Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

This message is from outside the City email system. Do not open links or attachments from untrusted sources.

Dear Victor Young,

I am writing to you to express my support of Supervisor Dorsey's San Francisco Police Full Staffing Act and to urge you to vote in support of it.

As San Francisco continues to grapple with severe public safety challenges including rampant car break-ins, shoplifting, and unprecedented open air drug markets, we as a City must do everything we can to increase public safety, including addressing the ongoing officer shortage in the San Francisco Police Department.

Reduced police staffing inhibits SFPD's ability to provide the level of community policing and foot patrols that are needed to help deter crime and enforce our city's laws. This charter amendment will make sure SFPD has the resources needed to attract and hire potential officers, reduce the need for costly overtime, and more effectively address crime.

I hope you will vote in support of this legislation and prioritize the safety of your constituents, as well as residents of and visitors to San Francisco.

Sincerely,
Herbert Stackhouse

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop if we do not have a fully staffed police force. Supervisor Dorsey's plan has short-, medium-, and long-range solutions to quickly fill the current gaps in personnel while making retention and recruitment possible and probable.

San Franciscans have prioritized public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

Hello,

I am a San Francisco resident that works in civic center. I used to teach in our public schools. We do not need more bonuses for police, but we absolutely need funds for educating our children. It is absolutely absurd that we spend over a billion dollars a year on criminalization when so many educators make tens of thousands of dollars below a living wage, and thousands of students leave school hungry and homeless daily. If we want to change this city we need to change our priorities back to supporting students and families.

I am asking you to please vote no on Dorsey's charter amendment. Put community over criminalization.

- Amelia Tehrani

Best wishes,
Golzar Tehrani

Message: I Support Supervisor Dorsey's Full Staffing Amendment, and You Should Too.

Dear Supervisors,

I FO NOT support Supervisor Dorsey's full staffing amendment for SFPD and hope you will vote to put it on the ballot in March 2024. San Francisco has too many poorly trained police officers who think that they are immune from consequences. We cannot regain the city's reputation as a safe destination to live, work, visit, and shop while they continue to poorly perform their duties since they do not have any consequences to poor performance. When and if they will agree that they exist to serve the people of San Francisco without qualified immunity or criminal indemnification, then we can move forward and reform the current institution.

San Franciscans prioritize public safety because we understand how vital it is to the success and achievement of every other industry and quality of life metric. Having our officers live in the neighborhoods they serve strengthens each community and the entire city. It is time to show our SFPD we value each and every officer, and it is long overdue that we take steps to help our officers live in the city they patrol each day. Please listen to your constituents who have repeatedly requested more funding for the police and more staffing of SFPD.

More funding leads to more military grade hardware, which we do not need. And more staffing will happen with better educated, and trained officers who seek to serve the residents of San Francisco.
