Attachment to Application for Redistricting Task Force for Anna Yee**Statement re: qualifications**

The Redistricting Task Force will have the significant task of determining how supervisorial district lines should be redrawn for compliance with federal, state and local law in the face of a myriad of communities, constituencies, fact, figures, and opinions. Assembling a knowledgeable, fair-minded and diverse group is critical to the credibility of the Task Force, and more importantly, to the quality of the process and end results. I believe I am well qualified to serve on the Task Force for three reasons:

1. The Task Force needs open, fair-minded, analytical people who know how to make decisions.
2. The Task Force needs people who know San Francisco and its many neighborhoods and communities.
3. The Task Force needs people who can work well together in public, group processes.

By nature and training, I am an open, fair-minded, analytical person and work well in and strongly support public, group, and community processes. With training and experience as an attorney

community developer, and urban planner, I am well versed in working with legal requirements and demographic data.

In addition, much of my professional life has been devoted to working with and respecting voice in neighborhoods and communities. Beginning with my work at the National Economic Development & Law Center, South of Market Problem Solving Council, and more recently, with Chinatown Community Development Center, I have a track record of working with organizations that respect communities and neighborhoods. I have facilitated numerous community meetings and processes including the San Francisco Enterprise Community group that included the Mission, South of Market, Bayview/Hunter's Point, Visitacion Valley, Chinatown, and Tenderloin neighborhoods and the Mayor's Mission Bay Task Force.

In addition to my work in neighborhoods, my work at the Mayor's Office of Community Development also gave me insight and understanding into the value of transparent public processes and accountability. I hope to bring all of these experiences and values to the Task Force if selected.

Overall, I want to create and contribute to a strong public process with an outcome that serves San Franciscans well. I am a native San Franciscan and the daughter of Chinese immigrants raising two children with my partner in the City that I love. In 40+ years, I've lived in many neighborhoods including Potrero Hill, Outer Mission, Marina, Pacific Heights, Sunset, Telegraph Hill, and Forest Hill Extension. I believe that having lived in and knowing a number of neighborhoods as a child, young adult, and parent, I have developed a broad perspective and deep appreciation for the great range of neighborhoods and communities that make San Francisco vibrant and unique.

Brigette R. LeBlanc, MTA
— Harkness Avenue
San Francisco, CA 94134
(415) 368-4219

My name is Brigette R. LeBlanc and I am confirming that I fit all of the seven minimum criteria for consideration for the Redistricting Task Force for San Francisco. Please note that I have answered the questions individually.

1. I am registered to vote in San Francisco and have voted in San Francisco since 2006.
2. I am a native San Franciscan and have live in District 10 over 10 years and prior to that The Potero Neighborhood. I have attended public schools north of Lake Merced, between San Francisco's Parkside and Sunset Districts, worked in The Western Addition, and am a member of several political and social organizations that represent a diverse population.
3. I have not been paid by a political campaign since 2004, having worked on Mayor Newsom's in 2003 and Supervisor Elsbernd Campaign.
4. I am a small business owner in San Francisco and the name of my company is LeBlanc and Associates specializes in event management, meetings and community outreach. (www.leblancassociates.com).
5. I do have a general knowledge of San Francisco's neighborhoods and geography.
6. I do have a flexible schedule for attending meetings. I currently sit on the Southeast Community Facility Commission and we have meetings twice a month. I currently hold a contract with Willie B. Kennedy and Associates where I am the site secretary for the Mayor's Hunter's Point Shipyard Advisory Committee.
7. I do not have a conflict of interest that is prohibited under conflict laws applicable to other City officers. I did speak to Molly Lee who works in the San Francisco City Attorney's Office to verify because I sit on a commission that it would not be a conflict of interest.

Statement of interest, explaining why you want to serve and what your qualifications.

