fiscal year have a total anticipated or actual value of \$50,000 or more. The Trustee further acknowledges that the prohibition on contributions applies to each prospective party to the contract; each member of the Trustee's board of directors; the Trustee's chairperson, chief executive officer, chief financial officer and chief operating officer; any person with an ownership interest of more than 20 percent in the Trustee; any subcontractor listed in the bid or contract; and any committee that is sponsored or controlled by the Trustee. Additionally, the Trustee acknowledges that the Trustee must inform each of the persons described in the preceding sentence of the prohibitions contained in Section 1.126. The Trustee further agrees to provide to the City the names of each person, entity or committee described above.

Section 10. Requiring Minimum Compensation for Covered Employees. The Trustee agrees to comply fully with and be bound by all of the provisions of the Minimum Compensation Ordinance (MCO), as set forth in San Francisco Administrative Code Chapter 12P (Chapter 12P), including the remedies provided, and implementing guidelines and rules. The provisions of Sections 12P.5 and 12P.5.1 of Chapter 12P are incorporated herein by reference and made a part of this Indenture as though fully set forth. The text of the MCO is available on the web at www.sfgov.org/olse/mco. A partial listing of some of the Trustee's obligations under the MCO is set forth in this Section. The Trustee is required to comply with all the provisions of the MCO, irrespective of the listing of obligations in this Section.

(i) The MCO requires the Trustee to pay the Trustee's employees a minimum hourly gross compensation wage rate and to provide minimum compensated and uncompensated time off. The minimum wage rate may change from year to year and the Trustee is obligated to keep informed of the then-current requirements. Any subcontract entered into by the Trustee shall require the subcontractor to comply with the requirements of the MCO and shall contain contractual obligations substantially the same as those set forth in this Section. It is the Trustee's obligation to ensure that any subcontractors of any tier under this Indenture comply with the requirements of the MCO. If any subcontractor under this Indenture fails to comply, the City may pursue any of the remedies set forth in this Section against the Trustee.

(ii) The Trustee shall not take adverse action or otherwise discriminate against an employee or other person for the exercise or attempted exercise of rights under the MCO. Such actions, if taken within 90 days of the exercise or attempted exercise of such rights, will be rebuttably presumed to be retaliation prohibited by the MCO.

(iii) The Trustee shall maintain employee and payroll records as required by the MCO. If the Trustee fails to do so, it shall be presumed that the Trustee paid no more than the minimum wage required under State law.

(iv) The City, upon reasonable notice to the Trustee, is authorized to inspect the Trustee's job sites during normal business hours, conduct interviews with employees and conduct audits of the Trustee.

(v) The Trustee's commitment to provide the Minimum Compensation is a material element of the City's consideration for this Indenture. The City in its sole discretion shall determine whether such a breach has occurred. The City and the public will suffer actual damage that will be impractical or extremely difficult to determine if the Trustee fails to comply with these requirements. The Trustee agrees that the sums set forth in Section 12P.6.1 of the MCO as liquidated damages are not a penalty, but are reasonable estimates of the loss that the City and the public will incur for the Trustee's noncompliance. The procedures governing the assessment of liquidated damages shall be those set forth in Section 12P.6.2 of Chapter 12P.

(vi) The Trustee understands and agrees that if it fails to comply with the requirements of the MCO, the City shall have the right to pursue any rights or remedies available under Chapter 12P (including liquidated damages), under the terms of the contract, and under applicable law. If, within 30 days after receiving written notice of a breach of this Indenture for violating the MCO, the Trustee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Trustee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue any rights or remedies available under applicable law, including those set forth in Section 12P.6(c) of Chapter 12P. Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(vii) The Trustee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the MCO.

~~(viii) If the Trustee is exempt from the MCO when this Indenture is executed because the cumulative amount of agreements with the City for the fiscal year is less than \$25,000, but the Trustee later enters into an agreement or agreements that cause the Trustee to exceed that amount in a fiscal year, the Trustee shall thereafter be required to comply with the MCO under this Indenture. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Trustee and the City to exceed \$25,000 in the fiscal year.~~

Section 11. Requiring Health Benefits for Covered Employees. The Trustee agrees to comply fully with and be bound by all of the provisions of the Health Care Accountability Ordinance (HCAO), as set forth in San Francisco Administrative Code Chapter 12Q, including the remedies provided, and implementing regulations, as the same may be amended from time to time. The provisions of Section 12Q.5.1 of Chapter 12Q are incorporated by reference and made a part of this Indenture as though fully set forth herein. The text of the HCAO is available on the web at www.sfgov.org/olse. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Chapter 12Q.

