Recitals

WHEREAS, Port and RPD have an existing Memorandum of Understanding M-16511 ("MOU") effective May 7, 2019, which allows the Port and RPD to provide educational and recreational programming at Heron's Head Park and operate the EcoCenter at Herons Head Park to serve as a community gathering space (See Port Commission Reso. 19-12 and RPD Reso 1904-007 approving the MOU, and;

WHEREAS, In the interest of providing additional amenities around the EcoCenter, the Port and RPD desire to modify the MOU on the terms and conditions set forth herein to increase the area under the MOU; allow the addition of a gathering, seating, and play area in the new area; and include maintenance obligations of RPD with respect to the new improvements; consistent with the existing MOU, costs and claims related to the new improvements will be RPD's responsibility, and;

WHEREAS, the MOU allows for amendment by the RPD General Manager and Port Executive Director, in consultation with the City Attorney, on behalf of their respective departments, provided the amendments are in the best interests of their respective departments, do not materially increase the obligations or liabilities of their respective departments, are necessary or advisable to effectuate the purposes of this MOU, and are in compliance with all applicable laws and RPD General Manager and Port Executive Director have determined that this First Amendment meets the specified criteria.

NOW, THEREFORE, the Port and RPD agree to amend the MOU as follows:

1. Article 2. Premises

The MOU governs Port and RPD operations at the EcoCenter and within the approximately 6,058 sq. ft. portion of Heron's Head Park immediately surrounding the EcoCenter referred to in the MOU as the "**Premises**" as currently shown in *Exhibit A* to the existing MOU. The Port and RPD agree to revise the Premises to include an additional approximately 4,200 square feet of area around the EcoCenter, in its "as is" condition as further described in the third paragraph of Article 2 of the MOU. The revised Premises under the MOU, including 4,200 sq. ft. expansion, is shown in *Exhibit A-1* to this Amendment. *Exhibit A-1* shall replace *Exhibit A* for all purposes under this MOU.

2. Article 6. Permitted Use.

The Port and RPD wish to clarify and update their respective obligations with respect to the EcoCenter and the outdoor areas within the Premises, including the additional areas and improvements added under this First Amendment. Accordingly, *Exhibit C* is replaced with *Exhibit C-1. "Operation and Maintenance Obligations"* attached hereto.

Unless Port requires removal, all improvements to the Premises made by RPD, including the gathering, seating, and play area described in the First Amendment, will become the property of Port upon expiration or earlier termination of this MOU at no cost to Port. If Port requires removal, RPD shall perform the removal and all restoration made necessary by such removal prior to the expiration or earlier termination of this MOU. If termination occurs upon expiration of the term of this MOU (5/7/28) then RPD shall give Port at least 180 days' notice of intention to terminate and Port shall give RPD at least 120 days' notice of requirement to remove the improvements.

4. MISCELLANEOUS. This First Amendment may be executed in counterparts with the same force and effect as if the parties had executed one instrument, and each such counterpart shall constitute an original hereof. No provision of this First Amendment that is held to be inoperative, unenforceable or invalid shall affect the remaining provisions, and to this end all provisions hereof are hereby declared to be severable. In the event of any inconsistencies between the terms of this First Amendment and the MOU, the terms of this First Amendment shall prevail.

5. FULL FORCE AND EFFECT. Except as specifically amended by this First Amendment, the terms and conditions of the MOU shall remain in full force and effect. Terms used and not defined in this First Amendment shall have the meanings assigned to such terms in the MOU.