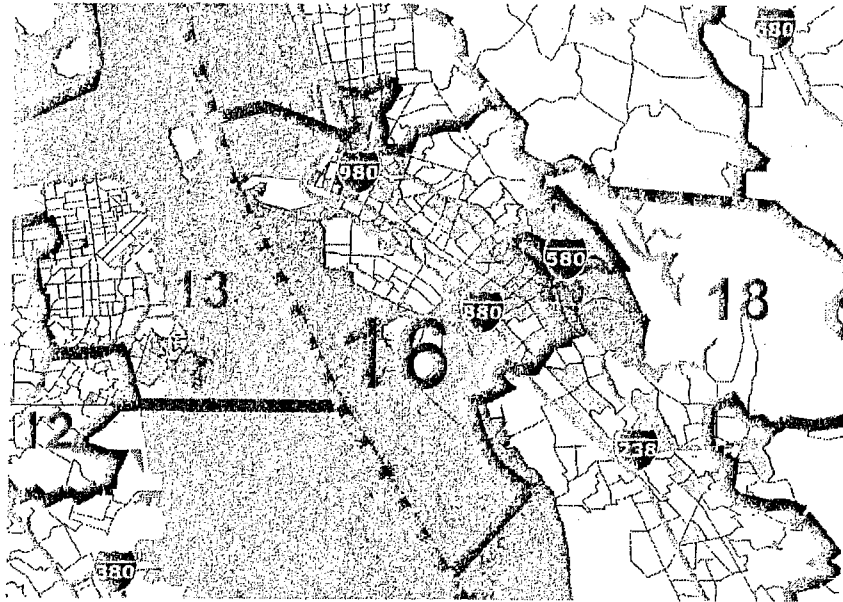

Political views vary from one district to another. Redistricting has the potential to change the voting habits of a district, the type of community members; progress to moderate/ moderate to progressive, and the type of Supervisor elected. The question is whether redistricting is correct for each districts, for instance, with the push of "Unit D10" it might to not seem appropriate to take Potrero to a new district during a critical time of partnership within the community. In other communities adding a neighborhood could increase political interest and voter turn out.

The census counts are official and it shows that people have moved and new homes have been built and though we still have eleven districts some Supervisors will have more or less people than others. I was an active volunteer during the Census campaign and participated in doing outreach to my community and explaining the importance and the benefits of filling out the application. I have been in the trenches in the community and have participated on numerous outreach efforts to engage the community. I have learned that there is unity in community and

REFRESHMENTS PROVIDED

Sponsored by AARC, Lawyers' Committee for Civil Rights, Commissioner Brigitte LeBlanc, SF African American Chamber of Commerce, African American Democratic Club, Bayview Merchants Association, Black Women Organized for Political Action-SF, Citizens Advisory Committee (CAC), Osiris Coalition, Project Area Committee (PAC), Harvey Matthews Bayview Hunters Point Democratic Club and the NAACP SF Chapter

The nine-member San Francisco Redistricting Task Force took its first step toward naming its members when the Elections Commission accepted applications on April 29 for the three appointments that fall under its auspices.

A May 4 Election Commission meeting clarified the eligible list, making it 25 applicants, and set a May 19 date to begin its selection process. Three applicants earlier reported on *CitiReport* as among those being considered were found to have submitted their applications shortly after the 5 p.m. deadline; a fourth applicant, former Redevelopment Agency director Ed Helfeld, was inadvertently omitted from *CitiReport*'s earlier post.

The Board of Supervisors indicates it will post its process for applying for appointment on May 9 for the three seats the Board appoints. Some of post-deadline Election applicants or those not selected could well resubmit themselves as potential Board appointments.

The Mayor's office has yet to respond to questions about its process for making appointments, and whether citizens will have the opportunity to nominate themselves.

The Election Commission applicants came from diverse backgrounds, but many did not include information on which part of the city is their home or their ethnic background. Those factors could be decisive in a final selection process as appointing officials seek to ensure that the city is well represented on the Redistricting Task Force.

Downtown groups showed their strong interest in the outcome of redrawn lines for electing supervisors for the next ten years. Among the applicants is Ken Cleaveland, government relations director and lobbyist for the Building Owners and Managers Association, Daniel Scherotter, past president of the Golden Gate Restaurant Association, Ted Lowenberg, a leader in the "Civil Sidewalks" ballot measure, and Melissa Tidwell, Google's corporate counsel.