(i) For each Covered Employee, the Trustee shall provide the appropriate health benefit set forth in Section 12Q.3 of the HCAO. If the Trustee chooses to offer the health plan option, such health plan shall meet the minimum standards set forth by the San Francisco Health Commission.

(ii) Notwithstanding the above, if the Trustee is a small business as defined in Section 12Q.3(e) of the HCAO, it shall have no obligation to comply with part (i) above.

(iii) The Trustee's failure to comply with the HCAO shall constitute a material breach of this Indenture. The City shall notify the Trustee if such a breach has occurred. If, within 30 days after receiving City's written notice of a breach of this Indenture for violating the HCAO, the Trustee fails to cure such breach or, if such breach cannot reasonably be cured within such period of 30 days, the Trustee fails to commence efforts to cure within such period, or thereafter fails diligently to pursue such cure to completion, the City shall have the right to pursue the remedies set forth in 12Q.5.1 and 12Q.5(f)(1-6). Each of these remedies shall be exercisable individually or in combination with any other rights or remedies available to the City.

(iv) Any Subcontract entered into by the Trustee shall require the Subcontractor to comply with the requirements of the HCAO and shall contain contractual obligations substantially the same as those set forth in this Section. The Trustee shall notify City's Office of Contract Administration when it enters into such a Subcontract and shall certify to the Office of Contract Administration that it has notified the Subcontractor of the obligations under the HCAO and has imposed the requirements of the HCAO on Subcontractor through the Subcontract. The Trustee shall be responsible for its Subcontractors' compliance with this Chapter. If a Subcontractor fails to comply, the City may pursue the remedies set forth in this Section against the Trustee based on the Subcontractor's failure to comply, *provided* that the City has first provided the Trustee with notice and an opportunity to obtain a cure of the violation.

(v) The Trustee shall not discharge, reduce in compensation, or otherwise discriminate against any employee for notifying the City or the City with regard to the Trustee's noncompliance or anticipated noncompliance with the requirements of the HCAO, for opposing any practice proscribed by the HCAO, for participating in proceedings related to the HCAO, or for seeking to assert or enforce any rights under the HCAO by any lawful means.

(vi) The Trustee represents and warrants that it is not an entity that was set up, or is being used, for the purpose of evading the intent of the HCAO.

(vii) The Trustee shall maintain employee and payroll records in compliance with the California Labor Code and Industrial Welfare Commission orders, including the number of hours each employee has worked on the Indenture.

(viii) The Trustee shall keep itself informed of the current requirements of the HCAO.

(ix) The Trustee shall provide reports to the City in accordance with any reporting standards promulgated by the City or the City under the HCAO, including reports on Subcontractors and Subtenants, as applicable.

(x) The Trustee shall provide the City with access to records pertaining to compliance with HCAO after receiving a written request from the City to do so and being provided at least ten business days to respond.

(xi) The Trustee shall allow the City to inspect the Trustee's job sites and have access to the Trustee's employees in order to monitor and determine compliance with HCAO.

(xii) The City may conduct random audits of the Trustee to ascertain its compliance with HCAO. The Trustee agrees to cooperate with the City when it conducts such audits.

(xiii) If the Trustee is exempt from the HCAO when this Indenture is executed because its amount is less than \$25,000 (\$50,000 for nonprofits), but the Trustee later enters into an agreement or agreements that cause the Trustee's aggregate amount of all agreements with the City to reach \$75,000, all the agreements shall be thereafter subject to the HCAO. This obligation arises on the effective date of the agreement that causes the cumulative amount of agreements between the Trustee and the City to be equal to or greater than \$75,000 in the fiscal year.

Section 12. Prohibition on Political Activity with City Funds. In accordance with San Francisco Administrative Code Chapter 12.G, the Trustee may not participate in, support, or attempt to influence any political campaign for a candidate or for a ballot measure (collectively, "Political Activity") in the performance of the services provided under this Indenture. The Trustee agrees to comply with San Francisco Administrative Code Chapter 12.G and any implementing rules and regulations promulgated by the City's Controller. The terms and provisions of Chapter 12.G are incorporated herein by this reference. In the event the Trustee violates the provisions of this Section, the City may, in addition to any other rights or remedies available hereunder, (i) terminate this Indenture, and (ii) prohibit the Trustee from bidding on or receiving any new City contract for a period of two (2) years. The Controller will not consider the Trustee's use of profit as a violation of this Section.