Several applicants previously sought election to the Board of Supervisors. They are Ron Dudum, Steven Moss, Owen O'Donnell and Kat Anderson.

If the list of applicants tilts in any direction – perhaps more to the moderate than reform-minded side of city politics – it is also dense with serious-minded residents with a record of accomplishments. Several are published authors of professional papers on voting and political engagement as well as authoring books and professionally lecturing. Several are experienced professionals in computer analysis of data.

The candidates include Asian Pacific Islanders, African Americans, LGBT members, Jewish community leaders, and retired white males. Only a handful of the applications

Ron Dudum, supervisor candidate

Rachel Ebor, Filipina immigrant, director of community engagement, Bernal Heights Neighborhood Center

Christopher S. Elmendorf, a Mission resident and UC Davis Law professor

Dear Mr. Arntz:

Please receive this enthusiastic letter of support for Ms. Brigette R. LeBlanc's appointment to the Task Force on Redistricting. In over a decade of working together in the community and the United Methodist Church, I have observed Ms. LeBlanc's love, concern, frankness and professionalism; and her ability to devise, design and complete a project. In years of serving within the local church, she was dependable and longsuffering, bringing forth wonderful products for the betterment of the community.

I am especially excited about Ms. LeBlanc's desire to serve the City on the Redistricting Task Force because she is: (1) a registered voter and lover of the democratic processes; (2) a native San Franciscan, still residing in the 10 District; (3) politically astute and socially alert to the issues facing a wide range of citizens; and (4) superbly equipped for the active service required by the redistricting task.

Re: Brigette Renee LeBlanc, Nominee for the Redistricting Task Force

To Whom It May Concern:

It is with great pleasure and enthusiasm that I am writing to endorse *Brigette Le Blanc's appointment to the Redistricting Task Force*. During the time I have known Ms. LeBlanc, she has distinguished herself as a conscientious and energetic pioneer in the fields of leadership and management. I have enormous respect for her teaching and leadership skills, and have had the pleasure to work with her on many occasions.

The Redistricting Task Force sounds ideally suited to Brigette's talents. She will be coming to you with the qualities of a natural leader: genuineness, intelligence, and integrity. She will also bring her interest in politics, minority and women perspectives, and her commitment to the future of San Francisco. Ms. LeBlanc will provide a historical perspective of the needs of the greater San Francisco, as a native San Franciscan. Just as importantly, she would come with an enthusiasm for learning and networking, as well as a resolute desire to understand new theories and ideas. Re: Brigitte LeBlanc
Nominee for Redistricting Task Force

To whom it may concern,

Why would Brigitte LeBlanc be a good task force member?

I met Brigitte LeBlanc in 2003 when she was the field organizer in District Five for Gavin Newsom's mayoral campaign. Ms. LeBlanc has tremendous energy, is great with people, she listens to community concerns intently and is sensitive to matters of race and diversity. District Five is a very diverse community with very distinctive neighborhood concerns.

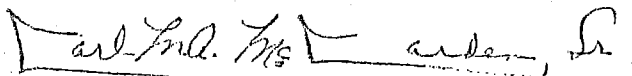

I have seen her keep all of the volunteers motivated, and always with an open door policy. Trouble shooting and multitasking are skills that I have seen Ms. LeBlanc personally be successful with.

She is passionate about the community; she is always adamant about updating and sharing new information with residents to keep them aware of concerns that not only affect them immediately but also the future generations.

I believe that Ms. LeBlanc will take the responsibility of being a redistricting task force member very seriously, taking into account the concerns of all community residents. She is a fair person, a hard worker and talented community organizer.

Ms. LeBlanc has my wholehearted recommendation; I request that you appoint her to the redistricting task force.

Sincerely yours,

Carl M. A. McCarden

Secretary

Dear: Elections Commissioners,

SUBJECT: Ms. Brigette LeBlanc's redistricting Task Force Application

I am writing to express my strong support for Ms. LeBlanc's Redistricting Task Force Application. As President of the San Francisco African American Democratic Club, I have had the opportunity to work with Ms. LeBlanc in social, business and political settings. I have been impressed with Ms. LeBlanc's work ethic, intelligence and willingness to focus on her goals and strategies.

As an active member of the San Francisco African American Democratic Club Ms. LeBlanc has worked to focus her community on measurable objectives while working to minimize the impacts of emotion and personality in decision-making. As a small business owner, Ms. LeBlanc has demonstrated an ability to work with diverse client populations and constantly seems to challenge herself to find new and more productive ways to contribute to her community.

Whether working as an individual contributor, as part of a team within her community or working across community boundaries Ms. LeBlanc will serve as an advocate and resource for those she represents. The San Francisco African American Democratic Club supports Ms. LeBlanc's application and we look forward to working with her upon her joining the Redistricting Task Force. Please do not hesitate to call if you have additional questions.

Sincerely,

Charles Spencer
President

Redistricting Task Force for San Francisco

RE: Bridgette LeBlanc Redistricting Task Force Appointment

Redistricting Task Force Members:

I am pleased to be in a position to recommend Bridgette for the Redistricting Task Force. She is a plain and clear choice and will bring a healthy perspective, a wealth of experiences and a strong voice to your process.

Ms. Leblanc has a proven record of service to various segments of the San Francisco community. She is highly educated, accomplished and intelligent. She participate regularly in community meetings, works on campaigns and has been in leadership roles where she utilize what she has learned from research, community interaction and practical application to facilitate programs that meet a variety of needs.

Most importantly, Ms. LeBlanc understands and is capable of brining unity and involvement of the larger community to governmental processes. Her abilities in the area of n voter registration and participation, introducing candidates and measures to the constituencies they will impact and encouraging respect for racial and language diversity will be of great use when you begin to redraw district lines.

Ms. Leblanc is passionate, motivated and hardworking. She will be a true advocated for the community at large and an educator about the redistricting process. As we need the community to get involved, we should turn to a voice they respect and understand. I hope you will give Ms. Leblanc your every consideration.

Sincerely,

L. Julius M. Turman

Application for San Francisco Redistricting Task Force
Chris Elmendorf
June 15, 2011

Statement of Interest and Qualifications

I am a professor of law at the University of California, Davis, where I have taught since 2004 (with tenure since 2007). I specialize in election law. I have a growing interest in the problems of and possibilities for democracy at the local-government level. I have also written on the federal Voting Rights Act, which establishes important constraints on the work of local redistricting bodies. In short, I would bring to the redistricting task force a considerable amount of pertinent legal expertise, as well as familiarity with much of the relevant political science literature.

My desire to serve on the redistricting task force grows out of my professional and intellectual interest in the task force's assignment, and my desire to give back to my community--my city--at this stage in my career.

If appointed to the task force, I would take very seriously the duty of impartiality that I understand to inhere in this position. I have worked in other positions that require the setting aside of one's personal ideological views--for example, as a law clerk to a federal judge. As a professor, I pride myself on challenging students rather than imparting a particular worldview. I have no affiliation with any interest group with a stake in the redistricting process, and I have never worked and do not intend to work for a candidate for elective office in San Francisco.

I have lived in San Francisco since 2005, when my now-wife moved from New York to join me in California. We live in the Mission District, with our two young children (ages 3 and 1). I commute by train to Davis on days that I teach (usually three days/week during the fall and spring semesters), and I work from home otherwise. During the fall of 2011, I will be a visiting professor at U.C. Hastings College of Law and will not be commuting to Davis.

Dear Honorable Supervisors,

I am writing to express my strong interest in filling an open seat on the Redistricting Task Force, and respectfully ask for your support.

As a native San Franciscan and a passionate advocate on behalf of our city's most vulnerable and often marginalized citizens, I believe that I would be a strong member of the Task Force. The work of the Task Force is critical to ensuring that every constituent, in every neighborhood is appropriately and sufficiently represented in the legislative process and resulting distribution of resources.