Section 13. Protection of Private Information. The Trustee has read and agrees to the terms set forth in San Francisco Administrative Code Sections 12M.2, "Nondisclosure of Private Information," and 12M.3, "Enforcement" of Administrative Code Chapter 12M, "Protection of Private Information," which are incorporated herein as if fully set forth. The Trustee agrees that any failure of the Trustee to comply with the requirements of Section 12M.2 of this Chapter shall be a material breach of this Indenture. In such an event, in addition to any other remedies available to it under equity or law, the City may terminate this Indenture, bring a false claim action against the Trustee pursuant to Chapter 6 or Chapter 21 of the Administrative Code, or debar the Trustee.

Section 14. Graffiti Removal. Graffiti is detrimental to the health, safety and welfare of the community in that it promotes a perception in the community that the laws protecting

public and private property can be disregarded with impunity. This perception fosters a sense of disrespect of the law that results in an increase in crime; degrades the community and leads to urban blight; is detrimental to property values, business opportunities and the enjoyment of life; is inconsistent with the City's property maintenance goals and aesthetic standards; and results in additional graffiti and in other properties becoming the target of graffiti unless it is quickly removed from public and private property. Graffiti results in visual pollution and is a public nuisance. Graffiti must be abated as quickly as possible to avoid detrimental impacts on the City and its residents, and to prevent the further spread of graffiti.

The Trustee shall remove all graffiti from any real property owned or leased by the Trustee in the City and County of San Francisco within forty eight (48) hours of the earlier of the Trustee's (a) discovery or notification of the graffiti or (b) receipt of notification of the graffiti from the Department of Public Works. This Section is not intended to require the Trustee to breach any lease or other agreement that it may have concerning its use of the real property. The term "graffiti" means any inscription, word, figure, marking or design that is affixed, marked, etched, scratched, drawn or painted on any building, structure, fixture or other improvement, whether permanent or temporary, including by way of example only and without limitation, signs, banners, billboards and fencing surrounding construction sites, whether public or private, without the consent of the owner of the property or the owner's authorized agent, and which is visible from the public right-of-way. "Graffiti" shall not include: (1) any sign or banner that is authorized by, and in compliance with, the applicable requirements of the San Francisco Public Works Code, the San Francisco Planning Code or the San Francisco Building Code; or (2) any mural or other painting or marking on the property that is protected as a work of fine art under the California Art Preservation Act (California Civil Code Sections 987 et seq.) or as a work of visual art under the Federal Visual Artists Rights Act of 1990 (17 U.S.C. §§ 101 et seq.).

Any failure by the Trustee to comply with this section of this Indenture shall constitute a material breach of this Indenture.

Section 15. Submitting False Claims; Monetary Penalties. Pursuant to San Francisco Administrative Code §21.35, any contractor, subcontractor or consultant who submits a false claim shall be liable to the City for penalties set forth in that Section. The text of Section 21.35, along with the entire San Francisco Administrative Code is available on the web at <http://www.municode.com/Library/clientCodePage.aspx?clientID=4201>. A contractor, subcontractor or consultant will be deemed to have submitted a false claim to the City if the contractor, subcontractor or consultant: (a) knowingly presents or causes to be presented to an officer or employee of the City a false claim or request for payment or approval; (b) knowingly makes, uses, or causes to be made or used a false record or statement to get a false claim paid or approved by the City; (c) conspires to defraud the City by getting a false claim allowed or paid by the City; (d) knowingly makes, uses, or causes to be made or used a false record or statement to conceal, avoid, or decrease an obligation to pay or transmit money or property to the City; or (e) is a beneficiary of an inadvertent submission of a false claim to the City, subsequently discovers the falsity of the claim, and fails to disclose the false claim to the City within a reasonable time after discovery of the false claim.

Section 16. Conflict of Interest. Through its execution of this Indenture, the Trustee acknowledges that it is familiar with the provision of Section 15.103 of the City's Charter,

Article III, Chapter 2 of City's Campaign and Governmental Conduct Code, and Section 87100 et seq. and Section 1090 et seq. of the Government Code of the State of California, and certifies that it does not know of any facts which constitutes a violation of said provisions and agrees that it will immediately notify the City if it becomes aware of any such fact during the term of this Indenture.