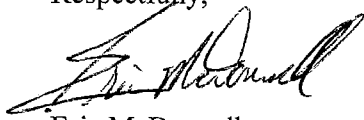

While growing up in the western addition, I experienced firsthand, the impact of limited resources in the community to support the only child of a working, single mom. Over the past 25years, I have been working professionally to support the needs low-income children and their families in San Francisco. At Audrey L. Smith Development Center (as Executive Director), we provided child development and mental health support services to young children. In addition, we provided after school enrichment services to over 250 children, teen parent support services, and led advocacy efforts to ensure effective policy and distribution of resources. During the last 15years at United Way, I have led community needs assessments and planning councils, developed and implemented programs in education, health, and economic development. Currently, as the Chief Operating Officer, I have led the strategic planning work which has resulted in the launching of our initiative to reduce poverty in the bay area in half by 2020. We intend to be the catalyst that helps to mobilize all sectors of our community to work collectively to reach this goal. My work at United Way has given me a unique vantage point, perspective, and appreciation of the needs of individuals and neighborhoods throughout our city.

In addition to my professional experience, I have been civically engaged in the community as a volunteer in many ways. I currently serve on several boards, including Leadership San Francisco, CompassPoint Nonprofit Services, Museum of the African Diaspora (MOAD), and Board Chair of the San Francisco School Alliance.

The work of the Task Force is critical to ensuring that every constituent, in every neighborhood is appropriately and sufficiently represented in the legislative process and the resulting distribution of resources. I believe that my professional experience, civic engagement, and commitment to a fair and transparent process make me an ideal candidate for the Redistricting Task Force.

Thank you in advance for your consideration!

Respectfully,

Eric McDonnell

Statement of Qualifications

My interest in serving on the Redistricting Task Force stems from my deep interest in civic engagement, urban affairs, and electoral politics. I have worked on numerous election campaigns as both a staff person and volunteer and am very familiar with the complexities of the electoral system and the importance of how electoral district lines are drawn. On the professional front, my work in the public, private and non-profit sectors has involved extensive community relations and public outreach efforts throughout San Francisco. As a result, I am very familiar with the City's diverse neighborhoods, stakeholders and interest groups.

Throughout the years I have spent living and working in San Francisco, I have been particularly involved with civic organizations, such as the San Francisco Planning and Urban Research Association (SPUR), that focus on improving the quality of life in San Francisco and how our City operates on a variety of levels. My various activities have exposed me to a wide range of neighborhood as well as City-wide issues and concerns. Moreover, my experiences on both the professional and volunteer level have underscored the importance and value of being an honest broker when helping to lead any community engagement type process. I consider the principal of "fairness" to be extremely important and would bring that value and perspective to my work on the Redistricting Task Force.

Regarding the time commitment that would be required, please know that my schedule is generally quite flexible and that I would carve out the time necessary to prioritize my service on the Redistricting Task Force.

Honorable Jane Kim
Honorable Sean Elsbernd
Honorable Mark Farrell
Rules Committee
San Francisco City Hall, One Dr. Carleton B. Goodlett Place
San Francisco, CA 94102

Members of the Rules Committee,

Please accept this application as my expression of interest in appointment by the Board of Supervisors to the Redistricting Taskforce. My background as a civil rights attorney, coupled with my experience as a community relations officer, uniquely qualify me for this position. I have an in depth knowledge of many of the City's communities and a passion for fair, representative democracy.

In my view, the Taskforce has the important role of ensuring that the City's residents have the ability to elect an individual aware of their concerns and committed to representing their interests. In determining each district's makeup, the Taskforce will have to consider many factors, including the links among cohesive neighborhoods and districts, the City's geography, the numerous communities of interest that comprise each district and the legal protections afforded our residents in ensuring the equal power of each vote cast.

For the past three years, I have served as president of the Raoul Wallenberg Jewish Democratic Club—a city-wide club with members in each supervisorial district. I have gained a nuanced understanding the City's neighborhoods and communities of interest. I have also learned a great deal about the importance of having an advocate at City Hall who knows her or his constituents well. A representative democracy depends on it.

Serving on this Taskforce would provide me with the ability to couple my knowledge of the City's neighborhoods and communities with my background in the law to ultimately create fair and representative supervisorial districts within the City.

I am a reasonable, fair-minded individual seeking to join with other residents in serving the City and reaching a good outcome. I would be most grateful for your consideration of my application for appointment to the Redistricting Taskforce.

Very truly yours,

Jason Porth

Re: Redistricting Task Force

Dear Linda:

Further to my application for appointment to the Redistricting Task Force vacancy seat, sent via fax last week, attached please find my resume and references for your further review and consideration.

Not only do I meet all of the City's stated requirements for the position but I am an ideal fit for the Redistricting Task Force because as a native San Franciscan, the City provided me with a firsthand extraordinary life experience, thru which the task force would be greatly enriched. Raised by a single Mom, attending public schools, working from the age of thirteen, living independently at seventeen, raising a son, and attending college late in life, all taught me how to successfully navigate the City.

I have a very clear understanding of our neighborhood districts. I lived in the Sunset, Bayview and South of Market, and my primary modes of transportation are MUNI and walking; I understand the positive and sometimes negative aspects of each City block. Further, my knowledge of the City's population is quite extensive. Attending public schools provided me with a diverse group of friends.

More significantly, what had the most impact on my insight into our neighborhoods comes from more personal experience. From the time I was eleven years old, my father, a veteran and paranoid Schizophrenic, was homeless. Early in his illness he lived in SRO's and shelters, but his later years were spent living under freeways. While not able to always locate his whereabouts, once he was found, I spent many hours chatting with him which resulted in my receiving a greater understanding of the homeless and street populations.

Finally, as an outsider to San Francisco politics, with no political aspirations or interests, my sole aim is to serve San Franciscans and make it a better place to live and work as well as travel to and within.

Thank you for considering my application for the vacancy seat on the Redistricting Task force. I welcome any questions or comments.

Sincerely,

Katie Morales

Board of Supervisors
City Hall, 1 Dr. Carlton B. Goodlett Place, Room 244
San Francisco, CA 94102

re: Application for Appointment to the Redistricting Task Force

Dear Members of the Board of Supervisors and Madam Clerk:

This cover letter includes my application for appointment to the Redistricting Task Force. I also include my resume' and Statement of Economic Interests. In addition, I meet the following criteria:

1. I am registered to vote in San Francisco, and have been voting here since 1988.
2. I represent San Francisco's diverse population.
3. I have not ever been paid by a political campaign.
4. I am not currently a direct-hire of an elected official of CCSF.
5. I have strong general and specific knowledge of San Francisco's neighborhoods and geography. In my 23 years of residency here, I have lived in Districts 5, 10, 4, 3 and 2. I am a director of a neighborhood organization, on the Auxiliary to the Foundation of City College of San Francisco, and am a board member of 2 other civic organizations in San Francisco.
6. My flexible schedule will allow me to attend the task force meetings.
7. I do not have a conflict of interest related to this appointment.

STATEMENT OF INTEREST AND QUALIFICATIONS:

I love our city, San Francisco, and am passionate about our government working well for its residents. It is important that *all* are represented; that no one is marginalized or left with no voice in City Hall. Therefore, I wish to work on the Redistricting Task Force to help ensure that San Franciscans are represented fairly in the electoral process and that they are encouraged and empowered to do so.

I am uniquely qualified for this task force for several reasons: 1) I am a long-time San Franciscan who has worked and volunteered for numerous elected officials, giving me the experience to understand how government and politics does (and does not) work in SF; 2) I put myself through Stanford and Hastings, studying politics, economics (and statistics) and law, so I have an educational background

which will prove useful on this task force; 3) I am and have been a part of numerous non-profit boards and agencies, so I understand the interplay between social services providers and the government. I am also comfortable in various communities throughout the city and can talk with anyone about anything with intelligence, commitment and compassion; 4) as an attorney, I have worked for private *and* public entities specializing in employment discrimination claims, labor disputes and wrongful termination matters. I am sensitive to unfair and unequal treatment of others. I am skilled in reviewing, interpreting and adhering to legal requirements. I am able to read and understand the SF Charter, the Federal Voting Rights Act, and the Equal Protection Clause of the 14th Amendment of the US Constitution, all of which serve to guide the work of the Redistricting Task Force.