Section 17. Food Service Waste Reduction Requirements. The Trustee agrees to comply fully with and be bound by all of the provisions of the Food Service Waste Reduction Ordinance, as set forth in San Francisco Environment Code Chapter 16, including the remedies provided, and implementing guidelines and rules. The provisions of Chapter 16 are incorporated herein by reference and made a part of this Indenture as though fully set forth. This provision is a material term of this Indenture. By entering into this Indenture, the Trustee agrees that if it breaches this provision, the City will suffer actual damages that will be impractical or extremely difficult to determine; further, the Trustee agrees that the sum of one hundred dollars (\$100) liquidated damages for the first breach, two hundred dollars (\$200) liquidated damages for the second breach in the same year, and five hundred dollars (\$500) liquidated damages for subsequent breaches in the same year is reasonable estimate of the damage that the City will incur based on the violation, established in light of the circumstances existing at the time this Indenture was made. Such amount shall not be considered a penalty, but rather agreed monetary damages sustained by the City because of the Trustee's failure to comply with this provision.

Section 18. Proprietary or Confidential Information of City. The Trustee understands and agrees that, in the performance of the work or services under this Indenture or in contemplation thereof, the Trustee may have access to private or confidential information which may be owned or controlled by City and that such information may contain proprietary or confidential details, the disclosure of which to third parties may be damaging to City. The Trustee agrees that all information disclosed by City to the Trustee shall be held in confidence and used only in the performance of the Indenture. The Trustee shall exercise the same standard of care to protect such information as a reasonably prudent contractor would use to protect its own proprietary data.

Section 19: Earned Income Credit (EIC) Forms: Administrative Code Section 120 requires that employers provide their employees with IRS Form W-5 (The Earned Income Credit Advance Payment Certificate) and the IRS EIC Schedule, as set forth below. Employers can locate these forms at the IRS Office, on the Internet, or anywhere that Federal Tax Forms can be found. The Trustee shall provide EIC Forms to each Eligible Employee at each of the following times: (i) within thirty days following the date on which this Indenture becomes effective (unless the Trustee has already provided such EIC Forms at least once during the calendar year in which such effective date falls); (ii) promptly after any Eligible Employee is hired by the Trustee; and (iii) annually between January 1 and January 31 of each calendar year during the term of this Indenture. Failure to comply with any requirement contained in subparagraph (a) of this Section shall constitute a material breach by the Trustee of the terms of this Indenture. If, within thirty days after the Trustee receives written notice of such a breach, the Trustee fails to cure such breach or, if such breach cannot reasonably be cured within such period of thirty days, the Trustee fails to commence efforts to cure within such period or thereafter fails to diligently pursue such cure to completion, the City may pursue any rights or remedies available under this Indenture or under applicable law. Any Subcontract entered into by the Trustee shall require the

subcontractor to comply, as to the subcontractor's Eligible Employees, with each of the terms of this Section. Capitalized terms used in this Section and not defined in this Indenture shall have the meanings assigned to such terms in Section 12O of the San Francisco Administrative Code.

Director Independence

Our Board of Directors has determined that each of our directors other than Richard K. Davis has no material relationship with U.S. Bancorp and is independent. Mr. Davis is not independent because he is an executive officer of U.S. Bancorp. Each of our Audit, Governance, and Compensation and Human Resources Committees is composed only of independent directors.

Our Board has adopted a set of standards in our Corporate Governance Guidelines to assist it in assessing the independence of each of our directors. Absent other material relationships with U.S. Bancorp, a director of U.S. Bancorp who otherwise meets the independence qualifications of the NYSE listing standards may be deemed "independent" by the Board of Directors after consideration of all of the relationships between U.S. Bancorp, or any of our subsidiaries, and the director, or any of his or her immediate family members (as defined in the NYSE listing standards), or any entity with which the director or any of his or her immediate family members is affiliated by reason of being a partner, executive officer or a significant shareholder thereof; provided that an individual is not deemed to be an executive officer of an organization if that role does not constitute his or her principal occupation. However, ordinary banking relationships (such as depository, lending, transfer agency, registrar, trust and custodial, private banking, investment management, securities brokerage, cash

management and other services readily available from other financial institutions) are not considered by the Board in determining a director's independence, as the Board considers these relationships to be categorically immaterial. A banking relationship is considered "ordinary" if:

- the relationship is on substantially the same terms as those prevailing at the time for comparable transactions with non-affiliated persons;
- with respect to an extension of credit, it has been made in compliance with applicable law, including Regulation O of the Board of Governors of the Federal Reserve and Section 13(k) of the Securities Exchange Act of 1934;
- no event of default has occurred and is continuing beyond any cure period; and
- the relationship has no other extraordinary characteristics.