I have lived, worked and volunteered in several of San Francisco's districts. I came to SF as a graduate student who could barely pay my bills, and progressed to a working professional who is always contributing to my various communities. I am raising my two teenagers here in the city. I have worked tirelessly as a volunteer board member for Florence Crittenton Services for low-income families and youth-in-need; did fundraising for the Youth Guidance Center; have been a mediator for Homeless Advocacy Project; a pro bono lawyer for Legal Services for Children; am currently on the Auxiliary to the Foundation of City College of San Francisco; and am a member of the United Way's Women's Leadership Initiative, working to cut poverty in the Bay Area in half in the next decade. We are starting an initiative at the Mission Economic Development Agency (MEDA) called "SparkPoint" in the fall. I am also an active board member of my neighborhood association - the Marina Community Association and sit in on the Marina Merchant Association meetings and participate in their events in and for the neighborhood. I do all of these things out of my deep love and commitment to San Francisco, to my neighbors, and to all of SF's diverse communities.

Because I have a deep interest in making sure that government meets the needs of its constituents, I have worked and volunteered for government leaders on local, state and national levels. Last year, I ran for local office. I know many community leaders, activists, elected officials and those in public service. I have a reputation for being fair, listening to all sides, having intelligence and insight and respecting those around me, especially when there is a difference of opinion. In other words, I work well with others and am a productive team member. I love going out into various communities and hearing what is important to the residents. I will stay true to the San Francisco Charter's mission to "prevent dividing or diluting the voting power of minorities and/or to keep recognized neighborhoods intact." I look forward to working on this Task Force's definition of "communities of interest."

Very truly yours,

Redistricting Task Force Application - BOS

Statement of Interest and Qualifications

I would like to serve on the Redistricting Task Force (RTF), because I have a strong desire to ensure that San Francisco:

- Executes elections that respect communities of interest.
- Maintains the composition of cohesive neighborhoods.
- Keeps in place, to the extent possible, the already established feel and distinguishing characteristics of the existing districts.

I grew up in a household where both parents were born in the South, and subjected to numerous inequalities, intimidation and outright exclusion from the voting process. Hearing these stories as a formative child has instilled in me the importance of being an active part of the political process and its importance within our democratic society. Working on the RTF is a natural continuation of this instilled desire to ensure the political redistricting process is fair and open to everyone.

As a gay, African-American, firefighter I would bring my diverse life experience and perspective to the RTF. As a sociology major in college I thoroughly enjoyed anything having to do with demographics and still find them to be quite fascinating to this day. Examining census data and fleshing out its inferences seems challenging and intriguing. Also, working on the RTF involves a lot of interfacing and feedback from the community. Listening to what folks have to say and learning what is important to them is something that just comes natural to me. In practical terms I do this every time I answer the call of duty as a fireman.

As an executive board member of the Alice B. Toklas LGBT Democratic Club, I have been involved in several projects that have included working with various community groups, and individuals on a myriad of topics. For example, hearing opinions about proposed ballot measures, candidates seeking public office, and other concerns pertinent to our vibrant community. This experience will prove valuable in the collection of input from the public as well as the recommendations coming from experts.

Finally, as a firefighter my schedule affords me the ability to make the necessary meeting requirements of the RTF. Participating in the numerous meetings will not be a problem.

PAUL HOGARTH

— Turk Street #507 San Francisco, CA 94102 (415) 5 — r — @mac.com

Please state your qualifications for the Redistricting Task Force:

In my capacity as a political blogger, and after 15 years of electoral campaign work, I have extensive experience studying political demographics and basic voting trends. I would come to this job with a solid familiarity with the mechanics such a task entails.

Specifically, I was involved in re-districting efforts ten years ago in Berkeley – when I participated in citizen efforts to draw new City Council districts after the 2000 census. And while I did not play an active role, I also followed San Francisco's own process then.

As a District 6 resident, and as someone with deep professional ties with that community for over a decade, I am especially concerned about this year's Redistricting Task Force. District 6 will see more changes to its boundaries than anywhere else in the City, and it will be extremely important for District 6 stakeholders to be represented this time around.

PAUL HOGARTH

RE: Appointment to the Redistricting Task Force

Dear Ms. Wong:

I would like to be considered for appointment to the Redistricting Task Force.

I am a native San Franciscan who has voted in almost every election over the past thirty years. I have been involved in issues of racism and discrimination for over thirty years as a member of the Arab and Palestinian communities.

I have not been a paid political activist on behalf of any candidate, nor am I the direct-hire of any elected official in the City and County of San Francisco.

I have spent a lifetime traveling through the various neighborhoods of San Francisco and am intimately familiar with our City's diversity and geography. I have the time to dedicate to the work of the Task Force and the flexibility to attend meetings. Finally, I am not aware of any conflict of interest that prohibits me from serving on this Task Force.

Statement:

I have been a candidate for the Board of Supervisors four times over the past eleven years. I am intimately aware with the grass-root nature of district elections, the constituent expectations, and demands of public service. I testified before the Redistricting Task Force at its inception and have significant knowledge regarding campaign financing, run-off, and IRV elections. I have no personal agenda, am not representing any special interest, and only want to serve my City. The work of this Task Force is very important and I would strive to make sure that the process is both fair and impartial. I would be honored to serve. Thank you for your consideration.

My resume is attached. References are available on request.

I will be out of the country from June 9th through June 28th, but am available through email: ron@threeparadigms.com.

Ronald A. Dudum

(brief biography)

Ron was born in San Francisco in 1956. Ever since, he has lived at the intersection of American confusion on race. His mother's parents emigrated from Palestine to the United States in the 1930s and settled on the East Coast, where his mother was born. At the age of 18, in 1947, his father emigrated from Palestine to the United States and settled in San Francisco. Since then, there has never been a time when the United States has not been at war with Ron's ancestry.

Legally, the federal government identifies people from the Middle East and North Africa as "white." This means that black Egyptians are technically white, despite the color of their skin! But, as former San Francisco Mayor Willie Brown once told Ron, "White people *know* you're not white." In other words, Middle Easterners are an unrecognized minority for whom there are no discrimination protections and no affirmative action advantages. For this reason, Ron identifies with Ralph Ellison's Invisible Man.

By religion, Ron is an Eastern Orthodox Christian in a country that defines Christianity as Western and recognizes Buddhism, Hinduism, Confucianism, and Taoism as Eastern. So, once again, Ron falls between the cracks.

In the political arena, Ron has to some extent beaten the odds. In 2006, when he ran for the San Francisco Board of Supervisors, he was defeated by only 53 votes out of more than 20,000 cast, even though his neighbors are primarily Asian and Irish Americans, and there is no Arab-American vote of any consequence.

Ron's life has been an unending struggle to reconcile such contradictions.

Application for Appointment to the Redistricting Task Force

As a San Francisco registered voter for more than twenty years, who has participated in every election since 1978, I'd like to apply for an appointment to the Redistricting Task Force. The task force has the quite compelling charge of balancing empirical insights that have emerged as a result of new demographic data, with a need to create politically fair and representative districts. I fully meet the criteria for an appointment, and have the background, skills, and temperament to effectively contribute to the task force's public process, and ultimately, its redistricting recommendations.

Ten years ago I founded San Francisco Community Power, which, over the years, has collaborated with tens of thousands of low-income, ethnically diverse families, to lower their utility bills and improve the environment. SF Power has trained and hired dozens of un- or underemployed individuals, including Spanish and Chinese language speakers. As the publisher of the *Potrero View* – San Francisco's longest running neighborhood newspaper – and a San Francisco Neighborhood Newspaper Association member, I'm well informed about the City's neighborhoods and geographies, particularly southside communities.

I've served on a number of policy committees, including the California Inspection and Maintenance Review Committee and the Power Plant Task Force. This experience has honed by abilities to engage the public in conversations about complex, highly-charged issues. I'm a good listener. In addition, I have deep experience in policy analysis, having served as an adjunct lecturer for many years at Mills College and San Francisco State University's public administration/policy programs, and provided policy consulting services to a wide array of public and private sector entities.

My professional life provides me with sufficient time to fully participate in the task force. I'd be delighted to have the opportunity to serve San Francisco as part of the Redistricting Task Force. I've enclosed a copy of my CV; please let me know if you'd like additional information about my capacity to engage in this complex and exciting assignment.
